

GAINESVILLE — Randy Brown slammed an extra-inning homer Saturday to give the Florida State University Seminoles a 5-4 victory and a split of a baseball doubleheader with the University of Florida Gators.

The towering blow over the right field fence in the eighth inning complemented the efforts of pitcher Marty Howell, who came on in the fourth inning and struck out nine Gators, making a total of 20 strikeouts for him in two days' work.

The Seminoles did not fare so well, though, in the first of the two seven-inning contests.

Cliff Ranew, FSU's winningest pitcher who had won seven

and lost only one, threw away in the fifth inning his chance to end his season with a victory. Opposing pitcher Danny Eggart had singled and Ranew tossed wild to first trying to pick Eggart off. The Gator hurler then moved from second to third when Ranew unleashed a wild pitch. Eggart scored on a sacrifice fly by Tom Shan-

non.

Seminole catcher Ken Suarez tied it up in the next inning with a homer, but the Gators inched a 2-1 victory in the seventh when Jim Duncan doubled home Eggart who had walked.
