

Seminoles Drop Defensive

Battle to N. C. State, 13-7

DOBOSZ GETS FSU SCORE

Injured Tribe Leads 7-6 After 3 Periods

Special to The Democrat

RALEIGH, N. C., Oct. 25—A 70-yard runback of an intercepted pass by all-Southern Conference halfback Alex Webster on the first play of the fourth period, gave the North Carolina State College Wolfpack a hard-earned 13-7 victory here today over an injury-riddled Florida State University football team.

A homecoming crowd of only 6,000 was present to see the tilt, a defensive battle by any standard, featuring hard line-play and marred by numerous penalties.

For some 45 minutes and no seconds it appeared that the young Florida State team could hold its precious 7-6 scoreboard edge, but it was not in the cards. On the first play of the final stanza, Webster stole a pass thrown by FSU's Frank Henico and raced 70 yards for a score—a tally which proved to be decisive.

FSU GRABS LEAD

FSU had grabbed the lead early in the second period when freshman fullback Stan Dobosz went over from the Wolfpack 10 and then converted. The Pack had charged back to score, but had failed to convert, leaving the Tribe with a one-point margin.

But the unsung hero of the day, at least for the Tribe, was Tommy Brown. His toe was a golden one here today and saved the score from perhaps being more. Brown kicked eight times and averaged 42.6 yards per boot. He got off punts of 31, 50, 57, 44, 43, 40, 40, and 36 yards. So deadly was his kicking that twice he kicked out inside the Wolfpack 10-yard line—once at the nine, once at the two—and then rolled one dead to the Wolfpack one-foot line.

The FSU offense suffered from the loss of three regular backs. Halfback Roy Thompson had been left in Tallahassee with a shoulder injury, but the injury jinx lingered. Tailback Bobby Fiveash, replacing Thompson, was carried from the field early in the third period. He had been preceded by fullback Nelson Italiano, whose oft-banged knee got a hard lick today. Minus the trio, the Tribe offense was not of the scoring variety.

DOBOSZ GAINS 80 YARDS

FSU's leading ground-gainer was Dobosz who carried 18 times and gained 80 yards. In addition to scoring the lone TD and kicking the point, Co-captain Curt Campbell took over the winback post, carried five times for 28 yards.

Webster was the leading Wolf-

pack ball totter. He carried 22 times and gained 66 yards.

Impressive in the Seminole line were defensive tackles Dossey Merritt and Co-captain Vic Szczepanik, end Buddy Bryant and guard Jerry Jacobs.

Leading performers in the Wolfpack line were guard Ray Barkouskie and tackle C. M. Price.

BOTH SQUADS STALL

Neither team was able to get going in the first period as splendid kicking by both elevens kept one another at bay. Brown booted 50 yards and out of bounds on the Wolfpack two early in the period but then Paires, after Carolina had driven to the FSU 37, sent a spiral out on the Seminole four.

After two running plays by Dobosz gained only four yards, Brown, standing in his own end zone, kicked 57 yards out of bounds on the Wolfpack 39 as the initial stanza ended.

On the third play of the second period Brown intercepts a pass on the FSU five and returned to the 22. FSU went to its own 47 whence Brown punted 44 yards and out of bounds at the Wolfpack nine. FSU then capitalized on a break to score. Webster went off right tackle, fumbled and Bob Crenshaw of FSU recovered at the Wolfpack 15. Dobosz rammed the weak side for five to the 10 and then splattered off the left side as Jerry Jacobs cleared the way for the FSU score. Dobosz converted and it was FSU 7, NC State 0, three minutes deep in the second period.

WOLFPACK COME BACK

N. C. State took the following kickoff and drove from its own 29 71 yards for a score, aided by a 30-yard pass interference penalty. From the FSU 33 Wolfpack quarterback Carl Wyles sent a pass to end Dick Bethune which the Seminoles' Steve Kalenich apparently broke up. But officials ruled interference and N. C. State had a first down on the FSU three.

After the Tribe line had reared up to hold on three downs, Tacker rammed over from the half-yard line to score. The conversion failed. FSU 7, N. C. State 6.

FSU could not go after taking the second half kickoff and Brown kicked 43 yards to the N. C. State 43. The 'Pack was stopped and Faires kicked to Curt Campbell at the FSU 28, who returned to the 46. Unable to gain FSU kicked with Brown again setting the Wolfpack on its ears. This time punting 41 yards, dead to the Carolina one-foot line.

After Faires punted to Brown who returned to the North Carolina 40, Frank Henico who had replaced the injured Fiveash, had a pass intercepted by Fraunhofer on the Wolfpack 25 returned to the 36. But the Seminoles held and took over on their own 24 on Faires' punt.

With Henico in the tailback for FSU, the Tribe got to the 38 and apparently were underway, when things went from bad to worse. On the first play of the fourth period Henico's jump pass was intercepted by Webster, the Pack's all-conference halfback. Behind good blocking he sped 70 yards down field for what proved to be the deciding marker. Ray Barkouskie converted and it was N. C. State 13, FSU 7.

With Italiano and Fiveash, injured and not in the game, the FSU offense couldn't click in the final period. With seven minutes left FSU took over on its own 22 but the offensive spark was not there to carry the Indians goal ward. Henico completed two passes, one to Steve Kalenich, and one to Campbell, but the Indians were forced to punt on fourth down from their own 44. Brown kicked into the end zone with 1:45 left. The Wolfpack ran out the clock.
