FLORIDA STATE UNIVERSITY

DEPARTMENT OF ATHLETICS

Florida State at Florida
November 29, 2003
2nd Half Notes

Most Points in Gainesville

Florida State's 38 points against the Gators as the most points the Seminoles have scored in Gainesville. The previous high had been 37 points during the 1977 contest. This is also Florida State's first victory at Ben Hill Griffin Stadium since 1999 when the Seminoles prevailed 30-23.

Double-Digit Victories

The win over the Gators gives Florida State a 10-2 record on the year. It is the Seminoles first 10-win season since the 2000 campaign when they posted an 11-2 record. Under coach Bobby Bowen, Florida State has amassed 18 double-digit win seasons.

School Record For Kick Return Yards

Leon Washington's 28-yard kickoff return in the fourth quarter helped Florida State set the school record for team return yards (215) in a single game. The previous record was 209 against Florida on November 28, 1992 in Tallahassee.

4th Quarter Touchdowns

The pair of touchdowns by the Seminoles—a one-yard rush by Chris Rix and a 52-yard pass from Rix to PK Sam—are their first two touchdowns in the 4th quarter since the Miami contest on October 11. In that game, Rix threw a pair of touchdown strikes to Chris Davis and Willie Reid in the final stanza against the Hurricanes.

Fourth Quarter Comebacks

The fourth-quarter comeback by Florida State—a one-yard run by Rix and a 52-yard pass to P.K. Sam—is its second of the season. The first of the year came versus Georgia Tech on September 13. Both instances have included a touchdown run by Chris Rix and a touchdown pass to Sam. Against the Yellow Jackets, Rix ran for a three-yard score and threw a five yard strike to Sam.

Big Day For D-Rob

Junior flanker Dominic Robinson scored the first touchdown of his career on a 35-yard pass from Chris Rix at the 1:46 mark of the first quarter. The reception tied a career-long set against Duke earlier this season (9/27). Robinson, making just the second start of his career today, recorded a career-high 102 yards and a career-high five receptions.

Newcomers To The Scoring Column

Three of Florida State's touchdowns today were produced by players who were cross the goal line for the first time in their career (Dominic Robinson, Matt Henshaw and Pat Watkins).

First Ever For Pat Watkins

Sophomore safety Pat Watkins recorded his first career fumble recovery. Watkins picked up a Ran Carthon fumble and returned it 25 yards for his first career score to tie the game at 24 apiece. It also marks the first fumble return for a TD since AJ Nicholson returned a fumble three yards at Duke (9/27) earlier this year for the third quarter score.

Playing In Front Of A Packed House

A stadium-record 90,407 fans jammed into Ben Griffin Stadium for today's contest. The crowd is the third largest that Florida State has played in front of. The two biggest both came at Michigan, including the 1991 game which drew 106,145 fans.

Florida State Player Post Game Quotes

Florida vs. Florida State – November 29, 2003

Quarterback Chris Rix

On the game:

"It was a fight out there. We are just happy about getting out of the Swamp with a win. My performance is secondary. The win is the most important thing. I didn't want to go to 0-2 in the Swamp."

On the game winning touchdown:

"It was a take off route to P.K. (Sam). I missed him the play before. I just saw him one on one with the defender and I just put it out there and P.K. made a play on the ball. That's a credit to him."

On the gameplan in the first half which saw mostly running plays:

"That's the gameplan but it can change throughout. They had an experienced secondary. Coach Jeff Bowden did a great job game planning. At the end it was going to take some big throws and catches and we got some."

Split End P.K. Sam

On the game winning touchdown:

"The play before I was open and Chris overthrew me. On the touchdown Chris rolled out and made the throw and I made the catch. After we made the first down to keep the drive going, I was confident we were going to score."

On Chris Rix:

"He played a great game. I think he only had that one fumble. He played a pretty mistake free game. That's what you need from your quarterback and then your other athletes can make a play."

Linebacker Michael Boulware

On Ben Troupe:

"Ben Troupe's a great athlete. He's a got great speed and good hands. He's a big time player and we respect big time players."

Flanker Dominic Robinson

On the game and his performance:

"My biggest goal was blocking. I thought eventually we would have to start throwing after their offense got going. I was able to step up and make some plays."

Post Game Quotes

Florida vs. Florida States - November 29, 2003

On the game:

"It's my 28th game playing the University of Florida and I don't think I have seen a better one then that. When we rallied back from the 31-33 comeback back in the early 90s, I thought that was the high point of my life. I think this now out did that one and any of the others I have seen. If they would have had another minute in the game this time they would have won it. It looked like neither one of us could stop the other in the end. We came back twice and then I thought we might be dead, but we came back again and Chris [Rix] did his thing. I cannot hardly believe we won."

On Florida's defense:

"They [UF's defense] try to take their safeties and really help with the wide outs. They shut you down pretty good out there, so we thought that if we could get something down field it would help."

On his approach to the game:

"We thought to win the ball game, we were going to have to run it. Florida's secondary really scared me. They have four seniors in the back that really know what they are doing. We felt that if we had third and long, we had to run, because all year long on third and long, people have tired to throw and have gotten intercepted or sacked. So the first half we kind of took that approach, and if our running game hadn't gone like it had, we were going to throw. It was going good and they couldn't stop it in the first half. They came out in the second half and got things adjusted and they really did a great job coming back in that third quarter."

On Chris Rix's performance:

"This year they didn't blitz him as they have in the past. I kept reading in the paper this week about how afraid they were of Rix and his running game, and we aren't used to hearing that. I guess that's why they didn't blitz more because when he gets blitzed he gets out of there and has a lot of running room. I do like him [Rix]. I like his ability and I like what he is able to do. If we could just get him from turning that ball over he would be great."

Post Game Quotes

Florida vs. Florida State - Nov. 29, 2003

On the game:

"I just told the team it hurts. It's the same thing I said last year. It hurts. It hurts bad. It was a heck of a game, and it came right down to the wire. They made some plays and we didn't. They made the plays they needed to make, and there were plays that we needed to make and didn't. I think that's what happens in a big game like that."

"We got out of rhythm on offense and on defense we were out on the field too long. We only had 28 plays on offense in the first half."

On the officials:

"They called them the way they see them. Once again, there were enough plays in this game that we didn't make that we should have made that we didn't to overcome that."

On Keiwan Ratliff:

"Keiwan has had a great year. I think the fact that he picked up the ball and went for a touchdown shows you the kind of year that he's had."

On Ben Troupe:

"Ben's made plays all year long. He's a great player, and I'm going to miss him a lot. I'm really proud of the type of player he is, but most importantly the type of person he is. He's a great person. He's going to have a great career in this game."

On Florida State's Chris Rix:

"He did play well. I think we did a nice job of keeping him contained. For the most part, they had 390 yards. He's a good quarterback. They did a nice job. Their game plan was to run the football and take time off the clock and keep our offense off the field."

On QB Chris Leak:

"Chris has come a long way. He continues to improve."

On the no-huddle offense:

"I know it was pretty heated when I was here before. There's a lot of pride involved. It's an intrastate rivalry. Both programs are top programs in the country. Each program wants to beat the other one."

Florida Player Post Game Quotes

Florida vs. Florida State – November 29, 2003

On the game:

"We played our game and it didn't workout for us today. We scored 18 points in the third quarter and got out to a lead."

On the suddenness of the last touchdown pass:

"You have to expect that they are going to have a good play. That was there big play and it just so happened that it impacted the game that way."

On the last game at the Swamp:

"That wasn't the way we wanted to go out. We wanted to come out of here with a win and it didn't happen. It was my last game and it hurts a lot."

Shannon Snell
Offensive Lineman

On FSU:

"I have tremendous respect for Florida State and they didn't play cheap."

Matt Leach
Kicker

On the missed field goal:

"I just missed it. I over-kicked it a little bit and turned on it."

On the what happened after the game:

"There is a lot of emotion out there and I really didn't see what happened. This is a big rivalry and those things happen."

Reid Fleming
Linebacker

On the officiating:

"They make the calls. If we weren't off sides on the kick off we would have had the ball in great field position with at least three points."

On the fumble on the goal line:

"I saw the ref throw the bag and he thought it was a fumble. He saw the Florida State player recover the ball and he called it that way."

On the late touchdown:

"You don't want to lose a game that way but it happened. Everybody was playing hard and Chris Rix made a great play."
