FINAL SCORE FLORIDA STATE 38 MIAMI 3

Quotes from Bobby Bowden of Florida State

"We felt Miami would be looking to stop Greg Allen. We were hoping we could use that to set up some of our reverses and play action passes. Overall, I felt everything fell into place as we had hoped."

"Miami had just put in a long haul behind them. I think maybe it caught up to them. But our kids played as well as they possibly could."

"There were several times when Miami had chances to get back into this game but our defense simply would not allow it. I am proud of this entire team but especially the defense."

Quotes from Jimmy Johnson of Miami

"It's pretty obvious that we didn't play well. Offensively we couldn't generate anything. Defensively we played better at the first but after that reverse, the dam broke and we were in trouble."

"Florida State has a great football team and they beat us in all phases of the game today. From here on out, we just have to work harder and get better. We are a better football team than we demonstrated today. I was quite surprised at our performance. We had excellent practices this past week and I really felt we would go out and play well. It's a great win for them and a very disappointing day for us."

"When you don't play well against a team as talented as Florida State, you get beat. We have to put this loss behind us, correct our mistakes and go out there and get better."
