Coaches' Quotes

ECU HEAD COACH ART BAKER: "Florida State has a good football team. I thought we gave a good account of ourselves, however.

"You have to tackle better than that to win. They broke a lot of tackles and we missed some.

"Their special teams really made a difference out there today. It was something that we knew before the game, but we weren't able to keep the ball from Sanders. It seemed like Florida State always started in good field position.

(About FSU scoring on third-and-long plays) "From that standpoint, we stopped ourselves. We were hurt by penalties and missed assignments. I think that in the fourth quarter, the physicalness of the game, took a toll on us."

(About Syracuse, next week's opponent) "They are always a good football team. We will have to improve on today's performance quite a bit to have a chance to beat them."

FLORIDA STATE HEAD COACH BOBBY BOWDEN: "I think this was the best game we've played in a while. Our defense really played well. We felt East Carolina had one of the best offenses that we'll play against and I think we did well against it. East Carolina is the kind of school that has a depth problem against teams like us, and every four years they'll get a senior oriented team. They don't have that, but they have a senior offense with great experience.

"Our offense played well. We didn't punt unless we stopped ourselves with mistakes or penalties or fumbles. Chip had some timely passes. His touchdown passes were very important. I thought our offensive line's blocking was the best we've had this year. East Carolina is the type of team that won't quit. They keep fighting, but without the mistakes I think today was probably our best game.

"We were depending on Chris Parker. He had to come through and he did. Our offensive front did a lot to help him. But we've never doubted his ability. He just lacks experience and confidence.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter at the conclusion of the scoring play. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On a pass play, list the passer first, then the receiver and combined yardage of pass and run. After each touchdown, please

continue on the same line and under OFFENSIVE EXTRA POINT ATTEMPTS check (✓) the type of PAT (kick, pass or run) and whether good (G) or no good (NG). If the defensive team GAINS POSSESSION (refer to Section 11 of the Statisticians Manual) after returning a PAT kick attempt or intercepts a PAT pass attempt or recovers a fumble on a two-point attempt before it touches the ground, continue the appropriate entries under DEFENSIVE EXTRA POINT ATTEMPTS. If a player scores on a Defensive Extra Point Attempt, indicate the yardage in parentheses after his name (see example).
