She has an incredible ability to help me believe that we can achieve anything together.

COVERING THE 2008-2009 SEMINOLES

The 2008–09 Florida State basketball media guide has been produced to assist the media in the coverage of the Seminole men's basketball team. Additional information, including press releases, game notes, photo CDs, video footage and recent news clips, is available upon request to all members of the media. Any questions not covered in this publication may be directed to the Sports Information Office.

We hope the information contained in this publication is helpful and allows you to get to know the team and the program throughout the season. Please take a moment to look through the following pages for the services available to you and the guidelines to help you cover the program. The information in the book is expanded, and we welcome feedback and suggestions for future publications. We also encourage you to visit <code>www.seminoles.com</code> for updated information on Florida State basketball.

BEFORE YOUR VISIT

Credentials for Florida State home games are issued to accredited members of the media only. Working space along press row at the Tucker Center is limited, and seats are expressly reserved for those working on deadline, with no exceptions. Children and other non-workers are not allowed in the press area. Requests for credentials should be made in writing on letterhead stationery to Chuck Walsh, associate director of sports information. Please email your request for credentials to Chuck Walsh at cwalsh@fsu.edu. If it is convenient to fax your request, you are welcome to do so. The fax number for the Sports Information Office is (850) 644-3820. These requests are accepted from sports editors and sports directors only. Credential requests are carefully screened to ensure proper working conditions in the press area. When time permits, a working press pass and a parking pass will be mailed. When mailing is not possible, they will be left at the Media Will Call entrance near the bottom level at the Elephant Doors located in the southwest corner of the arena (near the television trucks and directly opposite the Florida State Basketball Training Center). Media Will Call is open 90 minutes prior to tip-off.

PHOTOGRAPHY CREDENTIALS

Photographers, too, should make their credential requests at least one week in advance. Strobe lights may be installed in the Tucker Center; arrangements must be made through the Civic Center at least two weeks prior to gameday. Space for strobe lights is available on a first-come, first-served basis. Arrangements may be made by calling Roger Englert at (850) 487-1691.

The NCAA has an established policy to control congestion within photography areas on the basketball court. Only photographers on assignment will be issued photo passes along with members of the working television media. Admission to the court and photo boxes is by photo pass only. Photographers, both still and electronic, must shoot from the baselines at the northwest (visiting bench press row side) or southeast (Florida State bench) corners of the court. Photographers' floor access is governed by Atlantic Coast Conference and NCAA policy. Please note: Only game photographers, no runners, assistants or producers, will have access to the photography areas. Photographer positions are at the complete discretion of the basketball game officials and the Sports Information Office at ALL TIMES.

PARKING

Parking for media covering the Seminoles at the Tucker Center is available on a very limited basis. The media parking lot is located in the main Tucker Center parking lot. Access is via media parking pass only. Vehicles should enter the Tucker Center lot from Pensacola Street. They will then be directed to the appropriate area. Please contact the Sports Information Office in plenty of time to request a parking pass to be mailed or left at your hotel.

MEDIA SERVICES

Weekly Interview Schedule: The Sports Information Office will, in conjunction with head coach Leonard Hamilton, establish an interview schedule throughout the 2008-09 season. The schedule, which will vary in accordance with the Seminoles' practice and game schedule, is established to assist the media in their coverage of the Seminoles. The interviews will take place in the Florida State Basketball Training Center and will provide the media with an opportunity to speak with Coach Hamilton as well as various Seminole players. All interview requests must be made in advance and must be made with at least a 24-hour notice. Players' individual phone numbers will not be given to the media, and gameday interviews will not be granted until the end of each game. Players will return phone calls at a mutually convenient day and time. Media requests for specific players to be made available should be made to associate sports information director Chuck Walsh.

ACC COACHES' TELECONFERENCE

SEMINOLE RADIO NETWORK

Gene Deckerhoff

Keith Jones

Florida State men's basketball games will be heard exclusively during the season on the Seminole Radio Network with the legendary broadcast team of Gene Deckerhoff and Keith Jones bringing you the action courtside from every game. The Seminole Radio Network allows fans throughout the Southeast to hear every minute of Florida State basketball throughout the season.

The Seminole Radio Network is a division of ISP, America's Home for College Sports. ISP is nationally recognized for its quality performance, professional workmanship and unrivaled service.

Founded in 1992 in Winston-Salem, N.C., ISP Sports has enjoyed tremendous growth within the intercollegiate athletics marketplace since its inception over 15 years ago. The ISP Sports family of leading NCAA members now touches every state in the Southeast, while extending across the Mid-Atlantic States into the Northeast, Midwest and West Coast corridors to over 40 of America's leading universities, four major conferences and two postseason bowl games.

ISP's partner schools include Akron, Alabama, Auburn, Baylor, Boston College, BYU, Cal, Cincinnati, Clemson, East Carolina, Florida State, Georgia, Georgia State, Georgia Tech, Houston, Kent State, Marshall, Miami (Fla.), Miami (Ohio), Ohio, Pittsburgh, SMU, South Carolina, Southern Mississippi, Syracuse, TCU, Troy, Tulane, UAB, UCF, UCLA, UNLV, USF, UTEP, Vanderbilt, Villanova, Virginia Tech, Wake Forest and Washington.

The Seminole Radio Network will reach nearly 35 markets during the 2008–09 season, including some of the nation's largest markets with Tampa, Jacksonville and Orlando, among others, receiving the Seminoles' broadcasts during Leonard Hamilton's seventh season. In Tallahassee, the Seminoles are heard on the flagship stations WTNT-FM (94.9) and WFLA-AM (1270).

Florida State's broadcast crew is recognized annually as one of the best in all of collegiate sports as they provide entertainment as well as detailed and expert play-by-play.

The broadcast team features award-winning playby-play commentator Gene Deckerhoff, a 35-year veteran of the Florida State Radio Network, who works alongside another award-winner Keith Jones, now in his ninth season as a member of the team.

Deckerhoff is nationally known as one of the top football and basketball play-by-play announcers in both collegiate and professional sports. He has been the voice of the Seminoles for the past 30 football seasons and the last 35 basketball seasons. A native of Jacksonville, Fla., Deckerhoff also handles the play-by-play duties for the Tampa Bay Buccaneers, which makes for some busy weekends during the fall and winter seasons.

Deckerhoff is one of only four sports broadcasters ever inducted into the Florida Sports Hall of Fame. In calling Florida State football since 1979 and Florida State basketball since 1974, the Buccaneers since 1989, and all sorts of events in between, Deckerhoff's deep, rich voice is instantly recognized by fans all over the state of Florida and around the Atlantic Coast region. Deckerhoff is the only radio voice that has broadcasted an NCAA football championship team (1993 and 1999 with the Seminoles) and a Super Bowl championship team (2003 with the Buccaneers). He was inducted into the Florida State University Athletic Hall of Fame in 2002. He has been named the Florida Sportscaster of the Year 10 times, most recently in 2007.

Deckerhoff was mentioned as one of the top play-by-play voices in college basketball by famed ESPN

and ABC basketball analyst Dick Vitale. Vitale named Deckerhoff to his "All-Cawood Ledford" team, in honor of the legendary Kentucky broadcaster, as one of the top college basketball announcers in the nation.

Jones, a former Seminole football player, is the color analyst for the basketball broadcasts. He is in his ninth year as a member of the basketball broadcast crew on the Seminole Radio Network. Jones is also a broadcaster for Sun Sports college football coverage.

Jones was a member of Bobby Bowden's first recruiting class in 1977. As a senior at Wildwood (Fla.) High School, he was named an all-state quarterback and the salutatorian of his graduating class. He was a three-year starter at strong safety and a three-time Golden Chief Award winner for the Seminoles. Jones still ranks in the top 10 in career interceptions and led the Seminole defense in interceptions in 1978 and 1980. During his career, Florida State compiled a four-year record of 39-8 and appeared in three consecutive bowl games, including consecutive Orange Bowls.

Jones was Florida State's first-ever two-time NCAA First-Team Academic All-American and graduated magna cum laude in 1981 with a degree in risk management. He is currently an account executive with the Earl Bacon Agency and an adjunct professor in the Florida State College of Business.

Jones earned a regional Emmy Award for sports broadcasting excellence in 2002 and is the longest tenured announcer of any pro or college sports team in the state of Florida. He recently finished his 20th consecutive year in the college football broadcast booth for Sun Sports.

2008-2009 FLORIDA STATE MEN'S BASKETBALL PREVIEW

WITH THREE CONSECUTIVE POSTSEASON APPEARANCES, THREE RETURNING STARTERS AND ONE OF THE TOP FRESHMAN CLASSES IN COLLEGE BASKETBALL, THE FLORIDA STATE MEN'S BASKETBALL TEAM HAS A VERY BRIGHT FUTURE AS IT APPROACHES THE 2008-09 SEASON.

The Seminoles' program is on the cusp of greatness and has many of the elements needed to compete at the highest levels of the Atlantic Coast Conference and alongside the traditional national powers.

Head coach Leonard Hamilton, one of the top-25 winningest coaches in ACC history, has assembled a talented group of experienced upperclassmen and an exceptional group of gifted freshmen who will help the Seminoles reach heights they have come so close to achieving in recent years. Florida State will be one of the ACC's most athletic teams, with each player on its roster having the ability to help the Seminoles win games.

The Seminoles will be led by a pair of experienced seniors — guard Toney Douglas and forward Uche Echefu — and a rapidly improving junior — forward Ryan Reid — as the Seminoles continue to forge their path to the upper echelon of college basketball's elite. Douglas, Echefu and Reid have combined to play in 222 games during their careers at Florida State.

"In Toney, Uche and Ryan, you have three players who have played in many important games during their careers at Florida State," said Hamilton. "They have all played prominent roles in victories over ranked teams both at home and on the road, in ACC Tournament wins, in wins to get us into the postseason and in wins in the postseason. We need those three guys to be our leaders — to teach their younger teammates how to play hard every night and what they need to expect as we go on the road to play some really strong teams in some of the toughest venues in the country."

Douglas has developed into one of the top dual threats — both offensively and defensively — in the ACC and will compete for national honors in his final collegiate season.

He was an All-ACC Third-Team selection and led the ACC in steals as a junior. He is a player no opposing point guard likes to see as he brings the ball into the Seminoles' front court. Douglas enters the season looking to become only the 11th player in ACC history to lead the league in consecutive years.

With 90 steals as a junior he nearly broke Florida State's existing record of 97 in a single season. He has 125 steals in only 64 games as a Seminole, and he enters his senior season ranked 19th in ACC history with a 1.95 steals per game average. Douglas is already ranked 20th in school history in steals and has the ability to finish his career ranked among the all-time top five in school history in steals should he enjoy another season as Florida State's chief thief.

Douglas has also become one of the most effective scoring point guards in the ACC as evidenced by his team-leading 15.4 points per game scoring average during his junior season. He has been the Seminoles' leading scorer in the last three years and averages 15.0 points scored per game during his collegiate career. Douglas is only 96 points shy of reaching the 1,000-point plateau as a Seminole and should reach that milestone in just over two years in a Florida State uniform.

"Toney has played so well for us in his first two years, and the amazing thing is that he has not even reached his potential as a collegiate player," said Hamilton. "He has worked very hard this summer and is focused on becoming even more of an all-around player for us. Toney has a chance to be a bigtime leader this season and help this program achieve some important goals. His desire to be a leader, and to lead this team to its goals would surely put him in a class here at

2008-2009 FLORIDA STATE MEN'S BASKETBALL PREVIEW

Florida State with the many great players who have led previous Seminole teams to great heights."

Echefu, who will start for his third consecutive season in a Seminole uniform, led the team and ranked seventh in the ACC in rebounds with a career-high 7.3 rebounds per game average as a junior. He averaged in double figures for the first time in his career and led the team with a career-high .814 free-throw shooting percentage.

Echefu has worked as hard as any Seminole player since his arrival, and his continued improvement is vital to the success of the Seminoles. He has more than doubled his scoring and rebounding averages and is on the verge of becoming one of the top shot blockers in school history. Echefu led the team in rebounding in 23 of 34 games and earned a career-high six double-doubles as a junior. He earned three double-doubles in ACC play including a monstrous 24-point, 12-rebound effort against nationally ranked Clemson.

"I think Uche can have a really special year for us," said Hamilton. "As his experience has increased so has the level of his play. He is an outstanding shooter from the field and from the line and goes to the boards hard. One of the things Uche really needs to work on is being more consistent on a game-bygame basis. He has made a strong effort to improve his rebound this off-season. If Uche can become a more consistent rebounder for us, we will certainly be an improved team."

Reid, the Seminoles' third returning starter, is one of the most improved players in the ACC. He started 21 games as a sophomore and established career-high statistics in every statistical category. Reid knows that his continued improvement will play a big part in the Seminoles' rise this season. He improved his scoring average by nearly three points and improved his rebounding average by nearly two rebounds per game as a sophomore as he continued to learn the nuances of playing the power forward position in the ACC.

Reid led the team in scoring and rebounding a career-high five times each and saw his biggest improvement come from the free-throw line as he shot a career-high .679 from the line as a sophomore (after shooting .463 from the free-throw line as a freshman). He was at his best from the free-throw line as he made a career-high seven free throws on a career-high nine attempts in Florida State's victory over Miami on March 8 in Tallahassee.

"Ryan is still very much a work in progress," said Hamilton. "He has so much to learn, and we need him to learn everything he can about really playing the game of basketball as quickly as he can in order to help us win games this year. Ryan has to be smart in all aspects of his life if he wants to be a good basketball player. I believe he does want to be a good player, and I am encouraged about how he has begun to handle himself both on and off the court.

Brian Hoff, a senior guard and one of the Seminoles' hardest-working players, will be in his fourth year as a Seminole in 2008–09. He is a valuable player who proved on several occasions last season that he could contribute to Florida State's success and will give added depth and leadership to the roster.

A pair of second-year players — Solomon Alabi and Jordan DeMercy — are talented players who will have a lot to do with the Seminoles' success. Alabi played in only 10 games because of an injury prior to his arrival on campus last season and after a successful rehabilitation period is close to being healthy and ready to be an intimidating force on both ends of the court for the Seminoles. DeMercv. who made steady improvement as last season progressed, showed flashes of outstanding ability during his freshman season which had led the Seminole coaching staff to believe they have the makings of a truly gifted player who is tall, athletic and defensive-minded - just what Hamilton likes.

Alabi, the tallest player (7'1") in the ACC, immediately gives Florida State a daunting presence in the paint on both ends of the court. His incredible wingspan and strong defensive abilities make him an extraordinary shot-blocking and shot-altering force, while his soft touch and agility around the basket make him a force on the offensive end of the floor.

"We know what Solomon can do because we watched him practice by himself while he was getting better last season," said Hamilton. "We saw how hard he worked, how

hard he pushed himself and how much he improved in the gym. Solomon's work ethic is incredible. When the rest of the league sees that his playing ability matches the work ethic we know he has, they are going to see what we already know — that Solomon is a very special player."

DeMercy is also a quickly emerging talent whose continued improvement will allow him to earn increased playing time. His playing time increased during the second half of his freshman season, and with his increased minutes came increased confidence in himself and increased confidence in him by the Seminoles' coaching staff. He scored more points in 16 ACC games in the second half of the ACC season than he did in the first 15 non-conference games of the season. As he earned increased playing time, all of his statistics — from scoring average to field goal shooting percentage — increased as did the Seminoles' win total.

"Jordan has the ability to play different positions for us and plays them well," said Hamilton. "If we need him to match up defensively on a guard, he can give us the help we need because of his height and athleticism. If we need him to match up on a forward, he has the ability to utilize his height and his versatility to stop the ball. He is another player who I think can have a big-time season for us."

Florida State's group of newcomers includes five extraordinary freshmen and one extremely talented junior college transfer who must become seasoned veterans quickly for the Seminoles to achieve the success and earn the goals they have set for themselves during the 2008–09 season.

"We are very excited about working with our group of newcomers," said Hamilton. "It is the largest and most talented group of newcomers that we have ever had the privilege of working with. These freshmen have come in and have done everything we have asked of them including assimilating themselves as team players. With the credentials they have individually and collectively, that could have been the hardest part of their transition into a

team concept. Really, it's been the opposite; becoming great teammates has been the easiest part of their transition."

Chris Singleton, who earned All-America Second-Team honors by *Parade Magazine* as a prep senior, stands out in this much heralded senior class. He averaged a double-double of 21.0 points and 13.0 rebounds in leading Dunwoody High School to a 27-4 record and to the semifinals of the Georgia state tournament his senior season.

Singleton (6'9") is a tremendous athlete who creates matchup problems on the perimeter and the interior because of his incredible athletic ability. He is a strong low post player who can play facing or with his back to the basket and can shoot well from the outside.

"Chris, along with all of our newcomers, will have an immediate impact on the way we play," said Hamilton. "He can do so many things, and those abilities will allow us to utilize his skills in so many different ways."

Xavier Gibson, who was ranked as the 12thbest power forward in the nation as a high school senior last season, will join Singleton as another of the Seminoles' newcomers with incredibly versatile skills. Gibson (6'11") loves to play with the ball in his hands and is multifaceted with ever-improving skills on both the offensive and defensive ends of the court.

"Xavier gives us another talented big man whose ability begs us to play him in different positions on the court," said Hamilton. "He is going to be a big, athletic player in the inside with the ability to stretch the defense on the offensive end and cause problems for our opponents on the defensive ends. I am excited to get him into the lineup."

Hamilton recruited four of the most talented guards in the nation when he added freshmen Deividas Dulkys, Luke Loucks and Pierre Jordan along with junior college transfer Derwin Kitchen to Florida State's roster. All four players bring different dimensions and

skills to the Seminoles' backcourt, but all have the same things in common — the ability to handle the basketball and put it in the basket.

Dulkys is known as a pure shooter with the ability not only to create his own shot but to shoot well coming off screens. Additionally, he has developed himself into a potent scorer and is a strong three-point shooter.

Dulkys averaged 11.5 points per game and shot better than 33 percent from the three-point line in leading Findlay Prep to a 32-1 record during his senior season. He scored in double figures in 19 of 32 games and scored at least 20 points four times during his senior season.

"What I like about Deividas is that he's not just a spot-shooter," said Hamilton. "He can find the open shot, and he can find his teammates who are open because he is a skilled passer. He led his high school team in assists and was second on the team in steals so he knows how to get into the passing lanes."

Loucks, the first player to commit to the Seminoles' recruiting class of 2008, is an incredible passer who sees the floor well. He built his reputation in high school on getting his teammates involved in all aspects of the game from the point guard position. He is a scorer, as he averaged 13.5 points per game, and a distributor, averaging 7.0 assists per game as a high school senior.

Loucks also possesses the leadership abilities that Hamilton desires from his point guards. He was the captain of his high school team for three years beginning in his sophomore season. He was also the quarterback on his high school team which further showcased his leadership abilities.

"Luke joins us as a seasoned veteran who, we are confident, will come along quickly at the point guard position," said Hamilton. "We are counting on him picking up our system quickly and being a leader on the court throughout his career."

Jordan played with Chris Singleton in high school and will add depth and speed to the Seminoles' roster at the point guard position. He was a varsity starter as a freshman in high school and averaged 14.0 points and 7.0 assists as a senior.

"Pierre is going to add a different dimension to our group of point guards," said Hamilton. "Although he is small by comparison, he plays big with the ball in his hand and has the knack of being able to get the ball to playmakers. His ability to find the open man and put him in position to score is what initially drew us to him."

Kitchen, the final signee of the Seminoles' current class, comes to Florida State with one year of junior college basketball under his belt. He is a combination point and shooting guard who has excelled at both positions during his career. Kitchen, who is from Jacksonville, was a Junior College All-America First-Team selection at lowa Western Community College in 2008. His playing experience at this level will certainly help him take the next step in his career into the ACC.

"Derwin's size and athletic ability will allow him to fit in with the players on our team immediately this season," said Hamilton. "His skills will be a tremendous complement to the players on our roster. He will help make his teammates better, and his new teammates will help make him a better player during his career as a Seminole.

"We are very, very happy to welcome this group of young men into our program," said Hamilton. "Individually they are all extremely talented players who are team-oriented and who will fit in well with our current players. Collectively they are a group who will work well together and help us raise the level of play on our team and help us continue to achieve our goal of becoming a program of significance on the national level."

Hamilton begins his 20th season as a head coach knowing that he has assembled one of the more talented teams he has worked with during his career.

"We have players who have played in big games and who are tested. They know what to expect each night they take the court," said Hamilton. "We also have players who have to grow up quickly, and we have confidence they will do that. We can be as well-rounded a basketball team as I have coached here at Florida State."

Jordan DeMercy is also a quickly emerging talent whose continued improvement will allow him to earn increased playing time.

LEONARD HAMILTON, one of the top 25 all-time winningest coaches in Atlantic Coast Conference history, has led the Florida State men's basketball program to three consecutive postseason appearances and continues to cement the Seminoles as one of the top basketball programs in the nation. Hamilton has guided four of his first six Seminole teams into

postseason play as he returns Florida State to a program of significance both nationally and in the ACC.

- Seventh Season at Florida State (106-86, .552)
- 20th Season as a Collegiate Head Coach (306-286, .517)

Now in his seventh season as the Seminoles' head coach, Hamilton has elevated the program in every way possible. Consider the Seminoles' 19-15 record a year ago. It marked the first time since the 1991, 1992 and 1993 seasons that the Seminoles have won at least 19 games in three consecutive seasons. The Seminoles finished with seven wins in the ACC play to mark the third consecutive season they have won at least seven games in ACC play for the first time in school history. Additionally, the Seminoles defeated a ranked team (No. 24 Florida) for the sixth consecutive

Florida State finished the 2007-08 season with a 19-15 record. The Seminoles have a 106-86 record (.552 winning percent-

Hamilton won his 300th career game on Jan. 23, 2008 when he guided Florida State over Virginia. He then coached his 600th career game. leading the Seminoles past Wake Forest in the first round of the ACC Tournament on March 13.

As he continues to build his program into one of the nation's best, Hamilton annually attracts the nation's top talent to Tallahassee and helps those players reach their goals of not only playing at the next level but of excelling academically and earning their degrees. Nearly every one of Hamilton's players at Florida State who have stayed through their senior years has gradu-

Hamilton's players have also succeeded at a high level since his arrival at Florida State. He was at the 2007 NBA Draft to watch Al Thornton — one of his prized pupils become only the second Draft Lottery selection in school history as he was picked with the 14th overall selection by the Los Angeles Clippers. In 2007, Thornton earned All-America Third-Team and All-ACC First-Team honors and was the runner-up choice as the ACC Player of the Year. Hamilton has coached two of the three players (Thornton and Tim Pickett in 2004) who have earned All-ACC honors in school history. Last season, he coached guard Toney Douglas who earned All-ACC Third-Team honors, was named to the All-ACC Defensive Team and led the ACC in steals.

Florida State has also become a fixture in national statistics since Hamilton's arrival. The Seminoles finished fifth in the nation (and was the ACC leader) in free throw percentage during the 2007-08 season after ranking ninth in the same category during the 2006-07 season. The Seminoles ranked eighth in the nation in 3-point field goals made per game in 2003-04 and in the nation's top 25 in field goal shooting percentage during the 2005-06 season and in field goal percentage defense during the 2003-04 season.

Hamilton was hired on March 19, 2002, to return the Seminole men's basketball program to the glory it had earned when it played for the 1972 national championship and regularly competed for, and won, conference championships during the 1980s and early 1990s.

Hamilton was the Washington Wizards' head coach in 2001 and the head coach at the University of Miami for 10 years prior to that (1991-00) when he became the seventh head coach in Florida State men's basketball history.

In his final season at Miami, Hamilton guided the Hurricanes to their second straight 20-win season, a share of the Big East regular season championship and the school's first trip to the Sweet 16 of the NCAA Tournament. The Hurricanes finished 23-11, including a 13-3 conference record, and were ranked 23rd in the nation in the final Associated Press poll and 20th in the final USA Today/ESPN poll. Miami's 23 wins matched the team's 1998-99 total and, at the time, tied the school record for victories in a season.

Under Hamilton's leadership, Miami became one of the nation's top programs, advancing to postseason play five times in his final six seasons including three consecutive NCAA Tournament appearances from 1998-2000. Miami's winning records in his final six seasons meant the Hurricanes joined Syracuse and Connecticut as the only Big East schools to have an overall winning record from 1995-2000. The Hurricanes' 48-22 Big East mark over his last four seasons tied Connecticut for the best conference record over that period. Over his last two seasons, Miami registered a league-best 28-6 conference record for an .824 winning percentage.

In his final season with Miami, Hamilton's Hurricanes recorded three wins over ranked teams including a 74-70 home win over No. 18 St. John's, marking the sixth straight season Miami had defeated a ranked opponent in the Miami Arena.

In the 40 seasons prior to Hamilton's arrival, the Hurricanes had reached the postseason just four times including one NCAA Tournament appearance (1960). In his 10 seasons at Miami, Hamilton led the Hurricanes to five postseason appearances.

Along with the rise of the Hurricanes program, Hamilton's players also continued to develop and win individual awards. In 1999-2000, quard Johnny Hemsley earned All-Big East Second-Team honors while center Mario Bland earned All-Conference Third-Team honors.

In 1998-99, Hemsley and forward Tim James earned All-Big East First-Team honors. The Hurricanes joined Syracuse (eight times), Georgetown (twice), Pittsburgh, St. John's and Villanova as the only schools to have two players earn All-Big East First-Team honors in the same season. In 10 seasons under Hamilton, the Hurricanes had 13 All-Conference selections.

In 1998-99. Tim James was named Big East Co-Player of the Year, along with Connecticut's Richard Hamilton, and Johnny Hemsley was selected as the league's Most Improved Player.

Miami's rise began in 1994-95 when Hamilton led the Hurricanes to the greatest single-season turnaround in Big East history. Picked to finish at the bottom of the Big East Conference standings, Hamilton guided the Hurricanes to a fifth-place finish and a berth in the National Invitation Tournament - Miami's first postseason appearance in 31 years.

Miami set a Big East record in 1995 for the greatest single-season improvement in league history. The Hurricanes' nine-win conference win increase tied Louisiana Tech for the best in the nation. Miami's eight-win overall improvement tied for the third-best single-season increase in school history.

At the conclusion of the 1995 season. Hamilton was named the United Press International National Coach of the Year. His | never lost sight of his No. 1 priority: the stu-

peers also recognized him as the league coaches tabbed him Big East Conference Coach of the Year for the first time.

Hamilton took home even more hardware at the end of the 1999 season. He was named Big East Coach of the Year for the second time, joining Jim Calhoun, Lou Carnesecca, Jim Boeheim, John Thompson, P.J. Carlesimo and Al Skinner as the only coaches to win the award more than once. Hamilton was later honored as the Eastern Basketball Coach of the Year. In 2000, he was named the Black Coaches Association (BCA) Coach of the Year.

Hamilton understands that defense wins championships. Under his tutelage, the Hurricanes became one of the nation's top defensive teams. Miami ranked nationally in field goal percentage defense in each of his last four seasons including a No. 1 national ranking in 1997-98. In his final season, the Hurricanes ranked 22nd in the nation in field goal percentage defense, holding teams to 39.4 percent shooting. In 1998-99, the Hurricanes ranked 13th in the nation, holding teams to 38.4 percent shooting. Since Hamilton's arrival at Florida State, the Seminoles have become the toughest team to score against and led the league in scoring defense in 2003.

The 1997-98 Hurricanes ranked No. 1 in the nation in field goal percentage defense, holding opponents to 37.9 percent shooting from the floor. The 1996-97 Hurricanes ranked No. 6 in the nation in field goal percentage defense holding opponents to just 38.0 percent shooting.

Despite all his success on the court, Hamilton

dent-athlete. His number one goal is to help prepare his players for the challenges they will encounter in life. In his 10 seasons at Miami, 28 of Hamilton's 31 seniors received their degrees.

Leonard Hamilton's players are among the best prepared and most successful in college basketball each season.

In six seasons at Florida State, he has helped 17 of 20 seniors earn their degrees including Pickett, a 2004 NBA second round draft selection of the New Orleans Hornets.

For his work both on and off the court, Coach Hamilton was honored as one of four finalists for the 2000 Coach Wooden "Keys to Life" Award. The award is given annually to a coach who best exemplifies Coach John Wooden's philosophy of emphasizing the fact that impacting the life of a student is more significant than any winning percentage.

He was named one of Tallahassee's Top 33 citizens in 2004 by the Tallahassee Democrat and inducted into the Gaston County (N.C.) Hall of Fame in 2007. The induction into the Gaston County Hall of Fame marked a monumental occasion for Hamilton — his fourth collegiate Hall of Fame. In addition to being honored by his hometown in 2007, he is also a member of the Athletic Hall of Fame at the University of Miami, the University of Tennessee at Martin where he received his bachelor's degree and served as the captain of the basketball team as an undergraduate player and at Austin Peay State University where he began his coaching career and served as an assistant coach for the Governors.

Hamilton arrived at Miami from Oklahoma State where he spent four years rebuilding the Cowboys' program. He led them to consecutive appearances in the NIT, the first backto-back postseason appearances for OSU since 1953-54. While at Oklahoma State, he recruited and coached current Florida State assistant coach Corey Williams.

Prior to his tenure at Oklahoma State, Hamilton was on the staff at the University of Kentucky where he spent 12 seasons with one of the top programs in the country. From 1974-80, he served as an assistant coach, and in 1980 he was honored by being named the first associate head coach in Kentucky basketball history.

During his 12 seasons at Kentucky, the Wildcats registered a 296-83 (.781) record, won eight SEC regular-season championships and two SEC tournament titles, went to three Final Fours and won the national title in 1978.

Hamilton's coaching career began at Austin Peay State University where he served as a graduate assistant from 1971-73 and then as a full-time assistant from 1973-74. The Governors won back-to-back Ohio Valley Championships in Hamilton's last two seasons at the school. Hamilton recruited and coached James "Fly" Williams, the 1974 conference Player of the Year and two-time all-conference selection. Williams was a two-time consensus All-American in 1973 and 1974, the only two-time All-American in school history. The Governors won the OVC Championship and played in the NCAA Tournament in 1973.

Hamilton's legacy extends across the nation as six of his former assistant coaches have moved on to become head coaches at the Division Hevel: Tim Carter (South Carolina State), Dwight Freeman (Norfolk State), Randy Lee (Maine Machias), Dickey Nutt (Arkansas State), John Phillips (Tulsa) and Bill Self (Kansas).

With both professional and collegiate coaching experience, Leonard Hamilton helps his players earn success in the classroom and on the basketball court.

He played at Gaston (N.C.) Community College where he set a school record by scoring 54 points in a game, and later at the University of Tennessee-Martin where he is a charter member of the school's Hall of Fame. At both

schools, he served as a team captain. Additionally, while at Tennessee-Martin, Hamilton received both the team Most Valuable Player award and the Best Defensive Player award his senior season.

Hamilton earned his bachelor's degree in physical education from Tennessee-Martin in 1971 and received a master's degree in physical and health education from Austin Peay State in 1973.

STAN JONES, a veteran coach and nationally renowned recruiter, is in his seventh season as the associate head coach at Florida State University. He has been a successful coach at the highest levels of basketball for more than 20 years and is one of the top bench coaches and recruiters in all of college basketball. His record of success speaks for itself: the players and teams he has coached have reached tremendous heights while competing on the sport's biggest stages.

Associate Head Coach

- Memphis, 1984
- Seventh Season at Florida State

Jones has been consistently recognized as one of the top coaches in all of college basketball throughout his career. He was named one of the top 20 assistant basketball coaches in the country by FoxSports.com in 2008. He was selected to be a part of the elite group of assistant coaches from the input of more than 450 head and assistant coaches from around the nation. He was also recognized by his peers as one of the nation's top coaches in 2004 by Rivals.com.

With Jones on Florida State's bench, the Seminoles have averaged nearly 18 wins a season and have advanced to the NIT in four of his six seasons in Tallahassee. The Seminoles have won at least 19 games in four of his six seasons and have won more conference games in the last three seasons than they did during the 2001–02 through 2004–05 seasons.

In his six years at Florida State, Jones has brought 13 national Top 100 recruits to Florida State and four players who were selected in the NBA Draft. He has coached two of the three All-ACC First-Team selections — Tim Pickett and Al Thornton — in Florida State history. Florida State's 2008 recruiting class is considered to be one of the best in school history and will be the cornerstone of the Seminoles' program for the next four years.

Jones is largely credited with the development of 2007 NBA Draft Lottery pick Al Thornton who came to Florida State as a little-known freshman in 2004 and finished his career as one of the top players in school history. After averaging only 2.8 points and 7.9 minutes played as a freshman, Thornton left Florida State for the NBA as an All-America Third-Team and All-ACC First-Team selection, the runner-up ACC Player of the Year and the seventh-leading all-time scorer in Seminole basketball history. Thornton was named to the NBA All-Rookie Team in his first professional season. Jones' coaching talents have also been extolled for his work with Tim Pickett who came to Florida State as a junior college transfer and left as a First-Team All-ACC selection and an NBA Draft choice.

Jones has coached four NBA draft selections in his first six years at Florida State. Thornton was only the second NBA Draft Lottery selection in school history as he enjoyed one of the top all-around seasons in school history in 2007. Pickett, who earned All-America Honorable Mention and All-ACC First-Team selection during his two-year career at Florida State, was a second round pick of the New Orleans Hornets in 2004 while Von Wafer was a second pick of the Los Angeles Lakers in 2005. Alexander Johnson was an All-ACC pick and selected in the first round of the 2006 NBA Draft by the Indiana Pacers. The Seminoles were one of only two ACC teams who had at least one player drafted from 2004–07.

In his 12 years as a coach at the collegiate level, Jones has helped nine different teams into postseason play including four into the NCAA Tournament. He has also recruited and coached nine different NBA Draft selections including three first round picks.

Florida State has earned 11 wins over nationally ranked teams in Jones' tenure at Florida State. In 2008, the Seminoles defeated nationally ranked Florida for the second consecutive season, and in 2007 Florida State earned three victories over top-25 ranked teams and four victories over teams that played in the NCAA Tournament. The Seminoles also defeated Duke on the road in 2007 to mark the first win in school history at Cameron Indoor Stadium. Additionally, the Seminoles defeated No. 1-ranked Duke on March 1, 2006, with Jones on the Seminole coaching staff.

Florida State's vastly improved play in the last six seasons has coincided with Jones' arrival and tireless recruiting efforts for the Seminole basketball program. His recruiting knowledge and efforts have helped attract the nation's top talent to play for the Seminoles. Jones helped attract five top-20 ranked recruiting classes to Tallahassee including the nation's No. 1-ranked class in 2003. Four different college basketball outlets — *Rivals. com*, the Official College Sports Network, *Hoopmasters. com* and the *Louisville Courier-Journal* — ranked the Seminoles' recruiting class as the nation's best. It marked the first time in Florida State men's basketball history that the Seminoles had recruited the nation's top class.

Jones has coached four teams in the NCAA Tournament in his first 11 years as a coach on the collegiate level. He helped coach Miami into the NCAA Tournament during three consecutive seasons (1998–2000) and coached Mississippi State into the NCAA Tournament during the 2002 season. In both instances, at Miami and Mississippi, Jones helped both programs return to the NCAA Tournament after lengthy absences. In 1998, the Hurricanes made their first tournament appearance since reviving the program in 1985. Mississippi State, which also won the Southeastern Conference Tournament championship in 2002, had not been to the NCAA Tournament since 1996, a span of six years.

Jones helped lead Mississippi State to a school-best No. 3 seed in the 2002 NCAA Tournament. The Bulldogs also captured the school's second SEC Tournament championship with victories over No. 11-ranked Florida and No. 8-ranked Alabama in the title game.

Jones was also an assistant head coach to Leonard Hamilton with the Washington Wizards in 2001.

Jones began his collegiate assistant coaching career at Miami under Hamilton in 1996. During his time at Miami, he helped guide the Hurricanes to a 95-54 record for a .638 winning percentage. The 95 wins (19.0 wins per season) were the most in a five-year period for the program since the 1959 through 1964 seasons. Miami won 23 games in both 1999 and 2000 to mark only the third time in program history (and first time since 1964) the program had won at least 20 games in consecutive seasons.

In his final four seasons at Miami, Jones helped guide the Hurricanes to four postseason tournament appearances, a regular-season Big East championship and the school's first-ever NCAA Tournament Sweet 16 appearance in 2000. Miami won a school-record-tying 23 games in 1999 on its way to the school's first-ever top 10 national ranking. The Hurricanes were ranked No. 10 in the season-ending Associated Press poll.

Jones, who will turn 49 during the 2008–09 season, is married to the former Olga Campos. The couple has a daughter, Shannon (26), a son, Adam (24) and a son-in-law, Kass Bottini. Shannon and Kass are expecting the first grandchild for the Jones family in March of 2009.

COREY WILLIAMS, whose basketball roots and ability to recruit outstanding basketball players have helped build teams into the nation's elite, is in his second season as an assistant coach at Florida State. In only nine years as an assistant coach on the collegiate level, Williams has earned the reputation as one of the finest recruiters and has developed into one of the finest teachers of the game in all of college basketball.

Assistant Coach

- Oklahoma State, 1992
- Second Season at Florida State

An effective recruiter, Williams has an incredible ability to identify and cultivate the top rising high school and junior college talent. He is a tireless recruiter who has been credited throughout his career with attracting top talent and then coaching that talent to achieve at the highest levels.

Williams helped assemble the Seminoles' 2008 recruiting class which is considered to be one of the best in school history. After only one year on Leonard Hamilton's staff, he helped the Seminoles land one of the top group of recruits in school history — one that was ranked as high as No. 8 in the nation and No. 3 in the ACC. Florida State's 2008 recruiting class contains two top-75 players and two more who were rated in the top 15 in the nation at their positions.

Utilizing his basketball knowledge, Williams helped develop the Seminoles' backcourt during his first season in Tallahassee. He worked closely with point guard Toney Douglas who earned All-ACC Third-Team honors and led the ACC in steals in 2008. Douglas was one of the ACC's most improved point guards who realized increases in his assist-to-turnover ratio, field goal shooting percentage and free-throw shooting percentages.

Williams was an assistant coach at Oral Roberts from 2000–07 and a player under Hamilton at Oklahoma State during his playing career (1989–92). He had returned to his alma mater for a short time before joining the Florida State staff in June 2007. Williams brings a wealth of recruiting success and very deep recruiting roots with him to the Seminoles' program.

Williams helped lead Oral Roberts to a pair of NCAA Tournament appearances as a coach and led Oklahoma State to consecutive NCAA Tournament Sweet 16 appearances as a player.

As an assistant coach for eight seasons at Oral Roberts, Williams helped lead the Golden Eagles to an average of 18 wins a season, including 20 or more wins in each of the last three seasons, and appearances in the NCAA Tournament in each of the last two seasons. Oral Roberts finished with a 23-11 record and won the Mid-Continent Conference Tournament championship in 2007. Among its 23 wins during the 2007 season was a victory over No. 3 Kansas on the road at Allen Fieldhouse in Lawrence, Kan.

As Oral Roberts' chief recruiter during his tenure there, Williams is credited with assembling the recruiting classes that allowed the Golden Eagles to become one of the top teams in the nation. Among the players he is credited with recruiting are Caleb Green, a two-time All-American and the first three-time Player of the Year in the Mid-Continent Conference, and Ken Tutt, the 2006 Mid-Continent Tournament Most Valuable Player. Williams helped attract a majority of the players who dotted the Golden Eagles' roster and the Mid-Continent All-Leaque teams.

Williams played collegiately at Oklahoma State from 1989–92. He is the 13th all-time leading scorer in school history (1,320 career points). He played two seasons under Hamilton at Oklahoma State and helped lead the Cowboys to consecutive NCAA Tournament Sweet 16 appearances under Eddie Sutton in 1991 and 1992. The Cowboys were ranked 14th in the final 1991 Associated Press poll and 10th in the final coaches' poll following the 1992 season.

With Williams in Oklahoma State's lineup for 128 games during his four-year varsity career, the Cowboys ranked as one of the top teams statistically in the nation. The Cowboys ranked fourth nationally in scoring defense in 1992, 12th in the nation in average margin of victory in both 1991 and 1992, and 20th in the nation in winning percentage in 1992. He scored 1,320 career points and averaged 10.3 points and 3.2 rebounds in leading his team to winning records in his final two seasons.

Oklahoma State went to four consecutive postseason tournaments (two NIT and two NCAA) and averaged 21.5 victories per season during his career. The Cowboys finished 24-8 and 10-4 in the Big 8 in 1991 and 28-8 and 8-6 in conference play in 1992. Oklahoma State was ranked as high as No. 2 in the nation and defeated five nationally ranked teams during the 1992 season. They earned victories over No. 3 Missouri and No. 2 Kansas on their way to the Sweet 16 in 1992.

Williams was drafted by both the Chicago Bulls of the NBA and the Kansas City Chiefs of the NFL. He was drafted by the Chiefs despite the fact that he had not played football since junior high.

Williams chose basketball over football and spent two very productive years with the Bulls. In 1992–93, he helped Chicago win its third straight NBA Championship. He also played with the Minnesota Timberwolves during his NBA career. Williams spent the majority of the 1994 season with the Oklahoma City Cavalry of the Continental Basketball Association. He returned to Oklahoma State as a student assistant in 1994 and was a member of the Cowboys' staff during their 1994 Final Four season. He also played professionally in Taiwan (1995–98).

Williams, 38, earned his bachelor's degree in education from Oklahoma State in 1992. He and his wife, Nicole, have two children: Jourdan (9) and Corey, Jr. (5).

ANDY ENFIELD, after leaving the NBA coaching ranks and joining Leonard Hamilton's coaching staff in 2006, has quickly gained a reputation as an elite recruiter who has helped attract the nation's top high school and junior college talent to Florida State. His ability to connect with recruits and help them improve as players once they arrive on campus has helped Florida State develop into one of the nation's top programs.

Assistant Coach

- Johns Hopkins University, 1991 Maryland, 1994
- Third Season at Florida State

Enfield has been nationally recognized for his ability to teach the game of basketball's finer points at both the professional and collegiate levels. His ability to develop players by improving their shooting techniques, offensive moves and efficiency has brought national attention to both Enfield and the Seminole program.

Now in his third season with the Seminoles, Enfield has helped recruit six national Top 100 high school players to Florida State's program. He was a vital part in helping the Seminoles land a nationally ranked Top 10 recruiting class in 2008. Enfield's unique NBA experience and proven ability to help players improve at both the collegiate and professional levels make Florida State an attractive destination for players. With their proven track record, recruits have come to realize that the entire Florida State coaching staff can help them reach their potential on the basketball court.

Florida State has developed into one of the top freethrow shooting teams in the nation since Enfield's arrival in Tallahassee. Florida

State set the school record for team free-throw shooting percentage in both of Enfield's two years on the Seminole staff; a new mark (.733) was established in 2008. The Seminoles ranked fifth in the nation in 2008 and ninth in the nation in 2007 in free-throw shooting percentage. Over the course of the last two seasons, the Seminoles have become the third-best free-throw shooting team in the na-

tion. During Enfield's first year at Florida State, the Seminoles finished first in the ACC and ninth in the nation with a

.758 team freeshooting throw percentage. The Seminoles' team free-throw shooting percentage in 2007 not only set a team record, but it was an increase of more than five percentage points — the highest increase of any team in the ACC from the 2006 to the 2007 season. The Seminoles' 758 free-throw shooting percentage marked the highest for a single season in school history and was nearly three

full percentage points more than the former record of .729 during the 1967–68 season.

Florida State has become one of the top shooting teams in all of college basketball under Enfield's tutelage. In addition to leading the ACC in free-throw shooting percentage in Enfield's first two seasons, the Seminoles have ranked among league leaders in field goal shooting percentage and 3-point field goal shooting percentage. In 2007, the team ranked fourth in the ACC (23rd in the nation) in field goal shooting percentage and third in the ACC (50th in the nation) in 3-point field goal shooting percentage.

Enfield worked closely with Al Thornton during his senior season at Florida State. Thornton shot a career-high .530 from the field (fifth in the ACC), a career-high .790 from the free-throw line (seventh in the ACC) and a career-high .444 from the 3-point line in averaging a career-high and ACC-leading 19.7 points per game. Thornton was an All-America Third-Team and All-ACC First-Team selection and finished as the runner-up for the prestigious ACC Player of the Year award. Thornton was named to the NBA All-Rookie First-Team in his first professional season.

Prior to joining the Seminole staff and Leonard Hamilton, Enfield was an assistant coach for the Boston Celtics and the Milwaukee Bucks.

Enfield was an assistant coach with the Boston Celtics of the NBA from 1998–2000 — a time during which he worked with head coach Rick Pitino in building the franchise into a playoff contending team. While in Boston, Enfield worked closely with five-time All-Star Paul Pierce, the Celtics' first round draft choice in 1998. Pierce was named to the NBA All-Rookie team with averages of 16.5 points and 6.4 rebounds. The Celtics continued to improve in Enfield's second season with the club, finishing with 35 victories — 16 more than the previous season.

While Enfield also worked as an assistant with the Milwaukee Bucks from 1994–96, they too drafted well and began a growth period that helped the franchise return to the playoffs. During his first season in Milwaukee, the team showed a 14-game improvement from the previous season and found itself in the hunt for a spot in the playoffs until late in the season. Enfield tutored Glenn Robinson (the No. 1 overall selection in the 1994 NBA Draft) and four-time All-Star forward Vin Baker. Robinson averaged 21.9 points and Baker 17.7 as they formed one of the highest-scoring and best-shooting duos in the league that season.

Enfield is the president of All Net Basketball, one of the top basketball instructional programs in the United States. He has coached more than 100 NBA players on perfecting the art of shooting. His tof success stories includes Pierce, Gilbert Arenas of the Washington Wizards, Dwyane Wade of the Miami Heat, Grant Hill of the Phoenix Suns, Jason Kidd of the New Jersey Nets and Thornton of the Los Angeles Clippers.

He was a guest clinician on the topic of shooting at the NABC Coaches' Clinic at the 2005 NCAA Final Four. He has been hired as a coaching consultant for NBA teams such as the Chicago Bulls and Washington Wizards as well as numerous college basketball programs across the country. He has also been an invited clinician for basketball programs overseas and professional teams as far away as China.

Setting the all-time NCAA career free-throw percentage record with a mark of 92.5% (431 of 466), Enfield still holds nine career records at Johns Hopkins and was inducted into the school's Athletic Hall of Fame in 2001. His 2,025 career points are nearly 500 more than any other player for the Blue Jays.

Enfield's accomplishments in the classroom were just as impressive as his exploits on the basketball court at Hopkins as he earned First-Team GTE Academic All-America honors as a senior and second-team honors as a junior. He was the first basketball player at Johns Hopkins to earn an NCAA Postgraduate Scholarship and was named the Scholar-Athlete of the year by NABC in 1991.

Relying on his educational and business background, Enfield helped develop TractManager, Inc. into the most successful document imaging and contract management company within the healthcare and real estate markets. As part of the initial investment group and one of three key executives in the startup company, he helped transform TractManager, Inc. into a very successful and profitable company.

Enfield earned his bachelor's degree in economics from Johns Hopkins in 1991 and a master's in business administration from the University of Maryland in 1994. He earned a 3.5 grade point average as an undergraduate.

Enfield and his wife, Amanda, have two daughters: Aila (2) and Lily (1).

42 Ryan Reid

Junior Forward

6 - 8

235

Hometown: Lauderdale Lakes, Fla.

Current Team (Coach): Florida State University (Leonard Hamilton)
High School (Coach): Boyd Anderson High School (Eugene Richardson)

Ryan Reid is one of the most rapidly improving big men in the Atlantic Coast Conference who, with continued improvement, should develop into one of the top big men in one of the top conferences in the nation. Reid enters his junior season having played in 57

career games as the Seminoles' main go-to player in the post. With added size and bulk in

the lineup and on the roster this season, he will be able to work on becoming more of an all-around player for the Seminoles. Without having to shoulder all of the load down below, his game will flourish in other areas, such as stepping back and learning how to shoot jump shots and continuing to become a shot blocker while increasing his rebounding skills. Reid is also one of the top field goal shooters in school history who enters his junior season shooting .544 from the field for his career.

"Ryan Reid has dedicated himself to being in outstanding shape which we feel will contribute to increased production on the court this season. He worked as hard as any of our players to prepare himself for his junior season. He is showing signs of being able to take his game to a higher level."

- Leonard Hamilton, Head Coach, Florida State University

32 Solomon Alabi

Redshirt Freshman Center 241

Hometown: Kaduna, Nigeria

Current Team (Coach): Florida State University (Leonard Hamilton) High School (Coach): Montverde Academy (Kevin Sutton)

Solomon Alabi was granted a medical redshirt following the 2007–08 season and has four full seasons of eligibility

remaining beginning with the 2008-09 season. He played in only 10 games in his first year as a Seminole before a leg injury shortened his season. He underwent surgery on Jan. 2, 2008, to correct a tibial stress fracture in his right leg and was sidelined in the Seminoles' final 20 games

of the season. Alabi came to Florida State with the injury as a freshman and the coaching staff kept him out of practice to begin the season; he did not participate in a full practice before he played his first game on Nov. 12 against Georgia Southern. With his limited practice time as he worked to recover from the stress fracture, Alabi showed his immense ability to be a successful player on the collegiate level.

"Solomon Alabi has always had the potential to be a dominant player on the basketball court." He has the spirit, athleticism and skill to make a big difference for our basketball team this year. He has the ability to be a difference-maker and will be able to showcase his skill for the first time on the collegiate level this season."

2 Jordan DeMercy

Sophomore Guard/Forward 6 - 7208

Hometown: Norcross, Ga.

Current Team (Coach): Florida State University (Leonard Hamilton) High School (Coach): Norcross High School (Eddie Martin)

Previous High School (Coach): Greater Atlanta Christian (Tom Kelsey)

Jordan Demercy is a quickly emerging talent whose continued improvement will allow him to earn increased playing time and make him one of the Seminoles' most valu-

able players as either a starter or as one of the top sixth men in the ACC during the 2008-09 season. He saw his playing time increase as a freshman as he quickly learned Florida State's offensive and defensive systems. DeMercy's athleticism and basketball knowledge

often went unnoticed as his ability and knack for being in the right place at the right time allowed him to make a number of big and game-changing plays for the Seminoles during

his freshman season.

"Jordan DeMercy has made as much improvement as any player on our basketball team. He has worked on improving in every facet of the game of basketball and has really succeeded in becoming a better basketball player. He is going to put himself in a position to make major contributions to our team this season."

Leonard Hamilton, Head Coach, Florida State University

BASKETBALL AT FLORIDA STATE

BASKETBALL AT FLORIDA STATE

You might think that after spotting America's major college basketball programs a 50-year head start, Florida State would struggle to simply catch up. Not so.

In just over 50 years, the Seminoles have matched and surpassed many of their older brethren in victories, in 20-win seasons, in NCAA Tournament games, in postseason appearances and in the individual honors picked up by Florida State players.

While many colleges have celebrated more than 100 years of basketball, the Seminoles program remains a virtual baby in playing the game. But not in years of excellence. And the program is growing up quickly.

NCAA SUCCESS

Since their first appearance in the NCAA Tournament in 1968, the Seminoles have played for the national title in the 1972 NCAA championship game, fought their way into the Elite Eight and Sweet 16, and have made 10 NCAA Tournament appearances.

PLAYERS IN THE PROS

Florida State has had at least one player drafted in four of the last five NBA drafts, making the Seminoles one of only two teams in the ACC to have at least one player drafted during that period. Al Thornton, the seventh all-time leading scorer in school history, became the second Draft Lottery selection in school history when he was drafted No. 14 overall by the Los Angeles Clippers in 2007. He was named to the NBA All-Rookie Team in 2008.

Thornton was the fourth Seminole to be drafted in consecutive seasons, joining Tim Pickett (New Orleans Hornets, 2004), Von Wafer (Los Angeles Lakers, 2005) and Alexander Johnson (Indiana Pacers, 2006). Seminole great Sam Cassell, who was selected in the first round of the 1993 NBA Draft by the Houston Rockets, joined a select group of players when he helped lead the Boston Celtics to the 2008 NBA Championship — the third World Championship for Cassell during his All-Star NBA career.

A total of 35 Seminoles have been selected in the NBA Draft including eight in the first round. Among those first round selections are Dave Cowens, one of the 50 greatest players in NBA history, and George McCloud, the first Draft Lottery selection in school history in 1989. Today, three Seminoles are on NBA rosters, and 16 have played in the league in the last 19 years.

61 YEARS OF SEMINOLE TRADITION (1947-2008)

1947

FAST OUT OF THE BLOCKS

FSU spots the competition 50 years, then starts a basketball program. It doesn't take the young Seminoles long to attract national attention, going 22-4 only seven years later.

1959-62

DAVE FEDOR

One of the first legitimate Florida State stars, Dave Fedor was drafted by the NBA in 1962 and played for the San Francisco Warriors. Fedor still stands second in the Seminole record book for career scoring average and ranks third in single-game scoring.

1967-70 DAVE COWENS

NBA Hall of Famer Dave Cowens still holds nearly every Seminole rebounding record. He is the program's all-time leader with 1,340 and anchored the squad that went 23-3 in 1969-70. Cowens earned two world championship rings in 10 years with the Boston Celtics.

1967-78 THE SEMINOLES EMERGE ON THE NATIONAL STAGE

Harry Davis played during the Hugh Durham coaching years in 1967-78, which saw Florida State amass a .708 winning percentage, make three trips to the NCAA Tournament and play for the national championship.

1954-55

BEST OF THE EARLY YEARS

The 1954-55 squad that went 22-4 served notice of the Seminoles' intention to play on a national stage, notching five wins in six games against opponents from the Southeastern Conference.

1968

FIRST TRIP TO THE BIG DANCE

Led by Dave Cowens, the Seminoles made their debut appearance in the NCAA Tournament. It was to be the first of many.

1972

NATIONAL FINALISTS

After leading most of the way, Florida State comes up just six points short of the NCAA National Championship. En route to establishing a reputation as a program to watch out for, the Seminoles eliminated perennial powers Minnesota, Kentucky and North Carolina before pushing unbeaten UCLA and legendary coach John Wooden to the very brink, in a national championship game played on the Bruins' own home court.

YEARS OF SEMINOLE TRADITION (1947-2008)

1991

LEAVING THE METRO AS TOURNAMENT CHAMPS

In their final season prior to joining the ACC, the Seminoles celebrated their upcoming move by rolling over Louisville to win the Metro Conference Tournament, then advanced to the NCAA Midwest Regional second round.

1992 & '93

1986-89 GEORGE McCLOUD

In 1987. George McCloud was a

seldom-used, overweight forward riding the Seminole bench. By 1989 he

had become one of the most prolific scorers in FSU history (third highest single season, sixth-highest all-time)

and the first round pick of the Indiana

Pacers, McCloud retired in 2002 after

playing 12 seasons in the NBA.

NEWCOMER FSU STUNS THE ACC ... TWICE

Florida State joins the ACC, the nation's premier basketball conference. The Seminoles shock the nation by finishing second in the conference (to national champion Duke). To prove it was no fluke, they did it

1993

ELITE EIGHT

The Seminoles move through the NCAA Tournament and meet Kentucky in the Southeast Regional Championship game. Florida State falls 40 minutes shy of the Final Four.

1998 BACK TO THE NCAA

After winning their way to the championship game of the NIT the previous year, the 1997-98 Seminoles return to the NCAA Tourney, advancing past TCU to the second round.

1992-93 SAM CASSELL

Though he only played at FSU for two years, Sam Cassell checks in at #22 on the all-time FSU scoring list with 1,211 points and helped drive the Seminoles to the NCAA Sweet 16 in 1992 and the Elite Eight in 1993. Cassell was the first round pick of the Houston Rockets in

2003-07

AL THORNTON

1994

HEISMAN TROPHY POINT GUARD

After leading the Seminoles within one game of the Final Four in 1993, FSU guard Charlie Ward becomes a New York Knick in the first round. To keep busy in the offseason, Ward quarterbacks the Seminole football team to the national championship and, for good measure, wins the Heisman Trophy.

1992-95 **BOB SURA**

Seminoles' all-time leading scorer, Bob Sura, amassed 2,130 points during his four-year collegiate career. He was Florida State's first player to earn All-ACC First-Team honors, and was the first round pick of the NBA Cleveland Cavaliers.

1993 DOUG EDWARDS

Doug Edwards was the first in a phenomenal run of first-round FSU NBA draft picks between 1993 and 1995 that would see five Seminoles go in the first round in three years.

2002-04

TIM PICKETT

Tim Pickett led the Seminole resurgence back to prominence and the postseason in 2003-04. The versatile All-ACC First-Team guard scored 1.038 points in two years, and his play at both ends of the floor earned him All-America Honorable Mention. He went on to become FSU's 37th NBA draftee.

2002

THE HAMILTON ERA BEGINS

Leonard Hamilton becomes Florida State's seventh basketball head coach. Within two years, he returns a program that hasn't seen a winning season in six years to 19 wins, an appearance in the top 25 and the second round of the NIT.

69

THE EXCITEMENT OF SEMINOLE BASKETBALL

THE EXCITEMENT OF

The constant beat of the pep band, the Golden Girls, the Florida State cheerleaders and the SeminoleVision scoreboard all combine to make the Donald L. Tucker Center one of college basketball's most exciting arenas.

The Seminole Sound pep band fills the Tucker Center with the familiar beat of the Florida State fight song. Over 12,100 garnet-and-gold-clad fans, many with war paint on their excited faces, slash the stimulated air with the nationally renowned Seminole cheer.

The War Chant reaches a deafening crescendo. The lights in the arena go black. The spotlights circle the building and bring the already excited crowd to a frenzied roar.

The building shakes as it comes alive with excitement in anticipation of the Seminoles' arrival as they sprint out of the tunnel to greet their frantic fans.

Basketball is as hot as it has ever been at Florida State. It doesn't matter whether your seat is courtside or on the upper concourse — or if you choose not to even sit in your seat — the Donald L. Tucker Center is equipped with large-screen video display boards through the arena. At center court is a huge, four-sided video board that makes every seat in the house seem as close to the court as press row. The screens feature game action, live animation, highlight videos and replays of great moments and players in Seminole basketball history.

All of that combined with Florida State's outstanding fans make the Donald L. Tucker Center one of college basketball's toughest and most exciting arenas.

The Seminoles are one of the most popular college athletic teams in the nation and are covered by one of the largest media contingents in the country on a daily basis. In addition to receiving coverage in most of the nation's largest and most respected newspapers, the Seminoles receive as much coverage as any team nationally and are scheduled to appear on television nearly 25 times during the 2008–09 season. Included in those 25 television appearances are nine scheduled for a national broadcast.

Florida State has aligned itself with some of the nation's finest academic institutions with its membership in the Atlantic Coast Conference. As members of the ACC, the nation's top collegiate conference for basketball, the Seminoles are afforded unprecedented media exposure.

Florida State is among the most watched and talked-about college basketball teams by local and national media.

THE DONALD L. TUCKER CENTER

Florida State's Home for Championship Basketball

A Florida State basketball game at the Donald L. Tucker Center is as exciting as it gets in all of college basketball. Florida State fans are spoiled by more than just a great basketball team playing the best competition in the nation's best conference.

To be able to watch a game in the Tucker Center is to be able to watch a game in surroundings that are as modern as any in the country.

The Donald L. Tucker Center is a multipurpose facility which is home to the Florida State basketball team — a facility that comes alive when the Seminoles enter the arena.

In October of 1999, the Donald L. Tucker Center completed a \$21 million luxury and Club seat expansion project which began in March of 1998, adding 34 luxury suites and 468 Club-level seats at the mid-level in the arena. In addition, the upper-level seating area was reconfigured to offer better viewing to the thousands of Seminoles fans who hang onto every basket of every season.

A total of 12,100 seats are available for fans of Florida State basketball who are treated to one of the most spectacular gameday shows in college basketball. A new, state-of-the-art sound system and four new scoreboards in the upper corners of the arena have been specially designed and specifically placed and are for the maximum entertainment of each fan in each seat. When there is a break in the action, the video display comes alive with highlight tapes, animated games and crowd-pleasing bits.

Adding even more appeal to the facility is the outstanding restaurant in the Tucker Center — the Spotlight Grill, which was opened in 1999 and recently redesigned to accommodate more Seminole fans during each game. The arenaview restaurant includes an outdoor patio and ledge seating for viewing arena events.

The Tucker Center covers more than 22 acres in the heart of Tallahassee's thriving downtown district. The facility is just blocks from the capitol building and sits across the street from Florida State's nationally acclaimed College of Law.

FLORIDA STATE BASKETBALL TRAINING CENTER

The Florida State Basketball Training Center is one of the nation's top basketball-only facilities and has been a model for similar facilities around the country since it opened in 2002. The \$10 million facility is home to the Seminole men's basketball program and is truly a first-class home for its players and coaching staff.

The Seminole basketball program moved into its new home in April 2002. The 40,000-square-foot practice area and office is owned by the Florida State Department of Athletics and is attached to the Donald L. Tucker Center, providing the Seminoles with a permanent home for practice. The Seminoles have their own practice floor, locker room, coaches' offices, meeting and film rooms, players' lounge, tradition room and offices for support staff.

"The Florida State Basketball Training Center **helped me reach my goal of playing in the NBA** because it was accessible whenever my teammates and I wanted to play or work out. We could play on the specially designed courts at any time of the day or night and at any time during the year. Because the BTC is designed specifically for basketball, I was able to utilize all of its amenities to become a better basketball player. I was a lottery pick in the NBA because of the commitment to basketball by Florida State University."

Al Thornton

Los Angeles Clippers/NBA All-Rookie Team in 2008 Florida State University/All-America in 2007

"Wow. If we had been able to practice in the Basketball Training Center at Florida State when I was in school, we would have won more games and played for more championships. The facility at Florida State **is better than most of the practice facilities in the NBA**. Coupled with the coaching knowledge of Coach Hamilton and his staff, the competition you play against in the ACC and the **fabulous university**, a high school player would really be missing out if he didn't choose to attend Florida State."

Sam Cassell

Three-Time NBA World Champion Florida State University/Two-Time All-ACC Selection

"The best thing about the Florida State Basketball Training Center is that it was built through the eyes of a basketball player. The facility gives each player the ability to reach his potential because it has everything you need to become a better basketball player in one place. From the basketball courts to the weight room, the film rooms to the specially designed video department, it houses everything a player needs to improve his game under one roof."

Jason Rich

Professional player in Italy Florida State University/Three-Year Starter

"When I first stepped onto campus, I was blown away by the Florida State Basketball Training Center. I had never seen anything like it. Being able to practice in the facility every day **helped me understand what it was like to be a part of a big-time program** like the one Coach Hamilton is building at Florida State. The facility and all of the amenities – the weight room, the special courts, the training center — made me want to practice and helped me become a better basketball player during my career at Florida State. I really believe being able to practice in the Basketball Training Center during my career at Florida State helped me improve to the point that I was able to become selected in the 2004 NBA Draft."

THIS IS FLORIDA STATE

Florida State is one of the top public universities in the United States.

Students at Florida State also are encouraged to participate in international education through the university's programs in England, Italy, Switzerland, France, Panama, China, Costa Rica, Spain, Russia, the Czech Republic, Greece, Croatia, Germany, Ireland and the Caribbean. The university's study sites in Valencia, Spain; Florence, Italy; and London, United Kingdom, are considered by many to be among the nation's best.

Florida State is the No. 1-ranked university in the United States in graduation rates for African-American students.

The university logged many noteworthy achievements in 2007–2008:

 Alan G. Marshall, FSU's Robert O. Lawton Professor of Chemistry and Biochemistry and director of the Ion Cyclotron Resistance Program at the National High Magnetic Field Laboratory, received the 2008 Ralph and Helen Oesper Award from the Cincinnati Section of the American Chemical Society — eight of the past 26 recipients of the prestigious Oesper award went on to win the Nobel Prize.

- Professor Kathleen Yancey, director of the English Department's graduate program in Rhetoric and Composition, became president of the National Council of Teachers of English.
- Max Gunzburger, a Francis Eppes Professor and director of the School of Computational Science, earned the distinguished W.T. and Idalia Reid Prize in Mathematics from the Society for Industrial and Applied Mathematics (SIAM) for his work in computational mathematics and his mathematical models of science and engineering problems.
- FSU Student Government president Joe O'Shea became one of just 32 U.S. college students selected for a 2008 Rhodes Scholarship, the oldest and most prestigious international study award bestowed on American students. O'Shea, who won a Truman Scholarship in 2007, also was one of just 20 undergraduates named to USA Today's 2007 All-USA College Academic First Team.
- FSU Film School student Paul Seetachitt crafted a 30-second public service announcement that took first place in a national competition sponsored by the Center for International Disaster Relief. Honors won by other Film School students over the past year included a Student Academy Award; two collegiate-level "Emmy" awards; and two Directors Guild of America awards for the nation's best minority and female student filmmakers.
- Over the past year, the university has won research grants totaling more than \$196 million.
- FSU was ranked No. 1 in the nation among top research universities in graduation rates for African Americans.
- FSU is currently developing, designing, breaking ground for or constructing about \$500 million worth of facilities; the new Chemical Sciences Laboratory and the James E. "Jim" King Life Sciences Building are world-class examples that herald the dawn of a new era for Florida State's science community.

- The FSU track and field team won its third consecutive NCAA championship.
- Thirteen FSU studentathletes and coaches from three sports represented the Seminoles and eight differ-

ent countries at the 2008 Summer Olympic Games in Beijing, China. And, closer to home, a commitment to community service put FSU student-athletes at the top of the Outreach Honor Roll from the National Consortium for Academics and Sports.

- · Walter Dix, a 2008 Florida State graduate, won two bronze medals in track and field at the Beijing Olympic Games. He became the seventh Seminole to win an Olympic medal and the first Florida State track and field athlete to win an Olympic medal since Kim Batten won the silver in the 400m hurdles at the 1996 Games in Atlanta. He keeps alive Florida State's streak of earning at least one medal since the 1992 Games when Michelle Finn received a gold as part of the United States' 4x100m relay. After Batten, Doug Mientkiewicz was a member of the 2000 Gold Medal Team USA baseball squad, and Stephen Parry took the bronze in the 200m butterfly at the 2004 games in Athens.
- Two leaders in medicine, Florida State University and Mayo Clinic, signed an agreement to work as research partners in the quest to improve health care outcomes for Floridians and all Americans. The agreement calls for interaction and collaboration between researchers at FSU and Mayo Clinic in Jacksonville, Fla., the establishment of joint research programs, and the exchange of scientific and educational literature and research - and opens up unique opportunities to turn basic science into new cures for a variety of diseases, from cancer to Alzheimer's.

the National Institutes of Health. The grant and an additional \$2.8 million in FSU matching funds will be used to purchase a state-ofthe-art robotic electron microscope that will

place the university among the very top imaging centers in the world. FSU scientists will use the unique robotic microscope to advance their cutting-edge research on HIV/AIDS, heart disease, hypertension and cancer.

FSU is bringing together researchers with expertise in a variety of fields to develop new strategies for dealing with Florida's energy challenges. The new Florida Energy Systems Consortium is a collaborative effort among the state's 11 public universities to address key issues pertaining to energy, climate and the environment — with a particular focus on promoting renewable energy. Florida Gov. Charlie Crist signed into law a comprehensive energy bill establishing the consortium and providing a total of \$50 million in funding to be divided among four core institutions — FSU (with \$8.75 million), the University of Central Florida, the University of Florida and the University of South Florida.

The university has been selected as the lead institution for the new Florida Center for Advanced Aero-Propulsion, a collaborative project featuring the state's premier researchers in aerospace and aviation. Of \$14.57 million in funding appropriated to create the center, FSU will get the largest portion — nearly \$6 million — to oversee center operations and develop research and policy that unites scholars from various disciplines and universities.

Florida State's main campus is spread over 450.5 acres in Tallahassee. Within the state, the university maintains facilities in Panama City, at its Coastal and Marine Laboratory on the Gulf of Mexico, and at the Asolo Performing Arts Center in Sarasota. The university also operates the Ringling Center for the Cultural Arts in Sarasota, which includes the John and Mable Ringling Museum of Art — the largest museum/university complex in the nation.

Library holdings at Florida State include 2.9 million book titles and 9.1 million microforms and rank among those at the nation's top 30 public research universities. Collectively, the FSU libraries belong to the Association of Research Libraries, whose membership is composed of the top research university libraries in the United States.

STUDENT SERVICES & PROGRAMS

ATHLETICS ACADEMIC SUPPORT PROGRAM

The primary mission of the Athletics Academic Support Program is to provide an environment that facilitates the academic success of each student-athlete.

ACADEMIC ADVISING

The advisors in Academic Support serve as the lower-division advising unit for all student-athletes. The staff advises students through the Liberal Studies curriculum and degree prerequisites. The advisors work with the students in a number of areas related to the academic experience at Florida State University, but with a primary emphasis in advising and monitoring the progress toward the selected degree program, taking into consideration all variables which would enhance or impede each student's progress toward the goal of graduation.

STUDY HALL

Professionally supervised study sessions for each athletic team are organized in order to help ensure the academic success of the student-athletes. The main focus of the study

hall program is to help students develop consistent and appropriate study patterns by providing a structured setting to work on class assignments and to provide tutorial assistance before academic problems arise. Although the criteria for attending study hall are left to the discretion of each academic counselor, typically most freshmen, first-year transfers and upperclassmen who have not yet achieved a satisfactory cumulative grade point average are asked to attend study hall.

TUTOR AND MENTOR PROGRAM

The tutorial program is available to all student-athletes as they progress toward their ultimate goal of obtaining a college degree. Approximately 65 tutors are hired each year from a variety of academic departments. Each tutor is committed to providing a

proactive, individualized approach in assisting student-athletes with course comprehension and study skills. The tutors are graduate-level students or undergraduates who excel in a specific area of study. All mentors are graduate- or Ph.D.-level students who have outstanding academic backgrounds.

Mentors are academic role models who have demonstrated the ability to teach and give guidance in areas of academic developmental skills such as note taking, test preparation and communication with faculty. In essence, mentors become an extension of the academic counselor as they keep the academic performance of their student-athletes under close observation and report to the academic counselors each week.

COMPUTER LAB

The Athletic Academic Support Computer Lab is located in the Athletic Academic Support wing at the Moore Athletics Center. It is outfitted with 30 PC-compatible computers and several laser printers. The computer lab is available to student-athletes six days a week with extended hours during finals week. The entire Athletic Academic Support wing is also equipped with wireless Internet.

SUMMER BRIDGE PROGRAM

Athletic Academic Support, in conjunction with Athletic Student Services and the University, offers incoming student-athletes a "Summer Bridge Program" to aid in the transition from high school to

college. The program is a week-long intensive orientation that incorporates the University orientation with the athletics department orientation. This orientation highlights many different topics that are important for student-athlete success. In addition to introducing the student-athlete to academic policies and procedures, other topics include nutrition, student life, community service, technology on campus, media training and compliance.

ACADEMIC HONORS AND AWARDS PROGRAM

The Academic Support Program is committed to recognizing the academic success of all student-athletes. The annual "Golden Torch Gala," a black-tie academic awards banquet organized by Seminole Boosters, Inc., occurs each fall. At this event, the ACC Honor Roll student-athletes, as well as the individuals with the highest GPA on their respective teams and the men's and women's teams with the highest combined GPA are recognized.

Team meetings are held each year, during which time student-athletes are notified of potential honors and awards and are encouraged to apply. Combining a strong grade point average with athletic accomplishments, community service activities and leadership experiences makes for a student-athlete capable of obtaining unlimited academic honors, awards and postgraduate opportunities.

Florida State University student-athletes have achieved great success in obtaining recognition for academic excellence. More than \$390,000 in postgraduate scholarship monies has been granted to FSU student-athletes over the past 14 years, as well as numerous other academic honors and awards. During the 2007–08 academic year, 13 Seminole student-athletes were named District Academic All-Americans, including Buster Posey and Matt Fairel (baseball), Myron Rolle

THOMAS KENT "T.K." WETHERELL B.S. '67, M.S. '68, Ph.D. '74 ED

Dr. Thomas Kent "T.K." Wetherell became the 13th president of Florida State University on January 6, 2003. He is the first university alumnus to serve as president of Florida State. A career educator with more than 30 years of experience in the State of Florida's educational system, Dr. Wetherell is also the only Florida State president with experience in all four major divisions within higher education, having held positions in the offices of academic affairs, student services, business affairs and college development. He has held leadership positions in two-year as well as four-year colleges, and he has served as a faculty member in both public and private institutions of higher education.

Dr. Wetherell is recognized as a high-energy, student-oriented president. He is an innovator who challenges faculty, staff and administrators to set high professional and personal standards. During his tenure as president, Florida State realized its dream of establishing, receiving full accreditation for and graduating the first class of the nation's first public new allopathic medical school in the last 25 years.

Under Dr. Wetherell's leadership Florida State has undertaken the university's most extensive construction program, adding three new residence halls, a general purpose classroom building, new food services facilities, parking garages, an alumni center, research facilities, massive renovation projects, a Heritage Walk system throughout campus, as well as the construction of a new medical school.

Dr. Wetherell established the Pathways of Excellence program designed to enhance Florida State University's stature as a public graduate research university. The Pathways of Excellence program is designed with the Association of American Universities evaluation criteria as its basis. In addition to issuing a challenge to the university's community to reach a higher level academically, Dr. Wetherell also made available online data that will allow the public and individual faculty to monitor the university's and their respective academic department's success in this endeavor.

Dr. Wetherell is an outstanding advocate for higher education and has been called the state's most "politically astute president." In addition to his political insight, Dr. Wetherell is expert in resource development and led the university to successfully complete Florida State's second major capital campaign. During the campaign Dr. Wetherell gave the largest gift a seated president of a public research university has ever given to an institution in the United States. As president, Dr. Wetherell has also been the university's most vocal advocate for a community service program as part of students' college experience.

Dr. Wetherell has been inducted into Florida State University's Hall of Fame and was the recipient of the prestigious Moore-Stone Award, the Circle of Gold Award and the university's Distinguished Service Award. In addition, he has also been awarded an honorary Doctorate of Letters from Flagler College.

Dr. Wetherell served in the Florida House of Representatives from 1980 to 1992, the last two years as Speaker of the House. During his tenure in the House he served as chairman of the Appropriations Committee and the Higher Education Committee. The *Miami Herald* named him one of the Top Ten Legislative Leaders in the House each year from 1987 until 1992. During his years in the legislative process, Florida enacted some of the most progressive education legislation in America.

A third-generation Floridian, Dr. Wetherell was born on December 22, 1945, in Daytona Beach. He attended Port Orange Elementary School and Mainland Senior High School, where he was active in service clubs, student government and athletics. He attended Florida State University on a football scholarship and played on the 1963–67 football teams. He still holds the record for the longest kickoff return in Florida State history. He earned his bachelor's and master's degrees in social studies education in 1967 and 1968 respectively. He earned a doctorate in education administration from Florida State in 1974.

Dr. Wetherell is married to Virginia B. Wetherell, who was appointed by Governor Chiles as Secretary of the Florida Department of Environmental Protection from 1991 to 1998. She previously served as a state legislator representing Pensacola. She currently is president of Wetherell Consulting Services. They are the parents of three children: Kent, Blakely and Page, and have two grandchildren: Emily and Tyler. Wetherell's personal interests include outdoor recreation, travel and aviation.

The Florida State University community is composed of a diverse group of students and alumni who combine to create a kaleidoscope of knowledge and cultures.

RANDY SPETMAN

Director of Athletics

Florida State University president, Dr. T.K. Wetherell, introduced Randy as the university's new director of athletics on February 4, 2008, ending a national search that began in December. Spetman, a former Air Force colonel, assumed his position at Florida State after serving as athletics director at Utah State since July 1, 2004 and at the United States Air Force Academy from 1996 to 2003.

"Randy Spetman has a strong record of leadership with honesty and integrity. His experience and organizational and management skills set him apart as one of the best athletics directors in the country," Wetherell said. "We're very pleased that he is joining the Florida State family."

Spetman, 55, was lauded over his tenure at Utah State for the success of the Aggies' athletic programs both on the field or court and in the classroom. Utah State joined the Western Athletic Conference (WAC) in 2005, and Utah State claimed four conference championships in its first two years. Even more impressive is the fact that USU's student-athletes lead the WAC with a 78 percent graduation rate and have maintained over a 3.0 cumulative grade point average.

Under Spetman's leadership, Utah State moved forward with several facility projects, including high-profile improvements to the football stadium. He also spearheaded fundraising and building efforts for a \$12.5 million facility that will serve to meet the academic and athletic needs of the 16 intercollegiate sports at Utah State. He crafted a unique business partnership for medical health coverage that improved the overall coverage of USU student-athletes and reduced medical costs. In addition, he negotiated a lucrative marketing agreement for Aggie Athletics with Learfield Sports Properties.

"Florida State University is one of the finest college athletics programs in the nation," said Spetman. "To be asked to serve as its athletics director is a great compliment, and I was thrilled to accept. I proudly served my country for many years with honor, com-

mitment and pride. And I now look forward to bringing my skills as an athletics director to this university and serving Florida State University with the same honor, commitment and pride."

Prior to his stint at Utah State, Spetman spent eight successful years (1996-2003) as director of athletics at the United States Air Force Academy in Colorado Springs. During his tenure, he administered the school's 27-sport intercollegiate program as well as the physical education and intramural programs. Under his command, athletics teams at the Academy enjoyed unmatched success as the football team participated in four bowl games.

Spetman graduated from the Air Force Academy in 1976. He earned three letters as a defensive end for the Falcons and was a team captain as a senior. He also won a pair of heavyweight Wing Open Boxing Championships.

Born and raised in Council Bluffs, lowa,

Spetman's 28-year military career took him around the world in a variety of positions. A command pilot with more than 3,000 hours of flight time, Spetman's range of positions took him from assistant football coach at his alma mater to a pilot and from the Chief of Bomber Planning in Operations Desert Shield and Desert Storm to serving as Chief, Command and Control Division, Operations Directorate of the U.S. European Command in Stuttgart, Germany.

A graduate from Squadron Officer School, he attended the National War College and earned a master's degree in National Security Strategy. Spetman also holds a master's in management and supervision from Central Michigan University. He is currently the first vice president of the National Association of Collegiate Directors of Athletics (NACDA).

He and his wife, the former Becky Luhring of Des Moines, Iowa, are the parents of two grown children, Brian and Kim.

Among hills, down moss-draped canopy roads, within picturesque historical districts, and across seas of flowering azaleas lies a magical part of the Sunshine State —Tallahassee — Florida's capital city.

With its intriguing combination of power-play politics and classic character splashed with a twist of beauty and charm, Tallahassee is a genteel Southern belle with good manners, old plantation homes and a y'all-come hospitality a side of Florida

few expect to find.

THIS IS TALLAHASSEE

With the Gulf of Mexico just 25 miles south and the Georgia border only 14 miles north, Tallahassee rests between the foothills of the Appalachian Mountains and the juncture of Florida's panhandle and peninsula in an area known as "The Big Bend." Nearer in miles to Atlanta than to Miami, Tallahassee more closely resembles its Georgia neighbor than Florida in topography, climate and lifestyle.

Like the city itself, the story of how Tallahassee was chosen as the state capital is rich in history. In 1823, two explorers set out — one on horseback from St. Augustine and the other by boat from Pensacola — to establish a permanent, central location for the seat of government. The two met at a beautiful site that the Creek and Seminole Indians called "tallahassee" — derived from the words "talwa," meaning town, and "ahassee," meaning old. This historic meeting place remains Florida's capital today.

The New Capitol building rises at the center of Tallahassee's downtown as a sleek, modern structure, juxtaposed next to the Old Capitol, built in the more classic domed style. A gallery atop the 22-story New Capitol provides a sweeping view of the hilly city and its tree-lined streets. From it, you can see all the way to Georgia, 20 miles away.

Around the capitol complex, a 10-block historic district spreads, preserving the town's gracious old homes along a linear park and holding a historic inn, bars and restaurants patronized by senators and sophomores alike. With no shortage of culture, down-

town also offers museums, theater and art galleries. Artists have turned the old warehouses of Downtown Industrial Park into the studios and cafés of Railroad Square. The Museum of Florida History, nearby, is highly acclaimed for its scan of the state's past, and The Mary Brogan Museum of Art & Science, along with changing art exhibits, brings learning to a kid's level with hands-on exhibits. Other sightseeing favorites include the floral masterpiece of Alfred B. Maclay State Gardens, Bradley's Country Store, FAMU Black Archives, and the Tallahassee Antique Car Museum.

The area surrounding Tallahassee reveals numerous other historic and archaeological treasures, such as De Soto State Archaeological and Historical Site, Lake Jackson State Archaeological Site, Mission San Luis, Natural Bridge Battlefield and San Marcos de Apalache. Visitors can explore prehistoric Florida at the Museum of Florida History, where they are greeted by a giant, 12,000-year-old mastodon pulled from nearby Wakulla Springs.

On the shores of Wakulla Springs, alligators still laze under the watchful eyes of "snake birds" perched on twisted cypress trees. The site of many underwater scenes in Tarzan movies, it's one of the world's deepest freshwater springs. Glass-bottomed boat tours across these mystical waters are available.

Nearby small towns offer fascinating excursions to places such as Pebble Hill Plantation, Florida Caverns State Park, Monticello Opera House and St. George Island.

- Tallahassee is home to more than 60,000 college students between Florida State University, Florida A&M University and Tallahassee Community College.
- Nearly 60 percent of Tallahassee's population is between the ages of 18 and 44.
- The average temperature in Tallahassee is 78 degrees; during almost 25 percent of the year the temperature is above 90 degrees.
- There are more than 150,000 people living in the city of Tallahassee and more than 300,000 in the metropolitan area.
- Tallahassee has been the capital of the State of Florida since 1823.
- The Gulf of Mexico is 20 miles south of Tallahassee, and the Georgia border is just 14 miles to the north.

DONALD L. TUCKER CENTER

The Donald L. Tucker Center is a multipurpose convention and entertainment facility featuring a 12,100-seat arena, luxury suites, club seats and over 52,000 square feet of meeting and exhibition space plus an arena-view restaurant, Spotlight Grille. The Civic Center hosts a wide variety of concerts, family shows, Broadway shows, ice shows and sporting events including FSU basketball.

Because of its varied array of attractions, it is easy to understand why over one million people a year flock to the Tucker Center. Some people go to enjoy the sounds of rock, country, pop and urban concerts. Some go for the thrills of basketball, rodeos and three-ring spectaculars, while others attend conventions, banquets, expositions, or consumer and trade shows.

Located downtown on Pensacola Street, the Tucker Center is only two blocks from the Capitol building.

SEMINOLES ARE NATION'S THIRD-BEST FREE-THROW SHOOTING TEAM LAST TWO YEARS

Florida State, which has led the ACC and ranked in the nation's top 10 in free-throw shooting in each of the last two years, is the nation's third-ranked free throw team over the course of the last two seasons. The Seminoles rank first among the top five teams for free throws made (1,027) and attempted (1,257).

FLORIDA STATE FROM THE FREE-THROW LINE

Florida State made 529 free throws during the 2007–08 season and surpassed the 500 mark for the 14th time in school history. The school record is 707 free throws made in 1955. The Seminoles' 529 free throws mark the first time since the 2005–06 season that they made 500 or more free throws, while their total was the most made by a Seminole team since making 543 during the 1992–93 season.

SEMINOLES IMPROVE FROM THE FREE-THROW LINE

Led by sophomore forward Ryan Reid's freethrow shooting percentage increase of more than 20 percentage points, every regular in Florida State's lineup increased his free-throw shooting percentage. The Seminoles, who finished first in the ACC and fifth nationally in free-throw shooting percentage, had four players finish with shooting percentages above 80 percent and one more player above 77 percent. A total of seven Seminoles shot at least 67 percent from the free-throw line.

SEMINOLES ON THE ALL-TIME CAREER FREE-THROW PERCENTAGE CHART

Led by junior All-ACC Third-Team selection Toney Douglas, who is currently ranked as the fourth-best all-time free throw shooter in school history with a .804 mark in his two years as a Seminole, a total of five players moved into Florida State's all-time top 20 for free-throw shooting. A trio of graduating seniors — Ralph Mims (eighth, .7834 career percentage), Jason Rich (15th, .772 career percentage) and Isaiah Swann (19th, .766 career percentage) — finished their careers ranked among the Seminoles' all-time top 20 for free-throw shooting percentage. Junior Uche Echefu, who shot a career-high .814 from the free-throw line as a junior, is shooting .761 from the free-throw line for his career.

DOUGLAS APPROACHING 1,000 CAREER POINTS — AGAIN

He surpassed the mark for his career in the Seminoles' victory over Minnesota in the ACC/Big Ten Challenge on Nov. 27, 2007. Because he played his first season at Auburn (where he scored 525 points), he is not included in the Seminoles' 1,000 Point Club. ZITANI EARNS PRESTIGIOUS BRADLEY AWARD FOR SPIRIT AND COURAGE

Seminole graduate student Matt Zitani was presented with the Bob Bradley Spirit and Courage Award at the 2008 ACC Tournament as presented by the ACC and the Atlantic Coast Sports Media Association. The award is named in honor of the late Clemson University sports information director whose service to the ACC and the media will be forever remembered and appreciated. Bob Bradley passed away in October 2000 after a three-year battle with bone cancer that included more than 100 radiation treatments. Throughout that period of time, he continued to serve as SID Emeritus at Clemson, worked events at home and on the road, and represented the Tigers in his own unique style and grace. The Bradley Award is presented annually, in conjunction with the ACC Office, to a male or female basketball player, coach or team administrator who has overcome serious injury, illness or significant adversity in life to become a valuable contributor to his/her program and university. Zitani recovered from surgery for a brain tumor in 2003 and earned a scholarship to play basketball at Florida State.

ZITANI NAMED TO ACC ALL-ACADEMIC TEAM

Florida State's Matt Zitani, who received the Bob Bradley Spirit and Courage Award at the 2008 ACC Tournament, was named to the 2008 All-Atlantic Coast Conference Academic Men's Basketball Team. To be eligible for consideration, a student-athlete must have earned a 3.00 grade point average for the previous semester and maintained a 3.00 cumulative average during his academic career.

GAME NO. 7

Florida State 65, Florida 51 • Stephen C. O'Connell Center, Gainesville, Fla.

1st Half 2nd Half OT Total

GAINESVILLE, Fla. — Florida's young, rebuilt team was no match for Florida State's athletic and experienced squad. Jason Rich had 20 points and 11 rebounds, Toney Douglas added 10 points and the Seminoles beat the 25th-ranked Gators 65–51 The Seminoles snapped Florida's 15-game winning streak along with its school-record 24-game home winning streak. The Seminoles dominated from the opening tip, taking a 25–9 lead and never letting the Gators back in the game. The Seminoles — with two seniors and two juniors in the starting lineup — ran the floor better than Florida, contested nearly every shot and showed superior athleticism at both ends. They got Florida center Marreese Speights in foul trouble early, then took advantage of his absence down low. Florida State scored on dunks, layups, putbacks and fast breaks — basically every way imaginable around the basket. Florida struggled shooting and trailed by as many as 19 in the first half, 29–10 following a 21–2 run, but trimmed the lead to 11 several times after the break. But the Gators couldn't get any closer, thanks to Florida State's 36 points in the paint and 15 on fast breaks. Florida State also finished with a 39–28 rebounding advantage, had six steals and forced 12 turnovers, Walter Hodge (11 points) and freshman Chandler Parsons (10) were the only Florida players in double figures.

GAME NO. 17

Clemson 97, Florida State 85 (2 OT) • Littlejohn Coliseum, Clemson, S.C.

CLEMSON, S.C. — Terrence Oglesby scored three 3-pointers in the second overtime to help 18th-ranked Clemson to a 97–85 win over Florida State. The Tigers seemed destined to a second consecutive ACC loss at Littliciphon Coliseaum until it took control of the game in the second overtime. Rivers started the barrage with a 3-pointer for an 83–80 lead. Then Oglesby stepped up with two straight long-range shots for a 9-point lead. After Toney Douglas brought Florida State to 91–85 with his three, Oglesby did it one last time. Trevor Booker had 29 points, including three 3-pointers. The sophomore had only made one long-range shot in his career-high 24 points. In the first overtime, Echefu made just his seventh 3-pointer of the season from the right corner for a 78–76 lead with 15 seconds left in the first OT. Oglesby and the Tigers made sure Florida State didn't get a third chance at victory. Clemson had an opportunity to move in front in the final minute of regulation. But with the shot-clock running down, Cliff Hammonds pushed the ball to Mays, who had trouble grabbing it with his heavily bandaged left hand. Mays blocked Jason Rich's attempt with about 25 seconds left. However, Rich chased it hack down for the Seminoles to set up Douglas' three. Trevor Booker found hisself with the ball and time winding down. He smoothly threw up the tying shot to buy the Tigers another five minutes. Oglesby's four-point play helped the Tigers to a 56–45 lead with 9-47 to play. However, Florida State went on a 17–5 run to retake the lead on Isaiah Swann's bucket. Neither team took more than a 3-point lead until the final overtime period.

GAME NO. 19

Wake Forest 74, Florida State 57 • Lawrence Joel Coliseum, Winston-Salem, N.C.

WINSTON-SALEM, N.C. — James Johnson scored 21 of his career-high 26 points in the second half, and Wake Forest remained unbeaten at home with a 74–57 win over Florida State. Johnson, a freshman, overcame early foul trouble by dominating the second half. He spearheaded a 13–0 run to put the Demon Deacons ahead to stay, then hit a 3-pointer and had a steal and dunk to put Wake Forest ahead 68–55 with 4:48 left. Jeff Teague added 12 points, and Harvey Hale scored 10 for Wake Forest, which recovered from road losses to Boston College and Maryland to win its ACC-best 15th straight home game dating to last season. Ralph Mims had 17 points, Uche Echefu scored all 13 of his points in the first half and Toney Douglas came off the bench to score 10 on 4-of-13 shooting for Florida State. Johnson went to the bench after picking up two fouls in the first five minutes, and Florida State immediately went on a 7–0 run. Echefu dominated early, including a 3-pointer that put the Seminoles ahead 23–14. The Demon Deacons, despite shooting 37 percent in the first half, rallied to tie the game before Florida State settled for a 31–28 halftime lead. After the Seminoles scored the first point of the second half, Johnson had a putback and a 3-pointer to put Wake Forest ahead for good. Johnson's best basket of the day was a coast-to-coast drive that included a head fake in the lane before a thunderous one-handed dunk made it 61–50. Florida State's Isaiah Swann went over 1,000 points in his career with a driving layup on the next possession, before Johnson's 3 and dunk put it away.

Hansbrough, the ACC's leading scorer and rebounder, was held without a field goal until 943 remained in the game. He was just 5-of-14 free field but was 10-of-12 at the free-throw line. North Carolina made 27-of-33 free throws. Florida State trailed 31–29 at halftime despite shooting a chilly 34.4 percent in the opening 20 minutes. Jason Rich led the Seminoles with 22 points while Isaiah Swann and Toney Dougles edited 13 each

Florida State 64, Clemson 55 • Donald L. Tucker Center, Tallahassee, Fla.

TALLAHASSEE, Fla. — Toney Douglas scored 23 points and Jason Rich 22 to lead Florida State to a 64–55 win over Clemson. The Seminoles made six of their first eight shots to take an early 17–6 lead that it built to 35–17 at halftime, shooting 61.9 percent in the half. Clemson, meanwhile, was equally cold — connecting on just three of its first 16 attempts. Clemson came into the game leading the ACC with a 39.9 team shooting percentage from 3-point distance, but went 3-for-27 from long range, missing 18 of its first 19. They still managed to almost catch up, pulling to within 47–43 with 4:39 left on Demontez Stitt's 3-point shot, but Rich and Douglas countered with six unanswered points to get Florida State's lead back to 10 points with 3:02 left. The Tigers shot just 30 percent from the field and were not much better from the free-throw line, making 12 of 23. Cliff Hammonds led Clemson with 13 points, Trevor Booker added 12 and K.C. Rivers 10.

GAME NO. 29

Florida State 72, NC State 62 • RBC Center, Raleigh, N.C.

RALEIGH, N.C. — Jason Rich scored 21 points to help Florida State beat North Carolina State 72–62. Toney Douglas added 20 points despite playing through a tough shooting start for the Seminoles, who won their third straight league game. Ralph Mims added 12 points, including a 3-pointer that capped a 10–0 run that gave Florida State some needed breathing room in the final five minutes. Trevor Ferguson had a career-high 17 points to lead the Wolfpack, who continued their late-season freefall. N.C. State lost its sixth straight game. Florida State looked ready to extend its modest league winning streak, scoring the first 12 points en route to a 25–6 lead with about 7 1/2 minutes left before halftime. The Seminoles would never relinquish that lead, though the Wolfpack managed to pull to within two points in the second half. The Seminoles' backcourt of Rich and Douglas kept Florida State in control. Rich finished 7-for-16 from the field. Meanwhile, Douglas missed 11 of his first 13 shots before running off 11 points over a five-minute span—including a pair of 3-pointers—that gave the Seminoles a 52–44 lead with 9:39 left that kept the Wolfpack playing catch-up. When N.C. State managed to pull to within three, the Seminoles ended it with the 10-point spurt that began with Ryan Reid's 3-point play. Rich came through with two free throws followed by a dunk off his own steal before Mims knocked down a three to make it 62–49 with 4:42 left. N.C. State got no closer than seven points from there.

TALLAHASSEE, Fla. — Ralph Mims scored 25 points, including the decisive basket of the game, to lead Florida State to a 75–72 win Saturday over Miami — the Seminoles' fifth straight victory over their downstate rival. Mims slashed down the lane for a layup with 1-49 left that gave the Seminoles a 75–70 lead, and Miami's Lance Hurdle hit two free throws 11 seconds later as both teams went scoreless the final 1:38. The game went into overtime tied at 66 after Miami's Jack McClinton watched his 3-point jumper rim out at the buzzer. Florida State's Ryan Reid had tied the game with two free throws with 33 seconds left. Florida State overcame an early 19–11 deficit to lead 32–30 at halftime in a contest that featured 17 ties and 13 lead changes. Miami was whistled for 31 fouls and Florida State 22 in a wild game that saw the teams combine to shoot 66 free throws. Jason Rich and Toney Douglas each added 16 points for Florida State. McClinton led the Hurricanes with 22 points and Brian Asbury added 12.

Florida State 70, Wake Forest 60 • Charlotte Bobcats Arena, Charlotte, N.C.

CHARLOTTE, N.C. — Jason Rich scored 17 of his 22 points in the second half to lead Florida State past Wake Forest 70–60 in the first round of the Atlantic Coast Conference tournament. Ralph Mims added 16 points for the Seminoles, who shot 45 percent to win their league tournament opener for the second straight year. Jeff Teague scored 15 points to lead Wake Forest, which trailed almost the entire way after winning both regular-season meetings by an average of 12.5 points. Rich almost single-handedly put the game away by scoring 15 of Florida State's 17 points — including 10 straight — during one 4½-minute stretch midway through the second half. David Weaver added 12 points and James Johnson had 10 for Wake Forest. Wake Forest, a 36 percent shooting team from 3-point range, was held to 3-for-17 from beyond the arc. Florida State raced out to a 13-point lead in the first half, making it 28-15 during a 17-4 run that was capped by Douglas' 3-pointer from the key with 6:10 left before the break. The Seminoles soon went cold, making only one more field goal in the half — Uche Echefu's stickback with 1:41 left — to allow the Demon Deacons to temporarily creep back into the game.

North Carolina 82, Florida State 70 • Charlotte Bobcats Arena, Charlotte, N.C.

CHARLOTTE, N.C. — Tyler Hansbrough scored 22 points to help North Carolina beat Florida State 82–70 in the ACC quarterfinals. Wayne Ellington added 19 points for the top-seeded Tar Heels. The Tar Heels shot 53 percent, including 59 percent after halftime, and went 6-for-13 from 3-point range. But the ninth-seeded Seminoles kept pace the entire way, shooting 49 percent and hitting 10-of-21 shots from behind the arc. North Carolina and Florida State also finished in a 30–30 tie on the boards, marking only the third time all season the Tar Heels had not outrebounded their opponent. Hansbrough finished 7-for-15 from the field with six rebounds in 33 minutes. But perhaps more importantly, the ACC Player of the Year went 8-for-10 at the foul line — all in the second half — after not getting to the line in last week's win at Duke. Hansbrough is shooting 81 percent from the line and averages more than 10 attempts per game. Jason Rich scored 23 points for the Seminoles, who had won five of six in a late-season surge that gave them a hope of reaching the NCAA Tournament. The Tar Heels used a 10–3 spurt, which started with a three-point play inside from Hansbrough, to finally get a comfortable cushion that they maintained the rest of the way. The Seminoles twice got within eight points but couldn't pull closer, the last time coming at 64–56 on a 3-pointer from Ralph Mims with 6:42 left.

GAME NO. 34

Akron 65, Florida State 60 (OT) • Donald L. Tucker Center, Tallahassee, Fla.

TALLAHASSEE, Fla. — Nick Dials scored 13 points in overtime, including three consecutive 3-point baskets to lead Akron to a 65–60 victory over Florida State in a first round NIT game, giving the Zips their first win over an Atlantic Coast Conference team. Akron was able to win despite being decisively outrebounded and making only 10-of-19 free throw. The game was tied 51-all after regulation. Akron was unable to protect a 51–47 lead in the final 1:30 missing a dunk shot, three free throws to go along with a costly turnover. But Dials took over in the overtime. His first two baskets from long range put the Zips ahead both times, and he hit four straight free throws at the end to preserve the victory. Dials led the winners with 21 points while Uche Echefu turned in his sixth double-double of the season for Florida State with 20 points and 10 rebounds. The Seminoles had a 43–29 rebound advantage but were hampered by 23 turnovers. Akron led 27–26 at the half, reclaiming the lead after Jordan DeMercy's 3-point shot gave Florida State its first lead of the game at 26–25.

ATLANTIC COAST CONFERENCE

TRADITION OF EXCELLENCE

THE TRADITION

Consistency. It is the mark of true excellence in any endeavor.

However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 56th year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture; the numbers support it.

Since the league's inception in 1953, ACC schools have captured 109 national championships, including 57 in women's competition and 52 in men's. In addition, NCAA individual titles have gone to ACC student-athletes 145 times in men's competition and 92 times in women's action.

If success is best measured in terms of wins and losses, then the ACC is unrivaled in NCAA annals. With North Carolina's victory over Illinois in the 2005 NCAA title game, ACC teams have captured 10 NCAA basketball championships, including six over the last 18 years.

No conference has posted a better NCAA Tournament record than the ACC since the NCAA's inaugural tournament in 1939. With an impressive 85-43 mark over the past 10 years, ACC teams have posted an NCAA Tournament-best mark of 329-164 for a sterling .667 winning percentage against the nation's toughest competition.

In the 24 years of the current 64-team field, the ACC has produced 22 Final Four teams, an average of almost one per year and five more than any other conference.

Since the 1985 NCAA Tournament when the field was expanded to 64 teams, ACC teams have been even more impressive compiling a 233-115 (.670) NCAA record, including 63 Sweet 16 appearances and 22 Final Four berths — all NCAA Tournament bests. Since 1985, 63 of the 120 ACC teams receiving NCAA berths have won at least two NCAA Tournament games.

Following their title run in 2005, North Carolina's Tar Heels lead all ACC schools, with four NCAA basketball championships to their credit. Duke has claimed three national titles, NC State two and Maryland one. The Tar Heels have captured NCAA titles in 1957, 1982, 1993 and 2005 while the Blue Devils won their third title in 2001, following back-to-back championships in 1991 and 1992. The Wolfpack walked away with the coveted crown in 1974 and 1983 while the Terps claimed the 2002 national title.

The ACC has 10 or more NCAA Tournament wins in four of the last eight years and 13 times overall; the league has not posted a losing record in NCAA Tournament play since 1987. The conference's 19-year non-losing streak in NCAA Tournament play is tops among all conferences.

Since 1981, the ACC has produced 37 consensus All-Americans (17 more than any other conference) and has accounted for 25 percent of the nation's consensus All-Americans (37 of 146).

Seven of the last 12 and nine of the last 16 consensus National Players of the Year have come from the ACC. Since 1975, the ACC has had 16 consensus National Players of the Year — 13 more than any other conference. Nine of the ACC's 16 National Players of the Year were unanimous selections.

A year ago the ACC led all conferences with 53 players on NBA rosters. In addition, over the past three years 33 ACC players have made their NBA debuts, including 15 in 2006, eight in 2007 and 10 last year.

This past June the ACC had four players selected in the annual NBA draft. The ACC has had the most, or tied for the most, first round draft picks in four of the past seven years and in 10 of the last 16. Since 1986, the ACC has had 89 first round selections (17 more than any other conference) and has had at least one first round selection in 20 consecutive NBA drafts.

In 2007, the ACC became the first conference in NCAA history to have 10 teams finish the season with 20 or more wins. In addition, 10 ACC teams took part in postseason play, including an ACC-record seven NCAA Tournament teams.

For the first time in league history, the ACC surpassed the 2.4 million mark in attendance in 2006–07. The 12 league schools totaled 2,435,441 over 213 regular season games and six ACC Tournament sessions.

For the third consecutive year, the ACC surpassed the 2.2 million mark in basketball attendance in 2008, with the 12 league teams totaling 2,355,822 over 203 regular-season games and six tournament sessions.

The stature of ACC basketball is nowhere more clearly defined than by the league's regional and national television exposure. A record-setting 285 television appearances involving ACC teams, highlighted the 2007–08 basketball schedule, including 162 appearances on national television networks

THE CHAMPIONSHIPS

The conference will conduct championship competition in 25 sports during the 2008–09 academic year — 12 for men and 13 for women.

The first ACC championship was held in swimming on February 25, 1954. The conference did not conduct championships in cross country, wrestling or tennis during the first year.

The 12 sports for men include football, cross country, soccer, basketball, swimming, indoor and outdoor track, wrestling, baseball, tennis, golf and lacrosse. Fencing, which was started in 1971, was discontinued in 1981.

Championships for women are currently conducted in cross country, volleyball, field hockey, soccer, basketball, swimming, indoor and outdoor track, tennis, golf, lacrosse, softball and rowing.

A HISTORY

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedge-field Inn near Greensboro, N.C., with seven charter members — Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest — drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of by-laws was adopted, and the name became officially the Atlantic Coast Conference.

Suggestions from fans for the name of the new conference appeared in the region's newspapers prior to the meeting in Raleigh. Some of the names suggested were Dixie, Mid South, Mid Atlantic, East Coast, Seaboard, Colonial, Tobacco, Blue-Gray, Piedmont, Southern Seven and the Shoreline.

Duke's Eddie Cameron recommended that the name of the conference be the Atlantic Coast Conference, and the motion passed unanimously. The meeting concluded with each member institution assessed \$200.00 to pay for conference expenses.

On December 4, 1953, conference officials met again at Sedgefield and officially admitted the University of Virginia as the league's eighth member. The first, and only, withdrawal of a school from the ACC came on June 30, 1971, when the University of South Carolina tendered its resignation.

The ACC operated with seven members until April 3, 1978, when the Georgia Institute of Technology was admitted. The Atlanta school had withdrawn from the Southeastern Conference in January of 1964.

The ACC expanded to nine members on July 1, 1991, with the addition of Florida State University.

The conference expanded to 11 members on July 1, 2004, with the addition of the University of Miami and Virginia Polytechnic Institute and State University. On October 17, 2003, Boston College accepted an invitation to become the league's 12th member starting with the 2005–06 academic year

THE SCHOOLS

Boston College, founded in 1863 by the Society of Jesus to serve the sons of Boston's Irish immigrants, was the first institution of higher education in Boston. Originally located on Harrison Avenue in the South End of the city, the college outgrew its urban setting toward the end of its first 50 years. A new location was selected in Chestnut Hill, and ground for the new campus was broken on June 19, 1909. During the 1940s, new purchases doubled the size of the main campus. In 1974, Boston College acquired Newton College of the Sacred Heart, 1.5 miles away. With 15 buildings on 40 acres, it is now the site of the Law School and residence halls.

Clemson University is nestled in the foothills of the Blue Ridge Mountains near the Georgia border; and the tiger paws painted on the roads make the return to I-85 easier. The school is built around Fort Hill, the plantation home of John C. Calhoun, vice president to Andrew Jackson. His son-in-law, Tom Clemson, left the land to be used as an agricultural school, and in 1893 Clemson opened its doors as a land-grant school, thanks to the efforts of Ben Tillman.

Duke University was founded in 1924 by tobacco magnate James B. Duke as a memorial to his father, Washington Duke. Originally the school was called Trinity College, a Methodist institution, started in 1859. In 1892, Trinity moved to west Durham where the east campus with its Georgian architecture now stands. Nearby are Sarah P. Duke gardens, and further west the Gothic spires of Duke chapel overlook the west campus.

Florida State University is one of 11 universities of the State University System of Florida. It was established as the Seminary West of the Suwannee by an act of the Florida Legislature in 1851, and first offered instruction at the post-secondary level in 1857. Its Tallahassee campus has been the site of an institution of higher education longer than any other site in the state. In 1905, the Buckman Act reorganized higher education in the state and designated the Tallahassee school as the Florida Female College. In 1909, it was renamed Florida State College for Women. In 1947, the school returned to a co-educational status, and the name was changed to Florida State University.

Next to I-85 in downtown Atlanta stands **Georgia Institute of Technology**, founded in 1885. Its first students came to pursue a degree in mechanical engineering, the only one offered at the time. Tech's strength is not only the red clay of Georgia, but a restored gold and white 1930 model-A Ford Cabriolet, the official mascot. The old Ford was first used in 1961, but a Ramblin' Wreck had been around for over three decades. The Ramblin' Wreck fight song appeared almost as soon as the school opened; it is not only American boys who grow up singing its rollicking tune, for Richard Nixon and Nikita Khrushchev sang it when they met in Moscow in 1959.

The **University of Maryland** opened in 1856 as an agricultural school nine miles north of Washington, D.C.,

on land belonging to Charles Calvert, a descendant of Lord Baltimore, the state's founding father. The school colors are the same as the state flag; black and gold for George Calvert (Lord Baltimore) and red and white for his mother, Alice Crossland. Maryland has been called the school that Curley Byrd built, for he was its quarterback, then football coach, athletic director, assistant to the president, vice president, and finally its president. Byrd also designed the football stadium and the campus layout. He suggested the nickname Terrapin, a local turtle known for its bite, when students wanted to replace the nickname Old Liners.

The **University of Miami** was chartered in 1925 by a group of citizens who felt an institution of higher learning was needed for the development of their young and growing community. Since the first class of 560 students enrolled in the fall of 1926, the University has expanded to more than 15,000 undergraduate and graduate students from every state and more than 114 nations around the world. The school's colors, representative of the Florida orange tree, were selected in 1926. Orange symbolizes the fruit of the tree, green represents the leaves and white, the blossoms.

The **University of North Carolina**, located in Chapel Hill, has been called "the perfect college town," making its tree-lined streets and balmy atmosphere what a college should look and feel like. Its inception in 1795 makes it one of the oldest schools in the nation; its nickname of Tar Heels stems from the tar pitch and turpentine that were the state's principal industry. The nickname is as old as the school, for it was born during the Revolutionary War when tar was dumped into the streams to impede the advance of British forces.

North Carolina State University is located in the state capital of Raleigh. It opened in 1889 as a land-grant agricultural and mechanical school and was known as A&M or Aggies or Farmers for over a quarter century. The school's colors of pink and blue were gone by 1895; brown and white were tried for a year, but the students finally chose red and white to represent the school. An unhappy fan in 1922 said State football players behaved like a pack of wolves, and the term that was coined in derision became a badge of honor.

The University of Virginia was founded in 1819 by Thomas Jefferson and is one of the honors on his tombstone for which he wanted to be remembered. James Madison and James Monroe were on the board of governors in the early years. The Rotunda, a half-scale version of the Pantheon which faces the Lawn, is the focal point of the grounds as the campus is called. Jefferson wanted his school to educate leaders in practical affairs and public service, notiusttrainteachers.

Virginia Polytechnic Institute and State University was established in 1872 as an all-male military school dedicated to the original land-grant mission of teaching agriculture and engineering. The University has grown from a small college of 132 students into the largest institution of higher education in the state during its 132-year history. Located in Southwest Virginia on a

plateau between the Blue Ridge and Allegheny Mountains, the campus consists of 334 buildings and 20 miles of sidewalks over 2,600 acres. The official school colors — Chicago maroon and burnt orange — were selected in 1896 because they made a "unique combination" not worn elsewhere at the time.

Wake Forest University was started in 1834 on Calvin Jones' plantation amid the stately pine forest of Wake County. The Baptist seminary is still there, but the school was moved to Winston-Salem in 1956 on a site donated by Charles H. and Mary Reynolds Babcock. President Harry S Truman attended the ground-breaking ceremonies that brought a picturesque campus of Georgian architecture and painted roofs. Wake's colors have been black and gold since 1895, thanks to a badge designed by student John Heck who died before he graduated.

Otto Petty, who played on Florida State's 1972 NCAA Finalist team, holds the school record for assists by a sophomore with 227 during the 1970-71 season.

NCAA TOURNAMENT HISTORY

1967-68: Dave Cowens and Florida State make their first appearance in the tournament.

Led by sophomore Dave Cowens, Florida State made its first NCAA Tournament appearance during the 1967-68 season. The Seminoles finished the year with a 19-8 record after a 79-69 loss to East Tennessee State in the first round of the Mideast Regional. Cowens had an outstanding season averaging 18.8 points and 17.0 rebounds per game while hitting 53.8 percent (206-of-383) from the floor. Junior Jeff Hogan (15.8 ppg) and sophomore Jan Gies (12.7 ppg) also averaged in double figures for head coach Hugh Durham's second FSU team.

1971-72: The upstart Seminoles shock the college basketball world.

Entering the 1971-72 season, Florida State head coach Hugh Durham had one primary goal for his players. Said Durham prior to the season, "I want to get our players to play to their potential. If they do that, the wins will take

team in school history, winning a program-record 27 games against just six losses. The season culminated with an NCAA Mideast Regional Championship, a trip to the Final Four and a date with five-time defending national champion UCLA and legendary coach John Wooden in the national championship game. Along the way to the title game, Florida State knocked off perennial powers Minnesota, Kentucky and North Carolina. In the championship game, FSU fell just five points short of a national championship, going down 81-76 to the Bruins.

1977-78: Coach Hugh Durham takes his final Seminole team back to the tournament.

Florida State found its way back to the NCAA Tournament in head coach Hugh Durham's final season at FSU, 1977-78. The Seminoles rolled through the Metro Conference to win the league's regular season title with an 11-1 record before falling in the conference tournament title game to Louisville 94-93. FSU's season ended in the NCAA Mideast Regional when it lost to eventual national champion Kentucky 85-76. Harry Davis

capped his Seminole career by leading Florida State in scoring (19.5 ppg) and rebounding (7.4 rpg).

1979-80: Coach Joe Williams takes the Seminoles back to the tournament in only his second year.

The trio of guard Mickey Dillard, forward Murray Brown and center Elvis Rolle helped Florida State to its second postseason appearance in three seasons with its trip to the 1980 NCAA Tournament. The Seminoles posted a 22-9 record and finished as Metro Conference runners-up. FSU beat Toledo 94-91 in the first round of the NCAA Mideast Regional for its first postseason win in eight years before being eliminated by Kentucky. Dillard led Florida State with a 20.4 points per game scoring average while Brown (18.6) and Rolle (15.3) also averaged in double figures for head coach Joe Williams' club.

1987-88: Coach Pat Kennedy's Cinderella Seminoles return to the NCAA show after seven years.

Head coach Pat Kennedy's second team at Florida State returned to the NCAA Tournament after a seven-year

absence. The Seminoles' Cinderella season began with low expectations as the Tribe had been picked to finish near the basement of the Metro Conference standings. But two personnel decisions turned the season into a satisfying one for Seminole fans. The first was to move a previously overweight, seldom-used forward to point guard and the other was to offer a scholarship to a junior college transfer whose left leg was shorter than his right. The twosome — George McCloud (point guard) and Tony Dawson (junior college transfer) — transformed FSU

into an NCAA Tournament club that earned the 12th seed in the West Regional before falling to lowa 102-98 in the first round. McCloud (18.2 ppg) and Dawson (17.9 ppg) both averaged more than 17 points per game for the 19-11 Seminoles.

NCAA TOURNAMENT HISTORY

1988-89: FSU returns for second year in a row.

Florida State used the 1988-89 season to serve as a national coming-out party. The Seminoles topped one outstanding season with another, making the NCAA Tournament in consecutive seasons for the first time in school history. FSU, which returned four starters from the previous year, opened the season by winning 16 of its first 17 games, the best start in school history, and rose to as high as No. 8 in the national polls. The Seminoles also won the Metro Conference regular season crown, earned the fourth seed in the NCAA Southeast Regional and finished with a 22-8 record. George McCloud (22.8 ppg) and Tony Dawson (21.0 ppg) again led FSU by both averaging at least 21.0 points per game.

1990-91: Charlie Ward makes the difference, as Seminoles advance to second round.

After a one-year absence, Florida State returned to the NCAA Tournament in 1990-91. Heading into the season, most experts thought that it would be head coach Pat Kennedy's most challenging since coming to Tallahassee. The Seminoles struggled early in the season and opened the year just 5-5. But in game 11 head coach Pat Kennedy inserted Charlie Ward in the starting lineup at point guard and FSU began to surge. Florida State won 12 of its final 17 games and rolled through the Metro Conference Tournament in three games to claim its first tournament title in its final sea-

Bob Sura, Florida State's all-time leading scorer, played in the 1992 and 1993 NCAA Tournaments.

Tony Dawson led Florida State to the NCAA Tournament in both 1988 and 1989.

Tournament's Midwest Regional and defeated USC in the first round 75-72, for FSU's first tournament win since 1980. Florida State's season would end with a 21-11 record after a second-round loss to Indiana.

1991-92: Another Seminole Cinderella squad makes the Sweet 16.

Not many college basketball experts predicted that Florida State's first game and season in the Atlantic Coast Conference would be so successful. The Seminoles' first game turned out to be one of the greatest wins in school history and the season was one of the finest in program annals. FSU's ACC opener at North Carolina would provide a glimpse of what was to follow that season. Playing without star forward Doug Edwards and with just one senior on the roster, the Seminoles went into the Dean Smith Center and stunned the fifth-ranked Tar Heels 86-74 before more than 19,000. Florida State rolled

on to a 22-10 record, an 11-5 conference record and second- place finish, and an appearance in the NCAA Tournament's Sweet 16. Seeded third in the West Regional, FSU defeated Montana and Georgetown before giving Indiana everything it could handle in defeat

1992-93: Another step up the ladder: The Elite Eight.

One year after advancing to the Sweet 16 of the NCAA Tournament, the 1992-93 Seminoles did their predecessor one better — a trip to the Elite Eight. The second-most successful season in Florida State basketball history ended just 40 minutes shy of the Final Four with a loss to Kentucky in the Southeast Regional Championship Game. Led by the quintet of Sam Cassell, Rodney Dobard, Doug Edwards, Bob Sura and Charlie Ward, the Seminoles went 25-10, including a 12-4 mark in the ACC. Florida State's 25 wins were the second most in school history.

1997-98: In his first year, Coach Steve Robinson takes the Seminoles back to the big show.

Steve Robinson's first season as the Seminoles' head coach was a successful one as he took his team back to the NCAA Tournament. Florida State opened the season by winning 12 of its first 14 games, including an 84-79 win over defending national champion Arizona in Tallahassee. After a late season stumble, FSU picked itself back up in the first round of the NCAA Tournament's Midwest Regional. The Seminoles, seeded 12th, played one of their best games of the year in beating No. 5 Texas Christian 96-87. Florida State's season would end in the second round with a heart-breaking 83-77 overtime loss to Valparaiso and an 18-14 record.
