

## Swimmers have meet with Gators Saturday

Florida State will have its first competitive women swimming meet this Saturday when it travels to Gainesville to meet the University of Florida in a two-day competition.

Leading the FSU freestyle events will be Kathy Fitzpatrick and Barbara Stainsby. Top swimmer in the breaststroke event will be Lena Oding, the leading backstroker is Gwen Burchard and the butterfly expert is Ellen Smalling.

Other girls given fine chances of placing in the meet include Mary Brennan, Elaine Hull,

Jackie Kayser, Charlene Hansen, Melissa Brown, Alice Dorn and Cheryl Wykoff.

The time of the meet is set for 2 p.m.

## Divers play flag football

The Seminole Divers have challenged Ebon and his Blue Planet Divers, a local group, to a flag football game this Sunday at 3 p.m. The game will also function as a club meeting.

## Woman's swim team victors over Seminoles for first time

Florida's first woman's swim team, with a victory in the last event of the day Saturday, captured its first meet 60½-52½ over Florida State's woman's team.

Lynn Worley and Diane Schober led the Gators to victory, winning five individual races in the meet.

**SCHOBER WON** the first individual race held in the meet, that being the 200 freestyle, winning it with a time of 2:11.5. The Pennsylvania gal also captured the 500 back and 100 back races.

But it was Worley that changed the match to Florida's side.

In the 400 free relay, the Gators were leading by less than a half length over the Florida State team when Worley, swimming in the third spot on the relay entered the pool. By the end of her two lap sprint, the Gators were far enough in the lead to insure victory.

And without the last relay victory, where

seven points were awarded the winner and none to the second place team, the Gators would be 0-1 in their short season (this was the only meet of the quarter, although a return match with FSU is scheduled for next quarter in Tallahassee).

**WORLEY CAPTURED** the 100 butterfly, and 50 butterfly, both in wide margins of victory.

However, the victory wasn't all glory for the woman's team, which is officially recognized as a club under the Intramural office.

According to Donna Deutsch, the swimming coach for the girls, plans are in order for the team (club) to participate in the nationals, to be held in March in Cincinnati, Ohio.

However, presently, there are no funds allocated to the club and with several girls on the team eligible to compete, the team may be short of funds to go.
