FSU SOCCER TIES LSU
September 17, 1995

BATON ROUGE, LA -- Florida State's leading scorer, Alexandra Osorio, recorded her fifth goal of the season as the Florida State Seminole soccer team tied LSU, 1-1, in tournament action this afternoon. The game was called due to storm-like conditions with 14:07 remaining in the second overtime period.

"We played very well today," FSU coach Heather Kerby said. "We were disappointed that we weren't able to finish the match, because we felt we had a good chance to come away with two wins this weekend."

Osorio's goal was an unassisted header off a corner kick at the 53:15 mark. LSU's lone goal also occurred in the second half, at the 80:48 mark. FSU goalkeeper Melissa Juhl had a busy afternoon, recording 13 saves. She has 43 saves on the season and a 2.13 goals against average.

The Seminoles, now 3-2-1 on the season, will play host to the nationally-ranked Duke Blue Devils, next Sunday, Sept. 24 at 1 p.m. The squad will have the week to prepare.

"Several players got an opportunity to play this weekend," Kerby said. "Jennifer Yocca played herself into a starting position and Lizzie Easton, who is very, very sound mechanically has gotten herself into solid playing condition. We are getting closer to establishing a solid line up of 11 consistent players and that's exactly what we are going to need in order to compete with Duke next weekend."
