FLORIDA STATE 34    AUBURN 6

### COACH PAT DYE QUOTES

"It was just a long night. It was long from the very first play. We gave them the turnover and they scored. Then we turned it over again and they got another score. That was the way it went all day.

"Florida State had 360 yards of total offense and they've gotten more than that against us in previous years. We never did anything offensively to create some momentum and give us hope. They basically dominated in all aspects of the game.

"The one positive thing was that we didn't give up a big play on the kicking game. They didn't block a punt.

"This is very disappointing to say the least. It is a monumental task to put this one behind us and get ready for a very good Georgia team. It will take total concentration throughout the week.

"We had a lot of momentum coming into the game. I was afraid after the emotional win that we may not be able to get back to that peak for the second straight week. Florida and Georgia are always very emotional games for us and this season we had Florida State sandwiched in between them.

"I don't know how good we are. I think we have a chance to be a good team. Florida State took advantage of every opportunity tonight. It was obvious that the level they were playing on and the level we were playing on were entirely different levels.

"We couldn't establish any consistency on offense. And we didn't score touchdowns when we got down close. Then we got so far behind that their defense could play pass on every down.

"I would like to congratulate Coach Bowden and his staff. I thought coming in that Florida State had a very, very good football team. Now I know they do. I have never seen a team that has as much talent and quickness at the skilled positions. They are two and three deep in most of the skilled positions.

"We have displayed class all year long when we were winning. I hope the players, coaches and fans can continue to display that class even though we lost."

## AUBURN PLAYERS FOLLOWING FLORIDA STATE GAME

### Jeff Burger--Quarterback

"You just have to take the good with the bad. They played very well and deserved to win. Florida State is a great football team."

(On FSU Defense)"They dropped a lot of people back defensively. They had double coverage on Lawyer(Tillman) on many of the plays. I just wasn't able to find the open receivers."

### Kurt Craig--Linebacker

"Florida State just played better than we did. They caused turnovers and if you turn the ball over you don't win."

"Florida State just had it together today and we didn't"

### Stacy Searles--Offensive Tackle

"We turned the ball over from the start and if we don't turn the ball over the game is a lot closer."

"Losing at home like this is a big disappointment. Jordan-Hare Stadium is a great place to play and I didn't want to go out like this. Next week is a chance to make up for this. We will have a chance to win against Georgia."

### Aundray Bruce--Outside Linebacker

"On defense our biggest problem was recognition and missed assignments. Without the turnovers possibly we could have won."

"Most of Florida State's scores came on turnovers. You can't win when the defense is on the field for over half of the game. They came ready to play today and we didn't."

AUBURN 6  
FLORIDA STATE 34

FLORIDA STATE COACH BOBBY BOWDEN FOLLOWING AUBURN GAME

"(Florida State Players) They have played so good this season, but we still have one loss to remember. To go up here and beat them on their own field should help add confidence to our players.

(On the second half)

Their drive took up six and one half minutes. If they had scored in two to three minutes, ~~they~~ they could have gotten their momentum back. To win big games, you have to have the defense play the game."

Most Important Point in the Game

"The first drive for the touchdown was big for us; but I think their turnover set the tone for us, and then they added a few more turnovers."

Overall

"We played good--no complaints."

## FLORIDA STATE PLAYER QUOTES

### Florida State Quarterback Danny McManus:

"We were able to throw to the tight end Carter because when we call a play fake to Sammie Smith it leaves the tight end open. When the defense thinks Sammie has the ball, it leaves PC (Pat Carter) wide open.

"Auburn has a very aggressive defense. Their line is tough and they came to play. We have to take things one down at a time and our defense gave us plenty of opportunities. When they give us those opportunities, we have to take advantage of them.

"We didn't want to think the game was over too early because we still remember the Miami game. It was good to win a big one for Coach Bowden, we've really been getting a lot of flack about losing the big games."

### Tight End Pat Carter:

"I really don't think Auburn was expecting me to catch as many passes as I did. I didn't think I would catch as many passes as I did. This was definitely my best game.

"The fourth quarter drive was really the most important of the game. We couldn't let them back in the game because their defense was tough youv'e got to give them credit"

### Linebacker Paul McGowan:

"Auburn's offense was trying to run outside at the beginning of the game but we were able to contain them. We got some good breaks and had the ball bouncing our way. It was our turn to win finally.

"This was our season. We didn't want to have another 8-3 season, we want to go to a New Year's Day Bowl. This is what we work for during two-a-days.

"It was really a team effort, 11 guys doing their job."
