

TANKERS CATCH BREATH, AS COACH STULTS READIES THEM FOR CLOCKED SPRINT DURING STRENUOUS PRACTICE SESSION

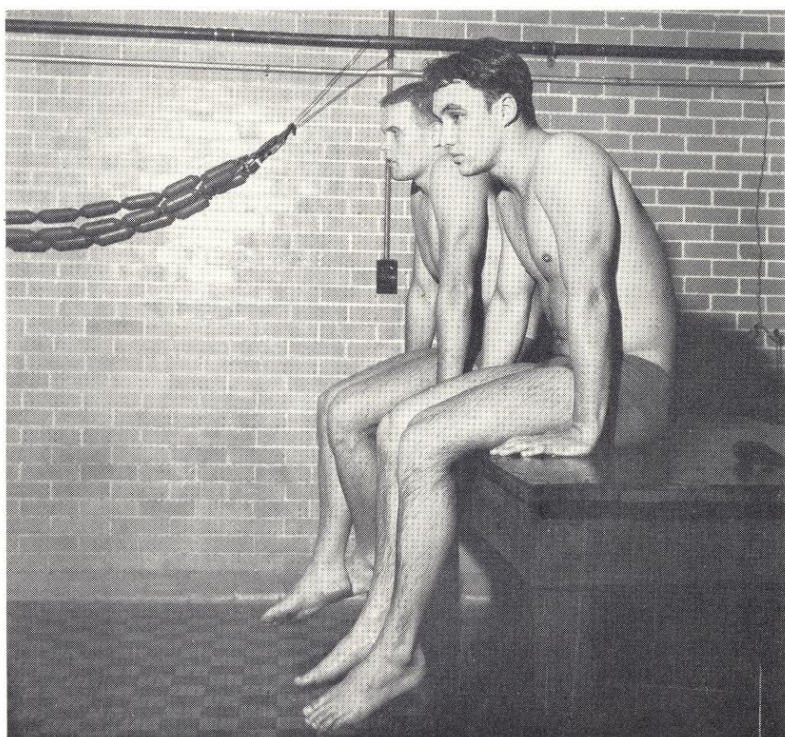

EXHAUSTED SWIMMERS rest at pool side before going on with rigorous workout necessary for top form in next meet.

Hours of Practice Precede Team's Win

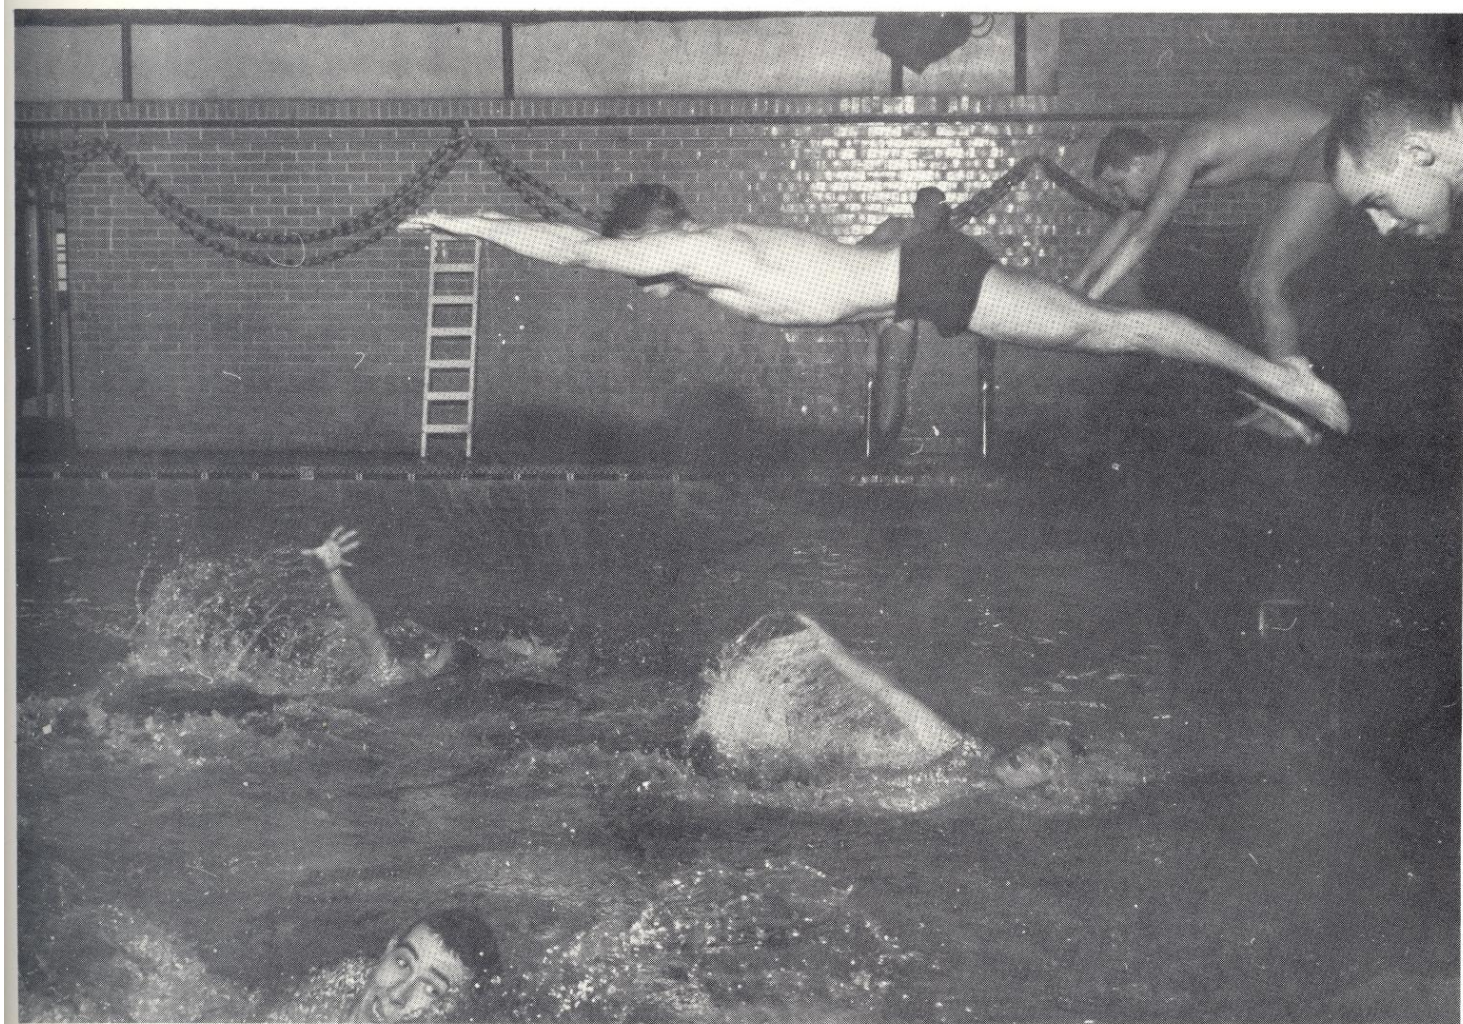

Probably the best swimming team in the South, Florida State's tankers have an impressive history of victories. Winner of the Georgia AAU's, for the past three years, and the Florida Intercollegiate Meet, they have also upset Bowling Green, Mid-American Conference champs, and the University of Florida, SEC champs. The sixteen man squad includes Bucky Hiles, All American; Curtis Genders and Bob Weber, All American Divers. Paul Thompson and Hiles will tryout for the Olympic team this summer.

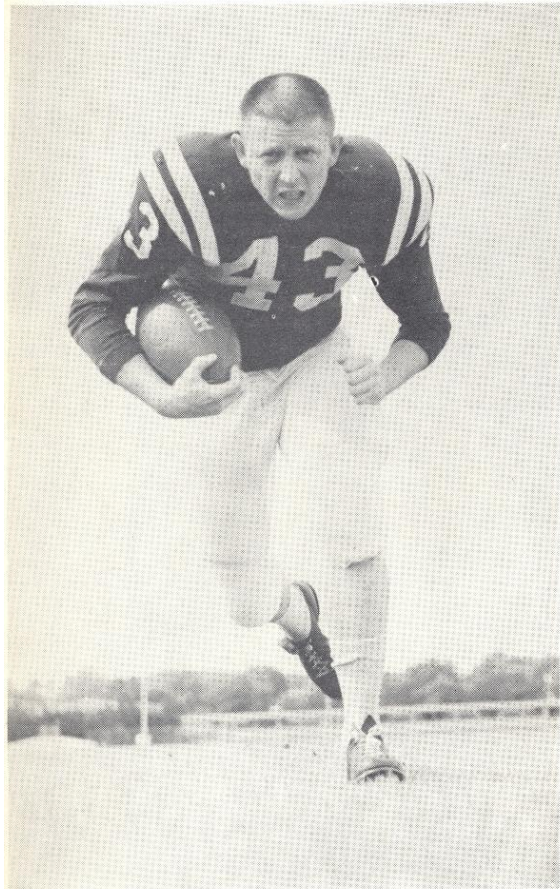

THROWN HIGH, diver flips from board while Coach watches on deck, offering advice for improvement.

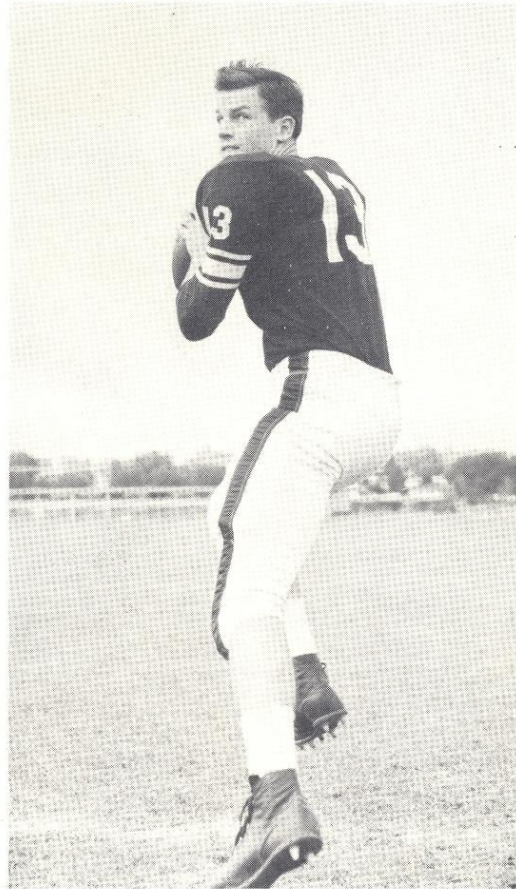

AWAITING NEXT EVENT, swimmers think over last heat and try to remember all that Coach has said, in hopes of crossing finish line first.

Problems, Injuries Mar Football Season

The lightweight Seminole football team opened the 1959 season with Perry Moss serving as the new athletic director and head coach. Problems arose in the attempted adjustment between coach and team. Added difficulties came about through the numerous injuries suffered by players.

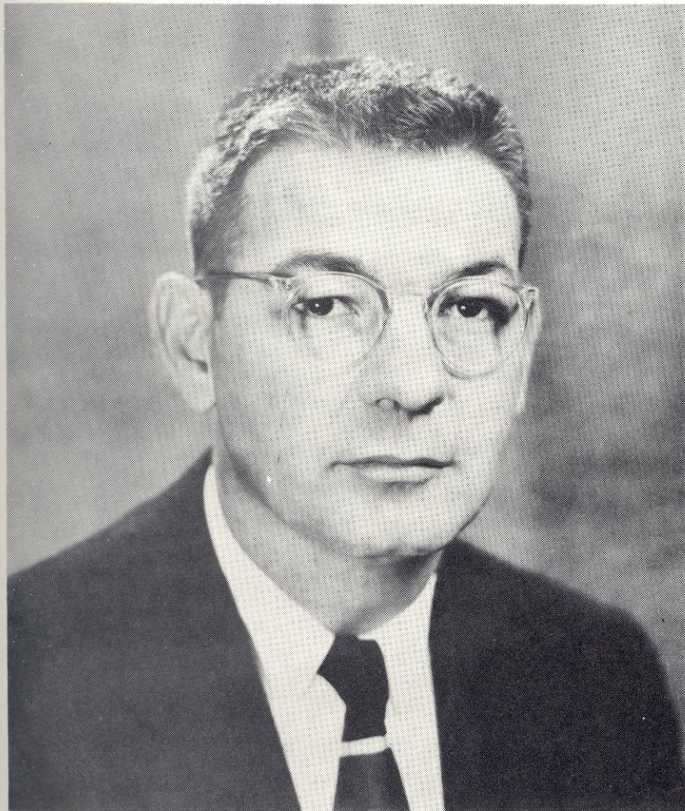

Midseason contract talks with the professional Canadian Alouettes resulted in the unexpected exit of Moss and the appointment of Vaughn Mancha as the director of athletics.

A four-year contract for the position of head coach was filled by Bill Peterson, who was formerly the assistant coach of the highly rated Tigers from Louisiana State University.

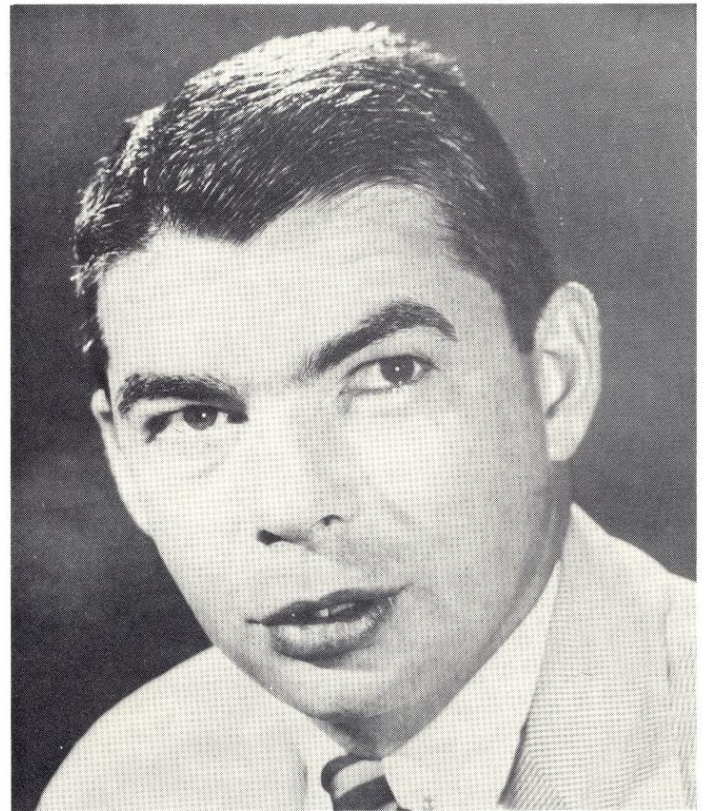

When the 1959 season closed the Tribe had victories over rivals, the Citadel, Virginia Tech, Richmond and Tampa University.

Seminoles Yield to Wake Forest 22 - 20

Going against the Wake Forest Deacons in the seasons opener in Doak Campbell Stadium, FSU was edged to defeat in the closing minutes by a 22-20 margin.

Wake Forest opened the scoring in the second period with a field goal followed by a touchdown in the closing seconds of the half. A pass interference penalty put the visitors on FSU's 11-yard line and they scored with only 20 seconds remaining. A running try for the extra point was unsuccessful.

The Seminoles went on the warpath in the second half scoring three touchdowns and adding two extra points for a 20-9 lead. A stunned Wake Forest team then came to life again and hit for two more touchdowns in the final period to win in the closing minutes. As the clock ran out the scoreboard read 22-20 to the disappointment of the Tribe.

Citadel Scalped by Florida State 47-6

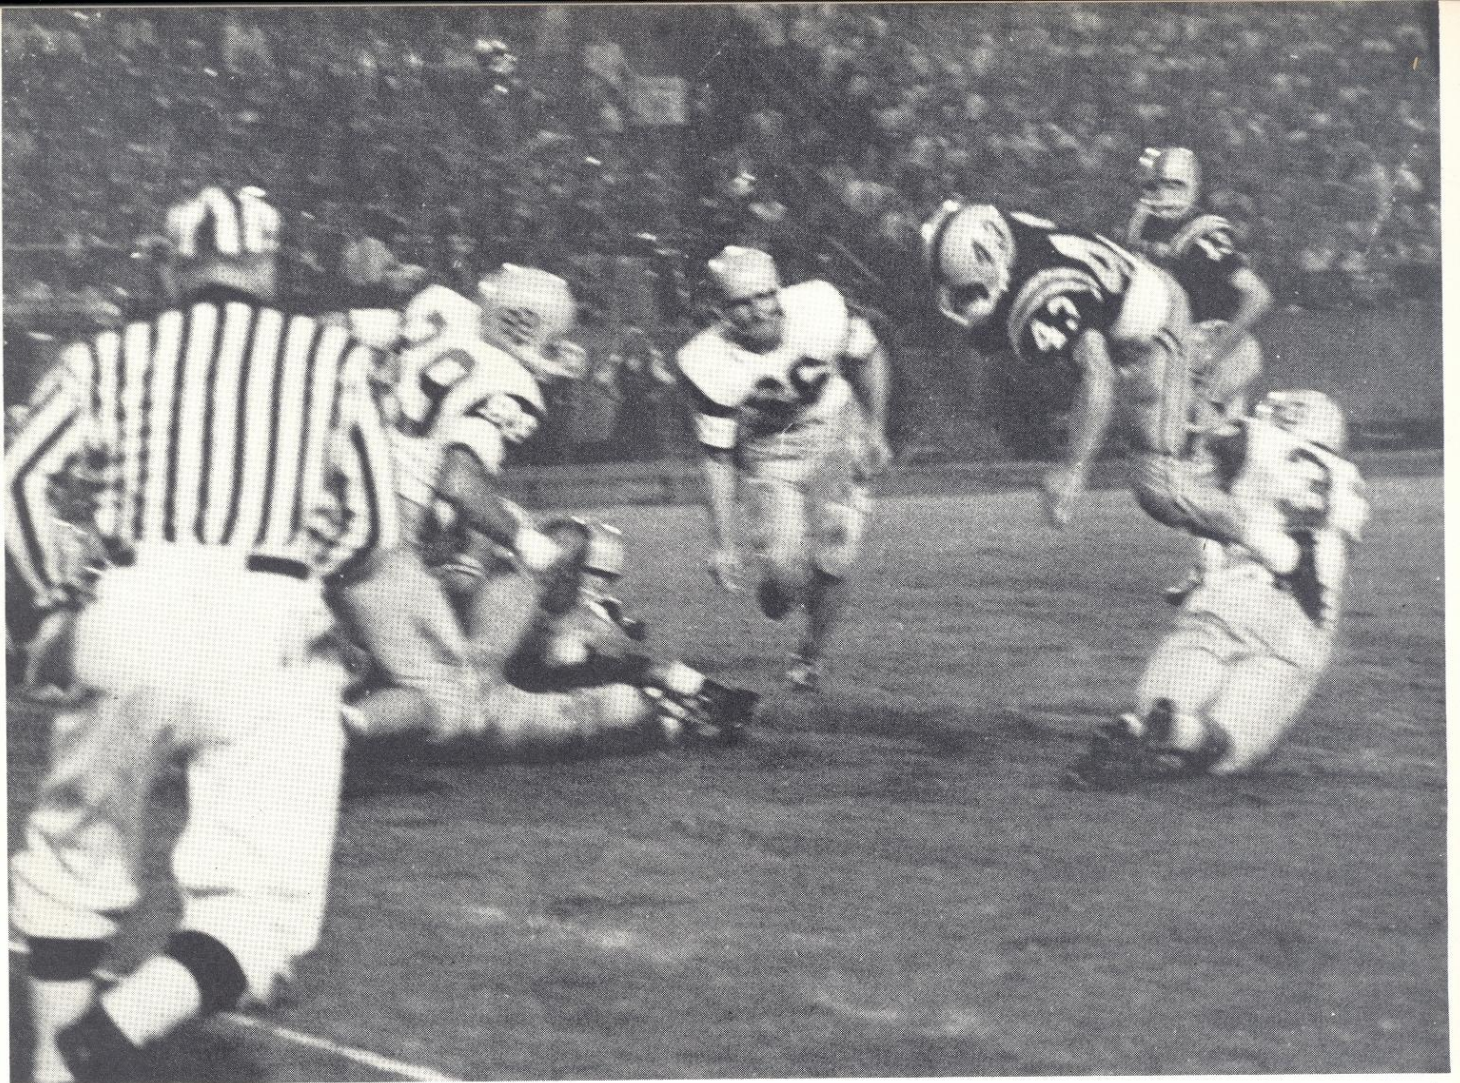

The Florida State Seminoles donned their warpaint against the Citadel as they routed the Bulldogs 47-6 in the second tilt of the season.

Advancing from the game's opening kickoff to its first touchdown and extra point, the Garnet and Gold team went on to gain a 15-0 lead in the first quarter. A Bulldog fumble gave the Tribe their chance to recover and score again in the second period. The try for two points was good, bringing the halftime score to 23-0.

Continuing relentlessly, the fired up Seminoles scored three more TD's to build a 41-0 margin. In the final quarter the Citadel mustered their single scoring effort only to see FSU come back with another touchdown in the last six seconds of the game. The 47-6 victory was the Seminoles' highest score for the 1959 season.

Hurricanes Put Edge On FSU in Thriller

Although the scoreboard showed FSU to be a 7-6 loser to the Hurricanes of Miami, the Tribesmen were loudly applauded as the final whistle blew. They tried valiantly to win, rather than settling for a tie.

The rugged Hurricanes and Florida State's determined Seminoles battled to a scoreless first quarter. In the second period Miami drove 83 yards to break the scoring ice and then added the extra point on a placement kick to take a 7-0 halftime lead.

With less than three minutes remaining in the final period, the Garnet and Gold squad surged forward and, on a quick opener, went across to score. The Tribe eleven faced their big decision as they elected to take the ball over in an attempt for two points and a win rather than kick. They were stopped barely inches from paydirt as the hands of the field clock came to a standstill.

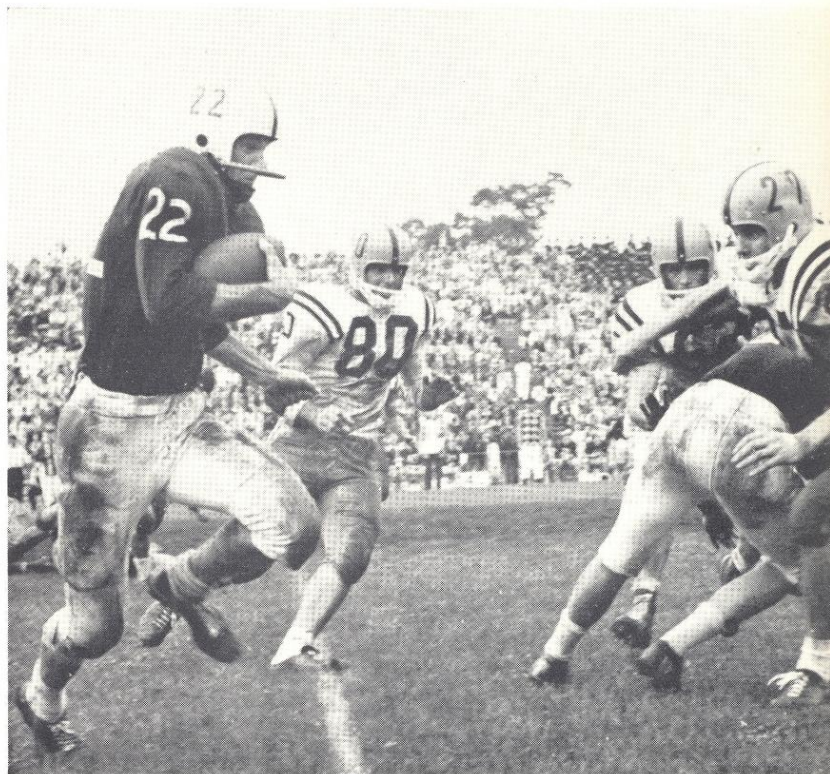

A HURRICANE HUSTLER plunges through the jumbled line only to be confronted by two awaiting Florida State guards.

Tribe Slides Past VPI in 7-6 Triumph

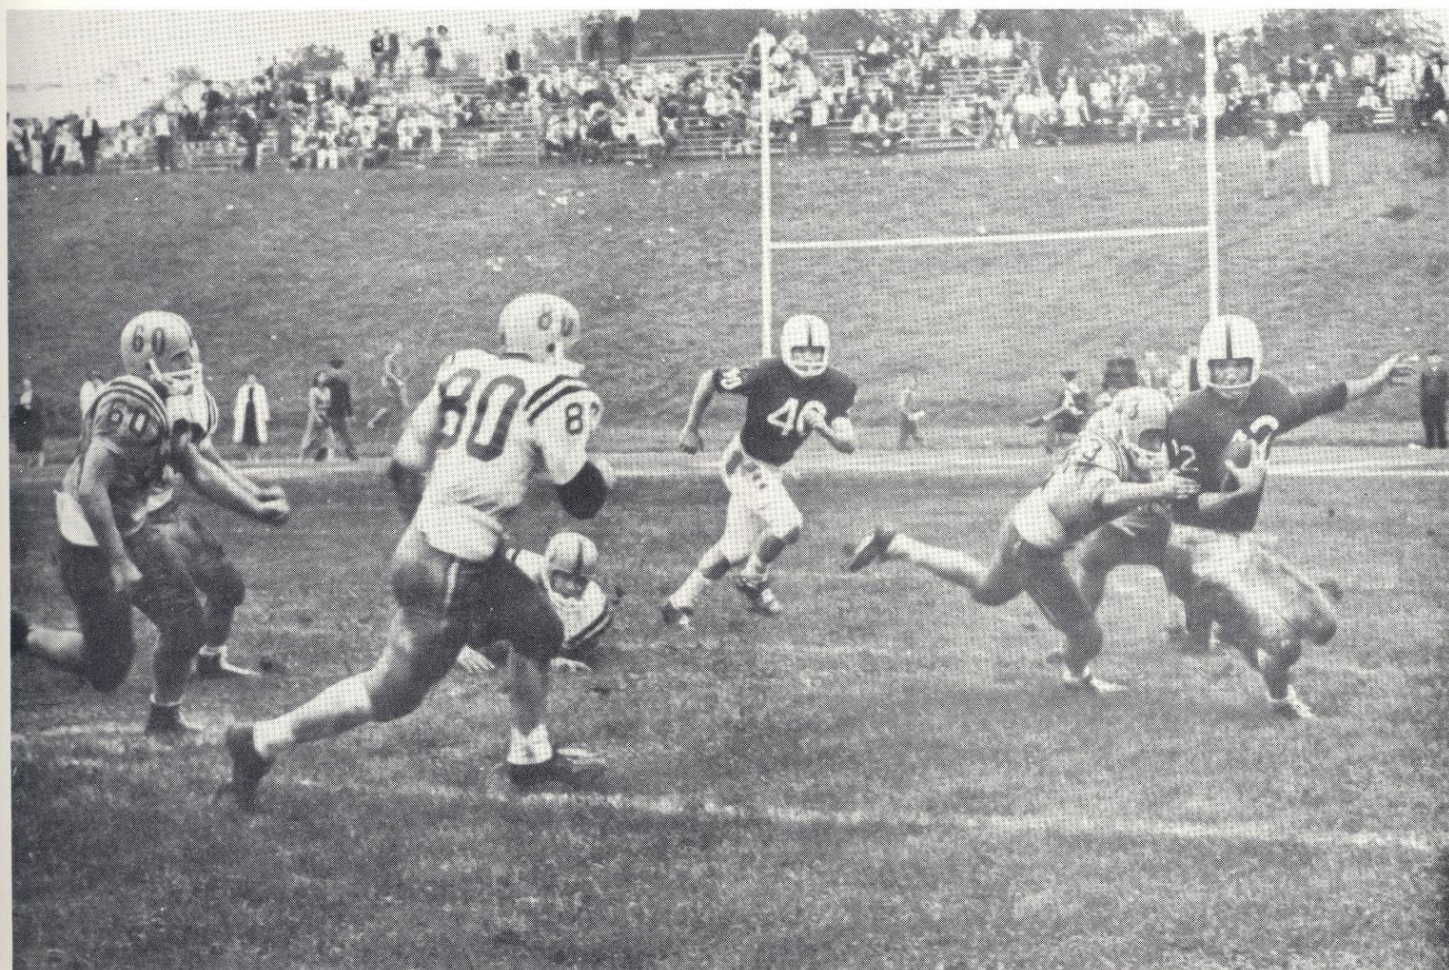

The fourth game of the season got underway with both Florida State and Virginia Tech determined to carry away a victory. After a "no treat" first quarter, VPI managed to get deep into FSU territory three times, but without scoring success.

A break came for the Seminoles in the latter part of the third quarter when the Garnet and Gold squad intercepted a pass and brought it down to the VPI 26-yard line. Unfortunately, they only progressed as far as the three when time ran out.

Once the closing period got underway, the Tribe wasted no time snapping a VPI pass and sending it to the end zone for a 6-0 score. The attempted extra point was good; this became the deciding factor in the game as VPI managed a late TD, but missed the try for a concession ending the game 7-6.

Seminoles Fail to Tame Tigers 16-6

A fired-up band of Memphis State Tigers dominated play from the start. Before the happy Homecoming crowd at Memphis, Tennessee, the Tigers captured a 16-6 win over the Seminoles.

The first half proved to be Florida State's downfall, as the Tiger's drove 84' and later 54 yards, scoring two touchdowns and an extra point. A Seminole handoff resulted in a fumble, and the recovery by MSU put the Tigers in business again. Their try for a 22 yard field goal was successful, and brought them to a 16-0 halftime lead.

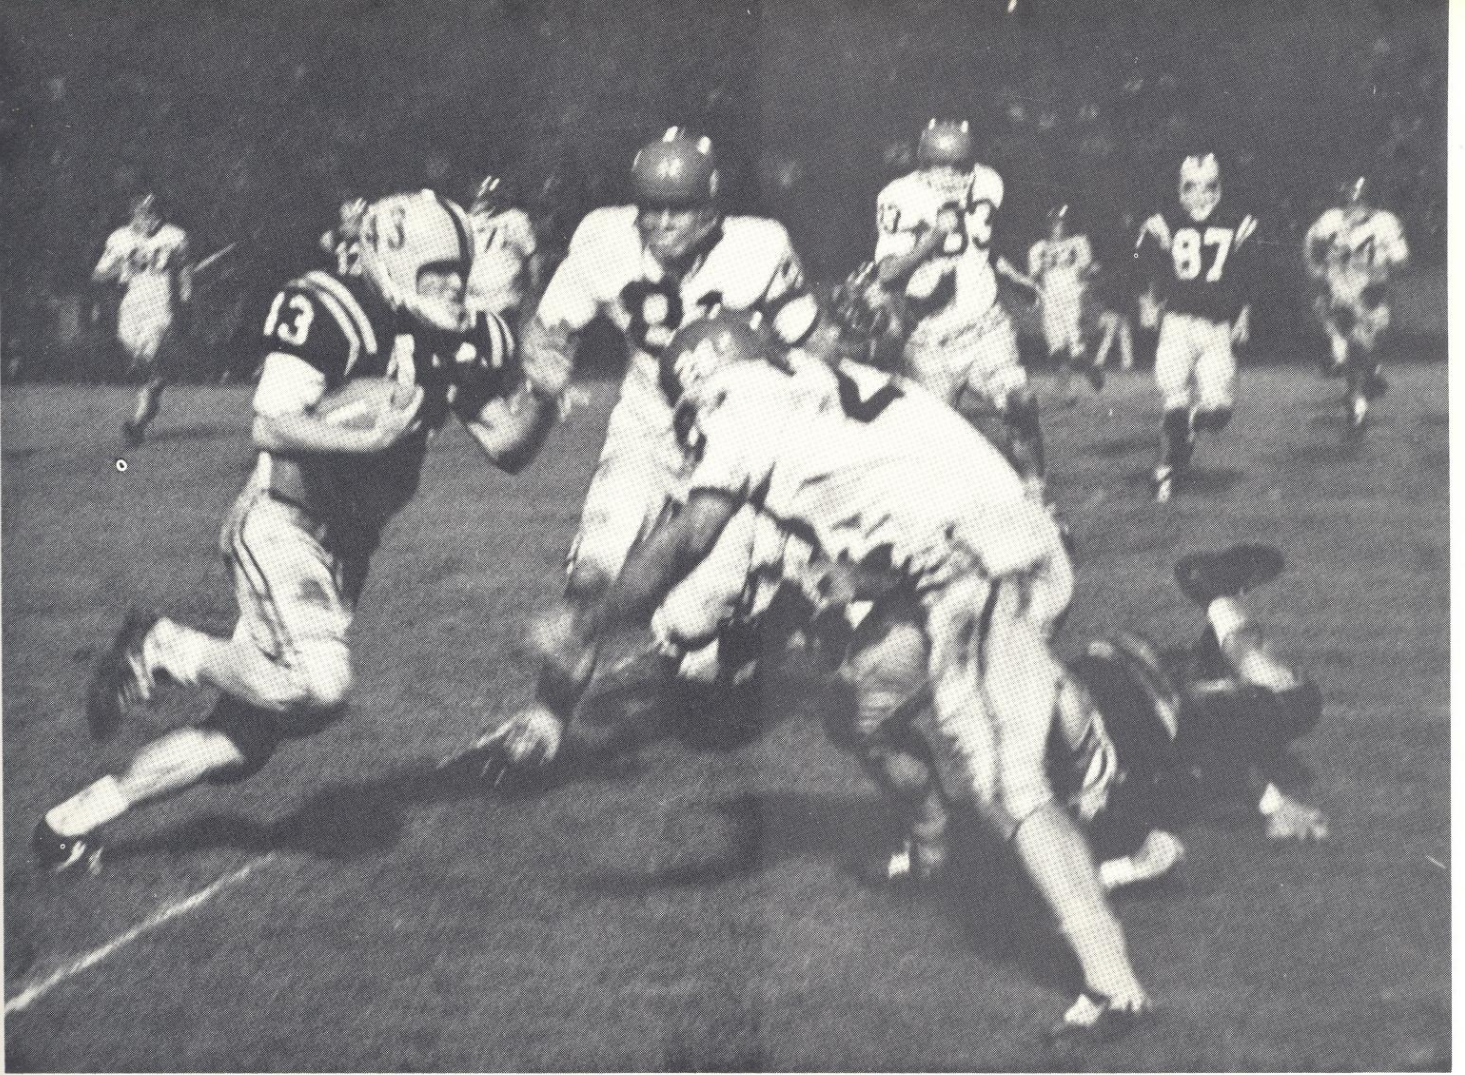

Florida State made its first big threat at the Tiger goal early in the fourth quarter. With 7 minutes to go, the Seminoles slipped across the line for their only score. A passing attempt for two points was unsuccessful, and the scoreboard read 16-6 as the final period ended.

FSU is Victorious 22-6 Over Richmond

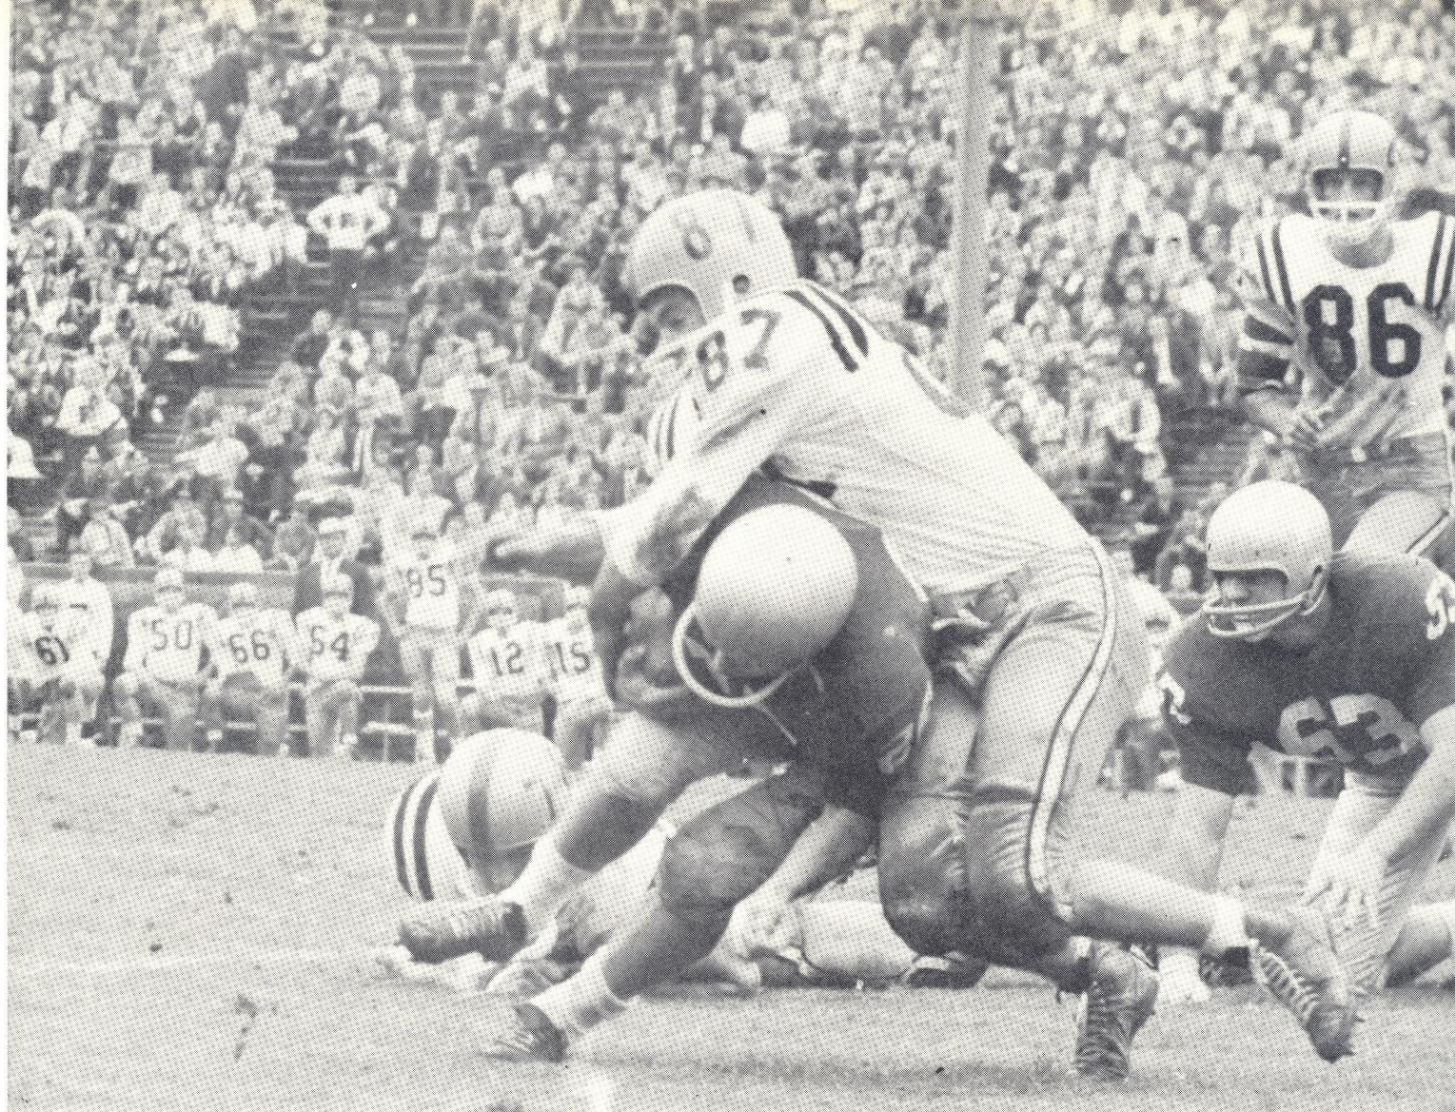

After a slow start, Florida State finally began to move over a tenacious Richmond eleven at Campbell Stadium, scoring the opening touchdown with two minutes remaining in the first quarter. The Seminoles added two extra points for an 8-0 lead.

Richmond gave the Seminoles a bit of trouble in the second period as they penetrated Florida State territory to the 18 yard line. In return, the Tribe made a 55-yard punt to Richmond and then zipped down field to stop them at the 20.

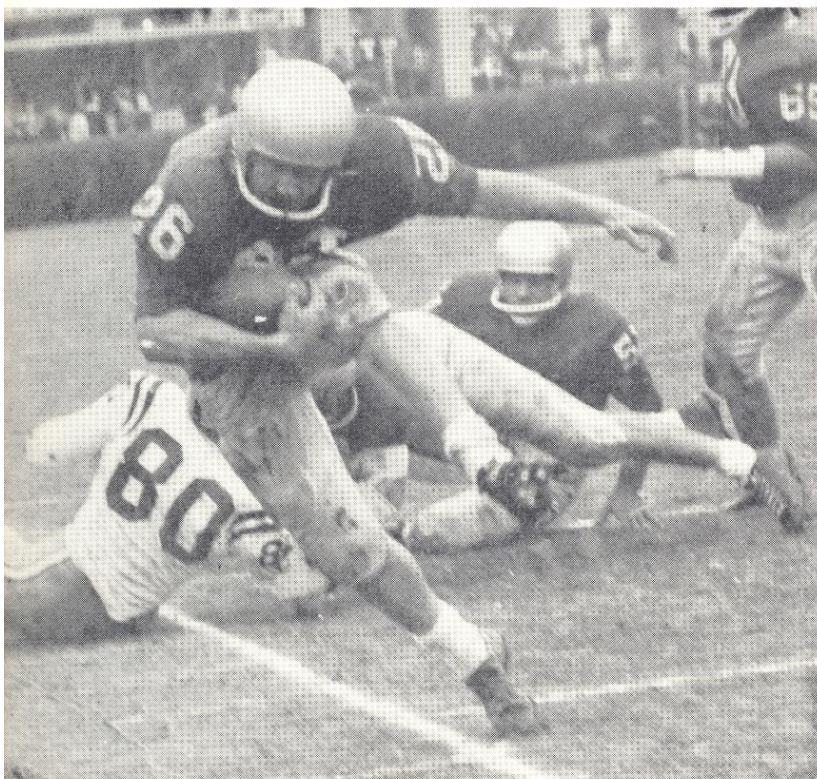

In the third quarter both squads tallied six points to advance the totals 14-6. With only forty seconds remaining in the game, the Seminoles went 67 yards for their third touchdown. With a wide slash to the side, they added two more points. A happy set of FSU Tribesmen walked off the home field sporting a 22-6 victory over the Richmond Spiders.

Bulldogs Maintain Mighty Bark 42-0

Thirty thousand football fans watched the Bulldogs swamp the Seminoles at Georgia's Homecoming game in Athens during the mid-1959 football action.

The Seminoles won the toss and held Georgia scoreless until the last minute of the opening quarter. By the end of the first half Florida State had failed to score and the Bulldogs led 21-0.

The Florida State eleven got a break as the second half commenced, but lost their scoring chance when they failed to make the much needed first down.

During the entire game Georgia displayed their ability in running and passing attacks which later won them the bid to the New Year's Day Orange Bowl game in Miami against Missouri. An additional 21 points were made during the final half; the scoreboard read 42-0 as time ran out.

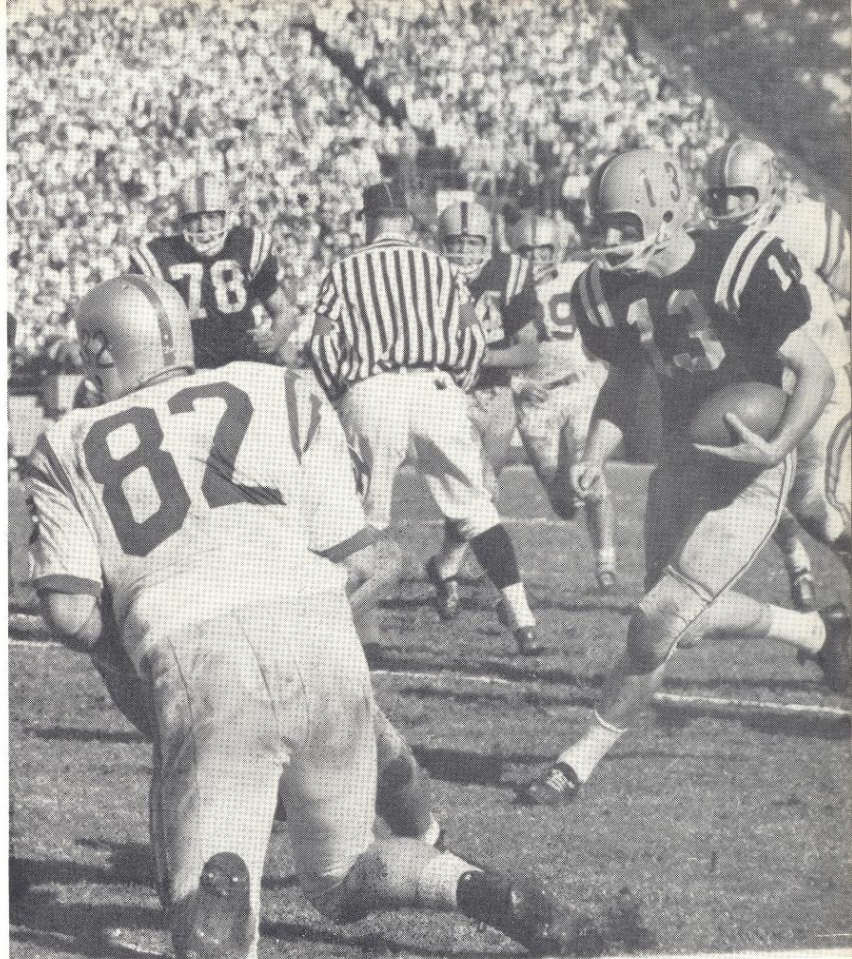

FSU is Defeated in Homecoming Contest

The 1959 Homecoming game against William and Mary started with W & M on the offensive after FSU chose to kickoff. The visitors got a break in the first period on a Seminole fumble.

William and Mary were helped by a pair of 15-yard penalties and a dazzling 47-yard pass on the first play of the second quarter. Their deepest penetration was to the four and a field goal which was a wide try from the twelve.

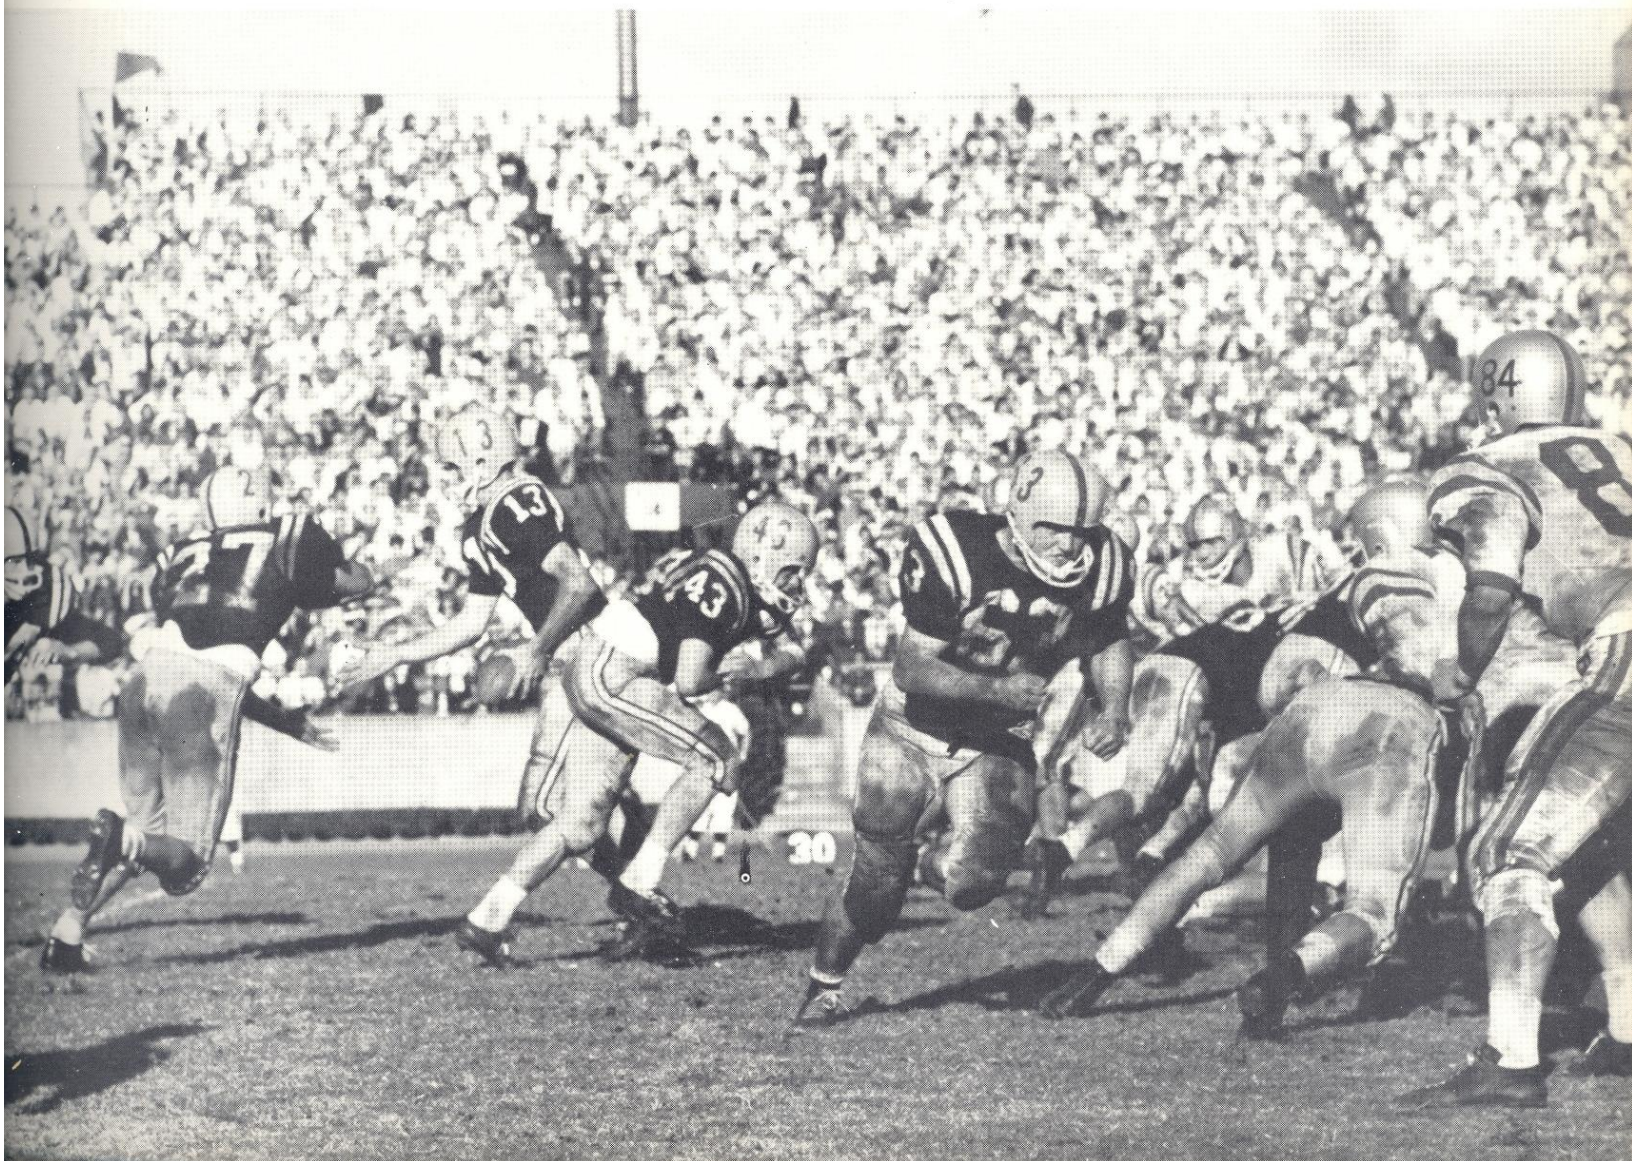

The third period began with several bruising runs and a climatic 41-yard sweep down the sideline by William and Mary. The standing score at the three-fourths mark was 6-0 as the extra point was missed.

With only three minutes left in the game, W & M verified their victory with a field goal, making the score 9-0, an upset, and the first Florida State Homecoming defeat since 1952.

Spirited Seminoles Bow to Gators 18-8

The biggest game of the year, against the University of Florida, opened in Gainesville as Florida State kicked off to the Gators before a cheering crowd of faithful supporters, students and alumni.

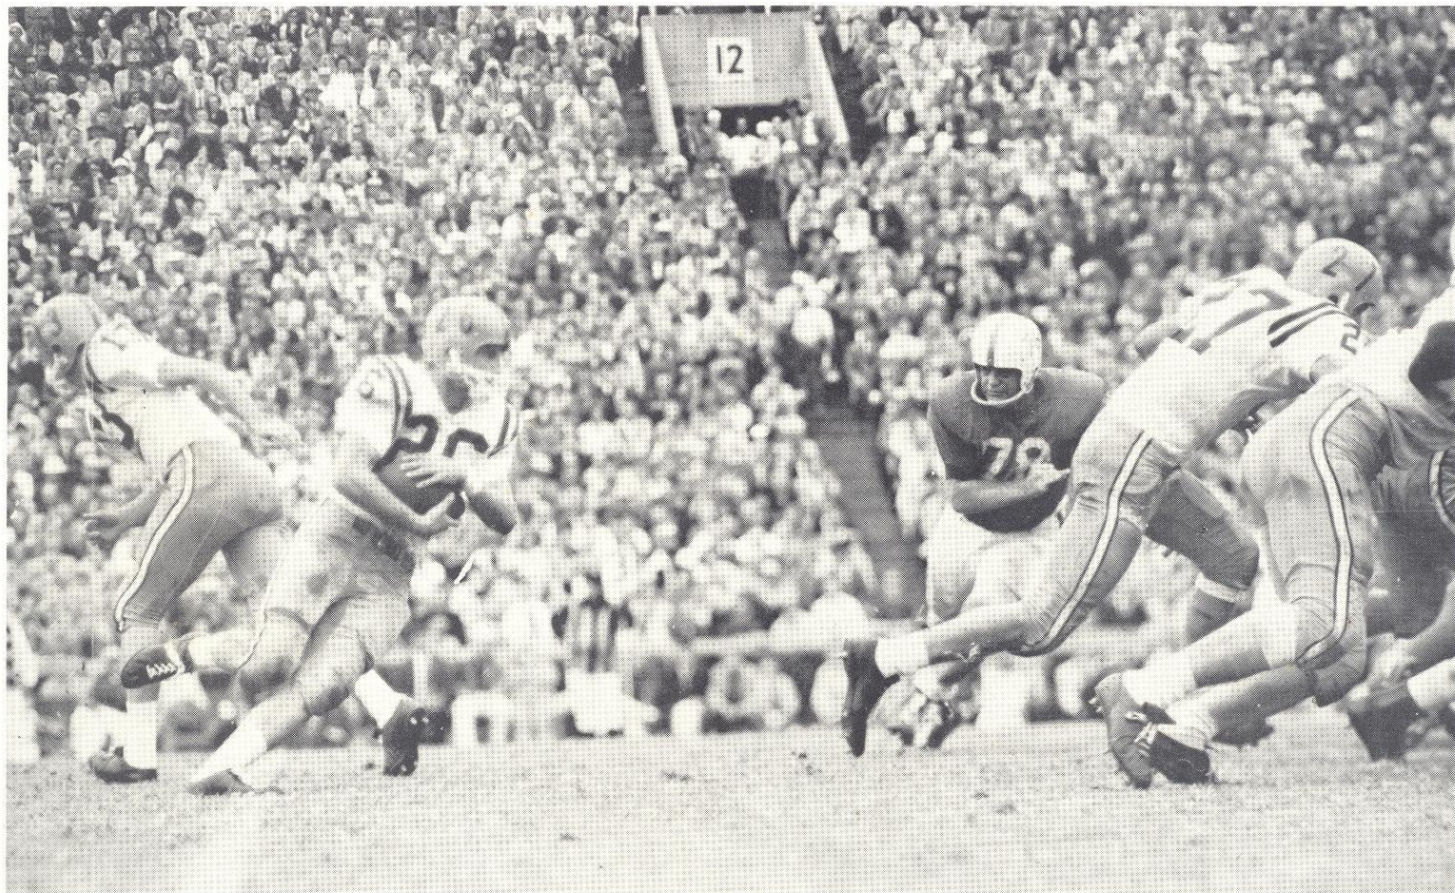

The Gators scored the first time they had possession of the ball and went 69 yards in nine plays for the first touchdown. FSU received the ball following an extra point miss.

The Seminoles used passing plays throughout the game. An exciting moment came during the first half when an FSU touchdown was called back because of holding.

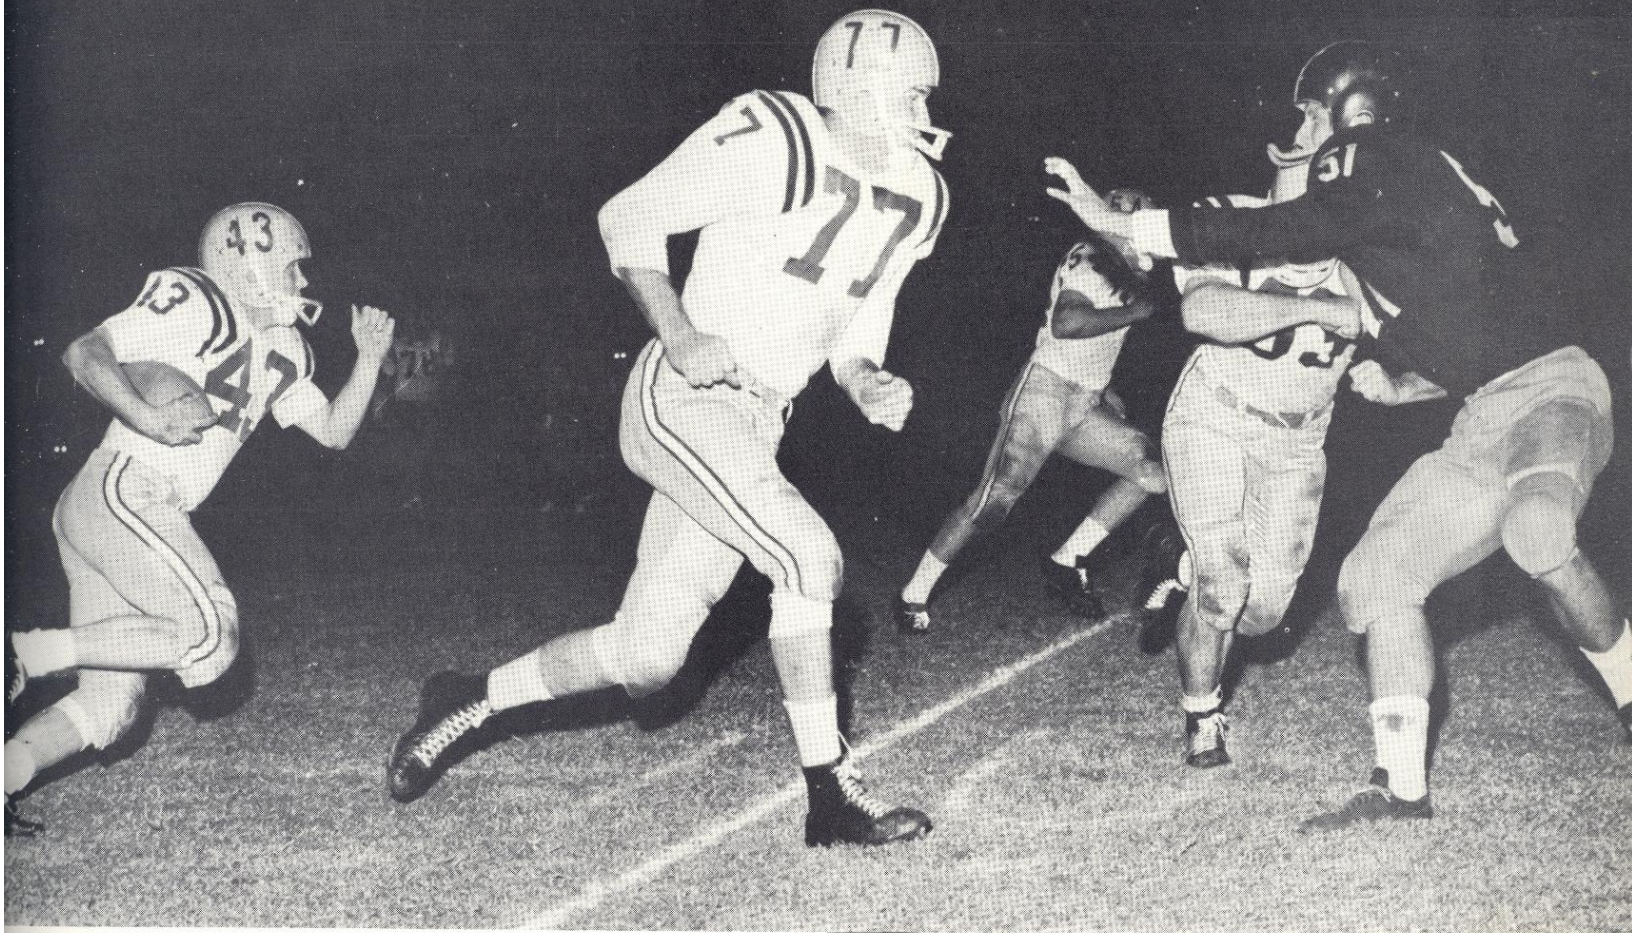

The Gators came through with 18-0 lead but not once did they get an extra point. With three minutes left in the game, the Seminoles made it through the Gator line and scored six points. A smooth pass over the one boosted the score 18-8, the final total.

Tampa Toppled by Florida State 33-0

The last game of the 1959 football season commenced in Tampa as 8,000 people viewed a brilliant aerial display of passes that set three school records.

The Spartans' first close-down opportunity was put to a halt by a clipping penalty. The Seminoles started the scoring with a 63-yard touchdown run and an extra point. Another TD was made during the last seconds of the half bringing the lead to 12-0.

The second half kickoff resulted in a 67-yard parade for the third Seminole touchdown. Florida State took another long drive to the goal, but fumbled. An automatic touchback was called as Tampa recovered the ball.

The Seminoles increased their lead 27-0 after a 31-yard punt by Tampa. With three minutes to go, FSU concluded a 75-yard feat producing the fifth TD. The final score read 33-0 in favor of the Tribe.

Swift-footed Cagers Defeat Major Foes

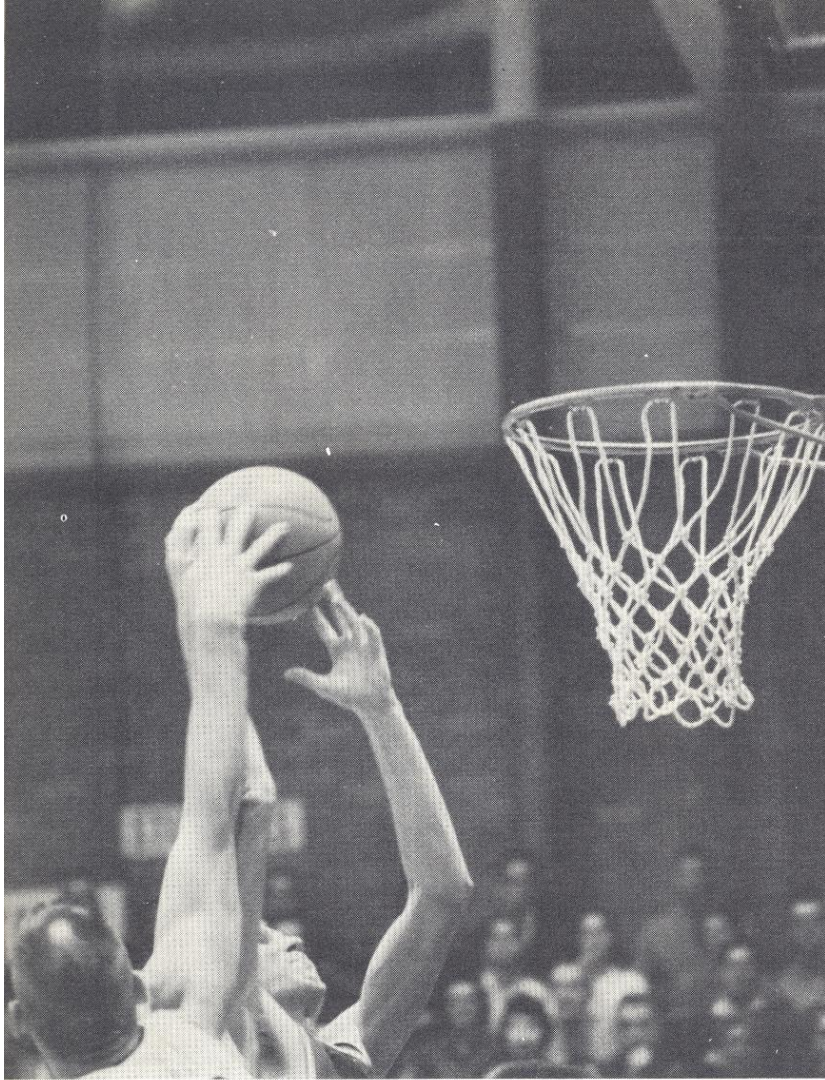

FSU's Seminole basketball squad faced the toughest independent schedule in the southeast this season ending with ten wins and fifteen losses.

Coaching the cagers for his twelfth year was J. K. (Bud) Kennedy assisted by tennis coach, John Powell. Only returning starter from the 58-59 season was forward Jim Savage, senior, who was backed by returning lettermen and classmates John Richter, Fred Woodward and Bob Casteel.

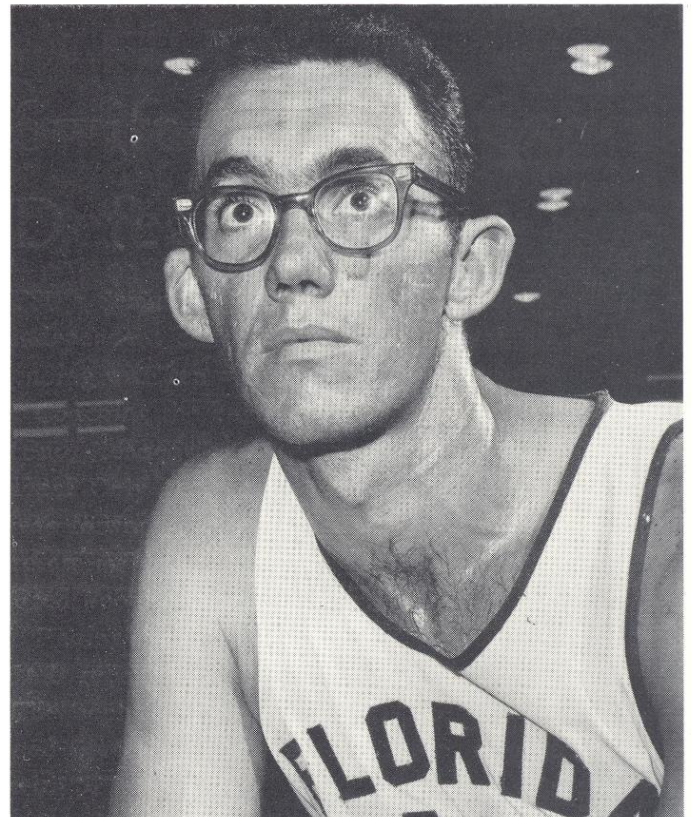

Pacing the Seminoles with a 21.5 average and a 16.0 rebound average was 6-6 center, Dave Fedor. The sophomore rookie of All-American caliber passed Hugh Durham's scoring record of 509 points with 527.

Small and fast hustler, sophomore Jack Davis, leads the team as a playmaker. His ball-hawking harassed many a visiting team.

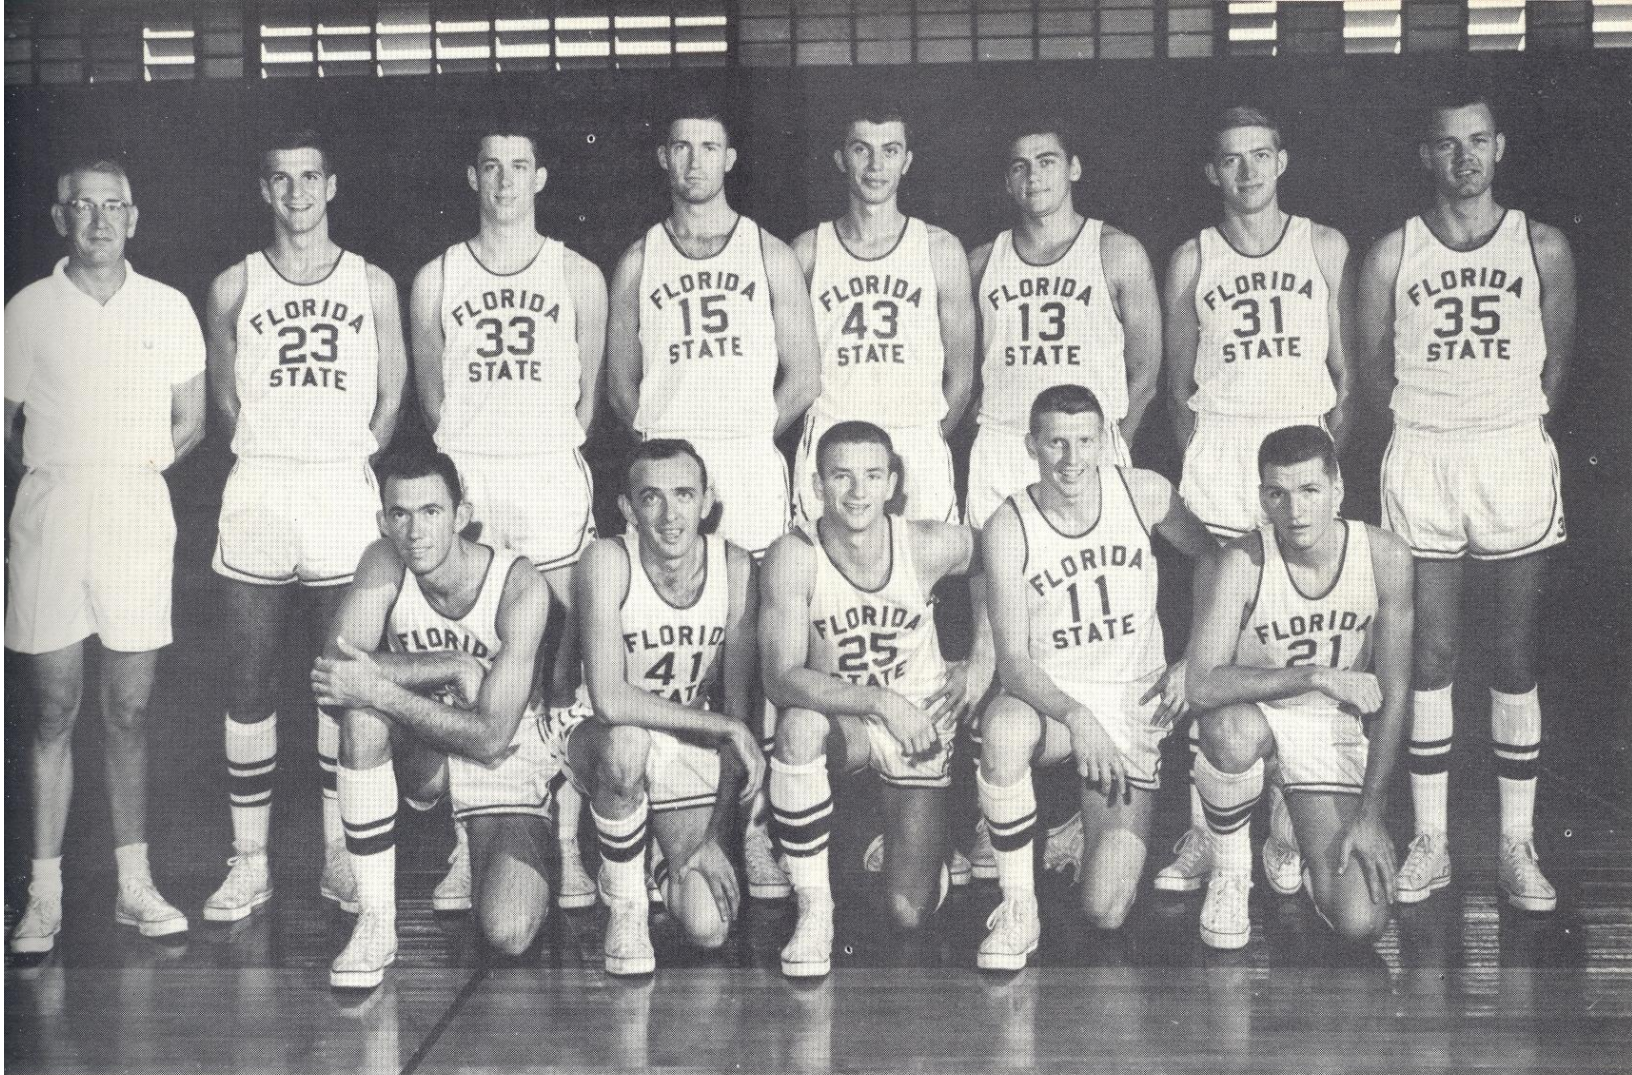

Bill Cotton and Roger Fruedenstein, transfers from Butler, added a tremendous boost. Sidelined the last half of the season were two guards, Rufus Ashworth and Fred Woodward.

Speedy Tank Team Stroke to Victory

The Seminole swimmers, under the direction of Coach Bim Stults, had one of their best seasons this year. Although they lacked in quantity, they had the needed quality claiming three All-Americans: Bucky Hiles, freestyle; Curt Genders and Bob Weber, diving.

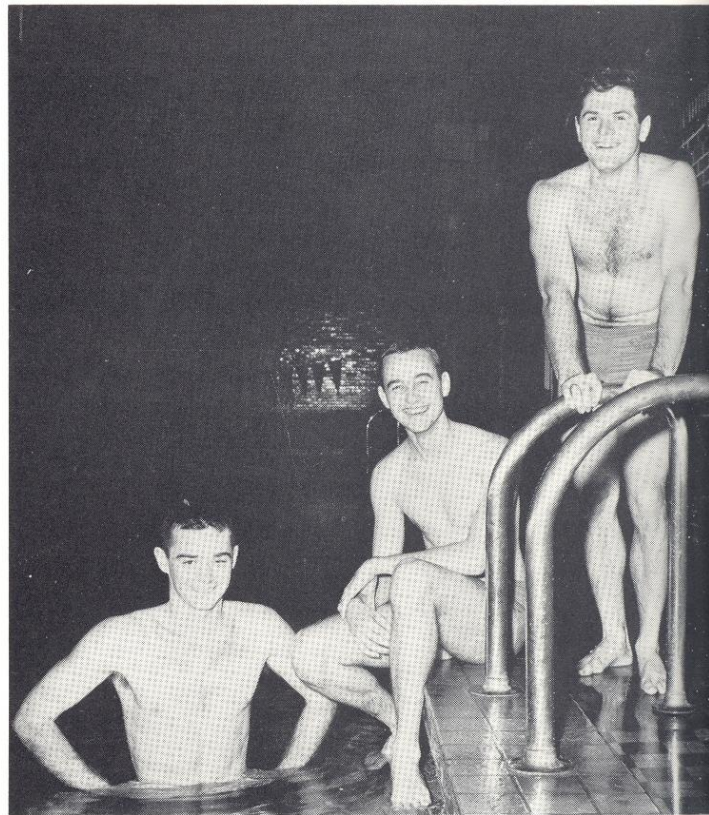

Last year the tankers had an eight win, one loss record. They beat the SEC Champions from the University of Florida twice and suffered their only loss to the Southwest Conference champs, SMU.

One of the top prospects for the season was Paul Thompson, a sophomore from Tallahassee, who was dependable in almost any event or distance. Other promising varsity tankers were Bob Abstein, Chic Beldon, Denny Flandreau, Tommy Mew, Glenn Mitchell, and Roger Simmons.

Among the up and coming freshman aquatic stars was Risto Pyykko, a New Yorker, who specialized in butterfly and individual medley events. Pyykko, along with the rest of the frosh squad will have the job of filling the places in team depth left by graduating seniors Weber, Tom Metz, and Tom Newell.

FSU Gymnasts Among Top Five in Nation

The Florida State University Gymnasts were once again in the National spotlight this year as they placed among the top five teams in the country.

Pacing the Seminoles were All-Americans Tom O'Connor on the flying rings and tumbler-trampolinist Jack Ryder. The varsity team compiled another outstanding record for dual meets.

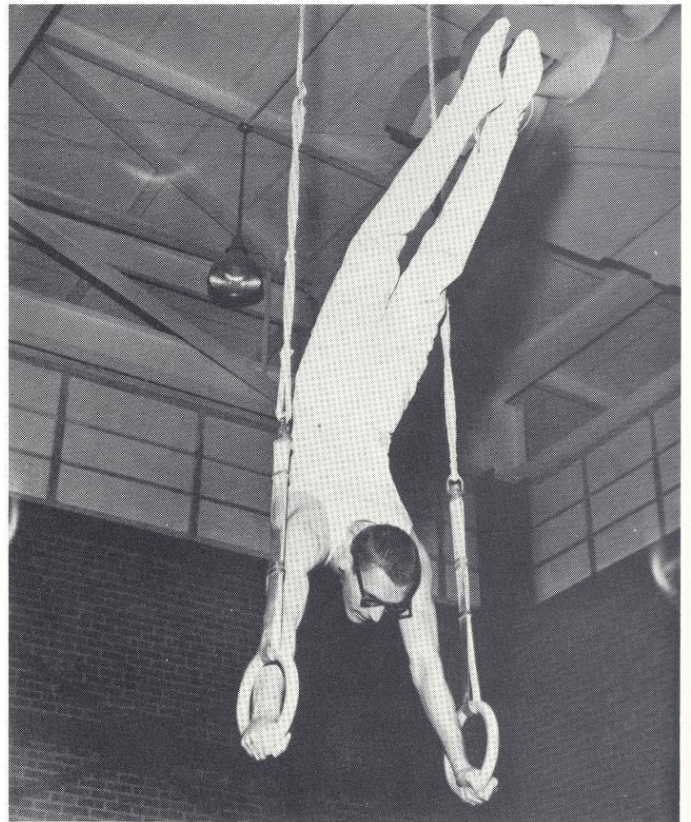

Leading the roll of all-around men was Rick Miller followed closely by Bill Beavers and Joe Boersma. Senior Colin Cameron was the high bar specialist while veteran Fernando Lecuona assisted the squad in still ring, parallel bars and side horse events.

Number one man on the flying and still rings was Tom O'Connor, a senior, who was aided by versatile Bob Christians, Number two man on the rings, high bar and the trampoline.

Tops in tumbling and trampoline events was Jack Ryder with Seminoles, Dave Carmolli and Bill Hackett also entering into the latter competition. Climbing the rope for the FSU Tribe was Jerome Edwards; Wayne Thompson gave support in the still rings.

Baseball Veterans Appear in Top Form

Four was a big number for Florida State's 1959 baseball team. With only four returning lettermen, the Seminoles won 20 games for the fourth straight season and made their fourth consecutive appearance in the four-team NCAA District 3 playoffs.

Heading the team's leading hitters was Bob Clem with a record setting average of .436. Next in line was Neil Martin, the Seminoles' outstanding outfielder, with a .343.

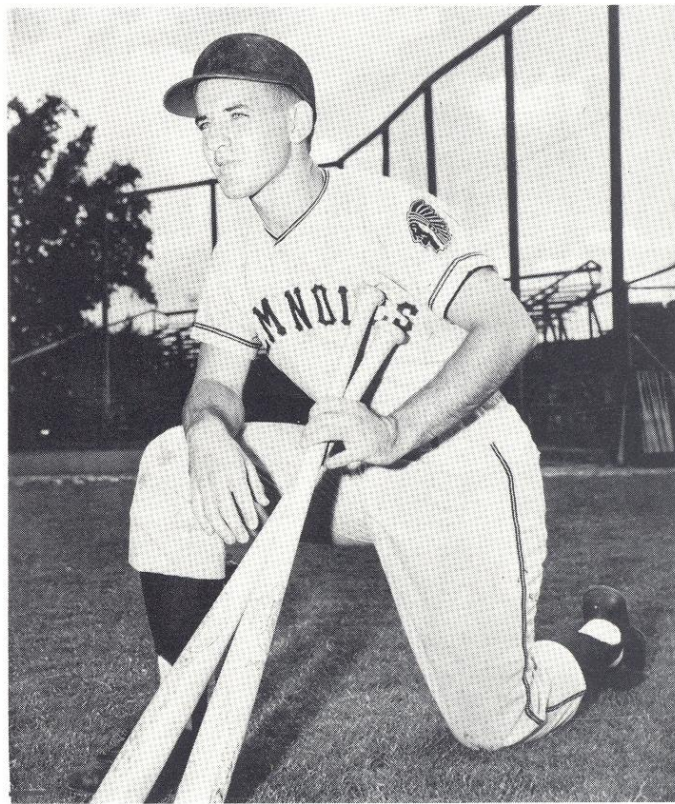

The pitching staff led by sophomore Frank Davis turned in steady performances time after time. Assisting Davis on the mound was the team's only high-hard thrower, Jim Daniel.

Power man on the team was third baseman Jack Dull, who belted six homeruns and drove in 37 runs for club records. Veteran first baseman Charlie Rogers and second baseman Ray Bazzell put in expert performances throughout the season.

With a veteran squad, having lost only two players, and a good freshman team, Coach Danny Litwhiler has great expectations for the 1960 season.

Strong Performances Shown by Trackmen

As the Seminole speedsters and fieldmen opened the 1959-60 season, they were expected to repeat another impressive record comparable to that of the previous season with only a single loss.

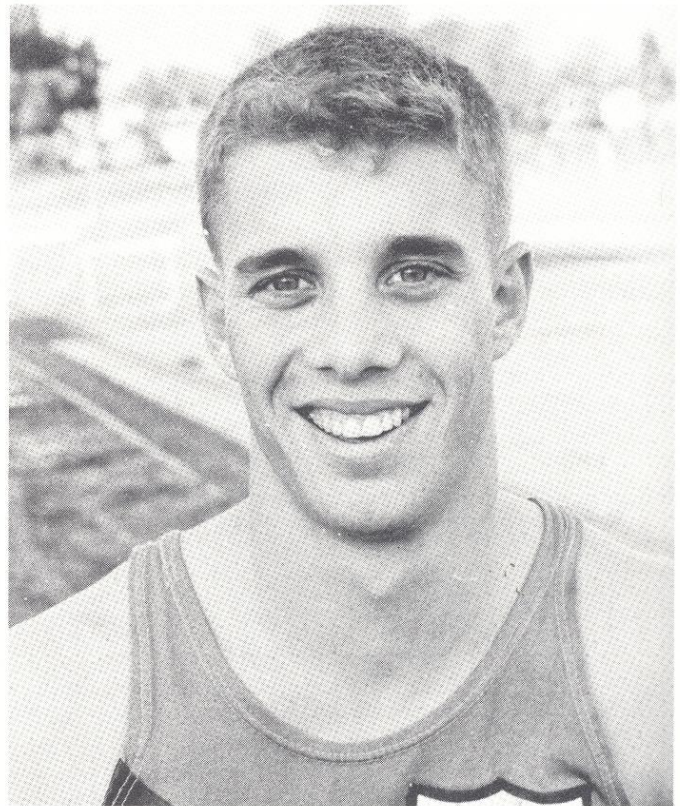

Coached by Mr. Mike Long, the cindermen showed strongest in the running events. Returning lettermen and NCAA Championship participants, Keen is the present elected captain of the squad and was the high point man of the 1958-59 season. Mills was the Florida AAU two-miler champion and holds the FSU record for the same event.

With 42 men on the squad, including eight returning lettermen, the talent was well proportioned. The strongest single event was the middle distances due to the greater number of participants in these events. The depth of the entire squad was sufficient to place in all events.

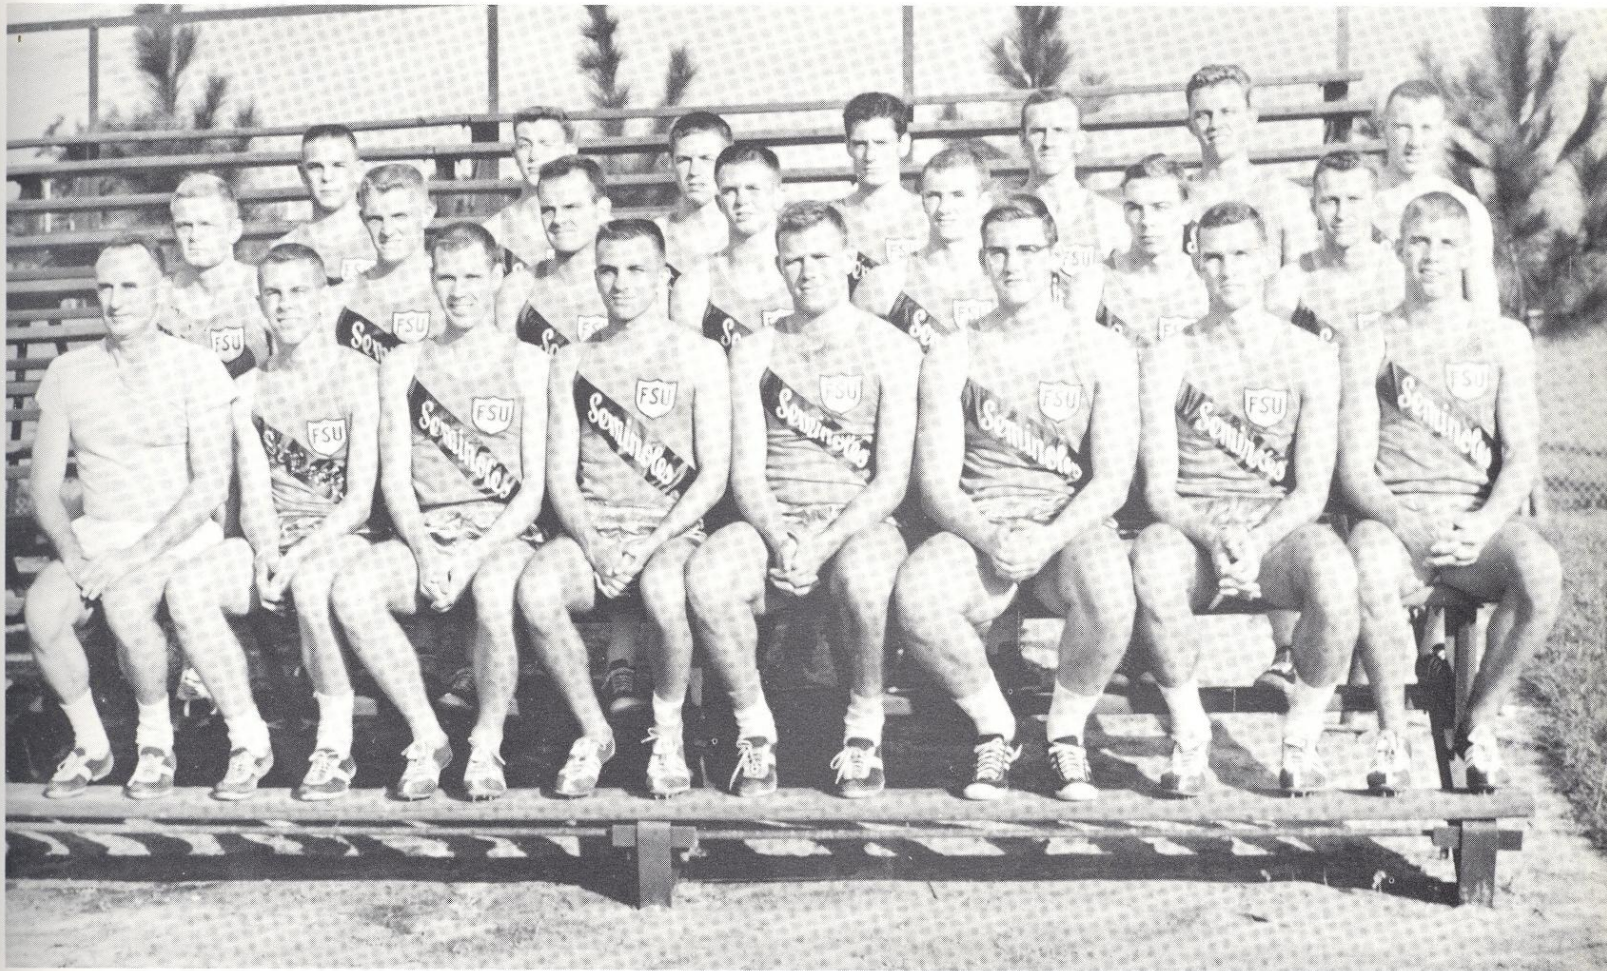

Up from the 1959 Frosh squad is a group of top-notch cinder talent. Among them is Quentin Till, quarter-mile Georgia AAU Champ. The overall team total again was impressive.

Opponents Challenge Fine Tennis Record

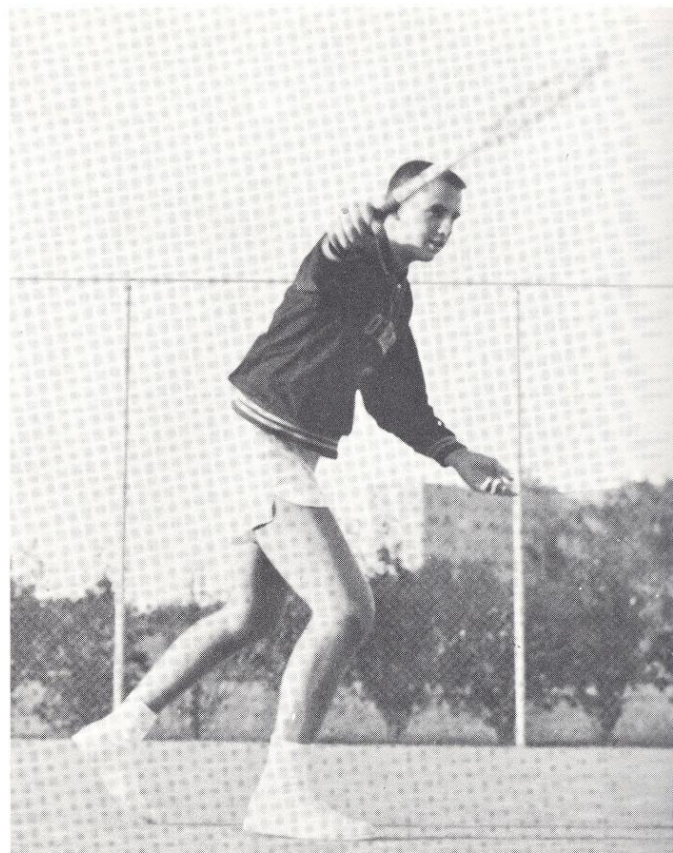

It will be hard to improve upon the fine record of Coach John Powless's 1958-59 Seminole tennis team which established a new school record of 12 consecutive dual match wins.

The 1959-60 team will again play a tough schedule with several new schools to be added such as: Clemson, Northwestern, Duke, North Carolina, and also teams from last year's schedule including U. of Miami, Florida, Michigan State, Southern Illinois, Wisconsin, Indiana, Rollins, Louisiana State, Georgia, and Georgia Tech.

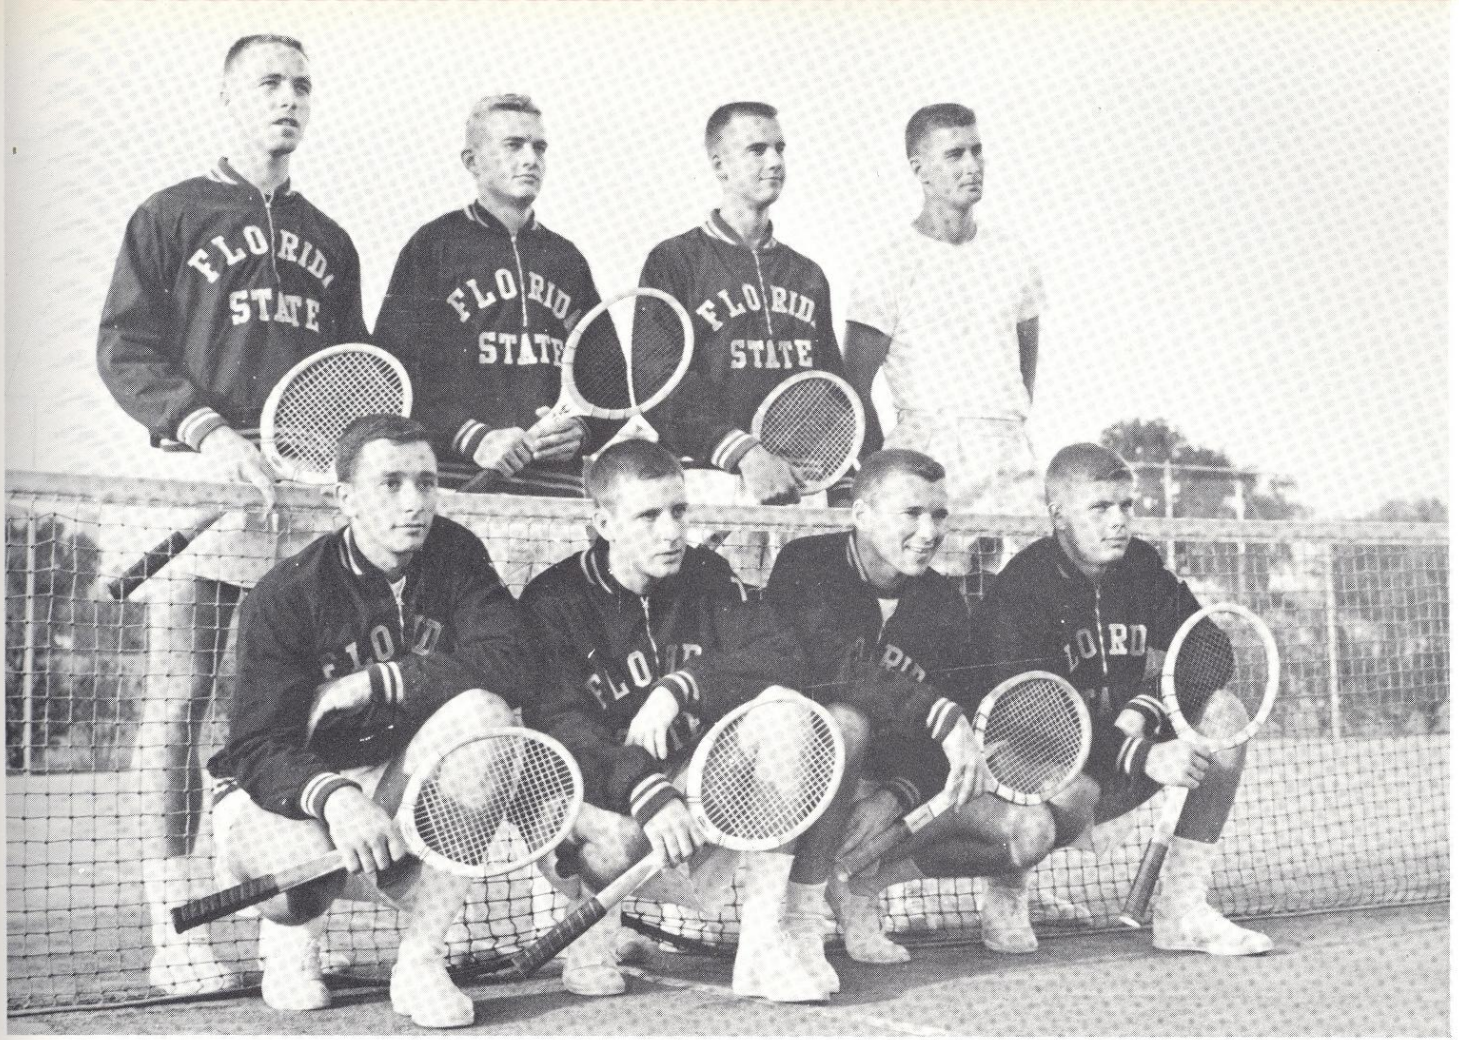

The only two returning lettermen are Rebel Bellamy and Howard Levy. Bellamy compiled a 13-7 record at #1 and #2 positions, and Levy won 15 and lost 5 matches, the most won by any FSU netter last season. Other men expected to bolster this year's squad are Alex Sutor, Buddy McClain, Pete Pylant, and two returning freshmen, Gordy Smith and Ed Fasula. The team looks forward to a successful season, but is aware of new challenges.

Linkster's Strength In Depth and Talent

Coach Bill Odeneal's golfers compiled an 8-5 record this past season. All but one of the team's losses were by one or two points, and could have been wins by the closest margins. The 1960 season should produce some good linksters having sufficient depth and fine talent.

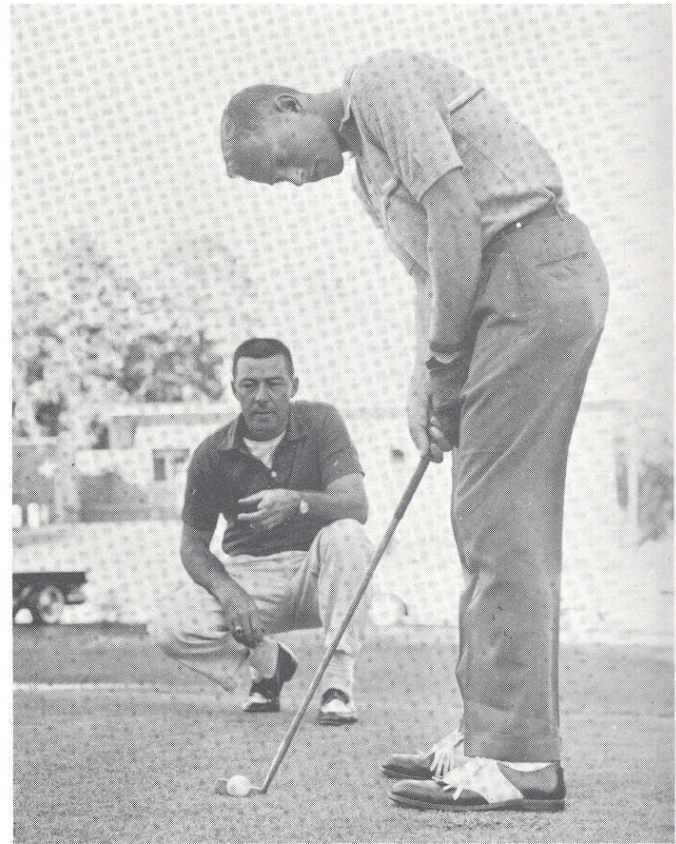

Several of players to be watched are Frank Malara, a junior from White Plains, New York; Dick Dunlap and Downing Gray, juniors from Pensacola and John Fraleigh, a senior from Madison, Florida.

Coach Odeneal's team has produced several top-flight golfers. Bob Shave was selected to the NCAA All America squad last season and Frank Malara is expected to gain All American honors during the forthcoming season.

On schedule for the 1960 season are the NCAA Tournament in Colorado Springs, Colorado and Florida State's first Spring Invitational to be held in April with Vanderbilt, Kentucky, Ole Miss, Tennessee and Florida expected to participate.
