Game 8 Florida State vs. OSU

POST GAME QUOTES

Florida State Head Coach JoAnne Graf: (On the game) I thought the OSU pitcher did a good job. She kept us off balance with her change-up. They played good defensively. We just didn't hit their pitcher that well tonight. Our hits were scattered throughout the game too much. We came up a little short

I don't think the crowd was a factor at all; it was their hitters that made the difference in the game.

Oklahoma State Head Coach Sandy Fischer: (On the game) We played them earlier in the year and they were tough then. They were tough now. They scare me.

(On UCLA) Were looking forward to play UCLA. I know UCLA is very deep, but they can only play nine at a time. Our kids have been waiting for UCLA all year. We won't throw any secrets at them.

(On Melanie Roche) Melanie's drop wasn't working well tonight so we had to go with the change-up. That kept them off balance.
