A Redesign in the Works

- ◆ With the help of Nicklaus Design, the renovation of the Don Veller Seminole Golf course is now in full swing. Jack Nicklaus II, who has taken the lead on the project, has collaborated with his father and golfing legend Jack Nicklaus to develop a golf course that may be unmatched in collegiate golf.
- ◆ The redesigned course promises something for every golfer. The new course is projected to be 7,800 yards in length at par 72 and will be a well-balanced project.
- ◆ The redesigned course is scheduled to open in the Fall 2019. As mentioned in an article by Golf Course Architecture, "the course will be a real joy to play, and to look at for daily play, but come tournament time will be a very stern but fair test of golf," according to Nicklaus Design senior design associate Chris Cochran.

The Year of Koepka

- ◆ Florida State Men's Golf Alum Brooks Koepka enjoyed a remarkable 2018 year by winning the U.S. Open at Shinnecock Hills and following with a PGA Championship win at Bellerive Golf Course. He became the fifth PGA Tour player ever to win those two majors in the same year.
- ◆ Koepka was rewarded for his marksmanship, earning the 2018 PGA Tour Player of the Year after reaching three career major victories. Koepka will enter the 2019 Masters having won three of his last six majors played after winning the 2017 U.S. Open at Erin Hills.

Lebioda Earns PGA Tour Card

- ◆ On Aug. 19, 2018, Florida State Men's Golf Alum Hank Lebioda achieved his life-long dream of earning his PGA Tour card for the 2018-19 season. The achievement came with some late drama, as Lebioda grabbed the last of the first 25 membership cards given out via the Web.com Tour money list.
- ◆ Lebioda left Florida State as the program's all-time leader in par or better rounds (76), percentage of counting scores (93.4 percent) and birdies (467).
- ◆ Lebioda truly earned his way to the PGA TOUR, going through stints on the Mackenzie Tour in Canada in 2016 and 2017, the Latin America PGA TOUR in 2017 and the Web.com Tour in 2018.

BEYOND THE TIPS

SIRIUSXM

RADIO

Head Coach Trey Jones Continues SiriusXM Radio Show

- ◆ Florida State head coach Trey Jones co-hosts a new SiriusXM radio show called **Beyond The Tips**. The show made its debut on Nov. 2, 2016, on SiriusXM PGA TOUR Radio.
- ◆ Jones joins co-host Jeff Cameron for the one-hour show that covers NCAA golf from the perspective of one of the best coaches at the collegiate level.
- ◆ Jones and Cameron discuss the country's standout college teams and individual competitors and share their thoughts on the development of players through high school and college and what it takes to make it in the professional ranks.
- ◆ SiriusXM President and Chief Content Officer Scott Greenstein said: "Trey is one of the foremost coaches in college golf and his teams consistently succeed both athletically and academically. He's a wonderful mentor to the young people who play for him and he brings a terrific perspective on what it takes to succeed on the developmental and collegiate levels of the game and beyond. We're excited to have him share that insight with our audience each week."

LEAVING A LEGACY

STARTING THEM YOUNG

When it comes to getting as much as you can out of your freshmen, no one has proven to do it better in the ACC than Florida State. In three of the last six seasons, an FSU Men's Golfer has been named the ACC Freshman of the Year. They include Hank Lebioda (2013), Jack Maguire (2014) and John Pak (2018).

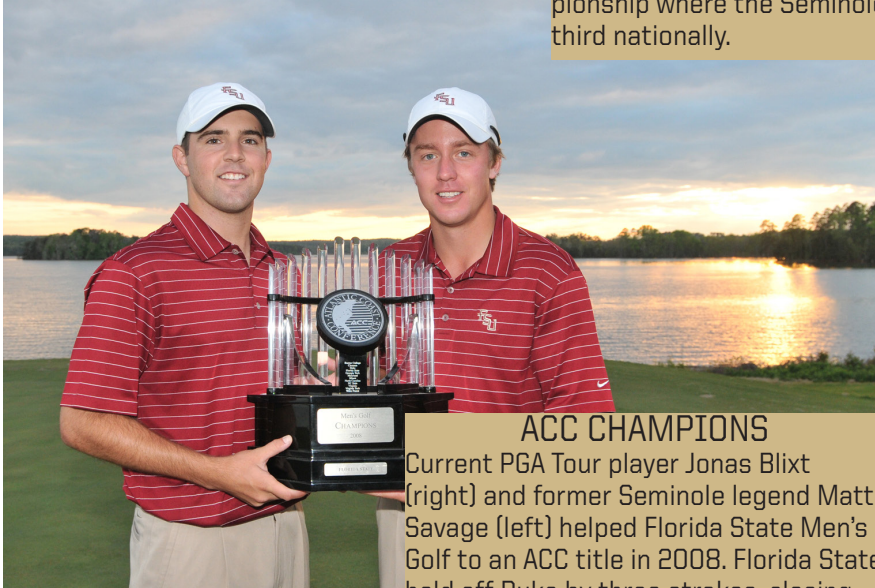

WHEN THE STAKES ARE HIGHEST

In four of the last nine seasons, Florida State Men's Golf has finished in the Top 11 of the NCAA Division I Championship. Included in the high finishes are two seasons where FSU finished in the Top eight, including the 2010 NCAA Championship where the Seminoles finished third nationally.

KOEPKA EMERGES

One of the best young golfers on the PGA Tour, Brooks Koepka accelerated his game while being a two-time ACC Player of the Year at Florida State. In 2010 and 2012, the native of West Palm Beach, Fla., earned top individual honors in the conference.

ACC CHAMPIONS

Current PGA Tour player Jonas Blixt (right) and former Seminole legend Matt Savage (left) helped Florida State Men's Golf to an ACC title in 2008. Florida State held off Duke by three strokes, closing the final round with a 280 to finish with an aggregate score of 838 overall.

ALL-AMERICA RUN

Seminole Men's Golf has enjoyed a healthy run of All-Americans, especially over the last seven seasons which has coincided with the program's successful stretch. Since 2012, FSU has had at least one All-American in each season, including 2015 PGA Tour Rookie of the Year Daniel Berger (shown in 2013).

Paul Azinger

Starting the PGA Tour in 1982, Paul Azinger had 12 wins including the 1993 PGA Championship. After transferring from Brevard Community College, Azinger completed his collegiate career at Florida State in 1981. While at Florida State, Azinger led the Seminole golf team to its then-highest ranking ever and was named the Metro Conference Champion and the Most Valuable Player in 1981. Azinger was named to the FSU Hall of Fame in 1988.

The Holyoke, Mass., native was a member of the U.S. Ryder Cup Team four times (1989, 1991, 1993, 2002) and captain of the 2008 team that won at Valhalla Golf Club in Louisville, Ky. Throughout his career Azinger was passionate about playing in the Ryder Cup and his hard work paid off as he and America's top golfers returned the Ryder Cup to the United States for the first time since 1999.

Azinger got his first win in 1987 as he went on to win the Phoenix Open, Panasonic Las Vegas Invitational and Canon Sammy Davis Jr. Greater Hartford Open. In 1992 he won The Tour Championship and followed up with his best year in 1993. He won the coveted PGA Championship along with the Memorial Tournament and New England Classic. After battling cancer, Azinger came back strong by winning the 2000 Sony Open in Hawaii. He spent almost 300 weeks in the top-10 of the Official World Golf Rankings between 1988 and 1994.

Hubert Green

Seminole golf legend Hubert Green, who won 23 events professionally, was inducted into the World Golf Hall of Fame in 2007 and was honored at the Induction Ceremony on Nov. 12, 2007, at the World Golf Village in St. Augustine, Fla.

Green came to Florida State in 1965 and served as the captain of the golf team in 1968. He led Florida State to a 10th place finish in the NCAA Championship in 1968 and guided the Seminoles to several impressive dual meet victories over many teams in the Southeastern United States including Florida during his collegiate career. Green was inducted in the Florida State Athletics Hall of Fame in 1977. He graduated from Florida State and turned professional in 1969.

Green is one of the most successful professional golfers in the history of the sport. He won 19 events while playing on the PGA Tour including the U.S. Open Championship in 1977 and the PGA Championship in 1985. He played on the 1977, 1979 and 1985 U.S. Ryder Cup Teams and also won four events on the Champions Tour before retiring in 2009. His most recent championship came in 2002 at the Lightpath Long Island Classic, winning in a playoff over Hale Irwin. Green passed away on June 19, 2018, at the age of 71.

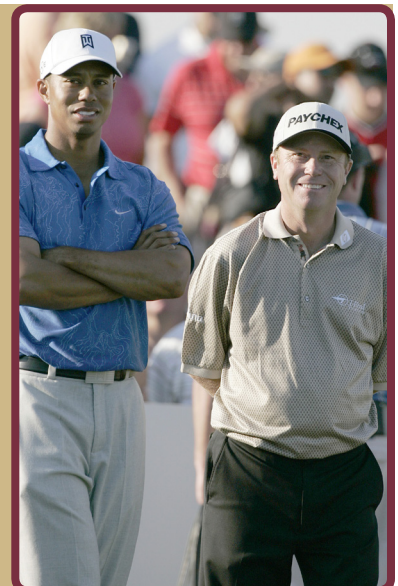

Jeff Sluman

Born and raised in Rochester, N.Y., Jeff Sluman transferred to Florida State in 1978 and became one of the best golfers on the team until he graduated with a finance degree in 1980. While on the PGA Tour, he won six titles including the 1988 PGA Championship. Named to the 1989 Florida State Hall of Fame Class, his time at Florida State was well spent as he led the team to three tournament wins and the NCAA tournament.

Before he arrived in Tallahassee, he won the 1978 New York State Amateur Tournament. Playing on the PGA Tour from 1980-2009, he finished in the top ten 105 times. His first tour victory happened to be the 1988 PGA Championship but he did not win another tournament until the 1997 Tucson Chrysler Classic. He followed up with another win at the 1998 Greater Milwaukee Open and the 1999 Sony Open in Hawaii. In 2001 he won the B.C. Open and had his last PGA Victory with the 2002 Greater Milwaukee Open.

Sluman still plays professional golf on the Champions Tour, recording eight Top 10 finishes in the 2014 and 2015 seasons. He's had six wins since 2008 including the 2014 Big Cedar Lodge Legends Tournament, the 2013 Liberty Mutual Insurance Legends of Golf, the 2011 Nature Valley First Tee Open at Pebble Beach, the 2009 and 2008 Walmart First Tee Open at Pebble Beach and the 2008 Bank of America Championship.

TREY JONES

DIRECTOR OF GOLF/HEAD COACH
16th SEASON
NORTH ALABAMA ('91)

- Two-time ACC Coach of the Year (2008, 2015)
- Six straight NCAA Championship Finals appearances from 2012-17
- 23 tournament wins (most in school history)
- 13 consecutive NCAA Regional appearances
- 11 All-Americans and 23 All-America honors in his tenure

Top national finishes, All-Americans, professional success and academic achievement have become synonymous with the Florida State men's golf program under Trey Jones. Now in his 16th season as the head men's coach and Director of Golf for the Seminoles' men's and women's golf programs, Jones has lifted the sport of golf at Florida State to new heights.

Under his direction, there is no limit on how high the Seminole programs will go. Florida State Golf will remain in excellent hands in the foreseeable future, as it was announced on June 5, 2015, that Jones' contract was extended through the 2020 season.

Jones is responsible for attracting nationally ranked recruiting classes, upgrading the Seminoles' schedule to where it is ranked among the nation's toughest on an annual basis and creating one of the most functional player development facilities in all of college golf on one of the Seminoles' five home golf courses. Jones continues annually to build on the Seminoles' success in developing the nation's top talent into national contenders and collegiate golf's elite players.

Jones is also playing a key role in securing the redevelopment of the Seminole Golf Course through the services of Nicklaus Design. With golf legend Jack Nicklaus and his son Jack II at the helm of the project, the Nicklaus Legacy Course is expected to be completed in the Fall 2019.

Florida State Men's Golf achieved three team victories in the 2017-18 year and enjoyed a breakthrough freshman campaign by All-American John Pak. FSU won the year-opening Doc Gimmier, the Mobile Sports Authority Intercollegiate and the Seminole Intercollegiate. Four different individual winners emerged in Pak (Seminole Intercollegiate), Harry Ellis (Marquette Intercollegiate, Mobile Sports Authority Intercollegiate), Jamie Li (co-won the Mobile Sports Authority Intercollegiate with Ellis) and Bennett Baker (USA Individual Tournament).

Jones oversaw another solid season in 2016-17, as FSU finished 14th in the NCAA Finals and reached four days of competition at Rich Harvest Farms. Redshirt senior Cristobal Del Solar and redshirt junior Harry Ellis recorded All-America honors while also being named to the All-ACC Team. Ellis' turnaround has been one of the highlights of Jones' career, as the England native recorded career bests in scoring average (71.62), average vs. par (+0.54) and rounds played (39). Ellis would go on to win the British Amateur and participate in the 2017 Open Championship (+12). He also had exemptions to the 2018 Masters and 2018 U.S. Open as an amateur.

FSU's two All-ACC selections in 2018, which included Pak and Ellis, makes it 12 straight years the Seminoles have garnered multiple all-conference selections. Their sixth consecutive trip to the NCAA Finals in 2017 was the longest active streak in the ACC and tied for the fifth-longest nationally before falling just shy in 2018.

Heading into the 2018-19 spring season, FSU has finished in the Top five in 67 of its last 100 tournaments played.

The top-notch head coach helped FSU Men's Golf achieve more milestones in 2016. For the fifth consecutive year, the Seminoles made the NCAA Tournament. Senior Hank Lebioda became the third Seminole to win ACC Player of the Year honors, while redshirt junior Cristobal Del Solar's career year

put him on the All-ACC Team and PING Southeast All-Region Team alongside Lebioda. Senior leader Lebioda was also a PING All-American.

Jones guided Florida State to one of its most successful seasons in program history in 2015, earning ACC Coach of the Year honors for the second time. FSU ranked No. 1 in the Golf Coaches Association of America Poll for most of the season and entered the NCAA Tournament as the No. 1 overall seed for the first time ever. The Noles set a school record with six tournament victories and established three All-Americans in Jack Maguire (First Team), Hank Lebioda (Second Team) and Rowin Caron (Third Team) - the most in a single year.

Named the 2008 Atlantic Coast Conference Coach of the Year as he led the Seminoles to the first conference championship in the sport of golf in school history, Jones is no stranger to competing with the nation's best in one of the top conferences for college golf.

Building championship teams and elevating those teams onto the national stage is also nothing new to Jones, who has earned five conference coach of the year awards and led 16 of his 21 teams at the Division I level to the NCAA Championship tournament. His teams consistently hold prominent places in the national rankings, are adept at winning conference championships and are annually among the top producers of All-American and all-conference performers.

Jones has become one of the winningest coaches in school history in his first 15 years in Florida State. He is the only coach in school history to lead the Seminoles to 13 NCAA Tournament appearances (no other coach has led Florida State to more than five appearances) and he is ranked first in school history with 23 tournament championships (second is nine by Don Veller). The Seminoles have appeared in a school record 13 consecutive NCAA Tournaments entering the 2018-19 season.

Jones also co-hosts a radio show on SiriusXM PGA Tour Radio called Beyond The Tips, airing on Wednesdays at 9 p.m. ET.

2015 NCAA CHAMPIONSHIP

A prominent season was capped by an 11th-place finish at the NCAA Championship Finals, as the Seminoles fell just short of reaching the top eight by the final round. Individually, Jack Maguire finished 22nd overall while Del Solar ended at 35th. Maguire would earn first-team All-America honors from Golfweek and second-team honors from the GCAA, while Lebioda earned second-team All-America honors from both organizations. Rowin Caron highlighted his junior season as a third-team Golfweek All-American while getting honorable mention accolades from the GCAA. FSU enjoyed a dominant stretch of winning four consecutive tournaments, and also won four tournaments by coming from behind on the final day.

2014 NCAA CHAMPIONSHIP

Florida State once again returned to the NCAA Championship Finals, but it was with a much different looking team from the previous year. The Seminoles fielded the youngest team in the tournament with two freshmen, two sophomores and a senior and was one of only three schools (in a field of 30), with only one upperclassman in the line-up. Freshman Jack Maguire became the first freshman to be ever named an All-American at Florida State as he was named to the second team by Golfweek and to the third team by the GCAA. Maguire and sophomore Hank Lebioda were named to the All-ACC team and Maguire was tabbed the ACC Freshman of the Year. The Seminoles smashed apart the record book at the USF Invitational as the team posted the lowest round (24-under 264) and lowest three-round tournament score (41-under 823) in school history. Maguire created his mark with the lowest round in school history (10-under 62) and second

lowest tournament score (16-under 200).

2013 NCAA CHAMPIONSHIP

Florida State finished in 11th place at the 2013 NCAA Championship Finals at the Capital City Club Crabapple in Atlanta, Ga. The Seminoles are just one of two teams to finish in the top 11 of the NCAAs in three or the last four years. Sophomore Daniel Berger led the team at the Championships finishing tied for second with a 6-under 204. Both Berger and Chase Seiffert earned All-American status for the year as Lebioda was named 2013 ACC Freshman of the Year.

2012 NCAA CHAMPIONSHIP

Florida State earned an eighth place national finish at the 2012 NCAA Championship Finals to mark the second time in three seasons the Seminoles finished in the top eight of the standings at the national tournament. The Seminoles entered the championship ranked No. 19 in the nation by GolfStat and finished as one of only two teams ranked outside of the top eight to finish in the top eight of the final standings.

2010 NCAA CHAMPIONSHIP

Florida State finished in a tie for third place at the 2010 NCAA Championship Finals to earn the best national finish in school history. The Seminoles fell to Augusta State (the 2010 National Champion) in the semifinals of the championship tournament after defeating Texas Tech in the first round of match play. The Seminoles led the stroke play portion of the tournament and finished in second place to earn the No. 2 seed in the match play portion of the event. The third place finish at the NCAA Championship marked the best finish in school history - one better than the Seminoles fourth place national finish in 1957 and tied for fourth place finish in 1958.

2008 ACC CHAMPIONSHIP

Florida State, which was led by All-Americans Jonas Blixt and Matt Savage, won its first ever Atlantic Coast Conference championship as it defeated Duke by three strokes at the 2008 ACC Championship at the Old North State Club at Uwharrie Point. The Seminoles defeated Duke as they rallied from a one stroke deficit after two rounds to claim the school's first ever ACC championship in the sport of golf. Each of the five team members contributed to the victory as the Seminoles closed the 54-hole tournament with four players under par. Blixt and Savage led the way with eight-under par 208 scores as they both finished in a tie for third in the individual standings.

RECRUITING

Known as one of the nation's most dynamic recruiters, Jones is nationally recognized as one of the top talent scouts in all of collegiate golf. His ability to recruit talented players, which in turn helps him build solid teams, is one of the aspects of coaching that has made Jones a top Division I coach. Florida State's recruiting class ranked fourth best in the nation in 2007, fifth best in 2008, sixth best in 2005 and among the nation's top 15 in 2006, 2010 and 2012.

HANK LEBIODA

Hank Lebioda, who played at FSU from 2012-16, will go down as one of the top golfers in school history. The four-year letterwinner leaves FSU as the program's career leader in par or better rounds (76), percentage of counting scores (93.4 percent) and birdies (467). The Winter Springs, Fla., native was the 2016 ACC Player of the Year, a four-time All-ACC Team member, a two-time All-America and a two-time ACC Player of the Month. Having an FSU legacy in his family, Lebioda embodied the true meaning of being a Seminole. On July 23, 2017, he won his first pro tournament at the Mackenzie Investments Open in Montreal, Canada, and began playing on the PGA Tour in January 2019.

BROOKS KOEPKA

Jones coached Brooks Koepka - the school record holder for lowest stroke average in a single season (71.09) and for a career (71.85) - the ACC Golfer of the Year in 2010 and 2012 and a three-time All-ACC selection. Koepka was named the ACC Golfer of the Year twice, the ACC Rookie of the Year in 2009 and earned All-American twice in his career in leading the Seminoles to four consecutive NCAA Tournament appearances and two top-10 NCAA Championship Finals finishes. As a senior, Koepka tied the school record with a nine under par score of 63 in the third round of the FAU Spring Break Invitational and set the school record with his 199 total for three rounds of the event. Koepka won three events as a senior - at the Brickyard Collegiate Championship, the Seminole Intercollegiate, the FAU Spring Break Invitational. Koepka secured his status on the PGA Tour by tying for fourth place in the 2014 U.S. Open, and finished the 2015 season with Top 10 major finishes at The Open Championship (T-10th) and the PGA Championship (T-5th). He won his first tournament at the 2015 Waste Management Phoenix Open, and caught many's attention with an impressive 3-1 record at the 2016 Ryder Cup for the United States. He then captured his first Major Championship at the 2017 U.S. Open in Erin Hills, and became the first golfer in 29 years to win back-to-back U.S. Opens when he conquered Shinnecock Hills in 2018. Koepka capped the 2018 season with a PGA Championship (his third major already) and earned the 2018 PGA Tour Player of the Year Award.

DANIEL BERGER

Under Jones' tutelage, Daniel Berger secured All-America status in 2013 by earning first-team honors from the GCAA and Golfweek. Berger's 69.79 average score in the 2012-13 year makes him the only Seminole to shot sub-70 in a season, an average score that led the country. He finished as an All-ACC selection in the same spectacular year, and joins former teammate Koepka as two of the best young players on the PGA Tour. Berger was honored as the 2014-15 PGA Tour Player of the Year, and won his first tournament at the 2016 FedEx St. Jude Classic, then repeated his victory in 2017 at the same tournament.

JONAS BLIXT

Jones coached one of Florida State's all-time best players - Jonas Blixt - to All-America honors and the first individual ACC Championship in school history. Blixt earned Ping/Division I All-American First Team honors in 2008 and Ping/Division I All-American second team honors in 2007. He is one of only three players in school history to earn All-American First and Second Team honors during his career. Blixt won the ACC individual championship in 2007 to become the first Seminole to win ACC medalist honors. He helped lead Florida State to the 2008 ACC Championship - the first ACC golf championship in school history - and earned All-ACC honors twice during his career. Blixt is currently playing on the PGA Tour with three wins, the 2012 Frys.com Open, 2013 Greenbrier Classic and the 2017 Zurich Classic of New Orleans. He finished tied for second in the 2014 Masters Tournament and fourth in the 2013 PGA Championship.

DREW KITTLESON

Jones also coached Drew Kittleson, who will long be remembered as one of the top golfers in school history. Kittleson played in the Masters Championship at Augusta in 2009, the U.S. Open at Bethpage Black in 2009, four NCAA Championships and four ACC Championships during his standout

career as a Seminole. He earned All-American Honorable Mention honors from Ping/Golf Coaches' Association of America in 2010 and Southeast Regional All-American honors in 2011. Kittleson helped lead Florida State to the 2008 ACC Championship - the first ACC golf championship in school history and to a third place finish at the NCAA Division I Championship finals in 2010 - the highest national finish in school history. After a second place finish at the 2009 U.S. Amateur, he earned exemptions to play in both the 2009 Masters and U.S. Open Championships. Kittleson is currently playing on the Web.com Tour.

ACADEMIC SUCCESS

Committed to the academic and athletic success of his student-athletes, Jones has coached 38 members of the ACC Academic Honor Roll, nine members of the ACC Academic Golf Team and five members of the Golf Coaches' Association of America All-American Scholar team. His team was also nationally recognized in 2010 as one of the few schools in the NCAA to achieve a perfect APR score of 1000 since the inception of the Academic Progress Rate program in 2003. During his tenure at Georgia State, he coached 10 members of the Atlantic Sun All-Academic team and 20 members of the TAAC All-Academic team.

JONES NATIONALLY

Jones has been an active member of the Golf Coaches Association of America since 1993. He is currently a member of the steering committee for the Collegiate Golf Hall of Fame. Jones served the board as the Division I Director for the East Region and served as the chair of the District 3 South Regional NCAA Selection Committee. He was also a representative in the District 3 South NCAA Selection Committee from 1999-2002.

GEORGIA STATE

Trey Jones was named the head coach at Georgia State in 1995 and immediately began to assemble one of the dominant men's golf programs in the southeastern United States. He led the Panthers onto the national scene for the first time in school history including their first appearance in the NCAA Championship tournament (2003), first conference championship (1998, Trans America Athletic Conference) and highest national ranking (20th during the 2000 season). Jones was responsible for the program in its entirety including recruiting, coaching, fundraising, public relations, strength and conditioning, scheduling and all budgetary matters. Under Jones' leadership, Georgia State amassed 91 wins over SEC teams and 33 wins over ACC opponents from 1997-2003. During that period, the Panthers earned 23 victories over top 25 opponents.

Jones is married to the former Cathy McVeigh, who is the coordinator of financial aid for student-athletes at Florida State. They are the proud parents of a daughter, Jordan (17) and a son, Drew (13). ROBERT DUCK

ASSISTANT COACH
8th SEASON
AUGUSTA STATE ('01)

Robert Duck, who has worked with the two greatest collegiate golfers in school history, and who has helped both the Seminoles' men's and women's golf teams reach the nation's No. 1 ranking, is in his eighth season as an assistant coach with both programs at Florida State University. His ability to teach the game of golf to the nation's top golfers has helped elevate Florida State's programs to rank among the nation's best in both sports.

Duck was one of six finalists for the Jan Strickland Award presented by TaylorMade and the Golf Coaches Association of America in 2018. The award is presented to the nation's most outstanding assistant coach in collegiate golf. The Strickland Award is presented to the NCAA Division I, II, III, NAIA or NJCAA assistant coach who has excelled in working with their student-athletes both on the course and in the classroom.

Under Ducks' tutelage, both Seminole teams have become perennial leaders in the national rankings and course statistics as well as in the production of All-Americans and All-ACC performers. He has helped raise the profiles of both programs to the levels necessary to compete as top collegiate programs on an annual basis.

Duck worked closely with Brooks Koepka - two-time U.S. Open Champion, 2018 PGA Champion and 2012 ACC Player of the Year - and Matilda Castrén - the all-time career stroke leader for the Florida State women (72.52) - as he has helped develop the top golfers in program history. Duck has worked with eight of the top 10 scoring men and eight of the top 10 scoring women in school history. Koepka, who won the 2017 and 2018 U.S. Open titles, and who finished his Seminole career with a 71.84 stroke average, and Harry Ellis, the 2017 Amateur Champion, are among the players he has worked with during his Florida State career. Ellis completed his career at Florida State as a two-time All-ACC selection after playing as a member of the Great Britain and Ireland team in the 2017 Walker Cup.

Duck plays an integral role in the successes of both programs, including the men's national ranking of No. 1 in 2016 and the women's national ranking of No. 1 during the 2017 season. He has helped coach both programs into the NCAA Tournament in each of his first seven years while working with All-Americans and All-ACC honorees on both teams.

In his first seven seasons at Florida State, the men have produced nine All-Americans, 16 All-ACC selections, two ACC Golfers of the Year (Koepka in 2012 and Hank Lebioda in 2016) and three ACC Freshmen of the Year, while the women have produced six All-Americans and 13 All-ACC performers. Duck worked with a school-record four Seminole women who earned All-ACC honors in 2017.

During each of his seven seasons, the Seminole men and the Seminole women have appeared in the NCAA Tournament seven times each with the men finishing ninth in the team standings in the 2012 NCAA Championship finals and 11th in the 2015 NCAA Championship finals, and the women finishing in tied for 12th in 2018 and 15th at the 2016 NCAA Championship Finals. The men have finished in second twice and third once while the women have finished second once, third once and have earned two fourth place finishes in their respective ACC Championships.

Duck's work with Florida State's players has led to incredible individual success in his first seven seasons in Tallahassee. His teaching abilities and coaching philosophies have helped accelerate the careers of two of the top men's players in school history - Koepka and Daniel Berger - as well as six of the top performers in school history on the women's side - Matilda Castrén, Lydia Gumm, Morgane Metraux, Kim Metraux, Maria Salinas and Jessica Negron. Koepka was named the ACC Golfer of the Year in 2012 and was a three-time All-ACC selection, while Berger, who has won twice on the PGA Tour, earned All-ACC honors and played for the United States' Palmer Cup team in 2013. Duck also worked with Seminole All-American Hank Lebioda - who earned All-American honors in 2015 and 2016, was the 2013 ACC Freshman of the Year, a four-time All-ACC selection and was a member of the 2014 United States Palmer Cup Team. Castrén earned All-American honors in 2014 and 2017, is a three-time All-ACC honoree and holds the record for lowest stroke average in school history. Morgane Metraux earned All-American and All-ACC honors in both 2017 and 2018 and finished in a school-best fifth place in the individual standings at the 2018 NCAA Championship Finals. Kim Metraux earned All-ACC honors in both 2017 and 2018. Gumm was an All-ACC selection in 2015 and 2017. Salinas finished in a tie for first in the NCAA Central Regional and earned All-American honors in 2012 and Negron earned All-ACC honors in 2013.

DUCK AND TOURNAMENT CHAMPIONSHIPS

Duck has helped the Seminoles women to seven team championships and the men to 16 - a total of 23 in his seven seasons at Florida State. The women won a school-record six tournament championships in 2018 - one more than the school record of five during the Seminoles' national championship season in 1981. He has also helped the women earn school-record second place finishes at the 2017 NCAA Shoal Creek and 2018 NCAA Tallahassee Regional Championships. Duck has helped coach the Florida State men to 16 tournament championships. The Seminoles won four consecutive tournaments, earned six overall team championships and were the No. 1 overall seed in the NCAA Golf championships in 2015. The Seminoles - both the men and the women -

have been ranked among the nation's top 30 teams throughout his first six seasons at Florida State. The men were ranked No. 1 in 2015 while the women were ranked No. 1 in 2017.

COACHING EXPERIENCE

Duck is one of the stars in collegiate coaching. He was the acting head coach at Augusta State in 2002, served the Jaguars as a volunteer assistant coach during the 2001-02 season and was an assistant coach for the program during the 2002-03 season. During his tenure as the acting coach at Augusta State, the Jaguars were ranked as high as No. 9 nationally.

COLLEGIATE PLAYING EXPERIENCE

Duck enjoyed a standout career at Augusta State (1998-01) where he earned All-America honors as a sophomore (1999) and led the Jaguars to three NCAA Championship appearances (1998, 1999, 2001). He is one of the top golfers in the storied history of the Augusta State program and remains listed prominently in the record book 15 years after his playing career ended. Duck is ranked second in school history for lowest stroke average by a freshman (73.22), which stood as the school record for nearly 15 years. It is an average that still ranks in the top-15 in school history. His career stroke average of 73.86 is ranked 14th in school history. During his career, he earned 12 top-10 and 28 top-20 individual finishes.

COLLEGIATE COACHING EXPERIENCE

Duck's ability to communicate with the players he coaches is illustrated by the success those players have earned on the golf course. In his first seven seasons at Florida State, he has worked with 16 All-Americans, 29 All-ACC honorees, two ACC Golfers of the Year and four ACC Freshmen of the Year. Each of the 14 teams (seven men's and seven women's) he has helped coach at Florida State has played in the NCAA Tournament and both teams have been ranked in the nation's top-20 during the first seven years of his tenure in Tallahassee.

AS A CADDY FOR MORGANE METRAUX AT THE 2017 U.S. WOMEN'S OPEN

Duck enjoyed the honor of caddying for Florida State All-American Morgane Metraux at the 2017 U.S. Women's Open at the Trump National Golf Course in Bedminster, N.J. The incredibly special invitation came from Metraux shortly after she qualified for the event. "I was very excited to have been asked by one of our players to caddy for her in the U.S. Open. To have the opportunity to watch Morgane progress to this level and play against the best in the world is a proud moment and one that I will always remember."

2017 WAS A HISTORICAL SEASON FOR THE FLORIDA STATE WOMEN

2017 was an incredibly special season for the Florida State women. The Seminoles were ranked No. 1 in the nation, won six tournament championships, had four players named to the All-ACC team, led the nation in scoring average vs. par, led the nation in par 5 scoring and Head Coach Amy Bond was named the ACC Coach of the Year. Florida State won its first tournament of the season and went on to win unprecedented six tournaments to tie for the national lead. Never before had any team in Florida State history won more than five events in a single season - not even the Seminoles' 1981 A.L.A.W. National Championship team. The Seminoles earned the highest NCAA regional seed in school history (No. 2), and finished in third place in the NCAA Columbus Regional Championship before earning their second consecutive top-20 finish at the NCAA National Championship Finals. A record number of Seminoles (four) earned All-ACC honors while two were celebrated with All-American honors.

2015 WAS ONE OF THE BEST IN THE HISTORY OF THE MEN'S PROGRAM

Duck helped the Seminole men's golf team to the best season in program history in 2015. The Seminoles finished 11th in the final standings at the NCAA Men's Golf Championships, finished in second place in the ACC Championships, earned a program-best national ranking of No. 1 during the season, were the No. 1 seed in the NCAA men's Golf Championship tournament, had three players earn All-American honors (third time in school history three players earned All-American honors in the same season) and set a single-season school record with six tournament wins.

2014 WAS A BANNER YEAR

Duck's coaching efforts in 2014 helped the Seminole men to a second place finish in the ACC championship, a fifth place finish in the NCAA Raleigh Regional and an appearance in the NCAA Championship Finals for the third consecutive year. He helped coach one All-American, the ACC Freshman of the Year and All-ACC selections Jack Maguire and Hank Lebioda. The Seminole men won the USF Invitational as they posted the best single round team and tournament score in team history in winning the championship. Duck helped coach freshman Matilda Castrén, who earned All-American Second Team and All-ACC Honors and who was the runner-up for ACC Player and Rookie of the Year honors, as well as All-ACC selection Alex Milan.

SUCCESS OF BROOKS KOEPKA

Duck worked with All-American Brooks Koepka, the 2017 and 2018 U.S. Open and 2018 PGA Championship winner, during his final season as a Seminole (2011-12). Koepka was named the ACC Player of the Year and led the Seminoles to a ninth place finish at the NCAA Championship

finals in 2012. Koepka earned his PGA Tour card for the 2014-15 season as he finished in a tie for fourth place at the 2014 U.S. Open - a finish which also earned him an invitation to play in the 2015 Masters Championship. In 2017, Koepka had the lowest aggregate score in the four major tournaments on the PGA Tour. Koepka won the championship of the 2015 Phoenix Open for his first PGA Tour victory. In winning the 2017 and 2018 U.S. Open championships, Koepka became one of only seven golfers in the 118-year history of the event to win consecutive titles.

SUCCESS OF DANIEL BERGER

Duck coached Daniel Berger, the 2016 and 2017 FedEx St. Jude tournament champion on the PGA Tour, during his stellar two-year career as a Seminole. Berger won two individual titles (the spring 2013 Gator Invitational and the spring 2013 Seminole Invitational), was a two-time First-Team All-American, was named to the All-Nicklaus Team, the All-ACC Team and the Ping All Region team as a sophomore at Florida State. He led the ACC in stroke average and carded his collegiate career low score of 65 during the spring of his sophomore season. Berger was named the 2015 PGA Tour Rookie of the Year.

ON COURSE COACHING

Because he has played and coached at such high levels, Duck is known as a players' coach. His ability to help each student-athlete create long-term training schedules and encourage them to work towards those goals on a daily basis has helped create a teaching environment that has fostered the recent successes of both the Seminoles' men's and women's programs.

NCAA CHAMPIONSHIP HISTORY AS A PLAYER

Duck led Augusta State (now Georgia Regents University) to three NCAA Championship tournament appearances and helped the Jaguars to a seventh place finish as a senior, the best finish in program history at the time. With the foundation put in place by Duck and his teammates, the Jaguars won the NCAA Titles in 2010 and 2011.

SUCCESS IN PROFESSIONAL WORLD

Duck enjoyed a successful career as a manager of professional golfers for the Hambrick Sports Group (2003-2012) before accepting his current assistant coaching position at Florida State. Based in London, Duck was the supervisor of the European Division of Hambrick Stellar Golf. He was a player manager who oversaw public relations and marketing for seven clients including 1988 Masters champion Sandy Lyle, 2005 European Tour Rookie of the Year Gonzalo Fernandez-Castano, former Augusta State All-American Oliver Wilson and Francesco Molinari.

PERSONAL

Duck is married to the former Michelle Digsby. The couple has two daughters, Annabel (11) and Hannah (eight). He earned his Bachelor's Degree in Marketing from Augusta State in 2001. A native of Northampton, England, he represented Great Britain-Ireland as a member of the 1998 Palmer Cup team. Duck played in the 1997 European Amateur Championship and finished tied as the runner-up with Sergio Garcia and Luke Donald.

AMY BOND

WOMEN'S HEAD COACH
9th SEASON
FLORIDA STATE ('99)

In her first eight seasons as Florida State's head coach, Amy Bond has developed one of the most competitive programs in the country - one that is consistently competing for conference and national honors. She continues to build her program on the strength of bringing the best players into her program and teaching them to be winners on the collegiate level. Bond's goals are to win team national championships as she produces outstanding players - players who can be successful on the professional levels after they have left their marks as college players at Florida State.

Bond, the 2017 ACC Coach of the Year, has led the Seminoles to a school record three consecutive appearances in the NCAA Championship Finals and to eight straight NCAA Tournament appearances. Her teams have recorded the top six single season scoring averages in school history including a school-record 288.1 team average during the 2016-17 season when the Seminoles won a school-record six events and led the ACC in stroke average. The Seminoles have ranked in the top four in the ACC in stroke average in each of the last four seasons.

Under Bond, the Seminoles have finished in the top-20 in the NCAA Championship Finals in each of the last three seasons including a tied for 12th place finish in 2018 - the second best national finish in school history. The Seminoles have finished in second place in the NCAA Regional Championships twice in the last three seasons (at Shoal Creek in 2016 and at Tallahassee in 2018) and have finished as the ACC runners-up twice since 2017 (2018 and 2018).

Individually, Bond has mentored 15 of the top 16 golfers in school history. She recruited and coached two-time All-American Matilda Castren - the Seminoles' all-time stroke average leader as well as two-time All-American Morgane Metraux who is ranked among the top five golfers in school history. Bond is currently coaching Amanda Doherty, who is the second ranked golfer in school history.

Bond, who grew up in a family of coaches, led Florida State the one of the greatest seasons in school history in 2017.

The Seminoles were ranked No. 1 in the nation, won six tournament championships, had four players named to the All-ACC team, led the nation in scoring average vs. par, led the nation in par 5 scoring in route to Bond being named the ACC Coach of the Year. Florida State won an unprecedented six tournaments to tie for the national lead. Never before had any team in Florida State history won more than five events in a single season. Florida State took over the nation's No. 1 ranking after winning the Jim West Challenge and the Cardinal Cup during the fall season. The Seminoles then earned the highest NCAA regional seed in school history (No. 2), and finished in third place in the NCAA Columbus Regional Championship before earning their second consecutive top-20 finish at the NCAA National Championship Finals.

During her first eight seasons as Florida State's Head Women's Golf Coach, Bond has coached seven All-Americans, two NCAA Regional Champions, 16 All-ACC selections, 23 All-ACC Academic Honor Roll selections with 57 academic honors, 17 players who have been named to the All-ACC Academic team and eight who have been named Academic All-Americans.

In her eight seasons at Florida State, the Seminoles have played in eight NCAA Championship tournaments, produced the school's first two NCAA Regional Champions (Maria Salinas in 2012 and Matilda Castren in 2016), earned seven All-American honors (Matilda Castren in 2014 and 2017, Salinas in 2011 and 2013, Morgane Metraux in 2017 and 2018 and Amanda Doherty in 2018), earned 16 All-ACC selections (Salinas in 2011 and 2012, Jessica Negron in 2013, Castren in 2014, 2016 and 2017, Alex Milan in 2014, Lydia Gumm in 2015 and 2017, Kim Metraux in 2016 and 2017, Morgane Metraux in 2017 and 2018) and Doherty in 2018) and have had 23 players earn All-ACC Academic honors.

As the Seminoles' head coach, she has led Florida State to eight consecu-

tive NCAA Championship Tournament appearances - a streak that brings the program's current school-record streak to 12 consecutive NCAA appearances entering the 2018-19 season.

With her student-athlete first approach, her love of the game of golf, her unbridled love for Florida State University and her ability to recruit top-level talent, Bond constantly works to take the Seminole Women's Golf Program to a higher level. That higher level is in the classroom, with her relationships with her players, and Florida State's success on the golf course have all allowed her program to become recognized as one of the top all-around programs in all of college golf.

The Seminole Women's Golf Team is recognized as a star among stars as Florida State is annually celebrated as one of the top athletic programs in the nation. Florida State has finished in the top 25 in the Director's Cup in each of the last nine years.

As a player, Bond earned a spot on the ACC's 50th Anniversary team. As an assistant coach, she helped the Seminoles to three NCAA Tournament appearances. As Florida State's head coach, she has led the Seminoles to eight NCAA Championship appearances. She earned all-region honors in 1999 as she finished in a tied for 11th place at the NCAA East Regional Championship.

Throughout her playing career at Florida State, she played as one of the Seminoles' top players (she was named Florida State's team MVP in 1997, 1998 and 1999), played with a number of touring professionals (including LPGA major winner and current Golf Channel analyst Karen Stupples) and has coached many of Florida State's recent greats including the only four-time golf All-American in school history (Caroline Westrup). While achieving success during her career as a player and a coach, Bond has never lost sight of her ultimate goal: the success and achievements of her student-athletes.

In her 13 seasons as a Seminole coach (five as an assistant and eight as the head coach), every student-athlete who has played golf at Florida State has earned her bachelor's degree and every one played on at least two NCAA Tournament teams during their careers. The Seminoles are among the NCAA leaders with a perfect APR rating during Bond's eight seasons as Florida State's head coach.

FLORIDA STATE IS HOME FOR BOND

Amy Bond joined the long and illustrious list of Florida State alumni who have returned to coach their alma mater when she was named the Seminoles' head coach on June 25, 2010. She returned to her Seminole roots after an outstanding playing career at Florida State (1994-99) during which she finished in 30th place in the 1999 NCAA Championship Finals and a five-year career as an assistant coach (2001-06). Bond is one of three Florida State University alumni who are current head coaches at their alma mater joining Jennifer Hyde (Women's Tennis) and Mike Martin (Baseball).

AS THE HEAD COACH AT FLORIDA STATE

Florida State Head Coach Amy Bond has guided each of her first eight Seminole teams to the NCAA Championships. Including her four years as a Seminole player (1994-99), her five years as a Seminole assistant coach (2001-06) and eight as Florida State's head coach, Bond has participated in 16 of 17 NCAA Regional Championships while wearing the Garnet and Gold. The Seminoles will look to play in their school record 14th consecutive NCAA Championship Tournament in 2019.

BOND LED FLORIDA STATE TO A HISTORIC SEASON IN 2017

Florida State enjoyed one of the top seasons in school history in 2017 as it earned the nation's No. 1 ranking, won a school record six tournament championships, were the No. 2 seed at the NCAA Columbus Regional Championship and played in the NCAA Championships finals for the second consecutive season. The Seminoles led the ACC and finished second nationally with a school record stroke average. Individually, two different golfers won five different tournament

championships, a school record four golfers were earned All-ACC honors and two earned All-American honors. Academically, each of Florida State's five starters were named to the All-ACC Academic Golf Team, all 12 members of the team were named to the ACC Academic Honor Roll and three players were named to the WCCA All-American Scholar Team. The Seminoles finished the 2016-17 season ranked No. 6 by GolfWeek and No. 11 by Golfstat.

BOND AS A TOURNAMENT HOST

Bond's passion for growing the game of golf has increased her desire to plan and host large-scale tournaments at Florida State. She hosted the NCAA East Regional Championship in 2014 and the NCAA Tallahassee Regional Championship in 2018. Both were events that showcased the best in women's collegiate golf. Bond has played host to six Florida State Match-Up Tournaments and will host a third Regional championship in May 2022 as she continues to attract high level competition to the city of Tallahassee on an annual basis.

SUCCESS AT PRINCETON

Bond was successful in her first head coaching position at Princeton (2006-10) as she guided the Tigers to eight tournament victories and top four finishes in four Ivy League championship tournaments. The Tigers finished in second place in the Ivy League championship in 2007. Bond coached Susannah Aboff to consecutive Ivy League individual championships in 2008 and 2009. It marked only the third time in league history that a player had won consecutive individual conference championships. Aboff earned All-Ivy League honors three times during her career in becoming just the second player in school history to be named to the all-league team three times in her career. During her four seasons at Princeton, only the Tigers and Harvard performed consistently well in the conference championship by finishing in the top four of the team championship from 2007-10.

COMMUNITY SERVICE CHAMPIONS

The Seminoles Women's Golf Team has won 13 of the last 17 Athletic Director's Cups for Service at Florida State's annual Golden Nole Banquet. The Athletic Director's Cup for Service is presented annually and is the most prestigious award given to the Seminole student-athletes. It goes to the team that contributes the most service hours to the community over the course of an entire year. The Seminoles won the Athletic Director's Cup for Service in each of Bond's five years as an assistant coach and in four of her first eight seasons as the Seminoles' head coach.

HERE COMES PAK MAN!

Freshman John Pak burst onto the scene like few Florida State Men's Golf freshmen ever have. The native of Scotch Plains, N.J., became a PING Third Team All-American as well as a Phil Mickelson Freshmen All-American after leading the Seminoles with a 70.49 scoring average. Pak won the Seminole Intercollegiate held at Golden Eagle Country Club in Tallahassee, and earned nine Top 10 finishes.

THE STREAK CONTINUES

In the 2018 spring season, the Seminoles made their 13th consecutive NCAA Regional appearance when they earned a spot in the NCAA Regional in Norman, Okla. Despite not reaching the NCAA Finals for the first time since 2011, FSU kept alive its worthy streak of punching an NCAA postseason ticket. FSU's NCAA regional appearance streak began in 2006.

ONE OF THE FSU GREATS SAYS GOODBYE

A captain in every sense of the word, Florida State Men's Golf Alum Harry Ellis wrapped up his senior season in 2017-18. Ellis, who hails from England, won two tournaments in his final season as he tied for first at the Marquette Intercollegiate and also tied for first with teammate Jamie Li at the Mobile Sports Authority Intercollegiate. Ellis leaves his tremendous Seminole career as an All-American as well as a scholar-athlete All-American, and earned amateur spots at The Master's, The U.S. Open and The Open Championship during his time with FSU.

ALL THEY DID WAS WIN

The Seminoles did a lot of winning in the 2017-18 year, finishing first in four tournaments (three team, one individual). FSU began the fall season by winning The Doc Gimmler at 13-under, and started the spring season by dominating the Mobile Sports Authority Intercollegiate with a team score of 30-under. At that same time, Bennett Baker won the USA Individual Tournament in Mobile, Ala. The winning stretch was capped with a Seminole Intercollegiate title at 20-under on Feb. 24-25.

John Pak won the 2018 Seminole Intercollegiate at Golden Eagle Country Club.

Jamie Li was one of the FSU Men's golfers who showed noticeable improvement in the 2017-18 season.

Harry Ellis capped off an inspiring career with two tournament titles as a senior.
