

Tallahassee's Paul Thompson and Buck Hiles each cracked a trio of records as Florida State's smooth swimmers turned back Sewanee, 54-41, here last night.

Winning eight of 11 events, the Seminoles pushed their season record to 4-1 with three victories in a row. Last night's meet wasn't decided, however, until FSU won the closing 400-yard freestyle relay.

Hiles set new meet, school, and pool records in the 200-yard butterfly with a brilliant time of 2:08.2. That was 3.1 seconds under the old pool record set by former Miami Olympic butterflyer Jack Nelson in 1959.

Three events later, Thompson leaped off the starting block on the way to new meet, school, and pool records in the 440-yard freestyle. Thompson was clocked in 4:33.3, erasing Hiles' old school record of 4:36.9.

Senior Curt Genders, FSU's All-America diver, easily won the one-meter diving but aggravated an old wrist injury when he hit the bottom of FSU's 8½-foot pool

on his best dive of the evening. Genders is expected to be in good shape when the Seminoles host Florida in a state showdown next Friday.
