*** FSU Head Coach Bobby Bowden becomes the first coach in college football history to have six consecutive 10-win seasons. Bowden's teams have won 10 games every year since 1987.

*** Charlie Ward becomes FSU's all-time leader in single season total offense. The junior passed for 331 yards and rushed for 70 today for a total of 401 yards. That ties for the 6th best total offense game ever. Ward completes the regular season (bowl games do not count for records purposes) with 3,151 yards of total offense (504 rushing, 2,647 passing), smashing the old record of 3,004 yards (by Peter Tom Willis, 1989) by 147 yards.

*** Ward's total of 2,647 passing yards for this year ranks 4th on the single season chart. His 204 pass completions rank third on the single season list (seven off the record of 211 by Willis) and his touchdown pass total finished at 22, which tied Casey Weldon for 4th in a season.

*** Charlie Ward also now holds the FSU records for most plays in a season (465; old record 429 by Gary Huff, 1972) and most touchdowns responsible for (28; old record 26 by Huff, 1972 and Bill Cappleman, 1968).

*** Kevin Knox's 11 catches today marks a career high for the junior and a season high for any Seminole receiver. His receiving yardage total of 123 is also a high for this season. Knox catch total is the highest since Lawrence Dawsey grabbed 13 passes in a memorable performance against Miami in 1990.

*** Tamarick Vanover finished the day with 239 yards of all-purpose yardage to put his total for all-purpose yardage at 1,037 for the season with 581 receiving (on 42 catches, 413 on kickoff returns (8 returns) and 43 rushing (on 9 rushes).

*** FSU Head Coach Bobby Bowden:

"We had every advantage today. It was a home game, home field, home crowd. We got way out in front and then we hit a spell where we couldn't stop them and they shut us down. That's why, as a coach, you're always afraid to call off the dogs. A great passer and great receivers and you're never out of a game. We are very happy and we're very fortunate to win today. My only words to Steve were 'Beat Bama'. No matter what happens in the polls, I think FSU and Miami are the best two teams in the country. If you want 1 vs. 1, you better get FSU and Miami, anything else will be 1 vs. 2. I doubt if anybody is playing better than us right now. If we could have kept that momentum today, there's no telling what might have happened. I really don't know how the votes will come out from week to week, but we keep telling our players 'Let's just stay in the hunt and maybe those fools will vote for us'. I thought Charlie did well again today. He's just a dangerous player. I wasn't surprised that Shane came out of the game, I thought I saw him limping. The other guy, Dean, did a great job. We'll wait til the smoke clears after the Florida-Alabama game and see what our options are. If these other guys are 1 and 2, we'll see where it's best for us to go in case the other two mess up. It feels good to win 10 games again. I could stand this every year. It's good for my nervous system and I think I'll keep my job."

*** Fla Head Coach Steve Spurrier:

"Florida State is a better team. Today we were outplayed, outcoached and they were by far the best team on the field. I'm proud that we were able to fight back in the second half. FSU has a good pass rush, maybe as good as Alabama. They're just better than us. Shane Matthews could've stayed in the game, I just decided to give Terry Dean a chance. He's more mobile, and better able to avoid the rush. We went all out for this one, but as you know, we don't play well against passing teams. We put all we had into beating FSU. They just dominated every phase. I didn't want to send Shane out in the second half because with their pass rush he was taking a beating. FSU has beaten a lot of people bad and we're not the first."
