MISSION STATEMENT

The mission of the Department of Intercollegiate Athletics at The Florida State University shall be to produce National Collegiate Athletic Association (NCAA) Division I programs for men and women that are characterized by excellence. In addition, the Department strives to be recognized as a campus leader in terms of its ethics, nondiscrimination, and unquestioned fiscal integrity.

Excellence in intercollegiate athletic programs is determined by academic achievement; and the development of character, maturity, and a sense of fair play in athletic programs. It, moreover, engenders support for the University among its many constituent groups, including students, faculty, alumni, and friends at the local, state, and national levels. In striving to become a leader among our peers, the Department subscribes fully to the philosophy and regulations set forth by the National Collegiate Athletic Association and operates within the fiscal regulations and non-discriminatory procedures established by the Florida State University Board of Trustees and the Florida Legislature.

It is the explicit philosophy of the Department that our student-athletes will be strongly encouraged and supported in their endeavors to progress toward a degree while simultaneously participating in an intercollegiate athletic program whose environment is consistent with the highest standards of academic scholarship, sportsmanship, ethics, and institutional loyalty. Finally, the decisions and priorities of the Department should always focus on our student-athletes—first, as individuals; second, as students; and third, as athletes.

SEMINOLE SOCCER CAMPS

The primary focus of the Seminole Soccer camps will be on the technical application of the sport with dedicated training in specific areas including passing, shooting techniques, receiving, dribbling and team tactics.

It is Florida State's goal that every player leaves camp with a feeling of accomplishment, a better understanding of the game and an intensified passion for soccer.

FLORIDA STATE ADVANCED TO THE 2011 COLLEGE CUP IN KENNESAW, GA.

- Over the last 12 seasons only one school in the ACC has more overall wins and has won more games against conference foes than Florida State.
- FSU has registered 10 top four finishes in the ACC since 2000 and has finished in the top four of the league standings 10 times over the last 11 seasons.
- The Seminoles became just the fifth school in league history to win an ACC title claiming their first conference championship with a victory over Wake Forest in 2011. FSU has played for the conference championship six times in school history.
- In 2009, Florida State captured its first ACC regular season title finishing league play with a record of 7-2-1 en route to earning the No. 1 seed in the conference tournament.

ONE OF THE NATION'S BEST PROGRAMS

- Florida State soccer has come a long way since the program played its first game in 1995 blossoming into one of the top collegiate powers in the nation.
- Entering its 18th season as a varsity sport, Florida State has become one of the premiere destinations for many of the best women's soccer players in the United States and throughout the world.
- With College Cup appearances in 2003, 2005, 2006, 2007 & 2011, FSU is one of only three programs in the nation, and the only school in the ACC, to play in soccer's version of the 'Final Four' five times in the last nine seasons.
- Since 2000, the Seminoles have made 12 straight NCAA Tournament appearances, played in 10 'Sweet 16's' and advanced to the quarterfinal round seven years in a row – the longest active streak in the nation.
- In 2007, FSU played in the national championship game for the first time in school history.
- The series of firsts continued in 2011 when Florida State captured its first ACC Championship defeating Wake Forest 3-1 in a penalty kick shootout. Seminole goalkeeper Kelsey Wys was

named the Tournament MVP after stopping three of four Wake Forest penalty kicks.

- FSU boasts an all-time postseason record of 34-11-2, good for a .745 winning percentage, the fourth highest winning percentage and the eighth most wins all-time in NCAA Tournament history.
- Over the last nine years, Florida State has turned out 14 first team All-Americans from 11 different student-athletes, two National Freshman of the Year, a CoSIDA Academic All-American and a MAC Hermann Trophy winner.
- Six former Seminoles went on to play in the Women's Professional Soccer League. Becky Edwards became the first Seminole drafted by the league since its inception in 2009 as she was taken by FC Gold Pride with the 12th overall pick in the 2010 draft. Edwards went on to win two WPS titles in her first two years with the league – one with the Pride (2010) and the other with Western NY Flash (2011).

ACC POWERHOUSE

- Florida State, Duke and North Carolina are the only teams in the ACC to play in multiple College Cups since 1992. The Seminoles lead the league with the most College Cup appearances (5) since 2003.

- Among the other schools in the ACC, Florida State is second all-time in College Cup appearances (5), has the second highest all-time postseason winning percentage (.745) and is tied for the second most appearances (10) in the NCAA Round of 16 since 2000 including a string of seven consecutive trips.

PLAYING ON THE BIGGEST STAGE

- At the 2007 College Cup in College Station, Texas, FSU and Southern California squared off in the national championship game in front of a sold out crowd of 8,225 fans.
- The Tallahassee community continually fills the Seminole Soccer Complex with energy unlike any in the nation as single-game attendance

has surpassed stadium capacity on 15 different occasions since 2000 including a school-record crowd of 4,582 on September 8, 2006 to watch Florida State defeat intra-state rival Florida.

- The Seminoles have ranked among the nation's attendance leaders for 12 consecutive years drawing more than 10,000 fans to the Seminole Soccer Complex six times in the last 10 years including a school record 17,399 fans in 13 games in 2006.

ONCE IN A LIFETIME OPPORTUNITIES

- In the summer of 2004, the Seminole soccer team spent two weeks traveling through Australia playing three games against the Australian Olympic team while visiting the Sydney Opera House, surfing the waters of the Gold Coast, hanging out with the koala bears and kangaroos and exploring the waterfalls of Springbrook National Park.
- During the summer months, many Seminoles continue to hone their skills in leagues across the country playing for a variety of teams in the W-League and Women's Premier Soccer League.
- Many Seminoles have gone on to represent their country at the international level including 2007 MAC Hermann Trophy winner and consensus All-American Mami Yamaguchi (Japan), Erin McNulty playing in goal for Team Canada as they captured the gold medal at the 2008 CONCACAF Qualifier and Tiffany McCarty, Toni Pressley and Casey Short winning gold for the U.S. U-20 team at the 2010 CONCACAF championship followed by Kassey Kallman leading the U.S. U-20 team to gold at the 2012 CONCACAF qualifier.
- Playing soccer at Florida State also means making memories on the field that will last a lifetime...

-- Remembering the game-winner scored on a diving header at home in double overtime to defeat Connecticut in 2007 sending FSU to its third consecutive College Cup...

-- Remembering what it felt like as you counted off the last five seconds at Percy Beard Stadium, knowing you just defeated the Gators on their home turf to advance to the school's first ever College Cup in 2003...

-- Taking the field for the national championship game in 2007, a game televised to millions of homes on ESPN.

2012 SEASON OUTLOOK

GENERAL OUTLOOK

- The Florida State soccer program enters its 18th season as a varsity sport in 2012 posting an all-time record of 237-125-30. The Seminoles have registered a mark of 34-11-2 in 12 trips to the NCAA Tournament good for a .745 winning percentage. FSU sits with the fourth highest winning percentage and eighth most wins all-time in NCAA Tournament history.
- The Seminoles return eight starters and 13 letterwinners from last year's squad that captured the school's first ACC Championship and advanced to the College Cup for the fifth time in school history.
- With five College Cup appearances since 2003, Florida State is one of only three programs in the nation, and the only school in the ACC, to play in soccer's version of the 'Final Four' five times in the last nine years. Since 2000, the Seminoles have made 12 straight trips to the NCAA Tournament, played in 10 'Sweet 16's' and advanced to the quarterfinal round seven years in a row – the longest active streak in the nation.
- FSU returns five of seven players who recorded double-digit points last year including all-time leading scorer Tiffany McCarty (42 points), Jessica Price (17 points), Dagny Brynjarsdottir (13 points), Ines Jaurena (11 points) and Jamia Fields (10 points). Casey Short returns to the pitch after missing the entire 2011 campaign due to an injury.
- The Seminoles welcome 12 newcomers to Tallahassee in 2012. Eleven of the 12 student-athletes come in as freshmen including two who enrolled at FSU back in the spring of 2012 (Michaela Hahn and Kahlia Hogg) and four international standouts (Hogg, Australia; Berglind Thorvaldsdottir, Iceland; Isabella Schmid, Germany; Nora Kervroëdan, France).
- Mark Krikorian enters his eighth year as head coach of the Florida State soccer program amassing a record of 126-35-14. Krikorian has led the Seminoles to four College Cup appearances (2005-07 and 2011) and a berth in their first national title game in 2007. He claimed a share of the ACC regular season title in 2009 and guided the Seminoles to their first league championship in 2011. Among active Division I coaches, Krikorian has the fifth highest winning percentage (.764) and ranks 12th in wins.

Krikorian on the upcoming season: "In terms of talent from top to bottom, we are probably as talented as we have ever been. We obviously lost some very good players last year, but I think with the collection of players that we have back as well as the new kids coming in that we have a pretty talented group. The expectations are always the same; it is to be playing in the last weekend of the season and to give ourselves a chance to compete for a national championship. All the non-conference, conference and conference tournament games matter but at the end of the day it's about competing for a national title. The hope is that we can get back to the College Cup and give ourselves a chance to win."

LEADERSHIP & EXPERIENCE

- This year's squad brings a wealth of experience as 13 letterwinners are back from last year's team that won an ACC title and advanced to the College Cup. Head coach Mark Krikorian will look to his seven-member senior class, the largest core of seniors he has had in his eight seasons at the helm of the program, to provide the needed leadership if his team wants to be one of the final four teams playing in San Diego come December. The 2012 senior class has combined for 288 points on 98 goals and 92 assists, 3629 minutes in goal with 198 saves and 10 shutouts all in 451 career appearances.
- Senior forward Tiffany McCarty and junior defender Kassey Kallman were named team captains for the 2012 season. After missing the entire 2010 season due to injury, McCarty made a grand return in 2011 as she led the team in points, goals, shots and game-winning goals. The Laurel, Md., native is FSU's career leader in shots (220), goals (46) and points (111). Kallman has been a two-year starter for the Seminoles since arriving on campus in 2010. She will miss the first half of the season as she represents Florida State and the United States at the 2012 U-20 FIFA World Cup in Japan.
- Of the 13 letterwinners returning for the Seminoles in 2012, each player has made at least one career start. Eight have started at least 35 games including Tiana Brockway (71), Ines Jaurena (71), Tiffany McCarty (71), Kassey Kallman (48), Casey Short (47), Kelsey Wys (45), Jessica Price (42) and Taylor Vancil (38).
- A program-record eight student-athletes were named to the ACC All-Academic Team in 2011 with 21 players named to the team over the last three years. Tori Huster led the 2011 squad becoming the first Seminole soccer player to earn ACC Scholar-Athlete of the Year honors. Eleven Seminoles went on to earn ACC Academic Honor Roll accolades during the 2011-12 school year maintaining a 3.0 overall GPA as well as a 3.0 GPA each semester. Redshirt senior Jessica Price became the first Seminole to be named a five-time selection to the ACC Academic Honor Roll.

Krikorian on the overall experience of this year's team: "The veteran leadership that we have on this year's team is a very positive aspect for us. Certainly having Jess (Price), Tiff (McCarty) and Shorty (Casey Short) here for an additional year is big for us; obviously we missed them while they were out, but to have them back is a great benefit to our team. The maturity off the field and on the field is quite good. Even beyond the three redshirt seniors, I think we have a core of kids who have shown great commitment to the team. I just look at our group and think that we have a mature team. We spend a lot of time on leadership, leadership development and I think the investment that we have put into it is paying its dividends now."

THE ATTACK

- Florida State returns 72.5 percent (124 of the 172 points) of its total scoring from last year including five student-athletes who registered double-digit points. FSU's all-time leading scorer Tiffany McCarty leads the attack after setting single-season career-highs in goals (18), points (42), shots (80) and game-winning goals (4) a season ago.

- Jessica Price heads into her senior season ranked second all-time at Florida State in game-winning goals (11) and assists (25). The Libertyville, Ill., native has led the Seminoles in assists two of the last three seasons tallying nine last year and 10 in 2009. She also ranks among the career leaders at FSU in points (6th – 71) and goals (10th – 23).
- Jamia Fields finished her freshman campaign in 2011 ranked seventh on the team with 10 points tallying two goals and six assists. She was one of three Seminoles that finished the season tied for second with six assists, while her four assists against ACC foes tied for the third-most in a single-season in school history.
- The Seminoles also bring in a lot of newcomers that will help vary the attack in 2012 as Tori Abnathy, Kirsten Crowley and Berglind Thorvaldsdottir will provide depth at the forward position.
- Last year, the Seminoles finished the season with 172 points on 55 goals and 62 assists. It marked the fifth-highest scoring campaign in the Mark Krikorian era and the sixth-most points in program history. The four most productive offensive seasons have come under the watchful eye of Krikorian (2007 – 233 points; 2009 – 204 points; 2008 – 194 points; 2005 – 188 points). Since 2007, the Seminoles are averaging over 62 goals and 61 assists a season.
- Eighteen different Seminoles contributed with at least one point in 2011, while 11 Seminoles scored at least one goal. Seven Seminoles finished the season with double-digit points with five returning for the 2012 season.

Krikorian on the attack: "We will have a variety of ways of attacking this year. The athletic quality that we have will present challenges to some teams but I think that the technical aspect of the team and the emphasis on keeping the ball and position play will also present some challenges to opponents. The hope is that we are not a one-dimensional group that we can score with different players in different ways in different situations and if that is the case then we will be dangerous."

THE MIDFIELD

- Of all the positions on the field, the midfield was hit the hardest by graduation as the Seminoles lost four players from last year including All-American Tori Huster, Janice Cayman, Ella Stephan and Katie Riley. Dagny Brynjarsdottir is Florida State's top returning midfielder from last year as she collected 13 points on five goals and three assists in 21 matches.
- Casey Short returns to the pitch in 2012 after missing the entire 2011 season due to an injury. The redshirt senior was a second team All-ACC honoree in 2010 and has appeared in 58 matches over her three-year career with 47 starts. The Naperville, Ill., native has recorded 28 career points on seven goals and 14 assists. Ten of her 14 career assists have come against ACC foes which ties her for first in the FSU career record books for assists in ACC play.
- Kristin Grubka, Hikaru Murakami and Mart Bakowska-Mathews also played valuable minutes in the midfield for the Seminoles last year. The trio has appeared in a combined 66 matches tallying a total of

2012 SEASON OUTLOOK

12 points on three goals and six assists. Look for a handful of newcomers including Nicole Fischer, Michaela Hahn and Dria Hampton as well as internationals Nora Kervroëdan, Isabella Schmid and Berglind Thorvaldsdottir to see action in the midfield.

Krikorian on the midfield: "From a coaching perspective, the midfield is the biggest question mark for our program because we did lose some talented players from last year including Tori Huster, Janice Cayman, Ella Stephan and Katie Riley. When you take them out of the mix, it is a significant loss, but I do think we have replaced them with some very good players. As I sit here during the preseason, I still don't have a handle on how the midfield will look come opening day. I'm not sure what kind of shape we are going to play in, which players are going to be in which positions, but what I do know is that we have some very talented players that will vie for playing time. If we as a coaching staff can figure it out and get the puzzle right, then we should be pretty good."

THE DEFENSE

- The Seminoles will once again have quality depth in the backline as three starters return including seniors Tiana Brockway and Ines Jaurena and junior Kassey Kallman, as the trio has started a combined 190 games. Look for sophomore Kristin Grubka and redshirt senior Casey Short as possible options to replace Toni Pressley and Ella Stephan in the backline. Newcomers Kacy Scarpa, Carson Pickett, Kahlia Hogg and Rylee Hart will vie for playing time as defenders as well in 2012.
- Florida State will be without the services of Kassey Kallman for the first seven games as the Woodbury, Minn., native will travel with the U.S. U-20 team to Japan for the FIFA Youth World Cup which runs August 19 – September 8. Kallman started all five games, playing every minute of each match, for the U-20 team at the 2012 CONCACAF Tournament in Panama as the team won gold to clinch a World Cup berth.
- The Seminole defensive effort was a little uncharacteristic last year as opponents recorded 28 goals – the most allowed under head coach Mark Krikorian and the most since giving up 28 goals in 2003. Despite the goals allowed, FSU still posted 12 shutouts to extend the school's streak of reaching double-digit shutouts to seven years in a row.

Krikorian on the defense: "We had a good collection of back players last year, but I don't think our positioning was precise enough in many different situations. We addressed some of those issues in the spring. Sometimes when you're attacking as much as we are attacking, you leave yourself susceptible to counter attacks. There is no secret, that is certainly a methodology teams will use against us, but hopefully we have worked enough on the way that we defend so we will minimize the opportunities by our opponents. We gave up far too many goals last year, some were very good goals, others we gifted and we need to do a better job of taking away those gifted goals."

THE GOALKEEPING

- Kelsey Wys and Taylor Vancil are back in net for the Seminoles in 2012 as the two combined to play over 2300 minutes between the posts in 2011.
- Wys started 23 matches last year and put together a record of 16-6-1 in leading the Seminoles to an ACC Championship and a berth in the College Cup. The Coral Springs, Fla., native was named the ACC Tournament MVP after finishing the championship with a 0.59 GAA and 10 saves. She made three more saves in four penalty kick opportunities during the final's shootout against Wake Forest to lead FSU to its first league title. Wys in the FSU career leader with eight shutouts in ACC play, while her career shutouts (20) and wins (32) rank tied for first and third, respectively, in school history.
- Vancil appeared in seven matches while making three starts in her first year at Florida State in 2011. The Youngsville, N.C., native went 2-1-0 with 15 saves and two shutouts in over 400 minutes of action. She allowed goals in just two of her seven appearances, while recording a career-high six saves on the road at Virginia.

Krikorian on the goalkeepers: "I'm sure that there are a lot of teams out there that would like to trade our two (goalkeepers) for their two or our two for their three. We feel as though that we have two of the best goalkeepers in the country. They both came back this fall fit and ready to go. They bring out the best in one another and I think (assistant coach) Mike (Bristol) is doing a great job with them as well."

THE NEWCOMERS

- Florida State adds 12 new players in 2012 including 11 freshmen and one transfer. Two student-athletes joined the Seminoles a semester early enrolling during the spring 2012 semester, while this year's class also includes four international players in Kahlia Hogg from Australia, Nora Kervroëdan from France, Isabella Schmid from Germany and Berglind Thorvaldsdottir from Iceland.
- Michaela Hahn and Kahlia Hogg got an early start to their collegiate career arriving on campus in January enrolling at Florida State for the spring semester. Both took part in off-season conditioning while collecting valuable minutes on the pitch during the Seminole spring season.
- Dria Hampton is the lone transfer in this year's class coming from the University of Oklahoma. As a Sooner, Hampton started every game over the last three years – a span of 62 consecutive starts. She tallied 39 career points on 12 goals and 15 assists as she scored at least three goals all three years at Oklahoma. Hampton will provide a great deal of leadership and experience in the midfield for the Seminoles in 2012 as she led OU to the 2010 NCAA Tournament and served as team captain in 2010 and 2011.

Krikorian on the newcomers: "This year's class is a large collection of players much larger than we have had in the past. I think all the players will have different roles, some will come in and start, some will come in and give us minutes off the bench and some will take a little longer and have to develop over the course of time.

But my first impressions are that they are a hardworking group that wants to get better and are very open to the comments that we as a staff are providing to them."

THE SCHEDULE

- Twelve teams on the 2012 schedule recorded 10 or more wins a season ago. Eleven schools earned a bid to participate in the 2011 NCAA Tournament, while eight of those teams played into the third round of the tournament. This year's opponents posted a combined record of 224-132-33 in 2011 good for a .618 winning percentage.
- The Garnet and Gold will open the 2012 season on the road as FSU travels to face Minnesota followed two days later with a match against the Marquette Golden Eagles. This marks the third straight year Florida State has opened its season away from the friendly confines of the Seminole Soccer Complex as last year FSU defeated Oregon State in Corvallis, Ore. Florida State is 4-4-0 when beginning the season on the road.
- The Seminoles will be tested early as three of their first four opponents participated in postseason play including Marquette, UCF and Florida. Six of FSU's nine road contests in 2012 will come against schools that advanced to the NCAA Tournament last year.
- FSU will once again compete in a 10-game ACC schedule with five home and five away matches leading up to the ACC Tournament first round matches which will be held on the campus of the higher seeded team on Sunday, October 28. Florida State will open conference play at home against two schools that joined the Seminoles at the 2011 College Cup in Kennesaw, Ga. FSU will square-off against national runner-up Duke on Thursday, September 13 followed by Wake Forest on Sunday, September 16.

Krikorian on the schedule: "Starting the year on the road at Minnesota and at Marquette are two very difficult games early in the season. Those games will take us out of our comfort zone. I think that by the time we are done with preseason all the kids here will be very comfortable with our field, being in Florida and getting used to the weather. But by taking them into hostile environments will in the long term serve us well. Then you look at the ACC schedule and the proof is out there when NCAA Tournament time rolls around. The fact that the ACC had nine teams in the tournament and all nine teams won a first round match, then you have four in the Elite Eight and three in the College Cup. It's a credit to the quality of the institutions, the coaches, the players and their commitment to excellence. We continue to see good players out there that are really interested and excited to play in the ACC. There is a reason for it because you know every time you step on the field that the opponent is going to be a good opponent. I think the ACC schedule will be a great challenge for us."

HEAD COACH • EIGHTH SEASON AT FSU

FSU RECORD: 126-35-14 (.760)

19TH COLLEGE SEASON: 294-84-20 (.764)

ST. ANSELM COLLEGE • 1983

Florida State head coach Mark Krikorian took over the Seminole women's soccer program in 2005 and has proven to the nation that FSU soccer will be a national title contender on an annual basis. In his first seven seasons in Tallahassee, Krikorian has led FSU to four College Cup appearances, including a string of three straight (2005-07), the school's first appearance in a national championship game in 2007 and first ACC title in 2011. To further prove the model of consistency that Krikorian continues to provide, Florida State is the only school in the country that has finished ranked in the top 10 of the final NSCAA poll over the last seven years. He has registered at least 16 wins in each of his first seven seasons while finishing no lower than second place a total of six times in the Atlantic Coast Conference, the nation's premier soccer conference. In 2009, Krikorian led the Seminoles to a share of the ACC regular season title and the No. 1 seed in the ACC Tournament for the first time in school history after wrapping up the regular season with a 7-2-1 league mark. Two years later he guided the Seminoles to their first ACC Championship as Florida State defeated Wake Forest 3-1 in penalty kicks.

Not only has Krikorian accomplished things that had never been done at Florida State, but he has also achieved what has yet to be accomplished by head coaches on the national level. Since the NCAA expanded to 64 teams in 2001, Krikorian is the first coach to take over a program and lead that team to three consecutive College Cups. He is also the first coach to advance through 13 rounds of the NCAA Tournament in his first three seasons at a school and is the first FSU coach to ever lead the program to a spot in the national finals. In seven years, Krikorian has led the Seminoles to a 25-7-1 mark in NCAA Tournament play while claiming an overall winning percentage of .764.

The 2011 season marked the 11th straight year Krikorian led a team to the NCAA Women's Soccer Tournament and the eighth time he guided a Division I squad to the quarterfinals. He took Hartford to the NCAA Tournament from 1997-2000 including trips to the quarterfinals and two appearances in the round of 16. He has also guided FSU to a berth in the quarterfinals in each of his first seven seasons, good for the longest active streak in the nation. Krikorian has a lifetime winning percentage of .726 (30-11-1) in the NCAA Division I Women's Soccer Tournament and also captured two Division II National Championships with Franklin Pierce. FSU's run to the 2007 national title game against Southern California represented Krikorian's third all-time ap-

pearance in an NCAA soccer championship game.

In seven seasons as FSU's field general, Krikorian's players have been honored more than 100 times at the conference, regional and national levels including 17 All-ACC first team selections, which is the second most in the league since 2005. In 2010 & 2011, Florida State set school records for its work both on the field and in the classroom in the ACC placing seven players on the 2010 All-ACC teams, the most of any school in the league. A year later, the Seminoles landed a school record eight student-athletes on the ACC All-Academic Team led by senior midfielder Tori Huster, who was named the ACC Women's Soccer Scholar-Athlete of the Year. In 2009 Krikorian was honored as the league's Coach of the Year for the second time in his career. Becky Edwards also became the Seminoles' first two-time, first team Scholar All-American from the NSCAA and at the same time earned the distinction of becoming FSU's first Academic All-American at the national level.

Four student-athletes received All-America accolades from the NSCAA in 2008 for the first time in school history. Tiffany McCarty became the first Seminole to earn ACC Freshman of the Year honors, while a school record seven student-athletes earned All-ACC recognition including three first team All-ACC honorees which tied a school mark.

In 2011, the Seminoles completed a series of firsts en route to the first ACC Championship in school history. As the sixth-seed in the tournament, Florida State became the lowest seeded team to win the league title as FSU defeated Wake Forest 3-1 in penalty kicks. FSU added to its series of firsts in the quarterfinals by going on the road and handing North Carolina its first-ever loss in the ACC Tournament and then defeating Virginia (semifinals) for the first time in school history. Florida State's impressive run extended through the NCAA Tournament as the Seminoles advanced through the first four rounds outscoring the competition 10-1 to advance to the College Cup in Kennesaw, Ga.

Florida State was at it again in 2007 as three athletes were honored at the national level for their outstanding season. Mami Yamaguchi became the most decorated soccer player to come out of Tallahassee claiming the MAC Hermann Trophy, presented to the top female player in NCAA Division I soccer. After rewriting the Seminole single-season record books and finishing the season as the national leader in points (66), Yamaguchi added NSCAA Player of the Year and ACC Offensive Player of the Year to

her list of accolades while becoming FSU's first consensus first team All-American. Amanda DaCosta and Sanna Talonen were named National Freshman of the Year by Soccer Buzz and Soccer America, respectively, the first recipients of such an award in the history of the program. In all, seven players have been named a semifinalist for the Hermann Trophy under his watch, while six players have been named finalists for national player of the year.

The Seminoles have flourished both offensively and defensively under Krikorian's guidance. In 2005, Florida State finished with a +43 goal differential, 11 points better than the previous school record, en route to establishing single-season records for goals (65) and points (188). Those records were shattered two years later as the 2007 squad became the highest scoring team in school history. The Seminoles tallied 233 points on 81 goals and 71 assists, good for a +55 goal differential. FSU went on to set school records for points per game (8.63), goals per game (3.00), assists per game (2.63) and shots on goal (202). The offensive production also made ACC history marking the first time that a school other than North Carolina led the league in every major offensive category. The offense was at it again in 2008 as the Seminoles finished the year with 194 points on 64 goals and 66 assists good for eighth in the nation in scoring offense averaging 2.78 goals per contest. The Garnet and Gold finished the season establishing school records for assists per game (2.87), shots attempted (471), shots per game (20.48) and shots on goal (228). In 2009, scoring was once again at a premium as the Seminoles reached the 200-point plateau for just the second time in school history finishing the season with 204 points on 67 goals and 70 assists. Florida State led the ACC in points, goals, goals per game (2.68) and assists per game (2.80), while ranking eighth nationally in scoring offense. The points, goals and assists recorded by the Seminoles all sit as the second most in school history. To show just how potent the Seminole offense has been under Krikorian, the four highest scoring seasons at Florida State have all come under his watch.

SEMINOLE COACHING STAFF

Defensively, Krikorian's teams have been just as good registering a sub-1.00 goals against average in each of his first six seasons for the first time in school history. In seven years at the helm, the Seminole defense has posted a 0.84 goals against average yielding just over 21 goals a season. Goals have certainly been hard to come by for opponents since Krikorian's arrival as the Seminoles have posted a shutout in just under half of their total games he has coached - 86 shutouts in 175 games (49.1%). In 2008, FSU set the school record for the fewest goals allowed (15) and the lowest goals against average in a season, while tying the record for shutouts with 14, a mark previously set in 2006. In 2010, the Seminoles led the ACC in shutouts with 13 and with 12 shutouts in 2011 FSU extended the school's streak of reaching double-digit shutouts to seven consecutive years. The defense has been equally impressive in the postseason recording consecutive seasons of at least three shutouts, a school record, in 2007 and 2008. The previous school record for postseason shutouts was two set in 2006. Prior to Krikorian coming to Tallahassee, the most shutouts recorded in a season were nine set twice in 2003 and 2004.

His first year on the job was nothing short of magnificent leading the Seminoles to their first 20-win season and second College Cup in 2005. In his second year at the helm, the Seminoles continued their dominance reaching the College Cup for the third time in the program's 12th year. The 2008 season was no different as he directed the Seminoles to an 8-1-1 record in the ACC, their highest winning percentage (.850) in league play in school history, and to just three losses all year, the fewest recorded since the program's inception in 1995. In all seven seasons at FSU, Krikorian has earned at least three NCAA Tournament wins and reached the tournament quarterfinals, a feat that had only occurred once in program history. It should not be surprising when examining Krikorian's past. He won two National Championships following undefeated seasons at Franklin Pierce. He then built Hartford into a national power before coming to FSU. Krikorian has never posted a winning percentage below .700 at any of his collegiate head coaching positions. With that kind of success it is easy to see why he is one of the most successful coaches of all-time. Krikorian cur-

rently ranks 21st on the all-time list for winningest coaches across all divisions and is the fifth winningest active head coach in Division I. The Seminole coach is one of only two members of that top 20 list that coached in two divisions of the NCAA.

After what Krikorian has done at Florida State, it would be hard not to argue that he is one of the best coaches in Division I. What the Seminole head coach is doing when it comes to consecutive victories is unprecedented in FSU soccer history. Krikorian's teams have the two best win streaks to open a season at seven (2005) and six (2006) games. In 2005, he led FSU to nine and seven-game win streaks, while matching the seven-game win streak in 2008. With a 6-0 start in 2006, and a six-game winning streak in both 2010 & 2011, the six longest win streaks in school history have all come under Krikorian's guidance. Seven seasons ago, he became just the second coach in ACC history to lead his team to seven consecutive wins in conference play. He tied the mark in 2008 with a string of seven straight wins against league opponents. The Seminole boss led FSU to a school record 24-game home unbeaten streak (22-0-2), a feat covering three seasons. In 2008, the streaks continued as the Seminoles set school records for all-time unbeaten streaks (13) and road unbeaten streaks (12). Krikorian's impact at FSU was immediate. In his first 30 games, Krikorian posted a .850 winning percentage, 300 percentage points higher than any previous coach in FSU history. With a 2-1 victory over Stetson in 2006, he became the fastest FSU coach to earn 30 wins, reaching it in just 38 matches. He also established a new record when his 2006 squad had just one loss after 15 matches. No previous FSU team had ever played more than 10 games without suffering multiple losses. In 2010, Krikorian reached yet another milestone at Florida State claiming victory number 100 with a dramatic 1-0 overtime victory over Wake Forest in Tallahassee.

Krikorian has not just produced wins; he has secured big wins as well. In the first 10 years and 206 games of FSU soccer history, the Seminoles recorded seven wins over top 10 teams. In 175 games under Krikorian, Florida State has recorded 20 top 10 victories including four in 2011. In addition to the win streaks, wins over top teams and trips to the

College Cup, Krikorian led FSU to its highest ranking ever in all four college soccer polls including the first No. 1 ranking in school history. After downing Portland 2-1 to kick-off the 2006 season, the Seminoles jumped to the top spot in the nation in the Soccer America top 25 poll, a spot they held for four consecutive weeks. Following its run to the national championship game in 2007, the Seminoles finished the season ranked as high as number two in a pair of national polls.

In Krikorian's first year at the helm of the Seminole program, FSU established new records for overall wins, winning percentage, fewest losses, most ACC wins, the best ACC winning percentage and longest win streak both in and out of the conference. Krikorian's 2005 squad was the first in school history to reach 20 wins and they matched the highest finish ever by an FSU team in ACC play as they tied for second. He led Florida State to a school-record seven wins over NSCAA top 25 teams and for the first time in program history, FSU spent a month ranked among the nation's top 10 teams in every soccer poll.

Krikorian took a Seminole team that was eliminated in the first round of the NCAA Tournament in 2004 and led them to the College Cup the very next season. He is just the sixth coach in the history of DI women's soccer to lead his team to the national semifinals in his first season at a school. FSU is now one of six schools who have gone to the College Cup under the direction of two different coaches.

For his efforts, Krikorian was honored both regionally and nationally in his first season. He was named the first ACC Coach of the Year in Seminole soccer history, the 2005 Soccer America National Coach of the Year, the 2005 Soccer Buzz National Coach of the Year, Soccer Buzz's Southeast Region Coach of the Year and the NSCAA's South Region Coach of the Year.

SEMINOLE COACHING STAFF

On top of his impressive resume in coaching the top talent at the collegiate level, Krikorian has worked with the world's best players during his stops as the head coach of the U.S. U-19 National Team and his three years with the Philadelphia Charge. Florida State's head coach has worked with soccer greats from all over the world including U.S. National Team stars Brandi Chastain, Kristine Lilly, Tiffeny Milbrett, Heather Mitts and Lorie Fair, English National Team player Kelly Smith, French National Marinette Pinchon and Brazilian National Team players Sissi and Katia.

Florida State players haven't only been recognized for their success on the field, but in the classroom as well. Over the last seven years, Florida State has earned regional/district academic awards 36 times. Katrin Schmidt and Kirsten van de Ven were named first team Scholar All-Americans by the NSCAA, marking the first distinction of its kind at FSU. Becky Edwards followed suit in 2008 earning a spot as a first team Scholar All-American. In 2009, Edwards was named a third team Academic All-American by CoSIDA/ESPN the Magazine. Additionally, FSU soccer players have been named to the ACC All-Academic Team 38 times including 21 times over the last three years with a school record eight named

to the team in 2011. Tori Huster led the pack in 2011 becoming the first Seminole soccer player to earn ACC Scholar-Athlete of the Year honors. During the 2011-12 school year, nine student-athletes made the Dean's List while one earned President's List honors achieving a perfect 4.0 GPA. The Seminoles finished the 2011-12 academic year with a team GPA over 3.2.

The FSU coach has been at the helm of a college team for a total of 18 seasons now and has recorded 18+ wins 10 times in that span. The 2005 season bettered his first year coaching at Franklin Pierce and Hartford for wins, fewest losses and highest winning percentage.

The 2008 season got off to a fabulous start as Soccer Buzz awarded Florida State with the nation's top recruiting class - the first of its kind in the program's 16-year history. The publication ranked six freshmen in the top 40 with five receiving PARADE All-American honors. The ranking is a year removed from the 2007 class that Soccer Buzz rated second nationally and first in the Southeast Region.

U.S. U-19 NATIONAL TEAM

Prior to taking over the Seminole soccer program, Krikorian came to Florida State fresh off leading the United States U-19 National Team to the bronze medal, while winning the FIFA Fair Play Award at the 2004 U-19 Women's World Cup. As the head coach for the U.S. U-19 National Team, Krikorian was responsible for all technical aspects of the program as the team prepared for the second-ever U-19 FIFA World Championship.

His U-19 squad cruised through Group C play finishing undefeated beating South Korea, Russia and European Champion Spain. They were the only team to win all three group matches in the tournament, as the U.S. outscored its opponents 8-1. Krikorian then led the U.S. past Australia in the quarterfinals before falling to eventual World Champion Germany in the tournament semifinals. The team responded by beating Brazil 3-0 to secure the bronze medal. The win kept the U.S.'s streak alive as the only country to secure a top-three finish in all nine FIFA World Championships for women.

The team not only left Thailand with bronze medals

but they also were awarded the FIFA Fair Play Trophy. Individually, U.S. midfielder Angie Wozniuk received the Silver Ball as the tournament's second Most Outstanding Player and the Bronze Shoe as the tournament's third-leading scorer. Overall, Krikorian's squad outscored the competition 13-4 in the World Championships.

Krikorian's work with the national program continued at the 2011 FIFA World Cup serving as an advanced scout for the United States

Women's National Team. He was one of four scouts that provided expert analysis for Team USA and head coach Pia Sundhage. Krikorian scouted eight teams, in eight games covering six different cities in Germany. He was on hand in Berlin for the opening game featuring Germany and Canada and in the stands for the U.S.A.'s amazing comeback in the quarterfinals against Brazil.

WUSA

As the head coach of the Philadelphia Charge from 2000-2003, Krikorian had another opportunity to coach the top players in the world and he once again proved he could develop talent and guide players to great heights. Not only did he coach 2002 WUSA MVP and Offensive MVP Pichon, but he also tutored the league's top keeper in Melissa Moore, who led the league with a 1.00 GAA. He coached the Charge to two playoff berths in his three seasons and was named the league's coach of the year in 2002. Krikorian drafted and coached 10 WUSA All-Stars in just three years on the Charge bench.

In his first season with Philadelphia, Krikorian posted 11 wins in leading the Charge into the playoffs. The team finished the season ranked third in the regular season standings. The next year the Charge once again won 11 games and finished second in the standings, which was an amazing accomplishment considering Krikorian's top player was lost for the season when Kelly Smith went down with an injury. His squad still finished the regular season 11-4-6.

UNIVERSITY OF HARTFORD

Krikorian had achieved an equal measure of success on the college level before jumping to the WUSA. He coached the University of Hartford for five seasons from 1996-2000 leading the squad to an Elite Eight and two 'Sweet 16' appearances during his four consecutive trips to the NCAA Tournament. He recruited five NSCAA All-Americans, three academic All-Americans and his squads received the NSCAA Team Academic Award on four occasions. Overall, Krikorian's teams averaged 15 wins per season as he posted a 75-30-3 overall record while winning three conference championships. Three of his squads finished the year ranked in the NSCAA's top 15 and were awarded the NSCAA Team Academic Award four years in a row.

Krikorian wasted little time in turning Hartford into a national power. After going 4-14 in his first season, Krikorian's Hawks won at least 17 and never lost more than five games, while advancing to the NCAA Tournament in each of his next four seasons.

Hartford immediately improved to 19-2-1 in just the second season under Krikorian including a win over national power Connecticut. Hartford also won just the second NCAA Tournament game in school history that year. In 1998, the success continued as the Hawks posted a 17-5 record while advancing to the 'Sweet 16'. That year Krikorian led Hartford to wins over Texas A&M and Harvard in the opening round of the NCAA Tournament.

In 1999, only his third year at the helm of the Hawks program, Krikorian put together the best soccer season in school history. Hartford finished the regular

season 15-4-2 and as conference champions for the third straight year. That regular season success was tame compared to the team's magical run through the NCAA Tournament. After opening with a home win over Princeton, Krikorian traveled to Gainesville to take on the defending National Champions. His Hawks dethroned the Gators on the road and then did the same thing a week later to Virginia in a 3-2 triple overtime win. The victory moved the Hawks into the Elite Eight for the first time in school history.

In his final season at Hartford, Krikorian put together his most impressive regular season as his Hawks went 17-2. They defeated both Virginia and Florida again. The win over Florida was a decisive 3-0 victory. Krikorian also led the Hawks to the school's first-ever victory over Dartmouth in the seventh meeting between the programs.

FRANKLIN PIERCE COLLEGE

Krikorian came to Hartford after spending six years as the head coach at Franklin Pierce College in Rindge, N.H., (1990-1995) where he built one of the most dominant soccer programs in the college game. His teams won two National Championships, both during undefeated seasons, and appeared in two other final fours. His squad's had a remarkable 39-game winning streak and his 1995 National Championship team was 20-0. Krikorian's teams compiled a 93-19-3 record in six seasons. He recruited three National Players of the Year, eight All-Americans, five academic All-Americans and four national scoring champions. His team at Franklin Pierce also garnered the NSCAA Team Academic Award.

Before Krikorian arrived at Franklin Pierce, the school had an all-time record of 21-36-4 in five seasons winning just under 38% of their games. After he arrived on campus, the Ravens have had just one losing season in 22 years and have won five National Championships. Since Krikorian became the head coach and rejuvenated the program, Franklin Pierce has won almost 85% of their matches. Krikorian built the foundation for the Franklin Pierce dynasty in just six years on the job.

In 1990, his first year in New Hampshire, Krikorian went 10-6-2. The school's 10 victories were just four shy of tying the program's total from its first five years of existence. Two seasons later the Ravens were 20-1 and finished in the NCAA semifinals.

After a 16-3 season in 1993 and another NCAA semifinal appearance, Krikorian completed his reclamation of Franklin Pierce by going a perfect 19-0-0 and winning the school's first-ever NCAA women's soccer championship. What did Krikorian do for an encore? In 1995 he repeated as National Champions, this time with a record of 20-0-0.

After departing for Hartford following the 1995 season, the Ravens went on to capture three more National Championships. Franklin Pierce and North Carolina are still the only two schools in the history of NCAA soccer to win four consecutive NCAA Championships.

HONORS & AWARDS

Krikorian's two national coach of the year awards in 2005 continued an impressive trend in which the Seminole boss has been honored at every stop of his career. He was named WUSA Coach of the Year in 2002 and received numerous honors and awards throughout his coaching career prior to moving to the professional ranks. He was named the NSCAA's Northeast Division I Coach of the Year in 1997, the NSCAA Division II National Coach of the Year in 1992 and 1995, the NSCAA Division II Northeast Region Coach of the Year in 1992 and 1995 and was a two-time New England Collegiate Conference Coach of the Year in 1994 and 1995. In 1990 and 1993 he was named the Division II New England Coach of the Year as well.

He added his second ACC Coach of the Year award in 2009 after leading the Seminoles to a share of the ACC regular season title and the top seed in the league tournament for the first time in school history. The Seminole field general led the Garnet and Gold to a 14-3-1 regular season record including a mark of 7-2-1 in the ACC. His Seminoles finished the season 9-3-0 against ranked opponents.

Krikorian was a standout player at St. Anselm College in Manchester, N.H. from 1981-1983. He was a two-time captain and team MVP. In 1983, he was a New England Indoor Soccer League (NEISL) All-Star and a first team All-New England selection.

MIKE BRISTOL

ASSISTANT COACH

FOURTH SEASON AT FSU

WESTERN ILLINOIS • 1999

Mike Bristol enters his fourth season at Florida State where his primary responsibilities with the Seminoles include the training of the goalkeepers and team defense. He also assumed the role of recruiting coordinator in 2012. Bristol joined the Seminole coaching staff after spending five seasons as an assistant coach with the Eclipse Select Soccer Club in Libertyville, Ill.

Since his arrival in Tallahassee, Bristol has helped guide the Seminoles to three consecutive trips to the Elite Eight, a berth in the 2011 College Cup and the school's first ACC Championship in 2011. In his first three years, the Seminoles have compiled an overall record of 53-18-3 while claiming the ACC regular season title in 2009 and finishing in a tie for second place in 2010. Bristol has coached six All-Americans, four Freshman All-Americans, the 2011 ACC Tournament Most Valuable Player and a handful of student-athletes who have competed internationally.

In overseeing the team defending, Bristol has led the Seminoles to a goals against average of 0.92 over his first three years. The Seminole backline has averaged over 11 shutouts a season under Bristol reaching double-digits all three years. In 2010, Florida State gave up a league-low five goals during conference play en route to leading the ACC with 13 shutouts. A combination of great defense and goalkeeping resulted in FSU's first league championship in 2011. Kelsey Wys was named MVP of the ACC Tournament after finishing the championship with a 0.59 GAA and 10 saves as she allowed just two goals in over 300 minutes of action. Wys was outstanding in net in the finals making four saves and then three more in penalty kicks to help FSU secure its first ACC title.

Following his first season in Tallahassee, the Seminole defense turned in the third lowest goals against average in school history at 0.85 allowing 22 goals in over 2,300 minutes of action. Under the direction of Bristol, Florida State reached double figures in shutouts for the fifth straight year blanking opponents 10 times in 2009. In the ACC, the Seminoles finished the year fourth in GAA, tied for fourth in goals allowed and fifth in shutouts.

Bristol's work with a very young defensive squad, comprised of two sophomores and two freshmen, was on full display right from the very beginning as the defensive unit opened the season posting three consecutive shutouts. The Seminoles allowed just seven shots through the first three games including three shots on goal. The three shutouts to open the season marked the first time such a feat occurred in school history. The stifling defense was at it again in the ACC Championship in Cary, N.C., with the Seminoles recording consecutive shutouts in the first two matches of the tournament for just the second time in the program's existence.

His second season in Tallahassee was just as impressive transitioning Kelsey Wys into one of the most dominant goalkeepers in the nation during her freshman campaign in 2010. Wys started 22 matches between the posts for the Seminoles tallying 2004 minutes while registering a 16-5-1 record, 91 saves and 12 shutouts. She allowed just 17 goals including five during the ACC regular season en route to a goals against average of 0.76 on the year. Wys finished the season leading the ACC in saves, shutouts, shutouts per game and save percentage (.843). She would go on to earn a spot on the All-ACC Second Team, All-ACC Freshman Team and garner second team Freshman All-America honors from Soccer America. The Seminole defense went on to lead the ACC in shutouts (13), while ranking second in saves and goals allowed with 20.

Florida State has been recognized nationally for their defensive efforts in the first three years under Bristol with two Seminole defenders being honored as semifinalists for the MAC Hermann Trophy. Ines Jaurena made her first ever appearance on the list in 2011 joining Becky Edwards (2009) as the only defenders in Florida State history to be recognized as Hermann Trophy semifinalists.

During his time with the Eclipse, Bristol led the club team to four national championships; had five goalkeepers selected as pool members of national teams and eight goalkeepers named to regional teams. In 2008, Bristol tutored Alexa Gaul (University of Texas) and Taylor Vancil, a

two-year member of the Seminole soccer team (2011-12), who both served as goalkeepers on the United States U-17 National Team that finished second at the 2008 FIFA Youth World Cup in New Zealand. Four of his goalkeepers received the Golden Glove Award at the USYSA National Championships, presented to the tournament's most outstanding goalkeeper. Vancil was one of the Golden Glove Award recipients as she was recognized as the best goalkeeper at the 2008 World Cup.

Bristol has spent part of his coaching career as a goalkeeper coach at the collegiate level as well. He was an assistant coach at Illinois State University from 2002-04 where he was in charge of the goalkeepers and the backs. During his time at Illinois State his goalkeepers ranked in the top 12 nationally in goals against average. Following his time at Illinois State, Bristol served as the goalkeeper coach for the women's program at the University of Maryland.

His coaching background also includes stints with the Region II ODP and Illinois ODP programs. Bristol also traveled to Germany as the goalkeeper coach with the 1992 Regional ODP team. During the 2009-10 season, he was named the Region III ODP Goalkeeping Director. Bristol has earned a level 3 goalkeeping diploma as well as a premier diploma both from the NSCAA. The Granite City, Ill., native is also on the NSCAA goalkeeping instructional staff for state and regional diplomas. Bristol earned his national goalkeeping license from the United States Soccer Federation (USSF).

As a player, Bristol was a four-year starting goalkeeper at Western Illinois University (1995-99). During his freshman season, he was voted team most valuable player and earned first team All-Mid-Continent Conference honors. Bristol served as team captain for three years and was selected to numerous all-tournament teams. Following his collegiate career, Bristol played for the PDL Cocoa Expos soccer team in Cocoa Beach, Fla., during the summer of 1999.

Bristol graduated with a degree in Secondary Education and a master's degree in Sports Management from Western Illinois University.

MORINAO IMAIZUMI

ASSISTANT COACH
SECOND SEASON AT FSU
UNIVERSITY OF TSUKUBA • 1983

Morinao Imaizumi returns for his second season as a member of the Florida State coaching staff and first in his role as an assistant coach for the Seminoles. In 2012, Imaizumi will help in planning the offensive attack for the Seminoles while assisting with player development and video analysis.

As a volunteer assistant in 2011, Imaizumi helped the Seminoles secure an 18-win season, their first ACC Championship and a berth in the College Cup. He was able to apply his unique teaching style from his experience as a head coach with the Japan Football Association (JFA) and implement it into the day-to-day workings of the Seminole offense. The new style was a success as Florida State finished the year ranked in the top four in the ACC in points per game (3rd – 6.58), goals per game (3rd – 2.12) and assists per game (4th – 2.35). The offensive production in 2011 of 172 points on 55 goals and 62 assists was an immediate upgrade from the previous season which the

team tallied 130 points on 45 goals and 40 assists. Three players including first team All-American Tiffany McCarty, turned out season career-highs in total points and goals.

Imaizumi began his coaching career in Japan where he served as head coach of the Funabashi Futawa High School football club for six years from 1983 to 1988. His next two coaching stints would keep him in the high school circuit as he landed the head job at Yachiyo High School (1988-2000) and then at Makuhari Sogo High School (2000-2003). He led Yachiyo to the inter-high school championship in 1999 and to the final 16 in 1994. His 1997 squad reached the final eight of the All Japan High School Soccer Tournament. Imaizumi brought his winning ways to Makuhari Sogo High School leading the football club to the inter-high school championship in 2002.

Imaizumi would take his coaching skills to the national level in 2002 where he served as head coach

of the Japanese Women's Universiade National Team for two years. He led the Japanese to a runner-up finish at the 2003 Universiade in Daegu. From 2004 to 2005, Imaizumi worked as an assistant coach with Japan's Full National Team, while serving as the head coach of the U-17 team. He led the U-17's to a gold medal at the 2005 Asian Football Confederation Championship as the Japanese defeated China PR in the title game. From 2004 to 2006, Imaizumi worked as head coach of Japan's U-20 National Team. He would later serve for two years (2006-07) as Japan's Olympic Committee Development coach.

With the JFA, Imaizumi works as an instructor for A-License, B-License and C-License coaching certification. In 2003, he served as the boy's Youth Development coach in the Kanto Region. Two years later, Imaizumi took over as the Youth Development chief coach for the girls and in 2006 became the head coach of the JFA Academy Fukushima girl's squad.

A native of Fukushima Prefecture, Japan, Imaizumi earned a bachelor's degree in health and physical education from the University of Tsukuba in Tsukuba Ibaraki, Japan in 1983. Imaizumi was a member of the football club at Tsukuba and was a candidate on the U-20 Japanese National Team. He is married to Nami Imaizumi.

SEMINOLE QUICK HITS

* Florida State closed out the season with an overall record of 18-7-1. The 18 wins tied for the third most in school history equaling the win output from the 2006 and 2007 seasons. With head coach Mark Krikorian at the helm, FSU has registered at least 16 wins in each of his first seven seasons.

* The Seminoles captured their first ACC Championship in 2011 downing Wake Forest 3-1 in penalty kicks. As the sixth-seed, FSU became the lowest seeded team to win the league title and added to its series of firsts by handing North Carolina (quarterfinals) its first-ever loss in the ACC Tournament and then defeating Virginia (semifinals) for the first time in school history.

* Redshirt sophomore goalkeeper Kelsey Wys was named Tournament MVP after stopping three Wake Forest penalty kicks and finishing the tournament with a 0.59 GAA and 10 saves allowing just two goals in 305 minutes of action. Five Seminoles were named to the All-Tournament team as Wys was joined by Toni Pressley, Janice Cayman, Tiffany McCarty and Jessica Price.

* The Seminoles returned to the College Cup in 2011 for the fifth time in school history and for the first time since a string of three straight trips from 2005-2007. The five College Cup appearances are tied for the eighth most in NCAA Tournament history (Colorado College and Stanford). * Florida State is 34-11-2 all-time in the NCAA Tournament, good for a .745 winning percentage. It is the fourth-best winning percentage and eighth most wins in the history of the NCAA Tournament.

* The 2011 Seminole squad finished the season with 172 points on 55 goals and 62 assists. Redshirt junior Tiffany McCarty returned to form after missing the entire 2010 season and led FSU in scoring with 42 points on 18 goals and six assists. Defensively, the Seminoles recorded 12 shutouts reaching double-digit shutouts for the seventh year in a row.

* Florida State was one of just three schools nationally to have at least three student-athletes honored as All-Americans by the NSCAA joining Stanford (4) and Memphis (3). Tiffany McCarty and Ines Jaurena were named to the second team and Tori Huster earned third team accolades. The three honorees led all schools in the ACC. McCarty also picked up first team MVP honors from Soccer America, while Dagny Brynjarsdottir was named a first team Freshman All-American.

* Tiffany McCarty became Florida State's all-time career leader in points, goals and shots in 2011. ENDOWED SCHOLARSHIPS

Enthusiastic Tallahassee business leaders formed the first Seminole Boosters organization in the summer of 1951. Their purpose was to support an ambitious Seminole football program rapidly growing in popularity. A brand new stadium and increasing program costs motivated the Boosters to make fundraising their first priority, a priority that remains our primary purpose.

The Seminole Boosters experienced great success through Head Football Coach Bill Peterson's tenure (1960-1970). From 1971 through 1973 Boosters served as the reorganized National Seminole Club. In the winter following the winless 1973 season, local leaders again responded to the challenge of University President Dr Stan Marshall, and re-incorporated the Seminole Boosters. In March, 1975 Andy Miller became chief operating officer of the organization, the post he still holds.

Today, Seminole Boosters, Inc. is one of the leading collegiate athletic fundraising organizations in America. Contributors account for more than \$13 million in annual funds, plus at least \$10 million per year in capital gifts. The Seminole Boosters Scholarship Endowment has nearly \$50 million under management, and the Boosters are involved with a wide range of enterprises including affinity programs, logos & licensing, gameday parking, concessions, the University Center Club, skybox management and the construction of athletic facilities.

TALBOT "SANDY" D'ALEMBERTE SCHOLARSHIP

Former Florida State University President Talbot "Sandy" D'Alemberte appreciates the contribution that competitive sports can make to strengthen the intellect as well as the body. A classic Renaissance Man, President D'Alemberte enhanced the entire range of University initiatives through his own personal generosity. With a major gift, he propelled the Seminole Boosters Dynasty Campaign forward by establishing a fully endowed Scholarship for Seminole Women's Soccer.

BRENT SEMBLER "GOALKEEPER POSITION" SCHOLARSHIP

Vice Chairman of the Sembler Company, one of the country's most recognized shopping center development and management companies, Brent Sembler is among the most familiar names and faces in the highest echelons of Florida politics and finance. As renowned philanthropists, Brent and Debbie Sembler are relentless fundraisers for a range of charitable causes. Brent played Club Soccer for the Seminoles as a student in the late 1970s and has continued to follow and

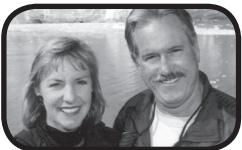

encourage support for the sport among young people. Brent has expressed his love for the sport and for his University by endowing a Named Position Scholarship for Seminole Women's Soccer. The starting goalkeeper at FSU will now carry the Brent Sembler Scholarship.

CHARLES & DIANE MORRIS SCHOLARSHIP

A 1970 West Point graduate, Colonel Charles A. Morris, Ed.D., FSU 1994, honorably served our nation over a distinguished 27-year Army career. Diane faithfully served FSU from 1990-94 as an honored academic advisor in the Department of Psychology while Chuck commanded the Army ROTC Seminole Battalion. The Morris' returned to FSU in 1997 and Chuck began work in the Department of Athletics. Chuck and Diane became fans

of Florida State soccer and recognized the importance of providing scholarships for future generations of student-athletes. As an expression of their loyalty, commitment and admiration for FSU, they have endowed the outside right forward position.

LES & RUTH AKERS SCHOLARSHIP

Successful businessman, tireless fundraiser for Seminole Athletics and leader in all areas of FSU alumni involvement, Les Akers and his wife Ruth, holder of a graduate degree in music, have expressed their love for the University by endowing a scholarship for soccer.

HUNTER MCINTOSH

After playing professional tennis for several years, former FSU student-athlete Hunter McIntosh decided to endow an athletic scholarship for soccer to show his support for women's athletics here at Florida State. Throughout his lifetime, he never lost his love or commitment to Seminole Athletics. Hunter's feeling for FSU can be summed up in his own words of "Once a Nole, always a Nole".

From Miami to Minneapolis, and from Warsaw to Walla Walla, young men and women come to Florida State University to embrace its educational excellence and to compete as a Seminole. Many would not have the opportunity to receive that college education without their athletic scholarship. These young people work hard and proudly represent Florida State as a winner on the national stage, attracting the attention to our University that winners bring.

Florida State Athletics provides each of our men's and women's teams with the maximum number of scholarships allowed by the NCAA. In addition to the field competitors, scholarships are also provided to student trainers, managers and graduate assistants who are vital to an athletic program.

The last 16 years have seen a threefold rise in the cost of athletic scholarships at Florida State. Today, more than \$350,000 is needed to permanently endow a Florida State athletic scholarship. Most of the top public universities with whom Florida State competes and to whom we are compared, have endowed all of their athletic scholarships.

Established in 1986 under the direction of William M. Parker of Clearwater, the Seminole Boosters Endowed Scholarship Program is the final step toward perpetual funding of all scholarships for student-athletes at Florida State. Those individuals who contribute to the endowment fund for athletic scholarships at Florida State University gain membership in the Seminole Heritage Foundation.

Thanks to the efforts of former FSU President Talbot "Sandy" D'Alemberte, Les and Ruth Akers, Charles and Diane Morris, Hunter McIntosh and Brent Sembler an effort has now begun to ensure the endowment of the Florida State soccer program.
