MISSION STATEMENT

The mission of the Department of Intercollegiate Athletics at The Florida State University shall be to produce National Collegiate Athletic Association (NCAA) Division I programs for men and women that are characterized by excellence. In addition, the Department strives to be recognized as a campus leader in terms of its ethics, nondiscrimination, and unquestioned fiscal integrity.

Excellence in intercollegiate athletic programs is determined by academic achievement; and the development of character, maturity, and a sense of fair play in athletic programs. It, moreover, engenders support for the University among its many constituent groups, including students, faculty, alumni, and friends at the local, state, and national levels. In striving to become a leader among our peers, the Department subscribes fully to the philosophy and regulations set forth by the National Collegiate Athletic Association and operates within the fiscal regulations and non-discriminatory procedures established by the Florida State University Board of Trustees and the Florida Legislature.

It is the explicit philosophy of the Department that our student-athletes will be strongly encouraged and supported in their endeavors to progress toward a degree while simultaneously participating in an intercollegiate athletic program whose environment is consistent with the highest standards of academic scholarship, sportsmanship, ethics, and institutional loyalty. Finally, the decisions and priorities of the Department should always focus on our student-athletes—first, as individuals; second, as students; and third, as athletes.

SEMINOLE SOCCER CAMPS

The primary focus of the Seminole Soccer camps will be on the technical application of the sport with dedicated training in specific areas including passing, shooting techniques, receiving, dribbling and team tactics.

It is Florida State's goal that every player leaves camp with a feeling of accomplishment, a better understanding of the game and an intensified passion for soccer.

THIS IS FSU SOCCER

- FSU has registered 10 top four finishes in the ACC since 2000 and has finished in the top four of the league standings in each of the last 10 seasons.
- In 2009, Florida State captured its first ACC regular season title finishing league play with a record of 7-2-1 en route to earning the No. 1 seed in the conference tournament.
- Among the other schools in the ACC, Florida State is second all-time in College Cup appearances (4), has the second highest all-time postseason winning percentage (.738) and is tied for the second most appearances (9) in the NCAA Round of 16 since 2000.

PLAYING ON THE BIGGEST STAGE

- The Tallahassee community continually fills the Seminole Soccer Complex with an energy unlike any in the nation as single-game attendance has surpassed stadium capacity on 15 different occasions since 2000 including a school-record crowd of 4,582 on September 8, 2006 to watch Florida State defeat intra-state rival Florida.
- The Seminoles have ranked among the nation's attendance leaders for 11 consecutive years drawing more than 10,000 fans to the Seminole Soccer Complex five times in the last nine years including a school record 17,399 fans in 13 games in 2006.

SEMINOLES

ONE OF THE NATION'S BEST PROGRAMS

- Florida State soccer has come a long way since the program played its first game in 1995 blossoming into one of the top collegiate powers in the nation.
- Entering its 17th season as a varsity sport, Florida State has become one of the premiere destinations for many of the best women's soccer players in the United States and throughout the world.
- With College Cup appearances in 2003, 2005, 2006 & 2007, FSU is one of only four programs in the nation to play in soccer's version of the 'Final Four' four times in the last eight seasons.
- Since 2000, the Seminoles have made 11 straight NCAA Tournament appearances, played in nine 'Sweet 16's', four College Cups and have played for the ACC Championship five times.
- In 2007, Florida State played in the national championship game for the first time in school history.

- The Seminoles boast an all-time postseason record of 30-10-2, good for a .738 winning percentage, the fifth highest winning percentage and eighth most wins all-time in NCAA Tournament history.
- Over the last eight years, Florida State has turned out 13 first team All-Americans from 11 different student-athletes, two National Freshman of the Year, a CoSIDA Academic All-American and MAC Hermann Trophy winner.
- Six former Seminoles have gone on to play in the Women's Professional Soccer League, while Becky Edwards became the first Seminole drafted by the league since its inception in 2009. Edwards was taken by FC Gold Pride with the 12th overall pick in the 2010 draft.

ACC POWERHOUSE

- Florida State and North Carolina are the only teams in the ACC to play in multiple College Cups since 1992. Both schools are tied with four College Cup appearances since 2003.
- Over the last 11 seasons only one school in the ACC has more overall wins and has won more games against conference foes than Florida State.

ONCE IN A LIFETIME OPPORTUNITIES

- In the summer of 2004, the Seminole soccer team spent two weeks traveling through Australia playing three games against the Australian Olympic team while visiting the Sydney Opera House, surfing the waters of the Gold Coast, hanging out with the koala bears and kangaroos and exploring the waterfalls of Springbrook National Park.
- During the summer months, many Seminoles continue to hone their skills in leagues across the country playing for a variety of teams in the W-League and the Women's Premier Soccer League.
- Many Seminoles have gone on to represent their country at the international level including 2007 MAC Hermann Trophy winner and

consensus All-American Mami Yamaguchi (Japan), Becky Edwards winning gold with the U.S. U-20 squad at the 2008 FIFA World Cup, Erin McNulty playing in goal for Team Canada as they captured the gold medal at the 2008 CONCACAF Qualifier and Tiffany McCarty, Toni Pressley and Casey Short winning gold for the U.S. U-20 team at the 2010 CONCACAF championship.

- Playing soccer at Florida State also means making memories on the field that will last a lifetime...

-- Remembering the game-winner scored on a diving header at home in double overtime to defeat Connecticut in 2007 sending FSU to its third consecutive College Cup...

-- Remembering what it felt like as you counted off the last five seconds at Percy Beard Stadium, knowing you just defeated the Gators on their home turf to advance to the school's first ever College Cup in 2003...

-- Taking the field for the national championship game in 2007, a game televised to millions of homes on ESPN...

- The Moore Athletics Center is home to the Florida State Athletic Department housing all of FSU's support services under one roof

from Academic Support to Student Services, allowing Seminole student-athletes a central location where they can get the help they need to thrive in all aspects of life.

- The Roger Holler Champions Training Center is a 15,000 square foot training room with custom-built equipment, platforms and weights.
- Academic Support includes a computer lab equipped with 47 PC compatible computers, 10 private tutorial rooms and a five-station "Learning Center" for student-athletes with learning deficiencies and/or disabilities.
- The Don Fauls Athletic Training Room is used by all 20 Seminole varsity teams and features a 4,000 square foot rehabilitation room, an 8' x 40' in-ground workout pool, a 9' x 16' in-ground warm and cold whirlpool and nine extremity whirlpools.

SEMINOLES

2011 SEASON OUTLOOK

GENERAL OUTLOOK

- The Florida State soccer program enters its 17th season as a varsity sport in 2011 posting an all-time record of 219-118-29. The Seminoles have registered a mark of 30-10-2 good for a .738 winning percentage in 11 trips to the NCAA Tournament. FSU sits with the fifth highest winning percentage and eighth most wins all-time in NCAA Tournament history.
- The Seminoles return nine starters and 14 letter-winners from last year's squad that advanced to the quarterfinals of the NCAA Tournament for the sixth consecutive year and for the seventh time in the last eight seasons.
- Florida State has appeared in the College Cup four times since 2003, while playing for the national championship in 2007. The Seminoles are one of 10 schools to make four or more trips to the College Cup. For the first time in NCAA Tournament history, the 2011 College Cup will be played at the KSU Soccer Stadium in Kennesaw, Ga.
- FSU returns its top three scorers from last year including Janice Cayman (23 points), Tori Huster (19) and Casey Short (13), while Tiffany McCarty and Jessica Price, one of the most prolific scoring duos to take the field under the direction of head coach Mark Krikorian, return to the pitch after missing the entire 2010 campaign due to injuries.
- The Seminoles welcome nine newcomers to Tallahassee in 2011. Seven of the nine student-athletes come in as freshmen including two who enrolled at FSU back in the spring of 2011 (Jamia Fields and Kristin Grubka) and a trio of international standouts (Marta Bakowska-Matthews, England; Dagny Brynjarsdottir, Iceland; Hikaru Murakami, Japan).
- Mark Krikorian enters his seventh year as head coach of the Florida State soccer program amassing a record of 108-28-13. Krikorian led the Seminoles to three straight College Cup appearances (2005-07) and a berth in their first national title game in 2007. He claimed a share of the ACC regular season title in 2009 and his Seminoles have finished no lower than fourth place in the ACC since his arrival on campus in 2005. Among active Division I coaches, Krikorian has the fifth highest winning percentage (.767) and ranks 14th in wins.

Krikorian on the upcoming season: "The expectations are high for this year's squad. We are always expecting to have good seasons and to compete for national championships. The return of Jess Price and Tiffany McCarty will be very important to us. They scored 33 goals between the two of them in 2009, two offensive threats that we did not have last year. But you have to credit the rest of the team for finding different ways to remain competitive. The loss of (Amanda) DaCosta and the loss of (Rachel) Lim are big losses much like a couple years ago with the loss of Becky Edwards and her senior class. Those are seasoned players; they are players that have helped to establish the playing style that we have, control the tempo of games and dictate play. As I look at the collection of players coming back, having Kelsey (Wys) back in goal, having our entire back four intact from last year, to know that we have experience in those positions is very comforting. Then you look at the careers of Tori Huster and Casey Short and with Janice Cayman back, I feel that we have a very good collection of talent returning for this year. At the end

of the day, it will be different since our central midfield will be without DaCosta, who filled that role for the last four years. I am excited for this year and I know the entire coaching staff is looking forward to the challenge and trying to put these pieces together in a fashion that will enable us to continue to be successful."

LEADERSHIP & EXPERIENCE

- This year's Seminole squad will have a wealth of experience as more than half of the 23-person roster are upperclassmen, including a six-member senior class. This year's seniors have combined for 136 points on 45 goals and 46 assists in 285 career appearances.
- Junior forward Tiffany McCarty was named team captain for the 2011 season. After missing the entire 2010 season due to injury, McCarty returns to the pitch with 45 career starts under her belt. She is tied for seventh in the Seminole record books with 69 career points and tied for fifth with 28 career goals. McCarty is already the school's all-time leader in points (31) and goals (12) in ACC games.
- Of the 14 letterwinners returning for the Seminoles in 2011, each has made at least one career start. Nine started at least 18 or more games a season ago, while Janice Cayman (22), Kasey Kallman (22), Toni Pressley (22), Casey Short (22), Kelsey Wys (22), Tori Huster (21) and Tiana Brockway (20) started every game they played in 2010.
- A program record seven student-athletes were named to the ACC All-Academic Team in 2010. Fourteen Seminoles went on to earn ACC Academic Honor Roll accolades during the 2010-11 school year maintaining a 3.0 overall GPA as well as a 3.0 GPA each semester. Redshirt junior Jessica Price became just the ninth Seminole to be named to the ACC Academic Honor Roll four times.

Krikorian on the overall experience of this year's team: "We have a lot of players that have a great deal of different experiences; kids that have played in youth World Cups, we have kids that have played with the U-23's, we have kids that have played with their senior national teams. Overall, I feel we have a very wide variety of players that have a wide range of experiences. In terms of the quality of depth, I feel we have a seasoned group that should be mature in both their play and their behavior. As for leadership, we feel that it should be a shared responsibility. When you have so many players with so much experience, it is certainly a good thing to have. When we look from top to bottom, we think that we have a lot of kids that will be able to assume a leadership role. The best part is that if the expectations and standards are set high by the staff as well as the veteran players on the team, the rest of the team will follow."

THE ATTACK

- Florida State returns 71.5 percent (93 of the 130 points) of its total scoring from last year including four student-athletes who registered double-digit points and five who recorded a game-winning goal. Senior Janice Cayman returns after leading the team a year ago in goals (9) and points (23), while the Seminoles welcome back its two leading scorers from 2009 in Jessica Price and Tiffany McCarty, who missed the 2010 season due to injuries.

- McCarty and Price combined for 83 points in 2009 as they combined for 33 goals and 17 assists making them the second highest scoring tandem in school history. Together the duo represented 40.7 percent of the team's total scoring in 2009.
- Tori Huster and Casey Short are coming off a productive junior campaign after ranking second (19) and third (13), respectively in points. Huster posted career-highs in points, goals (6), assists (7), game-winning goals (3) and shots (55), while Short registered career-highs in points and goals scored with five.
- Seventeen different Seminoles contributed with at least one point in 2010, while 13 Seminoles scored at least one goal. Seven Seminoles finished the season with double-digit points with four returning for the 2011 season.
- Last year, the Seminoles finished the season with 130 points on 45 goals and 40 assists. It marked the second lowest scoring campaign in the Mark Krikorian era, but tied for the eighth most points in program history. The four most productive offensive seasons have come under the watchful eye of Krikorian (2007 – 233 points; 2009 – 204 points; 2008 – 194 points; 2005 – 188 points). Over the last four seasons, the Seminoles are averaging over 64 goals and 61 assists.

Krikorian on the attack: "We will be more dynamic in the attack this year in comparison to last year certainly with the return of Jess and Tiff as well as with Janice back for another season. We will have more options especially when you add Jamia Fields to the mix. She enrolled for the spring semester and scored four goals in five games. She is a powerful, strong kid who strikes the ball very well with both feet and she has a very good nose for the goal. When you are talking about Price, McCarty, Cayman, Fields, Tori Huster and Casey Short, you have a lot of different attacking weapons. My expectation is that we will be creating a lot of chances; then it's a matter of putting the ball in the net. Fortunately these players are experienced players around the goal and I'm hoping that we will be able to finish a little bit more than we did last season."

THE MIDFIELD

- The Florida State midfield will look a little different in 2011 without the services of four-time All-ACC honoree and four-year starter Amanda DaCosta and three-year starter Rachel Lim. But Tori Huster and Casey Short, who have played significant minutes in the midfield throughout their first three years in Tallahassee, will look to fill that void.
- Huster and Short have combined for 29 assists in their first three seasons and will look to add to those numbers with an array of scoring options in 2011. Huster is coming off her junior year in which she led the team in assists with a career-high seven, while Short is the school's all-time assist leader in ACC games with 10.
- CC Cobb, Katya Gokhman and Jordan Johnson also played valuable minutes in the midfield for the Seminoles last year. The trio appeared in a combined 49 games making eight starts while seeing over 1300 minutes of action on the pitch in 2010. Look for international newcomers Marta Bakowska-Matthews, Dagny Brynjarsdottir and Hikaru Murakami to see action as well in the midfield this year.

2011 SEASON OUTLOOK

Krikorian on the midfield: "We have a great deal of talent that is very versatile, so we are going to have to figure out how we want to play. It is clear to us that Casey Short and Tori Huster, even Janice Cayman, are all capable of giving us significant minutes in the midfield. The big question becomes what is the best shape for us to play in. You add in some of the new players and then look and see how we are going to find balance. But at the same time, we realize that we have to have depth in the midfield. Casey and Tori are our most experienced players in the midfield. They are equally dynamic whether they are playing in the middle of the midfield or wider in the midfield. But until we get all the players on the field and see their qualities playing together, it is hard to judge where someone will play."

THE DEFENSE

- When it comes to depth, look no further than the Seminole defense where the Garnet and Gold return five student-athletes (Tiana Brockway, Ines Jaurena, Kassey Kallman, Toni Pressley and Ella Stephan) with tremendous playing experience in the backline including all four starters from 2010.
- Toni Pressley and Kassey Kallman are coming off All-American campaigns in 2010 with Pressley garnering first team accolades and Kallman earning first team Freshman honors both from Soccer America and TopDrawerSoccer.com. Ines Jaurena (second team) joined Pressley (first team) and Kallman (second team) as All-ACC honorees in 2010. Pressley led all Seminole defenders in scoring a year ago with 10 points on four goals and two assists. Kallman also contributed from the backline with nine points on three goals and three assists. Four of the seven goals scored between Pressley and Kallman went down as game-winners in 2010.
- Along with Pressley and Kallman, Brockway, Jaurena and Stephan have combined to appear in 240 games with a majority of their combined 216 starts in the backline.
- The Florida State defense allowed a goal or less in 18 of 23 games last year. The Seminoles were stingy on the defensive end giving up 20 goals on the season including a school record five during the ACC regular season. FSU finished the year as the ACC leader in shutouts with 13 and ranked second in fewest goals allowed (20) and saves (91). The 13 shutouts fell one shy of the school record set twice in 2006 and 2008.

Krikorian on the defense: "We feel very good about our backline. Our collective defending is a priority. We want to limit team's chances against us and I think over the six years I have been here we have done a pretty good job of being a good, strong unit in defending and that certainly starts with having very good players. We have those players. We think our organization is good, we think that their positioning is good and we think that their athletic quality is good. But the other side is that if we have the ball, we won't have to defend as much. The good news is that our back players are all quite good with the ball. Our style here has been a position oriented style and that will continue to be the case this year. (Associate Head Coach) Eric (Bell) leads the defending and has done a great job of that throughout his time here at Florida State."

THE GOALKEEPING

- Kelsey Wys returns for her sophomore campaign a year after leading the ACC in saves (91), shutouts (12), shutouts per game (0.55) and save percentage

(.843). She set the FSU freshman record for goals against average (0.76) and shutouts and ranked second in wins (16) and saves. Wys also has a wealth of international playing experience to look back on as she played for the U.S. in the 2008 CONCACAF U-17 National Tournament in Trinidad and Tobago and is a pool player for the U.S. U-20 team.

- Junior transfer Taylor Vancil comes to Florida State after spending her first two seasons as the starting goalkeeper for the University of Louisville. In her two seasons with the Cardinals, Vancil appeared in 36 games making 35 starts. She posted a record of 15-20-1 with eight shutouts, 183 saves and a 1.56 GAA. Vancil has also seen playing time with the U.S. U-20 and U-17 National Teams and was a finalist for the Golden Glove award for U.S. U-17 team at the 2008 Women's Youth World Cup.
- Incoming freshman Montarae Carter was a standout in goal for Team Boca where she led her club team to the Region III championship and a second place finish in the state finals in 2011. She was the recipient of the Golden Glove award following the Region III Championships.

Krikorian on the goalkeepers: "I think we have a very good core of goalkeepers. (Assistant Coach) Mike (Bristol) is very excited about the goalkeeping group that we have. We know that in both Kelsey and Taylor that we have two very experienced goalkeepers and with Rae Carter coming in, she is a very good athlete that we believe will learn very quickly. In terms of goalkeeping, we are in a situation where we are as good as or better than we have ever been. The quality of the goalkeepers and the depth we have along with their training habits are all very good. Now it's a matter of going out, working and getting better every day."

THE NEWCOMERS

- Florida State adds nine new players in 2011 including seven freshmen and two transfers. Two student-athletes joined the Seminoles a semester early enrolling during the spring 2011 semester, while this year's class also includes a trio of international players in Marta Bakowska-Mathews from England, Dagny Brynjarsdottir from Iceland and Hikaru Murakami from Japan.
- Jamia Fields and Kristin Grubka got an early start to their collegiate career arriving on campus in January enrolling at Florida State for the spring semester. Both took part in off-season conditioning while collecting valuable minutes on the pitch during the Seminole spring season. Fields made a big impact during the spring season scoring four goals in five games including all three goals in a 3-2 win over intra-state rival Florida.
- Taylor Vancil and Kara Buono are the two transfers in this year's batch of newcomers. Vancil spent her first two seasons as the starting goalkeeper at the University of Louisville. She made 35 starts for the Cardinals and has a great deal of international experience playing with the U.S. U-17 and U-20 Women's National teams. Buono appeared in 15 games making nine starts at Appalachian State during her freshman campaign in 2010. She tallied three points on one goal and one assist for the Mountaineers.

Krikorian on the newcomers: "Once again, we are very pleased with this year's incoming class of newcomers. We have a lot of players who represent a lot of

different playing styles, but all of them are quality, elite level players that we expect can and will contribute right away. I feel our entire coaching staff did a tremendous job of increasing our pool of depth for competition within the team."

THE SCHEDULE

- Fourteen teams on the 2011 schedule recorded 10 or more wins a season ago. Thirteen schools earned a bid to participate in the 2010 NCAA Tournament, while five of those teams played into the third round of the tournament. This year's opponents posted a combined record of 233-120-34 in 2010 good for a .646 winning percentage.
- Of the eight non-conference games slated for the Seminoles in 2011, six of those teams participated in the NCAA Tournament last year, while five recorded at least 12 wins. FSU will face tough non-conference road tests when the Seminoles open the season on the west coast with matches against Oregon State and Portland and then on September 9 against intra-state rival Florida.
- Florida State will open its ACC schedule on the road against defending league champion Wake Forest and at Duke on September 15th and 18th, respectively. The Seminoles host league matches against nationally ranked North Carolina, Maryland and Boston College, along with Miami and NC State.
- The Garnet and Gold will open the 2011 season on the road at Oregon State followed two days later with a match against the Portland Pilots. This marks the second straight year Florida State has opened its season away from the friendly confines of the Seminole Soccer Complex as last year FSU defeated Washington State in Pullman, Wash. FSU is 3-4-0 when beginning the season on the road and are a perfect 2-0-0 when opening the year on the road against a school from the Pac-12 Conference (defeated Southern Cal in 2005 and Washington State in 2010).

Krikorian on the schedule: "We are going to compete with the best teams that we can. The opportunity to go out and play at both Oregon State and Portland is a great start to the season. We are going out there, playing in their back yard and they are going to have great crowds and a great environment and it will be a great test for us early in the season. We always play a very good non-conference schedule and I feel it will prepare us for what's in store for when conference play rolls around. We want to challenge this group and put them in uncomfortable, challenging situations so that there are no surprises when we move into ACC play and hopefully the NCAA Tournament. The way our schedule shapes up this year I feel is very good for our players. We are going to learn a lot of lessons and controlling the tempo of the game is going to be important for us."

SEVENTH SEASON AT FSU

FSU RECORD: 108-28-13 (.768)

18TH COLLEGE SEASON

Florida State head coach Mark Krikorian took over the Seminole women's soccer program in 2005 and has proven to the nation that FSU soccer will be a national title contender on an annual basis. In his first three years in Tallahassee, Krikorian guided the Seminoles to three straight College Cup appearances and the school's first appearance in the national championship game in 2007. He has registered at least 16 wins in each of his first six seasons while finishing no lower than second place in the Atlantic Coast Conference, the nation's premier soccer conference. In 2009, Krikorian led the Seminoles to a share of the ACC regular season title and the No. 1 seed in the ACC Tournament for the first time in school history after wrapping up the regular season with a 7-2-1 league mark. Krikorian followed that with another 7-2-1 record and a second place finish in the ACC in 2010.

Not only has Krikorian accomplished things that had never been done at Florida State, but he has also achieved what has yet to be accomplished by head coaches on the national level. Since the NCAA expanded to 64 teams in 2001, Krikorian is the first coach to take over a program and lead that team to three consecutive College Cups. He is also the first coach to advance through 13 rounds of the NCAA Tournament in his first three seasons at a school and is the first FSU coach to ever lead the program to

a spot in the national finals. In six years, Krikorian has led the Seminoles to a 21-6-1 mark in NCAA Tournament play while claiming an overall winning percentage of .767.

The 2010 season marked the 10th straight year Krikorian led a team to the NCAA Women's Soccer Tournament and the seventh time he guided a Division I squad to the quarterfinals. He took Hartford to the NCAA Tournament from 1997-2000 including trips to the quarterfinals and two appearances in the round of 16. He has also guided FSU to a berth in the quarterfinals in each of his first six seasons. Krikorian has a lifetime winning percentage of .716 (26-10-1) in the NCAA Division I Women's Soccer Tournament and also captured two Division II National Championships with Franklin Pierce. FSU's run to the 2007 national title game against Southern California represented Krikorian's third all-time appearance in an NCAA soccer championship game.

In six seasons as FSU's field general, Krikorian's players have been honored more than 100 times at the conference, regional and national levels including 14 All-ACC first team selections, which is the second most in the league since 2005. In 2010, Florida State set a pair of school records as seven players were named to the All-ACC teams, the most of any school, and seven on the ACC All-Academic team. In 2009 Krikorian was honored as Coach of the Year in the ACC for the second time in his career. Becky Edwards became the Seminoles' first two-time, first-team Scholar All-American from the NSCAA and at the same time earned the distinction of becoming FSU's first Academic All-American at the national level.

Four student-athletes received All-America accolades from the NSCAA in 2008 for the first time in school history. Tiffany McCarty became the first Seminole to earn ACC Freshman of the Year honors, while a school record seven student-athletes earned All-ACC recognition including three first team All-ACC honorees which tied a school mark.

Florida State was at it again in 2007 as three athletes were honored at the national level for their outstanding season. Mami Yamaguchi became the most decorated soccer player to come out of Tallahassee claiming the MAC Hermann Trophy, presented to the top female player in NCAA Division I soccer. After re-

writing the Seminole single-season record books and finishing the season as the national leader in points (66), Yamaguchi added NSCAA Player of the Year and ACC Offensive Player of the Year to her list of accolades while becoming FSU's first consensus first team All-American. Amanda DaCosta and Sanna Talonen were named National Freshman of the Year by Soccer Buzz and Soccer America, respectively, the first recipients of such an award in the 14-year history of the program. In all, six players have been named semifinalist for the Hermann Trophy under his watch, while six players have been named finalists for national player of the year recognition.

The Seminoles have flourished both offensively and defensively under Krikorian's guidance. In 2005, Florida State finished with a +43 goal differential, 11 points better than the previous school record, en route to establishing single-season records for goals (65) and points (188). Those records were shattered two years later as the 2007 squad became the highest scoring team in school history. The Seminoles tallied 233 points on 81 goals and 71 assists, good for a +55 goal differential. FSU went on to set school records for points per game (8.63), goals per game (3.00), assists per game (2.63) and shots on goal (202). The offensive production also made ACC history marking the first time that a school other than North Carolina led the league in every major offensive category. The offense was at it again in 2008 as the Seminoles finished the year with 194 points on 64 goals and 66 assists good for eighth in the nation in scoring offense averaging 2.78 goals per contest. The Garnet and Gold finished the season establishing school records for assists per game (2.87), shots attempted (471), shots per game (20.48) and shots on goal (228). In 2009, scoring was once again at a premium as the Seminoles reached the 200-point plateau for just the second time in school history finishing the season with 204 points on 67 goals and 70 assists. Florida State led the ACC in points, goals, goals per game (2.68) and assists per game (2.80), while ranking eighth nationally in scoring offense. The points, goals and assists recorded by the Seminoles all sit as the second most in school history. To show just how potent the Seminole offense has been under Krikorian, the four highest scoring seasons at Florida State have all come under his watch.

Defensively, Krikorian's teams have been just as good registering sub-1.00 goals against average in each of his six seasons for the first time in school history. During that span, the Seminole defense has posted a 0.79 goals against average yielding just over 20 goals a season. Goals have certainly been hard to come by for opponents since Krikorian's arrival as the Seminoles have posted a shutout in just under half of their total games he has coached - 74 shutouts in 149 games (49.6%). In 2008, FSU set the school record for the fewest goals allowed (15) and the lowest goals against average in a season, while tying the record for shutouts with 14, a mark previously set in 2006. In 2010, the Seminoles led the ACC in shutouts with 13 to extend the school's streak of reaching double-digit shutouts to six. The defense has been equally impressive in the postseason recording consecutive seasons of at least three shutouts, a school record, in 2007 and 2008. The previous school record for

postseason shutouts was two set in 2006. Prior to Krikorian coming to Tallahassee, the most shutouts recorded in a season were nine set twice in 2003 and 2004.

His first year on the job was nothing short of magnificent leading the Seminoles to their first 20-win season and second College Cup in 2005. In his second year at the helm, the Seminoles continued their dominance reaching the College Cup for the third time in the program's 12th year. The 2008 season was no different as he directed the Seminoles to an 8-1-1 record in the ACC, their highest winning percentage (.850) in league play in school history, and to just three losses all year, the fewest recorded since the program's inception in 1995. In all six seasons, Krikorian has earned at least three NCAA Tournament wins and reached the tournament quarterfinals, a feat that had only occurred once in program history. It shouldn't be surprising when examining Krikorian's past. He won two National Championships following undefeated seasons at Franklin Pierce. He then built Hartford into a national power before coming to FSU. Krikorian has never posted a winning percentage below .700 at any of his collegiate head coaching positions. With that kind of success it is easy to see why he is one of the most successful coaches of all-time. Krikorian currently ranks 24th on the all-time list for winningest coaches across all divisions and is the fifth winningest active head coach in Division I. The Seminole coach is one of only two members of that top 20 list that coached in two divisions of the NCAA.

After what Krikorian has done in six seasons at Florida State, it would be hard not to argue that he is one of the best coaches in Division I. What the Seminole head coach is doing when it comes to consecutive victories is unprecedented in FSU soccer history. Krikorian's teams have the two best win streaks to open a season at seven (2005) and six (2006) games. In 2005, he led FSU to nine and seven-game streaks, while matching the seven-game win streak in 2008. With a 6-0 start in 2006, and a six game winning streak in 2010, the five longest win streaks in school history have all come under Krikorian's guidance.

Six seasons ago, he became just the second coach in ACC history to lead his team to seven consecutive wins in conference play. He tied the mark in 2008 with a string of seven straight wins against league opponents. The Seminole boss led FSU to a school record 24-game home unbeaten streak (22-0-2), a feat covering three seasons. In 2008, the streaks continued as the Seminoles set school records for all-time unbeaten streaks (13) and road unbeaten streaks (12). Krikorian's impact at FSU was immediate. In his first 30 games, Krikorian posted a .850 winning percentage, 300 percentage points better than any previous coach. With a 2-1 victory over Stetson in 2006, he became the fastest FSU coach to earn 30 wins, reaching it in just 38 matches. He also established a new record three seasons ago when his 2006 squad had just one loss after 15 matches. No previous FSU team had ever played more than 10 games without suffering multiple losses. In 2010, Krikorian reached yet another milestone claiming victory number 100 as Seminole head coach with a dramatic 1-0 overtime victory over Wake Forest in Tallahassee.

Krikorian hasn't just produced wins; he has secured big wins as well. In the first 10 years and 206 games of FSU soccer history, the Seminoles recorded seven wins over top 10 teams. In 149 games under Krikorian, Florida State has recorded 16 top 10 victories including five in 2009. In addition to the win streaks, wins over top teams and trips to the College Cup, Krikorian led FSU to its highest ranking ever in all four college soccer polls including the first No. 1 ranking in school history. After downing Portland 2-1 to kickoff the 2006 season, the Seminoles jumped to the top spot in the nation in the Soccer America top 25 poll, a spot they held for four consecutive weeks. Following its run to the national championship game in 2007, the Seminoles finished the season ranked as high as number two in a pair of national polls.

In Krikorian's first year at the helm of the Seminole program, FSU established new records for overall wins, winning percentage, fewest losses, most ACC wins, the best ACC winning percentage and longest win streak both in and out of the conference. Krikorian's 2005 squad was the first in school history to

reach 20 wins and they matched the highest finish ever by an FSU team in ACC play as they tied for second. He led Florida State to a school-record seven wins over NSCAA top 25 teams and for the first time in program history, FSU spent a month ranked among the nation's top 10 teams in every soccer poll.

Krikorian took a Seminole team that was eliminated in the first round of the NCAA Tournament in 2004 and led them to the College Cup the very next season. He is just the sixth coach in the history of DI women's soccer to lead his team to the national semifinals in his first season at a school. FSU is now one of six schools who have gone to the College Cup under the direction of two different coaches.

For his efforts, Krikorian was honored both regionally and nationally in his first season. He was named the first ACC Coach of the Year in Seminole soccer history, the 2005 Soccer America National Coach of the Year, the 2005 Soccer Buzz National Coach of the Year, Soccer Buzz's Southeast Region Coach of the Year and the NSCAA's South Region Coach of the Year.

On top of his impressive resume in coaching the top talent at the collegiate level, Krikorian has worked with the world's best players during his stops as the head coach of the U-19 National Team and his three years with the Philadelphia Charge. Florida State's head coach has coached soccer greats from all over the world including U.S. National team stars Brandi Chastain, Kristine Lilly, Tiffeny Milbrett, Heather Mitts and Lorrie Fair, English National team player Kelly Smith, French National Marinette Pinchon and Brazilian National Team players Sissi and Katia.

Florida State players haven't only been recognized for their success on the field, but in the classroom as well. Over the last six years, Florida State has earned regional/district academic awards 38 times. Katrin Schmidt and Kirsten van de Ven were named first

team Scholar All-Americans by the NSCAA, marking the first distinction of its kind at FSU. Becky Edwards followed suit in 2008 earning a spot as a first team Scholar All-American. In 2009, Edwards was named a third team Academic All-American by CoSIDA/ESPN the Magazine. Additionally, FSU soccer players have been named to the ACC All-Academic Team 30 times including a school record seven in 2010 and six in 2007 and 2009. During the 2009-10 school year, 15 student-athletes made the Dean's List while one earned President's List honors achieving a perfect 4.0 GPA. The Seminoles finished the 2009-10 academic year with a team GPA over 3.0.

The FSU coach has been at the helm of a college team for a total of 17 seasons now and he has recorded 18+ wins nine times in that span. The 2005 season bettered his first year coaching at Franklin Pierce and Hartford for wins, fewest losses and highest winning percentage.

The 2008 season got off to a fabulous start as Soccer Buzz awarded Florida State with the nation's top recruiting class - the first of its kind in the program's 16-year history. The publication ranked six freshmen in the top 40 with five receiving PARADE All-American honors. The ranking is a year removed from the 2007 class that Soccer Buzz rated second nationally and first in the Southeast Region.

U.S. U-19 NATIONAL TEAM

Prior to taking over the Seminole soccer program, Krikorian came to Florida State fresh off leading the United States U-19 National Team to the bronze medal, while winning the FIFA Fair Play Award at the 2004 U-19 Women's World Cup. As the head coach for the U.S. U-19 National Team, Krikorian was responsible for all technical aspects of the program as the team prepared for the second-ever U-19 FIFA World Championship.

His U-19 squad cruised through Group C play finishing undefeated beating South Korea, Russia and European Champion Spain. They were the only team to win all three group matches in the tournament, as the U.S. outscored its opponents 8-1. Krikorian then led the U.S. past Australia in the quarterfinals before falling to eventual World Champion Germany in the tournament semifinals. The team responded by beating Brazil 3-0 to secure the bronze medal. The win kept the U.S.'s streak alive as the only country to secure a top-three finish in all nine FIFA World Championships for women.

The team not only left Thailand with bronze medals but they also were awarded the FIFA Fair Play Trophy. Individually, U.S. midfielder Angie Wozniak received the Silver Ball as the tournament's second Most Outstanding Player and the Bronze Shoe as the tournament's third-leading scorer. Overall, Krikorian's squad outscored the competition 13-4 in the World Championships.

Krikorian's work with the national program continued at the 2011 FIFA World Cup as he served as an advanced scout for the United States Women's National Team. He was one of four scouts that provided expert analysis for Team USA and head coach Pia Sundhage. Krikorian scouted eight teams, in eight games covering six different cities in Germany. He was on hand in Berlin for the opening game fea-

turing Germany and Canada and in the stands for the U.S.A.'s amazing comeback in the quarterfinals against Brazil.

WUSA

As the head coach of the Philadelphia Charge from 2000-2003, Krikorian had another opportunity to coach the top players in the world and he once again proved he could develop talent and guide players to great heights. Not only did he coach 2002 WUSA MVP and Offensive MVP Pichon, but he also tutored the league's top keeper in Melissa Moore, who led the league with a 1.00 GAA. He coached the Charge to two playoff berths in his three seasons and was named the league's coach of the year in 2002. Krikorian drafted and coached 10 WUSA All-Stars in just three years on the Charge bench.

In his first season with Philadelphia, Krikorian posted 11 wins in leading the Charge into the playoffs. The team finished the season ranked third in the regular season standings. The next year the Charge once again won 11 games and finished second in the standings, which was an amazing accomplishment considering Krikorian's top player was lost for the season when Kelly Smith went down with an injury. His squad still finished the regular season 11-4-6.

UNIVERSITY OF HARTFORD

Krikorian had achieved an equal measure of success on the college level before jumping to the WUSA. He coached the University of Hartford for five seasons from 1996-2000 leading the squad to an Elite Eight and two Sweet Sixteen appearances during his four consecutive trips to the NCAA Tournament. He recruited five National Soccer Coaches Association of America (NSCAA) All-Americans, three academic All-Americans and his squads received the NSCAA Team Academic Award on four occasions. Overall, Krikorian's teams averaged 15 wins per season as he posted a 75-30-3 overall record while winning three conference championships. Three of his squads finished the year ranked in the NSCAA's top 15 and they were awarded the NSCAA Team Academic Award for four straight seasons.

Krikorian wasted little time in turning Hartford into a national power. After a 4-14 first season, Krikorian's Hawks won at least 17 and never lost more than five games, while advancing to the NCAA Tournament in each of his next four seasons.

Hartford immediately improved to 19-2-1 in just the second season under Krikorian including a win over national power Connecticut. Hartford also won just the second NCAA Tournament game in school history that year. In 1998, the success continued as the Hawks posted a 17-5 record while advancing to the Sweet 16. That year Krikorian led Hartford to wins over Texas A&M and Harvard in the opening round of the NCAA Tournament.

In 1999, only his third year at the helm of the Hawk program, Krikorian put together the best soccer season in school history. Hartford finished the regular season 15-4-2 and as conference champions for the third straight year. That regular season success was tame compared to the team's magical run through

the NCAA Tournament. After opening with a home win over Princeton, Krikorian traveled to Gainesville to take on the defending National Champions. His Hawks dethroned the Gators on the road and then did the same thing a week later to Virginia in a 3-2 triple overtime win. The victory moved the Hawks into the Elite Eight for the first time in school history.

In his final season at Hartford, Krikorian put together his most impressive regular season as his Hawks went 17-2. They defeated both Virginia and Florida again. The win over Florida was a decisive 3-0 victory. Krikorian also led the Hawks to the school's first-ever victory over Dartmouth in the seventh meeting between the programs.

FRANKLIN PIERCE COLLEGE

Krikorian came to Hartford after spending six years as the head coach at Franklin Pierce College in Rindge, NH (1990-1996) where he built one of the most dominant soccer programs in the college game. His teams won two National Championships, both during undefeated seasons, and appeared in two other final fours. His squad's had a remarkable 39-game winning streak and his 1995 National Championship team was 20-0. Krikorian's teams compiled a 93-19-3 record in six seasons. He recruited three National Players of the Year, eight All-Americans, five academic All-Americans and four national scoring champions. His team at Franklin Pierce also garnered the NSCAA Team Academic Award.

Before Krikorian arrived at Franklin Pierce, the school had an all-time record of 21-36-4 in five seasons winning just under 38% of their games. After he arrived on campus, the Ravens have had just one losing season in 14 years and have won five National Championships. Since Krikorian became the head coach and rejuvenated the program, Franklin Pierce has won almost 89% of their matches. Krikorian built the foundation for the Franklin Pierce dynasty in just six years on the job.

In 1990, his first year in New Hampshire, Krikorian went 10-6-2. The school's 10 victories were just four shy of tying the program's total from its first five years of existence. Two seasons later the Raven's were 20-1 and finished in the NCAA semifinals. After a 16-3 season in 1993 and another NCAA semifinal, Krikorian completed his reclamation of Franklin Pierce by going a perfect 19-0 and winning the school's first-ever NCAA women's soccer championship. What did Krikorian then do for an encore? In 1995 he repeated as National Champions, this time with a record of 20-0.

After departing for Hartford after the 1995 season, the Ra-

vens went on to capture two more National Championships and five in a six-year span. Franklin Pierce and North Carolina are still the only two schools in the history of NCAA soccer to win four consecutive NCAA Championships.

HONORS & AWARDS

Krikorian's two national coach of the year awards in 2005 continued an impressive trend in which the Seminole boss has been honored at every stop of his career. He was named WUSA Coach of the Year in 2002 and received numerous honors and awards throughout his coaching career prior to moving to the professional ranks. He was named the NSCAA's Northeast Division I Coach of the Year in 1997, the NSCAA Division II National Coach of the Year in 1992 and 1995, the NSCAA Division II Northeast Region Coach of the Year in 1992 and 1995 and was a two-time New England Collegiate Conference Coach of the Year in 1994 and 1995. In 1990 and 1993 he was named the Division II New England Coach of the Year as well.

He added his second ACC Coach of the Year award in 2009 after leading the Seminoles to a share of the ACC regular season title and the top seed in the league tournament for the first time in school history. The Seminole field general led the Garnet and Gold to a 14-3-1 regular season record including a mark of 7-2-1 in the ACC. His Seminoles finished the season 9-3-0 against ranked opponents.

Krikorian was a standout player at St. Anselm College in Manchester, N.H. from 1981-1983. He was a two-time captain and team MVP. In 1983, he was a New England Indoor Soccer League (NEISL) All-Star and a first team All-New England selection.

PERSONAL

Krikorian graduated with a degree in history from St. Anselm College and he earned his master's degree in education from Keene (NH) State College in 1994. Krikorian also served as an assistant men's coach at the University of Maine at Farmington and was a Social Studies teacher at Mt. Abram High School in Maine and Raymond High School in New Hampshire. Krikorian was born in Malden, Mass. on March 28, 1960. He is married to the former Linda Mastrogiovanni. They have two children Alexandra (10) and Michael (8).

ERIC BELL

ASSOCIATE HEAD COACH

COLLEGE OF WOOSTER '92

SIXTH SEASON AT FSU

Eric Bell enters his sixth season with the Seminole soccer program and fourth as associate head coach. He spent his first two years as an assistant coach earning a promotion to associate head coach in the spring of 2008. Bell has also served as recruiting coordinator since coming to Florida State in 2006.

Since his arrival in Tallahassee, Bell has helped guide the Seminoles to back-to-back College Cup appearances in 2006 and 2007 including a berth in the school's first national championship game in 2007. In his first five years, the Seminoles have compiled an overall record of 88-24-12 while finishing no lower than second place in the Atlantic Coast Conference. Bell has coached the 2007 MAC Hermann Trophy winner, a pair of national Freshman of the Year, 15 All-Americans, the 2008 ACC Freshman of the Year, 2007 and 2009 ACC Offensive Players of the Year and a handful of student-athletes who have competed internationally.

In overseeing the defensive scheme, Bell has led the Seminoles to a sub-1.00 goals against average in each of his five seasons en route to a 0.79 GAA during that span. The Seminole backline has averaged over 12 shutouts a season under Bell reaching double-digits all five years, while posting a school-record 14 shutouts in both 2006 and 2008. In 2008, FSU set the school record for the fewest goals allowed (15) and the lowest goals against average (0.63). In 2010, the Seminoles gave up a league-low five goals during conference play, while leading the ACC in shutouts with 13.

As recruiting coordinator, Bell made school history as the 2007 class earned its highest national ranking. The Seminoles were recognized by Soccer Buzz with the nation's second-best recruiting class, while grabbing the top spot in the Southeast Region. At the time, both rankings were the highest garnered in program history. Of the 11 freshman, five ranked in the top 150 by Soccer Buzz while Erin McNulty and Sanna Talonen ranked among the nation's top international recruits.

The 2007 class made major contributions on the offensive side becoming the highest scoring team in school history as the Seminoles tallied 233 points on 81 goals and 71 assists. The mark shattered the previous record of 188 points (65 goals, 58 assists) set in 2005. Four freshman including Sanna Talonen, Amanda DaCosta, Marissa Kazbour and Rachel Lim finished among the top scorers on the team while Talonen and DaCosta were named National Freshman of the Year by Soccer America and Soccer Buzz,

respectively. The freshmen class was responsible for 88 of the 233 points registered in 2007 contributing to 37 percent of the total scoring.

Defensively, Erin McNulty set a trio of freshman single-season records for wins (18), shutouts (8.0) and goals against average (0.94) as the Winnipeg, Manitoba, Canada native started all 27 games in goal.

In 2008, Bell once again made school history as Soccer Buzz awarded Florida State with the top recruiting class in the nation. The publication ranked six freshmen in the top 40 with five receiving PARADE All-American honors. Tiffany McCarty was recognized for her outstanding season becoming the first Seminole in school history to earn ACC Freshman of the Year honors. The accolades continued to pour in as Tori Huster and Casey Short joined McCarty as Freshman All-Americans.

The 2009 class was ranked as the fourth-best recruiting class in the Atlantic Coast Conference by TopDrawerSoccer.com. Bell's 2011 class features 10 newcomers including eight freshmen and two transfers that bring a combination of success at the international, club and high school levels.

Prior to his arrival in Tallahassee, Bell spent four years as an assistant coach and recruiting coordinator at the University of Illinois. In 2005, he was named NSCAA Central Region Assistant Coach of the Year while working at one of the top soccer programs in the Big Ten. For the past decade, Bell has been an assistant and head coach on both the men's and women's side of the college game. He is a member of the coaching staff for Region II of the Olympic Development Program.

With Bell on staff at Illinois, the Fighting Illini had tremendous success on the field and on the recruiting trail. After going 9-11-1 in 2002, his first year with the Illini, the team went 16-4-2 the very next season en route to posting an overall record of 44-17-7 from 2003-2005. During that span, the Fighting Illini advanced to three straight NCAA Tournaments. In 2004, Illinois made school history advancing to the national quarterfinals of the NCAA Tournament for the first time ever.

As recruiting coordinator, Bell attracted some of the nation's top talent to Champaign. His 2005 recruiting class was ranked 23rd by SoccerBuzz and his 2006 class was ranked ninth with six signees among the top 200 in the nation.

Bell comes from a strong academic background as well. As the head coach at Indiana University of Pennsylvania his team compiled a GPA of 3.43 in 2000, the third-highest team GPA in Division II that year. Three years ago, senior Christen Karniski was named an NSCAA/adidas first team scholar All-American at Illinois. Florida State has also seen academic success under Bell over the last four years posting an overall team GPA above a 3.0. Katrin Schmidt and Kristen van de Ven became the school's first Scholar All-Americans earning first team honors by the NSCAA in 2007. Becky Edwards added to the growing list of Scholar All-Americans at Florida State receiving first team honors in 2008 and 2009. Also in 2009, Edwards became the first Seminole soccer player to be recognized as an Academic All-American at the national level as she was named to the third team by CoSIDA/ESPN the Magazine.

Before coming to Illinois, Bell spent 2001 as an assistant coach for Minnesota's women's soccer team. He organized and directed the soccer booster club for the Golden Gopher program in addition to his regular coaching and recruiting duties. Bell was also involved with the Minnesota Youth Soccer Association as the ODP state team head coach in 2001. Prior to heading to Minnesota, Bell was the head coach at Indiana University of Pennsylvania for the 2000 season.

From 1997-2000, Bell was an assistant coach for both the men's and women's soccer teams at Ashland University in Ohio. While there, he helped the women's team to three consecutive conference titles from 1997-99 and to the NCAA Division II national semifinals in 1998.

Bell is a United States Soccer Federation A Licensed coach and a member of the National Soccer Coaches Association of America. He attended the College of Wooster where he earned a B.A. in 1992. As a player, he led his team to two NCAA Division III tournament appearances in 1989 and 1990 and to a North Coast Athletic Conference title in 1989. He was voted the team's best offensive player following the 1991 season. Bell and his wife, April, were married in May of 2001. They have two children, Malena, 9, and Cameron, 7.

MIKE BRISTOL

ASSISTANT COACH

WESTERN ILLINOIS '99

THIRD SEASON AT FSU

Mike Bristol enters his third season at Florida State where his primary responsibilities with the Seminoles include the training of the goalkeepers and team defense, as well as recruiting and scouting duties. Bristol joined the Seminole coaching staff after spending five seasons as an assistant coach with the Eclipse Select Soccer Club in Libertyville, Ill.

Following his first season in Tallahassee, the Seminole defense turned in the third lowest goals against average in school history at 0.85 allowing 22 goals in over 2,300 minutes of action. Under the direction of Bristol, Florida State reached double figures in shutouts for the fifth straight year blanking opponents 10 times in 2009. In the ACC, the Seminoles finished the year fourth in GAA, tied for fourth in goals allowed and fifth in shutouts.

Bristol's work with a very young defensive squad, comprised of two sophomores and two freshmen, was on full display right from the very beginning as the defensive unit opened the season posting three consecutive shutouts. The Seminoles allowed just seven shots through the first three games including three shots on goal. The three shutouts to open the season marked the first time such a feat occurred in school history. The stifling defense was at it again in the ACC Championship in Cary, N.C., with the Seminoles recording consecutive shutouts in the first two matches of the tournament for just the second time in the 15 years of the program's existence.

His second season in Tallahassee was just as impressive transitioning Kelsey Wys into one of the most dominant goalkeepers in the nation during her freshman campaign in 2010. Wys started 22 matches between the posts for the Seminoles tallying over 2004 minutes while registering a 16-5-1 record, 91 saves and 12 shutouts. She allowed just 17 goals on the year including five during the ACC regular season en route to a goals against average of 0.76 on the year. Wys finished the season leading the ACC in saves, shutouts, shutouts per

game and save percentage (.843). She would go on to earn a spot on the All-ACC Second Team, All-ACC Freshman Team and garner second team Freshman All-America honors from Soccer America. The Seminole defense went on to lead the ACC in shutouts (13), while ranking second in saves and goals allowed with 20.

During his time with the Eclipse, Bristol led the club team to four national championships; had five goalkeepers selected as pool members of national teams and eight goalkeepers named to regional teams. In 2008, Bristol tutored Alexa Gaul (University of Texas) and Taylor Vancil, a member of the Seminole squad in 2011, who both served as goalkeepers on the United States U-17 National Team that finished second at the 2008 FIFA Youth World Cup in New Zealand. Four of his goalkeepers received the Golden Glove Award at the USYSA National Championships, presented to the tournaments most outstanding goalkeeper. Vancil was one of the Golden Glove Award recipients as she was recognized as the best goalkeeper at the 2008 World Cup.

Bristol has spent part of his coaching career as a goalkeeper coach at the collegiate level as well. He was an assistant coach at Illinois State University

from 2002-04 where he was in charge of the goalkeepers and the backs. During his time at Illinois State his goalkeepers ranked in the top 12 nationally in goals against average. Following his time at Illinois State, Bristol served as the goalkeeper coach for the women's program at the University of Maryland.

His coaching background also includes stints with the Region II ODP and Illinois ODP programs. Bristol also traveled to Germany as the goalkeeper coach with the 1992 Regional ODP team. During the 2009-10 season, he was named the Region III ODP Goalkeeping Director. Bristol has earned a level 3 goalkeeping diploma as well as a premier diploma both from the NSCAA. The Granite City, Ill., native is also on the NSCAA goalkeeping instructional staff for state and regional diplomas. Bristol earned his national goalkeeping license from the United States Soccer Federation (USSF).

As a player, Bristol was a four-year starting goalkeeper at Western Illinois University (1995-99). During his freshman season, he was voted team most valuable player and earned first team All Mid-Continent Conference honors. Bristol served as team captain for three years and was selected to numerous all-tournament teams. Following his collegiate career, Bristol played for the PDL Cocoa Expos soccer team in Cocoa Beach, Fla., during the summer of 1999.

Bristol graduated with a degree in Secondary Education and a master's degree in Sports Management from Western Illinois University.

2010 SEASON IN REVIEW

2010 SEMINOLE SOCCER TEAM

SEMINOLE QUICK HITS

* Florida State closed out the season with an overall record of 16-6-1. The Seminoles have finished with at least 16 wins in each of the six seasons under head coach Mark Krikorian. It marked the seventh time in school history the Seminoles have reached the 16-win plateau.

* The Seminoles finished second in the Atlantic Coast Conference with a league record of 7-2-1 and 22 points, just two points shy of ACC regular season champion North Carolina. FSU has finished in the top four of the league standings in each of the last 10 seasons.

* Florida State returned to the NCAA Tournament for the 11th consecutive season in 2010. Not too bad for a program that has been in existence for just 16 seasons. After not reaching the postseason in its first five years, the Seminoles are now just one of 11 schools out of 322 playing Division I soccer that have gone to 11 consecutive tournaments. Of those 11 schools, four are from the ACC (Florida State, North Carolina, Virginia and Wake Forest).

* FSU is 30-10-2 all-time in the NCAA Tournament - good for the fifth best winning percentage and eighth most wins in Division I postseason history. The Seminoles' postseason run resulted in a berth in the quarterfinals for the sixth straight year and seventh time overall. FSU is 3-3-1 all-time in quarterfinal action advancing to the College Cup on four previous occasions.

* Head Coach Mark Krikorian surpassed 100 career victories at Florida State with Florida State's victory over Wake Forest. Among active Division I coaches, Krikorian has the fifth highest winning percentage (.767) and ranks 14th in wins.

* Senior Amanda DaCosta was named as a first team member on the ACC All-Conference team, marking a Florida State record as the first ever Seminole to be named an all-conference player four times.

* Florida State set a school record with seven players named to the ACC All-Conference team, with Amanda DaCosta and Toni Pressley earning first team accolades and Tori Huster, Kelsey Wys, Kassey Kallman, Ines Jaurena and Casey Short making the second team.

* Junior Tori Huster was named to the CoSida/ESPN Academic All District III team as a second team member.

* Senior Rachel Lim was named the ACC Women's Soccer Player of the Week on October 4th for her golden goal against Wake Forest in a 1-0 overtime victory. The win was also Mark Krikorian's 100th as head coach at Florida State.

* The 2010 Seminole squad finished the season with a 10-1-1 home record. Florida State has gone 23-2-1 at the Seminole Soccer Complex over the past two seasons.

* Defensively, the Seminoles posted an ACC best 14 goals allowed during the regular season, and the third lowest goals against average at 0.85 allowing 20 goals in 23 games of action. For the fifth straight year, Florida State reached double figures in shutouts recording an ACC best 13 shutouts in 2010.

SEMINOLE SOCCER COMPLEX

- The 2011 Florida State soccer program enters its 13th season of playing within the friendly confines of the Seminole Soccer Complex, which is regarded as one of the best playing surfaces in the nation.
- Florida State owns a record of 111-22-6 (.820) at the Seminole Soccer Complex over the past 12 seasons. Since the arrival of head coach Mark Krikorian in 2005, the Seminoles are 63-6-3 (.896) when playing at home.
- The 2001 Seminoles posted the first and only undefeated season at home going a perfect 8-0-0, while the 2006 squad did not suffer a loss in 13 games but registered two ties. The 2009 team holds the school record for the most home wins with 13.
- The Seminole Soccer Complex is home to a school-record 24-game unbeaten streak (2005-2007) in which the Garnet and Gold went 22-0-2 outscoring the opposition 76-10.
- Florida State has protected its home turf when it comes to hosting NCAA Tournament games posting an amazing 21-1-0 record. In fact, FSU won its first 18 postseason matches played inside the Seminole Complex. In front of two of the top 10 largest postseason crowds in FSU history with more than 1,700 fans in attendance, the Seminoles clinched a spot in the College Cup in back-to-back seasons in 2006 and 2007.
- A school record crowd of 4,582 was on hand in a 1-0 victory over the Florida Gators back on September 8, 2006.
- Over the last two seasons, FSU has played in front of a sold out stadium crowd of 2,000 three times. Fans witnessed a nail bitter against North Carolina back in 2009 as Ella Stephan recorded the golden goal with just 12 second remaining in the game to give FSU a 3-2 win over the Tar Heels.
- The Seminole Soccer Complex unveiled a brand new video scoreboard in 2006 displaying video clips, live video, animation, player headshots, graphics and statistics in 4.3 trillion colors.
- Adjacent to the JoAnne Graf Field, the Seminole Soccer Complex is located between Dick Howser Stadium and Mike Long Track on Spirit Way. The facility can be accessed from both Spirit Way and Stadium Drive.

SEMINOLE

FIRST TEAM ALL-AMERICANS

LEAH GALLEGOS 2003 - SOCCER BUZZ

Leah Gallegos made Florida State history in 2003 becoming the first Seminole to garner first team All-America honors. The distinction was well deserved as she played a vital role in leading Florida State to its first College Cup appearance scoring golden goals in back-to-back overtime victories over Auburn and West Virginia in the second and third rounds, respectively. Gallegos started all 26 games for the Garnet and Gold in 2003 finishing her sophomore campaign with 39 points on 18 goals and three assists. It was a record breaking season for the Los Angeles, Calif., native as she established single-season school records for goals (18), game-winning goals (7), multi-goal games (5), shots (109) and shots on goal (60). She tied an FSU single-game record on October 27 with four goals and eight points in a win over Florida Atlantic. Following her second year at Florida State, Gallegos had scored more goals in her first two seasons (25) than any other player in school history. She went on to garner first team All-ACC accolades, while becoming the first Florida State player to receive All-America honors from the NSCAA (3rd Team).

VIOLA ODEBRECHT 2005 - SOCCER BUZZ

In just one season, Viola Odebrecht made a lasting impression at Florida State joining former Seminole Leah Gallegos as the only Seminole to be named a first team All-American by any organization. Odebrecht started 24 games in 2005 finishing second on the team in game-winning goals (5), third in goals (9), points (26) and shots (50) and tied for third in assists with eight. It did not take long for the German junior midfielder to make herself feel at home scoring the first goal of the 2005 season, the game-winner, in a 4-0 victory over Southern California in what was her first collegiate game. Odebrecht tallied three multi-point games including her first career hat trick as Florida State defeated Virginia Tech 3-0. She led a Seminole offensive attack that established new single-season marks for goals and points. Along with Selin Kuralay and India Trotter, Odebrecht formed the first Seminole trio to tally nine or more goals in one season for the first time in program history. Odebrecht earned a spot on the All-ACC first team and was a Soccer Buzz Player of the Year finalist. She also performed in the classroom as a member of the ACC All-Academic Team and ACC Honor Roll honoree.

SELIN KURALAY 2005 - SOCCER AMERICA 2006 - SOCCER BUZZ

Selin Kuralay earned the distinction as Florida State's first two-time, first team All-American claiming such honors from Soccer America and Soccer Buzz in 2005 and 2006, respectively. Kuralay had the most productive offensive season of any first-year Seminole in team history in 2005 with 41 points on 16 goals and nine assists. The Australian native recorded either a game-winning goal (6) or game-winning assist (3) in nine of Florida State's school record 20 wins in 2005. She tallied five multi-goal games as a sophomore, while becoming the quickest player in FSU history to reach 10 goals doing so in the ninth game of the season. Kuralay finished the season becoming just the second player at Florida State to lead the team in every offensive category including points, goals, assists, game-winning goals, shots and shots on goal. In 2006, Kuralay led FSU in goals (13), points (29), shots (108) and game-winning goals (5) in 26 games. She began the season registering either a goal or an assist in the first five games. Kuralay was a two-time, first team All-ACC honoree. In 2006, Kuralay joined teammate India Trotter as FSU's first semifinalists for the MAC Hermann Trophy presented to the nation's top collegiate player. The Seminole forward was also a two-time Soccer Buzz Player of the Year finalist.

KELLY ROWLAND 2006 - NSCAA

Kelly Rowland earned first team All-America honors from the NSCAA in her final season at Florida State. She finished her Seminole career appearing in 95 games while establishing a school record for consecutive starts with 87, a mark that stands to this day. Rowland led the Seminoles to three College Cup appearances including trips in her final two seasons. During her senior campaign, Rowland tallied 14 points on five goals and four assists in over 2,200 minutes of action. She finished second on the team with four game-winning goals including the lone tally in a 1-0 shutout victory over Illinois in the third round of the NCAA Tournament. Rowland will forever be part of Florida State history as she assisted on the first Seminole goal in College Cup play finding India Trotter for a goal against Notre Dame in 2006. The Seminole defender was a two-time, second team All-ACC honoree and was named to the 2006 ACC and NCAA All-Tournament teams. Rowland earned a spot on the 2006 ACC All-Academic Team and was a two-time ACC Academic Honor Roll honoree. The Wallingford, Pa., native was the recipient of the ACC Weaver-James-Corrigan Postgraduate Scholarship in 2006.

INDIA TROTTER 2006 - NSCAA & SOCCER AMERICA

India Trotter garnered first team All-America honors from the NSCAA and Soccer America as a senior in 2006. After receiving second team NSCAA All-America honors in 2005, Trotter became the first two-time NSCAA All-American in school history. In her final season at Florida State, Trotter registered 19 points on eight goals and three assists in 26 games. She led the Seminoles to three appearances in the College Cup including trips in her final two seasons and was named to the NCAA All-Tournament team in 2003, 2005 and 2006. Trotter had a penchant for playing her best in FSU's biggest games and that was certainly the case in 2006. Among her eight goals, two came against 2006 National Champion North Carolina. Trotter will forever be part of Florida State history as she scored the first Seminole goal in College Cup play finding the back of the net against Notre Dame in 2006. She finished her career as Florida State's all-time leader in games played and the leading scorer in the NCAA Tournament tallying more goals, points and game-winning goals than any Seminole in postseason play. In 2006, Trotter joined teammate Selin Kuralay as FSU's first semifinalists for the MAC Hermann Trophy presented to the nation's top collegiate player. As a member of the All-ACC first team in 2006, the Ft. Lauderdale, Fla., native became FSU's first three-time All-ACC honoree. Trotter was also named one of four finalists for the Honda Award in 2006.

SANNA TALONEN
2008 - SOCCER AMERICA & SOCCER BUZZ

Sanna Talonen joined Leah Gallegos and Amanda DaCosta as the only student-athletes in Florida State history to earn All-America honors as a sophomore. Talonen had a stellar season in 2008 finishing the year as the team leader in points (36), goals (16) and game-winning goals (6) en route to earning first team All-ACC accolades. At one point during the year, Talonen registered a goal in six straight games, the second longest streak in school history. She wrecked havoc away from home in her two seasons at Florida State notching 32 career points on the road, while 11 of her 16 goals in 2008 came away from home. On the career charts, Talonen sits first all-time at FSU in game-winning goals (12) and multi-goal games (9). Edwards finished third on the team in points (18) recording career-highs in points, goals (5) and shots (46). She tied a career-high with eight assists, a mark she established as a freshman back in 2006. In 2008, Edwards appeared in 17 games while making 12 starts and tallied three points on a goal and an assist in over 1,300 minutes of action. Edwards played an integral role in the Seminole backline which gave up just 15 goals all season, the fewest allowed in school history. She was also part of the defensive unit that put together four consecutive shutout victories in league play for the first time in school history. The Seminole defense finished the 2008 season ranked ninth nationally in shutout percentage (.609) and 18th in goals against average (0.632). SEMINOLES

ENDOWED SCHOLARSHIPS

Enthusiastic Tallahassee business leaders formed the first Seminole Boosters organization in the summer of 1951. Their purpose was to support an ambitious Seminole football program rapidly growing in popularity. A brand new stadium and increasing program costs motivated the Boosters to make fundraising their first priority, a priority that remains our primary purpose.

The Seminole Boosters experienced great success through Head Football Coach Bill Peterson's tenure (1960-1970). From 1971 through 1973 Boosters served as the reorganized National Seminole Club. In the winter following the winless 1973 season, local leaders again responded to the challenge of University President Dr Stan Marshall, and re-incorporated the Seminole Boosters. In March, 1975 Andy Miller became chief operating officer of the organization, the post he still holds.

Today, Seminole Boosters, Inc. is one of the leading collegiate athletic fundraising organizations in America. Contributors account for more than \$13 million in annual funds, plus at least \$10 million per year in capital gifts. The Seminole Boosters Scholarship Endowment has nearly \$50 million under management, and the Boosters are involved with a wide range of enterprises including affinity programs, logos & licensing, gameday parking, concessions, the University Center Club, skybox management and the construction of athletic facilities.

TALBOT "SANDY" D'ALEMBERTE SCHOLARSHIP

Former Florida State University President Talbot "Sandy" D'Alemberte appreciates the contribution that competitive sports can make to strengthen the intellect as well as the body. A classic Renaissance Man, President D'Alemberte enhanced the entire range of University initiatives through his own personal generosity. With a major gift, he propelled the Seminole Boosters Dynasty Campaign forward by establishing a fully endowed Scholarship for Seminole Women's Soccer.

BRENT SEMBLER "GOALKEEPER POSITION" SCHOLARSHIP

Vice Chairman of the Sembler Company, one of the country's most recognized shopping center development and management companies, Brent Sembler is among the most familiar names and faces in the highest echelons of Florida politics and finance. As renowned philanthropists, Brent and Debbie Sembler are relentless fundraisers for a range of charitable causes. Brent played Club Soccer for the Seminoles as a student in the late 1970s and has continued to follow and encourage support for the sport among young people. Brent has expressed his love for the sport and for his University by endowing a Named Position Scholarship for Seminole Women's Soccer. The starting goalkeeper at FSU will now carry the Brent Sembler Scholarship.

CHARLES & DIANE MORRIS SCHOLARSHIP

A 1970 West Point graduate, Colonel Charles A. Morris, Ed.D., FSU 1994, honorably served our nation over a distinguished 27-year Army career. Diane faithfully served FSU from 1990-94 as an honored academic advisor in the Department of Psychology while Chuck commanded the Army ROTC Seminole Battalion. The Morris' returned to FSU in 1997 and Chuck began work in the Department of Athletics. Chuck and Diane became fans of Florida State soccer and recognized the importance of providing scholarships for future generations of student-athletes. As an expression of their loyalty, commitment and admiration for FSU, they have endowed the outside right forward position.

LES & RUTH AKERS SCHOLARSHIP

Successful businessman, tireless fundraiser for Seminole Athletics and leader in all areas of FSU alumni involvement, Les Akers and his wife Ruth, holder of a graduate degree in music, have expressed their love for the University by endowing a scholarship for soccer.

HUNTER MCINTOSH

After playing professional tennis for several years, former FSU student-athlete Hunter McIntosh decided to endow an athletic scholarship for soccer to show his support for women's athletics here at Florida State. Throughout his lifetime, he never lost his love or commitment to Seminole Athletics. Hunter's feeling for FSU can be summed up in his own words of "Once a Nole, always a Nole".

From Miami to Minneapolis, and from Warsaw to Walla Walla, young men and women come to Florida State University to embrace its educational excellence and to compete as a Seminole. Many would not have the opportunity to receive that college education without their athletic scholarship. These young people work hard and proudly represent Florida State as a winner on the national stage, attracting the attention to our University that winners bring.

Florida State Athletics provides each of our men's and women's teams with the maximum number of scholarships allowed by the NCAA. In addition to the field competitors, scholarships are also provided to student trainers, managers and graduate assistants who are vital to an athletic program.

The last 16 years have seen a threefold rise in the cost of athletic scholarships at Florida State. Today, more than \$350,000 is needed to permanently endow a Florida State athletic scholarship. Most of the top public universities with whom Florida State competes and to whom we are compared, have endowed all of their athletic scholarships.

Established in 1986 under the direction of William M. Parker of Clearwater, the Seminole Boosters Endowed Scholarship Program is the final step toward perpetual funding of all scholarships for student-athletes at Florida State. Those individuals who contribute to the endowment fund for athletic scholarships at Florida State University gain membership in the Seminole Heritage Foundation.

Thanks to the efforts of former FSU President Talbot "Sandy" D'Alemberte, Les and Ruth Akers, Charles and Diane Morris, Hunter McIntosh and Brent Sembler an effort has now begun to ensure the endowment of the Florida State soccer program.
