## TRIBE WINS 7, LOSES 3, AND COACH

Florida State had been seeking a "big time" football schedule for many years. In 1958 they finally had one. It included such formidable foes as Tennessee, Georgia, Georgia Tech, Miami, and finally Florida.

Coach Tom Nugent for the first time in several years did not have to patch together a backfield. In fact he had two excellent units, each with a capable signal-caller. He also had a line, but it was small, very small, compared with the forward walls of the opposition which the Seminoles had to face.

Nugent's real problem at the start of the year was getting his men to realize that they were as good as the next team. This he did and he did it well because the 1958 Seminoles wrote a page in Florida State's football history book that will long be remembered.

SEMINOLES . . . . . 22

TENN. TECH . . . . . 7

In the opening game of the year for the Seminoles, it was an inspired Tribe that rolled over Tennessee Tech by a 22-7 margin.

Carrying the ball only six times, it was Vic Prinzi who supplied the big punch for the team, by scoring 14 points including one of the first two-point conversions of the college Football season. Dink Lawrence, starting at the fullback slot, picked up 67 yards on 15 carries. Fred Pickard drove over for the second score of the game and picked up an average of 4.4 yards per carry.

Coach Tom Nugent kept the Tribe on the ground for most of the evening. Prinzi, Bob Conrad, and Joe Majors threw only a few times and then just for short yardage. Bobby Renn passed for the third touchdown and averaged 42 yards on three punts, besides breaking away for several long runs.

No one in Campbell Stadium that night had any idea that this was to be the last year at the Seminole helm for Tom Nugent, including Nugent himself. The Tribe supplied a fine beginning for the end of Nugent's reign.

The Seminoles are flat on their backs, but no one is loafing.

## F.S.U. ROMPS OVER FURMAN BY 42 TO 7

Florida State's second game of the 1958 football campaign was all Bobby Renn. Renn, a senior from Henderson, North Carolina, ran wild. He went through and around the Furman line for a grand total of 130 yards. 50 of those 130 came via a 50 yard run for the first Seminole score.

Al Ulmer stood out for his fine play on defense. On one occasion Ulmer's vicious tackling forced the Furman ballcarrier to fumble and set a Seminole score.

Two touchdowns by Renn, and one each by Bob Conrad, Fred Pickard, Bud Whitehead, and Bill Kimber rounded out the Seminole scoring. John Sheppard used his automatic toe to account for four extra points and Vic Prinzi added a two point conversion. The total was 42 points for the fighting Seminoles. Furman scored late in the fourth quarter on a 17 yard pass play. It was their only score of the night. Furman fought all the way, but the Seminole depth was just too much to handle.

## SEMINOLES SCORE FIRST BUT LOSE TO TECH 17-3

Once again the Seminoles had a chance to beat their first Southeastern Conference opponent, but they couldn't score a touchdown. The place was Grant Field in Atlanta and the opponents were the Yellowjackets of Georgia Tech.

Oddly enough the Seminoles scored first on a 31 yard field goal by Johnny Sheppard. This marked the first time the Tribe had scored on the Techmen in four meetings and it also marked the first field goal in F.S.U.'s football history.

The Seminoles played hard all the way and Tech knew they were in a football game. The score at the half was 3-3. This moment of glory for the Tribe was short lived however, because Tech scored early in the second half to go ahead for keeps. F.S.U. had a chance to score when they recovered a fumble on the Tech 20, but they couldn't push it across.

Fred Pickard accounted for two-thirds of the Seminole rushing yardage with 49 yards gained from scrimmage. This was where the Tribe lost the game. They couldn't move the ball on the ground.

## DEMON DEACONS UPSET! F.S.U. 27 WAKE FOREST 24

Florida State's scrappy Seminoles came from behind three times Saturday night to squeak past the 18th ranked Demon Deacons of Wake Forest, 27-24, before a record setting crowd of 19,700.

It was Vic Prinzi who led the Seminole attack by passing for two touchdowns and picking up two extra points by runs. Fred Pickard slammed through the line for 25 yards and another FSU score.

Coach Tom Nugent singled out Prinzi for individual praise. "In my opinion, Vic came into his own tonight. It was his greatest performance," said Nugent. Using a combination of rollouts and short passes, quarterback Prinzi directed the Tribe attack on touchdown marches of 58, 88, and 72 yards.

## SEMINOLES FALL TO BULLDOGS IN GATOR BOWL 28-13

Florida State's hopes for their first victory over an SEC power, were squashed again by the Bulldogs from the University of Georgia.

Playing in Jacksonville's Gator Bowl before a crowd of 16,023, Georgia ground out a 28-13 victory over the Seminoles.

After spotting the Bulldogs a two touchdown lead at the half, FSU fought back twice to within one touchdown, but each time Georgia struck back to maintain their lead.

Vic Prinzi directed the Tribe attack and completed 11 of 20 passes for 150 yards. Fred Pickard led the FSU runners with 79 yards in 19 carries.

Tony Romeo caught five passes for a total of 103 yards and an outstanding night on the receiving end of Prinzi's throws.

The Seminoles didn't disappoint the fans in the Gator Bowl with their inspired play and they are looking forward to playing there again.

# SEMINOLES STOP VPI IN THE RAIN FSU 28 VPI 0

Florida State kept their perfect home record as they splashed and slipped by the Gobblers of VPI by the score of 28 to 0. It was a rainy afternoon and only eight thousand fans showed up to watch the Seminoles. The Tribe made them forget the rain in a hurry as they scored in eleven plays.

It was senior quarterback Vic Prinzi who directed the march down the field after the Seminoles took the opening kickoff to their own 26 yard line. Prinzi threw the slippery pigskin the final 8 yards to Jack Espenship for the score.

F.S.U.'s second score came like a bolt of lightning. It wasn't lightning though, it was Bobby Renn, who faked a punt on his own 28 and ran 72 yards for the score. Another Prinzi pass, and a sneak by Joe Majors accounted for all the Seminole scoring. The final score, a wet 28 to 0.

## IT HAPPENED!

### F.S.U. 10 TENN. 0

"We did it and we're glad." This was the attitude of the Fighting Seminoles as they stepped off of the plane that Saturday night at the Tallahassee airport. Several thousand fans were on hand to greet the little band of warriors that only several hours earlier had defeated the once mighty Vols of Tennessee.

This was the first victory over an SEC school for the F.S.U. football team and it was a great victory. Freddy Pickard gained 133 yards from scrimmage, while the Tribe defense held the Tennessee single-wing attack to a mere 29 yards.

Florida State's first score came from the talented foot of Johnny Sheppard who kicked his second field goal of the year from the Tennessee 10 yard line. Bobby Renner scored the only touchdown of the game after Tony Romeo hauled in a Vic Prinzi aerial on the Tennessee one yard line.

This was a team victory for F.S.U. Everyone played great football, and the Tribe deserved to win because they outplayed and outfought Tennessee.

Pickard moves out of "T" formation as Prinzi blocks for him.

## TRIBE DISPLAY'S POWER FOR HOMECOMING FSU 43 TAMPA 0

It took Florida State's Seminoles less than five minutes to show Tampa that Homecoming isn't the time to come to Tallahassee.

With a lopsided victory the Tribe stretched its string of wins to three. It was the Seminoles all the way as they walked over the Spartans by a 43-0 score.

Bobby Renn climaxed a 77-yard drive that started the first time the Seminoles got their hands on the ball. Featured in the drive were runs of 17 and 11 yards by Fred Pickard, plus runs by Renn of 11 and eight. Four plays later the Seminoles upped the score to a 14-0 count. A wild pitchout by Tampa's quarterback was recovered by Carl Meyer on the Spartan 15. Then Joe Majors hit end Bob Fountain in the end zone for the score.

From there on it became simply a case of how high the score would run. Bobby Renn broke the school scoring record by adding 12 points to his total.

Prinzi hands off to Renn in second-half action.

The place was the Orange Bowl in Miami, Florida. The teams were the University of Miami and the Florida State University. This was an occasion. It marked the first time since the Seminoles have been playing the Miami Hurricanes that they were playing the role of the favorite.

The Seminoles held true to form and whipped the Hurricanes 17-6. This was the first time in F.S.U.'s football history that the Seminoles came out on top in this particular game. Sophomore halfback Carl Meyer had his finest hour in this game. He scored a touchdown, led the ground gainers, and to boot, he intercepted a pass.

It was said after the game that F.S.U. was lucky to win, but they weren't. They played hard and deserved to win. The Seminoles really played as a team. A team that wanted to win, and win they did! Miami had better beware, because the Seminoles have found that they can win and will be waiting for next year to try and prove it again.

## WE LOST! FLORIDA 21 FSU 7

A dream come true! The scrappy Seminoles of Florida State finally got their chance to play ball with the big Gators from G-Ville. It took a legislative decree to get the game scheduled and contrary to pre-game opinion the Seminoles did not miff it.

Well, the Seminoles showed up, and they played a whole of a football game. Bobby Renn had the crowd on its feet by running back the opening kick-off 85 yards to the Gator 15 yard line. There he was pulled down from behind by Jimmy Dunn, the Gator signal-caller. This was what set the picture for the rest of the afternoon. F.S.U. scored the touchdown and made the point, but Jimmy Dunn had yet to get his hands on the ball.

He took over and beat the Seminoles with an almost one-man effort. Dunn ran, passed, and tackled to the amazement of everyone, including Tom Nugent.

F.S.U. had her heroes, too! Everyone who saw action for the Tribe put out to his utmost. Bobby Renn, Al Ulmer, and Vic Prinzi stood out perhaps a little more than the rest.

The Seminoles will meet the Gators again next year, but no one will forget the stubborn little band of Indians that came down from the North and showed everyone that they too, knew how to play football.

The 1958 Sem

## TRIBE LOSES BLUEGRASS BOWL BOWS TO OKLAHOMA STATE IN COLD

The 1958 football season at FSU brought many surprises. Among them were a winning season, a victory over a Southeastern Conference opponent, a bowl game, and the loss of a colorful football coach.

Most of the so-called experts predicted that FSU would win only three football games in 1958. One even went so far as to say that the Tribe would be lucky to win one game. The Seminoles surprised everyone. Everyone, that is, except themselves. They had an inspired football team. A team that knew it could win even with the odds overwhelmingly against them. Someone had to inspire these men. Someone who knew them well. Someone who knew that they could win and that someone was Tom Nugent.

At the beginning of the year Coach Nugent and his staff were faced with a squad of young and inexperienced men, and a schedule that was the toughest in the school's history.

They worked hard in developing these men into a scrappy, aggressive, fighting football team that made its mark wherever they played. Tennessee will never forget the "breather" they had on the 1958 schedule, nor will the Florida rooters forget how tough the "Gator Bait" from Tallahassee proved to be. Florida State also has something which they will remember for a long time. The 1958 Fighting Seminoles and their coach, Tom Nugent.

## ROAD JINX HAMPERS SEMINOLE CAGERS

An old foe again hampered the Seminole cagers this year they couldn't win on the road. Coach Bud Kennedy had a promising team at the start of the year, and the Tribe looked good in defeat against the Kentucky Wildcats in the opening game of the year at Lexington, Kentucky.

Captain Hugh Durham and his running mate at guard Don Bates, kept the Seminoles above the .500 mark for the first half of the season. The Tribe's opponents improved during the second half of the season and the Tribe did not. They could not win on the road and this meant a losing season for the Seminoles. They ended up the year with an 8-15 record.

The prospects for next year's quintet look fairly good, but only time will tell. Coach Kennedy will lose four key men from this year's squad. Captain and high scorer Hugh Durham will be sorely missed by the Seminoles. Other graduating seniors are Joe Williams, Dan Boltz, and Jim Litkey. Back in the fold will be the Seminole's second highest pointmaker this year, Don Bates. Backing him up will be Jim Savage and Charlie Tinsley.

As in the past the Seminoles will be lacking a good big man, but Coach Kennedy is known for his recruiting of Junior College talent. We will have to wait and see what he comes up with.

## GYMNASTS COP SOUTHEASTERN INTERCOLLEGIATES

Again this year, as in the past, the FSU Gym team was in the national spotlight. Without a doubt, they are the top in the South. They gained national prominence at the N.C.A.A. meet in Berkeley, California, in March.

Coach Jack Miles had many veterans on his star-studded squad. National free exercise champion, Chic Cicio, was the team's top point man. Jack Ryder gained national

recognition on the trampoline. Fernando Lecouna, Roger Webb, and Bill Beavers, also added many points this year.

In addition to the Southeastern Intercollegiates, the gymnasts were undefeated in dual meets. They won the Florida A.A.U. crown. The gym team gave FSU national acclaim at the A.A.U. meet by again placing near the top

## FLORIDA A.A.U.'S, GEORGIA A.A.U.'S, AND FLORIDA

Coach Bim Stult's Seminole swimmers continued their winning ways during the 1958-1959 campaign. They started the year off on the right foot by copping both the Georgia and Florida A.A.U. titles. Stults had a squad which possessed great depth and strength. Highlights of the year perhaps were the two victories over the Florida Gators.

During the season, many records were broken and new ones set. Buck Hiles and Jerry Glancy led the parade of record breakers. Hiles is a top prospect for All-American honors this year.

Between semesters, the team made a trip to Texas where they swam against S.M.U., Texas Christian, and

Bucky Hiles, Paul Hammond, Glenn Thatcher, and Jerry Glancy.

## INTERCOLLEGIATES AMONG TANKERS MANY VICTORIES

Texas. The Southwestern schools gave the Seminoles stiff competition and they dropped two out of the three meets. These were the only two defeats for Coach Stults and his men during the year.

Even though the team will be without such men as

Jerry Glancy, Glenn Thatcher, Jim Wentworth, and Paul Hammond, the prospects for next year are very good. A talented freshman aggregation led by Chick Belden and Denny Flandreau will help fill in the gaps. The outlook is bright, and it looks like Bim Stults and the Seminole Tankers will have another winning year.

Freshmen all are Glenn Mitchell, Chic Belden, Paul Thompson, and Bob Abstein.

## SPRING SPORTS

Track

Due to changes in publishing contracts, we regret that we are unable to include the Spring Sports for 1959 in this year's book. These sports will be included in next years annual and this method will be followed from here on. This was a transition year for the Tally-Ho and next year the results of the change will be seen.

With the deadline drawing near there was little information available on the Spring Sports program here at FSU. The baseball team under the able direction of Danny Litwhiler seemed almost a sure bet to reach the College World Series for the third straight year.

The Track Team in an early season meet with Miami showed an amazing amount of talent. Many of last year's top men are gone, but Coach Mike Long has an abundant number of talented Juniors and Sophomores on this year's squad. Heading the list is Ted Keen an all around performer from Atlanta, Georgia.

FSU's new tennis coach, John Powless, is blessed with four experienced players to fill the top four positions on his squad. Lex Hester, Rebal Bellamy, Fred Serrett, and Jackie Crew make up the nucleus of this year's team which faces the toughest tennis schedule in FSU's history.

Headed by all-American senior, Bob Shave, Bill Odenal's golfers opened the season by defeating Florida Sophomores Downing Gray and Frank Malara together with co-captain Mel Fleischer make the outlook for the Golfers look very good.
