

Pitching one of the finest games of his career in weather better suited to football, Lockard mowed down the Hurricanes in order every inning but the first, third and ninth.

One of the three Miami players who reached first by walking was caught stealing in the opening frame; the lone Miami hit was a single to left field by Howie Schoen in the third, and Lockard issued his other two free passes in the ninth. He struck out eight and has not permitted a run now in the last 25 innings he has pitched this season.

Florida State got its other markers two in the fourth, two in the fifth and one in the eighth.

Wayne Benner, who is interning at Florida High here in Tallahassee and gets to play with the team only on Saturdays and night games, paced the Seminoles at bat with three hits in four trips. Catcher Ronnie Melton, with two singles, was the only other Florida State player to get more than one safety.
