## MEDIA INFORMATION

### A NOTE TO THE MEDIA, FANS AND OPPONENTS

Florida State assistant sports information director Tamara Metcalfe of the Sports Information Office is ready to assist you with any questions or requests you may have about the Seminole women's tennis program. Please do not hesitate to phone, fax or write a letter to the FSU Sports Information Office at P.O. Box 2195, Tallahassee, Florida 32316, phone - (850) 644-3920, fax - (850) 644-3820, email - tmetcalf@mailers.fsu.edu, if we can further assist you.

### HOW TO COVER THE SEMINOLES

Members of the media are supplied with weekly press releases, including updated individual tournament and career statistics, as well as conference and national rankings and information on upcoming matches or events. Results and statistics may be obtained through the sports information office via email, fax or by accessing the official Florida State website - [www.seminoles.com](http://www.seminoles.com). Pertinent team and player information will also be available at the Scott Speicher Tennis Center prior to all home matches. If you would like to schedule interviews with the coaches or student-athletes, contact Metcalfe at least 24 hours in advance.

### WHERE THE HOME MATCHES WILL BE

All 2005-06 Seminole tennis home matches will take place at the Scott Speicher Tennis Center (capacity 1000), located off of Chieftain Way, directly behind Tully Gymnasium. Parking for the facility is located to the west of the tennis center. Media members will be provided parking passes and will be seated in a designated area. Please notify the sports information office prior to home matches for credentials. Any accredited photographer wishing to shoot the matches must check in with Metcalfe prior to the match, so proper credentials can be assigned.

### FSU ON THE WEB

## 2005-06 OUTLOOK

### OVERVIEW

After taking her team to the NCAA Tournament during her inaugural campaign at Florida State, Seminole Head Coach **Jennifer Hyde** returns to the courts in 2006 with a newfound attitude. This year's squad is mixed with both youth and experience that includes three returning letterwinners, three freshmen, and three college transfers. Redshirt senior, **Miranda Foley**, will be sidelined for the entire season because of a shoulder injury and therefore she is out of the lineup. The veterans include senior **Alina Mihailescu**, junior transfers **Whitney Eber**, **Nicola Slater** and **Carolyn Walter**, sophomore **Tapiwa Marobela**, and freshmen **Suzanna Mansour**, **Lisa Nystrom Skold**, and **Ania Rynarzewska**.

#### According To Coach Hyde:

"Every few years there is a cycle where you lose a number of players, who are then replaced with new blood. This season is a year of great change for the program, one of building and growing. The people who are on this year's team are the foundation for what the program is now, and for what it will become in the next few years. Veterans are always crucial in a program, as their leadership and wisdom is needed in helping the rookies adjust and learn about the program."

### THE SCHEDULE

Hyde understands the importance of a strong schedule to prepare her team for post-season play, and this year her non-conference slate is one of the toughest in the nation. The Seminoles will open the 2006 campaign with four tennis powerhouses—Northwestern, Iowa, New Mexico, and Penn State—during the weekend of Jan. 20 before turning right around to host Auburn on Jan. 29. FSU will stay at home for the next couple of weeks to face Florida A&M, Bethune-Cookman, UCF and Stetson. On Feb. 15, the Seminoles travel to Gainesville to battle intrastate rival Florida before returning home for matches against Georgia Southern, Troy, LSU, UAB, and Florida International. Florida State jumpstarts the 2006 Atlantic Coast Conference season, that includes new conference foe Boston College, on March 3 versus Miami in Tallahassee. The Seminoles will face North Carolina, Clemson, Georgia Tech, and Duke at home, while Boston College, Maryland, North Carolina State, Wake Forest, Virginia and Virginia Tech will all be road battles. The ACC Women's Tennis Championship takes place April 20-23 in Cary, N.C.

#### According To Coach Hyde:

"I think our schedule can be as tough as any schedule in the nation. The ACC portion of the schedule alone is unbelievably difficult, which is a great thing for all the schools in the conference. The ACC is now on par with the SEC and the PAC-10, as one of the best tennis conferences in the nation. This will only continue to grow as the dynamics of the conference change. The great thing about this is that we will be playing the best teams in the country, year in and year out."

### THE COACHING STAFF

Coach Jennifer Hyde—who captained one of the best teams in Florida State school history during the 1994 season—returned to her alma mater in 2005 in hopes of taking the women's tennis program to new heights. She finished the season with a respectable 11-12 mark and a 4-6 Atlantic Coast Conference record to bring her career record to 66-71 in six seasons. Her team advanced to the NCAA Championship and then-senior Mihaela Moldovan became the school's first All-American since the 1996 season. The Seminoles also proceeded to the quarterfinals of the ACC Women's Tennis Championship. The FSU women's tennis team completed the year with a final national ranking of No. 43.

On August 1, 2005, Hyde hired assistant coach **Oliver Foreman**, a former collegiate and professional tennis player who previously coached at Ali Hamadeh's Tennis Academy.

Foreman played on the Professional Tennis Tour from 2002-2004 where he was the Irish National Open singles and doubles champion in 2002. Foreman also made it to the last round pre-qualifying for Wimbledon in 1998 and 2000.

### 2005-06 OUTLOOK

#### According To Coach Hyde:

"Oliver brings so much to this program this year. First of all, he brings such professionalism to an environment that demands a professional approach. He expects the team to handle their approach to each day in a very professional way. This comes from his experience of playing on the tour, as well as from playing at a very high level in college. He is a non-stop hard worker, and his enthusiasm is unlike anyone I've ever been around in my life. He's one of the most positive people I've ever met, and all of this combined makes for an amazing assistant coach."

#### THE LINEUP

The coaching staff made it clear that no one person is penciled in to play at the top singles spot this season. According to Hyde, there are a lot of unknowns in singles action thanks to the youth, transfers and the addition of January enrollees, Nicola Slater and Carolin Walter. As for doubles play, Hyde states she has spent a big portion of the fall having the players work on mechanics in this area of the game.

#### According To Coach Hyde:

"Doubles is always an area that needs to be focused on, especially as the spring season rolls around. We've spent a great deal of time this fall teaching and playing doubles. In junior tennis, doubles is rarely concentrated on, so for our newcomers this is something we have really tried to pay a great deal of attention to during the fall season. The results are definitely there, but we still have more work to do."

#### THE VETERANS

One player who has shown great improvement over her career at FSU is the lone senior of the class, **Alina Mihailescu** (Constanta, Romania/Mircea Cel Batran National College). The Romanian native is one of three returning letterwinners and she will look for playing time in both singles and doubles play. She saw limited action last season, playing in two singles matches and one doubles contest.

Sophomore **Tapiwa Marobela** (Gaborone, Botswana/Clapham) is also back and although considered young in her career, she has already competed in 21 matches for the Seminoles. In 2005, she was the only rookie to see considerable playing

Tapiwa Marobela

time on the court, starting the majority of her contests at No. 5 singles. She had 13 doubles victories, playing primarily with redshirt senior **Miranda Foley** (Cambridge, England/Hills Road Sixth Farm College), and went 10-2 to end the season at No. 3 doubles. Unfortunately for Marobela and the team, Foley will not compete this season as she is sidelined with a shoulder injury. Foley will, however, continue to captain the Seminoles along with junior transfer **Whitney Eber**.

#### THE TRANSFERS

Hyde landed two outstanding transfer athletes during the off-season and they should make an immediate impact to the program. Junior **Whitney Eber** (Naples, Fla.) came to Florida State last summer after a two-year stint at the University of Utah and junior **Nicola Slater** (Ayr, Scotland) enrolled in January of 2006 after spending two and a half seasons at Southern Mississippi. With the 2006 women's tennis season less than a week away, Hyde received a special treat when 18<sup>th</sup>-ranked **Carolin Walter** (Bingen, Germany) announced her intent to transfer to FSU from Baylor University.

Whitney Eber

Eber, Slater and Walter were accomplished collegiate athletes; Eber was a team captain as a sophomore and two seasons ago Slater became the first Southern Mississippi women's tennis player to post 20 wins since the 1998-99 season. Walter finished last spring ranked No. 50 in the country before storming on the court during the fall season and posting an impressive 10-2 singles record that allowed her to jump 32 spots in the preseason rankings. She posted wins over the No. 9, No. 15 and No. 92 players in the country.

#### THE NEWCOMERS

Freshmen **Suzanna Mansour** (Greenacres, Fla./Trinity Christian Academy), **Lisa Nystrom Skold** (Stockholm, Sweden/Adalsskolan, Kramfors) and **Ania Rynarzewska** (Inowroclaw, Poland/Warsaw School Complex-Polish Embassy) are the new faces of Florida State women's tennis and Coach Hyde hopes they will set a strong foundation for the program. The three of them logged a respectable amount of playing time during the fall campaign and they will have the chance to be among the top newcomers in the conference this year. During the Seminole Fall Classic, Rynarzewska claimed the championship title of her respective singles flight. Mansour advanced to the finals of her flight during the Seminole Fall Classic, but came up on the short end to take the runner-up position. At the San Diego State Tournament in November, Nystrom Skold was the lone Seminole to claim a singles victory.

## SEMINOLES

## JENNIFER HYDE

 **Head Coach :: 2nd Season :: Florida State, '95**

**10** Former Seminole Jennifer Hyde, one of the most talented young coaches in the nation, enters her second season as head coach of the Florida State women's tennis program. She was hired to coach the Seminoles on July 17, 2004.

Hyde's first season leading Florida State was nothing short of successful. Her team was ranked as high as No. 29 in the country and they finished the season with an 11-12 record. Florida State earned a berth into the NCAA Tournament and the team also received multiple accolades for their academic performance.

A 1995 graduate of Florida State, Hyde returned to Tallahassee from the University of Houston where she spent five seasons as the head coach. She brought with her a wealth of coaching experience after also assisting at four other universities in three different conferences - the SEC, the Big 10 and the ACC.

Hyde became the fifth head coach of the Seminole program, which began in the late 1970s, and second former player to coach the women's tennis team. She replaced Lise Gregory, who left Tallahassee to pursue other interests after eight successful seasons at Florida State.

The 2003-04 campaign proved to be Hyde's most successful at Houston, on and off the court. Hyde led the Cougars to a third-place finish in Conference USA and the program's most dual match wins since 1997. The level of play Houston faced in 2003-04 was also the toughest the

program had ever faced. In the classroom, her team achieved the highest GPA in the history of the athletics department and earned annual team academic All-America status.

Hyde was a four-year letter winner for the Seminoles from 1991-94, a successful era for women's tennis at Florida State. During the 1993 season, Hyde and teammate Jenny Graf were runner-up ACC flight champions at number two doubles. She was a 1994 NCAA Championship participant and also served as the Seminoles' team captain that same season. FSU concluded the 1994 season with a final national ranking of No. 17, the highest finish to date for a Florida State women's tennis team. Hyde graduated from FSU with a degree in leisure services and studies with an emphasis in recreational management with a minor in psychology.

After her collegiate playing career at Florida State, Hyde began her coaching career at her alma mater where she served as a graduate assistant coach. She went on to assistant coaching stints with the women's programs at the University of Iowa (1995-97), the University of Alabama (1997-98) and the University of North Carolina (1998-99). At UNC, she was part of the most successful women's tennis season in the program's history at that point. Hyde was instrumental in progressing a previously unranked Tar Heel team to a top 25 national ranking and the school's first-ever tennis berth in the NCAA tournament, where they won their first-round match. As the recruiting coordinator

at North Carolina, she identified and signed a top five nationally ranked junior and a top three nationally ranked Australian junior.

An Alpharetta, Ga., native, Hyde, an ITA and NCAA Southwest Region Selection Committee member, enjoys playing golf, traveling, hiking and boating.

OLIVER

# FOREMAN

**Assistant Coach :: 1st Season :: Middle Tennessee State, '02**

Oliver Foreman is entering his first season as the assistant women's tennis coach at Florida State University. A few of Foreman's duties will include player development and recruiting. Foreman most recently worked as a volunteer assistant coach at the Ali Hamadeh' Tennis Academy in 2004. During his brief stint there he coached four juniors to the Super Nationals Tournament and also aided in generating a prestigious junior development program with over 40 juniors. While at Ali Hamadeh's Tennis Academy, Foreman also worked with helping athletes in strength and conditioning programs.

Foreman played on the Professional Tennis Tour from 2002-2004 where he was the Irish National Open singles and doubles champion in 2002. Foreman also made it to the last round pre-qualifying for Wimbledon in 1998 and 2000.

Prior to his career on the Professional Tennis Tour, Foreman played his collegiate tennis at Middle Tennessee State. Foreman, who was team captain in 2002, received multiple accolades over his four years at MTSU including being named to the Ohio Valley All-Conference Team (1998, 1999) and the Sunbelt All-Conference Team (2001, 2002). Foreman is no stranger to Florida State as he returns to the place where he won the 1999 Seminoles Fall Classic Doubles Tournament. In 2002 Foreman was ranked in the top 95 collegiate singles rankings and in the top five collegiate double rankings. Foreman also qualified for the NCAA Tournament from 2000 to 2002 and reached the quarter finals of the ITA All-American Championships in 2002.

Foreman graduated from Middle Tennessee State in 2002 where he earned a Bachelor of Science in Wellness and Exercise Science with a minor in Athletic Coaching. While at MTSU Foreman served on the Student Athlete Advisory Council (2001, 2002) and was also named to the Deans List (2001, 2002).

ANCA

## DUMITRESCU

**Manager :: 2nd Season :: FSU, '04**

Anca Dumitrescu steps in as the team manager for the second straight season after three successful years playing as Florida State's number one singles position. Dumitrescu finished her career with one of her best campaigns in Tallahassee. She and partner Lindsay Deason won 15 matches at the number two doubles position. She recorded the most singles wins in her career (17) and earned a third individual trip to the NCAA tourney. The transfer, who originally intended to play out her career at VCU, ended her stint at FSU with a 66-34 career singles record, good for eighth on the all-time list.

Among the many honors and awards she recorded, Dumitrescu was named the 2004 co-ITA/Arthur Ashe Jr. Award for Leadership and Sportsmanship as well as the ITA South Region Senior Player of the Year. She was one of the members of the FSU senior class that became the glue for a talented lineup that climbed its way from a season-opening No. 54 to a season-ending No. 26.

Dumitrescu started at number one singles all three seasons at FSU. She earned a bachelor's degree in communications and continues studying at Florida State, working towards a master's degree in communications. She earned the Atlantic Coast Conference's James-Weaver-Corrigan Postgraduate Scholarship Award to help her continue her postgraduate education.

# THIS IS FLORIDA STATE

From its pre-Civil War beginnings as the Seminary West of the Suwannee to a nearly four-decade stint as the Florida State College for Women to its return to coeducational status as a university, Florida State University has developed into an acclaimed research institution with excellence in teaching, research and public service. The university enrolls nearly 39,000 undergraduate, graduate and professional students. Of these, 24.2 percent are minorities. Students are from all 50 states and the District of Columbia, as well as 132 foreign countries.

Florida State offers an impressive breadth of academic degree programs. Students may take courses of study leading to a baccalaureate degree in 94 programs, a master's degree in 107 degree programs, a doctorate in 73 degree programs, a specialist certification in 28 degree programs, and a professional designation in two degree programs. Courses are offered through 16 schools and colleges — Arts and Sciences; Business; Communication; Criminology and Criminal Justice; Education; Engineering; Human Sciences; Information; Law; Medicine; Motion Picture, Television and Recording Arts; Music; Nursing; Social Sciences; Social Work; and Visual Arts, Dance and Theatre. Our students have the opportunity to work and study alongside two Nobel laureates, five members of the prestigious National Academy of Sciences, seven members of the American Academy of Arts and Sciences, and two winners of the Pulitzer Prize. Florida State faculty also lead several scholarly fields in citations of published work.

Several members of the Florida State faculty were recognized with major awards in 2005, including two Guggenheim Fellowships, a National Endowment for the Arts Fellowship, a Leopold Leadership Fellowship, five Fulbright fellowships, an Alexander Von Humboldt award, a new member elected into the American Academy of Arts and Sciences, a new member elected a fellow of the American Association for the Advancement of Science, and a new member elected into the National Endowment for the Humanities.

Florida State has many academic programs that consistently rank among those at the nation's top 25 public universities, including programs in business, chemistry, creative writing, criminology, ecology and evolutionary biology, information, law, meteorology, oceanography, physics, political science, psychology, public policy, sociology and statistics.

The university had many noteworthy achievements in 2005. Among them:

- The College of Law ranked among the top 30 public law schools in the United States; the environmental law program ranked 14th nationally and is considered one of the strongest in the Southeast.
- The School of Motion Picture, Television and Recording Arts was recognized by the Directors Guild of America for its distinguished contribution to American culture through film and television, joining fellow honorees Robert DeNiro,

Jonathan Demme and other entertainment luminaries at the Fifth Annual DGA Honors. In addition, the school was honored with two Student Oscars and five Collegiate Television Academy Awards, more than those received by students from any other school in the history of the industry.

O. Henry Award for Elizabeth Stuckey-French; the Gustave O. Arlt Award from the Council of Graduate Schools to Nancy Bradley Warren; and the National Magazine Award to Robert Olen Butler.

- The Askew School of Public Administration and Policy was identified as the fourth most productive in the country among public affairs schools, and ranked third most productive in terms of published works by graduate students.
- The risk management/insurance program was named one of the most highly recognized programs in the nation, ranked in the top 10 by U.S. News and World Report.
- The College of Medicine, the first newly accredited allopathic medical school in more than 20 years, graduated its first class and matched all students to residencies.
- Several faculty members in the English department were recognized with awards, including the prestigious Mary McCarthy Prize in fiction, awarded to Paul Shephard; an

Florida State's arts programs — including dance, film, music and theater — rank among the finest in the world.

Students also have the opportunity to conduct research in specialized interdisciplinary centers, such as the National High Magnetic Field Laboratory, the Institute of Molecular Biophysics, and the School of Computational Science; to participate in interdisciplinary work across campus, such as efforts that integrate economics, geography, climate forecasting, law and other environmental courses and programs; and to work with faculty to forge new relationships among professions, including medicine, the physical sciences, engineering, business and law.

Students at Florida State are encouraged to participate in international education through the university's programs in England, Italy, Switzerland, France, Panama, China, Costa Rica, Spain, Russia, Vietnam, the Czech Republic,

Greece, Croatia, Germany, Ireland and the Caribbean. The university's study sites in Valencia, Spain; Florence, Italy; London, England; and the Republic of Panama are considered by many to be among the nation's best.

Florida State's main campus is spread over 450.5 acres in Tallahassee. Within the state, the university maintains facilities in Panama City, its Marine Laboratory at Turkey Point on the Gulf of Mexico, and the Asolo Performing Arts Center in Sarasota. In addition, the Center for Professional Development and Public Service, housed in the Augustus B. Turnbull III Florida Conference Center on the edge of campus, provides extensive credit and non-credit continuing education programs statewide.

Florida State also operates the Ringling Center for the Cultural Arts in Sarasota, which includes the John and Mable Ringling Museum of Art, the largest museum/university complex in the nation. Library holdings at Florida State include 2.7 million book titles and 9.1 million microforms. The university's library holdings rank among the top 30 public research universities in the United States, according to 2003-2004 data. The main library facility, the Robert M. Strozier Library, is linked by computer to other state university and national research libraries. Florida State also maintains science, music, library and information science, medicine, engineering and law libraries, as well as the Mildred and Claude Pepper Library, which houses the papers, photographs, audio recordings, video recordings and memorabilia of the longtime congressman from Florida. Library materials and services also are available at the university's Panama City campus, as well as at the international study centers, and a collection of art and related materials is on display at the John and Mable Ringling Museum of Art in Sarasota. Collectively, the Florida State libraries are a member of the Association of Research Libraries, an association of the top research university libraries in the United States.

## ATHLETIC ADMINISTRATION

**DR. T. K. WETHERELL**  
*President,  
Florida State University*

Dr. Thomas Kent "T.K." Wetherell was appointed president of Florida State University by the Florida State University Board of Trustees on Dec. 18, 2002, and he took office on Jan. 6, 2003.

Wetherell, an FSU alumnus, served as president of Tallahassee Community College from 1995 until 2001. Under his leadership, the college doubled its enrollment and the gross square footage of the main campus. He pioneered innovative academic programs, led the college into the top 25 community colleges in the nation awarding associate's degrees and solicited the college's first \$1 million scholarship donor. After stepping down as TCC president, he served as a lobbyist with the Southern Strategy Group.

Before assuming the presidency at TCC, he was president of Independent Colleges and Universities of Florida and was responsible for coordinating and promoting post secondary higher educational opportunities and programs in Florida's private colleges.

He previously served in a number of capacities at Daytona Beach Community College, including provost and dean of instruction, vice president and president of academic and university transfer programs, vice president of district planning and development and executive assistant to the president. Before that, he served as associate professor of education at Bethune-Cookman College in Daytona Beach. He began his career as an academic counselor for student-athletes at FSU before going to Florida Technological University in Orlando where he was assistant to the deans of housing and then director of housing and administrative assistant to the vice president.

24 He served in the Florida House of Representatives from 1980 to 1992, the last two years as House Speaker. During his tenure in the House, he served as chairman of the appropriations committee and the higher education committee, and the Miami Herald named him one of the Top Ten Legislative Leaders in the House each year from 1987 through 1992.

Born Dec. 22, 1945, in Daytona Beach, Wetherell attended Port Orange Elementary School and Mainland Senior High School, where he was active in service clubs, student government and athletics. He attended Florida State University on a football scholarship and played on the 1963-67 football teams. He earned his bachelor's and master's degrees in social studies education from FSU in 1967 and 1968 respectively. He earned a doctoral degree in education administration from FSU in 1974.

He has been inducted into Florida State University's Hall of Fame and was a recipient of the prestigious Moore-Stone Award, as well as the university's Distinguished Service Award.

Wetherell is married to Virginia B. Wetherell, who served as Secretary of the Florida Department of Environmental Protection from 1991 to 1998 and previously served as a state legislator representing Pensacola. She currently is president of Wetherell Consulting Services. They are the parents of three children, Kent, Blakely and Page, and have two grandchildren. Wetherell's personal interests include athletics, outdoor recreation, travel and aviation.

**DAVE HART, JR.**  
*Director of Athletics*

His peers use terms and words such as class, integrity, respect, visionary and national leader to describe Dave Hart, Jr. Bolstered by his leadership and vision, the current and future state of a still young athletics program at Florida State University is vibrant and inspiring. Hart is widely viewed as one of the nation's top athletics

directors. It is a reputation he has earned.

Dave Hart begins his 11th year as Florida State's Athletics Director. Hart has led the FSU athletics program since 1995 with comprehensive success in mind. The athletics department budget has doubled from 20 to 40 million dollars since Hart arrived, with a high percentage of that increase going towards the growth and development of women's athletics programs at FSU. Student-athletes have reached new heights in academic performance within University, Conference and national circles. Community service participation by student-athletes is at an all-time high with every team giving back to the community throughout the year. Florida State student-athletes, coaches, administrators and teams are being recognized nationally on a regular basis for honors and awards. Excellence in competition is evidenced across the board with the Seminoles finishing 22nd nationally in the Directors' Cup last year. Facility enhancements are remarkable and serve as a collective point of pride for current and former student-athletes, coaches, staff, alumni and fans.

Hart has served on several prestigious committees at conference and national levels during his career in athletics administration. He has been a member of the NCAA Council, the NCAA Honors and Awards Committee and the NCAA Special Events and Postseason Bowls Committee as well as a consultant to the NCAA Student-Athlete Advisory Council.

A popular speaker at the national level, Hart has made numerous speaking presentations nationally and presented seminars on such topics as student-athlete welfare, marketing, gender equity, facility master planning, negotiation skills and personnel transition. He was an instructor at the National Association of Collegiate Directors of Athletics Management Institute for ten years and currently is an annual presenter at the Division I-A Athletics Directors' Institute sharing with peers his knowledge and experiences relating to athletics administration.

A 1971 graduate of Alabama, Hart played basketball for the Crimson Tide and earned a master's degree in 1972 while serving as a graduate assistant basketball coach. He coached and taught at the high school level before joining the East Carolina athletics program in 1983 where his vision and leadership enabled that program to reach goals thought to be unattainable.

Hart met his wife, the former Pam Humble, while at Alabama and they have three children, Rick, Jamie and Kelly. The Harts' also have three grandchildren, Trevor, Caroline and McKinley.

## SUPPORT SERVICES

**D'WAYNE ROBINSON**  
*Women's Tennis Academic Coordinator*

D'Wayne Robinson is in his second year with the Florida State Athletic Academic Support Program as a counselor for the tennis programs and the defensive unit of the football team. He brings 10 years of teaching, counseling and administrative experience to the FSU program. Robinson's duties include monitoring academic eligibility, advisement and assisting in the recruitment of all prospective student-athletes.

Prior to his appointment at FSU, Robinson served as Assistant Athletics Director for Internal Operations and head coach golf coach at Alcorn State University. He has also done extensive work in community and youth development while serving as a teacher and Director of the Educational Opportunities and Scholarship Program at Chicago H.S. for Agricultural Sciences in Chicago, Illinois. As director, he developed and implemented several programs that supported career aspirations of underprivileged youth.

A native of Mississippi, Robinson received a bachelor's of science degree in chemistry from Tougaloo College in 1989. He did further studies at the University of Illinois-Chicago in Public Health and later received his master's degree in education from Alcorn State. A member of the National Association of Academic Advisors for Athletes (N4A), Robinson is working towards his Ph.D. in higher education at FSU.

**AJAYA WILLIAMS**  
*Head Tennis Athletic Trainer*

One of the most promising athletic trainers in the business, Ajaya "AJ" Williams is there every step of the way for the men's and women's tennis programs. Williams is in her second year as a graduate assistant trainer at Florida State University.

Prior to joining the staff at Florida State, the Brooklyn, N.Y., native earned her bachelor's degree in athletic training, with a minor in physical education, at Hofstra University in Hempstead, N.Y.

As an undergrad, Williams worked with a number of the Pride's varsity sports, including football, men's basketball, softball, field hockey, men's lacrosse and wrestling. During her third year, the softball program won its third Colonial Athletic Association title.

Away from her responsibilities at Hofstra, Williams was very active in athletic training in the New York City area. Certified in first aid and CPR, she worked at the World Fencing Tournament as a medical provider and in the same capacity for the New York Dragons of the Arena Football League.

Currently pursuing a master's degree in sports administration, Williams was an athlete herself, playing baseball and volleyball at New Utrecht High School. Athleticism runs in the Williams family as her father Eugene played football at St. John's University.

Academic, personal and professional support are essential to college success. At Florida State University, we have developed an outstanding support program which enables student-athletes to reach their full potential.

FSU's academic support philosophy is "to offer an academic support program integrated with the total university. This will assess all student-athletes with the transition into college and provide continued support in all phases of academic and professional development, culminating with graduation, job placement or graduate school."

To accomplish this goal, FSU has developed an academic environment which facilitates the academic success of student-athletes. Student success is encouraged through competent academic counseling, career exploration, planning and placement and academic assistance through tutorial programs and mentors.

The program operates on a "proactive" rather "reactive" approach. At Florida State, the academic staff does not wait for an academic crisis to occur. They gather important background information and build an academic profile on all student-athletes to assess their needs in advance. Coaches also stay informed on the daily progress of each student athlete.

The academic support services are located in the state-of-the-art University Center and are on the sixth floor of the \$126 million facility. It includes private study desks, a tutorial study area and a computer lab outfitted with 16 new IBM computers and laser printers. In addition, athletic sky boxes are utilized for group and individual tutorial instruction.

FSU offers 17 Schools and Colleges with 300 undergraduate and graduate degree programs.

### LIFE SKILLS

Developed by the Florida State University Department of Athletics, the NOLES program represents a commitment to the total growth and development of the student-athlete. This program establishes an administrative commitment to academic and athletic excellence. Those efforts will be supported with programs and services in personal development, career development and community service.

### PERSONAL DEVELOPMENT

Fostering the development of personal growth is a fundamental component of the NOLES program. These support programs ensure that the student-athlete will be provided opportunities to focus on personal growth issues such as values clarification, goal setting, fiscal planning, decision-making and personal responsibility. Programming focuses on helping student-athletes develop a healthy lifestyle while they are at Florida State and habits that will benefit them for life.

### CAREER DEVELOPMENT

Preparing for life after college sports is a major focus of the NOLES Career Development program. The program is designed to work cooperatively with the University's Career Services to acquaint students with the job search process, provide networking opportunities and ultimately assist with job placement. This program places a priority on the

**John Lata**  
*Director of Student Services*

development of the total person, with the goal of developing individuals who will have rewarding careers and productive lifestyles after they leave Florida State.

### COMMUNITY SERVICE

Serving the community is the focus of our Seminole Spirit program. Student-athletes are challenged to give service to our community and individuals who are in need. With a clearly defined program of service, student-athletes are given the opportunity to develop the foundation for a lifelong commitment to volunteerism. The Seminole Spirit Student-Athlete Speakers' Bureau enables student-athletes to improve their speaking skills, develop effective communication and impact the lives of others through their service as role models in our community.

### LEADERSHIP DEVELOPMENT

The Florida State University Department of Athletics is committed to developing programs of excellence that foster leadership development. The foundation of the leadership development program is the Seminole Leadership Institutes that are held four times a year. These institutes offer student-athletes the opportunity to learn skills that will benefit them as students, as athletes, and as they pursue their goals after leaving Florida State. The Institutes have the opportunity to use the values and work ethic taught by athletic participation as the framework for their leadership development. The Institutes

**Jason Williams**  
*Assistant Director of Student Services*

attract outstanding guest speakers who challenge Seminole student-athletes to achieve their greatest potential and use their leadership skills to positively influence others.

The Student-Athlete Advisory Council (SAAC) serves as the advisory board to the NOLES program and the athletics administration. The prestigious board, comprised of two representatives of each athletic team at FSU, also recommends programming and serves as a liaison between student-athletes and the athletics administration. The Advisory Council plans and implements various events for student-athletes and serves as the department's most visible ambassadors. The SAAC hosts the annual Golden Nole banquet and plans such events as orientation for incoming student-athletes.

The Student Athlete Advisory Council participates in a retreat each fall which helps build leadership skills.

# NCAA COMPLIANCE

## FLORIDA STATE UNIVERSITY COMPLIANCE OFFICE

The following information is provided by the Florida State Office of Compliance for prospective student-athletes. It is intended as a guideline to introduce you to some of the rules governing NCAA athletics.

### KEY DEFINITIONS YOU SHOULD KNOW

**Representative of Athletics Interests:** A representative of the institution's athletics interests (AKA Booster) is an individual who is known (or should have been known) by a member of the institution's athletic department to:

- Have participated in or to be a member of an agency or organization promoting the institution's intercollegiate athletics program;
- Have made financial contributions to the athletics department or to an athletics booster organization of that institution;
- Be assisting or to have been requested (by the athletics department staff) to assist in the recruitment of prospects;
- Be assisting or to have assisted in providing benefits to enrolled student-athletes or their families; or
- Have been otherwise in promoting the institution's athletics program.

\*\*\* Once an individual is identified as a representative, the person retains that identity forever \*\*\*

**Prospective Student-Athlete:** A prospective student-athlete ("prospect") is a student who has started classes for the ninth grade, regardless whether he or she participates in athletics. A prospective student-athlete maintains his or her identity as a prospect, even after he or she signs a National Letter of Intent or financial aid agreement, until he or she attends the first day of practice or participates in an official team practice, whichever is earlier.

**Contact:** A contact is any face-to-face encounter between a prospect or the prospect's parents, relatives or legal guardian(s) and an institutional staff member during which any dialogue occurs in excess of an exchange of a greeting. In the sport of golf, a coach can contact you once in the month of April at your school and three more times after July 1 before your senior year in high school.

**Evaluation:** An evaluation is any off-campus activity designed to assess your academic qualifications or athletic ability, including any visit to your high school (during which no contact occurs) or the observation of any practice or competition in which you participate.

### PHONE CALLS & LETTERS

During the month of March during your junior year in high school, a coach may make one phone call to you. After that, phone calls from faculty members and coaches (but not boosters) are permitted beginning July 1 before your senior year in high school. A coach or faculty member is limited to one phone call per week except that unlimited phone calls may be made:

During the five days immediately before your official visit to the university.

On the day of a coach's off-campus contact with you.

During the time beginning with the National Letter of Intent signing date through the two days after the signing date and after a National Letter of Intent or scholarship agreement is signed.

A prospect of any age could receive the following from a coach:

- Questionnaire
- Camp brochure
- NCAA educational information

After September 1 of a prospect's junior year, a coach could provide:

- Written correspondence, including letters, e-mails, instant messages and text messages
- Game programs
- Media Guide
- Schedule cards
- Official academic, admission and student services publications and videotapes produced by the institution and are available to all students

After a prospect signs a National Letter of Intent, a coach could provide:

- Pre-enrollment information
- A Student-Athlete Handbook (could also be provided on an official or unofficial visit)

### WHO IS PERMITTED TO RECRUIT FOR FSU?

Only Florida State University coaches who have successfully completed the NCAA Recruiting Rules Examination on an annual basis may be involved in the recruitment process. Boosters may not make any recruiting contacts. This includes letters, telephone calls or face-to-face contact on or off campus with a prospect or the prospect's parents.

Alumni and Boosters Do's and Don'ts

- You **may** forward information about prospective student-athletes to the appropriate coaches.
- You **may** have contact with a prospect regarding permissible pre-enrollment activities such as summer employment, provided the prospect

has already signed a National Letter of Intent and the Compliance Office is aware you are making these contacts in regard to employment.

• You **may** have a telephone conversation with a prospect only if the prospect initiates the call. Such a call may not be prearranged by an institutional staff member and you are not permitted to have a recruiting conversation, but may exhibit normal civility. You must refer any questions about our athletic programs to an athletics department staff member/coach.

• You **may** view a prospect's contest at your own initiative provided you do not contact the prospect or his/her parents. In addition, you may not contact a prospect's coach, principal or counselor in an attempt to evaluate the prospect.

• You **may** continue established family relationships with friends and neighbors. Contacts with sons and daughters of these families are permitted as long as they are not made for recruiting purposes or encouraged by Florida State University coaches.

• You **may not** become involved in making arrangements to receive money or financial aid of any kind for a prospect or the prospect's family and friends.

• You **may not** make contact with a prospective student-athlete and his/her parents when the prospect is on campus for an official or unofficial recruiting visit.

• You **may not** transport, pay or arrange for payment of transportation costs for a prospect and his/her relatives or friends to visit campus (or elsewhere).

• You **may not** pay or arrange for payment of summer camp registration fees for a prospect.

• You **may not** provide anything to a prospect, the prospect's family or friends without prior approval from the Compliance Office.

For more information, please contact the Florida State Compliance Office at (850) 644-4272.

# FLORIDA STATE TOILES

## THIS IS TALLAHASSEE

Among low, rolling hills, down moss-draped canopy roads, within picturesque historical districts, and across seas of flowering azaleas lies a magical part of the Sunshine State — Tallahassee — Florida's capital city. With its intriguing combination of power-play politics and classic character splashed with a twist of beauty and charm, Tallahassee is a genteel Southern belle with good manners, old plantation homes and y'all-come hospitality — a side of Florida few expect to find.

With the Gulf of Mexico just 25 miles south and the Georgia border only 14 miles north,

Tallahassee rests between the foothills of the Appalachian Mountains and the juncture of Florida's panhandle and peninsula in an area known as "The Big Bend." Nearer in miles to Atlanta than to Miami, Tallahassee more closely resembles its' Georgia neighbor than Florida in topography, climate and lifestyle.

Like the city itself, the story of how Tallahassee was chosen as the state capital is rich in history. In 1823, two explorers set out — one on horseback from St. Augustine and the other by boat from Pensacola — to establish a permanent, central location for the seat of government. The two met at a beautiful site that the Creek and Seminole Indians called "tallahassee" — derived from the words "talwa," meaning town, and "ahassee," meaning old. This historic meeting place remains Florida's capital today.

The New Capitol building rises at the center of Tallahassee's downtown as a sleek modern structure, juxtaposed next to the Old Capitol, built in the more classic domed style. A gallery atop the 22-story New Capitol provides a sweeping view of the hilly city and its tree-lined streets. From it, you can see all the way to Georgia, 20 miles away.

Around the capitol complex, a 10-block historic district spreads, preserving the town's gracious old homes along a linear park and holding a historic inn, bars and restaurants patronized by Senators and sophomores alike. With no shortage of culture, downtown also offers museums, theater and art galleries. Artists have turned the old warehouses of Downtown Industrial Park into the studios and cafes of Railroad Square. The Museum of Florida History, nearby, is highly acclaimed for its scan of the state's past, and The Mary Brogan Museum of Art & Science, along with changing art exhibits, brings learning to a kid's level with hands-on exhibits. Other sightseeing favorites include the floral masterpiece of Alfred B. Maclay State Gardens; Bradley's Country Store; FAMU Black Archives; and the Tallahassee Antique Car Museum.

### CLIMATE

Tallahassee has the mild, moist climate characteristics of the Gulf States and experiences a subtropical summer similar to the rest of Florida. In contrast to the Florida peninsula, however, the panhandle, of which Tallahassee is a part, experiences four seasons.

Annual January temperature: 40-63° F  
Annual July temperature: 72-91° F  
Yearly average maximum temperature: 78.7°  
Yearly average minimum temperature: 55.7°  
Yearly average days above 90 degrees: 91.0  
Yearly average days below 32 degrees: 35.7

## DONALD TUCKER CENTER

The Donald L. Tucker Center is a multi-purpose convention and entertainment facility featuring a 12,100 seat arena, Luxury Suites and Club Seats and over 52,000 sq. ft. of meeting and exhibition space plus an arena view restaurant, Spotlight Grille. The Civic Center hosts a wide variety of concerts, family shows, Broadway shows, ice shows and sporting events including FSU basketball. It is easy to understand why over one million people a year flock to the Donald L. Tucker Center, what with the varied array of attractions it offers. Some people go to the Tucker Center to enjoy the sounds of rock, country, pop and urban concerts. Some go for the thrills of basketball, rodeos and three-ring spectacles. While others come for conventions, banquets, expositions, or consumer and trade shows. Located downtown on Pensacola Street, the Tucker Center is only two blocks from the Capitol building.

The area surrounding Tallahassee reveals numerous other historic and archaeological treasures, such as De Soto State Archaeological and Historical Site, Lake Jackson State Archaeological Site, Mission San Luis, Natural Bridge Battlefield and San Marcos de Apalache. Visitors can explore prehistoric Florida at the Museum of Florida History, where they are greeted by a giant 12,000-year-old mastodon pulled from nearby Wakulla Springs.

On the shores of Wakulla Springs, alligators still laze under the watchful eyes of "snake birds" perched on twisted cypress trees. The site of many underwater scenes in "Tarzan" movies, it's one of the world's deepest freshwater springs. Glass-bottomed boat tours across these mystical waters are available.

Nearby small towns offer fascinating excursions to places such as Pebble Hill Plantation, Florida Caverns State Park, Monticello Opera House and St. George Island.

## CANOPY ROADS

The abundance of trees and timber is a resource uncommon to many other areas of the state. The beauty of the local trees is exemplified in Maclay Gardens State Park, which is the site of several of Florida's champion trees including the flowering Dogwood, the Hawthorn tree, the Horsesugar tree, the Sweetbay Magnolia and the Silverbell tree. These trees and others often extend their branches over the roadway to create a canopied effect, a feature that is held in high esteem by local residents and visitors.

## TALLAHASSEE'S AN ALL-AMERICAN CITY!

On June 26, 1999, judges from the National Civic League named Tallahassee as one of 10 cities to win the prestigious All-America City (AAC) award from the 1999 All-America City conference in Philadelphia. The All-America City award is the most prestigious and coveted award a community can win. The annual award recognizes exemplary, grassroots and problem-solving efforts of communities that cooperatively tackle challenges and achieve measurable results. Judging is based on the overall level of community involvement in solving critical local problems, including public-private partnerships.

"This is clearly one of the most exciting things to ever happen to Tallahassee," said a jubilant Mayor Scott Maddox. "For those of us who call Tallahassee home, the All-America City award verifies what we've known for so long — that we have one of the greatest cities in all of America!"

## SOLES

# THIS IS THE ACC

### THE TRADITION

Consistency. It's the mark of true excellence in any endeavor.

However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 52nd year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it.

Since the league's inception in 1953, ACC schools have captured 91 national championships, including 47 in women's competition and 44 in men's. In addition, NCAA individual titles have gone to ACC student-athletes 116 times in men's competition and 57 times in women's action.

In addition, one of the league's two new members - Miami - has laid claim to five national gridiron titles over the past 21 seasons. Four of the Hurricanes' five national titles (1983, 1987, 1989, 2001) were unanimous with both the sportswriters and coaches polls in agreement, while in 1991 Miami (AP) shared the national title with Washington (coaches).

The 11 institutions that take to the field this fall under the ACC banner have produced 474 first or second team gridiron All-Americans and 68 first-team academic All-Americans. The current 11 ACC schools have had 1,911 players selected in the annual professional football draft, including 173 first round selections. A year ago, the nine ACC member institutions had 160 former players on NFL rosters during the regular season or playoffs.

If success is best measured in terms of wins and losses, then the ACC over the years has proved itself to be among the elite in Division I-A football. The ACC is the nation's winningest bowl conference as the 11 current league teams are a combined 119-106-5 (.528) in post-season play.

Following its 5-1 bowl mark in 2003, the ACC is the only conference to have a winning bowl record in each of the past three seasons. Over the past three years, the ACC is 13-6 in post-season play and has the best bowl winning percentage (.684) among all BCS conferences.

In 2002, the ACC set an NCAA record when seven of its nine teams (78%) received bowl bids.

Georgia Tech is the winningest bowl team in Division I-A history. Following its 52-10 win over Tulsa in last year's Humanitarian Bowl, the Yellow Jackets are 21-11 (.656) while USC (.642) is second.

For the first time in league history, ACC schools surpassed the 3,000,000 mark in total attendance in 2003 and for the fourth-straight year, the league set new single season records in attendance. In 58 home games during the 2003 season, ACC teams drew 3,006,841 fans, breaking the existing record of 2,944,936 set during the 2002 season.

### THE HISTORY

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, N.C., with seven charter members — Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest — drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the Atlantic Coast Conference.

On December 4, 1953, conference officials met again at Sedgefield and officially admitted the University of Virginia. The first, and only, withdrawal of a school from the ACC came on June 30, 1971 when the University of South Carolina tendered its resignation.

The ACC operated with seven members until April 3, 1978, when Georgia Tech was admitted. The Atlanta school withdrew from the Southeastern Conference in January of 1964.

The ACC then expanded to nine members on July 1, 1991, with the addition of Florida State.

The conference expanded to 11 members on July 1, 2004, with the addition of the University of Miami and Virginia Polytechnic Institute and State University.

Boston College became the league's 12th member on July 1, 2005.

32

The conference had an immediate impact on the national college football scene in the fall of 1953 when the University of Maryland captured the first of what would eventually be five national football titles for the ACC. Clemson laid claim to the league's second national title in 1981 while Georgia Tech followed suit in 1990. Florida State pocketed national titles No. 4 and 5 in 1993 and 1999, respectively.

## **COACHING EXCELLENCE...**

When it comes to legendary head coaches, it is hard to argue anyone has been as fortunate. The Seminoles have had three coaches who have established records that rank them with the greatest coaches ever to roam an NCAA sideline.

Florida State is the only NCAA school with three coaches in the Top 10 for all-time victories in their respective sport and in the top five in wins and winning percentage among active coaches. Bobby Bowden (football), JoAnne Graf (softball) and Mike Martin (baseball) have combined for 3,053 wins and each coach appears in the top two for active winning percentage, active wins or all-time victories.

The caliber of coaches at Florida State is second to none and year after year, these coaches are recognized for excellence nationally, regionally and at the conference level. Women's basketball's Sue Semrau earned her second ACC Coach of the Year award in 2005 while Bob Braman was recognized for his stellar year in cross country (2004 NCAA South Region Coach of the Year) and both indoor and outdoor track and field when he was named the ACC Coach of the Year as well as region Coach of the Year for both sports.

## IN THE COMMUNITY...

Seminole student-athletes are committed to making a positive impact on the community, serving almost 4,500 hours of community service during the 2004-05 school year. They also helped to raise thousands of dollars in direct support to charities.

FSU student-athletes have volunteered their time working with students from every elementary and middle school in Leon County as well as schools in nearby Wakulla and Gadsden counties. In addition, the Seminoles have participated in projects such as Habitat for Humanity, Relay for Life, Special Olympics, just to name a few.

## POSTGRADUATE SCHOLARSHIPS...

Florida State student-athletes have earned over \$300,000 in post-graduate scholarships over the past 10 years. They have also received 21 post-graduate scholarships from the ACC since 1992.

In 1996, Seminole Daryl Bush was the first ever recipient of the State Farm National Scholar Athlete of the Year award, now given annually.

Florida State boasts two NACDA Post-Graduate Award winners in the last five years. The scholarship, which was originated in 2001, grants \$10,000 scholarships to its recipients.

**IN THE CLASSROOM...**

At the conclusion of the 2004-05 school year, five of Florida State's athletic teams had a 3.0 or better cumulative grade point average. In the spring 2005 semester 177 Seminoles achieved a minimum 3.0 semester GPA while average team semester GPA was a 2.813.

Since joining the ACC in 1991, FSU has had six National Football Foundation and College Hall of Fame National Scholar Athlete Award winners – more than all other ACC schools combined and a figure that ranks nationally in the past 12 years.

In 2001, former Seminole Chris Weinke was the recipient of the first ever ACC Scholar Award which is given annually to an excellent athlete and top scholar who is not going on to graduate school. Football's Chris Hope (2002) and baseball's Matt Lynch (2003) have also earned the distinction.

Florida State had three student-athletes garner National Academic All-American honors in 2005 when softball junior Natasha Jacob and track and field sophomores Garrett Johnson and Tom Lancashire earned such status. It marked the first time since 1970 that three FSU student-athletes earned the honor in the same season.

Florida State has more all-time ACC Academic Honor Roll selections (2,014) than all-time All-ACC honorees (1,612). On top of that number, FSU athletes have been named National Academic All-Americans 26 times and 24 Florida State athletes have received post-graduate scholarships.

### TOP ATHLETES...

When you consider the top athletes who don the Garnet and Gold, it's easy to see why Florida State has enjoyed such success over the years. Of the 36 national awards for athletic achievements Florida State student-athletes have earned, seven have been for the top athlete in the nation award in their respective sports. Florida State boasts two Heisman Trophy winners, three Golden Spikes winners, a USA Softball National Player of the Year and a Honda Award winner for softball.

From football, to diving, to tennis, to track and field, several of Florida State's student-athletes achieve All-America status each year. FSU boasts 702 first team All-America selections as well as several regional and national award winners. Over the years, FSU has enjoyed 1,612 All-ACC selections. Even more impressive is that 21 student-athletes have been crowned individual national champions in their respective sports.

### TOP TEAMS...

Great athletes make great teams and Florida State has a rich history when it comes to great teams on both the national and conference level and has earned 11 national championships over the years. In 1999, the Florida State Seminoles became the first football team to go wire-to-wire as the Associated Press' No. 1 team when the squad went 12-0 on its way to the program's second national championship. FSU teams have combined for 130 NCAA Tournament appearances and 32 ACC team titles. Florida State's team sports have earned 7,977 victories and eight of Florida State's team sports have an all-time winning record.

## 2004-05 SEASON IN REVIEW

### SEASON RECAP

In Florida State Head Coach Jennifer Hyde's inaugural season, the No. 43-ranked Florida State women's tennis team earned a ticket to the NCAA women's tennis championship for the ninth time in ten years. Hyde, a former FSU tennis standout, returned to her alma mater and led the Seminoles to a respectable 11-12 overall record and 4-6 Atlantic Coast Conference (ACC) mark. The Seminoles opened the first round of the NCAA women's tennis championship with a familiar opponent - the Florida International Golden Panthers. The Seminoles came up on the short end a 4-2 decision to higher ranked FIU and saw their team hopes come to an end. In doubles action, senior Mihaela Moldovan and then-junior Lindsay Deason advanced to the NCAA women's tennis championship as a pair and capped off an amazing 2005 campaign. The 18<sup>th</sup>-ranked duo lost in the first round but reached personal best heights during the season, with Moldovan picking up the most doubles wins in a season (15) and Deason coming with one win of her personal best mark (16).

Individually, **Moldovan earned All-American honors with her top-16 singles selection, becoming the first Seminole All-American since 1996.** Moldovan, the 15<sup>th</sup>-rated player in the nation, was eliminated by No. 28 Mississippi's Chloe Carlotti, 6-1, 7-5 during the opening round. Moldovan rebounded in the second set to tie the match with the two-time All-American at 5-5, before dropping her fifth contest of the season and ending her career with a 17-5 record.

**The Seminoles First Point, Is On Point...**FSU had three doubles teams with over ten wins a piece. Then-junior Lindsay Deason and senior Mihaela Moldovan, who were ranked No. 18 in the nation, led the team with 15 wins at the top flight. Then-sophomore Roxanne Clarke and senior Amberly Tantee were on a streak since becoming a pair at the beginning of March, posting 12 victories at the number two position and one at the number one position. Current redshirt senior captain Miranda Foley and current sophomore Tapiwa Marobela won ten of their last 13 matches at the number three position.

**Number One Doubles Leading The Way...** The Seminoles' number one doubles team of Moldovan and Deason, was not only at the top of the lineup but at the top of conference and the nation. The pair, who had 15 victories last season, was ranked third among the league doubles tandems and were rated No. 18 in the nation. The pair has accumulated five losses over the course of last season and beat some of the best duos in the nation.

**Top Three In Top Two In The League...** Florida State's doubles teams dominated the conference, winning two-thirds of its matches since beginning league play with a sweep of the Miami Hurricane squad. In seven of ten conference matches, the Seminoles won the first point of the day and won four of five contests in a two-match showing at the ACC Women's Tennis Championship. Overall, the Tribe's doubles teams tied for second wins in the conference with North Carolina at 20 while Clemson led the pack with 25.

**Single Ladies...**Singles standout Moldovan moved up in the Intercollegiate Tennis Association's (ITA) during the course of the season after her preseason ranking of 42. She jumped 28 spots since the start of the 2005 campaign finished the year as the 18<sup>th</sup>-best tennis player in the nation by the ITA. She hit her peak position of No. 12 on April 19, after winning six of her last seven matches.

**Moldovan Rakes In Postseason Awards...** Moldovan was honored at the end of last season with accolades from the Intercollegiate Tennis Association, both regionally and nationally. On a national level, the two-time All-ACC team member earned the program's first All-American honor since 1996, when she was seeded among the top 16 players in the nation for the 2005 NCAA women's tennis singles championships in Athens, Ga. Furthermore, she was named a 2004 CoSIDA Academic All-American for her success on the court and in the classroom. Moldovan was also selected as the 2005 ITA South Region/Arthur Ashe, Jr. Sportsmanship and Leadership Award winner for her commitment to academic and athletic excellence, team leadership and community service.

The 2004-05 Florida State seniors: Natalie Tirapelli, Amberly Tantee, and Mihaela Moldovan

## THE SPEICHER TENNIS CENTER

With the first stage of construction completed in the summer of 1993, the Scott Speicher Tennis Center at the Donald Loucks Courts opened its gates to the public for the first time at a Children's Miracle Network charity tournament. Since then, many successful tournaments including the 1996 NCAA Women's Championships, have graced the courts at one of Florida State University's premier athletic facilities.

44

Costing \$1.2 million to build and then another \$800,000 for recent additions, Florida State's Speicher Tennis Center has become an example of the increasing dedication and commitment the University has to all of its 17 varsity athletic programs.

The Speicher Tennis Center houses 12 lighted hard courts, over 1,000 court level seats, coaching offices, men's and women's locker rooms, equipment and storage rooms, a team lounge and a public address system. The growing pride Florida State has for its tennis program and its premier tennis center was honored just after its opening in 1994, when the United States Tennis Association (USTA) awarded the structure with its "Top Notch" facility award.

The Speicher Tennis Center was named in honor of Lieutenant Commander Michael Scott Speicher, a graduate of Florida State University. Speicher was considered the first American casualty during Operation Desert Storm, but was later reclassified by the United States' government as missing in action in 2001 and missing/captured a year later. By Presidential directive, the facility bears the name the "Scott Speicher Tennis Center."

In 1947, Loucks became Florida State's first basketball coach and a year later was named the school's first tennis coach. His tennis team was the first athletic team.

The varsity tennis courts were named for Loucks in 1981. He served as Dean of men from 1957-1967 and was known as a servant of leadership, service and devotion to many worthy causes. The Speicher Tennis Center was designed by EMO/Architects, Inc., a Tallahassee-based architectural firm, in collaboration with Global Consult Group, Inc., an internationally recognized Tennis Facility Design Consultant. The complex was funded by private sources and supervised through the state university system of Florida.

FSU President Dr. T.K. Wetherell

Through its nine year existence, the Scott Speicher Tennis Center at the Donald Loucks Courts has served as the home courts for all Florida State men's and women's home dual matches, the annual Seminole Fall Classics, City of Tallahassee tennis championships, various USTA regional and zonal tournaments, the 1994 and 1995 Men's Intercollegiate tournament and the annual Children's Miracle Network Charity Invitational benefiting Shands Hospital in Gainesville.

## BOOSTER SUPPORT

### ABOUT THE GOLDEN SPEAR CLUB

The Golden Spear Club is designed to provide "grass roots" support for the men's and women's tennis programs at Florida State University.

The objective of the club is to assist the athletics department in promoting FSU tennis in Leon County and throughout Florida and to assist us in generating interest in and enthusiasm for our program.

Your membership to The Golden Spear Club is TAX DEDUCTIBLE and helps support the club's activities and the Florida State University Tennis Program. Although Golden Spear Club memberships are not accompanied with Booster Club benefits, you can take pride in the fact that FSU Tennis will remain nationally competitive because of your support.

We welcome you to become a part of the Golden Spear Club and join other tennis enthusiasts in the fun of supporting FSU Tennis. Go Noles!

#### How to become a Golden Spear Club Member

### TENNIS ENDOWED SCHOLARSHIP

**Ginny Futch**

From Miami to Minneapolis, and from Warsaw to Walla Walla, young men and women come to Florida State University to embrace educational excellence, and to compete as a Seminole. Many would not have the opportunity to receive that college education without their athletic scholarship. These young people work hard, and proudly represent Florida State as a winner on the national stage, attracting the attention to our University that winners bring.

Florida State Athletics provides each of our men's and women's teams with the maximum number of scholarships allowed by the NCAA. In addition to the student-athlete competitors, scholarships are also provided to student trainers, managers and graduate assistants who are vital to the athletic program.

The last 15 years have seen a three-fold rise in the cost of athletic scholarships at Florida State. Today, more than \$300,000 is needed to permanently endow a Florida State athletic scholarship. Most of the top public universities with whom Florida State

competes and to whom we are compared, have endowed all of their athletic scholarships.

Established in 1986 under the direction of William M. Parker of Clearwater, the Seminole Boosters Endowed Scholarship Program is the final step toward perpetual funding of all scholarships for student-athletes at Florida State.

Those individuals who contribute to the endowment fund for athletic scholarships at Florida State University gain membership in the Seminole Heritage Foundation.

Thanks to the efforts of Ginny Futch, Bette Sprague and James Howarth the endowment of the Florida State tennis programs are well on their way.

## LOOSE TALK WHAT THE SEMINOLES SAID

"I love Florida State because it has so much to offer on and off the court. The facilities are unbelievable and being an athlete here at FSU, there are so many people available when you need something. Whether you are hurt or need a tutor for a class, all the resources are convenient. My current coach Jennifer Hyde attracted me to this university... after meeting her I knew this was the place I wanted to play and graduate from."

**-Freshman  
Suzanna Mansour**

*On what she likes about Florida State*

"I cannot tell you how many times I have probably walked through the Moore Athletic Center and seen in admiration those people on the walls and what they have accomplished at FSU. I know if I work hard enough and focus on both my tennis and school work that maybe one day I will have my picture next to some of the top athletes that went through FSU."

**-Freshman Suzanna Mansour**

*On her feelings when she walks into the Moore Athletic Center*

"The coaching staff is motivated and keen about working hard, in order to reach new goals. Coach Hyde and Foreman are also very supportive, understanding, and NICE human beings. They make you feel safe!"

**-Freshman  
Lisa Nystrom Skold**

*On the FSU coaching staff*

"What I love about FSU is that everyone here is huge fans and displays so much pride and school spirit. The entire city and school has one thing in common: We love FSU. The people are extremely friendly and are always available for help."

**-Junior Whitney Eber**  
*About the joys of Florida State*

"I think the major decision when I decided to attend Florida State was this school could offer me outstanding academics and athletics. I value academics and I appreciate the time and effort the coaches and support staff put forth in order for us to achieve our classroom goals."

**-Freshman Ania Rynarzewska**  
*On why she chose to attend Florida State*

"I have had Coach Hyde as my head coach throughout my whole college career. I wouldn't change it for anything. She is loyal and only wants the best for her players. Coach Oliver Foreman is new...but I can already see he is going to fit into this program like peanut butter and jelly! He is very knowledgeable about the game, but also incorporates a not-so-serious side to things too. I cannot wait to work with the two of them together."

**-Senior Miranda Foley**  
*On what she thinks about her coaches*

# FLORIDA STATE SEMINOLES

## LOOSE TALK WHAT THE SEMINOLES SAID

"I love how our team does a lot of things together off the court. We are all focused and get along really considering the fact that the majority of the team is new. We also have a really good reputation as a tennis program."

**-Senior Miranda Foley**

*On what she loves about her team off the court*

"The people at Florida State are really nice and the school has awesome facilities. Ever since I decided to transfer to FSU, everyone has been really helpful and nice. They helped me find a new home as soon as possible."

**-Junior Carolin Walter**

*On the FSU support staff*

58

"The support staff has been a great help for me during my four years at Florida State. From the advisors in academics that help with any school related issues, to trainers, nutritionists, strength coaches, psychologists, etc., they are all people that are ready to assist us whenever needed."

**-Senior Alina Mihailescu**

*On the FSU support staff*

"Some of the things I love about FSU tennis off the court is that all the girls and coaches get along outside of tennis. We are able to have fun together and have basically become a family where you can rely on others on the team to be there for you."

**-Sophomore Tapiwa Marobela**

*On why she loves her team*

"I came to Florida State because it's a serious program, we have a fantastic schedule, Tallahassee is a nice location, and it just seems to set a higher overall standard in all areas than anywhere else. I hope to aid the team in achieving our highest ranking in history, while adding some Scottish flavor to the team. I also want to obtain my degree."

**-Junior Nicola Slater**

*On why she came to Florida State*
