COACHES' COMMENTS

Game 6

UAA -- Ron Abegglen

I was really proud of the guys the way they made a second half comeback ... it's too bad when you make that kind of comeback and can't pull it off.

(At halftime) I told them I did not think we were out of it, if we cleaned up our act ... and played basketball ... We're capable of being explosive like that .. and we're capable of playing some good defense.

(On FSU's final shot) We didn't have any good offside rebounding and he (Boyd) made a tough shot.

FSU -- Pat Kennedy

I tried to convince our kids that when Alaska Anchorage is in this tournament, they don't play like a Division II team. And they played like a Division I team today.

I was very happy with our first half, up by 20 points. Then we showed our youth and inexperience ... a lack of leadership ... These are things we have to work on.

We mishandled the ball so poorly in the second half ... I really think it's a lack of concentration.
