

Swimmers battle Auburn close

Auburn's nationally prominent swimmers had to win the final event to hold off fast-charging Florida State and prevent a major upset at Bim Stults Aquatic Center Friday afternoon. Leading by a mere two points going into the final event, the Tigers responded with a six-second victory in the 400-yard freestyle relay to finish with the 61-52 victory. The Lady Seminoles, leading from the very start, turned by the Auburn women 75-56 in the other half of the meet.
