

Florida State's powerful track team swept by Miami, 77-54, in a dual meet here yesterday.

It was the opening dual meet for FSU and the eighth straight triumph over the Hurricanes. The Seminoles grabbed 10 of 15 events, set five meet records, the shotput, broad jump, pole vault, low hurdles and 880.

Florida State piled up most of its points in the dashes and hurdles. Miami was strong in the long hauls—mile and 2-mile—and field events.

FSU's Quentin Till and Miami's Henry Horn were double winners. Till ran the 220 in 22.3 and the 440 in 48.8. Horn won the mile in 4:19.5 and the 2-mile in 9:53.6.

A big performance for FSU was
