Head Softball Coach JoAnne Graf gives signs to bring in the go-ahead run. The winningest head coach in softball history enters her 29th season as the Seminole dugout boss and expects to reach the College World Series for the program's eighth time. Graf's 1,355 total wins are 149 ahead of the next closest coach but the greatest honor came on April 2, 2005 when the field was officially named "JoAnne Graf field at the Seminole Softball Complex."

Scouting their opponents in the NCAA tournament, Head Coach Debbie Dillman strategizes with her player about what to anticipate while facing their opponent. Dillman, who is in her 21st season at Florida State, has led the Lady Noles to top-20 national finishes in the past five years. In the past four years, Dillman has coached the Lady Noles to the NCAA Tournament four times and has produced six All-ACC selections, which helped the Lady Noles improve their ACC standing.

Running out of the tunnel and onto the field, Head Coach Bobby Bowden has the team by his side ready to take on the Clemson Tigers. College football's most winningest head coach paves the way with his young team for a shot at his third national title. Bobby Bowden has led the Florida State Football Program to new heights, such as being the only school to finish among the Associated Press Top Five for 14 consecutive seasons, a feat no team in college football history can match.

Haggins was a four-year letter winner and popular team leader for the Seminoles from 1986-89. He earned Kodak, Walter Camp, and UPI All-America honors as a senior in 1989 and was a second team Associated Press selection as a junior in 1988. COACHES

Under the direction of head coach Bill Peterson and then wide receiver coach Bobby Bowden, T.K. Wetherell was a star receiver for the Seminoles. He still holds the record for the longest kickoff return ever in the history of the university.

Derrick Brooks was a star line-backer during his four years playing for Florida State. Brooks excelled off the field as well, as he earned Academic All-American honors in 1993 and 1994. Even after joining the NFL, Brooks returned to FSU to graduate with a Masters Degree in 1999. Brooks also currently serves on the Board of Trustees for the University.

Hugh Durham was a great asset to Florida State both as a player and a coach, but what many people don't know is that he almost played football for Kentucky. It may have been a fluke that Durham ended up playing basketball at Florida State, but the Seminoles are certainly lucky that he did.

FOOTBALL

Warrick Dunn is without a doubt the best running back Florida State has ever seen. With rushing yards in the thousands, Dunn broke school records with each passing season. Dunn was a three-time All-ACC pick and was also named to the ACC All-Academic team. He was a first round draft pick by the Tampa Bay Buccaneers in 1997, and later signed with the Atlanta Falcons as a free agent in 2002. Dunn has made two Pro Bowl appearances, one in 1997 and the other in 2000. In addition to being a superior athlete, Warrick Dunn has not been a stranger to charitable giving since joining the NFL. His "Homes for the Holidays" program helps single mothers own their first homes. Dunn later established the Warrick Dunn Foundation, which is "dedicated to providing opportunities for economically disadvantaged single parents and children who have demonstrated a commitment to achieve financial independence and stability." Dunn demonstrates dedication to both athleticism and to improving the world around him.

FOOTBALL

Derrick Brooks is a standout among FSU athlete alumni. After graduating in 1995, Brooks was a first round draft pick by the Tampa Bay Buccaneers. As team captain, he helped lead the Bucs to their first Super Bowl Championship in 2002. Brooks has made a record nine consecutive Pro Bowl appearances and was named 2006 Pro-Bowl MVP. He has also been honored as 2002 NFL Defensive Player of the Year and AP Defensive Player of the Year. Derrick Brooks has devoted his life not only to football, but to giving back to the community as well. His philanthropic efforts have made him a co-recipient of the 2000 Walter Payton/NFL Man of the Year Award and winner of the 2003 Bart Star Award and 2004 Byron "Whizzer" White Award. "The mission of Derrick Brooks Charities, Inc. is to provide educational opportunities for socio-economically challenged youth that will instill, inspire, broaden, and develop cultural and social vision outside of the walls in which they live to ensure that these young people have every chance to develop into the strong and productive leaders of tomorrow."

TRACK & FIELD

After graduating from Florida State in 1991, Kim Batten's career in track and field took off. She was a U.S. Outdoor champion 6 times, in 1991 and 1994-1998. In 1995 she was also the Pan Am Champion. That same year, she achieved what is perhaps her greatest accomplishment by setting a World Record in the 400 meter hurdle that still stands today. Batten was a 1995 world champion and 1997 world bronze medalist. She made two appearances in the Olympic Games, first in Atlanta in 1996 where she took home a silver medal, and again in Sydney, Australia in 2000 where she struggled due to injury. Now that Kim Batten has retired from the track, she resides here, in Tallahassee.

He is the all-time wins leader at 3 different schools, and the only coach to take two different programs to their first and only Final Four. In 1972, Durham led Florida State to the NCAA Championship Game. In his own playing days, Hugh Durham was a highly decorated star of the FSU basketball team. He racked up 1,381 points during his 3-year career here, and many of his records still stand in the FSU record books. Durham's 43 points against Stetson in 1957 ranks 2nd all-time at FSU for a single game. Florida State's team MVP award was renamed the "Hugh Durham Most Valuable Player" award in 1999. Durham has coached some of basketball's best players, including nine All-Americans, four Academic All-Americans, four first-round NBA draft picks, and two Olympians. Fifteen of his players went on to play in the NBA. Not only has Hugh Durham been a model for players, but for coaches as well. He considers himself "a coach's coach," and was honored with the naming of the Hugh Durham Mid-Major Coach of the Year award that is given each season in his honor.
