

Florida State outswam Florida 70-25 here yesterday, pulling some punches.

FSU's Bim Stults turned loose an outstanding crop of sophomores who handled Florida's outfit with ease and finesse.

In fact, FSU's top two swimmers, Dick Abbott and Mike Blouin, made only one appearance each. Abbott finished a close second to Florida All-American Tom Dioguardi in the 100-yard freestyle, and Blouin won the grueling 500-yard freestyle going away.

Dioguardi won first places in the 50 and 100 freestyle as expected, and the other Gator ace, Blanchard Tual, edged FSU's Tut Heisler in the 200-yard backstroke for Florida's only first-place finishes.

Dioguardi tied his own meet record in the 50, and set a new mark in the 100.

Florida State took the opening relay easily, and the Gators were never in contention. In addition to their three first places, Florida could manage only two seconds. Third was a gift, since only two men swam in each event.

FSU veteran Tom Lloyd

took the 200-yard freestyle ahead of soph teammate Bob Aldrich. Lloyd also maintained a comfortable lead over Dioguardi in the final leg of the 400 freestyle relay.

A mild surprise came in the three-meter diving where FSU soph Duane McAllister topped Florida's Mark Montgomery and Seminole veteran Bob Crickshank.

Tut Heisler came in strong for a first place in the 200 individual medley, soph K.C. Dawson was a surprise winner in the 200-yard butterfly, and junior Jack Barnacastle won the 200-yard breaststroke for the Seminoles.

The FSU freshmen ran into a Florida squad loaded with high school All Americans, but were barely beaten by the Gators 50-45 in a meet which went down to the final relay.

was the freshmen meet's outstanding performer, winning the 50 and 100-yard freestyle and coming home with the all-important relay victory.

FSU's Jim Smith was a double winner, the 200-individual medley and the 100 backstroke.

Florida State swims Georgia Tech next Saturday, with the frosh going against Marquette Junior College.
