1 Northeast Louisiana & Southern Mississippi	Hattiesburg, MS	11:00 am
7 South Carolina & Miami	Columbia, SC	2:00 pm
27 Metro Conference		
Mar. 1 Championships	Columbia, SC	All Day
March		
18-22 NCAA Nationals	Fayetteville, AR	All Day

WHY FSU?

For years, parents, coaches and educators have praised sports and athletics as a means for improving physical abilities and developing character. There is little argument against the fact that participation in a regularly scheduled athletic training program will improve the physical status of those involved. But what of sports as a character builder? Do individuals involved in athletics develop into more self-confident, understanding, humane, moral, achievement-oriented individuals? Does the experience give the participant a clearer understanding of her environment, herself, her peers, her lifestyle, the lifestyle of others, and the value of such things as dedication, positive thinking, perseverance, humility, etc.? Unfortunately, in today's society these questions may not always be answered affirmatively.

With the extensive involvement of our society in the sports world of today, the emphasis on winning and being number one has emerged as the priority in most athletic programs. This fact, plus the close economic ties to the production of winners, has caused many athletic organizations to become so totally involved in winning that they lost sight of the potential of their sport as a means for character development.

WINNING IS IMPORTANT! Yet there is also an opportunity to learn through sport experiences. The potential does in fact exist. Many researchers and extremely knowledgeable men and women will agree that the athletic experience can aid in the development of the values mentioned earlier, IF DIRECTED TO THAT END.

Herein lies the philosophy of coaching in the Florida State program. The FSU program is set up to develop the whole individual, not only physically, but mentally as well. Character traits such as perseverance, dedication, self-confidence, caring for others, "sportsmanship" and basic understanding of one's capabilities and limitations receive an equal amount of attention as do stroke work, interval training and meet performance.

Don't get us wrong. We work hard! We strive to win! We hold very strenuous workouts and we develop quality athletes. Yet their quality, when their participation is over, will hopefully not be just a memory in a scrapbook, but will be in the type of human being who will have a great deal of positive input to her environment.

Florida State Fingertip Facts

Location	Tallahassee, FL
Enrollment	21,500
Nickname	Lady Seminoles
Colors	Garnet and Gold
President	Dr. Bernard Sliker
Athletic Director	C.W. "Hootie" Ingram
Head Coach	Terry Maul
Years at School, Record	10 years, 67-29-2
Career Record	Same
Assistant Coach	Sid Cassidy
Diving Coach	Gary Cole
Home Facility	Stults Aquatic Center
Sports Information Director	Wayne Hognan

OUTLOOK

PEAKING - After a disappointing season of his 10-year career, Coach Bim Stults and his team struggle to a 3-6 dual record. Head coach Terry Maul expects a normal season in 1985-86. And normal for FSU is to win. Fifteen performers from last year return with a powerful group of recruits including two Canadian National finalists, a pair of All-Americans and a junior college All-American. Maul believes he holds the keys to what will be a very successful start to his second decade as head coach of the Lady Seminoles. The team will be stronger in this area over last year and could mount a serious challenge to unseat South Carolina as champion of the Metro Conference. Depth in almost every event, severely lacking in 1984-85, will be one of the major improvements of the squad. The biggest question mark will be how quickly the youth-laden Lady Seminoles, with only three seniors on the roster, will mature against a tough schedule which includes dual meets against Florida, Georgia and Division II national champion South Florida. Standouts for FSU include All-American diver Wendy Fuller, last year's Most Valuable Swimmer Karen Acre, and four-time All-American Sara Linke, who returns after sitting out last year.

SPRINTS (50/100 Free) - Freshmen sprinters Angela Jones and Veronica Danko come in with excellent credentials and will handle most of the responsibilities in these races. Help here will also come from veterans Tina Gallivan and Jennifer Tankersley. Gallivan scored points in both events at last year's Metro Championships. Lori Skrobiak may also see some action.

MIDDLE DISTANCE (200/500 Free) - Last year these events were a question mark going into the season. This year no questions remain. Loads of both quality and depth make this one of FSU's strongest areas. Linke's return and the arrival of Karen Ciesla will take some of the load off Acre. A host of others will also contribute including Gallivan and Ann Belew, who both scored at Metro's. Mary Gorham, Kay Sterrett, Jane Hayes, Leslie Brown, and Lisa Cunningham are all possibilities.

DISTANCE (1,000/1,650 Free) - Distance events should pose no problems, although Maul has plans to use only a trio of swimmers during the year. In Acre, Maul has the runnerup in the Metro Conference and the school record holder in the 1,650 free (17:08.35). Gorham, who finished seventh in the Metro Conference Championships in 1984-85, is back and Ciesla, a high school All-American in the free, should contribute immediately.

BACKSTROKE (100/200) - This area will be strengthened considerably by the addition of Cunningham. Skrobiak, now in her senior season, once had the sole responsibility for any success in the back events. That is no longer true. Sterrett swam well in her freshman year and will be counted on again this season along with freshman Kelly Smith.

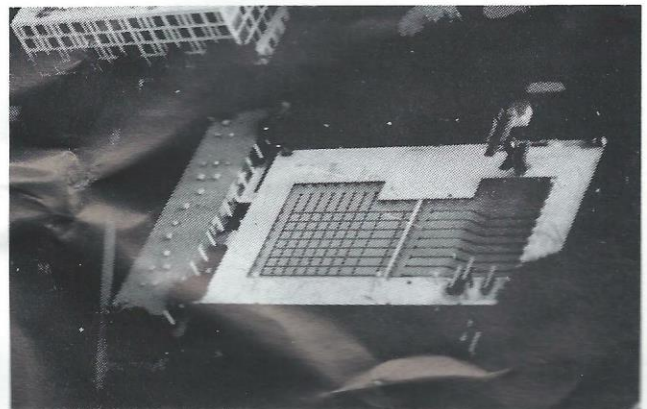

BREASTSTROKE (100/200) - No experience but a pool full of potential is what awaits the Lady Seminoles here. Last season Maul had one excellent breaststroker but no depth. This year, relying completely on two incoming freshmen, he gives up experience but gains much needed depth. Susan Gable and Alice Freeman will be given the chance to lead the charge in these events. Competition between the two could help make this area a team strength.

BUTTERFLY (100/200) - The fly is very possibly the strongest event for the Florida State team. Everyone returns from a group that last year had three scorers in the 100 fly and four Top 10 finishers in the 200 fly at the Metro Championships. Canadian Chantel Martineau leads the way and is backed by two-year conference finalist Karen Keller. Hayes, Tankersley, and possibly Gallivan will all see action in the fly. If that isn't enough, Brown, a junior college All-American, will provide even more power and depth to an already able group.

INDIVIDUAL MEDLEY (200/400) - Both IM races should be improved in 1985-86. How improved will depend on the impact of newcomers Brown and Ciesla. In addition to the fly, Brown was also a JC All-American in the IM at Brevard CC. Martineau, fourth and sixth at the Metro last year, leads the returners and should again anchor the IMers. Hayes and Prozzillo should also see plenty of action in these races.

RELAYS (400 Medley/400 and 800 Free) - Although Maul is sure all three relays will be faster than in 1984-85, there is not much else he can say. Each of them is still a huge question mark. The medley event is wide open with almost anyone having a chance at the four spots. In the 400, having more pure sprinters on the team will help tremendously, but constant improvement will be necessary. In the 800, Acre returns for the third year in a row and should provide leadership.

DIVING (One and Three Meter) - Last season all six FSU divers who went to the Metro Championships scored on both the one and three meter boards. For this season, only half of those remain, but among those still here is FSU's first-ever diving All-American. Now, Canadian Wendy Fuller returns for her sophomore season and leads what is now a smaller but still very capable group of FSU divers. Along with Fuller is former Metro three meter champion Patsy O'Toole who finished fourth on the one meter and fifth on the three at the 1985 Conference Championships. Sophomore Sharon Warning is also back and will be counted on heavily during the season.

Stults Aquatic Center: Named after long time Florida State head coach Bim Stults, the Stults Aquatic center is home of the Seminole Swimming team.

Missing Pages 3 & 4

JANE HAYES
Fly, IM, Back MD Free
Junior
Boca Raton, Florida

Versatile performer, swimming several strokes well ... should be ready to repeat a very productive freshman year ... swam well at last year's conference meet, scoring points in three different strokes ... best finish was a seventh in the 200 fly ... two-time MVP and all-county at Pope John Paul II High ... education major.

ANGELA JONES
Sprint Free
Freshman
Atlanta, Georgia

Will handle a large part of the sprint responsibility ... comes from a good background in Atlanta ... Junior National qualifier in 1985 ... finished in the top three in both the 50 and 100 free at the state championships for Parkview High School ... swims for Swim-Atlanta and coach Chris Davis ... basic studies major.

KAREN KELLER
Fly
Junior
Middletown, New Jersey

Return to her freshman-year form of a senior national qualifier is expected ... Metro Conference finalist in the 200 fly two years in a row ... finished fifth in the race last season ... qualified for Senior Nationals in the 200 in 1983 ... came to FSU as one of the top flyers in the East ... four-time MVP at Middletown High South ... was NEVER beaten in high school ... second place finish in the 200 fly on long course at South Carolina Nationals ... a leisure services major.

SARA LINKE
MD Free, IM
Senior
Walnut Creek, California

Four-time All-American ... returns to FSU after sitting out her junior year ... one of only three seniors on this year's squad ... versatile performer with proven ability in many different areas ... holder of four school records ... Lady Seminoles' most valuable swimmer in 1983-84 ... two-year letterwinner ... was the high point scorer at the 1983 USS International meet, outscoring a number of world class swimmers ... was the first FSU swimmer to win a national title when she finished first in the 200 meter freestyle at the 1982 USS Long Course Senior Nationals ... competed for the United States team into the 1982 World Games in the 200 fly ... All-American, all-state and team MVP at Acalanes High School ... majoring in child psychology.

AMY MANCINO
Spr. Free
Freshman
Ft. Lauderdale, Florida

Will challenge for spot on Metro Conference team ... shows lots of potential ... could be an asset by sophomore year ... four-time all-county and all-state at Steinhart High ... also named MVS throughout high school career ... pre-law major.

CHANTAL MARTINEAU
MD Free, Fly, IM
Sophomore
Rimouski, Quebec, Canada

Had an outstanding freshman year ... finalist in three races at last year's Metro Conference Championships ... finished third in the 200 fly, fourth in the 200 IM and sixth in the 100 fly ... strong and versatile ... could easily duplicate her performances of last season

... sixth in the 200 fly at the 1984 Canadian summer nationals ... ninth in the same event at the 1984 Canadian Olympic trails ... from the same province as diver Wendy Fuller ... majoring in biological sciences.

PATSY O'TOOLE
Diving
Senior
Louisville, Kentucky

Three-year letterwinner at Florida State ... one of only three seniors on the team ... strong chance of qualifying for the NCAA Championships ... 1984 Metro Conference champion on the three meter board ... finished in the top five on both boards at last year's Metro meet ... qualified for NCAAs during her sophomore season ... first Lady Seminole diver to win both conference and NIC championships ... former school record holder on the three meter board ... won the state title her senior year at Sacred Heart Academy ... also named high school All-American ... excellent student ... named to Metro Conference Commissioners's List, awarded to those with a GPA over 3.0 ... a business major.

LORI SKROBIAK
Back, Sprint Free
Senior
Longwood, Florida

One of three seniors on the squad ... will be looked to for leadership ... has lettered all three years at FSU ... finished third in both the 100 and 200 back at the 1985 Metro Championships ... possible NCAA qualifier ... 1984 Senior National qualifier in the 100 back ... member of FSU's medley relay team ... All-American, all-state and all-county at Lyman High ... another member of the Lady Seminoles that swims for John Woods and the Orlando Dolphins ... studio art major.

KAY STERRETT
Back, MD Free, Fly
Sophomore
Sarasota, Florida

Improved throughout her freshman year at FSU ... will add middle distance free and some fly events to her progress this season ... made the finals in both back events at the Metro Conference Championships in 1985 ... finished fifth in the 100 back ... also scored in the 1,650 free ... team captain and MVP her senior year at Riverview High ... competes for the Sarasota Sharks and coach Ira Klein ... undecided major.

JENNIFER TANKERSLEY
Sprint Free, Fly
Junior
Miami, Florida

Has improved every year since coming to Florida State ... in a good position to gain a spot on the sprint free relay team ... definite conference point scorer ... four-time all-city at Gulliver Prep ... named "Female Athlete of the Year" her senior season ... leisure studies major.

SHARON WARNING
Diving
Sophomore
Sarasota, Florida

Scored points on both boards at last year's Metro Championships ... also qualified for the NCAA zone meet ... could be a conference finalist on both boards this year ... part of a very strong trio of divers for the Lady Seminoles ... without the depth of last season, a strong performance will be necessary ... All-American and all-state at Robbinsdale Armstrong High ... communications major.

This is Florida State

Florida State University, a coeducational institution with an enrollment of 21,500 students, is located in Tallahassee, the capital of Florida.

The beautiful 345-acre campus is wrapped in greenery that combines the blossoms of camellias, azaleas and dogwoods with palm trees and moss-hung oaks. The campus looks enough like Ivy League schools, particularly around its older, Gothic buildings, that several times each winter New York

advertising agencies fake summer scenes supposedly shot at Princeton or Harvard. On the west side of campus, the scene is dominated by the contemporary, high-rise science complex.

There are more than 1,300 faculty including four members of the National Academy of Sciences. Florida State is one of only five universities in the nation to have its own supercomputer.

Academic programs in the sciences (notably physics, chemistry, biology and meteorology) and the performing arts (music, theater, visual arts and dance) have high national rankings. Other strong departments among the 15 schools and colleges include criminology, hospitality administration, accounting, statistics and interior design. FSU's pre-med program has a much higher than average medical school placement rate for its graduates.

Today, FSU offers students the opportunity to choose from more than 100 career options in arts and sciences, business, communication, criminology, education, home economics, law, library and information studies, music, nursing, social sciences, social work, theater, visual arts and engineering, which operates in cooperation with Florida A&M University. The most popular majors at FSU are business, biology, computer science and communication.

Florida State has honors programs for its top students. Overseas study program in fields ranging from law to hotel and restaurant administration are offered in Florence, Italy; Oxford and London, England; Switzerland, Costa Rica, Yugoslavia and the Panama Canal Zone.

Social life for many centers around 24 fraternities and 20 sororities. Wind surfing, swimming and sunning are among the activities to be enjoyed at FSU's convenient lakeside "Reservation" or along the sandy beaches of nearby coasts.

A unique extracurricular activity is the Flying High Circus, the nation's only all-collegiate circus. Students from every academic major can become stars on the flying trapeze, on the highwire or in clown acts.

Fine entertainment is provided year-round by the FSU Schools of Music and Theater and the Department of Dance.

Student Campus Entertainment presents concerts, movies, lectures and other activities throughout the year and the Artist Series brings professional entertainers to campus.

Student government at FSU is one of the most powerful in the country. Elected students spend an annual budget of about \$1.7 million. Student government funds intramurals, activities at the Student Union and more than 200 interest organizations.

C.W. "HOOTIE" INGRAM Athletic Director

Cecil Ingram, known to most of his friends and associates as simply "Hootie," has headed the Florida State athletic department since 1981 after serving as associate commissioner of the Southeastern Conference for eight years.

Since his arrival in Tallahassee, Ingram has initiated a \$10 million dollar building program for athletic facilities, including the Moore Athletic Center - home of Florida State athletics.

A native of Tuscaloosa, Ala., Ingram played for the Crimson Tide from 1951 to 1954 and led the nation in interceptions as a sophomore. He also lettered in baseball as an infielder. Following a stint in the army, Ingram turned to coaching. After several years of high school coaching, Ingram moved into collegiate athletics; making assistant coaching stops at Wake Forest, Virginia Tech, Georgia and Arkansas.

BOB GOIN Associate Athletic Director

A member of the Florida State athletic staff since 1981, Bob Goin begins his fifth full year as Associate Athletic Director.

All men's non-revenue coaches report to Goin and he also assists in the day-to-day operations of the department. A large portion of football, basketball and baseball game-day operations fall under his leadership.

A 1959 graduate of Bethany College, Goin received his master's degree from West Virginia in 1961. From 1960-76, Goin served Bethany in several administrative and coaching capacities before moving on to West Virginia as an assistant athletic director. He was named athletic director at California (Pa.) State College in 1980, where he formed that institution's first scholarship fund for athletics and the college's first booster club.

CHARLES W. EHRHARDT Faculty Athletic Committee Chairman

A Florida State University professor of law, Charles W. Ehrhardt is in his second year as Chairman of the Athletic Committee.

He is currently in his second stint on the committee, having served 1969-71 and then being reappointed to the board in 1983. As chairman, Ehrhardt succeeded Dr. James Jones, who held that position since 1980. Ehrhardt becomes Florida State's representative to the NCAA and was also president of the Metro Conference in 1984-85.

A native of Elkader, Iowa, Ehrhardt received his bachelor's degree from Iowa in 1962 before earning a law degree at Iowa State two years later. He came to Florida State in 1967.

A widely respected expert in the field of Evidence, Ehrhardt is frequently called on to lecture on the subject by lawyers and judges nationwide.
