Using mostly its back up men, Florida State's swimming team raced to an easy 57-47 win over East Carolina College yesterday at the Union Pool.

The two teams split the meet's 13-events seven-six with the Tribe getting the advantage but two of ECC's firsts came uncontested as Florida State did not enter a man in the 500-yard freestyle or the 200-yard butterfly.

The Seminole 400-yard medley relay team tied a meet record with a 3:45.8 time in the first event. The only other record set was in the 1000 yard freestyle which was a new event, so the Tribe's Larry Sloan automatically went into the book with his 11:24.7 time.

Both one and three-meter diving was held at the meet, and in a mild upset ECC's Les Gerber won the one-meter competition. It was the first loss for the Seminole varsity divers, who then captured the three-meter event.

The Seminoles, who now have a 6-2 record travel to Miami this weekend where the varsity will meet the Hurricanes, and the Tribe freshmen will match strokes with Miami-Dade.
