(Issued by the N.C.A.A. Football Rules Committee's Sub-committee on Football Statistics)

SECTION 6—PUNTS.

[Note—"Ultimate advance" of the punt shall be construed to include also any distance which a receiver of the punt may reach toward his own goal before attempting to return up field. This interpretation gives greatest benefit to both the punter and the receiver, since excellence of the punt normally is responsible for retreat by the receiver. Thus "minus yards" should NOT be recorded under "punt returns".]

Article 3. If a receiver muffs a punt and the ball continues toward his goal line, the punt is measured to the point of recovery or ultimate advance, as defined above. If a receiver muffs a punt and the ball bounds back toward the kicker's goal, the punt is measured to the point of the muff (the point of ultimate advance), and the receiver is credited with a punt return and with the yards from the point of the muff to the point of recovery, regardless of which team recovers the fumble.

SECTION 7—KICK RETURNS

Article 2: The return will be measured from the point where the returning player actually gains control of the ball to the point where the ball is declared dead, or is lost by fumble. There are no "minus yards" under kick returns (see note under Article 1 of Section 6).

* See the OFFICIAL FOOTBALL STATISTICIANS' MANUAL for complete rulings and interpretations.

itee's Sub-committee on Football Statistics)

Free kicks are recorded as kickoffs if made from placement, and as punts if the ball is punted. The receiving player is credited with a kickoff return, or a punt return, respectively.

Successful goals from the field are measured from the scrimmage line to the goal line, *plus ten yards*, since the goal posts are ten yards behind the goal line. The distance of such kicks is recorded only under "principal individual plays" on the reverse side of the Summary. The distance of a field goal attempt is *not* recorded under "punting".

Article 1: A player attempting a try-for-point-after-touchdown by kicking is *not* charged with an attempt when a bad pass from center or a fumble by the ball holder, precludes an opportunity to kick. Such an unsuccessful attempt is charged to the "team", rather than to any individual player. However, if the ball is momentarily fumbled and then kicked, an attempt *is* charged to the individual kicker, regardless of the success or failure of the effort.

SECTION 11—SAFETIES.

SECTION 12—FUMBLERS

(Approved Ruling—On rushing play, ball carrier of Team A fumbles at the line of scrimmage and the ball travels 5 yards to word Team B goal line, before it is recovered by Team B. Player of Team A who fumbled is credited with rushing gain of 5 yards, and Team A is charged with a fumble lost.)

Any loss resulting from an **obvious** wild pass from center is charged to "center pass", and not to any individual player.
