# 50 YEARS OF WOMEN'S INTERCOLLEGIATE ATHLETICS AT FSU

While women's athletics had held a rich tradition in Tallahassee since the early 1900's when Florida State was the Florida State College for Women, the 2018-19 season marks the 50th Anniversary of a continuous women's intercollegiate program at FSU.

Since volleyball took the floor in 1968 as the first-ever women's intercollegiate sport for the Seminoles, FSU has been a national leader in promoting and supporting women's athletics.

Florida State has won seven national championships over the last 50 years. Softball earned back-to-back AIAW (Association for Intercollegiate Athletics for Women the precursor to the NCAA) national titles in 1984-85 and captured the 2018 NCAA Title just months ago. Golf won the AIAW national title in 1981, and track & field the NCAA National Championship at the 1984 outdoor meet and 1985 indoors. Soccer won the 2014 NCAA National Championship.

A year-long celebration will launch with the "Garnet And Golden Celebration" on September 2. All event dates and details will be posted at [Seminoles.com/50th](http://Seminoles.com/50th) and on social media utilizing the hashtag #GarnetAndGolden.

FSU Hall of Famer's Gabrielle Reece and Billie Jones unveiled the logo used during the 30-year celebration of Seminole women's athletics during the 1997-98 season.

## SCOTT SPEICHER TENNIS CENTER

With the first stage of construction completed in the summer of 1993, the Scott Speicher Tennis Center at the Donald Loucks Courts opened its gates to the public for the first time at a Children's Miracle Network charity tournament and immediately earned national attention. The United States Tennis Association (USTA) presented the facility with its prestigious "Top Notch" award in 1994. Since then, many successful tournaments including the 1996 NCAA Women's Championships and 2007-2010 NCAA Regionals have graced the courts at one of Florida State University's premier athletic facilities.

Costing \$1.2 million to build and then another \$800,000 for recent additions, Florida State's Scott Speicher Tennis Center has become an example of the increasing dedication and commitment the University has to all of its 20 varsity athletic programs.

The Scott Speicher Tennis Center houses 12 lighted hard courts, over 1,000 court-level seats, coaching offices, men's and women's locker rooms, equipment and storage rooms, a team lounge and a public address system. In 2015, the complex added booster seating over Courts 1 & 2 with new black awnings to cover fans. Underneath the grandstands, a new paint job and signage welcomes players and fans to the complex.

In 2016, the courts were repainted in Florida State's patented Garnet and Gold, the first major renovations to the courts since they opened in 1993.

The Speicher Tennis Center was named in honor of Lieutenant Commander Michael Scott Speicher, a graduate of Florida State University. Speicher was considered the first American casualty during Operation Desert Storm, but was later reclassified by the U.S. government as missing in action in 2001 and missing or captured a year later. However, in 2009 Speicher's remains were found in the Anbar province of Iraq after a nearly 20-year search. The Scott Speicher family was later honored by Florida State at a home football game with a missing man formation flyover from the Navy. By presidential directive, the facility bears the name the "Scott Speicher Tennis Center."

In 1947, Loucks became Florida State's first basketball coach and a year later was named the school's first tennis coach. The varsity tennis courts were named for Loucks in 1981. He served as Dean of men from 1957-1967 and was known as a servant of leadership, service and devotion to many worthy causes.

The Speicher Tennis Center was designed by EMO/Architects, Inc., a Tallahassee-based architectural firm, in collaboration with Global Consult Group, Inc., an internationally recognized Tennis Facility Design Consultant. The complex was funded by private sources and supervised through the state university system of Florida.

Through its 25-year existence, the Donald Loucks Courts at the Scott Speicher Tennis Center has served as the home courts for all Florida State men's and women's home dual matches, Seminole Fall Classics, City of Tallahassee tennis championships, various USTA regional and zonal tournaments, the 1994 and 1995 Men's Intercollegiate tournament and the annual Children's Miracle Network Charity Invitational benefiting Shands Hospital in Gainesville. The tennis center has also been the site for the ITA Summer Circuit for men's and women's tennis in which high school and collegiate athletes participate in singles and doubles matches.

## INDOOR TENNIS FACILITY

After breaking ground on construction in January of 2010, the Indoor Tennis Facility was completed in April of 2011. The multimillion dollar Indoor Tennis Facility serves as an additional playing arena for the Florida State tennis teams. Since the completion in spring of 2011, the facility has served as both a site for training and competition.

The building hosts six regulation courts, locker rooms, athletic training room, equipment room, office and lobby. With this newest facility, both Seminole Tennis teams are equipped with the tools to host both regional and national championships now and in the future. For the next phase, plans are in place to add spectator seating, team lounges, extended locker rooms, offices and a press box.

Besides use from the tennis programs, the Multi-Purpose Educational Facility is used for academic classes, clinics and camps. The facility was the first indoor tennis facility approved for college competition in the state of Florida and is still one of just a few in the southeast.

The women's tennis team had its first practice on April 6, 2011 while the men practiced the next day on April 7. At the men's Seminole Invitational during September 2011, the back draws were played there for the facilities first competition. The first women's dual match was played on January 21, 2012 against UCF where Florida State won 6-1. The men's team played Furman on January 22, 2012 and came off the courts with a 7-0 victory.

The building was designed by Architects: Lewis + Whitlock while construction was completed by Rippee Construction of Tallahassee.

# FLORIDA STATE 2019 Season Preview

Coming off their best season in program history, the Florida State women's tennis team has high expectations once again in 2019. The Seminoles made a run to the NCAA Elite 8 last season and finished the year with a 21-9 record which included seven wins over ranked opponents.

The Seminoles return six letterwinners and five starters from a squad that finished 21-9 in 2018 under head coach Jennifer Hyde in her 14th season.

The Garnet and Gold open their 2019 spring season with heavy amount of home matches, before going on the road at the beginning of their ACC schedule. The Seminoles open up with a doubleheader on January 11th against FAU and Mercer before hosting UCF (Jan. 20). Florida State

then welcomes into town LSU, Clemson and Tennessee as they host ITA Kick-off Weekend (Jan. 26-27) - this is the start of an intense three-month competition schedule that culminates with a NCAA Championships beginning on May 3rd.

The Noles hit the road for the first

time on February 19th as they head to Gainesville to take on the Gators. The Seminoles look to extend their win streak against Florida, as they beat them twice last year. They come back home to take on Duke on February 23rd before going on the road for five straight road matches, including a trip to Austin to take on Texas (Mar. 8).

The Seminoles' schedule is wrapped up with Notre Dame at home (Mar. 17) then two road matches at Boston College (Mar. 22) and Syracuse (Mar. 24). This is followed up by hosting Wake Forest (Mar. 29) and Clemson (Mar. 31), followed by a trip to the Carolinas to take on UNC (Apr. 5) and NC State (Apr. 7). The Garnet and Gold end the season with a two match home stand against Virginia (Apr. 11) and Louisville Apr. 13).

# FLORIDA STATE 2019 Season Preview

FSU loses three members from their 2018 NCAA Elite 8 campaign, but brings in two newcomers that look to make an immediate impact for the Noles.

The Noles have a veteran lineup this season as they have two returning seniors and three returning juniors. Seniors Ariana Rahmanparast and Julia Mikulski combined for a 26-13 singles record in 2018 and look to improve on that this season. Juniors Carla Touly, Andrea Garcia and Nandini Das are ready to build off of their impressive campaigns in 2018. Touly went 15-9 with eight wins over ranked opponents, helping her earn First Team All-ACC Honors. Garcia was a clinching machine last season, clinching six matches including both wins against Florida. Das was a consistent force for the Noles in the

middle of the lineup finishing with a 10-5 record a season ago.

Florida State also returns sophomore Petra Hule who has a record breaking freshman season. She finished the spring with an 18-8 singles record including five wins against ranked

opponents and a 16-4 doubles record. This performance helped her garner All-ACC second team honors.

Joining the six returning Seminoles are two newcomers, senior transfer Ana Oparenovic and sophomore Emmanuelle Salas. Oparenovic comes to Tallahassee from the University of Arkansas where she had an impressive 2018 season. She went 15-9 in singles and 17-5 in doubles helping her earn All-SEC Second Team honors and a spot in the NCAA Doubles Championship. Salas joined the team last spring, but was not able to play until the fall. She is expected to be a big contributor at the top of the lineup as the Noles have high expectations in 2019.

Jennifer Hyde enters her 15th season at the helm of the Florida State program as FSU's winningest women's tennis coach. Hyde surpassed Anne Davis (1980-86) with her 142nd career win on March 22, 2014, against NC State. Hyde has led the Seminoles to NCAA appearances in 11 of 14 seasons, leading the program to its first-ever Elite 8 appearance in 2018. With an exceptional list of accomplishments and milestones from her career at FSU, including an honor of ITA South Region Coach of the Year in both 2007 and 2011 and 2018 ITA Southeast Region Coach of the Year, Hyde looks to again guide the Seminoles deep into the NCAA Tournament again in 2019.

The 2018 season was one to remember for Hyde and the Seminoles as they made it deeper than any team had before. Hyde led Florida State to their first ever Elite 8 and their first appearance at the NCAA final site since 2010. The Garnet and Gold also had their best regular season finish in the ACC since 2011 as they finished fifth with a 9-5 record, good for the most ACC wins in school history. Hyde led the Seminoles to their second and third wins ever over the Gators as she defeated them at the USTA National Campus and in the Second round of the NCAA Tournament. Their first meeting was in front of the largest women's college tennis crowd ever (1,917) and was a part of the first every college tennis match broadcasted on the Tennis Channel. The Seminoles once again defeated Florida in Gainesville to make it to the Sweet 16. Florida State the knocked off Tulsa to make it to the programs first-ever Elite 8. Throughout 2018's 21-9 season, the Seminoles knocked off seven ranked teams and earned plenty of awards. The 2018 Florida State women's tennis team garnered two members on the All-ACC team - Carla Touly (first team) and Petra Hule (second team). Hyde won ITA Southeast Region Coach of the Year for her third regional coach of the year honor of her career and the team was honored with the ITA Southeast Region Community Service Award.

In 2017, Florida State reestablished the program as contenders in the Atlantic Coast Conference en route to a 17-win season,

in doubles play, winning 20 team doubles points, the most in program history. All three doubles pairs finished the season ranked in the final ITA poll.

The Seminoles earned a host of individual honors after a resurgent year. Junior Gabriella Castaneda was named All-ACC third team, while both Castaneda and senior Daniela Schippers made the All-ACC Academic team. After leading the team all season long, Schippers was named the ITA Southeast Region Most Improved Senior.

Hyde has served on the ITA Southeast Region Committee for the past eight years and most recently served as Regional Chair for three years. Hyde was also selected to coach the USTA U18 Florida Section team, representing at the U18 National Team Championships. In July 2016, Hyde led Team Florida to a fourth-place finish in the prestigious event that regularly includes the top junior players in the United States. Last season, Florida State battled through an injury-plagued season to finish with a 14-13 record and a second-round finish in the ACC Tournament. Fifth-year senior Daneika Borthwick, one of the great players in school history, was named All-ACC for a fourth time, just the third Seminole to reach that feat of sustained excellence. Borthwick also was ranked as high as No. 31 in the country after a string of victories midseason against Top 50 competition. Borthwick also earned a trip to the NCAA Tournament singles draw for the first time in her career. In the classroom, the Noles won the Golden Torch for highest team GPA on campus.

In 2015, the Seminoles posted a 16-11 record and reached the ACC Semifinals. During the year, the 'Noles defeated five ranked teams, including No. 36 Notre Dame and No. 15 Miami in the ACC Tournament in Cary, N.C. In reaching the semifinals, the Seminoles reached at least the quarterfinals of the ACC Tournament for the ninth consecutive season. While the team was the first team left on the bubble for the NCAA Tournament, Hyde oversaw the continued development of Borthwick, who

the Year, and Gabriella Castaneda, who as a freshman led the Seminoles with 26 wins on the season.

The Seminoles posted a solid 16-13 season in 2013-14 with ranked wins over five opponents, including an exciting 4-3 upset victory over No. 27 Arizona in the first round of the 2014 NCAA Championships. FSU finished eighth in the ACC regular season and opened the ACC Tournament with a 4-1 win over No. 64 Syracuse.

FSU placed two players on the All-ACC team as Kerrie Cartwright earned second-team honors while Borthwick was named to the third team. The pair of Seminoles were an impressive doubles duo late in the season, winning nine straight matches from March 17 to May 9, with victories over No. 26 Yana Koroleva and Beatrice Gumulya of Clemson and No. 11 Julia Elbaba and Rachel Pierson of Virginia. Cartwright and Borthwick qualified for the 2014 NCAA Doubles Championships and were the first Seminole pairing to compete in the postseason since 2007.

For the third time in school history and the second time while leading the Seminoles, Hyde led FSU into the 2013 ACC Championship match after defeating Wake Forest, Clemson and Virginia en route to the final against Miami. During that run, the Seminoles defeated the Tigers for the first time since 2001 in a match that saw over five hours of play. In addition, Borthwick earned All-ACC honors while helping the team to a 16-10 overall record.

At the start of the 2012-13 season, Hyde led five Seminoles to the Riviera/ITA-All-American Championships - the most to ever qualify for the Malibu event in FSU history. The Seminoles concluded the 2011 season with an eight-match winning streak, landing the Seminoles back to the ACC title match for just the second time in program history. The first time occurred in 1994 when Hyde was an athlete on the team. During that span, FSU recorded the most successful weekend of play in program history by beating No. 3 Duke and No. 4 UNC in back-to-back matches to close out the regular season. Taking that momentum into the ACC Tournament, the Seminoles knocked off Wake Forest, No. 8 Virginia and No. 3 Duke for a second time as Hyde earned her 100th career victory in the process.

In addition, the Seminoles jumped to No. 11 in the ITA National

Rankings, breaking the previous high mark of No. 12 set by the 2007-08 team.

Just one season earlier, Hyde led the Seminoles to perhaps the most successful season in Florida State history taking her team to its first-ever NCAA Round of 16. After being selected to host the first and second rounds of the NCAA Championship for just the second time in program history, both under Hyde, the Seminoles dominated North Florida and No. 17 South Carolina to punch their ticket to Athens, Ga., and to the highly coveted Round of 16. Hyde also watched her first 'Nole earn ACC Freshman of the Year when Francesca Segarelli captured the honor in 2010.

The 2007-08 season welcomed several firsts for the program with Florida State hosting the first and second round of the NCAA Tournament. The Seminoles reached a No. 12 national ranking, the highest ranking in women tennis program history at the time. With the help of big wins against top-ranked programs during the 2008 season, the Seminoles finished the year with an overall record of 19-7, the winningest season since 1999, ranking second on the all-time list at Florida State. Also, Hyde coached freshman Katie Rybakova to a top 20 national ranking in which Rybakova also received a bid to participate in the NCAA Singles Championships as a freshman.

Hyde's players have made seven appearances at the NCAA Championships in singles as well as three doubles pairs. Rybakova is one of two players in FSU history to qualify for the NCAA Championships three out of her four years (2008, 2009, 2011) in singles.

Off the court, Hyde's student-athletes have continued their brilliance in the classroom by securing the Golden Torch Award nine times since her arrival, which is given to the Florida State athletic team with the highest GPA. In addition, numerous Seminoles have landed spots on the All-ACC Academic team, All-ACC Honor Roll and ITA Scholar-Athletes list in Hyde's 11 years as head coach.

Both Federica Suess and Rybakova earned ACC postgraduate scholarships. Suess was awarded the scholarship in 2009 during her senior year, while Rybakova earned the honor for her fifth year in 2011.

Hyde has gone on to coach six players that are currently playing

professionally and three that are now college coaches. In addition to building the tennis program, Hyde has spearheaded a unique partnership with FSU Women's Tennis and the FSU Student Veteran and military community with quarterly clinics and hit rounds with the tennis team and the Student Veterans on campus. This relationship is unique from any across the nation, and this outreach culminates with a competition every February against one of our nations Service Academies. This collaboration is unique to FSU Tennis and college athletics across the nation.

Hyde and the FSU tennis team also adopted Tallahassee native, Grace Kerwin. In June of 2013, Grace was diagnosed with Juvenile Dermatomyositis (JDM), a rare autoimmune disease, resulting in muscle weakness. Grace joined the Florida State team through a program called Team Impact, which places young kids with sports teams in an effort to 'improve the quality of life for children facing life-threatening and chronic illnesses through the power of team'.

After graduating from FSU in 1995, Hyde began her coaching career as an assistant for the Seminoles prior to heading north to the University of Iowa in 1995. Hyde spent two years in the Midwest before returning to the south with an assistant coaching stint at the University of Alabama (1997-98).

Hyde moved on to coach at the University of North Carolina in 1998-99 where she established herself as one of the best young coaches in the sport. With her assistance, UNC enjoyed one of its best seasons in program history, moving from outside all the national polls to a top-25 ranking and the school's first NCAA tournament berth.

In 1999, Hyde accepted her first head coaching position at the University of Houston. Hyde spent five increasingly successful years with the Cougars before returning to Tallahassee, where she first started her collegiate tennis career.

The Alpharetta, Ga., native posted an impressive career with the Seminoles establishing herself as a four-year letterwinner, NCAA Tournament participant (1994) and ACC flight champion in doubles alongside teammate Jenny Graf. Hyde captained the 1994 Seminole squad whose No. 17 ranking previously stood for sixteen years as the highest year-end ranking until 2010's No. 14 finish. Hyde earned a Masters Degree from Florida State in Sport Management in 2011.

## ASSISTANT COACH MATEJ ZLATKOVIC

### First Season Ljubljana, Slovenia Illinois State '11

Matej Zlatkovic enters his first season as the women's tennis assistant coach at Florida State.

A former Division I student-athlete at Illinois State, Zlatkovic joins the Seminoles after three years working at nationally prominent universities on the women's side, as well as three years at his alma mater Illinois State on the men's side. Zlatkovic also served as a personal coach and hitting partner for many of the world's top WTA players.

A native of Slovenia, Zlatkovic joins Florida State after his most recent stop as the Assistant Coach at Rice University. In his time at Rice, the Owl's went 15-9 and qualified for the NCAA Championships after losing in the finals of the Conference USA Championships. He helped Rice reach a season-high ranking of 39 during the 2018 season.

"Everyone who has had the pleasure of working with Matej has commented on his unmatched work ethic," said Hyde. "His All-In attitude coupled with a comprehensive understanding of the game and his care and development of players is the right fit for Florida State Tennis and will help us reach our ultimate milestone. He is ready and excited to move the needle and place FSU into even higher levels of greatness. He has worked among the best tennis minds and is poised to step right in and take this program to even greater heights."

Before Rice, he played a similar role at the University of Pennsylvania, where he helped lead the Quakers to an 11-9 record, capped by an upset of Ivy League

conference foe Harvard in the season's final match. In addition, Zlatkovic helped guide senior Kana Daniel to the NCAA Singles Championship, as she advanced to the Round of 32. Zlatkovic joined the Quakers after two years at Yale, serving as the Interim Head Coach for the 2015-16 campaign.

Zlatkovic is no stranger to the men's national collegiate tennis scene as well, as he worked for three years, from 2011 to 2014, as an Assistant Coach for Illinois State's men's tennis team. His duties at Illinois State ranged from coordinating fitness and training plans for players to providing tactical and technical advice during practice and match play.

In 2013, he also was as a traveling coach, tactical adviser and hitting partner for Polona Hercog, Slovenia's top-ranked professional women's tennis player who has been ranked as high as No. 35 in the world in singles and No. 56 in doubles.

Zlatkovic served as a tennis instructor at Moussa Drame Tennis Club in Shelter Island, N.Y., where he has provided one-on-one instruction to tennis players every summer since 2010. Zlatkovic also worked as a tennis professional at Tennis Club As Litija and SG Tennis Company, both in Slovenia, where he instructed players of all ages and skill levels.

In 2007 and 2008, Zlatkovic participated as a hitting partner in the Women's Tennis Association (WTA) for top professional players, including former World No. 1 and two-time Grand Slam champion Amelie Mauresmo, Maria Kirilenko, Katarina Srebotnik and Marina Erakovic.

Zlatkovic is also a decorated tennis player in his own right, having played on the Illinois State men's team. He was selected as team captain at Illinois State in 2010 and 2011 and received Missouri Valley All-Conference recognition in 2009 and 2010 in singles and doubles. Zlatkovic holds a degree in Marketing Sales from Illinois State's College of Business.

Zlatkovic is married to Mirinda "Mimi" Page, and they have one son, Niko.

# FLORIDA STATE 2018 SEASON IN REVIEW

The Seminoles entered the 2018 season with a young squad that had lofty goals, and in the end, the Florida State women's tennis team made history. After a trip to the second round of the NCAA Tournament a season ago, the Seminoles wanted to make it back and go even further. The Garnet and Gold made their 10th NCAA Tournament in the last 12 years and made the most of it as they became the first FSU women's tennis team to reach the Elite 8.

Sophomore Carla Touly led the Seminoles at the top of the lineup as a part of a young team that started four underclassmen. Touly played all but one match on court one and racked up a 15-9 dual match singles record and a ranking of as high as 18. Touly's performance at the top of the lineup landed her on the All-ACC first team, and a spot in the NCAA Singles Championship.

In doubles, Florida State earned contributions from the entire lineup. Freshman Petra Hule led the Noles in doubles wins with a 16-4 dual match record across all three courts. Not far behind her were Touly with a 15-10 record as well as senior Gabriella Castaneda, junior Ariana Rahmanparast and sophomore Andrea Garcia who had 14 doubles wins each.

## Season's Journey

- Earned the second most wins in a season in program history with a 21-9 record.
- Started the season 9-3 with two wins over ranked teams (No. 3 Florida & No. 31 Clemson).
- The match against Florida was a part of the USTA's College MatchDay event and was played at the USTA National Campus. The match was the first college tennis match to be broadcasted live on the Tennis Channel and was in front of a women's college tennis record crowd of the 1,917 people. The win over Florida was just the second time the Seminoles had defeated the Gators and was tied for the highest ranked win in program history.
- The Seminoles got ranked as high as 16th after their two ranked wins.
- Florida State bounced back after three-straight losses to take down No. 14 Wake Forest.
- The Garnet and Gold finished the regular season with an 18-7, 9-5 ACC record, good enough to finish fifth in one of the hardest conferences in the nation, the ACC.
- The nine wins in the ACC were a program record for ACC wins in a season.
- Florida State was selected to the NCAA Tournament and headed to Gainesville for the first and second rounds.
  - In the first round, the Seminoles made quick work of North Florida, winning 4-0 and setting up a rematch with in-state rival Florida in the second round.
  - The Seminoles took down the Gators 4-3, for their second win over UF in 2018, this time on Florida's home courts.
- The win against Florida sent the Seminoles to the Sweet 16 for just the second time in school history and the first time since 2010.
- The Seminoles were one of two teams to make it out of a region that they were not hosting, the only other was their opponent in the next round, Tulsa.
