

Florida State's tennis team ran into rugged going here yesterday afternoon as Coach Keith Fitchford's thin-spaced netters lost to the University of Florida, 9-0.

Unable to use his talented freshmen because of contractual limitations, Fitchford watched his Seminoles fall before the Gators without winning a set.

The loss to Florida evened FSU's season record to 3-3, with losses to Miami, Georgia and Florida offsetting wins over Southern Illinois, Georgia Tech and Ohio State.
