

Florida State broke Auburn's 11 meet, three year dual meet winning streak when the Seminole track team outran the Tigers 80-65 Saturday afternoon at the Florida High Track.

The loss was the first for Auburn since 1965 when it also was the Seminoles who tripped them up.

The Tribe won just eight of Saturday's 17 events, but used strong back-up finishes and

two three-place sweeps to make up the distance.

Bud Manning was the Seminoles only double winner with firsts in the Javelin and high jump. He tossed the javelin 205-11 for a new meet record.

Mike Kelly had a first and two seconds to show for his efforts. He tied a school record and set a meet standard in the high hurdles, with a 14.2 second clocking, despite a near fall on one of the first hurdles.

His seconds were in the high jump and 440 hurdles, both won by Seminole teammates.

George Griffin paced the Tribe to a sweep of the half-mile with a record setting 1:53.5. Bob Thomas and Jack Castener followed him in second and third.

Allan Landis placed third behind Manning and Kelly in the high jump to give the Seminoles a clean sweep there also.

Freshman distance runner Ken Misner won the three-mile run going away. It was the first time the three mile was run in competition by the Seminoles, and Misner's time of 14:45.6 established meet school and track standards. The three mile replaces the two-mile run.

Florida State's Phil Edmunds won the pole vault at 14-6 and the freshman from Chattanooga, Tenn. barely missed in his attempt to set a new school mark at 15-0.

The Seminoles will be idle until Apr. 20 when they host a big five-way meet here. Included in that one are Alabama, Auburn, Florida and Mississippi State.
