# LEADERSHIP

When head coach Dwayne Hultquist took over the Florida State men's tennis program in 2000, the Seminoles were seventh out of nine teams in the ACC and barely ranked in the top 60 nationally. Under his leadership, Hultquist morphed the Seminoles into a winning sensation, coaching the team as high as No. 7 in the country in 2008, the highest in program history. Hultquist's coaching expertise led the men's tennis team to be recognized as a top contender in the conference and across the nation, revamping the perception of the program. As the winningest coach in program history, Hultquist has brought Florida State men's tennis a sense of confidence and success that had not been seen before.

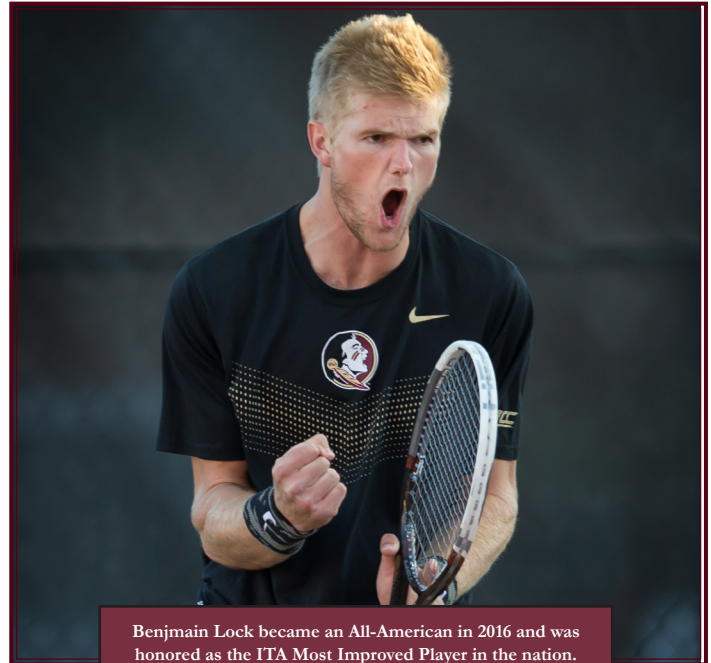

Hultquist and the 'Noles have played in the NCAA Tournament a school-record 14 consecutive years, including a trip to the quarterfinals in 2005 and two round of 16 appearances in 2008 and 2009. Since 2004, the 'Noles have made the NCAA Tournament every season and ranked no lower than 47th in the country. In 17 seasons under Hultquist, FSU has had three ACC Player of the Year recipients, six All-American honors, the ITA Most Improved Player and two national ITA Arthur Ashe Leadership and Sportsmanship Award winners.

Hultquist has won a career-high 21 matches in a season three times, and finished with a winning record in 14 of his 17 seasons as leader of the 'Noles. Overall, Hultquist has a record of 276-182.

One of the longest-tenured coaches in college tennis, Hultquist has taken the Seminoles to new heights.

# PRESTIGE

Benjamin Lock became an All-American in 2016 and was honored as the ITA Most Improved Player in the nation.

Florida State is known for developing elite talent and its reputation was further sustained when the men's tennis team was invited to compete in the NCAA Tournament for the 14th consecutive season in 2016.

Throughout the history of the Florida State men's tennis program, many notable players and coaches have passed through the courts in Tallahassee, including Don Loucks, the first tennis coach in program history who led the team to a 9-4 record in his inaugural season with the 'Noles.

Other notable Seminoles include Ray Bellamy, a team captain in 1960 and 1961 who lost only three times during his time with FSU and later went on to join the Navy as a flight surgeon and win the state's 35-and-over singles and doubles championship in the 1970s; Marco Abilhoa, a three-time Metro Conference MVP in the early 1980s; Joey Rive, a five-time Metro Conference champion (three singles, two doubles) who was named the 1987 Tennis Magazine Sportsman of the Year and went on to rank as high as No. 57 on the ATP Tour; and Jean-Yves Aubone, the Seminoles first two-time singles All-American and 2009 ACC Player of the Year who ranked as high as No. 8 in the country in 2009, the highest ranking for a Seminole in school history.

In the 68-year history of the program, Florida State has won seven conference titles, made 21 NCAA Tournament appearances, and finished the season ranked 30 times, including 23 consecutive years.

## ACADEMICS

## ACCOLADES

Benjamin Lock accepts the Golden Torch Award, alongside athletic director Stan Wilcox (left), director of operations Scott Mottice, and Dr. Kacy King.

**A** key part to maintaining Florida State's reputation as an elite collegiate team is having ambitious athletes that continue to ace the competition on and off the court.

In 2016, Marco Nunez and senior Michael Rinaldi were named ACC Postgraduate Scholarship winners, the third and fourth players in the past four seasons to be so honored. The Seminoles also were the 2015 Golden Torch winners for best GPA on campus, continuing to show that success on the court and in the classroom is not mutually exclusive.

In 2015, Florida State had three players make the All-ACC Academic Team, Benjamin Lock and Marco Nunez, as well as Cristian Gonzalez Mendez for the second time. FSU was one of only three schools to place three or more athletes on the team.

Gonzalez Mendez was also named the Jim McKay Scholarship winner, presented by the NCAA to one male and one female student-athlete across all divisions. Gonzalez Mendez was also named to the President's or Dean's List seven times and was a three-time Golden Torch winner.

Joining Gonzalez Mendez on the ACC Academic Honor Roll were two-time winners Jack Haffey, Lock, and Parker Evertsen, and first-time honorees Nunez, Michael Rinaldi, and João Gauer. Gonzalez Mendez, Haffey, Nunez, and Rinaldi were also named ITA Scholar Athletes.

In 2011, Vahid Mirzadeh became the second athlete in school history to be honored with the prestigious ITA Arthur Ashe Leadership and Sportsmanship Award, following in the footsteps of Mat Cloer in 2005. Lock was the Southeast Region Arthur Ashe

**I**n the history of the Seminole men's tennis program, Florida State has had seven All-Americans play for the 'Noles, including Benjamin Lock in 2016, Vahid Mirzadeh and Connor Smith as a doubles tandem in 2011 and Brian Stanton and Ken McKenzie as a doubles pair in 1995; Mat Cloer in singles in 2005; and the only two-time winner in school history, Jean-Yves Aubone, in 2008 and 2009 in singles play.

In 2016, Benjamin Lock also won the ITA Most Improved Player in the nation and ITA Arthur Ashe Sportsmanship and Leadership Award for the Southeast region after rising to No. 9 in the ITA rankings finishing as runner-up for the ACC Player of the Year. Other honors for the Seminoles include the Arthur Ashe Leadership and Sportsmanship Award, won by Mirzadeh (2011) and Cloer (2005); the ITA Southeast Region Coach of the Year for Dwayne Hultquist (2013); ITA Regional Assistant Coach of the Year, won in 2003 by Ty Braswell, 2010 by Cloer, and 2006, 2013, and 2015 by Nick Crowell; and ITA Regional Player of the Year, won by Aubone in 2010.

Additionally, two Seminoles have won at the prestigious Bedford Cup, an annual tournament that features players from around the state of Florida. In 2012, Benjamin Lock paired with Andres Bucaro to win the doubles draw, and in 2013, Cristian Gonzalez Mendez won the singles draw.

Multiple Seminoles have played in the Davis Cup for their countries, including Ricardo Bernd for Brazil (1971-72), Rejean Genois for Canada (1973-74), Enrique Andrade (1975-76) for Ecuador, Joey Rive for the U.S. (1989) and Puerto Rico (1992-94), Marco Nunez for Mexico (2011), Andres Bucaro for Guatemala (2013-14) and Benjamin Lock for Zimbabwe (2011-15). Sophomore Aziz Dougaz has played Davis Cup for Tunisia each of the last two seasons.

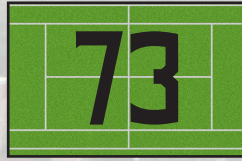

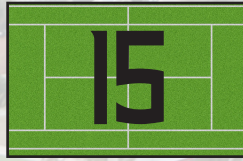

Aziz Dougaz helped lead Tunisia to Group II of Davis Cup each of the last two years.

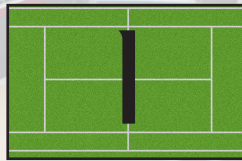

# SCOTT SPEICHER...BY THE NUMBERS

Seminole wins at home in 2014, the most since Speicher opened in 1994.

FSU has gone 237-84 at Speicher, winning over 73 percent of home matches.

Consecutive seasons without a losing record for the 'Noles at Speicher since 1994.

ITA Southeast Regional championships won in Speicher (Guy Iradukunda, 2016)

Consecutive seasons without a losing record at home.

Victories at home since Speicher opened in 1994, just over 10 per year.

With the first stage of construction completed in the summer of 1993, the Donald Loucks Courts at the Scott Speicher Tennis Center opened its gates to the public for the first time at a Children's Miracle Network charity tournament. Since then, many successful tournaments including the 1996 NCAA Women's Championships and 2007-2010 NCAA Regionals have graced the courts at one of Florida State University's premier athletic facilities.

Costing \$1.2 million to build and then another \$800,000 for recent additions, Florida State's Speicher Tennis Center has become an example of the increasing dedication and commitment the University has to all of its 20 varsity athletic programs.

The Speicher Tennis Center houses 12 lighted hard courts, over 1,000 court level seats, coaching offices, men's and women's locker rooms, equipment and storage rooms, a team lounge and a public address system. In 2015, the complex added booster seating over Courts 1 & 2 with new black awnings to cover spectators. Underneath the grandstands, a new paint job and signage welcomes players and fans to the complex. The growing pride Florida State has for its tennis program and its premier tennis center was honored just after it's opening in 1993, when the United States Tennis Association (USTA) awarded the structure with its "Top Notch" facility award.

In 2016, the courts were repainted in Florida State's patented Garnet and Gold, the first major renovations to the courts since they opened in 1993.

The Speicher Tennis Center was named in honor of Lieutenant Commander Michael Scott Speicher, a graduate of Florida State University. Speicher was considered the first American casualty during Operation Desert Storm, but was later reclassified by the U.S. government as missing in action in 2001 and missing or captured a year later. However, in 2009 Speicher's remains were found in the Anbar province of Iraq after a nearly 20-year search. The Scott Speicher family was later honored by Florida State at a home football game with a missing man formation flyover from the Navy. By Presidential directive, the facility bears the name the "Scott Speicher Tennis Center."

In 1947, Loucks became Florida State's first basketball coach and a year later was named the school's first tennis coach. The varsity tennis courts were named for Loucks in 1981. He served as Dean of Men from 1957-1967 and was known as a servant of leadership, service and devotion to many worthy causes.

The Speicher Tennis Center was designed by EMO/Architects, Inc., a Tallahassee-based architectural firm, in collaboration with Global Consult Group, Inc., an internationally recognized Tennis Facility Design Consultant. The complex was funded by private sources and supervised through the state university system of Florida.

Through its 23 year existence, the Donald Loucks Courts at the Scott Speicher Tennis Center has served as the home courts for all Florida State men's and women's home dual matches, ITA Regional Championships, Seminole Fall Classics, City of Tallahassee tennis championships, various USTA regional and zonal tournaments, the 1994 and 1995 Men's Intercollegiate tournament and the annual Children's Miracle Network Charity Invitational benefiting Shands Hospital in Gainesville.

After breaking ground on construction in January of 2010, the Indoor Tennis Facility was completed in April of 2011. The multimillion dollar Indoor Tennis Facility serves as an additional playing arena for the Florida State tennis teams. Since the completion in spring of 2011, the facility has served as both a site for training and competition.

The building hosts six regulation courts, locker rooms, athletic training room, equipment room, office and lobby. With this newest facility, both Seminole Tennis teams are equipped with the tools to host both regional and national championships now and in the future. For the next phase, plans are in place to add spectator seating, team lounges, extended locker rooms, offices and a press box.

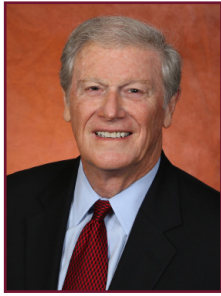

Besides use from the tennis programs, the Multi-Purpose Educational Facility is used for academic classes, clinics and camps. The facility was the first indoor tennis facility approved for college competition in the state of Florida and is still one of just a few in the southeast.

The women's tennis team had its first practice on April 6, 2011 while the men practiced the next day on April 7. At the men's Seminole Invitational during September 2011, the back draws were played there for the facilities first competition. The first women's dual match was played on January 21, 2012 against UCF where Florida State won 6-1. The men's team played Furman on January 22, 2012 and came off the courts with a 7-0 victory.

In December 2016, the Seminoles hosted the second consecutive Tallahassee Futures inside the Indoor Tennis Facility, with the pair of Aziz Dougaz and Guy Irdaukunda advancing to the doubles finals.

The building was designed by Architects: Lewis + Whitlock while construction was completed by Rippee Construction of Tallahassee.

In December 2016, Florida State hosted the Tallahassee Futures presented by Visit Tallahassee. As the final futures-level tournament of the year in the United States, the Tallahassee Futures boasted one of the strongest fields of any Futures-level event.

Juniors Guy Iradukunda and Lucas Poullain each earned the first ATP tour points of their careers, including Iradukunda's victory over former NCAA champion Ryan Shane.

Iradukunda and sophomore Aziz Dougaz advanced all the way to the doubles finals, where they fell just short of their second doubles Futures title together. The pair previously won the Morocco Futures doubles championship in 2014.

Entering his 18th season as the head coach at Florida State, Dwayne Hultquist has put himself atop the Florida State record books and the Seminoles in the national spotlight.

Under Hultquist's leadership, Florida State men's tennis has emerged as one of the top programs in the Atlantic Coast Conference and the country. In 17 seasons under Hultquist, FSU has had three ACC Player of the Year recipients, six All-American honors, the ITA Most Improved Player and two national ITA Arthur Ashe Leadership and Sportsmanship Award winners.

In 2016, the Seminoles reached new heights with 18 regular season wins and a three-seed in the ACC Tournament. Among the highlights were the first win over the No. 1 team in school history with a 4-3 triumph over North Carolina in March. En route to a 14th-consecutive NCAA Tournament appearance, Florida State senior Benjamin Lock was named the ITA's Most Improved Player after rising to No. 9 in the singles rankings on the season. Lock and senior Marco Nunez also reached the NCAA Tournament for a second consecutive season, while Lock became the third singles All-American in FSU history, all under Hultquist's watch. Both players were named All-ACC (Lock - First Team; Nunez - Second Team).

Also in 2016, Nunez and senior Michael Rinaldi were named ACC Postgraduate Scholarship winners, the third and fourth players in the past four seasons to be so honored. The Seminoles also were the 2015 Golden Torch winners for best GPA on campus, continuing to show that success on the court and in the classroom is not mutually exclusive.

In 2014-15, Hultquist captured his 250th victory with a win on the road at No. 33 Louisville and enters the 2016 season with 258. The year also saw him reach the second round of the team championship for the first time since 2012.

Along with Lock and Nunez, junior Rinaldi and senior Cristian Gonzalez Mendez also were ranked during the season, and true freshmen Terrance and Terrell Whitehurst finished with an 18-8 doubles mark in their first semester at Florida State. Lock's No. 48 final singles rank was the highest for a 'Nole in four years, while Lock and Nunez finished in the Top 30 (No. 20) for the second consecutive season.

The team's 20-11 record was the most wins since 2009 and the most regular season wins in school history with 18.

The winningest coach in program history, Hultquist has led the 'Noles to 14 consecutive NCAA Tournament appearances, one of only 10 programs in the country to reach that mark of post-season longevity. Hultquist has finished ranked in the final poll of the season all 17 years. Lock (second team) and Rinaldi (third team) were honored with All-ACC honors.

The 2015 season was the first with an improved VIP seating area at the Scott Speicher Tennis Center, a project spearheaded by Hultquist that allows boosters to sit in covered, cushioned seating areas while cheering on the 'Noles. It was also the first season with home matches on ESPN3, another project championed by Hultquist that increased the reach of Seminole tennis nationwide and helped improve the Seminole brand.

In 2014, Hultquist oversaw a team that reached the second round of the ACC Tournament. The 'Noles took down nine ranked teams, highlighted by victories over No. 18 Wake Forest, No. 47 Miami, and No. 60 Nebraska. Hultquist and the 'Noles have defeated in-state rival Miami in 14 of the past 16 seasons after notching just a 5-41 record against the Hurricanes prior to his arrival. The doubles pairing of Lock and Nunez ranked as high as

No. 4 in the country before a season-ending injury knocked Lock out of competition for most of the spring.

The 'Noles also placed two members on the All-ACC teams, with Dominic Cotrone (second team) and Cristian Gonzalez Mendez (third team) garnering honors. Two players, Gonzalez Mendez and Blake Davis, were also named to the ITA All-Academic Team, while Cotrone and Gonzalez Mendez were named to the All-ACC Academic Team.

The 2012-13 year was no different from the previous winning seasons. The year saw both Hultquist and associate coach Nick Crowell sweeping the ITA Southeast Regional coaches of the year awards. Cotrone and Davis ranked as high as No. 12 in the nation in doubles and played in the NCAA Doubles Championships at the end of the year.

During the 2012 season, Hultquist coached the team to its 10th straight NCAA appearance. The team finished 19-10 and reached the semifinals of the ACC Championships. Jordan Kelly-Houston was named to the All-ACC team while Andres Bucaro, Davis and Lock were named to the All-ACC Academic team.

In 2011, Vahid Mirzadeh headlined the season as he and Connor Smith were named All-Americans in doubles play, Hultquist's fourth and fifth athletes to earn that honor. Mirzadeh made a huge impact off the courts as he was awarded the ITA Arthur Ashe Leadership and Sportsmanship Award, showcasing his playing abilities, leadership, community service, academic achievements and sportsmanship.

The 2009-10 season had the team making the NCAA Tournament for the eighth year in a row where they reached the second round of play. Awards started coming in the fall as Clint Bowles was the Wilson/ITA Southeast Regional Singles Champion. Later in the year, Jean-Yves Aubone was named the ITA Senior Player of the Year and was named to the All-ACC team along with Mirzadeh. The Seminoles stormed the classrooms that year with seven members of the team being named to the ACC Honor Roll. Aubone capped the year by being named the ACC Men's Tennis Scholar-Athlete of the Year.

For the first time in school history, the Seminoles reached the Round of 16 in the NCAA Tournament in consecutive seasons (2008 and 2009). The 2009 season also marked the first time that the Seminoles finished the season ranked inside the top 15 in consecutive seasons (No. 13). Aubone also became the first player in school history to become a two-time All-American. The 'Noles had three All-ACC performers for the second consecutive season with Aubone, Bowles and Maciek Sykut earning those honors.

It was also in 2009 that Hultquist surpassed his predecessor David Barron as the winningest coach in school history, notching win No. 142 in the fourth match of the season against ACC rival Duke on January 31, 2009, in the first round of the National Indoor Championships. With 21 victories in 2009, Hultquist won more than 20 in one season for the third time in his career and the second season in a row.

The 2008 season was a year of records for Florida State culmi-

nating in a trip to the Round of 16 of the NCAA Tournament. The Seminoles achieved their highest ranking in program history at No. 7 during the season and individually saw Aubone earn the highest singles' ranking in the school's history. FSU's 21 victories marked the second time Hultquist led his squad to a 20-win season during his tenure.

Under the direction of Hultquist, Florida State players rose to new heights in 2008 with Aubone earning singles All-American honors and Sam Chang and Bowles getting All-ACC accolades. Aubone and Bowles also finished second in school history for doubles victories in a single season (28).

In 2007, Hultquist led Florida State to a 17-10 record and the Seminoles rose to No. 10 during the season. FSU also hosted an NCAA Regional for the first time in school history.

In Hultquist's sixth year at FSU, the Seminoles reached the 2005 NCAA Elite Eight for the first time and finished with its then highest-ever national ranking at No. 13 and stamped its first 20-plus win season since 1985. Hultquist led his squad to an impressive 21-8 mark and a second-place finish in the ACC. Under Hultquist's tutelage in 2005, Mat Cloer became the school's first singles' All-American and won the program's first national honor with the ITA Arthur Ashe Award.

Hultquist hit the ground running in the fall of 2005 and led his troops to an impressive fall campaign. For the Seminoles' efforts, Florida State not only earned the school's first invitation to the 2006 USTA/ITA National Men's Team Indoor Championship, but also garnered a respectable preseason ranking of No. 11 by the Intercollegiate Tennis Association.

Individual honors were bountiful in 2004 with Cloer claiming his second ACC Player of the Year honor, only the third player in league history to receive the award in consecutive seasons. Freshman Jonathas Sucupira was named to the All-ACC team, a first by an FSU rookie since 1992.

Florida State had a break-out year during Hultquist's fourth season as the 2003 squad returned to the NCAA Tournament for the first time since 1998 and ended the year with a 15-10 mark. The Seminoles produced their best finish in the ACC standings, taking second, while winning the ACC Indoor Doubles Championship for the second year in a row. Individual accolades rolled in as Hultquist's former aide, Ty Braswell, was named ITA Assistant Coach of the Year. On the court, Cloer became the first Seminole to earn ACC Player of the Year honors.

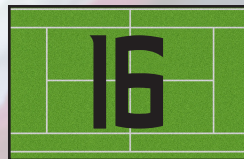

In his first year, Hultquist brought the Seminoles a winning record of 14-10. In his second year, the men's team entered the 2001-02 season ranked No. 59 by the ITA.

Hultquist arrived at Florida State after serving eight years as an assistant coach at the University of Texas. While working under legendary coach Dave Snyder, Hultquist became known for his excellent recruiting abilities. He was also responsible for scheduling, fundraising, individualized coaching and many of the day-to-day operations of the program. **(1948-50; 52-53)**

CAREER RECORD: 53-20

Loucks became the first coach of the men's tennis program in 1948 after coaching every sport at the Florida State

The Seminoles have played in three different conferences as a men's tennis program: the Dixie Conference from 1948-1951, the Metro Conference from 1977-1991, and the ACC from 1992-present. From 1952-1976, the Seminoles were independent.

**MARCO ABILHOA**

Marco Abilhoa, a native of Brazil, was one of the great Florida State Seminole tennis players who made an impact on the collegiate scene. Prior to enrolling, he was ranked No. 3 in the Brazilian Juniors, when former Florida State head coach Randy Jobson discovered him.

A five-year member of the Seminole tennis program from 1980 through 1984, Abilhoa was at the top of the Metro Conference. He was the No. 1 singles and doubles champion in 1981 and 1982. Upon his return in 1984, Abilhoa went back to the place where he left off, at the top of the Metro Conference. His dominating presence earned him a record three Metro MVP awards in 1981, 1982 and 1984.

**JEAN-YVES AUBONE**

*Singles All-American, 2008 & 2009*

Jean-Yves Aubone stepped onto Florida State's campus for the 2006-2007 school year and left a legacy that will be forever etched in Seminole lore. The Miami native is Florida State's only two-time singles All-American and 2009's ACC Player of the Year. Aubone is a two-time All-ACC team member, two-time All-ACC Academic Team member and two-time honoree of the ACC Academic Honor Roll. In September of 2009, Aubone was ranked at No. 8 in singles, the highest in Florida State history. In 2008, Aubone and Clint Bowles teamed up to record the second-most doubles victories in a single season with 28 wins. He finished his career named the ACC Men's Tennis Scholar Athlete of the Year.

**DR. RAY BELLAMY**

*FSU Hall of Fame, 1992*

His accolades go far beyond the tennis courts, yet Dr. Ray Bellamy's triumphs at the net still stand out as one of the best as he was inducted into the FSU Athletics Hall of Fame in 1992. He served as his team's captain in 1960 and 1961, and during those two years only lost a total of three matches.

After leaving FSU and joining the United States Navy, Bellamy went on to become the All-Navy doubles champion and played on the All-Navy team in 1967 and 1968 while serving as a flight surgeon. After returning to Florida to begin his practice, Bellamy became the state's

35-and-over singles and doubles champion in the 1970's.

**MAT CLOER**

*Singles All-American, 2005*

Mat Cloer, a native of Brevard, N.C., became one of the greatest players in not only FSU history, but also conference history during his outstanding senior season in 2004-05. During that year, the two-time ACC Player of the Year became the first player in school history to earn All-American honors in singles. He also received the national ITA/Arthur Ashe Leadership and Sportsmanship Award, the first national award for any FSU men's tennis player. He finished his FSU campaign with 83 singles victories and 70 doubles wins. Cloer returned as an assistant coach at Florida State from 2007-11.

**PAUL HAARHUIS**

*FSU Hall of Fame, 1993*

Paul Haarhuis, the "Dutchman" from Eindhoven, The Netherlands, came to FSU in 1986 after transferring from Armstrong State College in Savannah, Ga. He went on to become one of the best tennis players ever to come out of FSU and was inducted into the FSU Athletics Hall of Fame in 1993. With the Seminoles, his first season was

a true success as he went 35-5 in singles competition and 25-5 in doubles.

At one point, Haarhuis had 24 consecutive wins. Once his collegiate career was finished Haarhuis had a 70-10 overall singles record for his two years and consecutive Metro Conference MVP awards.

As successful as Haarhuis was for FSU, his career flourished even more once he turned professional in 1989. Through the 2003 season, Haarhuis had career earnings totaling over \$7.7 million dollars. During his 14-year run on the ATP tour, Haarhuis amassed 54 doubles titles including six Grand Slam championships. He won the career Grand Slam with three French Open titles and one championship at Wimbledon, the US Open and Australian Open. He won his lone singles title in 1995 during an event in Jakarta.

**DON LOUCKS**

*FSU Hall of Fame, 1985*

After six decades of service to FSU athletics, Don Loucks was inducted into the Florida State

Athletics Hall of Fame in 1985. In 1936, Loucks started off his relationship with FSU as the coach of every sport at the Florida State College for Women. He was the "pioneer" of many of the current athletic programs. In 1947, he was the first coach for the men's basketball team and a year later was named the first tennis coach. His hoops team scored the first victory for the newly-formed athletics program. His tennis team was the first to have a winning season, going 9-4.

Loucks served as Dean of Men from 1957 through 1967 and during this time, he served as a lead figure in the Seminole athletics program, as well as in the department of education. He retired from the athletics department in 1980 as professor emeritus in physical education. His dedication did not go unnoticed as the varsity tennis courts were renamed in his honor. The Scott Speicher Tennis Center was built around his courts.

**VAHID MIRZADEH & CONNOR SMITH**

*Doubles All-Americans, 2011*

Vahid Mirzadeh spent three years as a member of the tennis team and the last two as the captain of the team. Mirzadeh capped off his career as an All-American in doubles alongside Connor Smith. In 2011, he was also the second Seminole to receive the national ITA/Arthur Ashe Leadership and Sportsmanship Award. Mirzadeh started his junior season ranked at No. 115 in the nation and worked his way to a career best of No. 21. In doubles play, he and Smith teamed up to play stellar tennis and boasted a 38-19 record together over two seasons. He was named to the ACC Honor Roll and Academic All-ACC Team all three seasons.

**STEPHEN NOTEBOOM**

After earning NAIA All-American honors at Huntington College in Montgomery, Ala., Stephen Noteboom was the second "Dutchman" to thrive at Florida State for the 1990-92 seasons.

Almost immediately making his presence known, Noteboom grabbed the Metro Conference's coveted MVP award for winning the title at No. 1 singles and doubles. That same year, he earned an invitation to the 1991 NCAA Championships for singles.

During his pro career, Noteboom captured a pair of doubles titles. He joined up with Feron Wibier to win the Ordina Open. Two

Vahid Mirzadeh

years later, he teamed up with Lan Bale to win the BMW Open.

**ANTONIO PRIETO**

Antonio Prieto, a native of Curitiba, Brazil, was an outstanding player during his time here at Florida State. His best year came in 1995 when he was an All-ACC performer, ACC Flight Champion in No. 2 doubles, and received an invitation to the NCAA Tournament. In 1996, his final season, he won the National Collegiate Tennis Classic. He turned pro in 1997 and had a successful doubles career, including an appearance in the 2001 Australian Open. He was consistently ranked in doubles throughout his career and posted a career best mark of 95th in the world during the 2000 season.

**JOEY RIVE**

*FSU Hall of Fame, 1999*

Joey Rive, a West Palm Beach native, played for the Seminoles from 1981 through 1985. As one of the top players ever to compete at Florida State, Rive led the team in wins in 1983, 1984 and 1985. During his period at number one singles, he was nationally ranked among the Top 25.

His stellar performance for the Tribe resulted in three Metro Conference singles championships in 1983, 1984 and 1985 and two doubles championships in 1983 and 1985, including the conference's top crown, the MVP in 1985. His Metro success led to his invitation to the 1985 NCAA Tournament and to the 1987 Tennis Magazine Sportsman of the Year award.

Following his FSU career, Rive played the ATP tour where he reached as high as No. 57 in the world in 1988. He returned back to Tallahassee where he served as an assistant from 1993 to 1994. He is currently running his own collegiate tennis consulting company.

**HAL SCHAUS**

*FSU Hall of Fame, 2015*

Hal Schaus, from Mansfield, Ohio, was inducted into the Seminole Hall of Fame in September 2015. He played No. 1 singles throughout his time in Tallahassee and was the team captain from 1954-56. Schaus won over 75 percent of his matches for the Seminoles at a time when the university was beginning to play tougher opponents on a regular basis. His overall win percentage still remains in the Top 15 on FSU's all-time list. Schaus became the sixth member of the FSU Hall of Fame with a tennis connection

**BRIAN STANTON & KEN MCKENZIE**

*Doubles All-Americans, 1995*

Brian Stanton of Coral Springs and Ken McKenzie of Tallahassee

finished up their playing careers with the Tribe in 1995. As a doubles team, the duo ended their final campaign earning collegiate tennis' top honor, an ITA All-America award.

The doubles pair received the 1995 accolade after a superb run in the NCAA Championships. What may be the most impressive feat for them was being ranked among the nation's top 10 doubles pairs throughout the season.

During his stay at FSU, Stanton won back to back Junior Davis Cup singles titles in 1993 and 1994, won the 1993 Junior Davis Cup in doubles, and was named to the All-ACC team his sophomore and junior seasons.

McKenzie left behind a void in doubles that was a great challenge to fill. He and Stanton guided No. 1 doubles to an impressive No. 3 national ranking, the highest ranking the program has ever received. He also was impressive on the singles side, earning ACC Flight Championships at No. 2 singles in 1994 and No. 3 singles in 1995.

**MACIEK SYKUT**

Maciek Sykut is one of a handful of successful Seminoles under the tutelage of head coach Dwayne Hultquist. From 2005-09, Sykut tallied 93 singles victories

(second in school history) and 82 doubles victories (fifth). Combined, his 175 victories are good for third on the school's all-time wins list and the most for a Seminole in the past quarter-century.

Nationally, "Magic" ranked as high as No. 76 in singles in 2007. Playing with Andrew Bailey in 2009, the duo took down the No. 4 doubles team in the country from Virginia.

Professionally, Sykut reached as high as No. 145 in the world in doubles play in 2012. For his efforts at FSU his senior season, he was named to the All-ACC team.

**JASON WHITE**

Jason White finished his four-year run with the Seminoles in 1996, his best season as a player by far. As the top singles and doubles player, White was given a lot of responsibility as FSU's captain.

Even though he won the ACC Championship at No. 4 singles in 1994 and a pair of championships at No. 2 doubles in 1994 and 1995, White was still on top of ACC tennis in 1996. Nationally ranked for most of the year, the senior from Longwood re-

ceived a bid to the 1996 NCAA Tournament after being edged out for the championships at No. 1 singles.

**LEX WOOD**

*FSU Hall of Fame, 1982*

In 1982, Lex Wood became the first player from the Florida State tennis program to be inducted into the FSU Athletics Hall of Fame. He was a player for the Seminoles from 1963-64, then the program's head coach from 1965 through 1969.

When Wood arrived from his native South Africa in 1962, head coach Eddie Cubbon knew he had a leader amongst his new crop of tennis players. For the following three seasons he would become a mainstay among the nation's top 20 players, playing at No. 1 singles and doubles.

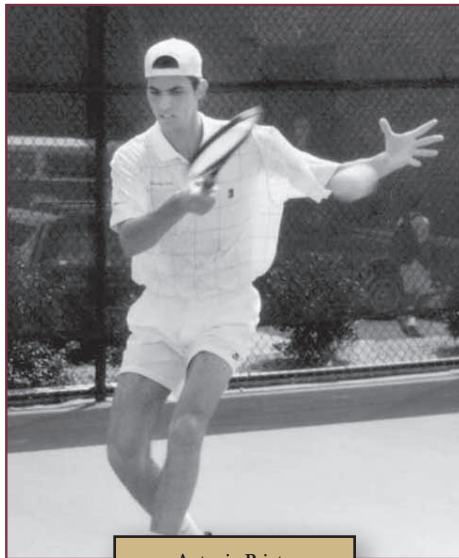

In 1963, his singles match record was 22-1 and his career mark was 51 victories in 54 singles matches. Over the course of his Florida State career, Wood defeated many great collegiate players including a former U.S. Davis Cup player, Marty Riessen. As head coach, his Seminoles went an impressive 81-33-1 during his tenure. His last two teams in 1968 and 1969 went 20-4 and 22-5-1 in dual match play, respectively.

**BENJAMIN LOCK**

*2016 ITA All-American*

Benjamin Lock graduated in spring of 2016 as one of the most decorated student-athletes in program history. After a 25-win 2016 campaign that saw Lock rise to a career-best singles ranking of ninth in the country, he was named the ITA Most Improved Player in the nation, an ITA All-American, and ITA Arthur Ashe Sportsmanship and Leadership winner for the Southeast region. Lock finished with 90 singles and 90 doubles wins, ranking sixth and fourth in school history, respectively, while his 180 total career wins rank third all-time in school history.

A native of Harare, Zimbabwe, Lock led his country with a 4-1 record in the Davis Cup, the world cup of tennis, to advance to Group II for the first time since 2006, and in 2015 claimed the singles title in the first-ever ITF tournament held in Mozambique. Lock, a two-time All-ACC player and the Player of the Year runner up in 2016, finished his career at FSU with a 3.92 GPA, earning All-ACC Academic honors in 2015 while majoring in finance. Lock was awarded the Golden Nole award upon graduation in 2016.
