First Downs: (Rush) 1 (Pass) 11 (Pen.) 2 Total 20

IMPORTANT: Most player categories are now ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SIDs). Then list below the code number and last name of players who have season figures but did NOT play in this game. A game played is one play—whether or not the player touches the ball. All players will be charged with a game unless you tell NCSS otherwise. If a player with first-time statistics has missed games, fill in below—after getting from his SID how many games missed.

STATEMENT BY COACH HOOTIE INGRAM OF CLEMSON

I think this was one of our better offensive efforts of the year. We moved the ball well, and I thought Kendrick played a great game.

We gave up the big play tonight, where against Maryland we didn't. We knew that Florida State is an explosive ball club and like to throw the long bomb. It was really a wild and wooly game.

I thought our defensive line did a good job against their running game. But those big ones really killed us. They have a fine group of receivers -- year in and year out by --and we just got beat ~~on~~ them on some plays that hurt.

Never in my life have I worked with a group of men who are more dedicated than this club. I think they are going to come through and give our fans some happy Saturdays before this season is over with. We got two weeks left in the season and we are going to work hard and go after these next two.

It's a big jog facing both North Carolina and South Carolina on successive week ends, but frankly, we're looking forward ~~to~~ to it.

STATEMENT BY COACH BILL PETERSON OF FLORIDA STATE

"I thought we played an outstanding game. In fact, this probably was the hardest hitting we've done all year.

~~REB:~~ "As we suspected, Clemson wouldn't quit. They're a young club which will fight you.

"I was especially pleased that we got back to some reckless football. We looked real good on the deep pass routes.

"Tommy Warren improves each week---especially on the deep pass. This certainly helps the offense.

"That quarterback of theirs also did an outstanding job. Our defense bended some but it didn't break. In fact, that goal line stand was the turning point.

"Smith, Gaydos and Dawson made some great catches tonight.

"We are a beat up football team. We have to get some people back this week to be able to compete."
