## GAME NOTES – SECOND Half

Florida State vs. North Carolina  
Sept. 22, 2001

**TWO POINTS FOR A SAFETY** – Florida State recorded a safety in the second quarter to take a 9-7 lead when the ball was snapped over the head of the Tar Heels' punter. It marked the first safety of the season for the Seminole defense since the 2000 Orange Bowl against Oklahoma. The last time it happened in a regular season game was against Maryland on Sept. 28, 2000 in College Park, Md.

**IT'S A FIRST FOR SAMUELS** – Stanford Samuels gained his first career interception in the third quarter against the Tar Heels. His first interception came in his 13<sup>th</sup> career game.

**IN THE THIRD QUARTER** – The last time Florida State trailed as late as the third quarter of an ACC game was against Georgia Tech on Sept. 9, 2000. The Yellow Jackets led 15-12 at the end of the third quarter before the Seminoles rallied to win, 26-21.

**SEPT. 12, 1998** – Florida State lost an Atlantic Coast Conference game for the first time since Sept. 12, 1998, a span of 23 conference games. NC State was the last ACC team to beat Florida State, 24-7, in a game played in Raleigh, N.C. Florida State is now 72-3 all-time in conference play. All three of Florida State's conference losses have been on the road (at Virginia, 1995; at NC State, 1998 and at North Carolina, 2001).

**MOST POINTS** – The 41 points scored by North Carolina is the most points scored against Florida State in an ACC game since Georgia Tech scored 35 in a 41-35 Florida State victory on Sept. 11, 1999. The 35 points by Georgia Tech in 1999 and by NC State in a 48-35 Florida State win over the Wolfpack on Nov. 1 1997 is the most ever allowed by Florida State in an ACC game.

**MOST POINTS ALLOWED SINCE** – The 41 points scored by North Carolina is the most given up by Florida State since a 52-20 loss to Florida on Jan. 2, 1997 in the Sugar Bowl.

**BIGGEST LOSS SINCE** – North Carolina's 32-point margin of victory over Florida State is the largest for the Seminoles since a 32-point loss to Florida in the 1996 Sugar Bowl on Jan. 2, 1997.

**MOST TURNOVERS SINCE** – Florida State's five turnover's against North Carolina is the most since surrendering six against NC State on Sept. 12, 1997. The Seminoles turned the ball over on six interceptions by Chris Weinke in a 24-7 loss to the Wolfpack.

Head Coach Bobby Bowden of Florida State:

I don't even have a speech for this. They deserved to win; we just didn't deserve to win.

They got what they deserved—a win. We got what we deserved—a loss.

We made too many mistakes. We didn't have any turnovers up until today; they've had millions... they still had some today too.

We're not good enough to play like that and win. It's one of those days where you just have to praise them.

I told our team this was no different from 1997 (when NC State beat FSU 24-7 in Raleigh). This team has to decide what they want to do; are they going to fight back or what? That was (referring to 1997 loss) quite a different team; it was a different team but its talent level wasn't that much different, the difference would be in their experience level. We had Chris Weinke who was a sophomore that year, and Travis Minor was a sophomore back then, and that's what we're playing with now.

My biggest disappointments were the dropped passes and fumbles. Without those, we might have been able to get far enough ahead of them, so that they might not have thought they could win. But we could never get into that position. We let 'em get encouraged, we let them get their confidence up, and they took advantage of it. Coach Bunting did a fantastic job.

We really thought that we could run against them. I really thought that would be our strength against them, to run right at them. That's what Maryland did. Maryland tried to throw the ball against them and they couldn't do anything, but they ran it and made yards and I thought that's what we'd end up doing. But Carolina shut that down; it was like they owned us.

I didn't see passion from our players; maybe our defense had some, but our defense had its back against the wall all day long. We had terrible field position—it seemed like most of the time. When we had good field position it seems like we did something about it—well, I say we did. We fumbled a couple of times.

## **UNC Player Quotes**

### **Ronald Curry**

"We came out and just left it on the field. It's a great feeling. It feels better once you see after the game the way the crowd was chanting and coming onto the field makes it that much more special.

"I like to be out there in times like that (on the field after the game). I want to enjoy it with the fans, the people we play for, the people who wanted this win probably even more than we did. It was just a great atmosphere out there today. Hopefully it can be like that every game.

### **On 53-yard TD pass to Kory Bailey:**

"I just tried to make a play. Kory just broke wide open. I think his guy took his eyes off him to see where the ball was and he just broke wide open. It was a great job by Kory.

I thought we pretty much had the game in control. Once we got to 20 points – to give our defense something to work with. Our defense was tough to score on. I knew they weren't going to give up two scores, maybe one, but I pretty much the game was under control when we got 20 points."

### **Greatest moment as a UNC athlete?**

"Of course. You grow up and you're a Florida State fan. You watch Florida State – that's the most publicized team in the nation. And just to play against them and beat them after losing for three years – getting blown out for three years – and returning the favor my senior year is a great feeling.

"I guess it was one of those days for them. Maybe the break hurt them a little bit. Hopefully this can be something we can build

### **David Thornton**

"They're a great team. They have a lot of speed, just as they did in the past. We just played hard. We had a lot of preparation.

"On defense, we felt like we could dominate their offense from the first play of the game. We had studied them. We had seen their offense on film, and they weren't too complicated. We have the speed and the talent up front and in the secondary to go out and be aggressive and attack their offense the whole game. Everyone was just flying to the ball wanting to make a play.

"It really feels great to be on the other side of the stick this time. We've been there at their first home game and they really wanted to embarrass us and they just wanted to blow us out as bad as possible. We got a chance this time to really use the fan support and use the couple of extra days to our advantage and come out and play hard.

### **Ryan Sims**

"I think we played great. Our whole emphasis today was to play our best game that we have this year. I think that's what we went out and did today.

### **On the pressure on the QB:**

"If you look at the last three games, we've always been doing that. That's one thing we practice every day is getting back there to the quarterback. So we had to make him think quick."

### **On the crowd:**

"They helped us out a lot. I loved it. I love it when they're ecstatic like that."

## North Carolina Notes

**UNC Against Ranked Teams:** The last time Carolina beat a ranked team was against No. 17 Stanford on Sept. 3, 1997. The last time the Tar Heels beat a Top 10 team was at No. 9 Syracuse on Sept. 3, 1997. Today's 41-9 win over No. 6 Florida State equals the highest ranked team (AP poll) the Tar Heels have ever defeated. In 1960, Carolina defeated No. 6 Duke 7-6 and in 1957 UNC beat sixth-ranked Navy 13-7. Both of those games were also played in Chapel Hill.

**Most Points:** In the 13-game history of the UNC-FSU series, Carolina had never scored more than 18 points before today's 41-9 win. UNC's previous high came in a 31-18 loss at Tallahassee in 1994.

**True Freshmen:** Four true freshmen played their first career snaps today for the Tar Heels. OG Chase Page, OT Jason Brown and TB Jacque Lewis all saw time on offense, while walk on James Gibson played on special teams. Lewis rushed five time for 29 yards. His 27-yard run was the second-longest rushing play of the year for UNC.

**Career-Long Catch:** Chesley Borders's 52-yard third-quarter TD catch was the longest reception of his career and just his second career touchdown catch. It was also the second-longest pass play of the season for Carolina, eclipsed only by Ronald Curry's 53-yard TD pass in the fourth quarter to Kory Bailey.

**Reed Gets His Kicks:** Jeff Reed, who missed the season-opening Oklahoma game with a sprained ankle and had not handled kickoffs or attempted a field goal all season, handled all kickoffs today and connected on his first field goal of 2001, a 32-yarder in the third quarter to give the Tar Heels a 17-9 advantage and a 39-yarder in the third.

**Peppers And Picks:** Julius Peppers registered his second interception of the season. Peppers has UNC's only two interceptions in 2001. His third-quarter pick set up a 39-yard field goal by Jeff Reed to give the Tar Heels a 20-9 lead.

**Peppers Is Second All-Time In Sacks:** When Julius Peppers sacked FSU's Adrian McPherson in the fourth quarter he gained sole possession of second place on the UNC career sack chart with 25.

**Curry's Completions:** With four completions against the Seminoles, Ronald Curry upped his career completions to 303. He is just the fifth player in UNC history to complete 300 passes in a career.

**Forcing Turnovers:** UNC, which entered the game ranked 112th in the nation in turnover margin after giving the ball away 11 times to just 3 takeaways, forced five FSU turnovers on Saturday. The last time Carolina forced five turnovers in a game was when it caused six against Duke in 1999.
