## FLORIDA STATE VS. DUQUESNE

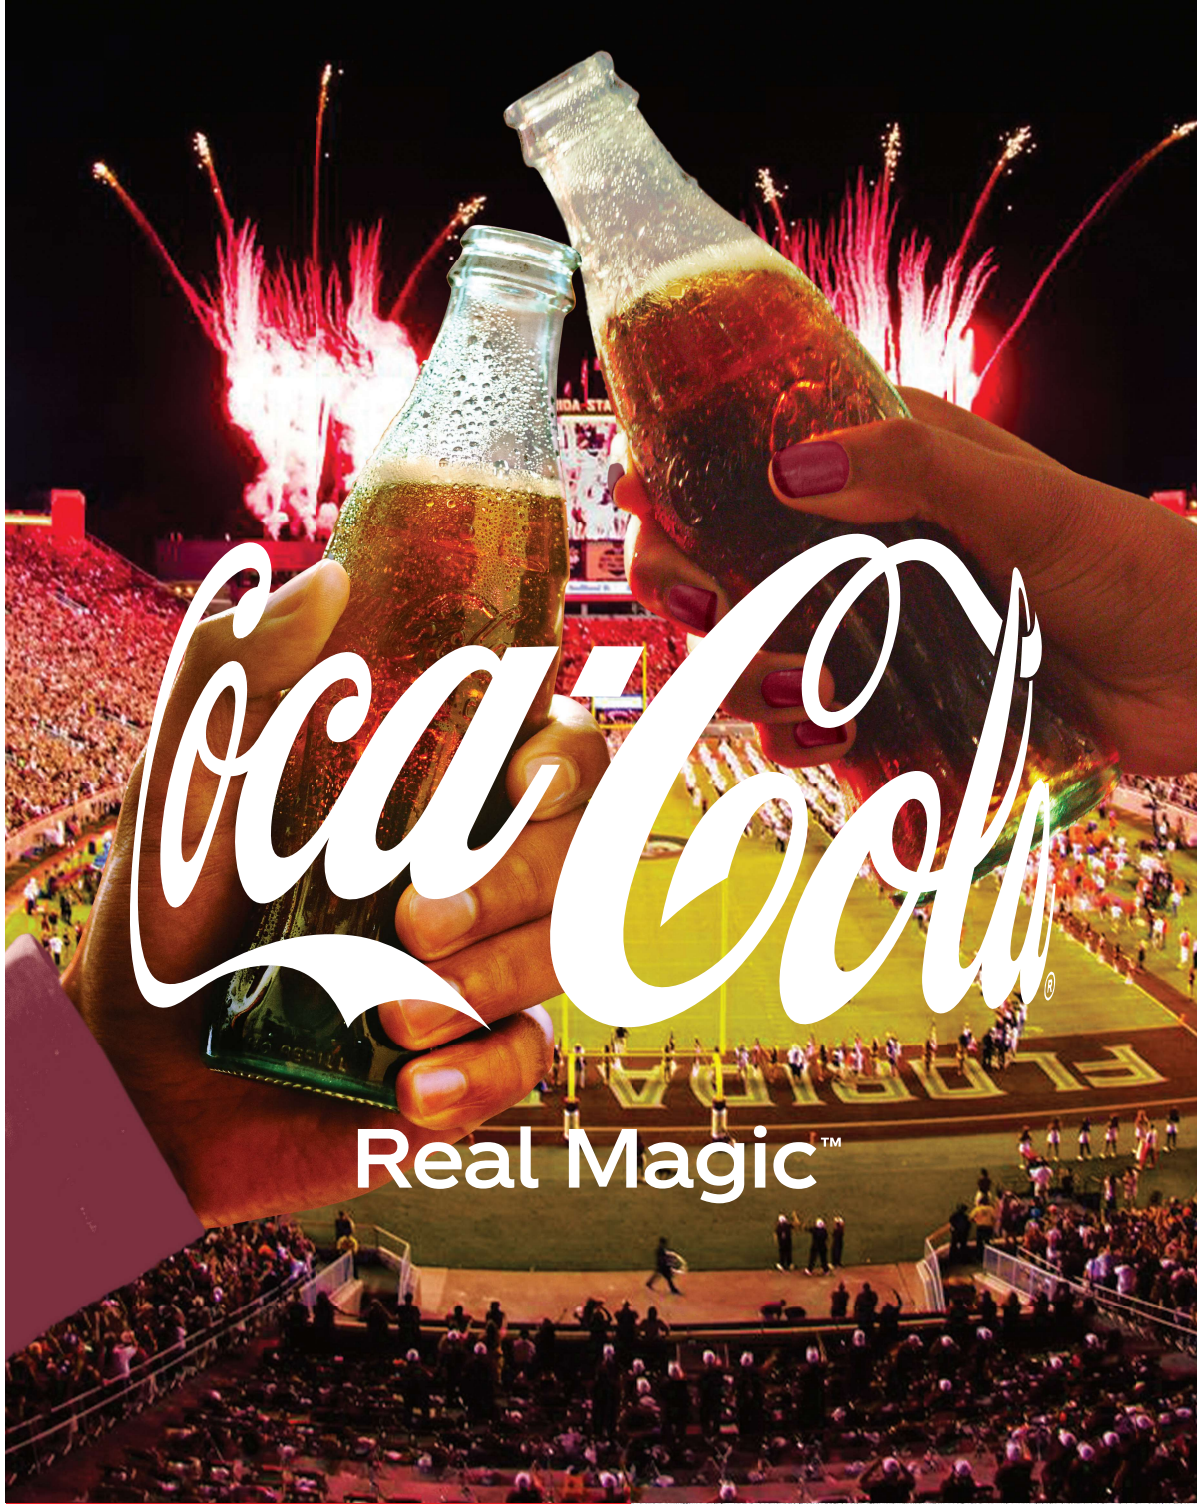

Florida State hosts Duquesne in the earliest game in Doak Campbell Stadium history, with the previous earliest home opener being a 41-7 victory over Louisiana Tech on August 28, 1999. This season's opener is the earliest for the Seminoles since a 38-31 win over Iowa State in Kansas City on August 24, 2002.

Florida State is 11-1 (.917) all-time in the month of August.

FSU is 30-11 (.732) all-time when opening the season at home, including an 18-5 (.783) mark since 1975. Overall, the Seminoles are 54-21 (.720) in season openers.

Florida State is opening its season in Tallahassee for the fifth straight season, its longest stretch of season-opening home contests since 2008-12. The only other time FSU played at least five straight openers in Tallahassee is 1954-62.

Florida State enters year three under head coach Mike Norvell building off the end of last season when the Seminoles won five of their last eight games. FSU continues to grow through development as the 2022 roster features 84 underclassmen with only 12 seniors.
