MISSION STATEMENT

The mission of the Department of Intercollegiate Athletics at Florida State University is to create and sustain NCAA Division I programs for men and women that are characterized by comprehensive excellence. Florida State Athletics is committed to educate, coach, support and inspire all student-athletes to perform at the highest academic and athletic standards while demanding good sportsmanship, ethical behavior, service and personal development.

PROJECT 4.0

Project 4.0 is a developmental program geared toward improving a player's technique and skill. In addition to your child improving in all of these areas, he/she will have the unique opportunity to work with the FSU Soccer Coaching Staff and Team.

In each session your child will be challenged to try new things with the ball and be encouraged to take chances and be reassured that it is okay to make mistakes.

Project 4.0 is designed around four basic principles: Commitment, Education, Leadership and Excellence. The staff will encourage all players to strive for excellence in both academics and athletics. Training sessions are designed to allow the players the opportunity to develop and foster leadership skills. The program aims to have all players committed to becoming the best all-around person.

To learn more about Project 4.0, call the Seminole Soccer office at 850-645-3200.

SEMINOLE SOCCER CAMPS

The primary focus of the Seminole Soccer camps will be on the technical application of the sport with dedicated training in specific areas including passing, shooting techniques, receiving, dribbling and team tactics.

It is Florida State's goal that every player leaves camp with a feeling of accomplishment, a better understanding of the game and an intensified passion for soccer.

- With College Cup appearances in 2003, 2005, 2006, 2007, 2011 & 2012, FSU is one of only three programs in the nation to play in soccer's version of the 'Final Four' six times in the last 10 seasons.
- Since 2000, the Seminoles have made 13 straight NCAA Tournament appearances, played in 11 'Sweet 16's' and advanced to the quarterfinal round eight years in a row – the longest active streak in the nation.
- In 2007, FSU played in the national championship game for the first time in school history.

2013 SEASON OUTLOOK

GENERAL OUTLOOK

The Florida State soccer program enters its 19th season as a varsity sport in 2013 posting an all-time record of 257-129-30. The Seminoles have registered a mark of 38-12-2 in 13 trips to the NCAA Tournament good for a .750 winning percentage. FSU sits with the third highest winning percentage and eighth most wins all-time in NCAA Tournament history.

The Seminoles return six starters and 12 letterwinners from last year's squad that advanced to their second straight College Cup and sixth semifinal appearance in the last 10 years, claimed the outright ACC regular season title for the first time in school history and finished the season ranked No. 4 in the nation.

With six College Cup appearances since 2003, Florida State is one of only three programs in the nation to play in soccer's version of the 'Final Four' six times in the last 10 years. Since 2000, the Seminoles have made 13 straight trips to the NCAA Tournament, played in 11 'Sweet 16's' and advanced to the quarterfinal round eight years in a row – the longest active streak in the nation.

FSU returns three of its top four leading scorers from last year in Dagny Brynjarsdottir (27 points), Kristin Grubka (16 points) and Jamia Fields (14 points). Tiffany McCarty, who graduated with both a bachelor's and master's degree following the 2012 season, left Florida State as the Seminoles' all-time career leader in 14 different offensive categories.

The Seminoles welcome seven newcomers to Tallahassee in 2013. Six of the seven student-athletes arrive as freshmen including three who enrolled at FSU back in the spring of 2013 (Anna McClung, Cassie Miller and Ani Sarkisian). Megan Campbell is the lone international standout of the group hailing from Louth, Ireland. A transfer from the Institute of Technology Carlow, Campbell has two years of eligibility remaining.

Mark Krikorian embarks on his ninth year as head coach of the Florida State soccer program amassing a record of 146-39-14. Krikorian has led the Seminoles to five College Cup appearances (2005-07, 2011 and 2012) and a berth in their first national title game in 2007. He led Florida State to a share of the ACC regular season title in 2009 before winning it outright in 2012. Krikorian also guided the Seminoles to their first league championship in 2011.

Krikorian on the upcoming season:

"The goal here at Florida State never changes. Every year you want to give yourself an opportunity to compete at the highest level. We certainly lost some very good players but every team in the country is graduating good players. Some people may use that as an excuse, but the way I see it, we are a good program with good players. The expectation is to come out, compete and do the best we can. At the end of the day, if we are not good enough then we are not good enough and we will work to continue to get better. But teams go through this transition every year. Our kids need to go out there and perform, we as coaches need to prepare them adequately so they can perform and compete at the highest level. The hope is that we get better every time out."

LEADERSHIP & EXPERIENCE

Despite small in number, this year's senior class packs a mighty punch in the return of two three-year starters in Kassey Kallman and Kelsey Wys. Both have played an integral role in the success of the Seminole defense over the last three years and will be looked upon to provide leadership and guidance to a very young Florida State squad in 2013.

Kallman has been named team captain for the second year in a row. The Woodbury, Minn., native enters her senior season with 66 career starts and 22 points on eight goals and six assists. She has been a fixture in the Seminole backline since 2010 and has gained valuable international experience along the way as a member of both the U-20 and U-23 U.S. Women's National Teams.

Of the 12 letterwinners returning for the Seminoles in 2013, 11 have recorded at least one career start. Six have started at least 15 games including Wys (68), Kallman (66), Dagny Brynjarsdottir (37), Kristin Grubka (36), Jamia Fields (34) and Isabella Schmid (19).

Seven student-athletes were named to the ACC All-Academic Team in 2012 raising the total to 28 players honored since 2009 – the second most in the league during that span. Kallman capped off the year earning second team Academic All-America honors from Capital One/CoSIDA while claiming second team Scholar All-America accolades from the NSCAA. Seventeen Seminoles went on to earn ACC Academic Honor Roll accolades during the 2012-13 school year maintaining a 3.0 overall GPA as well as earning a 3.0 GPA each semester. Jessica Price, who graduated with her masters' degree following the fall 2012 semester, became the first Seminole to be named a six-time selection to the ACC Academic Honor Roll.

Krikorian on the leadership of this year's team:

"Kelsey Wys is a silent leader. She goes out and does all the right things. She will have a chat with a kid if it's needed but for the most part she is just a great role model for the others. Kassey on the other hand is a vocal leader. She is not shy about holding players accountable and making sure that the goals of the team are placed well above the goals of each individual. Kassey is all about hard work and accountability and as this year's captain she is as good of a leader as we have had here at Florida State. Neither one of them wants to lose; they want to get back to the College Cup and compete for a national championship."

THE GOALKEEPING

For the second year in a row, Florida State will carry two goalkeepers on its roster in senior Kelsey Wys and freshman Cassie Miller. Both are highly touted and have earned a great deal of experience participating as members of several U.S. Youth National Teams.

Wys returns for her final season at Florida State as the all-time career record holder in nine different categories including overall wins (51), shutouts (30) and starts (68). The Coral Springs, Fla., native is coming off a junior year that saw her post single-season career bests in wins (19), GAA (0.70) and fewest goals allowed (15). She led the ACC in shutouts (10) and save percentage (.830) while ranking nationally in GAA (31st) and minutes played (32nd). Wys went on to make school history following the 2012 campaign becoming the first goalkeeper in program history to earn All-America accolades as she was named a third team honoree by the NSCAA.

Miller was one of three incoming freshmen who arrived on campus in January of 2013 enrolling at Florida State for the spring semester. The Arizona native got a good feel for the college game during the Seminoles' spring exhibition schedule but also gained valuable experience with the U.S. U-20 Women's National Team as she was called into camp twice in 2013. Miller is a two-time NSCAA Youth All-American.

Krikorian on the goalkeepers:

"We felt last year with Kelsey and Taylor (Vancil) that goalkeeping was a big strength for us and that feeling is the same this year. We have two players that are national team caliber goalkeepers. Both individuals play at a very high level and will have an opportunity to continue to anchor our defense. Kelsey has proven over the course of her career that she is one of the top goalkeepers in the country, while maintaining a level of excellence during her time at Florida State. Cassie is a young player that has all the talent in the world. As she continues to grow and learn the college game, Cassie will also develop into a top level goalkeeper."

THE DEFENSE

Despite the loss of Ines Jaurena and Casey Short on the backline, defending should once again be a strong suit for the Seminoles in 2013 thanks in large part to the return of both center backs in Kristin Grubka and Kassey Kallman. Last year, Florida State set school records for shutouts in a season (17), goals against average (0.62) and fewest goals allowed in ACC play (4), while tying the program record for the fewest goals allowed in a season with 15.

The Seminole defense finished the 2012 season ranked in the top 40 nationally in shutout percentage (2nd – 0.708), GAA (12th – 0.619) and save percentage (36th – 0.839). Opponents had a hard time finding the back of the net against Florida State a year ago as the Garnet and Gold strung together a school record nine consecutive shutouts including eight straight in ACC play, while posting a consecutive minute shutout streak that lasted a school record 934:09.

Florida State also had a great deal of success in one-goal games in 2012 posting a record of 12-3 as 11 of those 15 matches resulted in a 1-0 decision with the Seminoles winning 10 of those matches. It marked the most 1-0 victories for the Seminoles in a single-season.

While the verdict is still out on who will replace Jaurena and Short on the ends, the Seminoles will look to the triangle of Wys, Grubka and Kallman to lead the defensive effort in 2013.

Krikorian on the defense:

"There is a great sense of security in having two center backs return to the team in 2013. The triangle with Kelsey, Kassey and Kristin is very strong; they are very effective playing as a unit. Having the experience of Casey Short and Ines Jaurena helped the backline last year but my hope is that the experience of both Kallman and Grubka will assist in the learning process of the new players that will play next to them in the backline this year. As the season goes along, the backline could once again become a big strength for us."

2013 SEASON OUTLOOK

THE MIDFIELD

The midfield will provide the most depth for Florida State entering the 2013 season with eight players returning from last year's College Cup squad that combined to play in 149 games making 67 starts. Those eight players also accounted for 39.9 percent of FSU's scoring in 2012 combining for 69 points on 20 goals and 29 assists.

Dagny Brynjarsdottir is coming off a breakout sophomore season in which she posted single-season career-highs in every offensive category including goals (9), assists (9), points (27), shots (40), game-winning goals (5) and game-winning assists (2). The Icelandic native also had a productive summer as a member of the Full National Team at the 2013 Euro Women's Championship as her game-winning goal against the Netherlands in pool play led Iceland into the quarterfinals of the championship for the first time ever.

Jamia Fields has caused havoc for opponents on the outside with her quickness and ability to create scoring chances especially during ACC play. In her first two years, Fields has registered 14 assists including six of the game-winning variety. She has already racked up eight career assists against league opponents which are tied for the fourth most against ACC foes in Florida State history.

Marta Bakowska-Mathews, Kahlia Hogg, Nora Kervroëdan, Hikaru Murakami, Carson Pickett and Isabella Schmid all played valuable minutes in the midfield for the Seminoles last year and were major contributors to FSU's run to a second straight College Cup appearance. Look for this group along with an infusion of newcomers to see continued action on the pitch for the Seminoles in 2013.

Krikorian on the midfield:

"We have some experienced and talented players returning, but the players coming in are going to have to lift their performance a little more. But with that said, we have a number of kids that have some big time experience. I feel that the quality in the midfield will be very good, but it always takes longer to mesh all these pieces together with the possession style attack that we play. So when you look at the players we lost from last year, there are some gaps to fill and there are some question marks that we are going to have to address. The precision and the play are going to take some time. But at some point this year, we are going to be very nice to watch. I just hope it's earlier rather than later."

THE ATTACK

Of all the positions on the field, the Seminole attack was the hardest hit by graduation as the Seminoles lost two of their top scorers of all time in Tiffany McCarty and Jessica Price. The Seminole duo combined for 235 career points tallying 88 goals and 59 assists. McCarty departed Florida State holding 14 offensive records including the career leader in points (150), goals (63), game-winning goals (14), multi-goal games (13) and shots (283). Price finished her career as the Seminoles' all-time leader in assists (35) and game-winning assists (12).

Florida State returns 53.2 percent (92 of the 173 points) of its total scoring from last year including three student-athletes who registered double-digit points. Dagny Brynjarsdottir is FSU's top returning scorer after tallying 27 points on nine goals and nine assists a season ago. Five Seminoles return after posting five or more assists last year including Brynjarsdottir, Jamia Fields (8), Kristin

Grubka (6) and Carson Pickett (5).

Last year, the Seminoles finished the season with 173 points on 55 goals and 63 assists. It marked the fifth highest scoring campaign in the Mark Krikorian era and the sixth most points in program history. The four most productive offensive seasons have come under the watchful eye of Krikorian (2007 – 233 points; 2009 – 204 points; 2008 – 194 points; 2005 – 188 points). Since 2007, the Seminoles are averaging over 61 goals and 62 assists a season.

Nineteen different Seminoles contributed with at least one point in 2012, while 16 Seminoles scored at least one goal. Six players finished the season with double-digit points with three returning for the 2013 season.

Krikorian on the attack:

"We certainly have some talented kids that will play this position in 2013. But the level of consistency that Tiffany McCarty brought over her four years was fantastic. She averaged more than 15 goals a season; that is not easy to do with the schedule that we play. Her production rate was just magnificent. Now that Tiff is gone, where are her goals going to come from in 2013? As soon as we can figure that out and make sure that we are going to put the ball in the back of the net, we will probably be able to answer a lot of the questions that we have. With all the talent on this year's roster, I fully expect us to score goals in a lot of different ways. Tiff was a proven scorer at the highest level in college soccer, but now it's a matter of others stepping forward and taking over that responsibility."

THE NEWCOMERS

Florida State adds seven new players in 2013 including six freshmen and one transfer. Three student-athletes joined the Seminoles a semester early enrolling during the spring 2013 semester, while this year's class includes only one international player in Megan Campbell from Ireland.

Anna McClung, Cassie Miller and Ani Sarkisian got an early start to their collegiate career arriving on campus in January enrolling at Florida State for the spring semester. The Seminole trio took part in off-season conditioning while collecting valuable minutes on the pitch during the spring season.

Campbell is the lone transfer in this year's crop of newcomers. A member of the Irish Full National Team, Campbell attended the Institute of Technology Carlow in Carlow, Ireland.

The remaining members of FSU's crop of newcomers including Nickolette Driesse (Wayne, N.J./Wayne Hills HS), Yulie Lopez (West Palm Beach, Fla./Palm Beach Central HS) and Marlo Sweatman (Herndon, Va./Flint Hill HS).

Krikorian on the newcomers:

With the graduation losses that we had there are some new players that are going to have to come in and help us right away. There has been some significant improvement in the play of last year's freshmen and even last year's sophomores. Between the newcomers and the players that have been growing in the program, I think we are going to be fine but now it's just a matter of putting the pieces together and finding the best combination of players to start the season."

Krikorian on the advantage of beginning school a semester early:

"It is a big advantage from a lot of perspectives. They all did very well academically and they all have acclimated into the soccer and university culture seamlessly. I think their performance on the field in game situations will be enhanced by the fact they were here (a semester early). Each of them was getting used to the level and speed of the game. My expectation for them is quite high and my hope is that the time they spent here during the spring will benefit them when it comes to the on-the-field performance this fall."

SCHEDULE

Thirteen teams on the 2013 schedule recorded 10 or more wins a season ago. Twelve schools earned a bid to participate in the 2012 NCAA Tournament, while five of those teams played into the third round. This year's opponents posted a combined record of 230-139-41 in 2012 good for a .611 winning percentage.

FSU will play 12 of its 19 regular season matches this fall inside the Seminole Soccer Complex, a venue that has proven to be a difficult place to play for opposing teams. Last year, the Seminoles finished with a perfect 14-0-0 record at home and are 86-8-3 all-time at home under Krikorian. Following a win over Notre Dame in the 2012 NCAA Quarterfinals, Florida State tied the school record for the longest home win streak at 18 - a streak that will be put on the line when the Noles open the 2013 campaign against Oregon State on August 23.

Florida State moves to a 13-game ACC schedule in 2013 with the additions of Notre Dame, Pittsburgh and Syracuse to the league. The Seminoles will play seven home matches and six on the road all leading up to the ACC Tournament first round matches which will be held on the campus of the higher seeded teams on Sunday, November 3.

Krikorian on the schedule:

"I'm not sure any of the teams that we have on the schedule have not been regulars in the NCAA Tournament over the course of the last five years. And with a young team, there is some growth that is going to occur. We always look at the big picture; we are not going to be bothered about any one game. Our goal is to continue to progress through the course of the season. Where we start is not nearly as important to me as where we end. If there is a bump in the road then so be it, we will learn from it, work to get better and move on to the next game. We have enough talent; everyone is putting in the work to establish ourselves early and to be a good team from the start. Our schedule will be challenging, there is no question about it."

Krikorian on the home crowd and environment inside the Seminole Soccer Complex:

"Our crowd has been just fantastic over the years. It is nice to go out and play in front of a crowd that is so supportive. We have a beautiful field and our kids are very comfortable playing at home. We do feel we have a home field edge and we do all we can to take advantage of that every year. Hopefully we can continue that trend this season."

HEAD COACH • NINTH SEASON AT FSU

FSU RECORD: 146-39-14 (.769)

19TH COLLEGE SEASON: 314-88-20 (.768)

ST. ANSELM COLLEGE • 1983

Florida State head coach Mark Krikorian took over the Seminole women's soccer program in 2005 and has proven to the nation that FSU soccer will be a national title contender on an annual basis. Through his first eight seasons in Tallahassee, Krikorian has led FSU to five College Cup appearances, including a string of three straight trips from 2005 to 2007 followed by back-to-back appearances in 2011 and 2012, the school's first appearance in a national championship game in 2007, a pair of ACC regular season titles in 2009 and 2012 and the school's first league championship in 2011.

To further prove the model of consistency that Krikorian continues to provide, Florida State is the only school in the country that has finished a season ranked in the top 10 of the final NSCAA poll over the last eight years. In fact, the Seminoles have been ranked in the top 25 of the NSCAA poll for 105 straight weeks – a streak spanning back to September 6, 2005. That streak hit an all-time high in 2012 when Florida State took over the top spot in the NSCAA top 25 poll on August 28. The Seminoles would maintain that No. 1 ranking for a school record eight consecutive weeks posting a record of 7-1-0 against ranked opponents during that run including three wins over teams ranked in the top 10. FSU's climb to the top spot marked a first for the Seminoles in the NSCAA poll and a first since 2006 when Soccer America had the Noles at No. 1 for four consecutive weeks.

Krikorian has registered at least 16 wins in each of his first eight seasons while finishing no lower than second place a total of seven times in the Atlantic Coast Conference, the nation's premier soccer conference. In 2009, Krikorian led the Seminoles to a share of the ACC regular season title and the No. 1 seed in the ACC Tournament for the first time in school history. Two years later he guided the Seminoles to their first ACC Championship as Florida State defeated Wake Forest 3-1 in penalty kicks. And just last year, the Seminoles reigned supreme in the ACC once again winning the outright regular season title with an 8-2-0 record.

Not only has Krikorian accomplished things that had never been done at Florida State, but he has also achieved what has yet to be accomplished by head coaches on the national level. Since the NCAA Tournament expanded to 64 teams in 2001, Krikorian is the first coach to take over a program and lead that team to three consecutive College Cups. He is also the first coach to advance through 13 rounds of the NCAA Tournament in his first three seasons at a school and is the first FSU coach to ever lead the program to a spot in the national finals. In eight years, Krikorian has led the Seminoles to a 29-8-1

mark in NCAA Tournament play while claiming an overall winning percentage of .768.

The 2012 season marked the 12th straight year Krikorian led a team to the NCAA Women's Soccer Tournament and the ninth time he guided a Division I squad to the quarterfinals. He took Hartford to the NCAA Tournament from 1997-2000 including trips to the quarterfinals and two appearances in the round of 16. He has guided FSU to a berth in the quarterfinals in each of his first eight seasons, good for the longest active streak in the nation. Krikorian has a lifetime winning percentage of .734 (34-12-1) in the NCAA Division I Women's Soccer Tournament, while he has captured two Division II National Championships with Franklin Pierce. FSU's run to the 2007 national title game against Southern California represented Krikorian's third all-time appearance in an NCAA soccer championship game.

Since Krikorian's arrival in 2005, Florida State has produced 20 All-ACC first team selections, 19 NSCAA All-Americans, 11 Soccer America Freshman All-Americans, 10 players that have either earned NSCAA Scholar All-America honors or Capital One/CoSIDA Academic All-America accolades, nine MAC Hermann Trophy Semifinalists and three Honda Award finalists.

During Florida State's run to the national championship game in 2007, three athletes were honored at the national level for their outstanding season. Mami Yamaguchi became the most decorated soccer player to come out of Tallahassee claiming the MAC Hermann Trophy, presented to the top female player in NCAA Division I soccer. After rewriting the Seminole single-season record books and finishing the season as the national leader in points (66), Yamaguchi added NSCAA Player of the Year and ACC Offensive Player of the Year to her list of accolades while becoming FSU's first consensus first team All-American. Amanda DaCosta and Sanna Talonen were named National Freshman of the Year by Soccer Buzz and Soccer America, respectively, the first recipients of such an award in the history of the program.

Four student-athletes received All-America accolades from the NSCAA in 2008 for the first time in school history. Tiffany McCarty became the first Seminole to earn ACC Freshman of the Year honors, while a school record seven student-athletes earned All-ACC recognition including three first team All-ACC honorees which tied a school mark.

In 2011, the Seminoles completed a series of firsts en route to the first ACC Championship in school

history. As the sixth-seed in the tournament, Florida State became the lowest seeded team to win the league title as FSU defeated Wake Forest 3-1 in penalty kicks. FSU added to its series of firsts in the quarterfinals by going on the road and handing North Carolina its first-ever loss in the ACC Tournament and then defeating Virginia (semifinals) for the first time in school history.

The Seminoles have flourished both offensively and defensively under Krikorian's guidance. In 2005, Florida State finished with a +43 goal differential, 11 points better than the previous school record, en route to establishing single-season records for goals (65) and points (188). Those records were shattered two years later as the 2007 squad became the highest scoring team in school history. The Seminoles tallied 233 points on 81 goals and 71 assists, good for a +55 goal differential. FSU went on to set school records for points per game (8.63), goals per game (3.00), assists per game (2.63) and shots on goal (202). The offensive production also made ACC history marking the first time that a school other than North Carolina led the league in every major offensive category. The offense was at it again in 2008 as the Seminoles finished the year with 194 points on 64 goals and 66 assists good for eighth in the nation in scoring offense averaging 2.78 goals per contest. The Garnet and Gold finished the season establishing school records for assists per game (2.87), shots attempted (471), shots per game (20.48) and shots on goal (228). In 2009, scoring was once again at a premium as the Seminoles reached the 200-point plateau for just the second time in school history finishing the season with 204 points on 67 goals and 70 assists. Florida State led the ACC in points, goals, goals per game (2.68) and assists per game (2.80) that year, while ranking eighth nationally in scoring offense. To show just how potent the Seminole offense has been under Krikorian, the four highest scoring seasons at Florida State have all come under his watch.

Defensively, Krikorian's teams have been just as good registering sub-1.00 goals against average in each of his first six seasons for the first time in school history. In eight years at the helm, the Seminole defense has posted a 0.81 GAA yielding just over 20 goals a season. Goals have certainly been hard to come

SEMINOLE COACHING STAFF

by for opponents since Krikorian's arrival as the Seminoles have posted a shutout in over half of their total games he has coached - 103 shutouts in 199 games (51.8%). In 2008, FSU set the school record for the fewest goals allowed (15) and the lowest goals against average in a season, while tying the record for shutouts with 14, a mark previously set in 2006. Those records were shattered in 2012 as Florida State established new defensive records with 17 shutouts, a GAA of 0.62 and the fewest goals allowed in ACC play with four, while tying the school mark for wins (20) and the fewest goals allowed in a single season (15). FSU strung together a school record nine straight shutouts while blanking its first seven ACC opponents. The Seminoles went on to finish the year as the league leader in GAA, shutouts and the fewest goals allowed. Nationally, the Florida State defense closed out the 2012 campaign ranked in the top 40 in shutout percentage (2nd - 0.708), GAA (12th - 0.619) and save percentage (36th - 0.839). With 17 shutouts in 2012, FSU extended the school's streak of reaching double-digit shutouts to eight consecutive years. In the postseason, Florida State has posted 18 shutouts since 2005 including a school record three shutouts over four different seasons (2007-08, 2011-12).

His first year on the job was nothing short of magnificent leading the Seminoles to their first 20-win season and second College Cup in 2005. In his second year at the helm, the Seminoles continued their dominance reaching the College Cup for the third time in the program's 12th year. The 2008 season was no different as he directed the Seminoles to an 8-1-1 record in the ACC, their highest winning percentage (.850) in league play in school history, and to just three losses all year, the fewest recorded since the program's inception in 1995. In 2012, the Seminoles tied the school record for victories (20) while winning their first outright regular season ACC title with an 8-2-0 record.

In all eight seasons at FSU, Krikorian has earned at least three NCAA Tournament wins and reached the tournament quarterfinals, a feat that had only occurred once in program history. It should not be surprising when examining Krikorian's past. He won two National Championships following undefeated seasons at Franklin Pierce. He then built Hartford

into a national power before coming to FSU. Krikorian has never posted a winning percentage below .700 at any of his collegiate head coaching positions. With that kind of success it is easy to see why he is one of the most successful coaches of all-time.

After what Krikorian has done at Florida State, it would be hard not to argue that he is one of the best coaches in Division I. In 2012, he led FSU to its best start in school history as the Seminoles won its first 14 matches outscoring the opposition 31-3. The 14-game win streak was five better than the previous win streak set in 2005 and one better than the 13-game unbeaten streak orchestrated by the 2008 squad. The seven longest win streaks in school history have all come under Krikorian's guidance.

Eight seasons ago, Krikorian became just the second coach in ACC history to lead his team to seven consecutive wins in conference play. He tied the mark in 2008 with a string of seven straight wins against league opponents. Both marks fell after the Seminoles won 10 straight ACC games over two seasons from 2011 to 2012 including eight consecutive league wins to open 2012. The Seminole boss also led FSU to a school record 24-game home unbeaten streak (22-0-2), a feat covering three seasons, and will enter the 2013 season having won 18 consecutive matches at home, tying the school record originally over two seasons (2008-09).

Krikorian's impact at FSU was immediate. In his first 30 games, Krikorian posted a .850 winning percentage, 300 percentage points higher than any previous coach in FSU history. With a 2-1 victory over Stetson in 2006, he became the fastest FSU coach to earn 30 wins, reaching it in just 38 matches. He also established a new record when his 2006 squad had just one loss after 15 matches (a feat matched in 2012). No previous FSU team had ever played more than 10 games without suffering multiple losses. In 2010, Krikorian reached yet another milestone at Florida State claiming victory number 100 with a dramatic 1-0 overtime victory over Wake Forest in Tallahassee. And in 2012, Krikorian recorded career college win No. 300 with a 1-0 victory at Arkansas to become the 25th coach across all divisions to reach the historic milestone.

Krikorian hasn't just produced wins; he has secured big wins as well. In the first 10 years and 206 games of FSU soccer history, the Seminoles recorded seven wins over top 10 teams. In 199 games under Krikorian, Florida State has recorded 24 top 10 victories including four each in 2011 and 2012. In addition to the win streaks, wins over top teams and trips to the College Cup, Krikorian led FSU to its highest ranking ever in all four college soccer polls including the first No. 1 ranking in school history. After downing Portland 2-1 to kick-off the 2006 season, the Seminoles jumped to the top spot in the nation in the Soccer America top 25 poll, a spot they held for four consecutive weeks. Following its run to the national championship game in 2007, the Seminoles finished the season ranked as high as number two in a pair of national polls.

In Krikorian's first year at the helm of the Seminole program, FSU established new records for overall wins, winning percentage, fewest losses, most ACC wins, the best ACC winning percentage and longest win streak both in and out of the conference. Krikorian's 2005 squad was the first in school history to reach 20 wins and they matched the highest finish ever by an FSU team in ACC play as they tied for second. He led Florida State to a school-record seven wins over NSCAA top 25 teams and for the first time in program history, FSU spent a month ranked among the nation's top 10 teams in every soccer poll.

Krikorian took a Seminole team that was eliminated in the first round of the NCAA Tournament in 2004 and led them to the College Cup the very next season. He was just the sixth coach in the history of DI women's soccer to lead his team to the national semi-finals in his first season at a school. At the time, FSU was one of six schools who had gone to the College Cup under the direction of two different coaches.

SEMINOLE COACHING STAFF

For his efforts, Krikorian was honored both regionally and nationally in his first season. He was named the first ACC Coach of the Year in Seminole soccer history, the 2005 Soccer America National Coach of the Year, the 2005 Soccer Buzz National Coach of the Year, Soccer Buzz's Southeast Region Coach of the Year and the NSCAA's South Region Coach of the Year.

On top of his impressive resume in coaching the top talent at the collegiate level, Krikorian has worked with the world's best players during his stops as the head coach of the U.S. U-19 National Team and his three years with the Philadelphia Charge. Florida State's head coach has worked with soccer greats from all over the world including U.S. National Team stars Brandi Chastain, Kristine Lilly, Tiffeny Milbrett, Heather Mitts and Lorie Fair, English National Team player Kelly Smith, French National Marinette Pichon and Brazilian National Team players Sissi and Katia.

Florida State players haven't only been recognized for their success on the field, but in the classroom as well. Over the last eight years, Florida State has earned regional/district academic awards 41 times. Katrin Schmidt and Kirsten van de Ven were named first team Scholar All-Americans by the NSCAA, marking the first distinction of its kind at FSU. Becky Edwards followed suit in 2008 earning a spot as a first team Scholar All-American. In 2009, Edwards was named a third team Academic All-American by CoSIDA/ESPN the Magazine and in 2012 Kassey Kallman earned recognition as a second team Capital One Academic All-American. Additionally, FSU soccer players have been named to the ACC All-Academic Team 45 times including 22 times over the last three years with a school record eight named to the team in 2011. Tori Huster led the team in 2011 becoming the first Seminole soccer player to earn ACC Scholar-Athlete of the Year honors.

A three-time ACC Coach of the Year (2005, 2009 & 2012), Krikorian has been at the helm of a college team for a total of 19 seasons now and has recorded 18+ wins 11 times during that span. The 2005 season bettered his first year coaching at Franklin Pierce and Hartford for wins, fewest losses and highest winning percentage.

U.S. U-19 NATIONAL TEAM

Prior to taking over the Seminole soccer program, Krikorian came to Florida State fresh off leading the United States U-19 National Team to the bronze medal, while winning the FIFA Fair Play Award at the 2004 U-19 Women's World Cup. As the head coach for the U.S. U-19 National Team, Krikorian was responsible for all technical aspects of the program as the team prepared for the second-ever U-19 FIFA World Championship.

His U-19 squad cruised through group play finishing undefeated beating South Korea, Russia and European Champion Spain. They were the only team to win all three group matches in the tournament, as the U.S. outscored its opponents 8-1. Krikorian then led the U.S. past Australia in the quarterfinals before falling to eventual World Champion Germany in the tournament semifinals. The team responded by beating Brazil 3-0 to secure the bronze medal.

The team not only left Thailand with bronze medals but they also were awarded the FIFA Fair Play Trophy. Individually, U.S. midfielder Angie Wozniak received the Silver Ball as the tournament's second Most Outstanding Player and the Bronze Shoe as the tournament's third-leading scorer. Overall, Krikorian's squad outscored the competition 13-4 during the World Championships.

Krikorian's work with the national program continued at the 2011 FIFA World Cup serving as an advanced scout for the United States Women's National Team. He was one of four scouts that provided expert analysis for Team USA and head coach Pia Sundhage. Krikorian scouted eight teams, in eight games covering six different cities in Germany. He was on hand in Berlin for the opening game featuring Germany and Canada and in the stands for the U.S.'s amazing comeback in the quarterfinals against Brazil.

WUSA

As the head coach of the Philadelphia Charge from 2000-2003, Krikorian had another opportunity to coach the top players in the world and he once again proved he could develop talent and guide players to great heights. Not only did he coach 2002 WUSA MVP and Offensive MVP Pichon, but he also tutored the league's top keeper in Melissa Moore, who led the league with a 1.00 GAA. He coached the Charge to two playoff berths in his three seasons and was named the league's coach of the year in 2002. Krikorian drafted and coached 10 WUSA All-Stars in just three years on the Charge bench.

In his first season with Philadelphia, Krikorian posted 11 wins in leading the Charge into the playoffs. The team finished the season ranked third in the regular season standings. The next year the Charge once again won 11 games and finished second in the standings, which was an

amazing accomplishment considering Krikorian's top player was lost for the season when Kelly Smith went down with an injury. His squad still finished the regular season 11-4-6.

UNIVERSITY OF HARTFORD

Krikorian had achieved an equal measure of success on the college level before jumping to the WUSA. He coached the University of Hartford for five seasons from 1996-2000 leading the squad to an Elite Eight and two 'Sweet 16' appearances during his four consecutive trips to the NCAA Tournament. He recruited five NSCAA All-Americans, three academic All-Americans and his squads received the NSCAA Team Academic Award on four occasions. Overall, Krikorian's teams averaged 15 wins per season as he posted a 75-30-3 overall record while winning three conference championships. Three of his squads finished the year ranked in the NSCAA's top 15 and were awarded the NSCAA Team Academic Award four years in a row.

Krikorian wasted little time in turning Hartford into a national power. After going 4-14 in his first season, Krikorian's Hawks won at least 17 and never lost more than five games, while advancing to the NCAA Tournament in each of his next four seasons.

Hartford immediately improved to 19-2-1 in just the second season under Krikorian including a win over national power Connecticut. Hartford also won just the second NCAA Tournament game in school history that year. In 1998, the success continued as the Hawks posted a 17-5 record while advancing to the 'Sweet 16'. That year Krikorian led Hartford to wins over Texas A&M and Harvard in the opening round of the NCAA Tournament.

In 1999, only his third year at the helm of the Hawks program, Krikorian put together the best soccer season in school history. Hartford finished the regular season 15-4-2 and as conference champions for the third straight year. That regular season success was tame compared to the team's magical run through the NCAA Tournament. After opening with a home win over Princeton, Krikorian traveled to Gainesville

to take on the defending National Champions. His Hawks dethroned the Gators on the road and then did the same thing a week later to Virginia in a 3-2 triple overtime win. The victory moved the Hawks into the Elite Eight for the first time in school history.

In his final season at Hartford, Krikorian put together his most impressive regular season as his Hawks went 17-2. They defeated both Virginia and Florida again. The win over Florida was a decisive 3-0 victory. Krikorian also led the Hawks to the school's first-ever victory over Dartmouth in the seventh meeting between the programs.

FRANKLIN PIERCE COLLEGE

Krikorian came to Hartford after spending six years as the head coach at Franklin Pierce College in Rindge, N.H., (1990-1995) where he built one of the most dominant soccer programs in the college game. His teams won two National Championships, both during undefeated seasons, and appeared in two other final fours. His squad's had a remarkable 39-game winning streak and his 1995 National Championship team was 20-0. Krikorian's teams compiled a 93-19-3 record in six seasons. He recruited three National Players of the Year, eight All-Americans, five Academic All-Americans and four national scoring champions. His team at Franklin Pierce also garnered the NSCAA Team Academic Award.

In 1990, his first year in New Hampshire, Krikorian went 10-6-2. The school's 10 victories were just four shy of tying the program's total from its first five years of existence. Two seasons later the Ravens went 20-1-0 with a berth in the NCAA semifinals. After a 16-3-0 season in 1993 and another NCAA semifinal appearance, Krikorian completed his reclamation of Franklin Pierce by going a perfect 19-0-0 and winning the school's first-ever NCAA women's soccer championship. What did Krikorian do for an encore? In 1995 he repeated as National Champions, this time with a record of 20-0-0.

After departing for Hartford following the 1995 season, the Ravens went on to capture three more National Championships. Franklin Pierce and North Carolina are still the only two schools in the history of NCAA soccer to win four consecutive NCAA Championships across all divisions.

Before Krikorian arrived at Franklin Pierce, the school had an all-time record of 21-36-4 in five seasons winning just under 38% of their games. Since arriving on campus in 1990, the Ravens have had just one losing season in 23 years and have won five National Championships. Krikorian helped build the foundation for the Franklin Pierce dynasty in just six years on the job. For his efforts, he was recognized as one of Franklin Pierce's top 10 most influential

people during the school's 50th Anniversary celebration in 2012-13.

HONORS & AWARDS

Krikorian's two national coach of the year awards in 2005 continued an impressive trend in which the Seminole boss has been honored at every stop of his career. He was named WUSA Coach of the Year in 2002 and received numerous honors and awards throughout his coaching career prior to moving to the professional ranks. He was named the NSCAA's Northeast Division I Coach of the Year in 1997, the NSCAA Division II National Coach of the Year in 1992 and 1995, the NSCAA Division II Northeast Region Coach of the Year in 1992 and 1995 and was a two-time New England Collegiate Conference Coach of the Year in 1994 and 1995. In 1990 and 1993 he was named the Division II New England Coach of the Year as well.

He added his third ACC Coach of the Year award in 2012 after leading the Seminoles to the outright ACC regular season title with an 8-2-0 league record. The Seminole field general led the Garnet and Gold to 14 straight wins to open the season and a No. 1 ranking that covered a nine-week stretch over three different national polls. FSU finished the season 11-3-0 against ranked opponents including a 4-1-0 mark versus teams in the top 10. For his efforts, Krikorian was also recognized as the NSCAA Southeast Coach of the Year for the third time in his career (2005, 2009 & 2012).

Krikorian was a standout player at St. Anselm College in Manchester, N.H. from 1981-1983. He was a two-time captain and team MVP. In 1983, he was a New England Indoor Soccer League (NEISL) All-Star and a first team All-New England selection.

PERSONAL

Krikorian graduated with a degree in history from St. Anselm College and he earned his master's degree in education from Keene (N.H.) State College in 1994. Krikorian also served as an assistant men's coach at the University of Maine at Farmington and was a Social Studies teacher at Mt. Abram High School in Maine and Raymond High School in New Hampshire. Krikorian was born in Malden, Mass., on March 28, 1960. He is married to the former Linda Mastrogiovanni. They have two children, Alexandra (12) and Michael (10).

MIKE BRISTOL

ASSISTANT COACH

FIFTH SEASON AT FSU

WESTERN ILLINOIS • 1999

Mike Bristol enters his fifth season at Florida State where his primary responsibilities with the Seminoles include the training of the goalkeepers and team defense. He took over as the program's recruiting coordinator in 2012. Bristol joined the Seminole coaching staff after spending five seasons as an assistant coach with the Eclipse Select Soccer Club in Libertyville, Ill.

Since his arrival in Tallahassee, Bristol has helped guide the Seminoles to four consecutive trips to the Elite Eight, including back-to-back appearances in the College Cup, a pair of ACC regular season titles in 2009 and 2012 and the school's first league title in 2011. In his first four years, the Seminoles have compiled an overall record of 73-22-3 while claiming three top two finishes in the ACC with first place finishes in 2009 and 2012 and a tie for second place in 2010. Bristol has coached seven All-Americans, five Freshman All-Americans, four former Seminoles playing in the National Women's Soccer League, the 2011 ACC Tournament Most Valuable Player and a handful of student-athletes who have competed internationally.

In overseeing the team defending, Bristol has led the Seminoles to a goals against average of 0.85 in his first four years. The Seminole backline has averaged 13 shutouts a season under Bristol reaching double-digits all four years. In 2012, Florida State set school records with 17 shutouts, a GAA of 0.62 and the fewest goals allowed in ACC play with four, while tying the school mark for wins (20) and the fewest goals allowed in a single season (15). FSU strung together a school record nine straight shutouts while blanking its first eight ACC opponents en route to claiming the conference regular season title. The Seminoles went on to finish the year as the league leader in GAA, shutouts and the fewest goals allowed. Nationally, the Florida State defense closed out the 2012 campaign ranked in the top 40 in shut-out percentage (2nd - 0.708), GAA (12th - 0.619) and save percentage (36th - 0.839).

A combination of great defense and goalkeeping resulted in FSU's first league championship in 2011. Kelsey Wys was named MVP of the ACC Tournament after finishing the championship with a 0.59 GAA and 10 saves as she allowed just two goals in over 300 minutes of action. Wys was outstanding in net in the finals making four saves and then three more in penalty kicks to help FSU secure its first ACC title.

Wys' transition as one of the top goalkeepers in the nation began to take shape during her freshman sea-

son in 2010. The Coral Springs, Fla., native started 22 matches between the posts for the Seminoles tallying 2,004 minutes while registering a 16-5-1 record, 91 saves and 12 shutouts. She allowed just 17 goals including five during the ACC regular season en route to a GAA of 0.76. Wys finished the season leading the ACC in saves, shutouts, shutouts per game and save percentage (.843). She would go on to earn a spot on the All-ACC Second Team, All-ACC Freshman Team and garner second team Freshman All-America honors from Soccer America.

In Bristol's first season at Florida State in 2009, the Seminole defense turned in a GAA of 0.85 allowing 22 goals in over 2,300 minutes of action. FSU closed out the year ranked among the best in the ACC finishing fourth in GAA, tied for fourth in goals allowed and fifth in shutouts. Bristol's work with a very young defensive squad, comprised of two sophomores and two freshmen, was on full display right from the very beginning as the defensive unit opened the season posting three consecutive shutouts. The Seminoles allowed just seven shots through the first three games including three shots on goal. The three shutouts to open the season marked the first time such a feat occurred in school history. The stifling defense was at it again in the ACC Championship in Cary, N.C., with the Seminoles recording consecutive shutouts in the first two matches of the tournament for just the second time in the program's existence.

Florida State has been recognized nationally for their defensive efforts through the first four years under

Bristol with two Seminole defenders being honored as semifinalists for the MAC Hermann Trophy. Ines Jaurena made her first ever appearance on the list in 2011 joining Becky Edwards (2009) as the only defenders in Florida State history to be recognized as Hermann Trophy semifinalists. Jaurena was back on the list as a semifinalist in 2012 for the second year in a row. The French native was also named a finalist for the Honda Award becoming just the third Florida State soccer player to be named a finalist for the award and first since 2007.

During his time with the Eclipse, Bristol led the club team to four national championships; had five goalkeepers selected as pool members of national teams and eight goalkeepers named to regional teams. In 2008, Bristol tutored Alexa Gaul (University of Texas) and Taylor Vancil, a two-year member of the Seminole soccer team (2011-12), who both served as goalkeepers on the United States U-17 National Team that finished second at the 2008 FIFA Youth World Cup in New Zealand. Four of his goalkeepers received the Golden Glove Award at the USYSA National Championships, presented to the tournament's most outstanding goalkeeper. Vancil was one of the Golden Glove Award recipients as she was recognized as the best goalkeeper at the 2008 World Cup.

Bristol has spent part of his coaching career as a goalkeeper coach at the collegiate level as well. He was an assistant coach at Illinois State University from 2002-04 where he was in charge of the goalkeepers and the backs. During his time at Illinois State his goalkeepers ranked in the top 12 nationally in goals against average. Following his time at Illinois State, Bristol served as the goalkeeper coach for the women's program at the University of Maryland.

His coaching background also includes stints with the Region II ODP and Illinois ODP programs. Bristol also traveled to Germany as the goalkeeper coach with the 1992 Regional ODP team. During the 2009-10 season, he was named the Region III ODP Goalkeeping Director. Bristol has earned a level 3 goalkeeping diploma as well as a premier diploma, both from the NSCAA. The Granite City, Ill., native is also on the NSCAA goalkeeping instructional staff for state and regional diplomas. Bristol earned his national goalkeeping license from the United States Soccer Federation (USSF).

As a player, Bristol was a four-year starting goalkeeper at Western Illinois University (1995-99). During his freshman season, he was voted team most valuable player and earned first team All Mid-Continent Conference honors. Bristol served as team captain for three years and was selected to numerous all-tournament teams. Following his collegiate career, Bristol played for the PDL Cocoa Expos soccer team in Cocoa Beach, Fla., during the summer of 1999.

Bristol graduated with a degree in Secondary Education and a master's degree in Sports Management from Western Illinois University.

2012 SEASON IN REVIEW

2012 SEMINOLE SOCCER TEAM

SEMINOLE QUICK HITS

* Florida State wrapped up the 2012 season with an overall record of 20-4-0, tying the school record for wins set in 2005 (20-4-1) - the first season under head coach Mark Krikorian. With Krikorian at the helm, FSU has registered at least 16 wins in each of his eight seasons in Tallahassee.

* The Seminoles won their first outright regular season title in the Atlantic Coast Conference, and second all-time, finishing league play with an 8-2-0 mark. The eight wins tied a school record for victories in the ACC. FSU opened its conference schedule winning its first seven games without giving up a goal.

* FSU returned to the College Cup for the second straight year and sixth time in school history. The six College Cup appearances are tied for the seventh most in NCAA Tournament history (Massachusetts & Stanford). Since 2003, FSU's six College Cup appearances are the most of any school in the ACC and tied for the second most nationally - UCLA (7) & Notre Dame (6).

* Florida State earned an at-large bid into the NCAA Tournament after finishing the season as the regular season champs of the ACC. This year's berth marks the Seminoles' 13th consecutive appearance in the NCAA Tournament. FSU is just one of 10 schools out of 323 playing Division I soccer that have been to 13 consecutive NCAA Tournaments. Of those 10 schools, four are from the ACC (Florida State, North Carolina, Virginia and Wake Forest).

* Florida State sits at 38-12-2 all-time in the NCAA Tournament, good for a .750 winning percentage. It is the third-best winning percentage among teams that have played 10 or more games. Making their 13th straight NCAA Tournament appearance in 2012, FSU's 38 wins are the eighth most in NCAA history.

* The 2012 Seminole squad finished the season with 173 points on 55 goals and 63 assists. Tiffany McCarty closed out her Florida State career scoring in double figures for the fourth time in her career finishing with 39 points on 17 goals and five assists. Defensively, the Seminoles set single-season school records for shutouts (17), GAA (0.62) and fewest goals allowed in ACC play (4). The 15 total goals allowed tied the record set in 2008 for the fewest goals given up in a season.

* Florida State completed a rare feat in 2012 finishing its home schedule with a perfect 14-0-0. The Seminoles outscored the opposition 41-3 inside the friendly confines of the Seminole Soccer Complex. It marked the most wins at home in a single-season and just the second time FSU closed out the year undefeated at home (8-0-0 in 2001). The Seminoles will enter 2013 on the heels of an 18-game home win streak.

* FSU was one of just three schools nationally to have at least three student-athletes honored as All-Americans by the NSCAA in 2012 joining Stanford (3) and North Carolina (3). Ines Jaurena was named a first team All-American, as well as a semifinalist for the MAC Hermann Trophy. The senior defender became the 12th Seminole to garner first team All-American accolades and the first from the NSCAA since 2009. Tiffany McCarty and Kelsey Wys both earned a spot on the third team.

* Florida State placed seven players on the 2013 All-ACC Women's Soccer Academic Team. Kassey Kallman and Jessica Price were named to the team for the third time while Kallman earned second team Capital One Academic All-America honors.

FIRST TEAM ALL-AMERICANS

LEAH GALLEGOS

2003 - SOCCER BUZZ

Leah Gallegos made Florida State history in 2003 becoming the first Seminole to garner first team All-America honors. The distinction was well deserved as she played a vital role in leading Florida State to its first College Cup appearance scoring golden goals in back-to-back overtime victories over Auburn and West Virginia in the second and third rounds, respectively. Gallegos started all 26 games for the Garnet and Gold in 2003 finishing her sophomore campaign with 39 points on 18 goals and three assists. It was a record breaking season for the Los Angeles, Calif., native as she established single-season school records for goals (18), game-winning goals (7), multi-goal games (5), shots (109) and shots on goal (60). She tied an FSU single-game record on October 27 with four goals and eight points in a win over Florida Atlantic. Following her second year at Florida State, Gallegos had scored more goals in her first two seasons (25) than any other player in school history. She went on to garner first team All-ACC accolades, while becoming the first Florida State player to receive All-America honors from the NSCAA (Third Team).

VIOLA ODEBRECHT

2005 - SOCCER BUZZ

In just one season, Viola Odebrecht made a lasting impression at Florida State joining former Seminole Leah Gallegos as the only Seminole to be named a first team All-American by any organization. Odebrecht started 24 games in 2005 finishing second on the team in game-winning goals (5), third in goals (9), points (26) and shots (50) and tied for third in assists with eight. It did not take long for the German junior midfielder to make herself feel at home scoring the first goal of the 2005 season, the game-winner, in a 4-0 victory over Southern California in what was her first collegiate game. Odebrecht tallied three multi-point games including her first career hat trick as Florida State defeated Virginia Tech 3-0. She led a Seminole offensive attack that established new single-season marks for goals and points. Along with Selin Kuralay and India Trotter, Odebrecht formed the first Seminole trio to tally nine or more goals in one season for the first time in program history. Odebrecht earned a spot on the All-ACC first team and was a Soccer Buzz Player of the Year finalist. She also performed in the classroom as a member of the ACC All-Academic Team and ACC Honor Roll honoree.

SELIN KURALAY

2005 - SOCCER AMERICA
2006 - SOCCER BUZZ

Selin Kuralay earned the distinction as Florida State's first two-time, first team All-American claiming such honors from Soccer America and Soccer Buzz in 2005 and 2006, respectively. Kuralay had the most productive offensive season of any first-year Seminole in team history in 2005 with 41 points on 16 goals and nine assists. The Australian native recorded either a game-winning goal (6) or game-winning assist (3) in nine of Florida State's school record 20 wins in 2005. She tallied five multi-goal games as a sophomore, while becoming the quickest player in FSU history to reach 10 goals doing so in the ninth game of the season. Kuralay finished the season becoming just the second player at Florida State to lead the team in every offensive category including points, goals, assists, game-winning goals, shots and shots on goal. In 2006, Kuralay led FSU in goals (13), points (29), shots (108) and game-winning goals (5) in 26 games. She began the season registering either a goal or an assist in the first five games. Kuralay was a two-time, first team All-ACC honoree. In 2006, Kuralay joined teammate India Trotter as FSU's first semifinalists for the MAC Hermann Trophy presented to the nation's top collegiate player. The Seminole forward was also a two-time Soccer Buzz Player of the Year finalist.

KELLY ROWLAND

2006 - NSCAA

Kelly Rowland earned first team All-America honors from the NSCAA in her final season at Florida State. She finished her Seminole career appearing in 95 games while establishing a school record for consecutive starts with 87, a mark that stands to this day. Rowland led the Seminoles to three College Cup appearances including trips in her final two seasons. During her senior campaign, Rowland tallied 14 points on five goals and four assists in over 2,200 minutes of action. She finished second on the team with four game-winning goals including the lone tally in a 1-0 shutout victory over Illinois in the third round of the NCAA Tournament. Rowland will forever be part of Florida State history as she assisted on the first Seminole goal in College Cup play finding India Trotter for a goal against Notre Dame in 2006. The Seminole defender was a two-time, second team All-ACC honoree and was named to the 2006 ACC and NCAA All-Tournament teams. Rowland earned a spot on the 2006 ACC All-Academic Team and was a two-time ACC Academic Honor Roll honoree. The Wallingford, Pa., native was the recipient of the ACC Weaver-James-Corrigan Postgraduate Scholarship in 2006.

INDIA TROTTER

2006 - NSCAA & SOCCER AMERICA

India Trotter garnered first team All-America honors from the NSCAA and Soccer America as a senior in 2006. After receiving second team NSCAA All-America honors in 2005, Trotter became the first two-time NSCAA All-American in school history. In her final season at Florida State, Trotter registered 19 points on eight goals and three assists in 26 games. She led the Seminoles to three appearances in the College Cup including trips in her final two seasons and was named to the NCAA All-Tournament team in 2003, 2005 and 2006. Among her eight goals during her senior year, two came against 2006 National Champion North Carolina. Trotter will forever be part of Florida State history as she scored the first Seminole goal in College Cup play finding the back of the net against Notre Dame in 2006. She finished her career as Florida State's all-time leader in games played and the leading scorer in the NCAA Tournament tallying more goals, points and game-winning goals than any Seminole in postseason play. In 2006, Trotter joined teammate Selin Kuralay as FSU's first semifinalists for the MAC Hermann Trophy presented to the nation's top collegiate player. As a member of the All-ACC first team in 2006, the Ft. Lauderdale, Fla., native became FSU's first three-time All-ACC honoree. Trotter was also named one of four finalists for the Honda Award in 2006.

MAMI YAMAGUCHI*

2007 - NATIONAL PLAYER OF THE YEAR;
SOCCER BUZZ, SOCCER AMERICA, NSCAA

Mami Yamaguchi became the most decorated player in Florida State soccer history in 2007 as the winner of the M.A.C. Hermann Trophy, presented to the top female player in NCAA Division I soccer, and the school's first consensus first team All-American. Yamaguchi claimed the top individual honor after leading the country in points (66), while finishing second in goals (24) and assists (18). She concluded the season as the only student-athlete in the nation to rank in the top 10 in three major offensive categories including points per game, goals per game and assists per game. In the 2007 NCAA Tournament, she paced the Seminoles with three goals and eight assists as her assist total set the all-time postseason school mark. The junior forward played a vital role in leading the Seminoles to their first appearance in the national championship game that same year. Yamaguchi began the 2007 season registering a point in her first 10 games, while setting the school record by scoring at least one goal in seven consecutive contests. She finished the season registering a point in 22 of 26 games for the Seminoles. By year's end, Yamaguchi held the FSU single-season records for points, goals and assists. She also set the school record for points in ACC play with 15. During the 27-game schedule in 2007, Yamaguchi registered 12 multi-point performances to lead the ACC. She tallied three hat tricks that year to become the first Seminole to register three three-goal games in a career. In 2007, the Tokyo, Japan native was also recognized as the NSCAA Player of the Year and the ACC Offensive Player of the Year as well as earning first team All-ACC recognition.

FIRST TEAM ALL-AMERICANS

AMANDA DaCOSTA
2008 - NSCAA & SOCCER BUZZ

Amanda DaCosta joined Leah Gallegos and Sanna Talonen as the only student-athletes in Florida State history to earn All-America honors as a sophomore. The Katonah, N.Y., native was involved in six game-winning situations in 2008 with two game-winning goals and a team-high four game-winning assists. She notched the first multi-goal game of her career in the season opener against UCF scoring two first half goals, while tying a career-high with four points. The sophomore midfielder finished the season with three multi-point performances. She was fourth on the team in shots with 43 as she tallied at least one shot in 18 straight contests. DaCosta went on to receive first team All-ACC accolades in 2008 marking the only Seminole to repeat as an all-conference honoree from 2007. She was also named a MAC Hermann Trophy Watch List candidate and a finalist for Soccer Buzz Player of the Year, while adding second team MVP honors to her list of accolades in 2008.

SANNA TALONEN
2008 - SOCCER AMERICA & SOCCER BUZZ

Sanna Talonen joined Leah Gallegos and Amanda DaCosta as the only student-athletes in Florida State history to earn All-America honors as a sophomore. Talonen had a stellar season in 2008 finishing the year as the team leader in points (36), goals (16) and game-winning goals (6) en route to earning first team All-ACC accolades. At one point during the year, Talonen registered a goal in six straight games, the second longest streak in school history. She wreaked havoc away from home in her two seasons at Florida State notching 32 career points on the road, while 11 of her 16 goals in 2008 came away from home. On the career charts, Talonen sits first all-time at FSU in game-winning goals (12) and multi-goal games (9). With two goals and an assist against Mississippi Valley State in the first round of the NCAA Tournament, Talonen became the all-time leader at Florida State for points (22) and goals (10) in postseason play. The Finnish native was named a semifinalist for the MAC Hermann Trophy and finalist for Soccer Buzz Player of the Year in 2008, while being named a first team MVP and a second team All-American by Soccer America and the NSCAA, respectively.

ENDOWED SCHOLARSHIPS

Enthusiastic Tallahassee business leaders formed the first Seminole Boosters organization in the summer of 1951. Their purpose was to support an ambitious Seminole football program rapidly growing in popularity. A brand new stadium and increasing program costs motivated the Boosters to make fundraising their first priority, a priority that remains their primary purpose.

The Seminole Boosters experienced great success through Head Football Coach Bill Peterson's tenure (1960-1970). From 1971 through 1973 Boosters served as the reorganized National Seminole Club. In the winter following the winless 1973 season, local leaders again responded to the challenge of University President Dr Stan Marshall, and re-incorporated the Seminole Boosters. In March, 1975 Andy Miller became chief operating officer of the organization, the post he still holds.

Today, Seminole Boosters, Inc. is one of the leading collegiate athletic fundraising organizations in America. Contributors account for more than \$13 million in annual funds, plus at least \$10 million per year in capital gifts. The Seminole Boosters Scholarship Endowment has nearly \$50 million under management, and the Boosters are involved with a wide range of enterprises including affinity programs, logos & licensing, gameday parking, concessions, the University Center Club, skybox management and the construction of athletic facilities.

TALBOT "SANDY" D'ALEMBERTE SCHOLARSHIP

Former Florida State University President Talbot "Sandy" D'Alemberte appreciates the contribution that competitive sports can make to strengthen the intellect as well as the body. A classic Renaissance Man, President D'Alemberte enhanced the entire range of University initiatives through his own personal generosity. With a major gift, he propelled the Seminole Boosters Dynasty Campaign forward by establishing a fully endowed Scholarship for Seminole Women's Soccer.

BRENT SEMBLER "GOALKEEPER POSITION" SCHOLARSHIP

Vice Chairman of the Sembler Company, one of the country's most recognized shopping center development and management companies, Brent Sembler is among the most familiar names and faces in the highest echelons of Florida politics and finance. As renowned philanthropists, Brent and Debbie Sembler are relentless fundraisers for a range of charitable causes. Brent played Club Soccer for the Seminoles as a student in the late 1970s and has continued to follow and

encourage support for the sport among young people. Brent has expressed his love for the sport and for his University by endowing a Named Position Scholarship for Seminole Women's Soccer. The starting goalkeeper at FSU will now carry the Brent Sembler Scholarship.

CHARLES & DIANE MORRIS SCHOLARSHIP

A 1970 West Point graduate, Colonel Charles A. Morris, Ed.D., FSU 1994, honorably served our nation over a distinguished 27-year Army career. Diane faithfully served FSU from 1990-94 as an honored academic advisor in the Department of Psychology while Chuck commanded the Army ROTC Seminole Battalion. The Morris' returned to FSU in 1997 and Chuck began work in the Department of Athletics. Chuck and Diane became fans

of Florida State soccer and recognized the importance of providing scholarships for future generations of student-athletes. As an expression of their loyalty, commitment and admiration for FSU, they have endowed the outside right forward position.

LES & RUTH AKERS SCHOLARSHIP

Successful businessman, tireless fundraiser for Seminole Athletics and leader in all areas of FSU alumni involvement, Les Akers and his wife Ruth, holder of a graduate degree in music, have expressed their love for the University by endowing a scholarship for soccer.

HUNTER MCINTOSH

After playing professional tennis for several years, former FSU student-athlete Hunter McIntosh decided to endow an athletic scholarship for soccer to show his support for women's athletics here at Florida State. Throughout his lifetime, he never lost his love or commitment to Seminole Athletics. Hunter's feeling for FSU can be summed up in his own words of "Once a Nole, always a Nole".

From Miami to Minneapolis, and from Warsaw to Walla Walla, young men and women come to Florida State University to embrace its educational excellence and to compete as a Seminole. Many would not have the opportunity to receive that college education without their athletic scholarship. These young people work hard and proudly represent Florida State as a winner on the national stage, attracting the attention to our University that winners bring.

Florida State Athletics provides each of our men's and women's teams with the maximum number of scholarships allowed by the NCAA. In addition to the field competitors, scholarships are also provided to student trainers, managers and graduate assistants who are vital to an athletic program.

The last 17 years have seen a threefold rise in the cost of athletic scholarships at Florida State. Today, more than \$350,000 is needed to permanently endow a Florida State athletic scholarship. Most of the top public universities with whom Florida State competes and to whom we are compared, have endowed all of their athletic scholarships.

Established in 1986 under the direction of William M. Parker of Clearwater, the Seminole Boosters Endowed Scholarship Program is the final step toward perpetual funding of all scholarships for student-athletes at Florida State. Those individuals who contribute to the endowment fund for athletic scholarships at Florida State University gain membership in the Seminole Heritage Foundation.

Thanks to the efforts of former FSU President Talbot "Sandy" D'Alemberte, Les and Ruth Akers, Charles and Diane Morris, Hunter McIntosh and Brent Sembler an effort has now begun to ensure the endowment of the Florida State soccer program.
