Head Coach Steve Spurrier

"Florida State was outstanding on offense. I didn't think that any team in the country could move the ball the way they did on us, but they nblocked us and threw it and caught it. They played very well offensively. We had some good things offensively but we messed up in the scoring zone a few times there early in the first half. Again I think back and I am extremely proud of them. We have the same record as Miami and Florida State. We got beat by Florida State so we aren't number one in Florida but we are number one in the SEC. So it was still an outstanding year for us. I'm extremely proud of our seniors and everyone on the team.

We aren't hanging our head low. We thought we would play better than we did tonight but it didn't work out. I'm proud of the effort of the guys but Florida State made the big plays when they needed to."

Shane Matthews

"Things didn't go our way in the first half, We had an uphill battle and I felt like we fought hard. I felt we had a good year. Things didn't go as we planned tonight but we still had a heck of a year.

Richard Fain

"Florida State really played well out there tonight. I thought we played good at times. I'm disappointed but I think that we came a long way this year with a 9-2 record which is not bad. Florida is just starting to get on the winning track and I think this year did a lot to get the Gators back on their winning ways.

BOBBY BOWDEN QUOTES

"We were happy to win the ball game, the way they kept fighting back and fighting back. The crowd was magnificent, everything was magnificent. We did everythin-g we had to do and everything we were supposed to do. We beat one of the best football teams in the natio-n tonight. I have so much respect for Steve Spurrier. His offense is unbelievable. Amp Lee made some big plays and Casey kep-t them off balance. He's going to be one of the top quarterbacks around. It seems like all of the bi-g games we've won over the years, the offensive line played a big role. That was certainly the case tonight. I thought going in whoever won this game was as good as anybody in the nation. To be honest, I thought all along Florida was one of the best going in. I just didn't want to tell anybody."

FLORIDA STATE PLAYER QUOTES

Amp Lee, TB -- "I didn't think I'd be able to do the things I did. The offensive line did a great job. At first, we couldn't run, but we made some adjustments. It feels great. I think this is the most excited I've been since I've been playing football.

Casey Weldon, QB -- "Our movement in the pocket was due to their great pass rush... We didn't make any dumb mistakes or turn the ball over and that was the key. I'm not surprised this hap-p-ened. They've got some incredible athletes and super guys. Amp Lee should have been MVP. The way the offensive line played, and the w-ay he ran was incredible.

Kirk Carruthers, ILB -- "I'm no joke... Ww showed who was the best ball team and who was the classiest ball team. I had a lot of motivation. The last two weeks, I heard a lot of things and it was great motivation. I've been dreaming about it and praying to God to show the country- I was agreat linebacker . I played my he-art out, and I'm pleased.

Lawrence Dawsey, WR -- "It's the kinda game I love to play. I'm hopin-g we'll go on and get some respect and move up inthe polls. This game meant a lot to me, my last game at Doak Campbell. The seniors got together and said we w-anted to win four in a row. That first catch definitely gave us the momentum. Casey did an excellent job. Everytime I broke the ball was right in my chest. I think the big plays took the wind out of their sails. I didn't want it to be another Auburn game.

SCORING SUMMARY

List all scoring plays in sequence. "Time left" means time remaining in the quarter at the conclusion of the scoring play. Under "play," to save you time, please use only: Rush, Pass, INT, PR, KOR, FUM, FG, or SAF (instead of writing out interception, punt, kickoff and fumble returns, field goal or safety).

On a pass play, list the passer first, then the receiver and combined yardage of pass and run. After each touchdown, please

continue on the same line and under OFFENSIVE EXTRA POINT ATTEMPTS check () the type of PAT (kick, pass or run) and whether good (G) or no good (NG). If the defensive team GAINS POSSESSION (refer to Section 11 of the Statisticians' Manual) after returning a PAT kick attempt or intercepts a PAT pass attempt or recovers a fumble on a two-point attempt before it touches the ground, continue the appropriate entries under DEFENSIVE EXTRA POINT ATTEMPTS (see example). If a player scores on a Defensive Extra Point Attempt, indicate the yardage in parentheses after his name.
