PROJECT 4.0

Project 4.0 is a developmental program geared toward improving a player's technique and skill. In addition to your child improving in all of these areas, he/she will have the unique opportunity to work with the FSU Soccer Coaching Staff and Team.

In each session your child will be challenged to try new things with the ball and be encouraged to take chances and be reassured that it is okay to make mistakes.

Project 4.0 is designed around four basic principles: Commitment, Education, Leadership and Excellence. The staff will encourage all players to strive for excellence in both academics and athletics. Training sessions are designed to allow the players the opportunity to develop and foster leadership skills. The program aims to have all players committed to becoming the best allaround person.

To learn more about Project 4.0, call the Seminole Soccer office at 850-645-3200 or visit the website at project 4.0@seminolesoccercamps.com.

FLORIDA STATE ADVANCED TO THE 2013 COLLEGE CUP IN CARY, N.C.

ONE OF THE NATION'S BEST PROGRAMS

- Florida State soccer has come a long way since the program played its first game in 1995 blossoming into one of the top collegiate powers in the nation.
- Entering its 20th season as a varsity sport, Florida State has become one of the premier destinations for many of the best women's soccer players in the United States and throughout the world.
- With seven all-time College Cup appearances (2003, 2005, 2006, 2007, 2011, 2012 & 2013), FSU is one of only two programs in the nation to play in soccer's version of the 'Final Four' seven times in the last 11 seasons.
- FSU's seven College Cup appearances are tied for the sixth most in NCAA Tournament history and the most of any other school in the ACC since 2003.
- Since 2000, the Seminoles have made 14 straight NCAA Tournament appearances, played in 12 'Sweet 16's' and advanced to the quarterfinal round nine years in a row – the longest active streak in the nation.

- In the program's 20-year existence, FSU has appeared in two national championship games (2007 & 2013), captured a pair of ACC Championships (2011 & 2013) and finished as the ACC regular season champions twice (2009 & 2012).
- FSU boasts an all-time postseason record of 43-13-2, good for a .759 winning percentage, the fourth highest winning percentage and the seventh most wins all-time in NCAA Tournament history.
- Over the last 11 years, Florida State has turned out 17 first team All-Americans from 14 different student-athletes, four Honda Award finalists, three Capital One Academic All-Americans, two National Freshman of the Year and a MAC Hermann Trophy winner.
- Seven former Seminoles are currently playing in the National Women's Soccer League which began its inaugural season in April of 2013. Two were selected in the 2014 draft held in January including Kassey Kallman (5th overall, FC Kansas City) and Kelsey Wys (18th overall, Western NY Flash). Amanda DaCosta is overseas playing with the Liverpool Ladies leading the squad to the FA Women's Super League title in 2013.

ACC POWERHOUSE

- Florida State captured its first ACC Championship in 2011 defeating Wake Forest 3-1 in a penalty kick shootout. Seminole goalkeeper Kelsey Wys was named the Tournament MVP after stopping three of four Wake Forest penalty kicks.
- The Seminoles captured their second league title over a three-year span with a 1-0 victory over Virginia Tech in the 2013 ACC Championship. Dagny Brynjarsdottir scored the game-winner in the 36th minute, while Kassey Kallman claimed MVP honors after leading a backline that gave up just one goal in over 270 minutes.
- Florida State, Duke, North Carolina and Notre Dame are the only teams in the ACC to play in multiple College Cups since 1992. The Seminoles lead the league with the most College Cup appearances (7) since 2003.
- Over the last 14 seasons only two schools in the ACC have more overall wins and wins against conference foes than Florida State.
- FSU has registered 12 top four finishes in the ACC since 2000 and has finished in the top four of the league standings 12 times over the last 13 seasons.
- Florida State is one of just five ACC schools to claim a league championship and following the Seminoles victory over Virginia Tech in 2013 became only the third school to win multiple ACC titles joining UNC and Virginia. FSU has played for the conference championship seven times in school history - second most all-time.
- In 2009, Florida State captured its first ACC regular season title finishing league play with a record of 7-2-1 en route to earning the No. 1 seed in the conference tournament. The Seminoles registered their first outright regular season league title in 2012 after closing out the year with 24 points and an 8-2-0 record.

2011 & 2013 ACC CHAMPIONS ~ 2009 & 2012 ACC REGULAR SEASON CHAMPIONS

2014 SEASON OUTLOOK

GENERAL OUTLOOK

The Florida State soccer program begins its 20th season as a varsity sport in 2014 posting an all-time record of 280-131-33. The Seminoles have been excellent in the postseason and have registered a 43-13-2 mark in 14 trips to the NCAA Tournament. Their .759 winning percentage sits as the fourth-highest in NCAA Tournament history while the 43 wins are the seventhmost.

The Seminoles return nine starters and 14 letterwinners from the 2013 squad that advanced to their second national title game appearance in program history, third straight College Cup and seventh semifinal appearance in 11 years. Florida State also earned its second ACC tournament title while finishing the season ranked No. 2 in the country.

With seven College Cup appearances since 2003, Florida State is one of only two programs in the nation to play in soccer's version of the 'Final Four' seven times in the last 11 seasons. FSU trails only UCLA in that category as the Bruins have made eight College Cup appearances since 2003. Since 2000, the Seminoles have made 14 straight trips to the NCAA Tournament, played in 12 'Sweet 16's' and advanced to the quarter-final round nine years in a row – the longest active streak in the nation.

Offensively, FSU returns players that contributed to 92% of the scoring in 2013 as the Seminoles set a new program record with 23 wins. Senior midfielder Dagny Brynjarsdottir (33 points) leads a crew of seven players on the 2014 roster that scored at least 10 points a season ago. Marta Bakowska-Mathews added 20 points, primarily off the bench, while starters Jamia Fields (18 points), Berglind Thorvaldsdottir (17), Megan Campbell (15), Michaela Hahn (13) and Carson Pickett (12) round out the list.

The Seminoles welcome seven newcomers to the team with five freshmen and two upperclassmen in 2014. Cheyna Williams is a junior transfer from Vanderbilt. Morgan Kennedy is a graduate student and comes to Tallahassee after earning her bachelor's degree at Oregon State. Emma Koivisto of Finland is the lone international newcomer.

Mark Krikorian begins his 10th season as head coach of the Florida State soccer program with a record of 169-41-17. Krikorian has led the Seminoles to six College Cup appearances (2005-07 and 2011-13) as well as a spot in the national final twice (2007 and 2013). The Noles earned a share of the ACC regular season championship in 2009 before winning it outright in 2012. FSU has also earned ACC Tournament titles in 2011 and 2013.

Krikorian on the upcoming season:

"Winning a national championship is how we define success. That is what we are shooting for, that's what I think we all dream about, work toward and hope for. But there are certainly several different elements that

go in to building a champion. We have exceptional student-athletes in our program that not only do the work in the classroom and on the playing field but also in the community. The fact that our kids are such high achievers with type-A personalities and that they do such a good job with all the responsibilities that they have is something we are very proud of. The goal here is no different than what it has been in the past, we want to compete at the highest level that we can and to compete for national championships."

LEADERSHIP & EXPERIENCE

The 2014 Seminoles will field an experienced group with seven seniors on this year's roster. Midfielders Marta Bakowska-Mathews, Dagny Brynjarsdottir and Hikaru Murakami, along with defenders Megan Campbell and Kristin Grubka and forward Jamia Fields create a solid foundation for a Florida State team looking to repeat as ACC Champions.

Florida State will also benefit from the experience of transfers Morgan Kennedy and Cheyna Williams. Kennedy started in all 20 matches at Oregon State in 2012 and appeared in 37 games over two seasons for the Beavers. Williams was a two-year starter for Vanderbilt and brings explosive skills to the Seminole attack after tallying 55 points as a Commodore.

Overall, nine starters from a year ago have come back for the new season and 13 of the 14 returning letterwinners started at least three games in 2013. The top six goal scorers, as well as the top eight players in assists from 2013 will be back donning the Garnet and Gold this fall.

Krikorian on the leadership of this year's team:

"This is an area where I feel very comfortable with as we go through the season. Dagny will serve as our team captain this fall, but as she expressed to her teammates before we started preseason practice 'you don't have to be the captain to be a leader.' And she is right, we have a lot of players on this team that have gained a lot of experience whether it is here at Florida State or another school, playing for their respective national teams or club teams. These players want to win a national championship; they know they have to work harder to get better after coming up short against UCLA last year. There is no doubt in my mind that everyone will hold each other accountable to work toward that goal, to train harder and to do the best job that we can each day."

THE GOALKEEPING

The 2014 Seminoles will see a new goalkeeper following the graduation of All-American Kelsey Wys in 2013 after setting 17 total goalkeeper records throughout her four-year career. Redshirt freshman Cassie Miller from Cave Creek, Ariz., and Tallahassee's own Caroline Brockmeier will compete for the starting spot to highlight the Seminole defense this season.

Miller redshirted the 2013 season at Florida State giving her invaluable experience to learn from Wys as

Florida State set a new school record in goals against average with a mark of 0.55. Miller was a two-time NSCAA Youth All-American and also earned Arizona Division II First Team honors at Cactus Shadows High School in 2011 and 2012.

Brockmeier enters Florida State as a true freshman from Chiles High School after earning Defensive MVP honors for the Timberwolves in 2010 and 2011. She was ranked No. 26 nationally by TopDrawerSoccer.com coming out of high school and was the No. 3-rated goalkeeper.

Krikorian on the goalkeepers:

"It's never easy losing a player like Kelsey Wys, someone who meant so much to our program the last four years, but we have two very good goalkeepers in Cassie and Caroline and we are excited to see how both will contribute to the team this year. Both are young players with a tremendous amount of talent. Cassie spent last year working very hard with both Kelsey and Mike (Bristol) and has made a lot of improvements to her game. Caroline is a highly touted keeper coming out of high school who has a great deal of talent. We feel that as both keepers continue to grow and learn the college game both will develop into top level goalkeepers."

THE DEFENSE

Despite the loss of All-American and 2013 ACC Defensive Player of the Year Kassey Kallman, the core of the Seminoles' defense returns with seniors Kristin Grubka and Megan Campbell anchoring the back line that posted 15 shutouts in 2013 and allowed more than one goal in a game just twice in 28 matches. Campbell also was a threat on the offensive end in 2013 with one goal and 13 assists as opposing teams struggled to defend her throw-ins. Her 13 assists rank second in FSU history in a single-season and trails only Mami Yamaguchi who tallied 18 assists during her 2007 season when she won the MAC Hermann Trophy.

Junior Isabella Schmid along with redshirt sophomores Kirsten Crowley and Kacy Scarpa also return to the Seminole defense after each made at least 11 appearances in 2013. Schmid recorded six points on two goals and two assists in 2013, while Crowley's lone goal of the season against UCF helped her to win ACC Player of the Week honors on September 3.

Florida State ranked among the nation's best in goals against average (11th-0.551), shutout percentage (23rd-0.536) and save percentage (52nd-0.824) a season ago. FSU was also 14-2 in one-goal games, including six wins by a score of 1-0. The Seminoles' two losses on the 2013 season each happened in overtime. FSU has not trailed at the end of regulation in 34 consecutive matches – a streak dating back to November 12, 2012 in a 4-2 loss to Virginia in the ACC Tournament.

2007 & 2013 NATIONAL FINALISTS ~ 7 COLLEGE CUPS ('03, '05, '07, '11, '12, '13)

2014 SEASON OUTLOOK

Krikorian on the defense:

"Kassey Kallman was a tremendous leader and played a big part in the success of our team over her four-year career at Florida State. But her hard work and determination will carry on thanks to the group that we have returning this year. Even though we lose two key components to our defensive alignment from last year, I am confident in the players that we have returning to pick-up where we left off. Kristin Grubka has been a three-year starter, working alongside Wys and Kallman the last two years, and will be a tremendous asset to our team defending. Kirsten, Isabella, Megan and Carson all have experience playing on the backline and will serve as a formidable line as we move through the season."

THE MIDFIELD

Dagny Brynjarsdottir will highlight the midfield attack for the Seminoles in 2014 as she led FSU in goals (14), points (33), shots (74) and game-winning goals (7) a season ago. Fellow seniors Hikaru Murakami and Marta Bakowska-Mathews will help give experience to a midfield looking to help maintain possession, a cornerstone of the Seminole attack. Every midfield starter from 2013 will be back looking to make yet another run at the College Cup as Florida State has reached the final site of the NCAA Tournament seven times in the last 11 seasons.

Senior Jamia Fields was integral to FSU reaching its second national title game appearance. Fields finished with five goals and 18 points on the season but her biggest performance came in the NCAA semifinal against Virginia Tech as she tallied her first career multi-goal game to help give FSU a 3-2 victory. She now has 22 assists in her career, which is tied for sixth-most in program history.

Juniors Carson Pickett and Michaela Hahn bring high energy to the midfield after a great 2013 season. Pickett recorded four goals and added four assists while Hahn finished tied for third on the team with seven assists as she added three goals of her own.

Sophomores Yulie Lopez and Nickolette Driesse will look to build upon impressive freshman campaigns a season ago. Lopez played in 15 games with three starts and recorded two assists at home against Auburn and Pittsburgh.

Driesse posted seven assists in 28 games on her way to first team All-Freshman honors by Soccer America as well as being named to the ACC All-Freshman Team. The Wayne, N.J., native was the only freshman on the 2013 roster to play in all 28 games and her seven assists tied for the fifth-most in a single season by a freshman in program history. Driesse gained valuable experience in August as a member of the U.S. U-20 team at the 2014 FIFA U-20 Women's World Cup in Canada.

Krikorian on the midfield:

"When it comes to our midfield, we have a great deal of depth which will allow us to vary our attack throughout the year. I feel that the quality in the midfield is very good and probably ahead of where we have been in past years due to the fact that we return a lot of experienced and talented players. It takes time for our players to gel with the possession style attack that we play, so to have a large number of players back from last year will shorten the learning curve especially for our newcomers."

THE ATTACK

The frontline attack for Florida State will come from redshirt sophomore Berglind Thorvaldsdottir and junior transfer Cheyna Williams. Thorvaldsdottir was third on the squad with seven goals in 2013 and also recorded three assists in 26 games to help the Seminoles set a program record with 23 wins en route to their seventh College Cup appearance.

Williams, previously from Vanderbilt, tallied 55 points in her two seasons at Vanderbilt and led the Commodores in scoring in both 2012 and 2013. She earned 2013 All-SEC First Team honors and was also named to the 2012 SEC All-Freshman Team.

Last season the Seminoles finished with 177 points on 59 goals and 59 assists. It marked the fifth highest scoring campaign in the Mark Krikorian era and the sixth-most points in program history. The four most productive seasons have come under the watchful eye of Krikorian (2007 – 233 points; 2009 – 204 points; 2008 – 194 points; 2005 – 188 points). Since 2007, the Seminoles are averaging over 60 goals and 61 assists per season.

Krikorian on the attack:

"From what I have seen during the preseason, I am very pleased with the players we have up top. The athleticism, quickness and their overall ability to read the run of play is what I have been impressed with the most. This year more than ever, I feel we have more options to help us in our attack which I hope leads to more goal scoring opportunities. And if we find ourselves in those situations, we need to make sure we do a good job of putting the ball into the back of the net."

THE NEWCOMERS

Florida State adds seven new players in 2014 including five freshmen and two transfers. Three student-athletes joined the program in the spring of 2014, including Cheyna Williams, Caroline Brockmeier and Debbie Hahn while Emma Koivisto from Finland is the only international player from this year's class.

Williams, a junior transfer from Vanderbilt, and Morgan Kennedy, a graduate student from Oregon State, will add to the on-field experience of the 2014 roster that consists of six seniors and four juniors returning from the 2013 College Cup and ACC title team.

Haylie Grant (Brentwood, Calif.) and Ari Hudson

(Portland, Ore.) round out the remaining newcomers to join the Seminoles in 2014.

Krikorian on the newcomers:

"I have been very pleased with the work ethic and athleticism on display from our new players. To have Cheyna, Caroline and Debbie with us in the spring was huge, not only to learn the system but to familiarize themselves with the university and their teammates. Morgan Kennedy is a seasoned veteran, who adds a tremendous amount of playing experience at the college level. Add Ari, Emma and Haylie to the mix of this year's new kids and I think we are going to be just fine. Now it's just a matter of putting all the pieces together and finding the best combination of players to start the season."

SCHEDULE

Eleven teams on the 2014 schedule participated in the NCAA tournament a season ago with eight schools ranked in the top 25, including four ranked in the top 10 of the final 2013 NSCAA Coaches Poll (Virginia – No. 3, Virginia Tech – No. 4, North Carolina – No. 5 and Florida – No. 10). FSU opens the season against perennial powerhouse Portland while the remaining non-conference schedule includes dates against Minnesota, Oklahoma State, Oklahoma, Florida, St. John's, Stetson and Connecticut before beginning conference play.

The Seminoles look to continue their dominance at home with 10 regular season matches scheduled within the Seminole Soccer Complex. FSU has not lost at home since October 16, 2011 and brings a streak of 35 consecutive home games without a loss into the 2014 season which ranks eighth all-time in NCAA history. Last year, FSU posted a 16-0-1 record at home and are now 102-8-5 at home under Krikorian.

Florida State will play a 10-game ACC schedule in 2014, including matches against fellow 2013 NCAA national semifinalists Virginia and Virginia Tech. The Seminoles will have five road games and play five times at home leading up to the ACC Tournament. The four teams with the best record in the regular season will participate in the 2014 ACC Tournament in Greensboro, N.C., on November 7-9.

Krikorian on the schedule:

"We are excited as can be for the season to get underway. Once again we have challenged ourselves in the non-conference part of the schedule to prepare us for the ACC and then hopefully beyond. We will start off here against Portland and Minnesota, two very good teams. As we look at the non-conference segment we know it's loaded with quality opponents. We know that by playing 10 ACC games, we are going to have 10 good games against very strong opponents. Every year we look forward to the challenges that the league schedule presents."

2011 & 2013 ACC CHAMPIONS ~ 2009 & 2012 ACC REGULAR SEASON CHAMPIONS

MARK KRIKORIAN

HEAD COACH • 10th Season at FSU • St. Anselm College (1983)

FSU Record (9 Years): 169-41-17 (.782) Collegiate Record (20 Years): 337-90-23 (.774) Career Record (23 Years): 364-109-42 (.748)

Florida State head coach Mark Krikorian took over the Seminole women's soccer program in 2005 and has proven to the nation that FSU soccer will be a national title contender on an annual basis. Through his first nine seasons in Tallahassee, Krikorian has led FSU to six College Cup appearances, including a string of three straight trips twice from 2005 to 2007 and then again from 2011 to 2013, two appearances in the national championship game (2007 & 2013), a pair of ACC regular season titles (2009 & 2012) and two league championships (2011 & 2013).

To further prove the model of consistency that Krikorian continues to provide, Florida State is the only school in the country that has finished each season ranked in the top 10 of the final NSCAA poll over the last nine years. In fact, the Seminoles have been ranked in the top 25 of the NSCAA poll for 119 straight weeks – a streak spanning back to September 6, 2005. That streak hit an all-time high in 2012 when Florida State took over the top spot in the NSCAA top 25 poll on August 28. The Seminoles would maintain that No. 1 ranking for a school record eight consecutive weeks posting a record of 7-1-0 against ranked opponents during that run including three wins over teams ranked in the top 10. FSU's climb to the top spot marked a first for the Seminoles in the NSCAA poll and a first since 2006 when Soccer America had the Noles at No. 1 for four consecutive weeks.

Krikorian has registered at least 16 wins in all nine seasons at Florida State while finishing no lower than second place a total of eight times in the Atlantic Coast Conference, the nation's premier soccer conference. Krikorian led the Seminoles to a share of the ACC regular season title and the No. 1 seed in the ACC Tournament for the first time in school history in 2009. Two years later he guided the Seminoles to their first ACC Championship as Florida State defeated Wake Forest 3-1 in penalty kicks. The Seminoles reigned supreme in the ACC once again in 2012 winning the outright regular season title with an 8-2-0 record. In 2013, FSU went on to capture its second league championship with a 1-0 victory over Virginia Tech becoming just the third school in ACC history to win multiple league titles.

The 2013 season marked the 13th straight year Krikorian led a team to the NCAA Women's Soccer Tournament and the 10th time he guided a Division I squad into the quarterfinals. He took Hartford to the NCAA Tournament from 1997-2000 including trips to the quarterfinals and two appearances in the round of 16. He has guided FSU to a berth in the quarterfinals in all nine seasons, good for the longest active streak in the nation. Krikorian has a lifetime winning percentage of .745 (39-13-1) in the NCAA Division I Women's Soccer Tournament, while he has captured two Division II National Championships with Franklin Pierce. Krikorian has added two more appearances in the national championship finals at Florida State leading the Seminoles to their first-ever title game berth in 2007 followed with the school's second appearance in 2013.

Since Krikorian's arrival in 2005, Florida State has produced 22 All-ACC first team selections, 21 NSCAA All-Americans, 12 Soccer America Freshman All-Americans, 11 players that have earned NSCAA Scholar All-America honors or Capital One/CoSIDA Academic All-America accolades, 10 MAC Hermann Trophy Semifinalists and four Honda Award finalists.

During Florida State's run to the national championship game in 2007, three athletes were honored at the national level for their outstanding season. Mami Yamaguchi became the most decorated soccer player to come out of Tallahassee claiming the MAC Hermann Trophy, presented to the top female player in NCAA Division I soccer. After rewriting the Seminole single-season record books and finishing the season as the national leader in points (66), Yamaguchi added NSCAA Player of the

Year and ACC Offensive Player of the Year to her list of accolades while becoming FSU's first consensus first team All-American. Amanda DaCosta and Sanna Talonen were named National Freshman of the Year by Soccer Buzz and Soccer America, respectively, the first recipients of such an award in the history of the program.

Four student-athletes received All-America accolades from the NSCAA in 2008 for the first time in school history. Tiffany McCarty became the first Seminole to earn ACC Freshman of the Year honors, while a school record seven student-athletes earned All-ACC recognition including three first team All-ACC honorees which tied a school mark.

In 2011, the Seminoles completed a series of firsts en route to their first ACC Championship in school history. As the sixth-seed in the tournament, Florida State became the lowest seeded team to win the league title as FSU defeated Wake Forest 3-1 in penalty kicks. FSU added to its series of firsts in the quarterfinals by going on the road and handing North Carolina its first-ever loss in the ACC Tournament and then defeating Virginia (semifinals) for the first time in school history.

The Seminoles have flourished both offensively and defensively under Krikorian's guidance. In 2005, Florida State finished with a +43 goal differential, 11 points better than the previous school record, en route to establishing single-season records for goals (65) and points (188). Those records were shattered two years later as the 2007 squad became the highest scoring team in school history. The Seminoles tallied 233 points on 81 goals and 71 assists, good for a +55 goal differential. FSU went on to set school records for points per game (8.63), goals per game (3.00), assists per game (2.63) and shots on goal (202). The offensive production also made ACC history marking the first time that a school other than North Carolina led the league in every major offensive category. The offense was at it again in 2008 as the Seminoles finished the year with 194 points on 64 goals and 66 assists good for eighth in the nation in scoring offense averaging 2.78 goals per contest. The Garnet and Gold finished the season establishing school records for assists per game (2.87), shots attempted (471), shots per game (20.48) and shots on goal (228). In 2009, scoring was once again at a premium as the Seminoles reached the 200-point plateau for just the second time in school history finishing the season with 204 points on 67 goals and 70 assists. Florida State led the ACC in points, goals, goals per game (2.68) and assists per game (2.80) that year, while ranking eighth nationally in scoring offense. To show just how potent the Seminole offense has been under Krikorian, the four highest scoring seasons at Florida State have all come under his watch and seven of

Defensively, Krikorian's teams have been just as good registering sub-1.00 goals against average in eight of his first nine years. Since 2005, the Seminole defense has posted a 0.78 GAA yielding just over 20 goals a season. Goals have certainly been hard to come by for opponents since Krikorian's arrival as the Seminoles have posted a shutout in over half of the total games he has coached - 118 shutouts in 227 games (51.9%). In 2008, FSU set the school record for the fewest goals allowed (15) and the lowest goals against average in a season, while tying the record for shutouts with 14, a mark previously set in 2006. Those records were shattered in 2012 as Florida State established new defensive records with 17 shutouts, a GAA of 0.62 and the fewest goals allowed in ACC play with four, while tying the school mark for wins (20) and the fewest goals allowed in a single season (15). FSU strung together a

school record nine straight shutouts while blanking its first seven ACC opponents. The Seminoles went on to finish the year as the league leader in GAA, shutouts and the fewest goals allowed. In 2013, the Florida State defense finished the season ranked in the top 25 nationally in goals against average (11th) and shutout percentage (23rd), while establishing the school record for the lowest GAA at 0.55. With 15 shutouts in 2013, FSU extended the school's streak of reaching double-digit shutouts to nine consecutive years. In the postseason, Florida State has posted 21 shutouts since 2005 including a school record three shutouts over five different seasons (2007-08, 2011-13).

His first year on the job was nothing short of magnificent leading the Seminoles to their first 20-win season and second College Cup in 2005. In his second year at the helm, the Seminoles continued their dominance reaching the College Cup for the third time in the program's 12th year. The 2008 season was no different as he directed the Seminoles to an 8-1-1 record in the ACC, their highest winning percentage (.850) in league play in school history. In 2012, the Seminoles tied the school record for victories (20) while winning their first outright regular season ACC title with an 8-2-0 record. A year later Krikorian led the Seminoles to a school record 23 victories, including 10 wins in a 13-game ACC schedule, and to just two losses all season, the fewest recorded in school history.

In all nine seasons at FSU, Krikorian has earned at least three NCAA Tournament wins and reached the tournament quarterfinals, a feat that had only occurred once in program history. It should not be surprising when examining Krikorian's past. He won two National Championships following undefeated seasons at Franklin Pierce. He then built Hartford into a national power before coming to FSU. Krikorian has never posted a winning percentage below .700 at any of his collegiate head coaching positions. With that kind of success it is easy to see why he is one of the most successful coaches of all-time. Krikorian currently ranks 19th on the all-time list for winningest coaches across all divisions and is the second winningest active head coach in Division I.

After what Krikorian has done at Florida State, it would be hard not to argue that he is one of the best coaches in Division I. In 2012, he led FSU to its best start in school history as the Seminoles won its first 14 matches outscoring the opposition 31-3. The 14-game win streak was five better than the previous win streak set in 2005 and one better than the 13-game unbeaten streak orchestrated by the 2008 squad. The eight longest win streaks in school history have all come under Krikorian's guidance.

Nine seasons ago, Krikorian became just the second coach in ACC history to lead his team to seven consecutive wins in conference play. He tied the mark in 2008 with a string of seven straight wins against league opponents. Both marks fell after the Seminoles won 10 straight ACC games over two seasons from 2011 to 2012 including eight consecutive league wins to open 2012. The Seminole boss also led FSU to a 24-game home unbeaten streak (22-0-2), a feat covering three seasons, and will carry a school record 35-game home unbeaten streak (34-0-1) into the start of the 2014 campaign. The home unbeaten streak stands as the seventh longest streak in NCAA history and the longest active streak in the nation.

Krikorian's impact at FSU was immediate. In his first 30 games, Krikorian posted a .850 winning percentage, 300 percentage points higher than any previous coach in FSU history. With a 2-1 victory over Stetson in 2006, he became the fastest FSU coach to earn 30 wins, reaching it in just 38 matches. He also established a new record when his 2006 squad had just one loss after 15 matches (a feat matched in 2012 and then surpassed in 2013). No previous FSU team had ever played more than 10 games without suffering multiple losses. In 2010, Krikorian reached yet another milestone at Florida State, claiming victory number 100 with a dramatic 1-0 overtime victory over Wake Forest in Tallahassee. And in 2012, Krikorian recorded career college win No. 300 with a 1-0 victory at Arkansas to become the 25th coach across all divi-

sions to reach the historic milestone.

Krikorian hasn't just produced wins; he has secured big wins as well. In the first 10 years and 206 games of FSU soccer history, the Seminoles recorded seven wins over top 10 teams. In 227 games under Krikorian, Florida State has recorded 30 top 10 victories including six in 2013. In addition to the win streaks, wins over top teams and trips to the College Cup, Krikorian led FSU to its highest ranking ever in all four college soccer polls including the first No. 1 ranking in school history. After downing Portland 2-1 to kick-off the 2006 season, the Seminoles jumped to the top spot in the nation in the Soccer America top 25 poll, a spot they held for four consecutive weeks. Following its run to the national championship game in 2007, the Seminoles finished the season ranked as high as number two in a pair of national polls.

In Krikorian's first year at the helm of the Seminole program, FSU established new records for overall wins, winning percentage, fewest losses, most ACC wins, the best ACC winning percentage and longest win streak both in and out of the conference. Krikorian's 2005 squad was the first in school history to reach 20 wins and they matched the highest finish ever by an FSU team in ACC play as they tied for second. He led Florida State to a school-record seven wins over NSCAA top 25 teams and for the first time in program history, FSU spent a month ranked among the nation's top 10 teams in every soccer poll.

Krikorian took a Seminole team that was eliminated in the first round of the NCAA Tournament in 2004 and led them to the College Cup the very next season. He was just the sixth coach in the history of DI women's soccer to lead his team to the national semifinals in his first season at a school. At the time, FSU was one of six schools who had gone to the College Cup under the direction of two different coaches

For his efforts, Krikorian was honored both regionally and nationally in his first season. He was named the first ACC Coach of the Year in Seminole soccer history, the 2005 Soccer America National Coach of the Year, the 2005 Soccer Buzz National Coach of the Year, Soccer Buzz's Southeast Region Coach of the Year and the NSCAA's South Region Coach of the Year.

On top of his impressive resume in coaching the top talent at the collegiate level, Krikorian has worked with the world's best players during his stops as the head coach of the U.S. U-19 National Team and his three years with the Philadelphia Charge. Florida State's head coach has worked with soccer greats from all over the

world including U.S. National Team stars Brandi Chastain, Kristine Lilly, Tiffeny Milbrett, Heather Mitts and Lorie Fair, English National Team player Kelly Smith, French National Marinette Pichon and Brazilian National Team players Sissi and Katia.

Florida State players haven't only been recognized for their success on the field, but in the classroom as well. Over the last nine years, Florida State has earned regional/district academic awards 42 times. Katrin Schmidt and Kirsten van de Ven were named first team Scholar All-Americans by the NSCAA, marking the first distinction of its kind at FSU. Becky Edwards followed suit in 2008 earning a spot as a first team Scholar All-American. In 2009, Edwards was named a third team Academic All-American by CoSIDA/ESPN the Magazine. Kassey Kallman became the program's first two-time Academic All-American earning second team honors in 2012 and 2013. Additionally, FSU soccer players have been named to the ACC All-Academic Team 50 times including 27 times over the last four years with a school record eight named to the team in 2011. Tori Huster led the pack in 2011 becoming the first Seminole soccer player to earn ACC Scholar-Athlete of the Year honors, while Kallman won the award in 2013.

A three-time ACC Coach of the Year (2005, 2009 & 2012), Krikorian has been at the helm of a college team for a total of 20 seasons now and has recorded 18+ wins 12 times during that span. The 2005 season bettered his first year coaching at Franklin Pierce and Hartford for wins, fewest losses and highest winning percentage.

U.S. U-19 NATIONAL TEAM

Prior to taking over the Seminole soccer program, Krikorian came to Florida State fresh off leading the United States U-19 National Team to the bronze medal, while winning the FIFA Fair Play Award at the 2004 U-19 Women's World Cup. As the head coach for the U.S. U-19 National Team, Krikorian was responsible for all technical aspects of the program as the team prepared for the second-ever U-19 FIFA World Championship.

His U-19 squad cruised through group play with an undefeated record beating South Korea, Russia and European Champion Spain. They were the only team to win all three group matches in the tournament, as the U.S. outscored its opponents 8-1. Krikorian then led the U.S. past Australia in the quarterfinals before falling to eventual World Champion Germany in the tournament semifinals. The team responded by beating Brazil 3-0 to secure the bronze medal.

The team not only left Thailand with the bronze medal but they also were awarded the FIFA Fair Play Trophy. Individually, U.S. midfielder Angie Woznuk received the Silver Ball as the tournament's second Most Outstanding Player and the Bronze Shoe as the tournament's third-leading scorer. Overall, Krikorian's squad outscored the competition 13-4 during the World Championships.

Krikorian's work with the national program continued at the 2011 FIFA World Cup serving as an advanced scout for the United States Women's National Team. He was one of four scouts that provided expert analysis for Team USA and head coach Pia Sundhage. Krikorian scouted eight teams, in eight games covering six differ-

WUSA

As head coach of the Philadelphia Charge from 2000-2003, Krikorian had another opportunity to coach the top players in the world and he once again proved he could develop talent and guide players to great heights. Not only did he coach 2002 WUSA MVP and Offensive MVP Pichon, but he also tutored the league's top keeper in Melissa Moore, who led the league with a 1.00 GAA. He coached the Charge to two playoff berths in his three

seasons and was named the league's coach of the year in 2002. Krikorian drafted and coached 10 WUSA All-Stars in just three years on the Charge bench.

In his first season with Philadelphia, Krikorian posted 11 wins in leading the Charge into the playoffs. The team finished the season ranked third in the regular season standings. The next year the Charge once again won 11 games and finished second in the standings, which was an amazing accomplishment considering Krikorian's top player was lost for the season when Kelly Smith went down with an injury. His squad still finished the regular season 11-4-6.

UNIVERSITY OF HARTFORD

Krikorian had achieved an equal measure of success on the college level before jumping to the WUSA. He coached the University of Hartford for five seasons from 1996-2000 leading the squad to an Elite Eight and two 'Sweet 16' appearances during his four consecutive trips to the NCAA Tournament. He recruited five NSCAA All-Americans, three academic All-Americans and his squads received the NSCAA Team Academic Award on four occasions. Overall, Krikorian's teams averaged 15 wins per season as he posted a 75-30-3 overall record while winning three conference championships. Three of his squads finished the year ranked in the NSCAA's top 15.

Krikorian wasted little time in turning Hartford into a national power. After going 4-14 in his first season, Krikorian's Hawks won at least 17 and never lost more than five games, while advancing to the NCAA Tournament in each of his next four seasons.

Hartford immediately improved to 19-2-1 in just the second season under Krikorian including a win over national power Connecticut. Hartford also won just the second NCAA Tournament game in school history that year. In 1998, the success continued as the Hawks posted a 17-5 record while advancing to the 'Sweet 16'. That year Krikorian led Hartford to wins over Texas A&M and Harvard in the opening round of the NCAA Tournament.

In 1999, only his third year at the helm of the Hawks program, Krikorian put together the best soccer season in school history. Hartford finished the regular season 15-4-2 and as conference champions for the third straight year. That regular season success was tame compared to the team's magical run through the NCAA Tournament. After opening with a home win over Princeton, Krikorian traveled to Gainesville to take on the defending National Champions. His Hawks dethroned the Gators on the road and then did the same thing a week later to Virginia in a 3-2 triple overtime win. The victory moved the Hawks into the Elite Eight for the first time in school history.

MARK KRIKORIAN

HEAD COACH • 10th Season at FSU • St. Anselm College (1983)

In his final season at Hartford, Krikorian put together his most impressive regular season as his Hawks went 17-2. They defeated both Virginia and Florida again. The win over Florida was a decisive 3-0 victory. Krikorian also led the Hawks to the school's first-ever victory over Dartmouth in the seventh meeting between the programs.

FRANKLIN PIERCE COLLEGE

Krikorian came to Hartford after spending six years as head coach at Franklin Pierce College in Rindge, N.H., (1990-1995) where he built one of the most dominant soccer programs in the college game. His teams won two National Championships, both during undefeated seasons, and appeared in two other final fours. His squad had a remarkable 39-game winning streak and his 1995 National Championship team finished 20-0-0. Krikorian's teams compiled a 93-19-3 record in six seasons. He recruited three National Players of the Year, eight All-Americans, five Academic All-Americans and four national scoring champions. His team at Franklin Pierce also garnered the NSCAA Team Academic Award.

In 1990, his first year in New Hampshire, Krikorian went 10-6-2. The school's 10 victories were just four shy of tying the program's total from its first five years of existence. Two seasons later the Ravens went 20-1-0 with a berth in the NCAA semifinals. After a 16-3-0 season in 1993 and another NCAA semifinal appearance, Krikorian completed his reclamation of Franklin Pierce by going a perfect 19-0-0 and winning the school's first-ever NCAA women's soccer championship. What did Krikorian do for an encore? In 1995 he repeated as National Champions, this time with a record of 20-0-0.

After departing for Hartford following the 1995 season, the Ravens went on to capture three more National Championships. Franklin Pierce and North Carolina are still the only two schools in the history of NCAA soccer to win four consecutive NCAA Championships across all divisions.

Before Krikorian arrived at Franklin Pierce, the school had an all-time record of 21-36-4 in five seasons winning just under 38% of their games. Upon his arrival in 1990, the Ravens have had just two losing seasons in 24 years and have won five National Championships. Krikorian helped build the foundation for the Franklin Pierce dynasty in just six years on the job. And for his efforts was recognized as one of Franklin Pierce's top 10 most influential people during the school's 50th Anniversary celebration in 2012-13.

HONORS & AWARDS

Krikorian's two national coach of the year awards in 2005 continued an impressive trend in which the Seminole boss has been honored at every stop of his career. He was named WUSA Coach of the Year in 2002 and received numerous honors and awards throughout his coaching career prior to moving to the professional ranks. He was named the NSCAA's Northeast Division I Coach of the Year in 1997, the NSCAA Division II National Coach of the Year in 1992 and 1995, the NSCAA Division II Northeast Region Coach of the Year in 1992 and 1995 and was a two-time New England Collegiate Conference Coach of the Year in 1994 and 1995. In 1990 and 1993 he was named the Division II New England Coach of the Year as well.

He added his third ACC Coach of the Year award in 2012 after leading the Seminoles to the outright ACC regular season title. The Seminole field general led the Garnet and Gold to 14 straight wins to open the season and a No. 1 ranking that

covered a nine-week stretch over three different national polls. FSU finished the season 11-3-0 against ranked opponents including a 4-1-0 mark versus teams in the top 10. For his efforts, Krikorian was also recognized as the NSCAA Southeast Coach of the Year for a third time in his career (2005, 2009 & 2012).

Krikorian was a standout player at St. Anselm College in Manchester, N.H. from 1981-1983. He was a two-time captain and team MVP. In 1983, he was a New England Indoor Soccer League (NEISL) All-Star and a first team All-New England selection

2011 & 2013 ACC CHAMPIONS ~ 2009 & 2012 ACC REGULAR SEASON CHAMPIONS

MIKE BRISTOL

Assistant Coach • 6th Season at FSU • Western Illinois (1999)

Mike Bristol enters his sixth season at Florida State where his primary responsibilities with the Seminoles include the training of the goalkeepers and team defense. He took over as the program's recruiting coordinator in 2012. Bristol joined the Seminole coaching staff after spending five seasons as an assistant coach with the Eclipse Select Soccer Club in Libertyville, Ill.

Since his arrival in Tallahassee, Bristol has helped guide the Seminoles to five consecutive trips to the Elite Eight, including three straight appearances in the College Cup, a pair of ACC regular season titles (2009 & 2012), two league championships (2011 & 2013) and a national runner-up finish in 2013.

In his first five years, the Seminoles have compiled an overall record of 96-24-6 while claiming four top two finishes in the ACC with first place finishes in 2009 and 2012. Bristol has coached nine All-Americans, six Freshman All-Americans, seven former Seminoles playing in the National Women's Soccer League, the 2011 & 2013 ACC Tournament Most Valuable Players and a handful of student-athletes who have competed internationally.

In overseeing the team defending, Bristol has led the Seminoles to a goals against average of 0.78 in his first five years. The Seminole backline has averaged over 13 shutouts a season under Bristol reaching double-digits all five years. In 2012, Florida State set school records with 17 shutouts, a GAA of 0.62 and the fewest goals allowed in ACC play with four, while tying the school mark for wins (20) and the fewest goals allowed in a single season (15).

A season later, the Seminoles posted 15 shutouts en route to a school record 0.55 GAA in 28 games. FSU went on to secure a school record 23 wins in 2013 while earning a spot in the national championship game for the second time in school history. FSU finished the year ranked second in GAA and tied for second in goals allowed (16) and shutouts. Nationally, the Florida State defense ranked in the top 25 in GAA (11th - .551) and shutout percentage (23rd - 0.536).

FSU's run of two ACC titles in the last three years can be attributed to great defense and goalkeeping. In 2011, Kelsey Wys finished the championship with a 0.59 GAA and 10 saves allowing just two goals in over 300 minutes of action. Wys was outstanding in net in the finals against Wake Forest making four saves and then three more in penalty kicks to help FSU secure its first ACC title. Two years later another impressive defensive effort led by senior captain Kassey Kallman paved the way for another league crown. Against three ranked opponents, Kallman and the Seminoles allowed just one goal in over 270 minutes. Both Wys (2011) and Kallman (2013) were recognized as the ACC Tournament MVP for their efforts.

Wys concluded her playing career at Florida State holding 17 goalkeeping records including minutes played (8,518), wins (74), shutouts (45.0) and starts (96). Her transition as one of the top goalkeepers in the nation began to take shape during her freshman season in 2010. The Coral Springs, Fla., native started 22 matches between the posts tallying 2,004 minutes while registering a 16-5-1 record, 91 saves and 12 shutouts. She allowed just 17 goals including five during the ACC regular season en route to a GAA of 0.76. Wys finished the season leading the ACC in saves, shutouts, shutouts per game and save percentage (.843). She would go on to earn a spot on the All-ACC Second Team, All-ACC Freshman Team and garner second team Freshman All-America honors from Soccer America. Wys would later make school history becoming the first goalkeeper in program history to earn All-America accolades following her junior year in 2012.

In Bristol's first season at Florida State in 2009, the Seminole defense turned in a GAA of 0.85 allowing 22 goals in over 2,300 minutes of action. FSU closed out the year ranked among the best in the ACC finishing fourth in GAA, tied for fourth in goals allowed and fifth in shutouts. Bristol's work with a very young defensive squad, comprised of two sophomores and two freshmen, was on full display right from the very beginning as the defensive unit opened the season posting three consecutive shutouts. The Seminoles allowed just seven shots through the first three games including three shots on goal. The three shutouts to open the season marked the first time such a feat occurred in school history. The stifling defense was at it again in the ACC Championship in Cary, N.C., with the Seminoles recording consecutive shutouts in the first two matches of the tournament for just the second time in the program's existence.

Florida State continues to receive national recognition for their defensive efforts under Bristol as three Seminole defenders have been honored as semifinalists for the MAC Hermann Trophy. Both Kallman and Wys made their initial appearance on the list in 2013. Kallman would later join Ines Jaurena (2011) and Becky Edwards (2009) as the only defenders in Florida State history to be recognized as Hermann Trophy semifinalists. Jaurena was back on the list as a semifinalist in 2012 for the second year in a row. Wys announcement as a 2013 watch list candidate was the first of its kind by a Seminole goalkeeper.

During his time with the Eclipse, Bristol led the club team to four national championships; had five goalkeepers selected as pool members of national teams and eight goalkeepers named to regional teams. In 2008, Bristol tutored Alexa Gaul (University of Texas) and Taylor Vancil, a two-year member of the Seminole soccer team (2011-12), who both served as goalkeepers on the United States U-17 National Team that finished second at the 2008 FIFA Youth World Cup in New Zealand. Four of his goalkeepers received the Golden Glove Award at the USYSA National Championships, presented to the tournament's most outstanding goalkeeper. Vancil was one of the Golden Glove Award recipients as she was recognized as the best goalkeeper at the 2008 World Cup.

Before joining the staff at Florida State, Bristol served an assistant coach at Illinois State University from 2002-04 where he was in charge of the goalkeepers and the backs. During his time at Illinois State his goalkeepers ranked in the top 12 nationally in goals against average. Following his time at Illinois State, Bristol served as the goalkeeper coach for the women's program at the University of Maryland.

His coaching background also includes stints with the Region II ODP and Illinois ODP programs. Bristol also traveled to Germany as the goalkeeper coach with the 1992 Regional ODP team. During the 2009-10 season, he was named the Region III ODP Goalkeeping Director. Bristol has earned a level 3 goalkeeping diploma as well as a premier diploma, both from the NSCAA. The Granite City, Ill., native is also on the NSCAA goalkeeping instructional staff for state and regional diplomas. Bristol earned his national goalkeeping license from the United States Soccer Federation (USSF).

As a player, Bristol was a four-year starting goalkeeper at Western Illinois University (1995-99). During his freshman season, he was voted team most valuable player and earned first team All Mid-Continent Conference honors. Bristol served as team captain for three years and was selected to numerous all-tournament teams. Following his collegiate career, Bristol played for the PDL Cocoa Expos soccer team in Cocoa Beach, Fla., during the summer of 1999.

Bristol graduated with a degree in Secondary Education and a master's degree in Sports Management from Western Illinois University.

ARMAND DIKRANIAN

Volunteer Assistant Coach • 2nd Season at FSU • Fairfield (2006)

Armand Dikranian is in his second year as the volunteer assistant coach at Florida State. His primary responsibilities consist of overseeing the technical development of the players, while assisting with all aspects of strength and conditioning. He will also help in analyzing practice and game video on a daily basis.

Dikranian comes to Tallahassee from USF where he spent one season as an assistant coach with the Bulls. USF finished the 2012 season with a 10-5-4 record and came within one win from playing in its second BIG EAST Conference championship in the last three years. The Bulls closed out conference play winning six of their last eight matches to finish second in the American Division with a 6-2-2 record.

Prior to arriving at USF, Dikranian served as the top assistant for one season at Southern Connecticut State working under head coach Adam Cohen. With SCSU, Dikranian was responsible for on-field and technological instruction, scouting, recruiting and student-athlete academic monitoring.

Before joining the staff at SCSU, Dikranian spent four seasons as an assistant men's soccer coach at the University of Bridgeport, where the program accumulated a 43-22-11 overall record. The Purple Knights recorded at least 10 wins in each of his four seasons, advancing to the conference tournament playoffs every year, and the NCAA Tournament once.

A native of Baldwin, N.Y., Dikranian played collegiately at Fairfield University in 2005, a year that saw the Stags post a 13-4-3 overall record. He went on to help the Stags claim the MAAC regular season championship in 2005, while Fairfield ranked in the top-25 a majority of the season.

Dikranian comes from a soccer family as his uncle Bob Dikranian, a two-time National Coach of the Year, is the former men's soccer coach at Southern Connecticut State, where he led the Owls to six NCAA Division II National Championships. Armand's brother Fred enters his 10th season as an assistant coach with the men's program at USF.

Dikranian earned a bachelor's degree in biology with a minor in mathematics from Fairfield in 2006. He then earned a master's degree in secondary education at the University of Bridgeport in 2009.

ENDOWED SCHOLARSHIPS

TALBOT "SANDY" D'ALEMBERTE SCHOLARSHIP

Former Florida State University President Talbot "Sandy" D'Alemberte appreciates the contribution that competitive sports can make to strengthen the intellect as well as the body. A classic Renaissance Man, President D'Alemberte enhanced the entire range of University initiatives through his own personal generosity. With a major gift, he propelled the Seminole Boosters Dynasty Campaign forward by establishing a fully endowed Scholarship for Seminole Women's Soccer.

BRENT SEMBLER "GOALKEEPER POSITION" SCHOLARSHIP

Vice Chairman of the Sembler Company, one of the country's most recognized shopping center development and management companies, Brent Sembler is among the most familiar names and faces in the highest echelons of Florida politics and finance. As renowned philanthropists, Brent and Debbie Sembler are relentless fundraisers for a range of charitable causes. Brent played Club Soccer for the Seminoles as a student in the late 1970s and has continued to

follow and encourage support for the sport among young people. Brent has expressed his love for the sport and for his University by endowing a Named Position Scholarship for Seminole Women's Soccer. The starting goalkeeper at FSU will now carry the Brent Sembler Scholarship.

CHARLES & DIANE MORRIS SCHOLARSHIP

A 1970 West Point graduate, Colonel Charles A. Morris, Ed.D., FSU 1994, honorably served our nation over a distinguished 27-year Army career. Diane faithfully served FSU from 1990-94 as an honored academic advisor in the Department of Psychology while Chuck commanded the Army ROTC Seminole Battalion. The Morris' returned to FSU in 1997 and Chuck began work in the Department of Athletics. Chuck and Diane

became fans of Florida State soccer and recognized the importance of providing scholarships for future generations of student-athletes. As an expression of their loyalty, commitment and admiration for FSU, they have endowed the outside right forward position.

LES & RUTH AKERS SCHOLARSHIP

Successful businessman, tireless fundraiser for Seminole Athletics and leader in all areas of FSU alumni involvement, Les Akers and his wife Ruth, holder of a graduate degree in music, have expressed their love for the University by endowing a scholarship for soccer.

HUNTER MCINTOSH

After playing professional tennis for several years, former FSU student-athlete Hunter McIntosh decided to endow an athletic scholarship for soccer to show his support for women's athletics here at Florida State. Throughout his lifetime, he never lost his love or commitment to Seminole Athletics. Hunter's feeling for FSU can be summed up in his own words of "Once a Nole, always a Nole".

LOUIS J. & MARION T. TAORMINA SCHOLARSHIP

Marion Taormina Hargett ('93) and Louis Charles Taormina ('96) have endowed this scholarship in honor of their parents, Louis Joseph Taormina and Marion Thomson Taormina who were passionate sports fans and dedicated and loving parents. Their gift is in gratitude for the endless love, support and guidance provided by their parents and for exposing them to all types of academic and athletic activities, but the sport that the entire family embraced the most was soccer with Lou coaching

both his daughter's and son's soccer teams. This scholarship reinforces their parents' core values of participation in athletics, hard work in the classroom and dedication to being an active member in the community. As parents of FSU graduates, Marion and Lou adopted FSU and this scholarship serves as a lasting memory of their love and admiration for this University.

Enthusiastic Tallahassee business leaders formed the first Seminole Boosters organization in the summer of 1951. Their purpose was to support an ambitious Seminole football program rapidly growing in popularity. A brand new stadium and increasing program costs motivated the Boosters to make fundraising their first priority, a priority that remains their primary purpose.

Today, Seminole Boosters, Inc. is one of the leading collegiate athletic fundraising organizations in America. Contributors account for more than \$13 million in annual funds, plus at least \$10 million per year in capital gifts. The Seminole Boosters Scholarship Endowment has nearly \$50 million under management, and the Boosters are involved with a wide range of enterprises including affinity programs, logos & licensing, gameday parking, concessions, the University Center Club, skybox management and the construction of athletic facilities.

Florida State Athletics provides each of our men's and women's teams with the maximum number of scholarships allowed by the NCAA. In addition to the field competitors, scholarships are also provided to student trainers, managers and graduate assistants who are vital to an athletic program.

The last 18 years have seen a threefold rise in the cost of athletic scholarships at Florida State. Today, more than \$350,000 is needed to permanently endow a Florida State athletic scholarship. Most of the top public universities with whom Florida State competes and to whom we are compared, have endowed all of their athletic scholarships.

Established in 1986 under the direction of William M. Parker of Clearwater, the Seminole Boosters Endowed Scholarship Program is the final step toward perpetual funding of all scholarships for student-athletes at Florida State. Those individuals who contribute to the endowment fund for athletic scholarships at Florida State University gain membership in the Seminole Heritage Foundation.

Thanks to the efforts of former FSU President Talbot "Sandy" D'Alemberte, Les and Ruth Akers, Charles and Diane Morris, Hunter McIntosh, Brent Sembler and Louis and Marion Taormina an effort has now begun to ensure the endowment of the Florida State soccer program.
