

Florida State's swimming Seminoles defeated University of Miami, 53-33, in a meet here last night.

Seminole torpedoes Ryan Ray, Paul Hammond, Mike Tschirret and Jim Julian established a new pool record in the 440-yard freestyle relay.

One meet record fell as Miami's Martin Redlich swam home first in the 440-yard freestyle.

Another was tied by its marker as Ken Abbott of Florida State equalled his own mark of last year in the 200-yard backstroke.

The meets double winners were both from Miami. Besides first in

the 440 freestyle, Redlich took the 220 freestyle. Hurricane Manfredo Leipziger took first in both the 200 yard butterfly and breaststroke.

Miami entered only nine of the 10 events on the evenings card as it failed to field a 400-yard medley relay team.
