SHORT GAME NOTES

Southern Miss and Florida State have played 20 times to date, with the Seminoles holding a 12-7-1 lead. In last year's meeting in Tallahassee, FSU beat USM 49-18.
This game is the ninth television appearance in Golden Eagle history. In their last televised game with the Seminoles (1931), USM stumped FSU 59-14 in Tallahassee.
Although the game will be played in Jacksonville, FL, it is a USM "home" game. Playing home games away from Hattiesburg is not a new experience for the Eagles. The most recent instances were in 1987, when USM played host to rival Jackson State at Veterans Memorial Stadium in Mississippi State and Texas A&M. USM has 11 players who are Florida natives, while the Seminoles have only one Mississippian on their

Coaches' Quotes

Florida State Head Coach Bobby Bowden:

"It really disappoints me, but it doesn't surprise me. I had a feeling that Favre was ready to bust loose against us. We have held him pretty well two years in a row. I figured he was due. They are a good football team, make no mistake about that. I even hate to make up any excuses. They played so darn well. This was a game of inches. And they won it. Corian Freeman just missed an INTERCEPTION THERE AT THE END AND WE WOULD HAVE WON THE GAME. There were lots of plays like that today. We made way too many mistakes, but we nearly played good enough to win. I don't know whether we can come back and win them all like we did last year, but we'll give it a shot. We'll just have to see what we're made of. This was like a home game for us. That's what's amazing. That was our crowd out there. Southern Miss just did a great job. Curley is a heck of a football coach."

Southern Mississippi Head Coach Curley Hallman:

"We brought 73 players today and I thought the victory was a great team effort on our part. Brett obviously made some big plays, but he can't do it by himself and we had a lot of players out there today who made major contributions.

I thought this was a good example of a plateau we've been trying to reach, or maybe a continuation of a level we reached last season. We constantly as a coaching staff stress to our players that there are three types of individuals, of football players, those who wish to do something, those who want to do something and those who do something. I recently asked our players how many of them wished to beat FSU. All of them answered yes. I asked how many of them wanted to beat FSU. All answered yes. I asked them how many had beaten FSU. You know their answer, because none of them ever had.

When asked about playing in Jacksonville as opposed to playing at home: "We did not stress this to our players, because FSU has such a great program that it just doesn't matter where you play them, here, in Tallahassee, in Hattiesburg, or in a cow pasture. They'll always be well prepared and tough.

I thought the kicking game was the difference in today's game. Florida State has had that reputation for many years, and I hoped that at some point we might reach that level. And the kicking game did work to our advantage today. Our first year placekicker was a factor, the missed extra point was a factor. Again, I thought the kicking game was a major difference.

"We'll take about eight or 10 hours to enjoy this and then start getting ready for our next one. This may not be the biggest win in USM history, but it certainly has to rank near the top, and there's no doubt, it's the biggest in my career. I can say that without hesitation."

IMPORTANT: Most player categories are ranked on per-game average. Thus, it's vital that you consider every player (on both teams) with any statistics in any game this season (get season player statistics from both SLDs), then list below the last name of players who have season figures but did NOT play in this game. All players with previous statistics will be charged **DID NOT PLAY IN THIS GAME**
