

Special To The Democrat

MEMPHIS, Tenn. — Memphis State's Tigers used a second-half splurge after some early-moment fitters to turn back Florida State, 93-69, here last night.

It was Memphis State's second victory of the season over Bud Kennedy's Seminoles, who bowed to the Tigers by three points at Tallahassee last month.

The hosts failed to score from the field for the first five minutes last night. But after intermission, the Tigers found the range, twice hitting five straight from the field.

Memphis State also hit 10 straight free throws in its hot second half.

FSU's Hugh Durham, back on the beam after a three-game run in which he scored but 27 points, paced the roadweary Seminoles with 25 points.

The Tribe returns home today for a five-day rest before meeting Oklahoma City's Chiefs in Tallahassee next Monday. FSU has a 7-12 season record.
