Women lose but qualify

The Florida State women's swimming team lost to the Miami Hurricanes recently, 67-57, but the score didn't reflect several outstanding individual performances.

Several Tribe members did so well, in fact, they qualified for national competition later this season.

The 200 medley relay team of Laurie Sturm, Kris Campbell, Jo Hubsch and Kim French clocked in at 2:00.7 to qualify. The foursome didn't win the event, however, as Miami recorded a time of 2:02.7.

FSU's 200 yard freestyle relay of Pam Knutsen, Campbell, Hubsch and Sturm also qualified nationally with a time of 1:52.5.
