THE UNIVERSITY

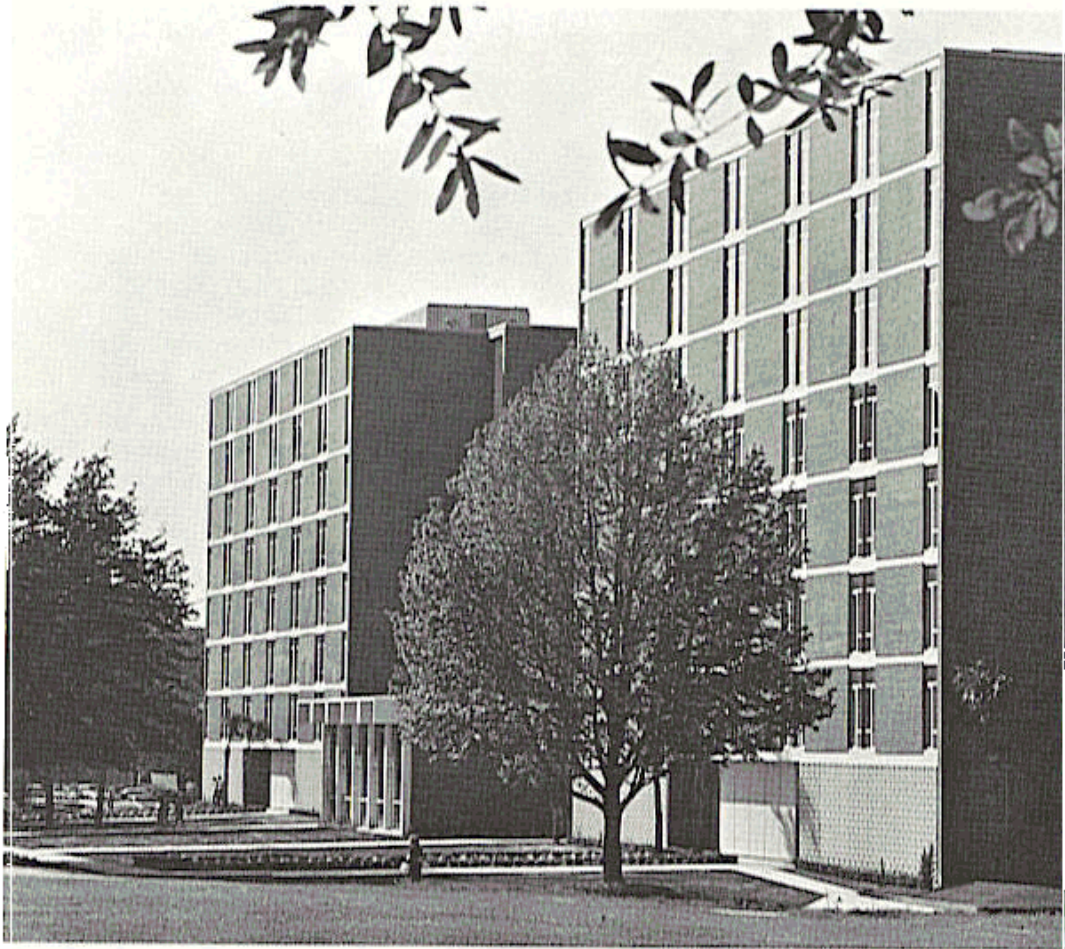

FLORIDA STATE UNIVERSITY

The true measure of quality in a University is not always found on the football field, though Florida State has enjoyed an increasing share of national attention in this area. To be sure, the University takes great pride in its heritage of "All Americas (Fred Biletnikoff, '64) and its share of the 1966 Nobel Prize Winner in Chemistry (Dr. Robert S. Mulliken). Yet, Florida State measures its greatest assets among the equally-talented and unsung athletes, professors and students whose day-to-day ability, enthusiasm and support makes possible the privileges of national and international acclaim for the great individuals among us.

It is this spirit—of inquiry, endeavor and follow-through—that best characterizes Florida State University—a spirit which has transformed the institution in one short score of years from a strong liberal arts college for women (until 1947) to a University of demonstrated national stature.

Characterized by phenomenal growth in new programs, record enrollments and constant physical expansion of the campus, the University's tradition of excellence makes every classroom, every football game and every research project a testing ground for innovation and a proving-ground for time-honored theories of education. Moving rapidly into its

designated role of leadership as a senior university in Florida's system of public higher education, the University is preparing to educate some 28,000 students by the end of 1975.

The current fall enrollment of 1967 stands at nearly 16,000 students; and by 1975, the expected 28,000 students will include 7,500 graduate students among their number as Florida State continues to expand the limits of "higher" learning to the levels demanded by the state's industrial, economic and population growth.

As one of the nation's few institutions granting more than 150 doctoral degrees each year, Florida State's responsibilities for advanced, post-graduate research and post doctoral study will play an increasingly important part in its development in the decade ahead.

Founded in 1857, Florida State University sums up its 110th year of public service to higher education with pride and confidence in programs attuned to the needs of the century to come. Visitors will find the excitement of a commitment to the 21st Century in each of the University's Colleges and Schools (Arts and Sciences, Education, Home Economics, Music, Librarianship, Business, Nursing, Social Welfare, Engineering Science and Law)—and, of course, on the football field as well.

DR. JOHN E. CHAMPION

President, Florida State University

One of the growing number of young university presidents in America, Dr. John E. Champion, at 45, is the youngest of 10 chief executives in the University's 110-year history and the fourth distinguished educator to serve as full-time president of the University since it achieved university status in 1947.

Appointed to the presidency on June 22, 1965, Dr. Champion has been associated with Florida State since 1956—serving first as a professor of accounting and assistant dean of the School of Business,

and prior to the presidency, as the University's first vice president for administration.

The president's academic background includes bachelor's (1942) and master's (1949) degrees in business administration from the University of Georgia, which honored him in 1966 with a Distinguished Alumnus Award from its Graduate School of Business Administration. He also holds the Ph.D. degree in business administration from the University of Michigan (1960), and professional memberships in the American Accounting Association and the American Institute of Accountants. He has been a Certified Public Accountant since 1952. He is co-author of a principal textbook, **Accounting in Business Decisions**, with Dr. Homer A. Black, a fellow Florida State professor.

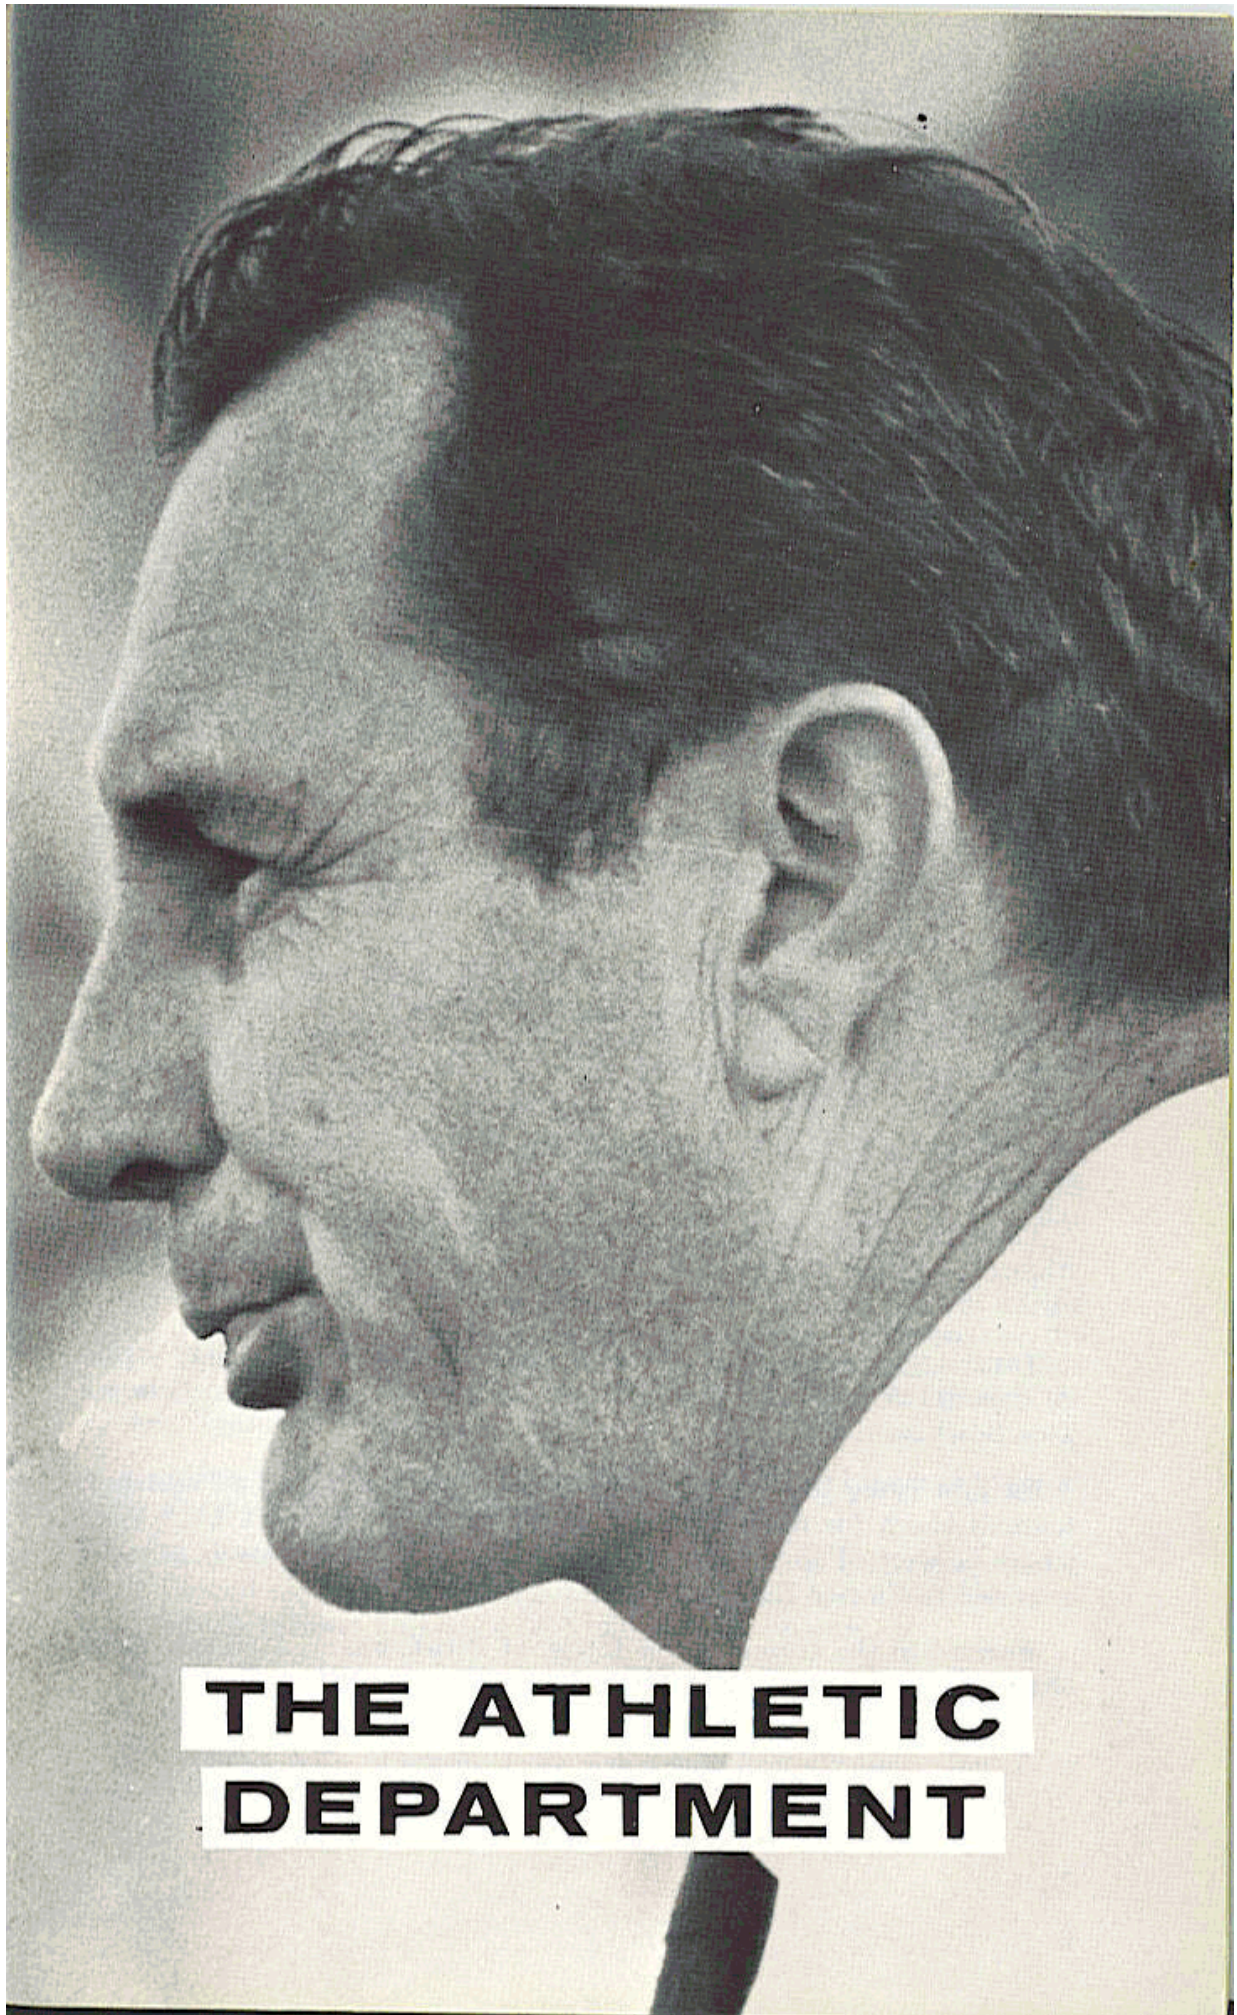

Among the expanding list of honors accorded to Dr. Champion in his teaching and administrative careers at the University of Georgia (1948 to 1956) and at Florida State are memberships in Phi Beta Kappa, Phi Kappa Phi, Beta Gamma Sigma, Omicron Delta Kappa, Gold Key, Alpha Phi Omega, Beta Alpha Psi, Delta Sigma Pi and Kappa Delta Pi. Active in numerous campus organizations at Florida State, he served as president of the Alpha of Florida Chapter of Phi Beta Kappa in 1961-62.

A recent honor to come his way are the Republic of Panama's award of the Grand Cross of the Order of Vasco Nunez de Balboa—recognizing his contributions and leadership in Florida State's student and faculty exchange program with the National University of Panama.

Dr. Champion was born in Chipley (now called Pine Mountain), Ga., on May 11, 1922, and was valedictorian of the 1939 graduating class of Chipley High School. Following graduation from the University of Georgia, he served in the U. S. Army infantry and as a quartermaster officer, receiving a special commendation for outstanding service performed with the South Pacific Base Command.

Married on June 4, 1955, Dr. and Mrs. Champion (the former Mary Lanier of West Point, Ga.) have two children—Sally Lanier, 11, and John E. Jr., 9.

Active in civic organizations, President Champion is a deacon in the Faith Presbyterian Church in Tallahassee and a member of the Tallahassee Rotary Club, Tallahassee Chamber of Commerce and the Tallahassee chapter of the Torch Club—an international society devoted to interchange of opinion and understanding among men of different professional groups. He has been an active officer in several United Fund campaigns in Leon County and recently was elected to the Board of Directors of the Tallahassee Bank and Trust Co.

**THE ATHLETIC
DEPARTMENT**

DIRECTOR OF ATHLETICS

VAUGHN MANCHA

Vaughn Mancha is in his eighth year as Director of Florida State's broad Intercollegiate Athletic Program. Since his appointment in 1959 to this important responsibility the athletic program has grown and prospered to the point of bringing Florida State's athletics to National prominence.

In his time the scholarship program, the sports schedule, as well as the facilities, have been greatly improved.

One of Mancha's chief concerns has been improvement of staff, program and facilities. In his tenure Campbell Stadium has grown from 15,000 to 40,500 capacity with a modern press box; an athletic field house and the latest project, furnishing Florida State with the installation of a modern lighted baseball field which was completed this spring. Future attention is being given to a large coliseum for basketball.

In his short tenure one of his chief goals was the upgrading of the scholarship program to match the other institutions in the country, as well as build a sports schedule with the best competition possible in the Southeast.

Mancha's ultimate goal is to provide the University Students, Alumni and Supporters with the strongest over-all athletic program in the country.

Mancha graduated from the University of Alabama in 1948 where he received All-America football honors and played on three Crimson Tide Bowl teams.

He first came to Florida State in 1952, and served as an assistant football coach for five years. After two years at Columbia University where he worked on his doctorate, and was an assistant coach, Mancha returned to Florida State as Athletic Director.

Married to the former Sybil Little, of Birmingham, Alabama, Mancha is the father of three children, Clare, Nan and Dit.

HEAD FOOTBALL COACH

BILL PETERSON

Since he became Florida State's fifth modern-day football coach in 1960, Bill Peterson has taken giant strides to lift the struggling independent university from the ranks of Southeastern football mediocrity.

In 1964, playing with the first team recruited entirely by his staff, Peterson coached the Seminoles to an 8-1-1 record and a 36-19 victory over Oklahoma in Jacksonville's Gator Bowl.

The 1964 team compiled the best record of any Florida State team since the Seminoles began playing a major college schedule in 1955. It also produced the Tribe's first victory over cross-state rival Florida, and the school's first consensus All-America, Fred Biletnikoff.

While building a strong foundation for Florida State's gridiron future, Peterson has made the Seminoles one of the nation's most exciting football teams. He believes in a pass-oriented, pro-type offense, combined with a hard-nosed gambling defense, and his Seminoles have ranked high in both categories.

In 1966 Peterson directed an exciting sophomore and junior laden team to a 6-4 record and a shot at Wyoming at the Sun Bowl in El Paso. This club, led by quarterback Gary Pajcic and flanker Ron Sellers, equalled or broke many of the 1964 club's records.

In 1963 and again in 1964 Peterson was selected "Coach of the Week" by one of the nation's leading wire services. He received the honor following Florida State's 24-0 victory over Miami in the 1963 opener, and again in '64 when the Seminoles downed the then fifth-ranked Kentucky Wildcats.

A native of Toronto, Ohio Peterson was an end and team captain at Ohio Northern University, graduating in 1946.

He was offensive line coach at Louisiana State University under Paul Dietzel and is credited with the procurement and development of many of the players on LSU's 1958 national champions.

The Seminole head coach has done graduate work at both West Virginia and LSU. He is a member of the Methodist Church.

He and his wife Marjorie have five sons: Ron, Tommy, Jon, Billy and David.

BOB HARBISON

Defensive Chief

This will be the Evansville, Ind., native's 19th year at Florida State.

The former University of Indiana guard under the late Bo McMillian heads up the Seminole defensive, a task he undertook in 1964, the year of the "Seven Magnificents."

Harbison came to Florida State in 1948, two years after the school's first football team. He has served under four head coaches—Don Veller, Tom Nugent, Perry

Moss and Bill Peterson.

Bob is considered an outstanding scout and recruiter.

He and his wife, Jayne, have four children.

DON BREAU

Offensive Chief

The former San Diego Charger quarterback has replaced the departed Bill Crutchfield as leader of the Seminoles' offense.

This will be only his second year of coaching, but Breaux' knowledge of the prototype attack fits in well with Florida State's wide open offense.

Don played college ball at McNeese State in Lake Charles, La. and was an All-Gulf States quarterback for three years. He broke all the school's passing records before graduating in 1961.

He signed with the Houston Oilers of the AFL but was released and played one season with the Jacksonville Robins. San Diego signed him in 1961 and he stayed until coming to Florida State in 1965.

Last season he was in charge of the receivers and helped develop Ron Sellers.

He and his wife, Harleen, have two children.

NEIL SCHMIDT

Offensive Backfield

The former star Purdue athlete starts his third season at Florida State.

After coaching the defensive backs last fall, Neil is in charge of the offensive backfield this year.

He was an outstanding football halfback and basketball guard at Purdue, receiving his bachelor's degree in 1951 and his master's from Bowling Green in 1955.

During World War II, he was a member of the Seabees in the South Pacific and was awarded a battle star on Okinawa. Following his discharge he returned to Bluffton, Ohio, where he finished high school as was all-state in football and basketball.

Before coming to Florida State, he was an assistant at Wichita and Texas A&M.

Neil and his wife, Rosemary, have two children.

BOBBY JACKSON

Defensive Ends, Linebackers

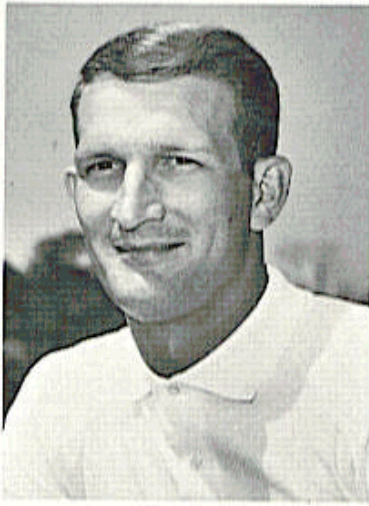

The former Howard College grid star will handle Florida State's defensive ends and linebackers this fall.

This will be Coach Jackson's second season as a full-time Seminole coach. He joined the Florida State staff in 1965 as a graduate assistant following two years at Shades Valley High School in Birmingham.

He was a Little All-America halfback at Howard College (now Samford University) and set numerous school rushing records. He gained over 2,000 yards as a ball carrier.

A native of Forsythe, Ga., he graduated in 1962 and got his Masters Degree from Peabody College in Nashville, Tenn.

He and his wife Nancy have one son.

GARY WYANT

Defensive Backfield

This will also be Coach Wyant's second year on the Seminole staff.

Last season he handled the linebackers but this fall will direct the defensive backs.

The Wichita native was a standout quarterback during his prep days at East High, guiding his club to the Arkansas Valley championship as a sophomore in 1956. He was also a baseball standout and won the state individual battle crown in '58.

At the University of Wichita, Gary began his gridiron career as a quarterback but soon became a defensive specialist. He was a member of the Schocker clubs which won the Missouri Valley titles in 1960-61 and also captured the Sun Bowl game in '61.

Following graduation, he joined the Wichita staff as a graduate assistant and eventually moved into a full-time role. Before coming to Florida State he was first assistant and defensive chief.

Gary and his wife Betty have two children.

JOE GIBBS

Offensive Line

Joe is the latest addition to the Florida State staff, coming here from San Diego State.

He was the offensive line coach last season when the Aztecs won the National Small College Championship.

Joe attended Sante Fe Springs High School in Los Angeles where he was All-League in football, baseball and basketball. Next stop was Cerritos Junior College

where he played tight end.

At San Diego State, the versatile gridder performed at linebacker, center, guard and end before graduating in 1963.

He and his wife Pat have no children.

GENE McDOWELL

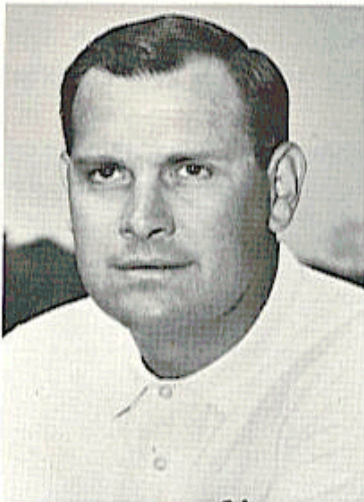

Freshman Coach

One of the finest linebackers ever to play for the Seminole, Gene is starting his second year as frosh mentor.

A native of Quincy, he played his high school ball in Waycross, Ga. At Florida State, he was named to the Associated Press third team All-America in 1962 and voted the Seminole's most valuable player.

Following graduation, Gene spent two years with the Army Military Police on Okinawa before returning to Florida State in 1956 as a graduate assistant.

He is a bachelor.

DOUG HAFNER

Head Recruiter

Doug comes to Florida State from the American Football League Oakland Raiders where he was chief talent scout.

The Mineola, N. Y., native graduated from the University of Miami in 1957 and continued at the school to receive his Masters Degree in 1961. While he was getting his Masters, he was assistant coach in football and baseball for the Hurricanes. In 1962 he went to Tulane to guide the Greenie freshman footballers and varsity baseball team.

In 1964, he returned to Florida for an assistant's job at Coral Gables High School. He played a key part in helping make Coral Gables the state prep football champion for two straight years. Seminole quarterback Tommy Warren played under Hafner.

He is a bachelor.

DON FAULS

Head Trainer

This will be popular Don Fauls' 12th year at Florida State where he has soothed Seminole ailments.

A former trainer in the St. Louis Cardinal baseball farm system. Don is a native of Ithaca, N. Y. He graduated from Ithaca College with a degree in physiotherapy before moving into professional baseball.

Affectionately known by present and past Seminoles as "Rooster," Don did extensive hospital and clinic work before coming to Florida State in 1954.

He and his wife Marg have three children.

ROY DON WILSON

Assistant Trainer

This will be the Texans' second year under Head Trainer Don Fauls at Florida State.

He attended high school in Ft. Worth, his home town, and then graduated from Texas A&M in 1964.

After graduation, he was a teacher and athletic trainer at an Odessa, Texas, high school.

He and his wife Pat have one son.

TILLMAN DIXON

Equipment Manager

"Mr. Dix" has been handling football equipment for Florida State football players 14 years.

He is in charge of all buying and upkeep of Seminole grid gear and had a guiding hand in building the modern football field house. His design of the comfortable locker room setup is one of the many highspots of his career.

He and his wife Johnnie have no children.

KEN MACLEAN

Assistant to the Athletic Director

The Florida State graduate moves to administration from the football office where he served as head recruiter for three seasons.

The former Seminole halfback is a Quincy native who also played at Florida before moving to Florida State. He was the Seminoles' leading ground gainer in 1948-49.

Following his graduation, he was a successful high school coach. Under his leadership, Florida High had a record of 61-17-4. His 1961 Demons were undefeated and unscored on in 10 games.

Ken and his wife Bess have four children.

JEFF SAVAGE

Academic Counselor

It is this North Carolina native's job to counsel athletes at Florida State—one of the most important duties in the department.

He holds a BS and MA in history and physical education from Appalachian Teachers College in Boone, N. C., and he has done some doctoral work at Florida State.

He taught and coached in North Carolina and Florida before coming to Florida State as Internship Coordinator in the School of Education.

He and his wife Peggy have one child.

LONNIE BURT

Sports Information Director

He came back to his alma mater last September after 16 years as a sports writer with the St. Petersburg Times.

He joined The Times in 1950 where he wrote major league baseball and college football (Florida State) primarily.

He was among the first group of men to enroll at Florida State.

Lonnie and his wife Sally have two children.

HANK SCHOMBER

Assistant Sports Information Director

The first full-time assistant in the Sports Information Department. Hank assumed his duties following his graduation in June of this year.

He has served as a correspondent for several of the state's papers, and was sports editor of the school paper, the **Florida Flambeau**, for a year before starting to work part-time in the athletic department.

He is married and he and his wife Judy are expecting their first child in November.

CLAUDE THIGPEN

Ticket Manager

The vast and involved business of selling and distributing athletic tickets is Claude's job.

He also supervises the Campbell Stadium gate operation during football game days.

A 1947 graduate of Greenville High School, he worked in the athletic accounting office seven years before becoming ticket manager.

**THE 1967
SEMINOLES**

THE SEMINOLE

Florida State boasted an impressive aerial attack in 1966 and unless something unforeseen happens, the Seminoles will travel primarily by air again this fall.

The Seminoles have the same set of passers and receivers returning, including last season's sensational pitch and catch combination of quarterback Gary Pajcic and All-America flanker candidate Ron Sellers.

Added to this talented twosome are such outstanding passers as quarterbacks Kim Hammond, Bill Cappleman and Phil Hiatt along with top-notch receivers Thurston Taylor, Chip Glass, T. K. Wetherell, Billy Cox, Lane Fenner and Phil Abraira.

In 1966, the Seminoles averaged 246.7 yards per game in the air and 374.6 overall. Florida State was fourth in the nation passing and No. 6 in total offense.

One of the prime reasons Pajcic and Hammond had such outstanding success last fall was the protection they received by the offensive line. Therein lies a problem.

The middle of Florida State's offensive was lost by graduation. Gone are center John Stephens, guards Del Williams and Edwin Pope along with tackle Larry Kissam. Their replacements pose a problem for Coach Bill Peterson, beginning his eighth season as the Seminole football leader.

Another troublesome spot is fullback, vacated when Jim Mankins graduated.

Peterson moved a pair of talented performers from defense to offense before spring practice and they responded favorably. Larry Pendleton was switched from middle to offensive guard and Wayne McDuffie shuffled from defensive end to center, a position the Hawkinsville, Ga., senior played as a sophomore.

Ken Hart was a No. 2 offensive guard on last season's Seminole Sun Bowl outfit and moves up a notch with ease. Battling for one of the offensive tackle spots are Wayne Johnson, one of the most improved linemen on the squad, and Billy Rhodes, a junior who saw considerable action last fall.

Jack Fenwick started at offensive tackle as a sophomore and has improved along with adding poundage to a 6-4 frame. Red Shirt Tony Sewell will provide backup strength.

Peterson thinks Thurston Taylor and Chip Glass are as good a one-two tight end punch as there is in the country.

Billy Cox and T. K. Wetherell will wage a battle for the split end berth and sophomore Phil Abraira comes to the varsity after an outstanding freshman season.

OUTLOOK IN 1967

Sellers is in a class by himself as the flanker back and will get serious All-America consideration this fall as a junior. Lane Fenner adds depth to the position.

Junior Johnny Hurst and senior Donovan Jones are the fullback considerations along with Terry Eagerton, a red shirt in 1966.

Bill Moremen was voted the most improved back following spring practice and he is far ahead of the pack at left half. Sophomore Ed Chereschkoff and junior Billy Gunter will spell the Daytona Beach senior.

The Seminole defenders will be lighter than the 1966 club, but hopefully, they'll be quicker. One of the main reasons so many long distance aeri-als were completed against Florida State last season, was the lack of a good pass rush.

There should be marked improvement shown in this department this fall. Sophomore tackle Frank Vohun and middle guard Mike Bugar have the quickness to bother enemy passers and so does 235-pound Chris Palmer, if he can make the adjustment of switching from full-back to tackle.

Joe Kinnan has the advantage of starting last season at defensive tackle, and 6-6, 240-pound Jeff Curchin showed some ability during spring drills.

Sophomore Ron Montford will be Bugar's backup man at middle guard, a position which lacks depth.

Peterson calls Mike Blatt "the South's best linebacker" and Chuck Elliott is not far behind. The Rice twins, Barry and Beryl, will back the line for the No. 2 unit although neither has varsity experience.

Seniors Jerry Jones and Bob Menendez have the inside track at defensive ends although junior Doug Gurr and sophomore Floyd Ratliff will contest the position along with junior college transfer Richie Jones.

The Seminoles will have some experience in the defensive secondary this fall with Clint Burton, Walt Sumner and Chuck Eason returning from last year's starters. Larry Green has been switched from running back to defense and responded well during the spring.

Bobby Lent, another junior college transfer, will give depth to the position as will Charlie Huggins, John Crowe, Mike Page, Howell Montgomery and Hal Hodges.

Sophomore Grant Guthrie appears to be ahead of his competition in the place kicking department while Taylor and sophomore Bill Cheshire are the cream of the punting crop.

OFFENSIVE ENDS

BILLY COX, 20, Jr., 6-1, 182, Atlanta, Ga., 1VL. After being red shirted in 1965, this former Georgia All-State halfback overcame an early season injury and turned in some fine performances late in the '66 campaign. He was the squad's third leading receiver with 18 catches for 290 yards. He is dependable and disciplined with an exceptional knowledge of the game. He rarely makes mistakes. He divided the split end duty last season with T. K. Wetherell.

T. K. WETHERELL, 22, Sr., 5-10, 185, Daytona Beach, 2VL. This former Mainland High standout is one of the most exciting performers on the club. His touchdown-kickoff return against Miami was one of the highlights of 1966. Another outstanding play for T. K. last fall was his touchdown reception against Wyoming in the Sun Bowl. An exceptional student, T. K. carried a perfect 4.0 grade average during the first trimester this year. Last season, he caught 16 passes for 215 yards. He was a teammate of halfback Bill Moremen at Mainland. T. K. and cheerleader Peggy Thompson were married in May.

THURSTON TAYLOR, 21, Sr., 6-2, 222, Atlanta, Ga., 2VL. This big Georgian is a definite pro prospect. He was the Seminoles' second leading receiver in '66 although he split the tight end duty with Chip Glass. The former North Clayton High School athlete hauled in 28 passes for 366 yards. He caught the winning touchdown aerial against Miami, one of three TD receptions he made in 1966. His blocking improved as the season progressed and he is a strong runner once he's made the catch. He took over the punting duties late in '66 and averaged 40.9 yards on eight boots. He'll most likely do the kicking this fall.

CHIP GLASS, 20, Jr., 6-4, 225, Tampa, 1VL. He, along with Taylor, gives Florida State as good a one-two tight end combination as there is in the country. For a big man, Chip has exceptional speed. He had a fine spring practice and improved his blocking. His sure hands helped him catch 13 passes for 135 yards and one touchdown last fall. Coaches agree that the former Chamberlain High stickout will be a top professional candidate after he graduates. During spring scrimmages, he caught the ball extremely well under heavy coverage.

Abreira

J. Jones

Menendez

Gurr

PHIL ABRAIRA, 19, Soph., 6-0, 180, Ft. Lauderdale, Frosh. Add this name to Florida State's great receiving corps. He was a standout receiver for the freshmen last season and also doubled as a defensive halfback. In four frosh contests, the ex-former Ft. Lauderdale High star caught 18 passes good for 293 yards and four touchdowns. He was named to the All-Southeastern freshman team. He looked even better during the spring, before an injury slowed him down. He will definitely log playing time this fall and could make a run for a starting berth. He compares favorably with Ron Sellers as a deep receiver.

DEFENSIVE ENDS

JERRY JONES, 22, Sr., 6-1, 193, Jesup, Ga., 2VL. This tough Georgian started some games last fall after playing split end for the Seminoles in 1965. In fact, Jerry scored the go-ahead touchdown against Florida in '65 on a pass from quarterback Ed Pritchett. He had an outstanding spring practice and was considered the most improved defensive end. His quickness helps him get to the ball in a hurry and also rush the passer. If he gains some strength over last season, he'll be a tough Seminole to handle.

BOB MENENDEZ, 22, Sr., 5-10, 195, Key West, 1VL. When he was physically sound last fall, he was a starter and did a fine job. He also enjoyed a good spring practice. He played on the 1964 Gator Bowl club as a defensive back. Lacks size but makes up for this with determination. He's a real competitor who likes to hit. Has excellent spirit on the field and is a real comic off the gridiron.

DOUG GURR, 20, Jr., 6-2, 195, Albany, Ga., 1VL. This Albany toughie was a starter through most of the season although he eventually wound up with a knee injury which required surgery after the season. Some think he can be first string this fall. So naturally, he's being counted on heavily. After checking the films, it was Gurr, not Dave Braggins, who recovered Doug McGee's fumble which saved last year's victory over Miami. The 192 pounder is an outstanding pass rusher. He missed spring practice due to the knee operation.

Ratliff

R. Jones

Fenwick

Johnson

FLOYD RATLIFF, 19, Soph., 6-4, 195, Jesup, Ga., Frosh. Had an outstanding spring practice after a freshman year which saw him perform admirably as a linebacker. Is extremely tough and pursues the play well. It was not uncommon during the spring to see the tall Georgian come from the weak side end to overtake the ball carrier on a sweep. Has great speed and is a hard worker. Has the tools to be a future all-star.

JIM RUST, 20, Soph., 6-3, 206, Ft. Lauderdale, Frosh. Coaches think Jim can be a star of the future—maybe this season. Has all of the tools—speed, size and quickness. Was a starter during some spring practice sessions. But he still needs work and experience. Must learn to concentrate and dedicate himself. Should see plenty of action this fall.

RICHIE JONES, 21, Jr., 6-0, 203, River Vale, N. J., JC. Came from Pratt Junior College in Kansas. Spent most of the spring learning Florida State's defenses. Has toughness and size. One of biggest defensive ends. May be tried at defensive tackle when fall practice begins.

OFFENSIVE TACKLES

JACK FENWICK, 21, Jr., 6-4, 225, Norwood, Ohio, 1VL. Was a starter as a sophomore. Experienced exceptional moments. Needs more consistency. Was the interior line leader. Should play around 230 pounds this fall as compared to 217 last season. Added weight will mean more strength. Has desire and hustle along with year's experience. Must work on his pass protection.

WAYNE JOHNSON, 20, Soph., 6-3, 230, Macon, Ga., Frosh. Most pleasant surprise of the spring. Came from virtually unknown to starter. Very strong. Is the best pass blocker among tackles. Takes advice easily, therefore very coachable. Was offensive tackle on freshman squad last season.

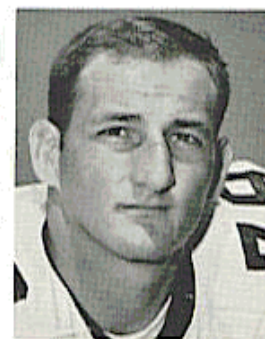

Sewell

Rhodes

Curchin

Vohun

TONY SEWELL, 21, Soph., 6-5, 220, Union Springs, Ala., RS. Showed so much promise during spring that he started some scrimmages. Was red shirted last season. Has frame to be ideal college tackle and has the speed to get job done. Is a hard worker. Could develop into exceptional blocker with experience.

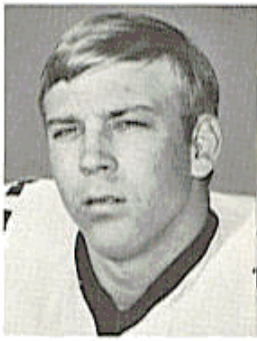

BILLY RHODES, 20, Jr., 6-2, 244, Eustis, 1VL. Played on the No. 2 offensive line in 1966 but performed enough to letter. Missed spring practice. Probably the strongest among offensive tackles. Is extremely big from waist up. Will be about 15 pounds heavier than last season. Key figure.

JEFF CURCHIN, 19, Soph., 6-6, 247, Ocala, RS. Was held out last year due to illness. Biggest man on the squad. Started spring practice on defense before suffering injury. Will switch to offense this fall. With experience could become outstanding tackle. Was standout in basketball as well as football in high school. Also played freshman basketball at Florida State.

DEFENSIVE TACKLES

FRANK VOHUN, 20, Soph., 6-3, 223, Brooksville, RS. Already considered all-star candidate. Has speed and size to play against any Florida State competition. Has great quickness. Fits defensive tackle position like it was made for him. Red shirted in '66 and switched to defense from offense this spring. Matured during spring practice. Fine pass rusher. Touted as one of best sophomore prospects in the South.

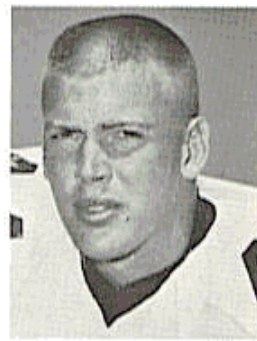

JOE KINNAN, 22, Sr., 6-0, 206, Bradenton, 1VL. One of the squad's most durable performers. He's small for a tackle, but makes up for the lack of size with desire and hustle. Very coachable and extremely smart. Carries a high grade average. Transferred from Duke and was held out one year. Started part of last season.

Kinnan

Zion

Palmer

Hart

HARVEY ZION, 20, Jr., 5-11, 212, Atlanta, Ga., 1VL. Hits a good lick at the point of attack. Has exceptional leadership ability. Very hard worker. Will make good backup man.

CHRIS PALMER, 23, Jr., 6-3, 235, Poway, Calif., JC. Junior college transfer who started spring practice as a fullback. Was switched to defensive tackle mid-way through spring drills and adjusted remarkably well. Has tremendous speed for his size. Showed he could rush the passer during scrimmages. He'll battle Kinnan for one of the tackle spots. Lack of experience at new position may hurt him early in season.

DUKE JOHNSTON, 19, Soph., 6-1, 229, Ft. Lauderdale, Frosh. Was a non-scholarship player on the freshman team but performed so well he was given a grant-in-aid this spring. Named to All-Southeastern freshman squad last season by the Atlanta Journal. Could be switched to another position in fall practice. Very strong boy. High school coach was former Florida State star Duke Maltby.

OFFENSIVE GUARDS

KEN HART, 21, Jr., 6-3, 217, Groveland, 1VL. One of Florida State's brightest spots in the offensive line. Saw considerable action last season as a sophomore. One of strongest boys on the squad and one of the smartest. As a high school senior, was state scholar-athlete of the year. Carries 3.6 college grade average. Has potential of being an all-star.

LARRY PENDLETON, 21, Jr., 6-0, 206, Winter Garden, 1VL. Was starter as middle guard on last year's Sun Bowl club. Adjusted to new position extremely well during spring drills. Has outstanding quickness and speed and is dedicated to the game. Hard-nosed. Leads sweep better than any Seminole guard. Makes up for lack of size with quickness. Can be counted on for 100 percent effort in every game.

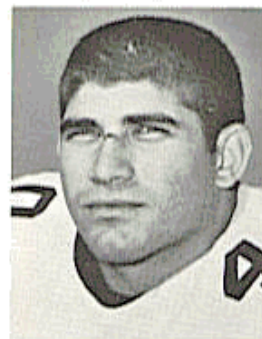

Pendleton

Lohse

Walker

Blatt

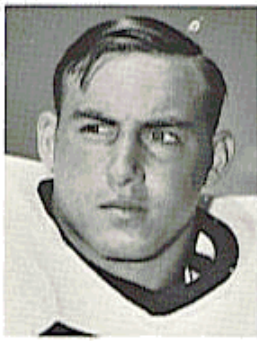

HENRY LOHSE, 20, Soph, 6-3, 203, St. Petersburg, RS. Picked up valuable experience last season as a red shirt. Has frame to carry more weight. An intelligent performer who accepts coaching well. Needs experience and some added weight which will mean more strength. Showed promise during the spring when he ran on the No. 2 unit. Younger brother is on freshman squad.

RICHARD McLEAN, 21, Jr., 6-0, 189, Holly Hill, Squad. Was sprinter on the track squad, thus missed spring drills. Ran a 9.9 100. By far, fastest lineman on squad. Has speed and ability, needs experience and durability. Hasn't been able to find right position. Hopefully, guard is his spot.

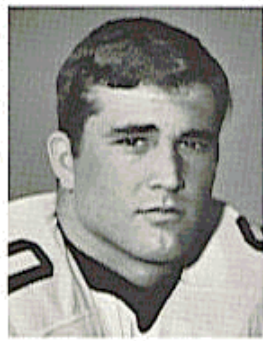

STAN WALKER, 19, Soph., 6-2, 210, Tallahassee, Frosh. Another pleasant surprise who made great strides during spring practice. Gained full scholarship with his spring work and will be the No. 3 offensive guard going into fall practice. Has speed and toughness. Works hard. With added strength, could be a starter.

LINEBACKERS

MIKE BLATT, 21, Sr., 5-11, 203, Key West, 2VL. Tagged "best linebacker in South" by Coach Bill Peterson. Always near the ball and delivers tremendous lick. Hardest tackler on squad. Forced two fumbles on red dog last season to set up touchdowns against Texas Tech and Mississippi State. Named "Savage Award" winner by coaches for his outstanding 1966 defensive play. Was first string fullback following 1965 spring drills before being converted to linebacker. Intercepted two passes last year. Syracuse players called him best linebacker they faced during regular season. Definite All-America caliber.

Elliott

Barry Rice

Beryl Rice

Benson

CHUCK ELLIOTT, 21, Jr., 6-0, 197, Troy, Ohio, 1VL. Another converted fullback with fine speed. Showed great improvement during spring drills. Started some games as a sophomore. Fastest Seminole linebacker with good quickness. Exceptional pass defender. Coaches feel the more he plays the better he'll get.

BARRY RICE, 19, Soph., 6-1, 188, Fernandina Beach, Frosh. Half of Florida State's linebacking twins. Good athlete and steady competitor. Fine lateral movement with exceptional quickness. Played halfback in high school.

BERYL RICE, 19, Soph., 6-1, 186, Fernandina Beach, Frosh. Barry's identical twin. Possibility he may see some action at defensive end, his position on the freshman team. Has same assets as his brother.

JOE BENSON, 22, Jr., 5-10, 197, Birmingham, Ala., 1VL. Sophomore letterman. Missed most of spring practice due to ankle injury. Has potential of becoming good linebacker. Defends well against passes. Extremely smart on the field. Needs experience.

BOBBY BURT, 20, Soph., 6-0, 201, Cairo, Ga., Frosh. Played some defensive end near end of spring drills and might wind up there this fall. Shoulder injury hampered his spring work. Has size and speed to perform well no matter where he plays. Loves to hit. Needs playing time to be a good one.

Burt

McDuffie

Mosley

Bugar

CENTERS

WAYNE McDUFFIE, 23, Sr., 6-2, 223, Hawkinsville, Ga., 2VL. Another candidate for all-star honors this fall. One of the most versatile players in Florida State history. Started out as center, moved to defensive end one week before Houston game last fall and now is back at center. Will turn in outstanding performance at any position. Silent leader of squad. Best pass protector on team. Senior year should be his best.

TED MOSLEY, 20, Jr., 6-2, 202, Tampa, Squad. Played some as sophomore but not enough to letter. Should make good backup center this fall. Has good strength and is dedicated. Must improve his blocking.

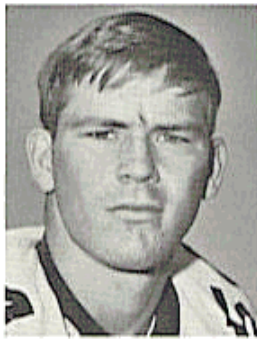

BILL HUGHES, 19, Soph., 6-1, 221, Rockledge, Frosh. Showed improvement during spring drills but needs playing time badly. Could be red shirted.

MIDDLE GUARDS

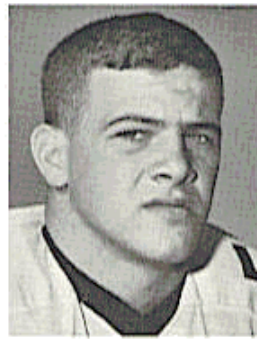

MIKE BUGAR, 21, Jr., 5-10, 203, Youngstown, Ohio, RS. Injured his knee before fall practice last year and was red shirted following surgery. One of spring practice highlights was this hard-nosed lineman's performance. Exceptional quickness and speed with great ability to rush the passer. In certain defenses, he'll become third linebacker. Has a nose for the ball and loves combat. Was a high school quarterback. Has potential to be outstanding if he can stay healthy.

RON MONTFORD, 19, Soph., 6-0, 195, Blountstown, Frosh. His quickness makes him top middle guard prospect. Showed his potential with outstanding spring practice. Was a back during prep career. Is tough and has good lateral movement to make up for lack of size.

BILLY JOE JANES, 20, Soph., 6-1, 206, Pensacola, RS. Moved to present position before start of fall practice. Performed as linebacker during most of spring drills. Has toughness.

Montford

Pajcic

Hammond

QUARTERBACKS

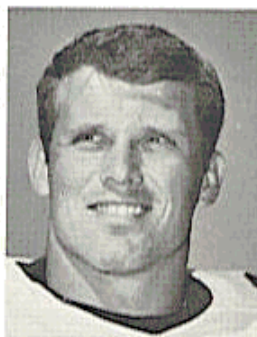

GARY PAJCIC, 20, Jr., 6-2, 192, Jacksonville, 1VL. Prime prospect for All-America consideration following a great sophomore year in which he broke numerous Seminole passing records. The former Jacksonville Paxon star began the season behind Kim Hammond but gained starting status following a great performance against Miami when he passed the Seminoles to a 17-point second quarter. As a super soph, Pajcic completed 125 passes in 232 attempts for 1,590 yards. His completions were 15th among major college passers and tops for a sophomore. He shattered the school total offense record with 1,590 yards passing and 145 rushing. His 28 completions in 53 attempts against Virginia Tech last fall were both new school marks. An outstanding "third down" quarterback who gets better as the pressure mounts. Hampered somewhat late last year by a sore arm which carried over into spring practice.

KIM HAMMOND, 23, Sr., 6-1, 190, Melbourne, 1VL. Tabbed by his coaches as the country's best No. 2 quarterback during 1966. Still saw plenty of action after relinquishing his first team berth to Pajcic. Late in the season, logged almost as much playing time as Pajcic. Wound up with 54 completions in 104 attempts for 742 yards. Also tossed three touchdown passes in Sun Bowl. An outstanding long passer, Kim will battle for the first team berth again this fall. A leader by example.

BILL CAPPLEMAN, 20, Soph., 6-3, 205, Dunedin, RS. Was red shirted last season operating with the scout squad. Considered to have stronger arm than either Pajcic or Hammond. An outstanding athlete, Bill was a pitcher on the Seminole baseball team this spring. Because of his allround athletic ability, he may be tried as a defensive cornerback this fall because of Florida State's abundance of quarterbacks. But he'll still see some quarterback duty this year.

RUNNING BACKS

BILL MOREMEN, 22, Sr., 5-11, 188, Daytona Beach, 2VL. Was leading rusher last season with 480 yards in 123 attempts for a 3.9 average. Second leading scorer with eight touchdowns. He counted three times in both the Virginia Tech and South Carolina contests. Knows where the goal is—extremely tough inside the 10. Fine pass receiver and good blocker. Voted most improved back following spring practice. Had an outstanding spring game. Versatile—may be used at full-back some this fall. Another leader by example.

BILLY GUNTER, 21, Jr., 6-0, 171, Dothan, Ala., Squad, Played some in '66 but not enough to letter. Has desire and determination to overcome lack of size. Shows quickness and ability to find daylight. Experienced good spring practice before shoulder injury sent him to sidelines. Will add depth to somewhat shallow position.

ED CHERESHKOFF, 19, Soph., 5-10, 188, Hollywood, Frosh. One of Florida State's most promising sophomores. Outstanding spring practice despite minor ailments. Great quickness. Has breakaway speed the Seminoles have lacked. Should record some long distance touchdowns before he's through. Short on experience but may get that early. One of the top sophomore prospects.

BILL DONOHOE, 19, Soph., 6-0, 180, North Miami, Frosh. Could be strong inside threat. Extremely green, needs playing time. Showed signs of promise during spring but may be year away.

BARRY WENHOLD, 19, Soph., 5-10, 200, Souderton, Pa., Frosh. Nicknamed "Fireplug," tacklers found him hard to bring down during the spring. Reminds coaches of Houston Oilers' Charlie Tolar. Another young back who needs experience. Had two long runs during spring game.

FULLBACKS

DONOVAN JONES, 22, Sr., 6-1, 206, Lakeland, 1VL. Injuries have handicapped this performer during his entire career. Bad back kept him out of action last season. Switched from tight end to fullback before spring practice. Showed signs of being good inside runner. Excellent pass receiver. If healthy, could be big help.

JOHN HURST, 20, Jr., 6-1, 206, Live Oak, 1VL. Lettered as a sophomore. Scored two touchdowns last season. Missed spring practice. Will have shot as No. 1 fullback this fall. Extremely dangerous runner close to goal line. Has added weight since last year. Above average blocker.

TERRY EAGERTON, 20, Soph., 5-10, 190, Jacksonville, RS. Red shirted last fall and switched from defense to offense this spring. Made adjustment to new position in fine style. Good speed. Capable blocker. He'll play some football this fall.

PUNTERS

BILL CHESHIRE, 19, Soph., 6-0, 183, Odum, Ga., Frosh. Florida State's first bare-footed kicker. Averaged 41.3 yards per punt as a freshman on 25 boots. Had one 75-yard dandy against Southern Mississippi. Was high school quarterback. Could see some action this fall as defensive end.

PLACE KICKERS

PETE ROBERTS, 20, Sr., 6-0, 202, Gainesville, 2VL. This will be Pete's third year as Florida State's kicker. Booted 14 extra points in 18 attempts before injuring knee in South Carolina game. Also had four field goals, including the three-pointer which beat Miami. Recovered from injury in time to play in Sun Bowl.

FRANK LONER, 21, Jr., 6-0, 196, Atlanta, Ga., 1VL. Took Roberts' place as Seminole booter when Pete was injured. Came through with 11 out of 12 conversions and one field goal.

GRANT GUTHRIE, 19, Soph., 6-0, 207, Claymont, Del., Frosh. Has strongest leg among kickers. Could play some fullback if he recovers from a freshman injury.

FLANKERS

RON SELLERS, 20, Jr., 6-4, 187, Jacksonville, 1VL. Definite All-America timber. Sure bet to shatter every Florida State receiving record with two more years of eligibility. Was compared to Seminole All-America Fred Biletnikoff as a sophomore. Tremendous moves, great hands and outstanding speed. But for a separated shoulder in the Syracuse game, he would have cracked Biletnikoff's record of 57 catches in a season. As it was, "Jingle Joints" had 55 receptions during the regular season and six more for 160 yards (two touchdowns) in the Sun Bowl. Catches the long ball as good or better than any receiver in the country. Also, knows what do with the ball when he catches it. As a sophomore, the former Paxon High School star caught 55 for 874 yards and three TDs. Pro scouts have tabbed Ron as a "can't miss" future professional.

LANE FENNER, 21, Sr., 6-5, 202, Evansville, Ind., 1VL. Could be starter for most clubs. Size makes him excellent target. Was Sellers' backup man in '66 and figures to fill same spot this fall. Caught 12 passes 94 yards last season. Has deceiving speed and sure hands.

DEFENSIVE BACKS

WALT SUMNER, 20, Jr., 6-1, 172, Ocilla, Ga., 1VL. Leader of Coach Gary Wyant's "Rat Pack." Should blossom into one of the South's best in his junior year. Surest tackler on squad and hits with authority. Exceptional speed and great dedication. Lead team last season with four interceptions. Also handles kickoff and punt returns.

LARRY GREEN, 22, Sr., 5-10, 173, Cairo, Ga., 2VL. Switched from running back to defense during spring practice and adjusted remarkably well. His outstanding speed will be big help in secondary this fall. Was member of 1964 Gator Bowl team and then held out a year due to injury. Could still see some service this fall as a running back. Scored five touchdowns last season. His touchdown run with a screen pass against Texas Tech was one of finest of year.

CHUCK EASON, 20, Jr., 5-10, 183, Tallahassee, 1VL. Had an exceptional spring practice. Was highlight of spring among defensive backs. Started some games late last season and gained valuable experience. He's a toughie who has a nose for the ball. With continued development, should be a good one.

CLINT BURTON, 20, Jr., 6-2, 180, Atlanta, Ga., 1VL. Came strong last season and started the Sun Bowl game. Coaches call him the defensive backfield quarterback. Good knowledge of the game and a real competitor. Was a high school quarterback and also operated at that spot during his freshman year at Florida State.

HAL HODGES, 19, Soph., 5-9, 161, Tallahassee, Frosh. Smallest man on the squad but size has nothing to do with this youngster's ability. Performed as a freshman without scholarship but gained a grant-in-aid for his work during spring drills. Hits with the authority of a 200 pounder. He'll be excellent backup man.

Eason

Burton

Montgomery

Crowe

HAL MONTGOMERY, 20, Jr., 5-11, 176, Blounstown, 1VL. Started first two games as a sophomore before injuring his knee in Miami contest. Was lost for rest of the season. Operation apparently has corrected ailment. Counted on heavily this season despite missing spring practice. One of the better athletes on the squad. Was a high school quarterback.

BOBBY LENT, 20, Jr., 6-3, 190, Fall Brook, Calif., JC. Transferred from Palomer Junior College in San Marcos, Calif. Teammate of tackle Chris Palmer. Was JC All-America. Adjusted well to new surroundings during spring. Hard-nosed.

JOHN CROWE, 20, Jr., 6-2, 173, St. Cloud, 1VL. One of the most intelligent boys on the squad. Carries 3.5 grade average. He, along with Burton, will call defensive backfield signals. Exceptional knowledge of the game. Had fine spring practice and will fight for a first team this fall. Switched from split end during last season. Got plenty of playing time late in the year but missed Sun Bowl with an injury.

CHARLIE HUGGINS, 20, Soph., 6-1, 194, Mims, Frosh. Has great speed and possibly more natural ability than any member of the defensive backfield. Lack of experience will handicap him early in season. Is a tireless worker.

MIKE PAGE, 20, Soph., 5-10, 175, Winter Haven, Frosh. Small, but has a nose for the ball. Very aggressive. Showed exceptional progress during spring. Great hitter for his size. He, like Hodges, will be a member of Coach Wyant's "bull pen."

TOMMY WARREN, 19, Soph., 6-1, 185, Miami, Frosh. Will be given shot as defensive back this fall but will play quarterback for Florida State before he graduates. Quarterbacked last year's freshman team, completing an amazing 50 out of 82 passes for 746 yards and 10 touchdowns. An exceptional athlete, he was star of freshman baseball team during spring and missed football drills. Has tools to be stand-out no matter where he plays.

SPORTS PUBLICIST: Ted Nance
LOCATION: 3801 Cullen Blvd., Houston, Texas 77004
ENROLLMENT: 21,000
COLORS: Scarlet and White
NICKNAME: Cougars and Big Red
CONFERENCE: Independent
LETTERMEN RETURNING: 23
LETTERMEN LOST: 10
SERIES: Houston leads 3-0-2

1967 OUTLOOK: The Cougars return 15 starters (nine on defense and six on offense) from the nation's second leading offensive team last year. Among those returning are two of the most dangerous receivers in the Southwest, Warren McVea and Ken Hebert. In addition to being a fine receiver, McVea also showed the ability to move the ball on the ground, averaging 8.8 yards on 74 carries. The senior speedster is likely to see more ground work this season now that the nation's seventh-leading ground gainer, Dick Post, has graduated. Also gone is stand-out quarterback Bo Burris, who led the nation in touchdown passes last season.

NICKNAME: Crimson Tide
CONFERENCE: Southeastern

LETTERMEN LOST: 17
LETTERMEN RETURNING: 33
SERIES: Alabama leads 1-0-0

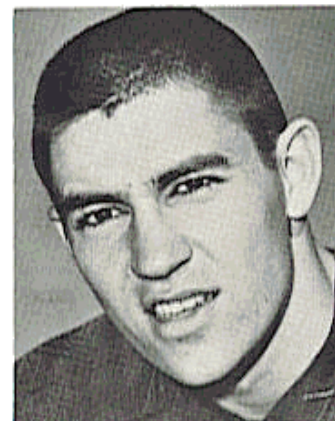

1967 OUTLOOK: Bear Bryant appears to have put together another national contender despite the loss of All-Americans, Cecil Dowdy and Ray Perkins. A very strong 1966 freshman team appears to have supplied the necessary material to fill the gaps graduation left, and with quarterbacks Kenny Stabler and Joe Kelley returning, the Crimson Tide will be a tough contender. The defensive secondary returns intact. All-America Bobby Johns and All-SEC Dicky Thompson lead a group that should give any opposing quarterback fits.

COLORS: Red and White
NICKNAME: Wolfpack

CONFERENCE: ACC
LETTERMEN LOST: 15

LETTERMEN RETURNING: 15
SERIES: FSU leads, 6-3-0

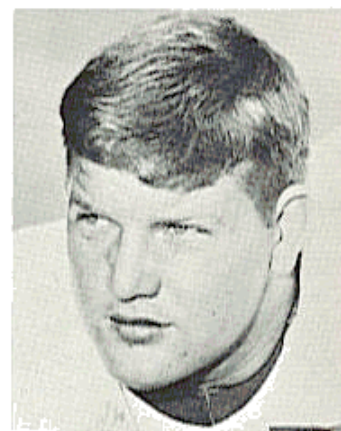

1967 OUTLOOK: Coach Earle Edwards has virtually his entire defensive unit returning this season, and the Wolfpack expects to have one of its strongest defenses ever. Leading the returners is All-America tackle Dennis Byrd. The defensive backfield is potentially the best ever at State, with veterans at every position. Offensively the picture is not as bright with nine lettermen missing, but Edwards has enough experienced performers returning to mold a solid attack. The ends will have the most experience, and the backfield the least, but quarterback Jim Donnan was the team leader in total offense last year.

NICKNAME: Aggies

CONFERENCE: Southwest
LETTERMEN LOST: 19

LETTERMEN RETURNING: 21
SERIES: First Meeting

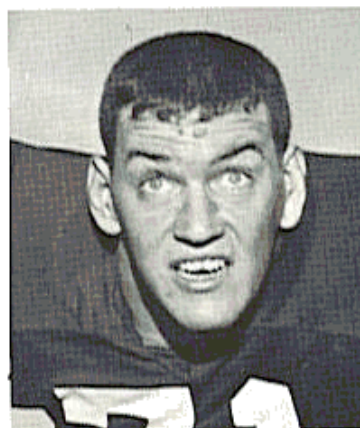

1967 OUTLOOK: Coach Gene Stallings' Aggies will be shooting for the first winning season in the three years under his direction, and prospects are high. A strong nucleus from last season's 4-5-1 team is returning, and barring injuries, the Aggies may make a strong bid in the Southwest Conference race. Leading returnees are All-America tackle Maurice (Mo) Moorman, quarterback Edd Hargett and split end Tommy Maxwell. Graduation left the team with some holes to fill, however, and the results of how well they were plugged won't be known until the season gets under way.

COLORS: Garnet and Black

NICKNAME: Fighting Gamecocks

CONFERENCE: Atlantic Coast

LETTERMEN LOST: 14

LETTERMEN RETURNING: 26

SERIES: FSU leads 1-0-0

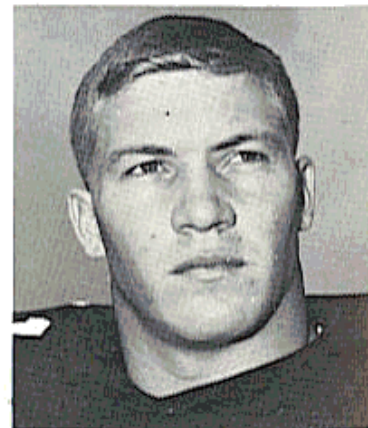

1967 OUTLOOK: South Carolina will have a smaller squad, numerically and physically, than in recent years, and will suffer from a depth problem if many injuries occur. On the other hand, the Gamecocks are primarily a junior-senior squad and should have good experience. The Gamecocks have fine backs in quarterback Mike Fair and halfbacks Benn Garnto and Benny Galloway, and several fine defensive players in ends Lyn Hodge and Gene Schwarting, and tackle Joe Komoroski. South Carolina should have adequate starting teams, but depth is the big problem. The schedule is also a problem.

LETTERMEN LOST: 13

LETTERMEN RETURNING: 31

SERIES: FSU leads 1-0-0

1967 OUTLOOK: Thirty-one lettermen return to the Raiders this fall, including 10 offensive starters, and Coach J. T. King is looking forward to another strong attack. Leading the returnees is quarterback John Scovell, who was the Southwest Conference total offense leader last year. He will be joined by All-SW split end Larry Gilbert. Mike Leinert, Tech's top rusher, is also back. The Red Raider defense, plagued by injuries last season, remains a question mark, but Gene Darr, George Cox and Leon Lovelace head a list of veteran returnees.

1967 OUTLOOK: Mississippi State has a brand new coaching staff, headed by Charlie Shira, longtime Darrell Royal aide at Texas. Shira has discarded the I formation and the Bulldogs will run from the wing-T. Thirty-five returning lettermen from last year doesn't make Shira feel State has depth to platoon. The Bulldogs will use two team system, each unit going both ways, with sprinkling of specialists. Defense should be adequate, but offensive is a question mark. Newcomer Tommy Pharr is likely quarterback with a pair of defensive backs from last year, Johnny Woitt and Tommy Corbett, expected to take over at tailback and fullback. Joe Culpepper, second stringer last year, moves up to starting wingback.

Quarterback Terry Padgett leads a seasoned backfield that led the Tigers to an upset over Houston in its last outing of 1966. With emphasis last spring on the passing game, it promises to be even stronger. The offensive line has veteran performers all the way across, and will be lead by guards Chuck Pettit and Lewis Jones. The defense returns all but two 1966 starters, including the entire secondary.

Tech returns its 11th ranked defense, virtually intact this season, including All-America safety Frank Loria and end George Foussekis (2nd team AP). In addition to finding replacements for Francisco and Co. in the backfield, Coach Jerry Claiborne will have to plug up the offensive line, especially at the tackles. Wayne Rash should have the quarterback situation well in control, if he recovers from a knee operation.

1967 OUTLOOK: Replacing a Heisman Trophy Winner, quarterback Steve Spurrier, and virtually the entire starting offensive line are the major problems facing the University of Florida this Fall. Coach Ray Graves does manage to smile, however, when you mention three-quarters of his starting backfield. Tailback Larry Smith, 6-4, 217, is an All-America candidate as is flanker Richard Trapp, the leading single season pass receiver in SEC history. Fullback Graham McKeel, offensive captain, is the finest blocking back in Gator history. Defensively, the Gators should be a mite quicker but have big problems at linebacker and defensive end.

1966 IN REVIEW

FLORIDA STATE 13, HOUSTON 21

TALLAHASSEE, Sept. 17—Florida State won the statistical battle but Houston captured the ball game 21-13 in the Seminoles' opener before 35,643.

Coach Peterson's outfit raced up and down Doak S. Campbell Stadium on a muggy night but couldn't cash in on scoring chances. In fact, the Seminoles had the football 91 offensive plays to 35 for the Cougars. The difference was three long-distance touchdowns by the Texas invaders.

Florida State got on the scoreboard in the first quarter when quarterback Kim Hammond tossed an eight-yard scoring strike to fullback Jim Mankins. This concluded a 92-yard drive following the opening kickoff.

Key play in the 12-formation parade was a 43-yard pass from Hammond to Ron Sellers. After Pete Roberts' conversion, the Seminoles owned a 7-0 advantage with 9:59 remaining in the first quarter.

Early in the second period, Florida State drove deep into Houston territory only to have a Roberts' field goal attempt partially blocked.

Taking over on its 20, Houston got back into the game on one play, an 80-yard touchdown pass from quarterback Bo Burris to speedster Warren McVea.

Shortly thereafter, the Cougars took advantage of a pass interception to set up their go-ahead TD. From the Florida State 28, Burris hit split end Ken Hebert with a perfect strike. After Hebert's perfect conversion, Houston owned a 14-7 advantage with 2:28 remaining before intermission.

The Texans put the game out of reach early in the third period. Mike Spratt fielded a John Hosack punt at the Florida State 19 and galloped 81 yards for a touchdown.

The Seminoles drove 69 yards for their second score with the drive starting late in the third period. The payoff came on a six-yard halfback pass from Billy Moremen to tight end Chip Glass. Roberts' conversion attempt was blocked by defensive end Carl Cunningham, the same Cougar who deflected Roberts' field goal attempt.

In the final minute, Florida State marched deep into Cougar country only to have fullback Jim Mankins drop a touchdown pass in the end zone.

Chip Glass (84) latches onto Bill Moremen's six-yard halfback pass for Florida State's second score. But the Seminoles could not overcome Houston's three touchdown bombs, and fell to the Cougars 21-13.

Florida State	20	126	242	43-18	4	1	5/47.2	9/74	7-0-0-6—13

Scoring Summary: Florida State—Mankins 8 pass from Hammond (Roberts kick), Glass 6 pass from Moremen (kick failed); Houston—McVea 80 pass from Burris (Hebert kick), Hebert 28 pass from Burris (Hebert kick), Spratt 82 punt return (Hebert). Attendance—35,643.

FLORIDA STATE 23, MIAMI 20

MIAMI, Sept. 24—Sophomore quarterback Gary Pajcic came off the bench in the second quarter and sparked Florida State to a 23-20 upset over touted Miami.

The young Jacksonville signal caller entered the game with the Seminoles down 7-0. Before the period was over, Pajcic had helped the Seminoles put 17 points on the scoreboard.

For the evening, Pajcic connected on 10 of 18 passes for 146 yards and two touchdowns. However, the top thrill for Seminole fans was an 83-yard kickoff return pulled off by Bill Moremen and T. K. Wetherell.

Miami, fresh from a decisive win over Colorado, drew first blood with a 93-yard touchdown march, climaxed by Bill Miller's seven-yard pass to Jerry Daanen. It was a 14-play drive, the TD coming with 7:01 left on the first period clock.

Late in the second quarter, Pajcic made his entrance and directed the Seminoles on a 66-yard touchdown drive. The payoff came on a 27-yard toss from Pajcic to his Jacksonville buddy, flanker Ron Sellers. After Pete Roberts' conversion, it was a 7-7 game with 4:22 remaining before halftime.

Following the kickoff, Miami raced 55-yards in five formations for the tie-breaking TD. The score came on a 19-yard pass from halfback John Acuff to Daanen.

That 13-7 lead held up only to the ensuing kickoff. Bill Moremen took the boot at the six and ran to the 17 where he threw a cross-field lateral to Wetherell. The Daytona Beach speedster was credited with an 83-yard touchdown run and Roberts' kick made it 14-13 with 2:32 left before intermission.

On the second play following the kickoff, linebacker Wayne Giardino gave Florida State another opportunity by intercepting Miller's pass and returning it to the Miami 47. On the final play of the second quarter, Roberts booted a 32-yard field goal for a 17-13 Seminole advantage.

Scoring Summary: Florida State—Sellers 27 pass from Pajcic (Roberts kick), Wetherell 83 punt return (Roberts kick), Roberts 32 field goal, Taylor 28 pass from Pajcic; Miami—Cox 7 pass from Miller (Harris kick), Daanen 19 pass from Acuff (kick blocked), Cox 46 pass from Miller (Harris kick). Attendance—54,262.

The story of the game is registered on the scoreboard, as Florida State's David Braggins (partially hidden behind No. 19) causes Miami's Doug McGee (33) to fumble at the Seminole goal line. The Seminoles recovered and ran out the clock to preserve their first win.

FLORIDA STATE 19, FLORIDA 22

TALLAHASSEE, Oct. 8—Florida turned back Florida State 22-19 in a bitterly contested game when the Seminoles had an apparent touchdown nullified in the final minute.

The "touchdown" came on a 55-yard pass from quarterback Gary Pajcic to split end Lane Fenner with 17 seconds remaining. An official ruled that Fenner didn't have possession when he went out of bounds in the end zone.

Florida's Heisman Trophy winner, quarterback Steve Spurrier, had an outstanding game, as did Pajcic.

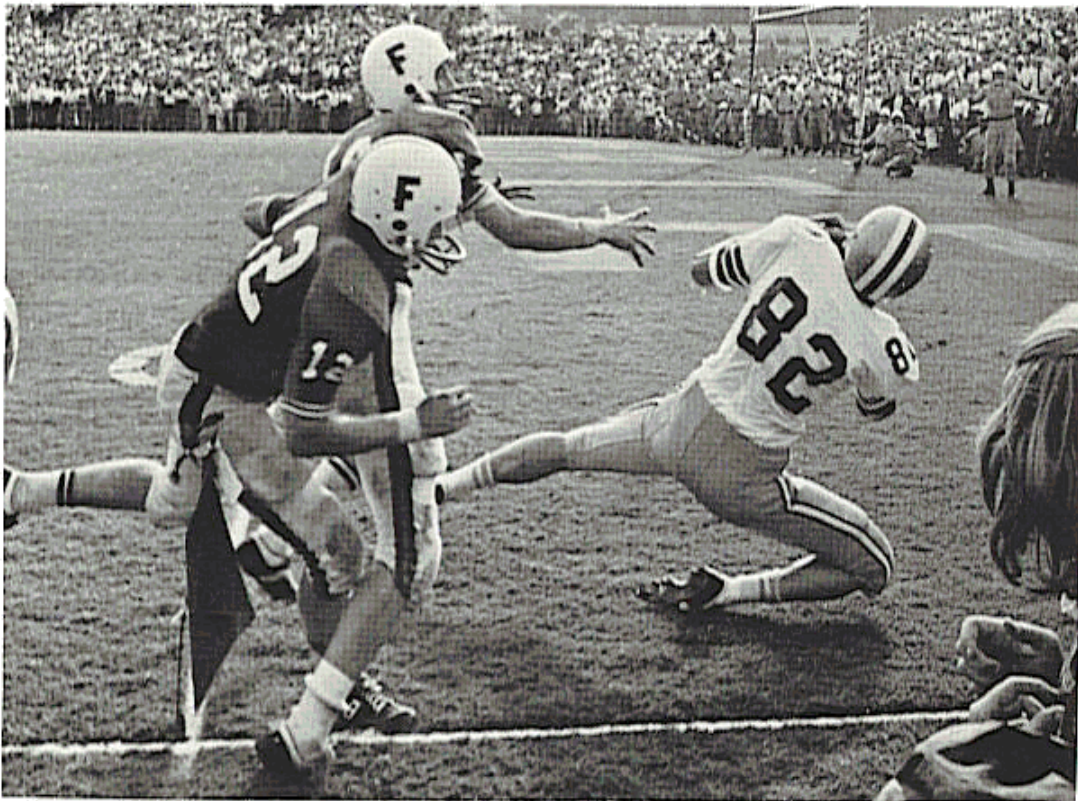

The Gators took the opening kickoff and marched 73 yards in 10 plays for their first touchdown, the payoff coming on a 35-yard pass from Spurrier to Richard Trapp. Wayne Barfield's kick made it 7-0 with the drive taking four minutes.

Florida State came back with a march of its own. Following the kickoff, the Seminoles drove 72 yards in seven formations for the tying touchdown. Biggest play in the march was a 42-yard pitch from Pajcic to Ron Sellers, who made a sensational catch. Fullback Jim Mankins got the score on a one-yard dive and Pete Roberts' conversion deadlocked the score at 7-7.

The Seminoles went ahead 10-7 in the second period when Roberts booted a 26-yard field goal. Florida regained the lead 48 seconds before halftime on a six-yard pass from Spurrier to Trapp.

Scoring Summary: Florida State—Mankins 1 run (Roberts kick), Roberts 26 field goal, Mankins 1 run (kick failed), Roberts 37 field goal; Florida—Trapp 35 pass from Spurrier (Barfield), Trapp 6 pass from Spurrier (Barfield), Smith 41 pass from Spurrier (Trapp pass from Spurrier). Attendance—46,790.

The year's most controversial play as Lane Fenner (82) catches what appeared to be the go ahead touchdown against Florida. However, an official ruled the Seminole receiver was out-of-bounds and the Gators won 22-19.

FLORIDA STATE 42, TEXAS TECH 33

LUBBOCK, TEXAS, Oct. 15—Florida State put on a great offensive show as the Seminoles outlasted Texas Tech 42-33 in a game in which the Seminoles jumped off to a 21-0 advantage.

More than 1,000 yards were eaten up in this offensive outburst, Florida State gained 510, one less than the Red Raiders.

The Seminoles were hot from the start, especially fullback Jim Mankins, who had 100 yards rushing in the first half and wound up with 111 for the evening. The King City, Calif., senior scored Florida State's first four touchdowns.

Gary Pajcic threw five yards to Mankins for the first TD and then the 220-pound fullback ended touchdown drives with runs two, one and nine yards.

Following Florida State's third touchdown, Texas Tech got its attack in gear. The Raiders narrowed the Seminoles' halftime lead to 28-13 when John Scovell tossed nine yards to end Larry Gilbert and the Texas quarterback raced in from eight yards out.

Florida State was blanked in the third period but Texas Tech got on the scoreboard again with Scovell ending a drive with a one-yard run.

Both clubs scored twice in the final period to wind up the wild affair. The Seminoles' final TDs were both "home runs." With 1:09 gone in the fourth quarter, Pajcic hit halfback Larry Green on a screen pass and the Cairo, Ga., speedster raced 58 yards for a score.

Shortly thereafter, quarterback Kim Hammond and flanker Ron Sellers combined on a 52-yard touchdown aerial.

Scoring Summary: Florida State—Mankins 5 pass from Pajcic (Roberts kick), Mankins 2 run (Roberts kick), Mankins 1 run (Roberts kick), Mankins 1 run (Roberts kick), Green 58 pass from Pajcic (Roberts kick), Sellers 52 pass from Hammond (Roberts kick), Texas Tech—Gilbert 9 pass from Scovell, (kick failed), Scovell 8 run (Vinyard kick), Scovell (pass failed), Scovell 5 run (pass failed), Allen 27 pass from Alford (Scovell run). Attendance—28,107.

Jim Mankins (44) scores one of his four touchdowns against Texas Tech. His running and blocking were factors in the Seminoles' success the past two seasons.

FLORIDA STATE 10, MISSISSIPPI STATE 0

TALLAHASSEE, Oct. 22—Florida State turned in its finest defensive showing of the season as the Seminoles blanked Mississippi State 10-0 in the first meeting between the two schools.

Seminole defenders limited the Bulldogs to only 35 yards rushing and 61 passing in recording their third victory against two defeats.

Linebacker Mike Blatt set up Florida State's lone touchdown in the second period when he jarred the ball loose from Don Saget as the Bulldog quarterback retreated to pass. Blatt also recovered the ball at the Mississippi State 41.

In seven plays, the Seminoles pushed the ball across against a grudging Bulldog defense. Key play in the march was a 13-yard, third down pass from Gary Pajcic to tight end Chip Glass.

On fourth down from the one yard line, Pajcic circled right end on a keeper play for the TD. Pete Roberts' kick made it 7-0 with 4:05 remaining before halftime.

The Florida State defense had limited Mississippi State to three first downs and four yards rushing in the first two periods.

Late in the third period, the Seminoles started a drive from the Tribe 20 following a missed Mississippi State field goal. In 14 plays, Florida State faced a fourth and six situation at the enemy eight. Roberts booted 25-yard field goal to wind up the night's scoring.

The Seminoles were on Mississippi State's 19 when the final gun went off.

Scoring Summary: Pajcic 1 run (Roberts kick), Roberts 25 field goal. Attendance—30,133.

The Florida State defense turned into a stone wall against Mississippi State as the Seminoles blanked the Bulldogs 10-0. Here Wayne Giardino (23), Wayne McDuffie (87), Chuck Eason (22), Walt Sumner (24) and Bob Menendez (89) smother a ball carrier.

FLORIDA STATE 21, VIRGINIA TECH 23

BLACKSBURG, VA., Oct. 29—As was the case against Houston, Florida State won the statistics battle but Virginia Tech won the game 23-21 before a Gobbler homecoming crowd and a regional television audience.

Florida State's sensational sophomore battery of quarterback Gary Pajcic and flanker Ron Sellers turned in a great game of pitch and catch. Sellers tied All-America Fred Biletnikoff's school record of 13 receptions and Pajcic's 312 yards passing (28 for 53) missed a school mark by one yard. His 28 completions in 53 attempts were both Seminole records.

The Seminoles gained 449 yards to Tech's 270 and had the advantage in first downs 28-15.

Florida State took the opening kickoff and drove to Tech's nine from where Pete Roberts missed a 26-yard field goal.

Tech broke a scoreless spell in the first quarter when end Dan Mooney tackled Kim Hammond in the end zone as the Seminole quarterback dropped back to pass.

Following the free kick, Tech had a touchdown in four plays with Tommy Stafford passing the final 13 yards to end Ken Barefott. It was 9-0 Gobblers with 2:45 remaining in the first period.

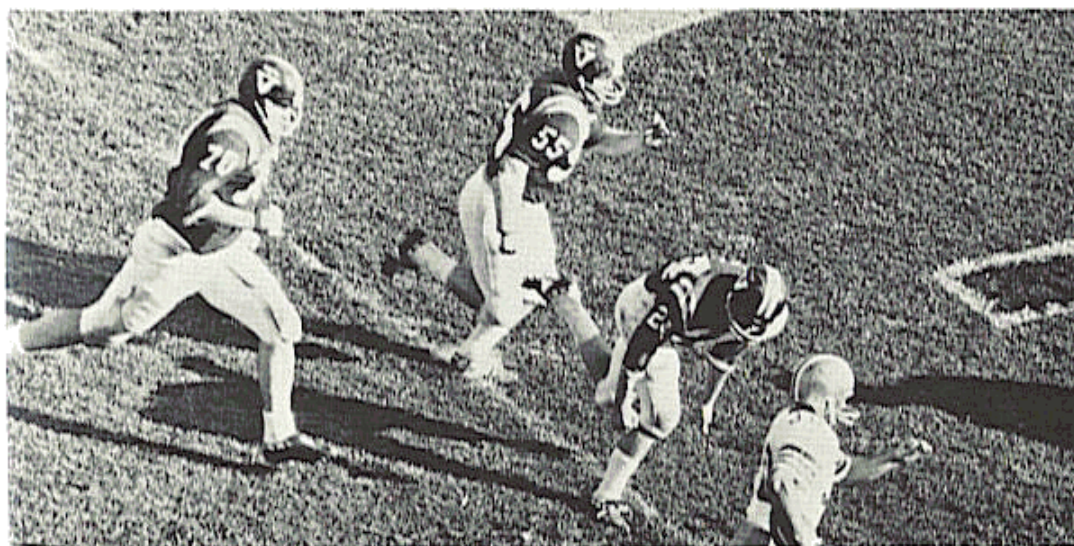

Florida State drove 89 yards for its first touchdown with Pajcic hitting Sellers five times during the drive. Halfback Bill Moremen went the final three yards.

Early in the third period, Florida State went on top for the first time, traveling 45 yards in seven plays with Pajcic passing to Moremen from seven yards out.

Then in the final period, Florida State drove to Tech's one yard line. On fourth down, fulback Jim Mankins was stopped just short of the goal line. Still later in the quarter, the Seminoles marched to Tech's 20 before a pass interception killed the threat.

Scoring Summary: Florida State—Moremen 3 run (Roberts kick), Moremen 7 pass from Pajcic (Roberts kick), Moremen 6 run (Roberts kick); Virginia Tech—Safety (Hammond tackled by Mooney), Barefoot 13 pass from Stafford (Utin kick), Loria 80 punt return (Utin kick), Francisco 10 pass from Stanford (Utin kick). Attendance—31,000.

Bill Moremen outruns three Virginia Tech defenders to the goal line for one of his three touchdowns. Despite Moremen's heroics, the Gobblers were able to continue their Blacksburg mastery over the Tribe and made a first period safety standup for a 23-21 win on regional TV.

FLORIDA STATE 32, SOUTH CAROLINA 10

COLUMBIA, S.C., Nov. 5—Halfback Bill Moremen scored three touchdowns for the second straight game as Florida State recorded a 32-10 victory over South Carolina.

The Daytona Beach workhorse had counted three times in the Seminoles' 23-21 loss to Virginia Tech the week before.

Florida State got on the right track following the opening kickoff with a 76-yard drive climaxed by Moremen's seven-yard dash for a touchdown. Biggest gainer was the first play when quarterback Gary Pajcic handed off to Moremen who in turn threw back to Pajcic for a 24-yard advance.

The Gamecocks, playing before a homecoming crowd, retaliated with a march which wound up with Jimmy Poole booting a 30-yard field goal, narrowing Florida State's margin to 6-3 with 8:03 remaining in the first period.

Following a pass interception late in the quarter, South Carolina drove 50 yards for a go-ahead score which came on the first play of the second period. Wingback Ben Garnto got the touchdown on a one-yard buck and Poole converted.

Florida State came back just before halftime with a 50-yard march ending with Moremen going the final three feet around right end. Pajcic passed to tight end Thurston Taylor for a two-point conversion and a 14-10 intermission advantage.

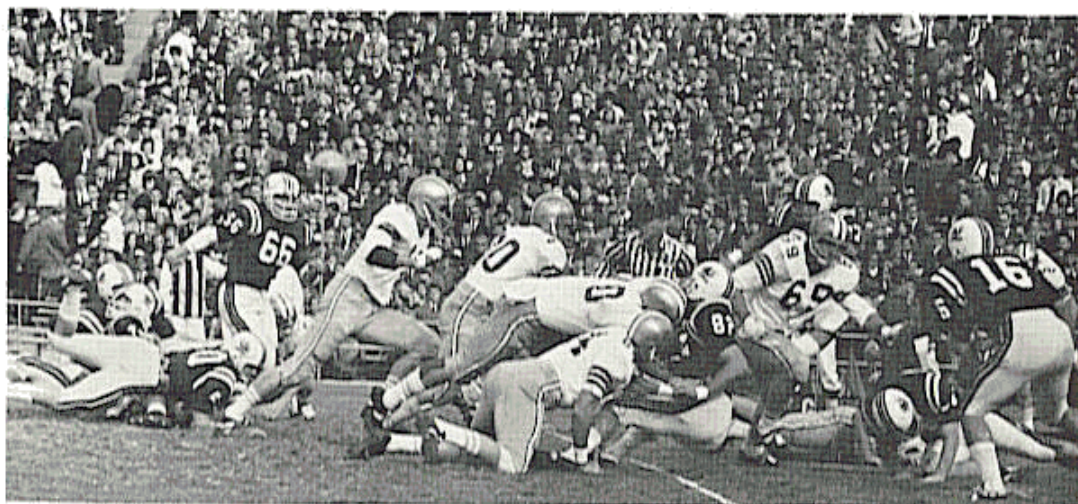

Walt Sumner's pass interception set up Florida State's next touchdown. The Seminoles paraded 44 yards in eight formations with Moremen scoring his third TD on a one-yard carry. A two-point conversion attempt failed.

A 39-yard pass from Pajcic to flanker Ron Sellers helped along Florida's State's next scoring march with fullback Jim Mankins going over from the one.

Middle guard Larry Pendleton intercepted a Gamecock pass late in the period and halfback Larry Green traveled the final 10 yards on a sweep around left end.

Scoring Summary: Florida State—Moremen 7 run (kick failed), Moremen 1 run (Taylor pass from Pajcic); Moremen 1 run (pass failed), Mankins 1 run (pass failed), Green 10 run (kick failed); South Carolina—Poole 30 field goal, Garnto 1 run (Poole kick). Attendance—29,286.

Bill Moremen makes his way through a crowd en-route to another TD as he scored three times for the second consecutive game. The Seminoles spoiled Paul Dietzel's first homecoming at South Carolina with a 32-10 victory.

FLORIDA STATE 21, SYRACUSE 37

SYRACUSE, N. Y., Nov. 12—Halfback Flyod Little put on his most impressive performance of the season as he led Syracuse to a 37-21 triumph over Florida State.

The All-America candidate counted three times—all from 24 yards out—as the Orangemen's ground attack crushed the Seminoles.

Little carried 25 times for 193 yards and had able assistance from Larry Csonka, 230-pound junior fullback, who picked up 65 yards in 17 attempts.

Syracuse got on the scoreboard with 12:08 remaining in the first period when Little exploded 24 yards for his first touchdown and then ran for a two-point conversion.

Syracuse scored the next time it gained possession, this drive eating up 68 yards in seven plays with Little again traveling the final 24.

Tony Kyasky's 44-yard punt return on the second play of the second period made it 20-0.

Florida State finally showed some offense late in the quarter after taking over on its 43 following a punt. The Seminoles marched the distance but it took 13 plays with quarterback Gary Pajcic throwing the final four yards to tight end Thurston Taylor.

At halftime, Syracuse had outgained Florida State 197 yards to 129 and had 11 first downs to seven for the Seminoles.

Larry Green's eight-yard run early in the fourth quarter kept the score respectable. However, Little countered with another of his 24-yard touchdown romps shortly thereafter.

With one minute remaining, quarterback Kim Hammond hit John Hurst with a screen pass and the Seminole fullback spirited eight yards into the end zone winding up a 56-yard march.

Scoring Summary: Florida State—Taylor 4 pass from Pajcic (Loner kick), Green 8 run (Loner kick), Hurst 7 pass from Hammond (Loner kick); Syracuse—Little 24 run (Little run), Little 24 run (run failed), Kyasky 44 punt return (kick failed), Csonka 1 run (Gousseff kick), Gousseff 31 field goal, Little 24 run (Gousseff kick). Attendance—35,405.

Jim Mankins (44) almost breaks away, but is tripped by the hand of an unidentified Syracuse defender. While Mankins couldn't find running room, the Big Orange duo of Floyd Little and Larry Csonka lead Syracuse to a 37-21 triumph.

FLORIDA STATE 28, WAKE FOREST 0

TALLAHASSEE, Nov. 19.—Florida State put offense and defense together as the Seminoles continued their jinx over Wake Forest with a 28-0 victory before 29,176 homecoming customers.

Walt Sumner (24) intercepts a Wake Forest pass in the end zone as the Seminoles continued their jinx over the Deacons for a 28-0 victory. This play was the closest Wake Forest came to scoring.

A 35-yard punt return by T. K. Wetherell set up a second quarter score, Larry Green sweeping end from four yards out.

Pajcic and Sellers' record-breaking aerial accounted for Florida State's third period scoring. Mike Blatt's pass interception set the stage for TD No. 4 in the fourth quarter with fullback Jim Mankins racing the final 13 yards.

Blatt's interception was one of three, the others picked off by Walt Sumner and Clint Burton.

Scoring Summary: Florida State—Moremen 1 run (Loner kick), Green 4 run (Loner kick), Sellers 86 pass from Pajcic (Loner kick), Mankins 13 run (Loner kick). Attendance—29,176.

It was the third straight time over a period of four seasons the Seminoles had whitewashed Wake Forest.

Coach Bill Peterson called his club's 28-0 victory "one of the best efforts of the season."

Quarterback Gary Pajcic and flanker Ron Sellers, Florida State's sensational sophomore battery, got together for a record-breaking 86-yard touchdown pass in the third period.

The Seminoles took the opening kickoff and marked 70 yards in 11 plays for the only touchdown they needed. Biggest plays was a 15-yard rush by Pajcic and a 23-yard aerial from the Jacksonville sophomore to halfback Bill Moremen.

Moremen went the final three yards over right tackle and Frank Loner made the first of his four conversions.

FLORIDA STATE 45, MARYLAND 21

TALLAHASSEE, Nov. 26—An early week acceptance to the Sun Bowl failed to distract the Seminoles as Florida State wound up its regular season with a 45-21 victory over Maryland.

The victory left Florida State with the Atlantic Coast Conference "championship" since the Seminoles were 3-0 against ACC clubs.

The aerial-minded Seminoles traveled their favorite route, completing 22 of 37 passes for 287 yards, second highest during the regular season.

Frank Loner got Florida State on the scoreboard with 2:10 left in the opening quarter, booting a 38-yard field goal which hit the crossbar and bounced favorably.

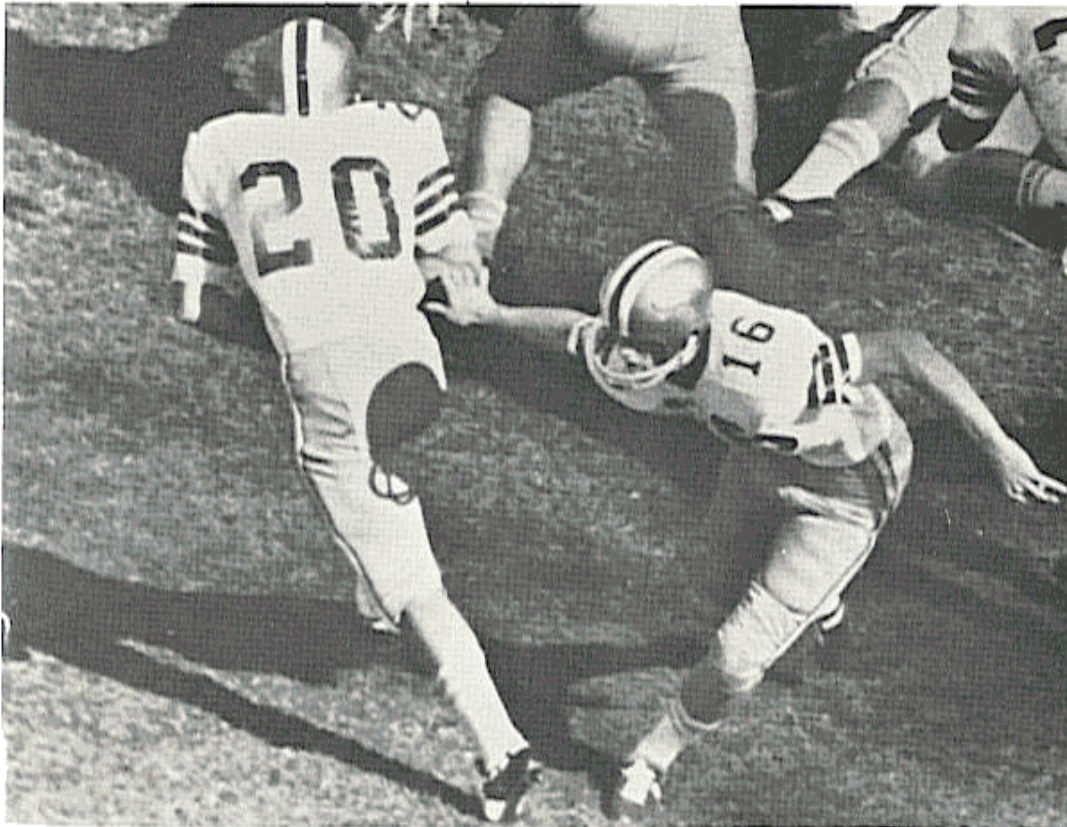

A Gary Pajcic-to-Thurston Taylor pass for seven yards was good for Florida State's second TD. Larry Green's two-yard sweep and a two-point conversion pass from Pajcic to Billy Cox made it 17-0.

Still in the second quarter, Kim Hammond took over the quarterback reigns and pitched a 20-yard touchdown pass to Cox to make it 24-0 at intermission.

Jim Mankins' one-yard TD buck midway in the third period widened the Florida State margin before Maryland got on the scoreboard with an 18-yard payoff pass from quarterback Alan Pastrano to end Bill Van Heusen.

Scoring Summary: Florida State—Loner 38 field goal, Taylor 7 pass from Pajcic (kick failed), Green 2 run (Cox pass from Pajcic, Cox 20 pass from Hammond (Loner kick), Mankins 1 run (Loner kick), Moremen 6 run (Loner kick), Hurst 7 run (Loner kick); Maryland—Van Heusen 17 pass from Pastrano (Bramson kick), Myrtle 44 pass from Pastrano (Bramson kick), Van Heusen 34 pass from Pastrano (Bramson kick). Attendance—20,252.

Larry Green (20) takes hand-off from quarterback Gary Pajcic (16) to start his two-yard touchdown gallop against Maryland. The Seminoles rolled to a 45-21 wins in the regular season's final outing.

FLORIDA STATE 20, WYOMING 28

EL PASO, TEX., Dec. 24—Wyoming's great defense was the difference as the Cowboys downed the Indians 28-20 in a thrill-packed Sun Bowl game before a national television audience.

Even in defeat, flanker Ron Sellers put on an outstanding show, catching six passes for 160 yards and two touchdowns.

Wyoming's defense was so effective it held Florida State to a minus 21 yards rushing although the Seminoles picked up 293 yards through the air.

Early in the first period, Wyoming intercepted a pass and started a drive from the Cowboy 27. It took the Westerners 15 plays to get a touchdown, halfback Jim Kiick diving the final yard.

With 5:21 remaining in the second period, quarterback Kim Hammond got Florida State even with a 49-yard touchdown toss to Sellers.

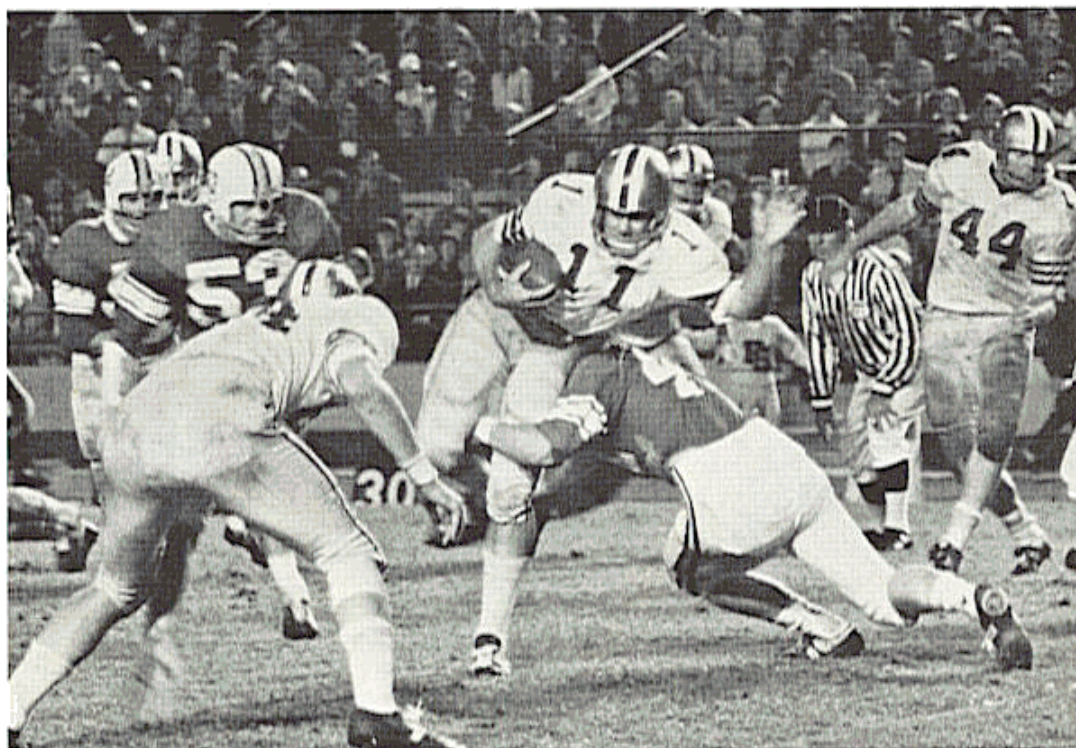

Just before intermission, Hammond pushed the Seminoles on top when he connected with split end T. K. Wetherell on a 59-yard scoring effort. Wetherell made a great reception and run.

Wyoming took charge early in the third period. The Cowboys traveled 73 yards in five plays with the tying TD coming on a 39-yard pitch from quarterback Rick Egloff to end Jerry Marion.

Six plays later, Wyoming had the go-ahead score when Kiick, voted the game's outstanding back, dashed 54 yards into the end zone.

Scoring Summary: Florida State—Sellers 49 pass from Hammond (Loner kick), Wetherell 59 pass from Hammond (Loner kick), Sellers 23 pass from Hammond (pass failed); Wyoming—Kiick 1 run (DePoyster kick), Marion 39 pass from Egloff (DePoyster kick), Kiick 43 run (DePoyster kick), Egloff 15 run (DePoyster kick). Attendance—24,381.

Quarterback Kim Hammond (11) had one of his best days, but it wasn't enough to overcome Wyoming's great defense in the Sun Bowl. The Cowboys effectively shut off the Seminoles running game for a 28-20 win.

MISCELLANY

Thomas A. Waits

Frank Pope

SEMINOLE BOOSTERS, INC.

Seminole Boosters, Inc. is an organization devoted entirely to the support of the Florida State University athletic program with emphasis on football.

Membership in the Boosters—the group numbers approximately 1,400—is open to anyone with a sincere interest in the University's athletic progress. Minimum contribution for an individual membership is \$30. A business membership costs \$30.

Contributions are administered in accordance with NCAA regulations and in conjunction with the Florida State Department of Intercollegiate Athletics.

Boosters receive a colorful automobile license plate which can be used for admission to special reserved parking lot at the stadium, a membership card, a weekly fall publication, "The Grandstand Coach," and certain priorities on season and single game football tickets.

President of the group for 1967 is Frank Pope, president of Pope Tractor Co. The organization's executive secretary is Thomas A. Waits, Director of Alumni Affairs at Florida State University.

Bo Mitchell

SEMINOLE FOOTBALL NETWORK

Bo Mitchell will do the play-by-play for the fifth straight year this fall as the Seminole Football Network continues to expand.

An 18-year veteran in the broadcasting field, Mitchell is vice-president and station manager of WKIS in Orlando.

Bud Kaatz

Doing "color" for the Seminoles again this year will be Ohio native Bud Kaatz. This will be Kaatz' second year on the Florida State grid network team. He also did Seminole basketball games and some Florida State baseball contests.

Originating station for the Seminole Network will be Tallahassee station WTNT. More than 30 stations in Florida and Georgia are expected to be part of the network.

Anyone desiring information concerning the network should contact Hurley Rudd, WTNT, Duval Hotel, Tallahassee.

Bob Braunagel

THE MARCHING CHIEFS

One of a young university's prized traditions is Florida State's 150-piece marching band, the fabulous Marching Chiefs.

Directed by Robert Braunagel, the Chiefs have been widely acclaimed for years as one of the nation's best.

Instrumental in their success along with Braunagel and Manley Whitcomb, who retired as director in 1963, is arranger Charles Carter whose striking musical innovations keep Seminole football fans in there and cheering during halftime intermission.

The band's field leader is drum major Herschel Beazley of Decatur, Georgia. Head majorette Paulette Gergen of Miami leads the most attractive forward wall in football—the Seminole Majorette Corps. Featured twirlers will be Jerry Williams from West Palm Beach and Will Shurley, Warrington, Georgia.
