THE UNIVERSITY

FLORIDA STATE

Florida State was founded in 1857 and while it is proud of its rich heritage and traditions, the emphasis today is on the future and role it must play in preparing students who will be state and national leaders of tomorrow.

The current fall enrollment stands at more than 16,000 students, and by 1975, the expected enrollment is 28,000. This will include an estimated 7,500 graduate students, emphasizing the University's designated role of leadership as a senior university in Florida's system of public higher education.

Florida State University's basketball team is but one of many University functions which has achieved national acclaim in recent years.

Just this year Florida State made national headlines when one of its professors, Dr. John A. Lewellyn, was named as one of the nation's science astronauts. And little more than a year ago, one of its professors, Dr. Robert S. Mulliken, was named the Nobel Prize Winner in Chemistry.

Florida State does not measure its true value in headlines or prize winners, but it considers among its greatest assets the equally talented and unsung athletes, professors and students. It is to this goal that Florida State is firmly committed—the best possible education for each and every one of its students.

It is this dedication which has transformed the institution in just a few years from a strong liberal arts college for women (until 1947) to a University of demonstrated national stature.

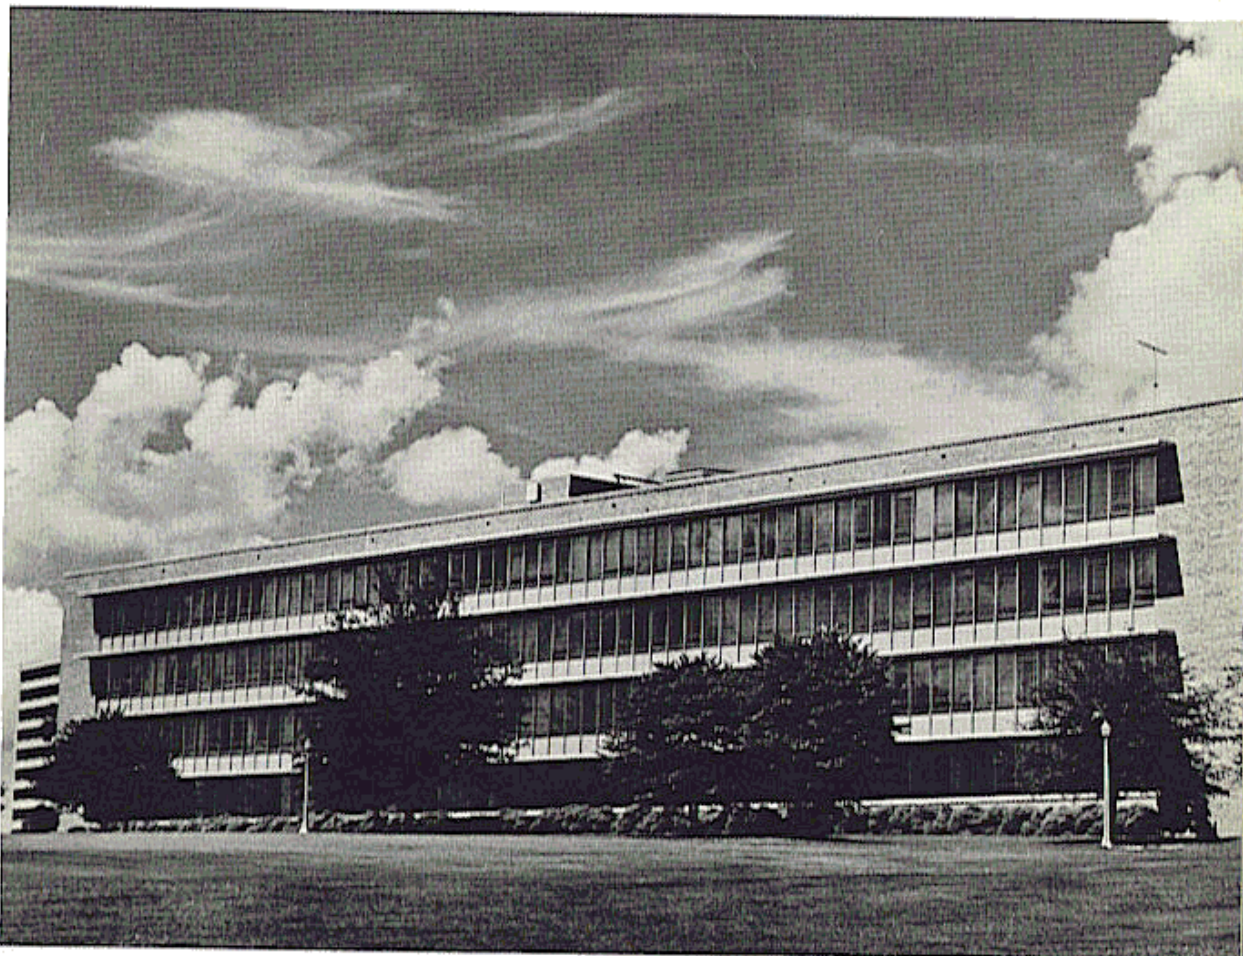

UNIVERSITY

Florida State today is one of only two dozen institutions granting more than 100 doctoral degrees each year. It was just 15 years ago that the first doctorate was given and in 1967 the 1,000th Ph. D. was awarded.

Currently under construction on the northwest corner of the campus is a rapidly expanding network of modern facilities for space-age research known as the University's Science Center. It will have connected buildings for the various sciences with the famed Institute of Molecular Biophysics (which attracted our Nobel Prize Winner) at the center.

Ten colleges and schools comprise the academic organization with each offering courses leading to the baccalaureate degree and nine offering programs leading to the master's and/or doctoral degrees in more than 40 fields of study.

These units are the College of Arts and Sciences, College of Education, School of Home Economics, School of Music, Library School, School of Social Welfare, School of Business, School of Nursing, School of Engineering Science and the College of Law.

President, Florida State University

DR. JOHN E. CHAMPION

One of the growing number of young university presidents in America, Dr. John E. Champion, at 45, is the youngest of 10 chief executives in the University's 110-year history and the fourth distinguished educator to serve as full-time president of the University since it achieved university status in 1947.

Appointed to the presidency on June 22, 1965, Dr. Champion has been associated with Florida State since 1956—serving first as a professor of accounting and assistant dean of the School of Business, and prior to the presidency, as the University's first vice president for administration.

The president's academic background includes bachelor's (1942) and master's (1949) degrees in business administration from the University of Georgia, which honored him in 1966 with a Distinguished Alumnus Award from its Graduate School of Business Administration. He also holds the Ph.D. degree in business administration from the University of Michigan (1960), and professional memberships in the American Accounting Association and the American Institute of Accountants. He has been a Certified Public Accountant since 1952. He is co-author of a principal textbook, **Accounting in Business Decisions**, with Dr. Homer A. Black, a fellow Florida State professor.

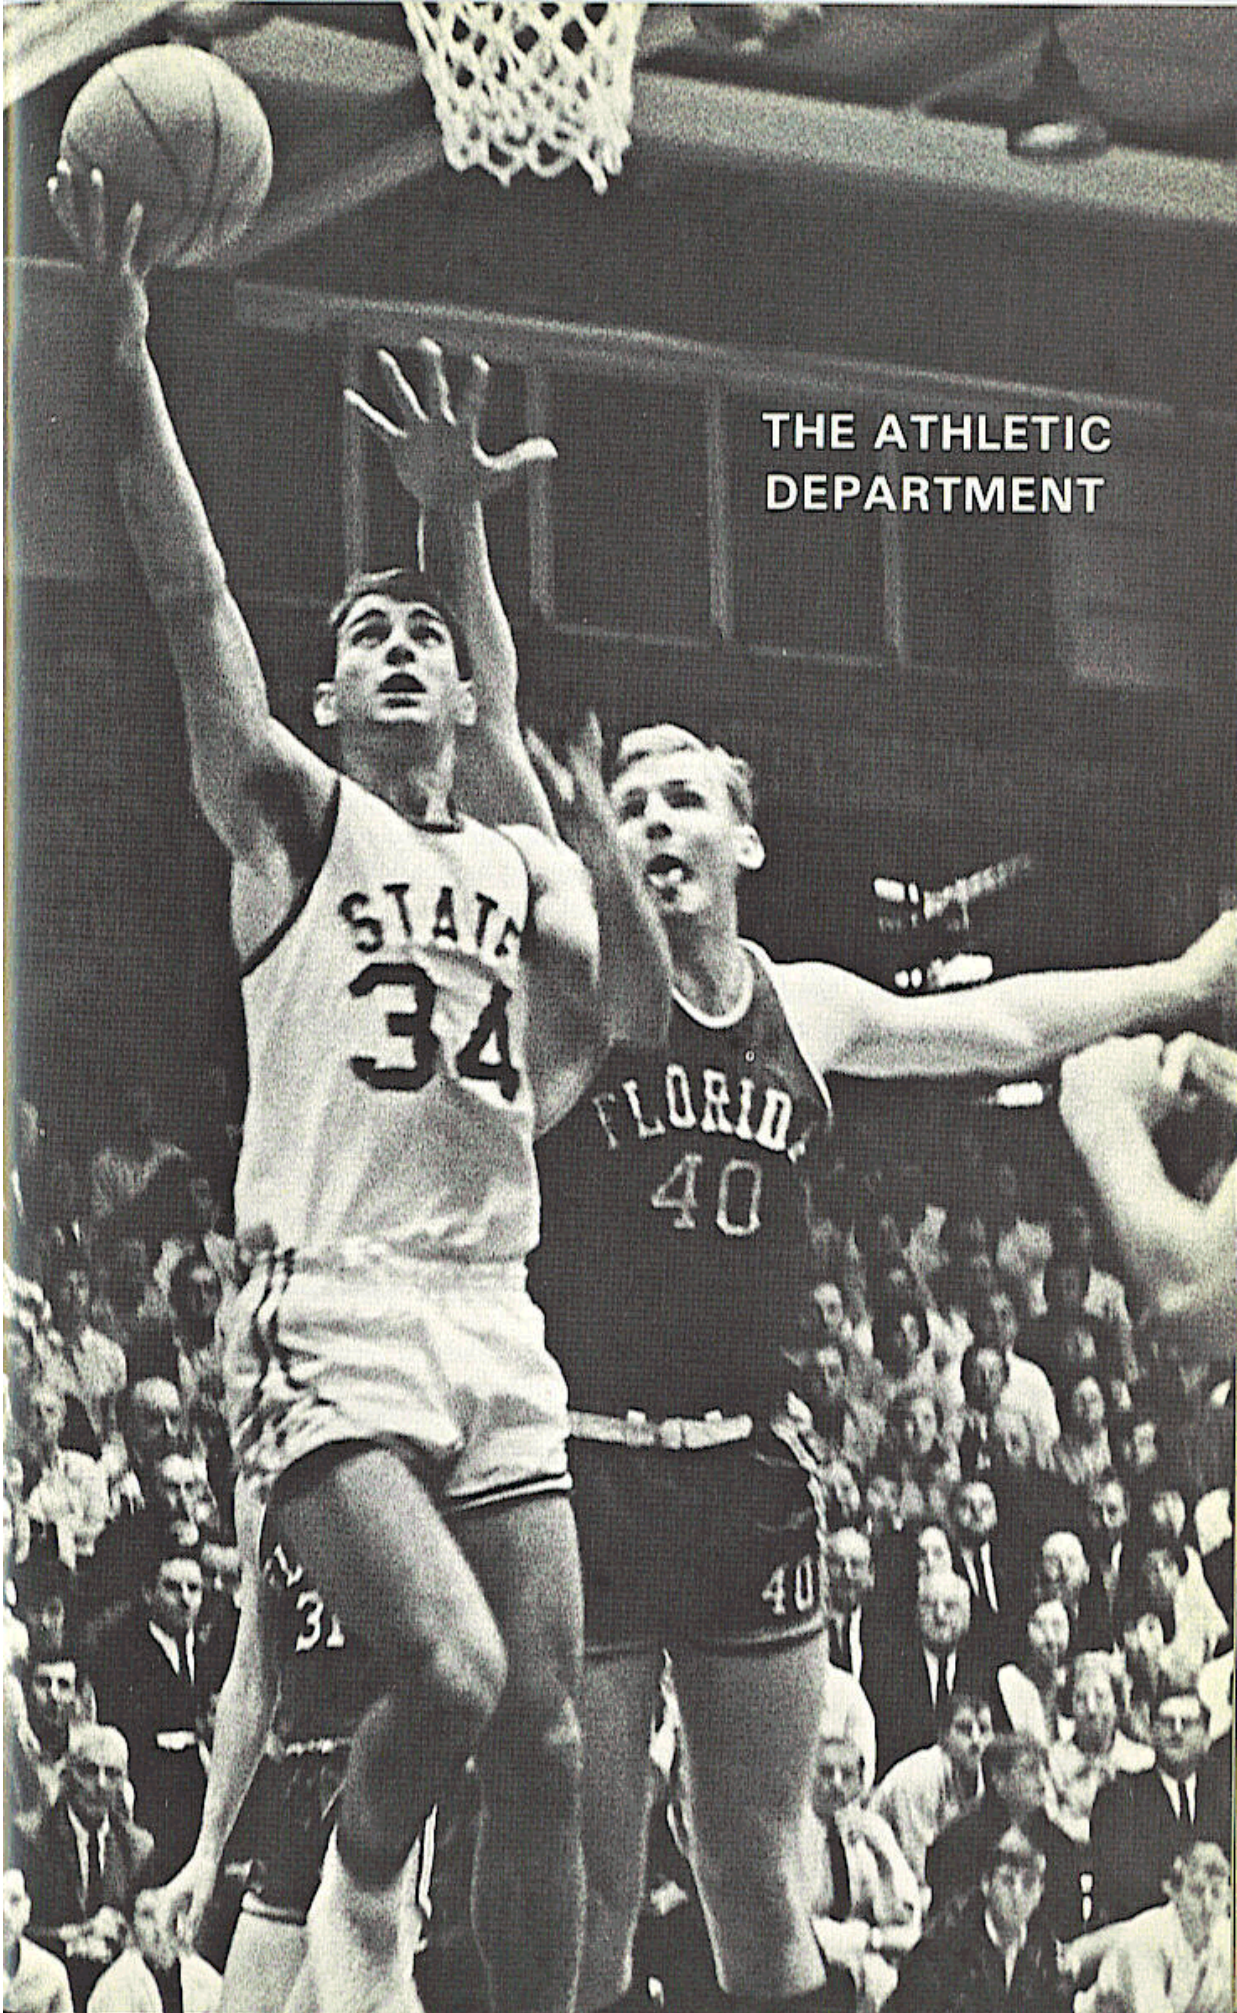

Among the expanding list of honors accorded to Dr. Champion in his teaching and administrative careers at the University of Georgia (1948 to 1956) and at Florida State are memberships in Phi Beta Kappa, Phi Kappa Phi, Beta Gamma Sigma, Omicron Delta Kappa, Gold Key, Alpha Phi Omega, Beta Alpha Psi, Delta Sigma Pi and Kappa Delta Pi. Active in numerous campus organizations at Florida State, he served as president of the Alpha of Florida Chapter of Phi Beta Kappa in 1961-62.

A recent honor to come his way is the Republic of Panama's award of the Grand Cross of the Order of Vasco Nunez de Balboa—recognizing his contributions and leadership in Florida State's student and faculty exchange program with the National University of Panama.

Dr. Champion was born in Chipley (now called Pine Mountain), Ga., on May 11, 1922, and was valedictorian of the 1939 graduating class of Chipley High School. Following graduation from the University of Georgia, he served in the U. S. Army infantry and as a quartermaster officer, receiving a special commendation for outstanding service performed with the South Pacific Base Command.

Married on June 4, 1955, Dr. and Mrs. Champion (the former Mary Lanier of West Point, Ga.) have two children—Sally Lanier, 11, and John E. Jr., 9.

Active in civic organizations, President Champion is a deacon in the Faith Presbyterian Church in Tallahassee and a member of the Tallahassee Rotary Club, Tallahassee Chamber of Commerce and the Tallahassee chapter of the Torch Club—an international society devoted to interchange of opinion and understanding among men of different professional groups. He has been an active officer in several United Fund campaigns in Leon County and recently was elected to the Board of Directors of the Tallahassee Bank and Trust Co.

**THE ATHLETIC
DEPARTMENT**

Director of Athletics

VAUGHN MANCHA

Vaughn Mancha is in his eighth year as Director of Florida State's broad Intercollegiate Athletic Program. Since his appointment in 1959 to this important responsibility, the athletic program has grown and prospered to the point of bringing Florida State's athletics to national prominence.

In his time the scholarship program, the sports schedule, as well as the facilities, have been greatly improved.

One of Mancha's chief concerns has been improvement of staff, program and facilities. In his tenure Campbell Stadium has grown from 15,000 to 40,500 capacity with a modern press box; an athletic field house has been finished and the latest project, furnishing Florida State with the installation of a modern lighted baseball field. Future attention is being given to a large coliseum for basketball.

In his short tenure one of his chief goals was the upgrading of the scholarship program to match the other institutions in the country, as well as build a sports schedule with the best competition possible in the Southeast.

Mancha's ultimate goal is to provide the University students, alumni and supporters with the strongest over-all athletic program in the country.

Mancha graduated from the University of Alabama in 1948 where he received All-America football honors and played on three Crimson Tide Bowl teams.

He first came to Florida State in 1952, and served as an assistant football coach for five years. After two years at Columbia University where he worked on his doctorate, and was an assistant coach, Mancha returned to Florida State as Athletic Director.

Married to the former Sybil Little, of Birmingham, Ala., Mancha is the father of three children, Clare, Nan and Dit.

Head Basketball Coach

HUGH DURHAM

Hugh Durham enters his 12th season of association with the Florida State basketball program. Since 1955 Durham has been a part of the Seminole program, as a player, freshman coach, assistant coach, and last year he moved up to the head coaching position following the death of Bud Kennedy.

One of the most versatile and vigorous athletes to wear the Garnet and Gold, Durham served as assistant to Kennedy during some of the Seminoles' toughest years in their climb from its basketball youth to a position of high respect and competence.

Considered the finest guard in Florida State history, the Louisville, Ky., native scored 1,381 points in three varsity seasons. His career was highlighted by two 500-plus seasons, and an All-America honorable mention.

Following his graduation, Durham served as freshman coach for one season, and directed the 1960 frosh to a 9-1 record that still stands as the Tribe's top one-year frosh mark.

In 1961, he became Kennedy's assistant, and earned such a high degree of respect from him, that Kennedy often referred to him as an "associate coach" rather than assistant.

Although basketball has always been Durham's game, he has in no way limited himself to the sport. In high school, he earned 14 varsity letters—four each in basketball and baseball and three in football and track.

At Florida State Durham has also served as the Seminole golf coach. His teams notched an outstanding record of 48 wins and six losses during his four years of direction.

A fine golfer himself, Durham now shoots consistently in the 70's, after taking the game up just six years ago. He also has found time to become the Tallahassee badminton champion.

Durham's coaching quest is for basketball of high excellence at Florida State, and those who have observed his intense progress rate him one of the most knowledgeable, hardest working men in the game.

He is married to the former Malinda Dixon of Jacksonville. They have two sons, David and Doug.

Assistant Basketball Coach

BILL CLENDINEN

Bill Clendinen became Florida State's Assistant Basketball Coach when Hugh Durham moved up to the Head Coaching position in the summer of 1966.

The former Seminole returned to his alma-mater after earning outstanding records in the high school and junior college basketball circles in Florida.

After receiving his BS degree in 1959 and his MA in 1961, Clendinen took his first coaching job at Clewiston High School. In his only season there he was named Suncoast

Conference "Coach of the Year."

The following season Clendinen moved to Pensacola Junior College, where he produced four winning teams, including one State Championship club. In 1963 he was named Florida's Junior College Coach of the Year.

Before coming to Florida State he served as assistant basketball coach at Jacksonville University for a year.

"Florida State has always had a great basketball potential, and I have always anticipated the time when I could help build a dynamic basketball program here," said Clendinen.

Head Coach Durham has high praise for his assistant. "Bill is one of the hardest working and most thoroughly organized young coaches in the field. His knowledge of the game, and ability to recruit are an invaluable asset to our total program."

While a student at Florida State, Clendinen was president of his freshman and sophomore classes, and was elected to Omicron Delta Kappa, Gold Key and Who's Who in American Colleges and Universities.

Clendinen is married to the former Carlyn Donath, a former Seminole cheerleader. They have two children.

Freshman Coach

CLEVE BRANSCUM

Cleve Branscum takes over the freshman chores this year, after four years as a coach at Little Rock (Arkansas) University. A 1961 graduate from Little Rock, he guided their freshman teams to 17-2 and 18-1 seasons, before being elevated to the varsity spot. His first year he led Little Rock to the most wins (15) it had ever had in a single season. Cleve is working on his doctorate in physical education.

KEN MacLEAN

Assistant to the Athletic Director

After three years in the football office where he served as Head Recruiter, this Florida State graduate has moved over to administration.

A former Seminole halfback, MacLean was a successful high school coach before joining the Tribe coaching staff. Under his leadership, Florida High had a record of 61-17-4.

Ken and his wife Bess have four children.

LONNIE BURT

Sports Information Director

Lonnie returned to his alma mater in the fall of 1966 after 16 years as a sports writer for the St. Petersburg Times.

Among the first group of men to enroll at Florida State, Lonnie joined the Times staff in 1950, and spent most of his time covering Florida State sports and major league baseball.

He and his wife Sally have two children.

HANK SCHOMBER

Assistant Sports Information Director

Hank became the first fulltime assistant in the sports information office following his graduation in June 1967.

While working on his degree, the former Pompano Beach resident also served as Sports Editor of the Florida State student newspaper, and part-time assistant in the sports information department.

He and his wife Judy have one child.

DON FAULS

Head Trainer

This is Don's 12th year at Florida State where he has soothed Seminole ailments.

A native of Ithaca, New York, Fauls graduated from Ithaca College with a degree in physiotherapy.

Affectionately known as "Rooster", Don did extensive hospital and clinic work, and was a trainer in the St. Louis Cardinal farm system before coming to Florida State.

He and his wife Marg have three children.

ROY DON WILSON

Assistant Trainer

This Texas native is in his second year as assistant to trainer Don Fauls.

A graduate of Texas A&M, Roy Don served as trainer at an Odessa, Texas high school before coming to Florida State.

He and his wife Pat have one son.

PHILOSOPHY OF FSU BASKETBALL PROGRAM

by Hugh Durham, Head Basketball Coach

"In all areas of endeavor, strive to reach the ultimate of your abilities." This, in essence, is the philosophy of the basketball program at Florida State University.

Although our players are individuals and each has his own interests and goals, there are four areas, academic, athletic, social and moral, in which all our young men should strive for excellence. And, not only are we interested in outstanding individual achievement, but we are dedicated to excellence in our total basketball program.

What contribution will our basketball program have made to each player upon his graduation? At Florida State, we feel athletic letters and school records are not enough. Pride, self-discipline, perseverance, and loyalty are not letters to be forgotten or records to be broken. We feel it is important that our young men develop these qualities, and using them as a foundation, they will be prepared to strive successfully for excellence in their chosen fields. This carry-over value is an integral part of our basketball program at Florida State University.

As interested as we are in the individual, we are dedicated to the development of a winning basketball team. Winning is important—our society dictates this. As coach, I have established three goals for our basketball team. They are for Florida State to be represented in one of the national tournaments, for Florida State to be listed consistently in the top ten, and for Florida State to win the National Championship.

Florida State University is recognized nationally for excellence in the fields of accounting, chemistry, marine biology, mathematics, music and physics. In recent months, new academic programs at Florida State have been acclaimed in national magazines and Dr. Mulliken, of our Chemistry and Physics Department, was awarded the Nobel Prize.

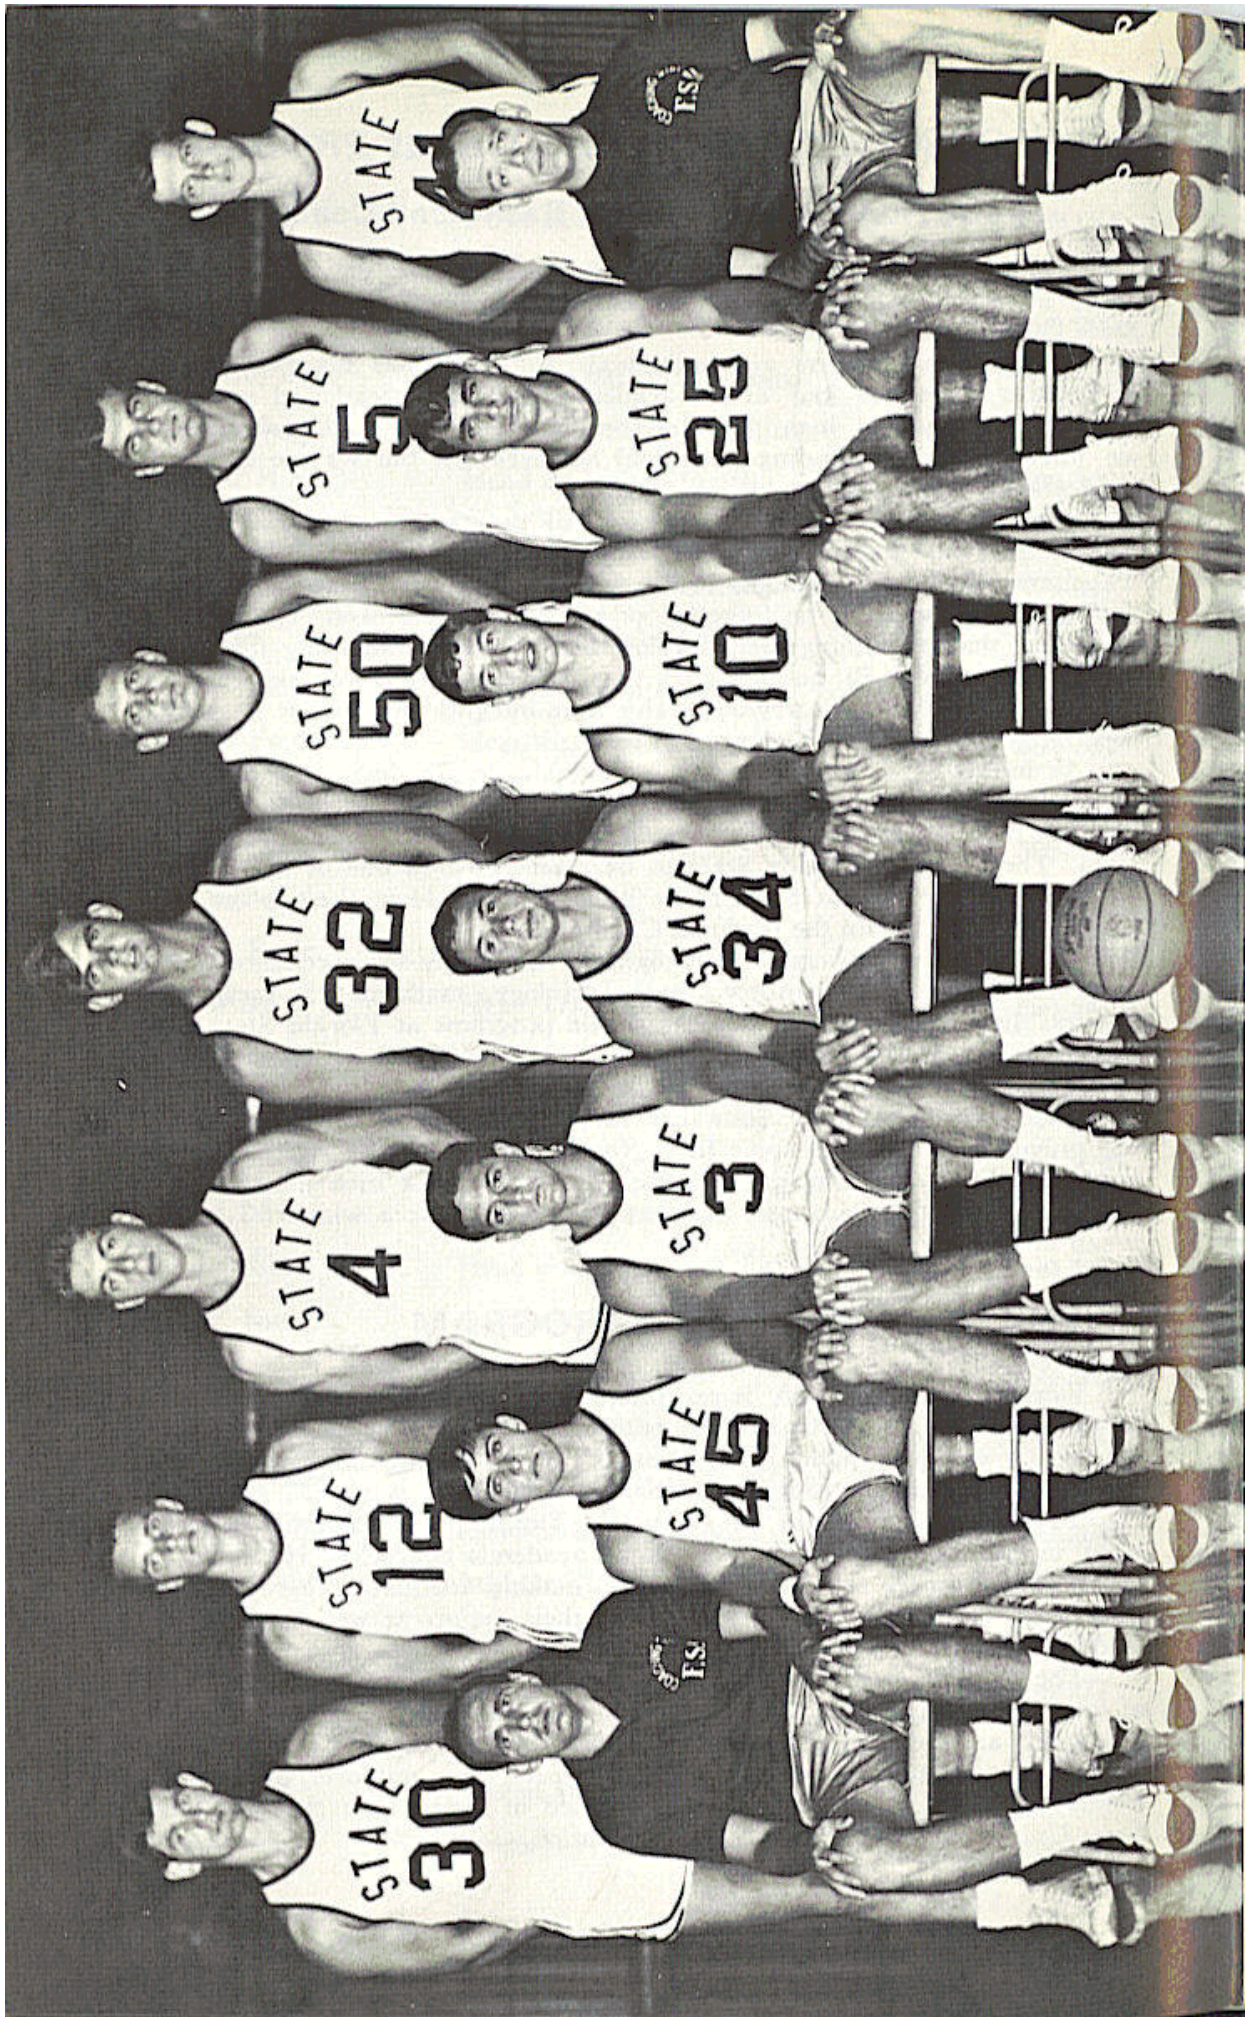

Academically, Florida State has earned national prominence, and at our university, academics come first. Now it is time for our basketball program to obtain the same prominence. To do this, our men must learn to compete, meet the challenge, and pay the price to be a winner. I believe it can be done.

ACADEMIC PROGRAM

Florida State University is exceptionally proud of the academic success of the members of its basketball team. The team grade average is better than a 2.4 which is higher than the overall men's average at Florida State. Ian Morrison leads the team with an overall 3.68 grade average.

The academic program for athletes at Florida State University is somewhat unique because it has a full-time academic counselor. His main responsibility is to see that the athletes are making adequate progress toward their degree. He also helps in planning their majors as well as in the selection of courses.

The Athletic Department requires that all full scholarship athletes spend at least five nights a week studying during their freshman year. All necessary study aids are provided and tutors are available when needed. Textbooks are furnished at all times, and many students check them out over the summer holidays as well. No stone is left unturned in seeing to it that a Florida State University athlete gets a quality education.

1967-68 BASKETBALL OUTLOOK

The Florida State basketball team will have a new look this season and high hopes for a successful year. Coach Hugh Durham will have the Seminoles decked out in new uniforms, playing a new offense and working with plenty of new faces.

The "new look" uniforms will not be revealed until the Tribe's opening game, but Durham is keeping no secrets about the Seminoles' new wide open style of play. "We will be going with the run-and-shoot style offense and the press on defense this year," the Tribe mentor said. "In the past few seasons we did not have the talent to do this, but this year we feel we will be able to play the running game." The change in the offensive style will undoubtedly be a crowd pleaser, and if the Seminoles get off to a good start, they should attract some national attention.

Although the Seminole camp is looking forward to the upcoming season with some optimism, Durham is cautious about shooting too high. "We have a lot of talent on this ball club," he concedes, "but a lot of it is green. Seven of our top 12 players have never played varsity ball for us before. We are going to make mistakes, but we hope to overcome them with desire and hustle, especially in the early going. If we can do this, and keep our confidence through December, by January or February we should have a good ball club."

The tell-tale month of December will be tough for the Tribe. Numbered among the opponents for the opening weeks are Ohio State, Rutgers, Florida and two tournaments. "Our December schedule is challenging," said Durham, "but if our boys have enough desire and hustle, I think we can come through."

Overall the Seminoles will have more talent and depth than in recent years, especially at center. "This is probably the strongest that Florida State has ever been at center," Durham pointed out. "We are four deep at the post, with Dave Cowens, Dick Danford, Don Biggs and Dave Macomber." Danford was a starter at the post last season and has made improvement over the summer. He will receive a challenge from Cowens, who led last year's frosh with 20 rebounds per ball game. Biggs is a letterman who missed last season because of an injury but should prove to be an excellent back-up man, as is Macomber.

Guard is another stronghold for the Seminoles. Back from last season are Darrel Stewart, Ian Morrison and Jeff Hogan. They will be joined by Randy Cable, Bob DePathy and Carl Reynolds, from last year's freshman team. "We have some fine shooters and ball handlers at guard and good defensive men as well," Durham noted.

Forward is the only comparative weak spot in the Seminole lineup. "We will lack depth here," said the Tribe Coach, "and we won't be very big." Dave Ross is the Seminoles' tallest forward at 6-5, and also the most experienced. He saw duty mostly as a reserve last year.

One of the forwards will undoubtedly be Larry Moore, top scorer from last year's frosh team. Another sophomore, Jan Gies, should see plenty of action and may be a starter by the end of the season. Junior College transfer Dale Klay is also being counted on.

"Our squad will be young," Durham reminded, "and the key to a good season could be how fast our sophomores come through. We will be depending on three especially, Cowens, Moore and Cable. If they develop rapidly we should have a good season."

FLORIDA PRESBYTERIAN Dec. 2, 1967, St. Petersburg 8:15 P.M. EST

Nickname: Tritons	Enrollment: 950
Location: St. Petersburg	Conference: Independent
President: Dr. William H. Kadel	Series: First Meeting
Athletic Director: James R. Harley	1966-67 Record: 16-6
Basketball Coach: James R. Harley (4 yr. 45-25)	Lettermen Returning: 7
Game Site: Bayfront Center	Lettermen Lost: 1

OUTLOOK: The Tritons return four starters from their 1966 club, which won 16 of 22 games. Coach Jim Harley's crew averaged better than 85 points a game last season, and with the four top point producers returning could be even stronger this year. The starters will again be paced by 6-3 center Harry Singletary who led the club with 499 points last season. His 327 rebounds was also the club's best. Forwards Marv Clemons and David Stone both averaged in double figures last season, and guard Joe Griswell wasn't far off.

OHIO STATE Dec. 4, 1967, Columbus, Ohio 7:30 P.M. EST

Nickname: Buckeyes	Enrollment: 33,567
Location: Columbus, Ohio	Conference: Big Ten
President: Dr. Novice G. Fawcett	Series: 1-0, Ohio State
Athletic Director: Richard G. Larkins	1966-67 Record: 13-11
Basketball Coach: Fred Taylor (10 yrs. 161-65)	Lettermen Returning: 9
Fieldhouse: St. John Arena (13,497)	Lettermen Lost: 5

OUTLOOK: Fred Taylor expects more depth and experience to add up to a lot bigger things for the Buckeyes this season. Injuries shelved three guards at critical times last season, and their return along with the appearance of newcomers, Dave Sorenson (6-6) and Jody Finney (6-3), should take the pressure off top performer, center Bill Hosket.

FLORIDA Dec. 7, 1967 Tallahassee 7:30 P.M. EST
Feb. 21, 1968 Gainesville 8:00 P.M. EST

Nickname: Gators	Enrollment: 18,000
Location: Gainesville	Conference: Southeastern
President: Stephen O'Connell	Series: 16-4, Florida
Athletic Director: Ray Graves	1966-67 Record: 21-4
Basketball Coach: Tommy Bartlett (6 yr. 96-44)	Lettermen Returning: 7
Fieldhouse: Florida Gym (6,900)	Lettermen Lost: 4

OUTLOOK: Florida returns three starters this season, but the two vacancies will be tough to fill as Tommy Bartlett looks for replacements for All-SEC performers Gary Keller and Skip Higley. The returnees are led by 6-11 Neal Walk who averaged 11.5 points his sophomore season. Also back are 6-6 guard David Miller and 6-6 forward Gary McElroy. Andy Owens, a 6-5 sophomore, will inherit Keller's high post spot, while junior college transfers Mike Leatherwood and Richard Vasquez will battle for the guard opening.

SAMFORD Dec. 9, 1967 Tallahassee 7:30 P.M. EST

Nickname: Bulldogs	Enrollment: 2,800
Location: Birmingham, Ala.	Conference: Independent
President: Dr. Leslie S. Wright	Series: 6-0, Florida State
Athletic Director: James E. Sharmon	1966-67 Record: 11-13
Basketball Coach: John H. Edwards (2 yrs. 23-27)	Lettermen Returning: 5
Fieldhouse: Seibert Gymnasium (6,000)	Lettermen Lost: 3

OUTLOOK: Despite their 11-13 record, the Bulldogs fielded their strongest team last season, and have eight men returning to make the picture bright again this season. A tough schedule will make the going rough, as the NAIA District runner-ups meet NCAA major division schools nine times. Junior College transfers Ron Mikell (6-5) and Robert Flowers (6-8) are expected to add much needed rebounding to the Samford attack.

RICHMOND Dec. 20, 1967 Tallahassee 7:30 P.M. EST

Nickname: Spiders	Enrollment: 7,500
Location: Richmond, Va.	Conference: Southern
President: Dr. George M. Modlin	Series: 2-0, Richmond
Athletic Director: Frank Jones	1966-67 Record: 11-12
Basketball Coach: Lewis Mills (4 yrs. 39-57)	Lettermen Returning: 3
Fieldhouse: Richmond Arena (5,000)	Lettermen Lost: 7

OUTLOOK: The Spiders will be rebuilding this season, as graduation has cleaned the boards, including leading scorer and Southern Conference MVP Johnny Moates. The prospects are not as bleak as they might be, however. Richmond's freshmen won 15 of 17 games last year, and are expected to fill out the Spider varsity this season. Three returning lettermen will also be on hand to bolster the club and keep things on an even keel.

RUTGERS Dec. 22, 1967 Tallahassee 7:30 P.M. EST

Nickname: Scarlet Knights	Enrollment: 6,200
Location: New Brunswick, N.J.	Conference: Independent
President: Dr. Macon W. Cross	Series: First Meeting
Athletic Director: Albert W. Twitchell	1966-67 Record: 22-7
Basketball Coach: William E. Foster (5 yrs. 56-43)	Lettermen Returning: 10
Fieldhouse: Rutgers Gymnasium (2,800)	Lettermen Lost: 3

OUTLOOK: Rutgers loses three of its top four scorers from the 1966 club which finished third in the NIT, but 10 other lettermen return, and the Scarlet Knights will be pressing for a repeat of last season's performance. Coach Bill Foster may come up with a new offense this go around to take advantage of added height. The Scarlet Knights should be stronger on the boards, and field two experienced teams.

THE CITADEL Jan. 2, 1968 Charleston, S.C. 8:15 P.M. EST
Feb. 7, 1968 Tallahassee 7:30 P.M. EST

Nickname: Bulldogs, Cadets Enrollment: 2,200
Location: Charleston, S.C. Conference: Southern
President: Gen. Hugh P. Harris, Series: 4-1, Citadel
USA, Ret.

Athletic Director: Edward L. Teague, Jr. 1966-67 Record: 8-16
Basketball Coach: Dick Campbell Lettermen Returning: 7
Fieldhouse: The Citadel Armory (5,000) Lettermen Lost: 2

OUTLOOK: Much improved, is the description for the Cadets. They will still be a predominately young club, but they are experienced. Al Kroboth, a 6-6 center, could be among the South's best despite only being a junior. He will be joined by Doug Bridges a senior, and Junior Bill Zinsky on the front line, while Tee Hooper and John DeBrosse, another junior-senior combination will be up front. DeBrosse is a proven point-getter, and the front line will handle their own under the boards.

STETSON Jan. 6, 1968 Tallahassee 7:30 P.M. EST
Feb. 29, 1968 Deland 7:45 P.M. EST

Nickname: Hatters Enrollment: 1,800
Location: Deland, Florida Conference: Florida Intercollegiate
President: Dr. Paul Gerin Series: 17-10, Florida State

Athletic Director: W.C. "Brady" Cowell 1966-67 Record: 17-8
Basketball Coach: Dr. Glenn Wilkes Lettermen Returning: 7
(11 yrs.)

Fieldhouse: Deland Armory (1,050) Lettermen Lost: 2

OUTLOOK: This could be one of Stetson's finer teams. All five starters return from last year's team that finished 17-8 and was selected for the NCAA College Division Tourney. Hatters have one of finest players in South in Bob Jenkins (6-2) who could break all Stetson scoring records during this, his senior season.

MIAMI Jan. 12, 1968 Tallahassee 7:30 P.M. EST
March 1, 1968 Miami 8:15 P.M. EST

Nickname: Hurricanes Enrollment: 14,000
Location: Coral Gables Conference: Independent
President: Dr. Henry King Stanford Series: 16-12, Miami

Athletic Director: Andy Gustafson 1966-67 Record: 15-11
Basketball Coach: Ron Godfrey Lettermen Returning: 6
(First Yr.)

Fieldhouse: Miami Beach Convention Lettermen Lost: 4
Hall

OUTLOOK: Three regulars including Mike Whitman, the third best scorer in Miami's history, and guards Junior Gee and Rick Jones are gone after three seasons as starters. The returnees include center Bill Soens and Rusty Parker, but neither has been consistent, thus far. At least three of the starters for new coach Ron Godfrey will be sophomores, making this season a question mark for Miami.

JACKSONVILLE January 16, 1968 Tallahassee 7:30 P.M. EST
February 16, 1968 Jacksonville 8:00 P.M. EST

Nickname: Dolphins	Enrollment: 2,800
Location: Jacksonville, Fla.	Conference: Independent
President: Dr. Robert Spiro	Series: 6-1, Florida State
Athletic Director: Dr. Judson Harris	1966-67 Record: 8-17
Basketball Coach: Joe Williams (3 yrs. 35-39)	Lettermen Returning: 4
Fieldhouse: Coliseum (10,000)	Lettermen Lost: 6

OUTLOOK: The Dolphins enter their second season as a member of the NCAA University Division, and the going may be rough. Coach Joe Williams has lost three of his starters, and the club will be rebuilt around guards Wayne Kruer and Tom Erney. They will receive a lot of help from the graduates of last year's freshman team, which recorded a superb 18-3 record.

GEORGIA TECH Jan. 20, 1968 Atlanta, Ga. 3 P.M. EST
Feb. 24, 1968 Tallahassee 3 P.M. EST

Nickname: Yellow Jackets	Enrollment: 7,500
Location: Atlanta, Ga.	Conference: Independent
President: Dr. Edwin D. Harrison	Series: 6-2, Tech
Athletic Director: R.L. "Bobby" Dodd	1966-67 Record: 17-9
Basketball Coach: John "Whack" Hyder	Lettermen Returning: 9
Fieldhouse: Alexander Memorial Coliseum	Lettermen Lost: 3

OUTLOOK: The Yellow Jackets return a host of veterans this season, and "Whack" Hyder is looking for another successful season. Last year Tech broke almost every school scoring record without a starter over 6-4. They won't be much bigger this year, although a couple of 6-7 sophomores are up from the freshmen. Versatile Phil Wagner is back for his final season, and is a candidate for All-America.

HOFSTRA Jan 26, 1968 Tallahassee 7:30 P.M. EST

Nickname: Flying Dutchmen	Enrollment: 4,800
Location: Hempstead, N.Y.	Conference: Metropolitan (New York), Middle Atlantic
President: Clifford L. Lord	Series: First Meeting
Athletic Director: Howdy Myers	1966-67 Record: 12-13
Basketball Coach: Paul K. Lynner	Lettermen Returning: 9
Fieldhouse: Calkins Hall (1,000)	Lettermen Lost: 1

OUTLOOK: The Flying Dutchmen nearly broke even with a sophomore laden club last year. With a year's experience under their belts they should be able to battle most any club on their schedule. 6-5 Barry White is the club's top scorer and rebounder. An excellent shot, he was 12th in the nation last year in field goal percentage. Have lost only one letterman from last year.

VALDOSTA STATE Jan. 30, 1968 Tallahassee 7:30 P.M. EST

Nickname: Rebels	Enrollment: 2,400
Location: Valdosta, Ga.	Conference: Georgia Intercollegiate
President: Dr. S. Walter Martin	Series: 6-0, Florida State
Athletic Director: Gary Colson	1966-67 Record: 27-8
Coach: Gary Colson	Lettermen Returning: 5
Fieldhouse: College Gym (2,000)	Lettermen Lost: 5

OUTLOOK: Valdosta returns a veteran starting five, and the Rebels are hopeful of another trip to the College Division tourney in March. Gary Colson is confident the first freshman team in the school's history will provide him with a solid bench to carry him through another good season. The Seminoles are the Rebels' biggest opponents, and they always manage to get up for the "big boys."

NORTH CAROLINA Feb. 1, 1968 Chapel Hill, N.C. 8:00 P.M. EST

Nickname: Tar Heels	Enrollment: 13,250
Location: Chapel Hill, N.C.	Conference: Atlantic Coast
Chancellor: J. Carlyle Sitterson	Series: 2-0, UNC
Athletic Director: C.P. (Chuck) Erickson	1966-67 Record: 26-6
Basketball Coach: Dean Smith (7 yr. 92-53)	Lettermen Returning: 7
Fieldhouse: Carmichael Aud. (8,800)	Lettermen Lost: 3

OUTLOOK: The return of All-America Larry Miller along with three other starters from last year's Eastern Region Champions makes this season a bright one for North Carolina. The Tar Heels will have 6-10 Rusty Clark, 6-8 Bill Buntin and 6-3 Dick Grubar back, but Bob Lewis has graduated, and his spot will be hard to fill. Six foot-five inch Charlie Scott appears to have the best chance at it. Other new comers who will see action are back-court men Ed Folger and Jim Delaney.

EAST CAROLINA UNIVERSITY Feb. 3, 1968 Tallahassee 3 P.M. EST

Nicknames: Pirates, Buccaneers	Enrollment: 9,700
Location: Greenville, North Carolina	Conference: Southern
President: Dr. Leo W. Jenkins	Series: First Meeting
Athletic Director: Clarence Stasavich	1966-67 Record: 7-17
Basketball Coach: Tom R. Quinn (168-85)	Lettermen Returning: 5
Fieldhouse: Minges Coliseum (7,000)	Lettermen Lost: 3

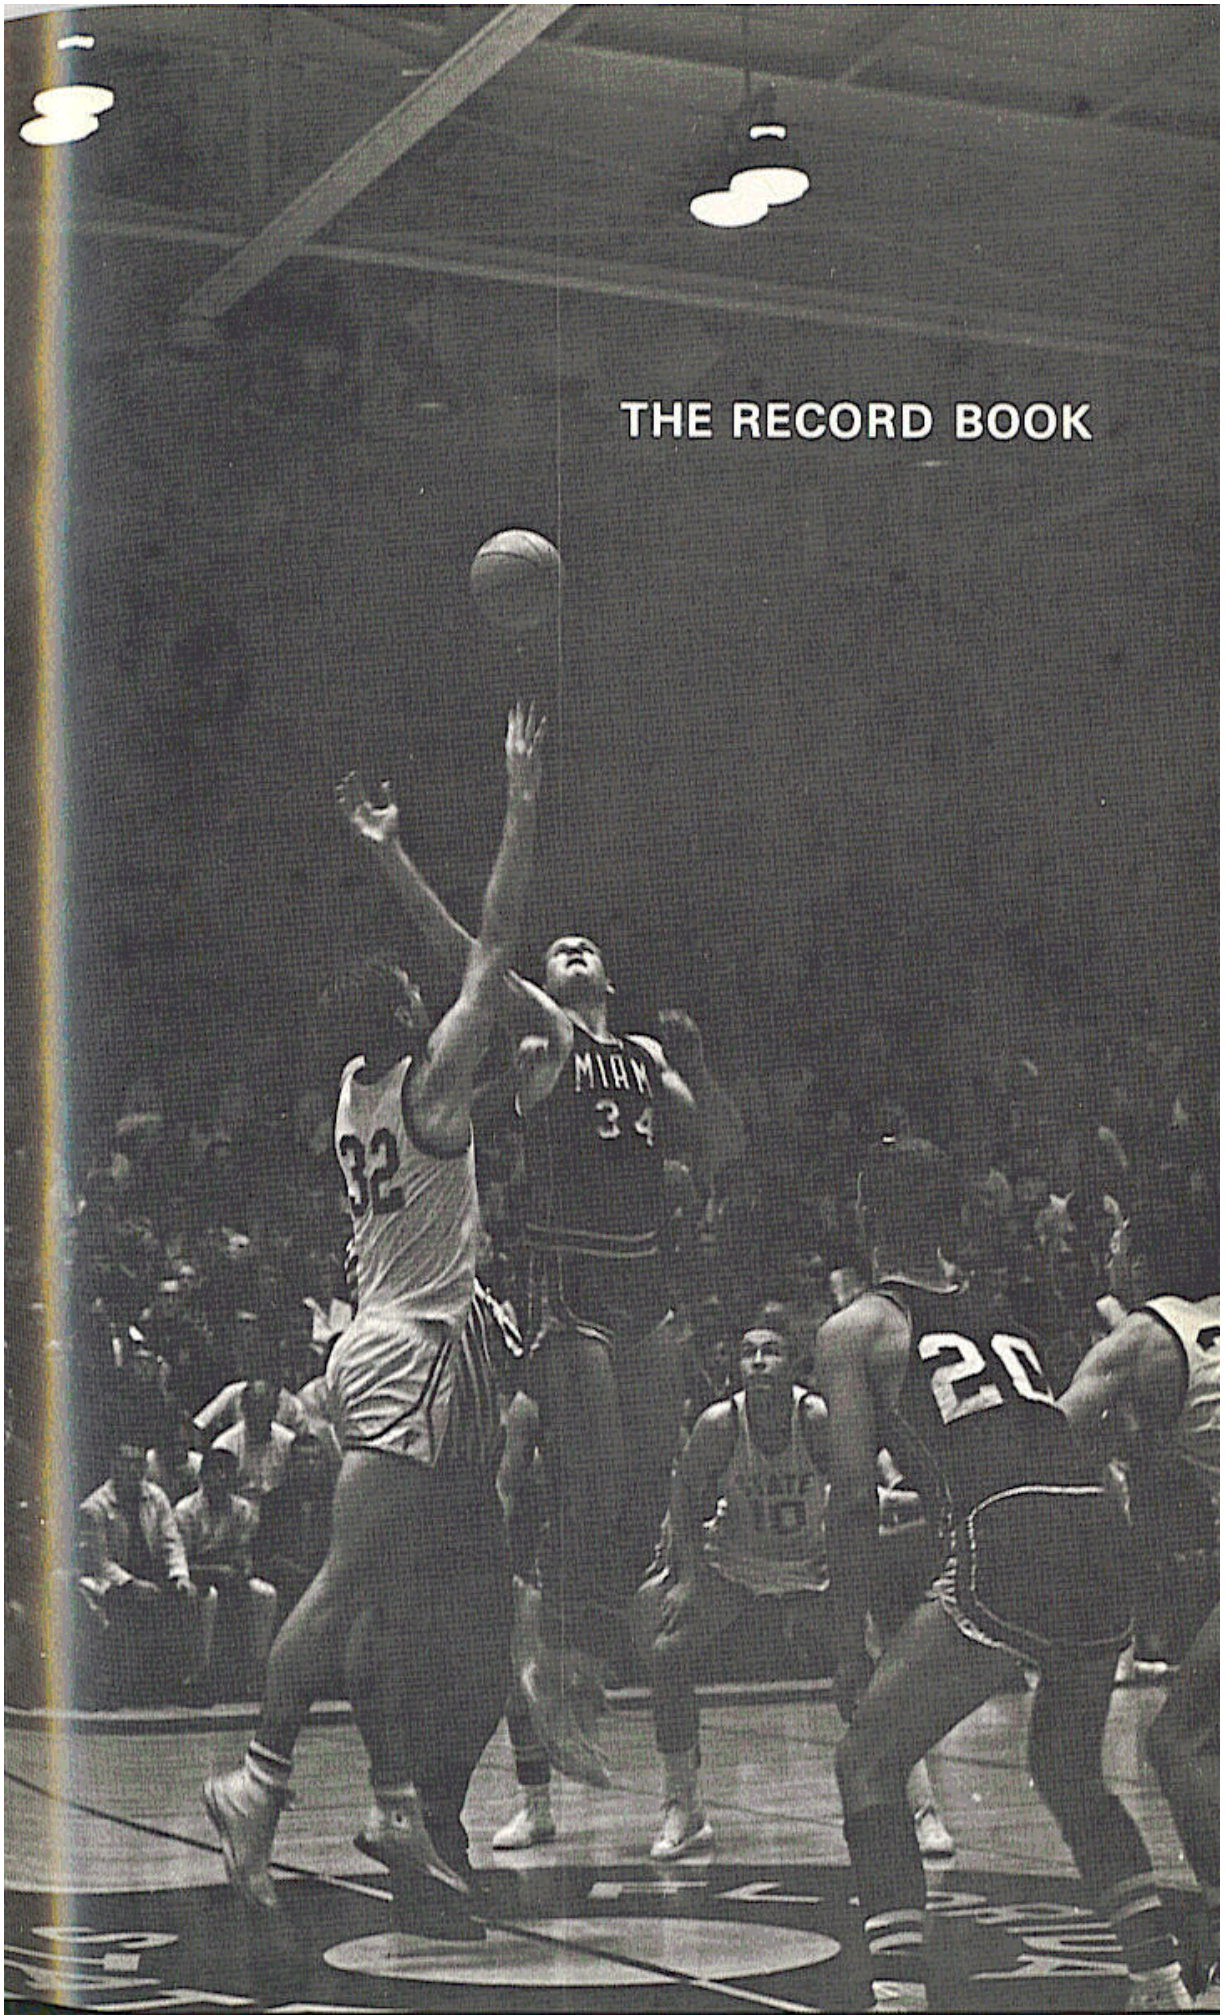

OUTLOOK: East Carolina will have three starters back this season, but the other two spots will be filled by inexperienced players. Coach Tom Quinn is optimistic, however, as he will have several top sophomores and junior college transfers to work with. Depth may be a problem up front, but the Pirates expect to be deep at guard. Center Charles Alford will be the key to this year's Buccaneer success.

FLORIDA SOUTHERN Feb. 10, 1968 Tallahassee 7:30 P.M. EST

Nickname: Moccasins	Enrollment: 1,515
Location: Lakeland, Fla.	Conference: Florida Intercollegiate
President: Charles T. Thrift, Jr.	Series: 15-8, Florida State
Athletic Director: Tom Greene	1966-67 Record: 9-16
Basketball Coach: Tom Greene	Lettermen Returning: 4
Fieldhouse: Jenkins Gymnasium (4,300)	Lettermen Lost: 6

OUTLOOK: Bob Denis' eligibility holds the key to Florida Southern's chances this season. The Moccasins lose six of their lettermen from last season, and it could be seven if Denis goes. He has the most potential, and will play a big part in leading the younger players, and uniting the Mocs if he is eligible. The Seminoles won't meet Tom Greene's crew until late in the season, and with the experience, they could be tough.

THE RECORD BOOK

1,000 POINT CLUB

JIMMY OLER (1952-56)

A guard during the Seminoles' final years as a small college team, Jimmy Oler amassed 1,820 points in four varsity seasons. His 762 free throws still stand as a career record. The 743 points he scored in his senior year is also the pacesetter in that category.

Years	FG	FT	Pts.	Games	Aver.
4 (1952-56)	529	762	1820	91	20.0

DAVE FEDOR (1959-62)

Dave Fedor was one of the finest field shooters ever to wear the Garnet and Gold, and his record 20.2 lifetime score average and 72 game-string of double figure games attest to that. A forward from 1959-62, Fedor started every game the Seminoles played during his eligibility. The 16 field goals he made against Miami in 1959 still stand as a Seminole record.

Years	FG	FT	Pts.	Games	Aver.
3 (1959-62)	585	283	1453	72	20.2

HAM WERNKE (1951-55)

Another four-year varsity veteran, Ham Wernke, totaled 508 field goals and 393 free throws during his career. He and Jimmy Oler shared the honor of becoming the Seminoles' first 1,000 Point Clubbers in 1955.

Years	FG	FT	Pts.	Games	Aver.
4 (1951-55)	508	393	1409	73	19.3

HUGH DURHAM (1956-59)

Hugh Durham's 1,381 points rank him fourth among the Seminoles' all-time scorers. A guard from 1956-59, Durham averaged nearly 19 points a game for Florida State. During his sophomore season, Durham hit a record high of 43 points in a single game, a mark he holds jointly with Dave Fedor who equaled that output three years later.

Years	FG	FT	Pts.	Games	Aver.
3 (1956-59)	470	441	1381	73	18.9

GARY SCHULL (1963-66)

One of the finest big men ever to play for Florida State, Gary Schull became the latest member of the 1,000 Point Club with a 1,090 point total in 76 games from 1963-66.

Years	FG	FT	Pts.	Games	Aver.
3 (1963-66)	393	304	1090	76	14.3

RAY SWAIN (1959-62)

Ray Swain almost did not make the 1,000 Point Club. Near the end of his last varsity game, Coach Bud Kennedy took the three-year Seminole center-forward out of the game for a well-earned rest. With a little over a minute to play, Kennedy was informed that Swain lacked only a single field goal of joining the golden circle of Seminole scorers. Kennedy immediately returned Swain to the floor, and as the final seconds of his Florida State career ticked away, Swain made the all-important shot.

MISCELLANY

SEMINOLE TIPOFF CLUB

The Seminole Tipoff Club is an organization dedicated to providing funds for basketball recruiting. There are about 300 members. Membership is open to all alumni and friends of the University. A minimum contribution of \$10 is required in order to extend the contributor full membership privileges, which include priority on ticket purchases and reserved parking at home games.

All contributions are handled in accordance with NCAA regulations. The head basketball coach is responsible for use of the funds, which are administered through the University.

In addition to its regular solicitation program, the Tipoff Club has sponsored special projects for fund-raising purposes. Last year the club sponsored a Harlem Globetrotters game, and plans are underway to do the same this year.

The president of the club is Tallahassee attorney, Ted Steinmeyer. Florida State's Director of Alumni Affairs, Tom Waits, serves as Executive Secretary. The Tipoff Club office is located at 114 Longmire Alumni Building, Florida State University, Tallahassee, Florida

SEMINOLE BASKETBALL NETWORK

All Florida State University Basketball games will be broadcast. At press time a state-wide basketball network was being negotiated. Radio Station WTNT, Tallahassee, will originate Seminole broadcasts.

For the second year Bud Kaatz will handle the play-by-play. For the past two years Bud has handled the color commentary on the Seminole Football Network and broadcast several Florida State baseball games.

Anyone desiring information concerning the network should contact Hurley Rudd, WTNT, Duval Hotel, Tallahassee.
