## *Welcome*

We are glad to welcome the friends of Florida State University to the opening game of the 1951 football season. Our Seminoles are today hosts to the "Red Wave" of the Troy State College of Alabama.

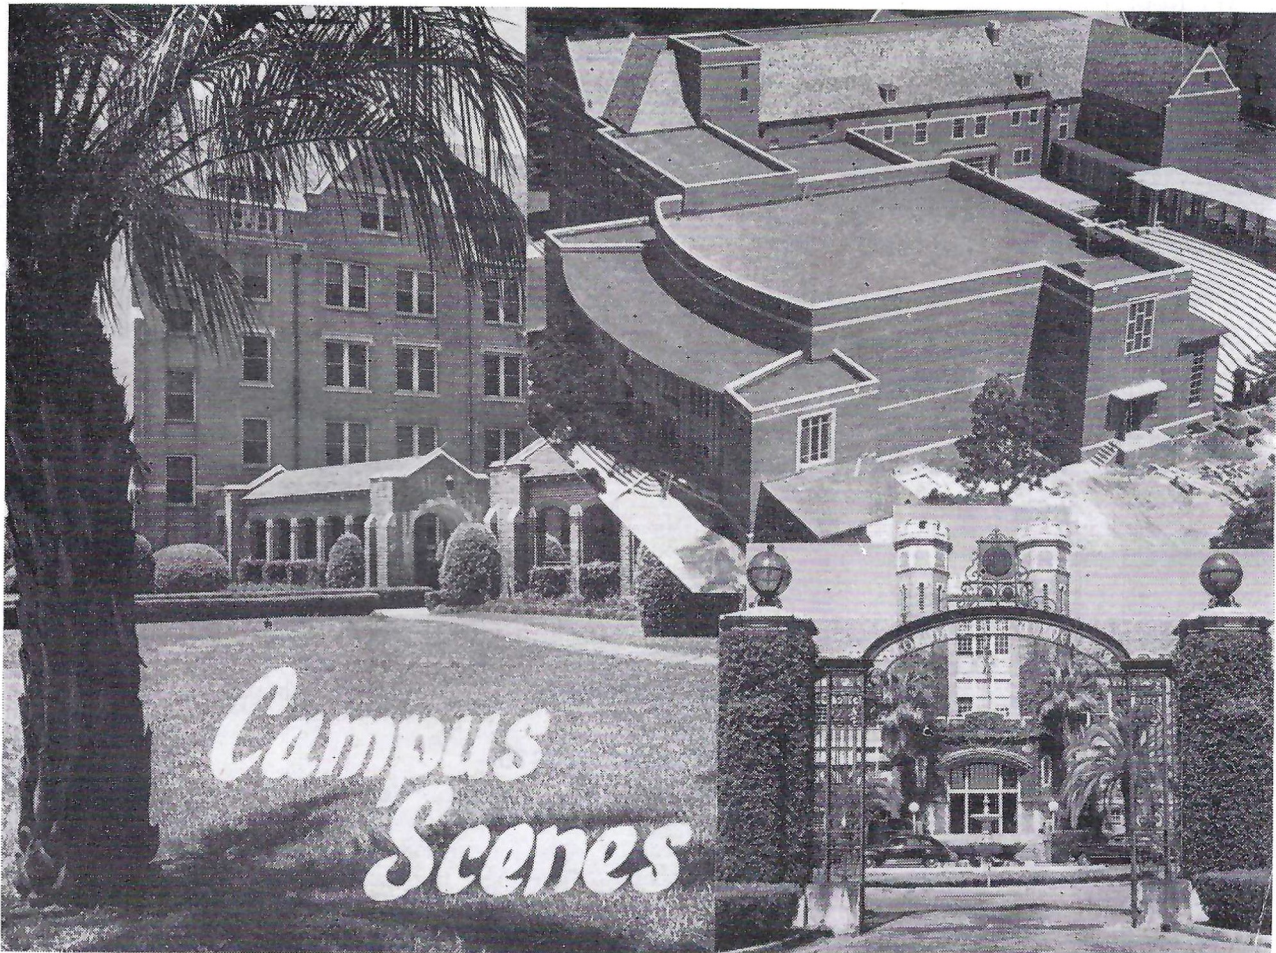

Troy State College, under the able direction of President C. B. Smith, is making a notable contribution, particularly in the field of teacher education.

On behalf of the entire student body and faculty and especially the "Seminoles," I express appreciation for your presence and your support.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "C. B. Smith".

President.

## MEET THE SEMINOLES

Guard **BILL DAWKINS** of Miami, an Intercollegiate All-State and All-Dixie Conference selection last year, is playing his fourth season as a regular for Florida State and will captain the team. . . . Bill sets a great example for the ball club by his own stellar play and has fine leadership qualities. . . . He is a physical education major and hopes to coach in the state after he graduates in June. . . .

**GUARDS**—**CHARLIE BOOTH** of Lakeland is a Sophomore with lots of promise. . . . **CHARLEY BROWN** of Monongahela, Pa., will also be used as a tackle and line-backer on defense. One of the best newcomers on the squad. . . . **MAC HUEY** of Tampa lettered at quarterback last year, outgrew the backfield and is learning fast as a lineman. He plays tackle or backs up the line on defense. . . . **BOB SCHMELZ** of Willoughby, Ohio, like Captain Dawkins, is starting his fourth season as a Florida State regular. He was an All-Dixie Conference selection last Fall and is expected to have his greatest year. . . . **ROGER SLABAUGH** of Mishawaka, Ind., may be the best of the Freshmen candidates at this position. . . . **BOB TULLY** of Tallahassee was a reserve on the 1949 Seminoles. Bob has lots of fire, likes it rough and backs up the line on defense. . . . **BOBBY WALKER** of Augusta, Ga., is a newcomer who is improving. . . .

**TACKLES**—**VERN FREEZE** of Mishawaka, Ind., is a promising Freshman who also punts well. . . . **JOHN KARLOWICZ** of Fairbank, Pa., is a newcomer who is outstanding on defense. . . . **DONALD LINTON** of Port St. Joe was a reserve fullback on Florida State's 1950 eleven. He's learning fast as a lineman. . . . **DOSSEY MERRITT** of Lakeland is the largest man on the 1951 Florida State squad at 243 pounds. Dossey, a Freshman, handles his weight well and may become a great player if he continues to develop. . . . **ERNIE NAGY** of South Bend, Ind., is a big newcomer who could help if he can stay away from the injury jinx that seems to follow him. . . . **EARL O'NEAL** of Valdosta, Ga., was a letterman guard last year and looks even better at tackle. Earl is one of the most aggressive players on the squad. He plays guard on defense. . . . **NAT POLAK** of Miami is another promising Freshman who lacks experience. . . . **VIC SZCZEPANIK** of East Rochester, Pa., is one of the two returning lettermen tackles. He likes the going rough and is at his best on offense. . . . **BOB WODRICH** of Miami lettered at Florida State as a Freshman last Fall and is expected to play lots of ball. He is also battling an early season injury jinx. . . . **GORDON DAVIS** of Fort Myers, **TOM NADRICH** of Youngstown, Ohio, **CHUCK SANDERS** of Monongahela, Pa., and **GEORGE KIRBY** of Tallahassee are all unproved Freshmen. . . .

**CENTERS**—**BUDDY BRYANT** of Perry was a letterman on Florida State's first football team in 1947 and has been out of school since. . . . He could help plenty if and when he gets back into shape. . . . **STEVE KALENICH** of Barberton, Ohio, was the Seminole's regular center last Fall and is expected to do better this year. . . . **ED LOCKARD** of Jacksonville is another returning letterman at center. **MARVIN MOLLNOW** of Jacksonville Beach looks good at times—he's a newcomer. . . . **TOMMY OWEN** of Webster was a reserve center last year and is expected to have a great year. . . . **BILL WHALEY** of Ocala is a promising Freshman who has scrap but lacks experience. . . . Ditto **JOHN MURCHEK** of East Chicago, Ill., and **EARL BROWN** of Tallahassee. . . .

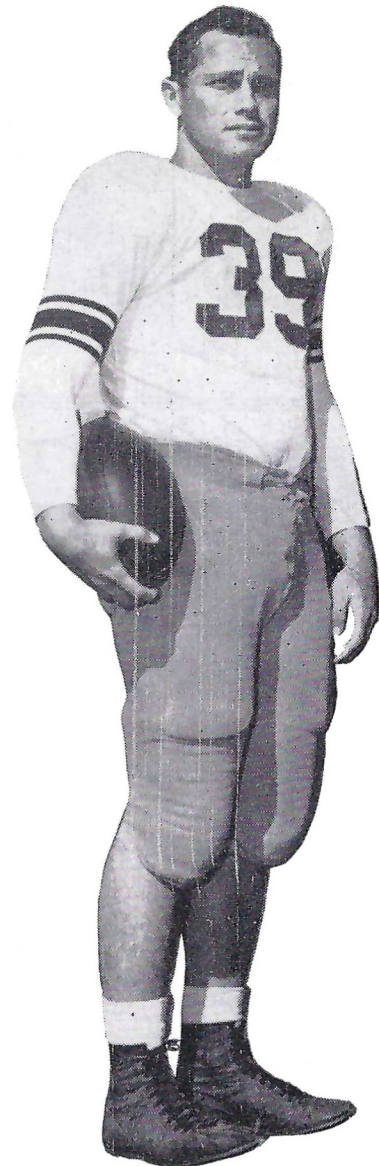

**ENDS**—**JIM ARNOLD** of Bainbridge, Ga., is one of the smallest men on the squad and one of the surest tacklers. . . . He was a defensive standout for the Seminoles as a Freshman last year. . . . **CURTIS CAMPBELL** of Pensacola is a returning letterman who is a fine pass receiver and is equally good on defense. . . . **BILL DRIVER** of Girard, Ill., was the Seminoles' regular quarterback last season and is looking even better at end. . . . **JOE ROBINSON** of Coral Gables seems to be the most promising Freshman end. . . . **BOB WHITMER** of South Bend, Ind., is a fine pass receiver and blocker. . . . Big and rangy. . . . Bob could be great this Fall if he catches fire. . . . Newcomers **GENE BRIDGES** of Pensacola, **JERRY ELLENWOOD** of Fort Wayne, Ind., **AL GARRETT** of Sarasota, **TED MORRILL** of Miami and **MANUEL MOSHONAS** of Tarpon Springs are still unknown quantities. . . .

**QUARTERBACKS**—**PRESS BRADLEY** of Lake Wales lettered as a fullback last year and has looked even better in his new blocking back role. . . . **TOM SEBRING** of Tallahassee is the best passer of the quarterbacks and also punts well. . . . **JIMMY LEE TAYLOR** of Tampa, a newcomer, is a good blocker and may also be used as a defensive end. . . . **DICK TURK** of South Bend, Ind., gained lots of ground for the Seminoles as a fullback last Fall and will probably be used at two positions this year. Dick's ability as a blocker prompted his shift to quarterback. . . . **GERALD SMITH** of Miami and **JOHNNY SHEPPARD** of Tallahassee are promising Freshmen. . . .

**HALFBACKS**—**PHIL ALVERS** of Pomona Park was a reserve last year. . . . **WAYNE BENNER** of LaPorte, Ind., is a great defensive halfback and a good punter. . . . **HARRY BRINGGER** of Winter Haven is one of the fastest men on the squad, a shifty runner, good pass receiver and fine defensive halfback. . . . **TOMMY BROWN** of Tallahassee, rated one of the finest pass defense backs in the South, will also do most of the Seminole's punting. . . . **BOBBY FIVEASH** of Bainbridge, Ga., is a Sophomore with great promise as a runner and passer. . . . **GARY FOLSOM** of Jacksonville is at his best when throwing the ball. Gary is a returning reserve. . . . **ERNIE HUGGETT** of Mishawaka, Ind., is the Seminole's kickoff and extra point specialist. . . . **NELSON ITALIANO** of Tampa is the number one tailback of Florida State's single wing attack. Nelson passes and punts well, and is an outstanding runner. . . . **ROY THOMPSON** of Wrightsville, Ga., is probably the best of the new players on the squad this season. Fast, shifty and a hard runner, he is a touchdown threat every time he gets beyond the line of scrimmage. . . . **TOM MASSEY** of Gary, Ind., and **AL WOODHAM** of Albany, Ga., are the unproved newcomers. . . .

**FULLBACKS**—**GEORGE CARNES** of Tampa is a promising Freshman who is at his best on defense. . . . **GEORGE GRAHAM** of Santa Rosa, Calif., is a hard, fast runner. . . . **RONALD KING** of Daytona Beach, a Sophomore, is big and looks great at times. . . . **MIKE SELLERS** of Barberton, Ohio, was an intercollegiate All-State and All-Dixie Conference selection last year when he paced the Seminoles in scoring. Great on offense or defense, Mike is expected to have his best year. . . .

**STUDENT MANAGERS**—**HAL LEDDY** of New York, N. Y., and **JOE LONG** of Winter Haven. . . .

## THE TROY STATE RED WAVE

By Warren Sasnett, Director of Sports Publicity

Modern Troy State Teachers College was founded in 1887 as a State Normal School, with administrative and school buildings located in the heart of the city of Troy, Alabama.

In 1927 the institution was moved to its present site on a tract of 310 acres in the southeastern section of Troy. The city of Troy lies 50 miles southeast of Alabama's State Capital, Montgomery, and has a population of around 10,000.

Troy State is a coeducational institution with an enrollment of around 1,000 students.

In 1935 Troy was admitted to the S.I.A.A., and is still a member. Troy was also a charter member of the now disbanded Alabama Intercollegiate Conference. Troy, as a member of the A.I.C. won two Alabama Intercollegiate Conference grid titles and two baseball pennants. They also hold one A.I.C. consolation basketball trophy. In 1939 and 1941 Troy annexed the football titles, and won baseball crowns in 1939 and 1949.

The "Red Wave" dropped intercollegiate football in 1942 because of the war. They rejoined collegiate ranks in 1946 with an abbreviated collegiate program. They played seven games.

In 1947, under the leadership of Buddy McCollum Troy returned to full-time competition.

Athletic teams of Troy State are known by such nicknames as "Red Wave" and "Wavemen." The school's colors are Crimson and Black.

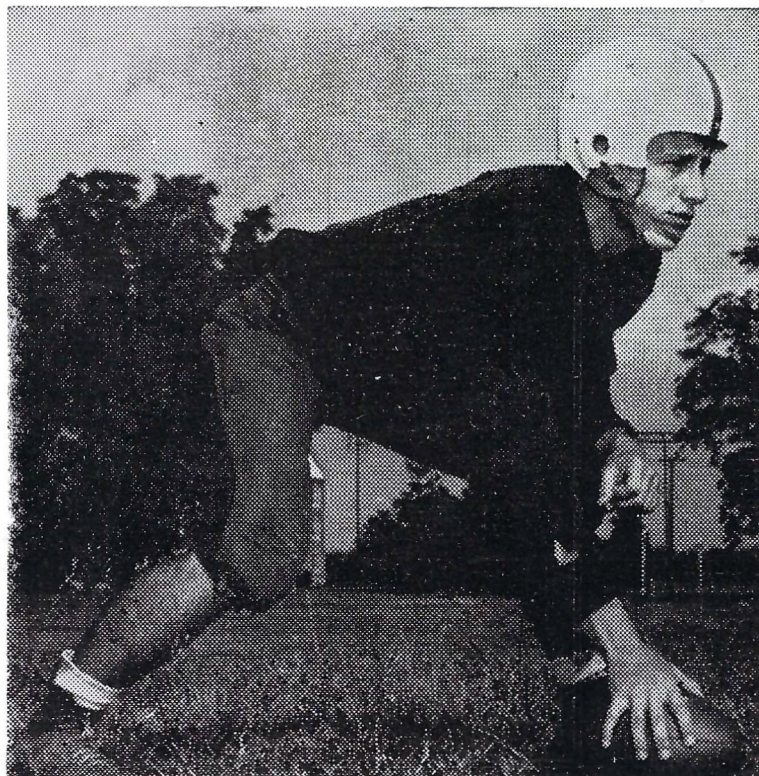

Leaders of the Wavemen for the '51 season will be two outstanding backfield performers.

Allen "Tater" Harrell who hails from Montgomery, Alabama, will captain the "Red Wave." Ersell Beck, 165-pound defensive ace, from Sweetwater, Ala., will act as alternate-captain.

Harrell is a brilliant quarterback, and will do most of the signal calling this season. He is a junior, 5-9 and 175 pounds.

Ersell Beck, known as the "Sweetwater Comet" will lead the defensive eleven. He will also do most of the punt returning.

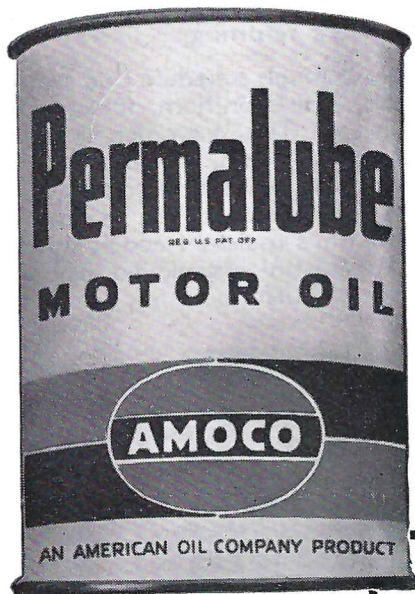

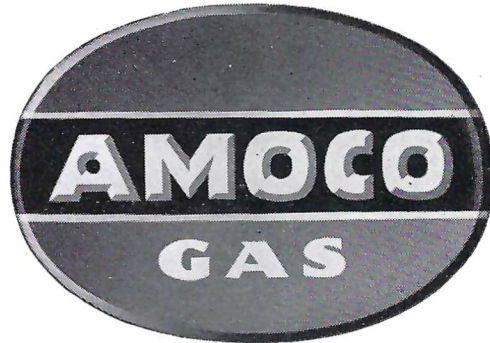

Troy faces a tough schedule this season under a new coach, Jim Grantham, former University of Alabama star. The Wavemen will be Grantham's first college team. He came to Troy from Peekskill (N. Y.) Military Academy where his teams have gone undefeated in their last 17 starts. Grantham's assistant coach this year will be Leonard Serfustini who played his college ball at University of Buffalo.

## FLORIDA STATE SONGS

### F. S. U. FIGHT SONG

You got to fight, fight, fight, for F. S. U.  
You got to scalp 'em Seminoles.  
You got to win, win, win, win, win this game  
And roll on down and make those goals.  
For F. S. U. is on the war path now,  
And at the battle's end she's great;

So fight, fight, fight, fight, to victory  
Our Seminoles from Florida State.

### ALMA MATER

High o'er the towering pines our voices swell,  
Praising these Gothic spires we love so well:  
Here sons and daughters stand, faithful and true  
Praising our Alma Mater, F. S. U.

## CLOCK-RADIOS

You won't miss a play or a program with the "World's Most Useful Radio." It's a radio, a clock and an electronic servant. Dependable G-E electric clock turns radio and home appliances on and off automatically. Has extra tube to bring in distant stations sharply, clearly. Rich cordovan plastic cabinet.

MODEL 422

A new General Electric feature—a traveling dial light has been incorporated into these models. Known as the "Dial Beam," it automatically spot illuminates the dial when the receiver is turned on. As the pointer is moved from station to station, the light travels with it and spotlights each numeral on the dial face. This new feature helps the listener to tune in a station quickly and easily, and is particularly useful in darkened rooms. Choose from congo brown or alabaster ivory plastic.
