DOAK S. CAMPBELL
President

Welcome!

On behalf of the faculty, students and alumni of the Florida State University, I extend this cordial greeting upon the occasion of the resumption of a program of competitive athletic sports. Friends of the University have been most generous in their support of every activity and every interest which the institution promotes. As we enter upon a new and larger realm of service we confidently expect the continued support of all who are interested in the welfare of our youth and the future of our great State.

DOAK, S. CAMPBELL,
President, Florida State University

**WOMEN'S FINE FOOTWEAR
SINCE 1924**

F. S. U. AND THE DIXIE CONFERENCE

Beginning with the football season this fall, the athletic fortunes of Florida State University are tied in closely with the newly organized Dixie Conference. The members of this Conference are Florida State University, Howard College, Lambuth College, Mercer University, Millsaps College, Mississippi College, Oglethorpe University, Stetson University and University of Tampa. At present but five of these schools in addition to ourselves have football teams. We play all except Lambuth.

Two dominant points of view brought about the establishment of the Dixie Conference:

1. The only justifiable purpose of athletics in an educational institution is the education of students.
2. A university should conduct a program of amateur, not professional, athletics.

It should be understood, therefore, that the boys whom you see play in Conference games are playing solely for the love of the game. They receive no compensation in any form whatsoever except the fun and recognition derived from the game.

It is important that the Conference be understood and supported by as many people as possible. Years ago athletics in the colleges began because boys wanted to play for the sheer fun of playing. Sport was a game, not a business. The Dixie Conference is a step toward the recapture of this ideal.

H. G. DANFORD

Howard Danford has been athletic director for Florida State University since September, 1947. He came to this institution from Madison, Wisconsin. He is secretary-treasurer of the Dixie Conference.

HEAD COACH DON VELLER

Coach Veller is a native of Indiana. He played football for the Hoosiers from 1931 to 1935. After graduating from Indiana University he accepted the head coaching job at Elkhart High School where he remained until he went into the Army Air Corps in 1942. After the separation from the service he accepted the position of head football coach and athletic director at Hanover College in Madison, Indiana. He left this position, after a year, to become an assistant coach at his old Alma Mater. He came to FSU in the summer of 1948 to accept his present position.

COACH CHARLES ARMSTRONG

An Air Corps veteran, Armstrong returned to grid warfare at Indiana University in the fall of 1945. He played on Indiana's Big Ten Championship team that year. He was a place-kick specialist while in college. Coming to FSU in the spring of 1948 he handled the Seminole's first baseball team and spring football practice.

COACH BOB HARBISON

Bob (Mousetrap) Harbison, the youngest coach on the staff and possibly the youngest in the country, just graduated from Indiana University this past summer. He was a very fine guard for four years there and finished his intercollegiate career by playing in the Blue-Gray game in Montgomery, Ala., last December.
